Offering Circular dated 24 January 2017

TERMS AND CONDITIONS OF THE BONDS

The following, other than the paragraphs in italics, is the text of the terms and conditions of the Bonds which will be endorsed on the individual certificates ("Individual Certificates") issued in respect of the Bonds.

The issue of the U.S.$1,000,000,000 6.375% Bonds due 2022 (the "Bonds", which expression shall, unless the context requires, include any bonds issued pursuant to Condition 15 and forming a single series with the Bonds issued on the Closing Date) was authorised by a resolution of the Board of Directors of Vedanta Resources plc (the "Issuer" or "Vedanta") on 13 January 2017 and 24 January 2017. The Bonds are constituted by a Trust Deed (the "Trust Deed") to be dated on or about the Closing Date between the Issuer and Citicorp International Limited (the "Trustee" which expression shall include all persons for the time being acting as trustee or trustees under the Trust Deed) as trustee for the Bondholders. These terms and conditions (the "Conditions") include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bonds. The Issuer will enter into a paying agency agreement to be dated on or about the Closing Date (the "Paying Agency Agreement") among the Issuer, the Trustee, Citibank, N.A., London Branch, as principal paying agent, Citigroup Global Markets Deutschland AG as transfer agent and registrar, and the other paying and transfer agents appointed under it. The principal paying agent, transfer agent, registrar, paying agents and transfer agents for the time being are referred to herein as the "Principal Agent", the "Registrar", the "Paying Agents" (which expression shall include the Principal Agent) and the "Transfer Agents" (which expression shall include the Registrar), respectively, each of which expressions shall include the successors from time to time of the relevant persons, in such capacities, under the Paying Agency Agreement, and are collectively referred to herein as the "Agents". Copies of the Trust Deed and the Paying Agency Agreement are available for inspection during usual business hours at the specified office of the Principal Paying Agent. The Bondholders (as defined in Condition 1(b)) are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of the provisions of the Paying Agency Agreement applicable to them.

1. Form, Denomination, Title and Status

(a) **Form and denomination**: The Bonds are in registered form in the minimum denomination of U.S.$200,000 each and in integral multiples of U.S.$1,000 in excess thereof, without coupons attached. A bond certificate (each, a "Certificate") will be issued to each Bondholder in respect of its registered holding of Bonds. Each Bond and each Certificate will have an identifying number which will be recorded on the relevant Certificate and in the Register (as defined in Condition 2(a)).

Certificates issued with respect to Rule 144A Bonds will bear the Securities Act Legend (as defined in the Trust Deed), unless determined otherwise in accordance with the provisions of the Paying Agency Agreement by reference to applicable law. Certificates issued with respect to the Regulation S Bonds will not bear the Securities Act Legend. Upon issue, the Rule 144A Bonds will be represented by the Restricted Global Certificate and the Regulation S Bonds will be represented by the Unrestricted Global Certificate. The Restricted Global Certificate will be deposited with a custodian for, and registered in the name of Cede & Co. as nominee of, The Depository Trust Company ("DTC") and the Unrestricted Global Certificate will be deposited with a custodian for, and registered in the name of Cede & Co. as nominee of, DTC for the accounts of Euroclear Bank SA/NV ("Euroclear") and Clearstream Banking, S.A. ("Clearstream, Luxembourg"). The Conditions are modified by certain provisions contained in the Global Certificates. See "Summary of Provisions relating to the Bonds while in Global Form."

Except in the limited circumstances described in the Global Certificates and "Summary of Provisions relating to the Bonds while in Global Form," owners of interests in Bonds represented by the Global Certificates will not be entitled to receive Individual Certificates in respect of their individual holdings of Bonds. The Bonds are not issuable in bearer form.

(b) **Title:** Title to the Bonds passes only by transfer and registration in the Register (as defined in Condition 2(a)). The holder of any Bond will (except as otherwise required by law or as ordered by a court of competent jurisdiction) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or the theft or loss of, the Certificate (if any) issued in respect of it or anything written on it or on the relevant Certificate) and no person will be liable for so treating the holder. In these Conditions, "Bondholder" and (in relation to a Bond) "holder" mean the person in whose name a Bond is registered in the Register from time to time.

(c) **Status:** The Bonds constitute senior, unsubordinated, direct, unconditional and (subject to Condition 3(a)) unsecured obligations of the Issuer and shall at all times rank pari passu and without any preference among themselves. The payment obligations of the Issuer under the Bonds shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 3(a), at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

2. **Transfer of Bonds**

(a) **The Register:** The Issuer will cause to be kept at the specified office of the Registrar and in accordance with the terms of the Paying Agency Agreement a register (the "Register") on which shall be entered, on behalf of the Issuer, the names and addresses of the Bondholders from time to time and the particulars of the Bonds held by them and of all transfers and redemptions of Bonds. Each Bondholder shall be entitled to receive only one Certificate in respect of its entire holding.

