If your organization does not qualify to participate, we may be able to offer you information about organizations in the Twin Cities area that may be able to give you the assistance you need.

We look forward to receiving your completed Application via the link. Should you have any questions in the meantime, you may contact LegalCORPS Program Director, Sarah Lewis, slewis@legalcorps.org.

If we receive more applications than we can accommodate, we may give preference to organizations that assist low-income individuals or other marginalized communities (but all purposed organizations are encouraged to apply).