(b) **Transfers:** Subject to the terms of the Paying Agency Agreement and to Conditions 2(e) and 2(f), a Bond may be transferred by delivering the Certificate issued in respect of it, with the form of transfer on the back duly completed and signed, to the specified office of the Registrar or any of the Transfer Agents. No transfer of a Bond will be valid unless and until entered on the Register.

Transfers of interests in the Bonds evidenced by the Global Certificates will be effected in accordance with the rules of the relevant clearing systems.

Upon the transfer, exchange or replacement of a Rule 144A Bond, a Transfer Agent will only deliver Certificates with respect to Rule 144A Bonds that bear the Securities Act Legend unless there is delivered to such Transfer Agent such satisfactory evidence, which may include an opinion of legal counsel, as may be reasonably required by the Issuer, that neither the Securities Act Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the US Securities Act of 1933, as amended (the "Securities Act").

Interests in Bonds represented by the Restricted Global Certificate may be transferred to a person who wishes to take delivery of any such interest in the form of an interest in Bonds represented by the Unrestricted Global Certificate only if a Transfer Agent receives a written certificate from the transferor (in the form provided in the Paying Agency Agreement) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S under the Securities Act ("Regulation S") or Rule 144 under the Securities Act ("Rule 144A") (if available).

Prior to the 40th day after the day of issue of the Bonds (the "Restricted Period"), an interest in Bonds represented by the Unrestricted Global Certificate may be exchanged for an interest in Bonds represented by the Restricted Global Certificate only if a Transfer Agent receives a written certificate from the transferee of the interest in Bonds represented by the Unrestricted Global Certificate (in the form provided in the Paying Agency Agreement) to the effect that the transferee is a qualified institutional buyer (as defined in Rule 144A) and is obtaining such interest in a transaction meeting the requirements of Rule 144A and any applicable securities laws of any state of the United States or any other jurisdiction. After the expiration of the Restricted Period, this certification requirement will no longer apply to such transfers.

Transfers of Bonds are also subject to the restrictions described under "Plan of Distribution" and "Transfer Restrictions" below.

(c) **Delivery of new Certificates:** Each new Certificate to be issued on transfer of a Bond or Bonds will, within five Business Days of receipt by the relevant Transfer Agent of the duly completed and signed form of transfer, be made available for collection at the specified office of the relevant Transfer Agent or, if so requested in the form of transfer, be mailed by uninsured mail at the risk of the holder entitled to the Bonds transferred (free of charge to the holder), to the address specified in the form of transfer.

Except in the limited circumstances described in "Summary of Provisions relating to the Bonds while in Global Form — Registration of Title", owners of interests in Bonds represented by the Global Certificates will not be entitled to receive physical delivery of Individual Certificates. Issues of Certificates upon transfers of Bonds are subject to compliance by the transferor and transferee with the certification procedures described above and in the Paying Agency Agreement and, in the case of Rule 144A Bonds, compliance with the Securities Act Legend.

Where some but not all of the Bonds in respect of which a Certificate is issued are to be transferred or redeemed, a new Certificate in respect of the Bonds not so transferred or redeemed, will, within five Business Days of delivery or surrender of the original Certificate to the relevant Transfer Agent or Registrar, be made available for collection at the specified office of the relevant Agent or, if so requested by the holder, be mailed by uninsured mail at the risk of the holder of the Bonds not so transferred or redeemed (free of charge to the holder), to the address of such holder appearing on the Register.

In this Condition 2, "Business Day" means a day (other than a Saturday or a Sunday) on which banks are open for business in the city in which the specified office of the Registrar and the relevant Transfer Agent to which the Certificate in respect of the Bonds to be transferred or relevant form of transfer is delivered is situated.

(d) **Formalities free of charge:** Registration of transfer of Bonds will be effected without charge by or on behalf of the Issuer or any of the Transfer Agents, but only upon the person making such application for transfer, paying or procuring the payment (or the giving of such indemnity as the Issuer or any of the Transfer Agents may require) of any tax, duty or other governmental charges which may be imposed in relation to such transfer.

(e) **Closed periods:** No Bondholder may require the transfer of a Bond to be registered during the period of 15 days ending on (and including) the due date for any payment of principal of that Bond or seven days ending on (and including) any Interest Record Date (as defined in Condition 6(a)).

(f) **Regulations:** All transfers of Bonds and entries on the Register will be made subject to the detailed regulations concerning transfer of Bonds scheduled to the Paying Agency Agreement. The regulations may be changed by the Issuer with the prior written approval of the Trustee and the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar to any Bondholder upon written request.

(c) with respect to taxes, duties, assessments or governmental charges in respect of such Bond imposed as a result of the failure of the holder or beneficial owner of the Bond to comply with a written request of the Issuer before any such withholding or deduction would be payable to provide timely or accurate information concerning the nationality, residence or identity of the holder or beneficial owner or to make any valid or timely declaration or similar claim or satisfy any certification, information or other reporting requirement, which is required or imposed by a statute, treaty, regulation or administrative practice of the United Kingdom or any authority therein or thereof having the power to tax as a condition to exemption from all or part of such taxes;

(d) for any estate, inheritance, gift, sale, transfer, personal property or similar tax or assessment;

(e) for any Taxes imposed or required to be withheld under Sections 1471 to 1474 (or any successor provisions or amendments thereof) of the Code, any regulations or other official guidance thereunder, any intergovernmental agreement entered into in connection therewith or any law or regulation (or any official interpretation thereof) implementing an intergovernmental approach thereto, or any agreements entered into pursuant to Section 1471(b) of the Code; or

(f) for any taxes, duties, assessments or governmental charges payable otherwise than by deduction or withholding on payments under the Bonds.

Such additional amounts shall also not be payable where, had the beneficial owner of the Bond been the holder of the Bond, it would not have been entitled to payment of additional amounts by reason of clauses (a) through (f) inclusive above.

"Relevant Date" means whichever is the later of (i) the date on which such payment first becomes due and (ii) if the full amount payable has not been received in New York City by the Principal Agent or the Trustee on or prior to such due date, the date on which, the full amount having been so received, notice to that effect shall have been given to the Bondholders and payment made.

Any reference in these Conditions to principal and/or interest in respect of the Bonds shall be deemed to include any additional amounts which may be payable under this Condition or any undertaking given in addition to or substitution for it under the Trust Deed.

8. **Events of Default**

The Trustee at its discretion may, and if so requested by holders of not less than 25% in principal amount of the Bonds then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to it being indemnified and/or secured (including by way of payment in advance) to its satisfaction), give notice in writing to the Issuer that the Bonds are, and they shall immediately become, due and payable at their principal amount together with accrued interest, if applicable, if any of the following events (each an "Event of Default") shall have occurred:

(a) **Non-Payment:** (i) the Issuer fails to pay all or any part of the principal of any of the Bonds when the same shall become due and payable, whether at maturity, upon redemption or otherwise and such failure continues for a period of seven calendar days; or (ii) the Issuer fails to pay any instalment of interest upon any of the Bonds as and when the same shall become due and payable, and such failure continues for a period of 14 calendar days; or

(b) **Breach of Other Obligations:** (i) the Issuer fails to make or consummate an Offer to Purchase with respect to any of the Bonds in the manner set out in Condition 5(d); or (ii) the Issuer defaults in the performance or observance of or compliance with any of its other obligations set out in the Bonds or the Trust Deed, which default is incapable of remedy or, if in the opinion of the Trustee such default is capable of remedy, is not in the opinion of the Trustee remedied within 45 calendar days after the date on which written notice specifying such failure, stating that such notice is a "Notice of Default" under the Bonds and demanding that the Issuer remedy the same, shall have been given to the Issuer by the Trustee; or

(c) **Cross-Default:** (i) any other present or future indebtedness of the Issuer or any of its Material Subsidiaries for or in respect of moneys borrowed or raised becomes due and payable prior to its stated maturity (otherwise than at the option of the Issuer or such Material Subsidiary, as the case may be) by reason of any actual or potential default, event of default or the like (howsoever described); or (ii) any such indebtedness is not paid when due or, as the case may be, within any applicable grace period originally provided for; or (iii) the Issuer or any of its Material Subsidiaries fails to pay when due (or within any applicable grace period originally provided for) any amount payable by it under any present or future guarantee for, or indemnity in respect of, any moneys borrowed or raised; provided that the aggregate amount of the relevant indebtedness, guarantees and indemnities in respect of which any one or more of the events mentioned above in this Condition 8(c) has or have occurred equals or exceeds U.S.$100,000,000 or its equivalent in other currencies; or

(d) **Enforcement Proceedings:** a distress, attachment, execution or other legal process (other than distraint or attachment imposed by any government, authority or agent prior to enforcement foreclosure) is levied, enforced or sued out, as the case may be, on or against a substantial part of the property, assets or revenues of the Issuer or all or a substantial part of the property, assets or revenues of any of its Material Subsidiaries and is not (i) either discharged or stayed within 60 calendar days or in circumstances where the levy, enforcement or suing out, as the case may be, of such legal process is not, or does not become, materially prejudicial to the interests of the Bondholders, within 120 calendar days; or (ii) being contested in good faith on the basis of appropriate legal advice provided by reputable independent counsel in the relevant jurisdiction or jurisdictions and by appropriate proceedings; or

(e) **Security Enforced:** an encumbrancer takes possession or a receiver, administrative receiver, administrator, manager or other similar person is appointed over, or an attachment order is issued in respect of, the whole or a substantial part of the undertaking, property, assets or revenues of the Issuer or any of its Material Subsidiaries and in any such case such possession or appointment is not stayed or terminated or the debt on account of which such possession was taken or appointment made is not discharged or satisfied within 60 calendar days of such appointment or the issue of such order; or

(f) **Insolvency:** the Issuer or any of its Material Subsidiaries (i) is insolvent or bankrupt or is deemed to be insolvent as a result of the court being satisfied that the value of the Issuer's or such Material Subsidiary's assets is less than the amount of its liabilities, taking into account contingent and prospective liabilities or unable to pay its debts or stops, suspends or threatens to stop or suspend payment of all or a substantial part of (or of a particular type of) its debts as they mature; or (ii) applies for or consents to or suffers the appointment of an administrator, administrative receiver, liquidator, manager or receiver or other similar person in respect of the Issuer or any of its Material Subsidiaries or over the whole or a substantial part of the undertaking, property, assets or revenues of the Issuer or any of its Material Subsidiaries; or (iii) proposes or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors in respect of any of such debts or a moratorium is agreed or declared or comes into effect in respect of or affecting all or a substantial part of (or of a particular type of) the debts of the Issuer or any of its Material Subsidiaries, except, in any such case, for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or consolidation on terms approved by the Trustee or by an Extraordinary Resolution; or

(g) **Winding-up, Disposals:** an administrator or an administrative receiver is appointed, an order is made or an effective resolution passed for the winding-up or dissolution or administration of the Issuer or any of its Material Subsidiaries, or the Issuer or any of its Material Subsidiaries ceases or threatens to cease to carry on all or a substantial part of its business or operations, or the Issuer or any of its Material Subsidiaries sells or disposes of all or a substantial part of its assets or business whether as a single transaction or a number of transactions, related or not; except, in any such case, for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger, consolidation or other similar arrangement (i) on terms previously approved in writing by the Trustee or by an Extraordinary Resolution, or (ii) in the case of a Material Subsidiary, not including arising out of the insolvency of such Material Subsidiary and under which all or substantially all of its assets are transferred to another member or members of Vedanta or to a transferee or transferees which immediately upon such transfer become(s) a Subsidiary of Subsidiaries of Vedanta; or

(h) **Expropriation:** any governmental authority or agency condemns, seizes, compulsorily purchases or expropriates (excluding any distraint or attachment prior to enforcement or foreclosure) all or a substantial part of the assets or shares of the Issuer or any of its Material Subsidiaries; or

(i) **Analogous Events:** any event occurs which under the laws of England or, in the case of the Issuer's Material Subsidiaries, the laws of the relevant Material Subsidiary's place of incorporation or principal place of business has an analogous effect to any of the events referred to in paragraphs (d) to (h) above.

Upon any such notice being given to the Issuer, the Bonds will immediately become due and payable at their principal amount together with accrued interest as provided in the Trust Deed, provided that no such notice may be given unless an Event of Default shall have occurred and provided further that, in the case of paragraphs (b)(ii), (d), (e) and (h), the Trustee shall have certified that in its opinion such event is materially prejudicial to the interests of the Bondholders.

For the purposes of paragraph (c) above, any indebtedness which is in a currency other than US dollars shall be translated into US dollars at the middle spot rate for the sale of US dollars against the purchase of the relevant currency quoted by any leading bank selected by the Trustee on any day when the Trustee requests a quotation for such purposes.

"Material Subsidiary" means, at any particular time, a Subsidiary of the Issuer:

(a) whose (i) total assets or (ii) gross revenues (in each case on an unconsolidated basis) attributable to the Issuer are equal to or greater than 10% of the consolidated total assets or consolidated gross revenues of the Issuer, as applicable (in each case as calculated based on the latest annual unconsolidated financial statements of the Subsidiary and the latest audited annual consolidated financial statements of the Issuer); or

(b) to which is transferred all or substantially all of the business, assets and undertaking of a Subsidiary of the Issuer which immediately prior to such transfer is a Material Subsidiary, whereupon the transferor Subsidiary of the Issuer shall immediately cease to be a Material Subsidiary and the transferee Subsidiary shall immediately become a Material Subsidiary (subject to the provisions of paragraph (a) above).

A report by two directors of the Issuer certified by the Issuer's auditor that in their opinion a Subsidiary of the Issuer is or is not, or was or was not, at any particular time or throughout any specified period a Material Subsidiary shall, in the absence of manifest error, be conclusive and binding on the Trustee and the Bondholders.

9. **Consolidation, Amalgamation or Merger**

The Issuer will not consolidate with, merge or amalgamate into, or transfer its properties and assets substantially as an entirety to, any corporation or convey or transfer its properties and assets substantially as an entirety to any person (the consummation of any such event, a "Merger"), unless:

(a) the corporation formed by such Merger or the person that acquired such properties and assets shall expressly assume, by a supplemental trust deed in form and substance satisfactory to the Trustee, all obligations of the Issuer under the Trust Deed and the Bonds and the performance of every covenant and agreement applicable to it contained therein;

(b) the corporation formed by such Merger, or the person that acquired such properties and assets, if not organised under the law of the United Kingdom, shall expressly agree, by a supplemental trust deed in form and substance satisfactory to the Trustee, that its jurisdiction of organisation (or any authority therein or thereof having power to tax) will be added to Condition 7 and clause (c) of Condition 5 in each place therein in which reference is made to the United Kingdom, subject to clause (d) of this Condition 9;

(c) immediately after giving effect to any such Merger, no Event of Default or Potential Event of Default (as defined in the Trust Deed) shall have occurred or be continuing or would result therefrom as confirmed to the Trustee by (i) a certificate signed by two directors of the Issuer and (ii) a certificate signed by two directors of the corporation that would result from such Merger or, as the case may be, a certificate from any such person referred to above; and

(d) the corporation formed by such Merger, or the person that acquired such properties and assets, shall expressly agree, among other things, not to redeem the Bonds pursuant to Condition 5(c) as a result of it becoming obliged to pay any additional amounts (as provided or referred to in Condition 7) arising solely as a result of such Merger.

10. **Prescription**

Claims in respect of principal and interest will become void unless made as required by Condition 6 within a period of 10 years in the case of principal and five years in the case of interest from the appropriate Relevant Date.

11. **Replacement of Certificates**

If any Certificate representing a Bond is lost, stolen, mutilated, defaced or destroyed it may be replaced at the specified office of the Registrar subject to all applicable laws and stock exchange or other relevant authority requirements, upon payment by the claimant of the costs and expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may require (provided that the requirement is reasonable in the light of prevailing market practice). Mutilated or defaced Certificates must be surrendered before replacements will be issued.

12. **Meetings of Bondholders, Modification and Waiver**

(a) **Meetings of Bondholders:** The Trust Deed contains provisions for convening meetings of Bondholders to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed or the Paying Agency Agreement. Such a meeting may be convened by the Issuer or the Trustee at any time and shall be convened by the Trustee if it receives a written request by Bondholders holding not less than 15% in principal amount of the Bonds for the time being outstanding. The quorum for any such meeting convened to consider an Extraordinary Resolution will be two (2) or more persons holding or representing a clear majority in principal amount of the Bonds for the time being outstanding, or at any adjourned meeting two (2) or more persons being or representing Bondholders whatever the principal amount of the Bonds held or represented, unless the business of such meeting includes consideration of proposals, inter alia, (i) to modify the maturity of the Bonds or the dates on which interest is payable in respect of the Bonds, (ii) to reduce or cancel the principal amount of, or interest on, the Bonds, (iii) to change the currency of payment of the Bonds or (iv) to modify the provisions concerning the quorum required at any meeting of Bondholders or the majority required to pass an Extraordinary Resolution, in which case the necessary quorum will be two (2) or more persons holding or representing not less than two-thirds, or at any adjourned meeting not less than one-third, in principal amount of the Bonds for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Bondholders (whether or not they were present at the meeting at which such resolution was passed and whether or not they voted in favour).

The expression "**Extraordinary Resolution**" means a resolution passed at a meeting of Bondholders duly convened and held in accordance with these provisions by a majority consisting of not less than two-thirds of the votes cast.

(b) **Modification and Waiver:** The Trustee may agree, without the consent of the Bondholders, to (i) any modification to these Conditions or to the provisions of the Trust Deed or the Paying Agency Agreement which is in its opinion of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as provided for in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of these Conditions, the Trust Deed or the Paying Agency Agreement which is in the opinion of the Trustee not materially prejudicial to the interests of the Bondholders. Any such modification, authorisation or waiver shall be binding on the Bondholders and such modification shall be notified to the Bondholders as soon as practicable.

(c) **Written resolutions of 90% holders:** The Trust Deed provides that a written resolution signed by or on behalf of the holders of not less than 90% of the aggregate principal amount outstanding of Bonds who for the time being are entitled to receive notice of a meeting in accordance with the provisions of the Trust Deed shall be as valid and effective as a duly passed Extraordinary Resolution.

(d) **Entitlement of the Trustee:** In connection with the exercise of its powers, trusts, authorisations or discretions (including but not limited to those referred to in this Condition), the Trustee shall have regard to the interests of the Bondholders as a class and shall not have regard to the consequences of such exercise for individual Bondholders (including as a result of their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory) and the Trustee shall not be entitled to require, nor shall any Bondholder of Bonds be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Bondholders.

13. **Enforcement**

At any time after the Bonds become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the Trust Deed and the Bonds, but it need not take any such proceedings unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Bondholders holding at least one-quarter in principal amount of the Bonds outstanding, and (b) it shall have been indemnified and/or secured (including by way of payment in advance) to its satisfaction. No Bondholder may proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

14. **Indemnification of the Trustee**

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings to enforce repayment unless indemnified and/or secured (including by way of payment in advance) to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

The Trustee may rely without liability to Bondholders on any certificate or report prepared by the auditors or any other person pursuant to these Conditions and/or the Trust Deed, whether or not addressed to the Trustee and whether or not the auditors liability in respect thereof is limited by a monetary cap or otherwise; any such certificate shall be conclusive and binding on the Issuer, the Trustee, and the Bondholders.

15. **Further Issues**

The Issuer may from time to time without the consent of the Bondholders create and issue further securities either having the same terms and conditions as the Bonds in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities (including the Bonds) or upon such terms as the Issuer may determine at the time of their issue, provided that, if the securities of such further issue are not fungible with the Bonds for U.S. federal income tax purposes, such securities will have a separate CUSIP or ISIN. References in these Conditions to the Bonds include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Bonds. Any further securities forming a single series with the outstanding securities (including the Bonds) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by a deed supplemental to the Trust Deed.

16. **Notices**

Notices to Bondholders will be valid if published in a leading newspaper having general circulation in Singapore (which is expected to be the Business Times). Any such notice shall be deemed to have been given on the date of such publication or, if published more than once, on the first date on which publication is made.

So long as the Bonds are represented by the Global Certificates and the Global Certificates are held on behalf of DTC or the alternative clearing system (as defined in the Global Certificates), notices to Bondholders may be given by delivery of the relevant notice to DTC or the alternative clearing system, for communication by it to entitled accountholders in substitution for notification as required by the Conditions.

17. **Contracts (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999.

18. **Governing Law and Jurisdiction**

(a) **Governing Law:** The Trust Deed, the Bonds and all non-contractual matters arising from or connected with the Bonds and the Trust Deed, are governed by and are construed in accordance with English law.

(b) **Jurisdiction:** The courts of England have exclusive jurisdiction to settle any dispute (a "Dispute") arising from or connected with the Trust Deed or the Bonds and all non-contractual matters arising from or in connection therewith (including a dispute regarding the existence, validity or termination of the Trust Deed or the Bonds or the consequences of their nullity). The submission to the jurisdiction of the courts of England is for the benefit of the Trustee and the Bondholders only and shall not (and shall not be construed so as to) limit the right of the Trustee or any Bondholder to take proceedings relating to a Dispute ("Proceedings") in any other courts with jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if any to the extent permitted by law.

DESCRIPTION OF THE NOTES

For purposes of this "*Description of the Notes*," the term "Issuer" refers only to Jain International Trading BV, a Company incorporated with limited liability under the laws of The Netherlands, and any successor obligor on the Notes, and not to any of its Subsidiaries. The term "Parent Guarantor" refers only to Jain Irrigation Systems Ltd. and the term "Note Guarantee" refers only to the Parent Guarantor's guarantee of the Notes.

The Notes are to be issued under an indenture (the "**Indenture**"), to be dated as of February 1, 2017 among, *inter alia*, the Issuer, the Parent Guarantor and The Bank of New York Mellon, London Branch, as trustee (the "**Trustee**").

The following is a summary of certain provisions of the Indenture, the Notes and the Note Guarantee. This summary does not purport to be complete, and is subject to, and is qualified in its entirety by reference to, all of the provisions of the Indenture, the Notes and the Note Guarantee. It does not restate those agreements in their entirety. Whenever particular sections or defined terms of the Indenture not otherwise defined herein are referred to, such sections or defined terms are incorporated herein by reference. Copies of the Indenture will be available for inspection on or after the Original Issue Date (as defined herein) at the corporate trust office of the Trustee at One Canada Square, London E14 5AL, United Kingdom. Defined terms used herein which are not immediately defined, have the meanings ascribed to them in the section under the caption "— *Definitions*."

Brief Description of the Notes

The Notes are:

- general, unsecured and unsubordinated obligations of the Issuer;
- senior in right of payment to any existing and future obligations of the Issuer expressly subordinated in right of payment to the Notes;
- at least *pari passu* in right of payment with all other unsecured, unsubordinated Indebtedness of the Issuer (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law);
- guaranteed by the Parent Guarantor on a senior basis, subject to the limitations described below under the captions "— *Note Guarantee*" and in "*Risk Factors — Risks Related to the Notes and the Note Guarantee;*"
- effectively subordinated to the existing and future secured obligations of the Issuer, if any, and the Parent Guarantor, to the extent of the value of the assets serving as security therefor; and
- effectively subordinated to all existing and future obligations of the Non-Guarantor Subsidiaries (as defined below).

The Notes will mature on February 1, 2022, unless earlier redeemed pursuant to the terms thereof and the Indenture.

The Notes will bear interest at 7.125% per annum from the Original Issue Date or from the most recent interest payment date to which interest has been paid or duly provided for, payable semiannually in arrears on February 1 and August 1 of each year (each an "**Interest Payment Date**"), commencing August 1, 2017. Interest on the Notes will be paid to Holders of record at the

close of business on January 17 or July 17 immediately preceding an Interest Payment Date (each, a "**Record Date**"), notwithstanding any transfer, exchange or cancellation thereof after a Record Date and prior to the immediately following Interest Payment Date. Interest on the Notes will be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Except as described under the captions "— *Optional Redemption*" and "— *Redemption for Taxation Reasons*" or as otherwise provided in the Indenture, the Notes may not be redeemed prior to maturity (unless they have been repurchased by the Issuer).

In any case in which the date of the payment of principal of, premium on or interest on the Notes is not a Business Day, then payment of such principal, premium or interest need not be made on such date but may be made on the next succeeding Business Day. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due and no interest on the Notes shall accrue for the period after such date.

The Indenture will allow additional Notes to be issued from time to time ("**Additional Notes**"), subject to certain limitations described below under the caption "— *Further Issues.*" Unless the context requires otherwise, references to the "**Notes**" for all purposes of the Indenture and this "*Description of the Notes*" include any Additional Notes that are actually issued.

The Notes will be issued only in fully registered form, without coupons, in denominations of US$200,000 and integral multiples of US$1,000 in excess thereof. No service charge will be made for any registration of transfer or exchange of the Notes, but the Issuer may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith.

All payments on the Notes will be made in U.S. dollars by the Issuer at the office or agency of the Issuer maintained for that purpose (which initially will be the specified office of the Paying Agent currently located at One Canada Square, London E14 5AL, United Kingdom), and the Notes may be presented for registration of transfer or exchange at such office; *provided* that, at the option of the Issuer, payment of interest may be made by check (where such payment is made by the Issuer) mailed to the address of the Holders as such address appears in the Note register maintained by the Registrar or by wire transfer. Interest payable on the Notes held through Euroclear or Clearstream (each as defined herein) will be available to Euroclear or Clearstream participants on the Business Day following payment thereof.

Note Guarantee

The Notes will be guaranteed by the Parent Guarantor. The Note Guarantee is:

- a senior unsecured obligation of the Parent Guarantor;
- senior in right of payment to all future obligations of the Parent Guarantor expressly subordinated in right of payment to the Note Guarantee;
- at least *pari passu* in right of payment with all unsecured, unsubordinated Indebtedness of the Parent Guarantor (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); and
- effectively subordinated to the current and future secured obligations of the Parent Guarantor, if any, to the extent of the value of the assets serving as security therefor.

As at the Original Issue Date, the Parent Guarantor's potential liability under its Note Guarantee is capped at an amount equal to 150% of the total initial aggregate principal amount of the Notes being US$300,000,000 (the "**Note Guaranteed Amount**"). The Note Guaranteed Amount may be reduced by any amounts paid by the Parent Guarantor under the Note Guarantee from time

to time and by the aggregate principal amount of Notes that are redeemed and cancelled by the Issuer from time to time. The Note Guaranteed Amount may be increased from time to time up to a maximum of 150% of the then outstanding total aggregate principal amount of the Notes, including any Additional Notes (the "**Maximum Note Guaranteed Amount**"). In the event that, on any anniversary of the Original Issue Date, the Note Guaranteed Amount is less than the Maximum Note Guaranteed Amount, the Parent Guarantor shall give notice thereof to the Holders and to the Trustee and shall not:

- declare or pay any dividends, interest or make any other payment on, and will procure that no dividend, interest or other payment is made on any class of its Capital Stock (including preference shares) or Subordinated Indebtedness; or

- redeem, reduce, cancel, buy-back or otherwise acquire for any consideration any of its share capital or its Subordinated Indebtedness;

until the earlier of: (i) the next calendar day on which, for the Parent Guarantor, the Note Guaranteed Amount is increased to be equal to the Maximum Note Guaranteed Amount; and (ii) the calendar day on which all of the Notes have been redeemed in full. See "Risk Factors — Risks Relating to the Notes and the Note Guarantee — The guarantee of the Notes by the Parent Guarantor is capped at 150% of the principal amount of the Notes and may not be sufficient to pay all amounts due under the Notes or the Indenture."

Although the Indenture contains limitations on the amount of additional Indebtedness that Non-Guarantor Subsidiaries may incur, the amount of such additional Indebtedness could be substantial. In the event of a bankruptcy, liquidation or reorganization of any Non-Guarantor Subsidiary, such Non-Guarantor Subsidiary will pay the holders of its debt and its trade creditors before it will be able to distribute any of its assets to the Parent Guarantor.

Under the Indenture, and any supplemental indenture to the Indenture, as applicable, the Parent Guarantor guarantees the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes. The Parent Guarantor will (1) agree that its obligations under the Note Guarantee will be enforceable irrespective of any invalidity, irregularity or unenforceability of the Notes or the Indenture and (2) waive its right to require the Trustee to pursue or exhaust its legal or equitable remedies against the Issuer prior to exercising its rights under the Note Guarantee. Moreover, if at any time any amount paid under a Note or the Indenture is rescinded or must otherwise be restored, the rights of the Holders under the Note Guarantee will be reinstated with respect to such payments as though such payment had not been made. All payments under the Note Guarantee are required to be made in U.S. dollars.

Under the Indenture, and any supplemental indenture to the Indenture, as applicable, the Note Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by the Parent Guarantor without rendering the Note Guarantee voidable under applicable law relating to fraudulent conveyance, fraudulent transfer, unfair preference, financial assistance, absence or inadequacy of corporate benefit, insolvency or similar laws affecting the rights of creditors generally and the FEMA ODI Regulations and the Guarantees Guidelines. If the Note Guarantee were to be rendered voidable, it could be subordinated by a court to all other Indebtedness (including Guarantees and other contingent liabilities) of the Parent Guarantor, and, depending on the amount of such Indebtedness, the Parent Guarantor's liability on the Note Guarantee could be reduced to zero.

The obligations of the Parent Guarantor under the Note Guarantee may be limited, or possibly invalid, under applicable laws. See "*Risk Factors — Risks Relating to the Notes and the Note Guarantee*."

Further Issues

Subject to the covenants described below and otherwise in accordance with the terms of the Indenture, the Issuer may, from time to time, without notice to, or the consent of, the Holders, create and issue Additional Notes having the same terms and conditions as the Notes (including the benefit of the Note Guarantee) in all respects (or in all respects except for the issue date, issue price and the interest period and, to the extent necessary, certain temporary securities law transfer restrictions) (a "**Further Issue**") so that such Additional Notes may be consolidated and form a single class with the previously outstanding Notes and vote together as one class on all matters with respect to the Notes; *provided* that the issuance of any such Additional Notes shall then be permitted by the covenant described under the caption "— *Limitation on Indebtedness*" and the other provisions of the Indenture.

Optional Redemption

At any time and from time to time prior to February 1, 2020, the Issuer may at its option redeem the Notes, in whole but not in part, at a redemption price equal to 100% of the principal amount of the Notes plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Neither the Trustee nor the Paying Agent will be responsible for calculating or verifying the Applicable Premium.

At any time and from time to time on or after February 1, 2020, the Issuer may redeem the Notes, in whole or in part, at a redemption price equal to the percentage of the principal amount of the Notes redeemed set forth below plus accrued and unpaid interest, if any, to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve month period beginning on February 1 of each year set forth below:

Period	Redemption Price
2020	103.5625%
2021 and thereafter	101.78125%

At any time and from time to time prior to February 1, 2020, the Issuer may redeem up to 35% of the aggregate principal amount of the Notes with the Net Cash Proceeds of one or more sales of Common Stock of the Parent Guarantor in an Equity Offering at a redemption price of 107.125% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided* that at least 65% of the aggregate principal amount of the Notes originally issued on the Original Issue Date remains outstanding after each such redemption and any such redemption takes place within 60 days after the closing of the related Equity Offering.

Selection and Notice

The Issuer will give not less than 30 days' nor more than 60 days' notice of any redemption to the Holders and the Trustee. If less than all of the Notes are to be redeemed at any time, the Notes will be selected for redemption as follows:

(1) if the Notes are listed on any securities exchange or held through a clearing system, in compliance with the requirements of the principal securities exchange on which the Notes are listed, if any, or the requirements of the clearing system; or

(2) if the Notes are not listed on any securities exchange or held through a clearing system, on a *pro rata* basis, by lot or by such other method as the Trustee in its sole discretion deems fair and appropriate in accordance with applicable law.

No Note of US$200,000 in principal amount or less shall be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on Notes or portions of Notes called for redemption.

Repurchase of Notes upon a Change of Control

Not later than 30 days following a Change of Control, the Issuer will make an Offer to Purchase all outstanding Notes (a "**Change of Control Offer**") at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but not including) the Offer to Purchase Payment Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

The Parent Guarantor and the Issuer will agree in the Indenture that each of them will repay all Indebtedness or obtain consents as necessary under, or terminate, agreements or instruments that would otherwise prohibit a Change of Control Offer required to be made pursuant to the Indenture. Notwithstanding the foregoing, it is important to note that if the Parent Guarantor and the Issuer are unable to repay, or otherwise cause to be repaid, all of the Indebtedness, if any, that would prohibit the repurchase of the Notes or is unable to obtain the requisite consents of the holders of such Indebtedness, or terminate any agreements or instruments that would otherwise prohibit a Change of Control Offer, it would continue to be prohibited from purchasing the Notes tendered pursuant to the Change of Control Offer. In that case, the Issuer's failure to purchase the tendered Notes would constitute an Event of Default under the Indenture.

Certain of the events constituting a Change of Control under the Notes may also constitute a default or an event of default under certain debt instruments of the Parent Guarantor and its Subsidiaries. Future debt of the Parent Guarantor or its Subsidiaries may also (1) prohibit the Parent Guarantor or the Issuer from purchasing Notes in the event of a Change of Control; (2) provide that a Change of Control is a default; or (3) require repurchase of such debt upon a Change of Control. Moreover, the exercise by the Holders of their right to require the Issuer to purchase the Notes could cause a default under other Indebtedness, even if the Change of Control itself does not, due to the financial effect of the purchase of the tendered Notes on the Issuer or the Parent Guarantor. The Issuer's ability to pay cash to the Holders following the occurrence of a Change of Control may be limited by the then-existing financial resources of the Issuer and the Parent Guarantor. There can be no assurance that sufficient funds will be available when necessary to make the required purchase of the Notes tendered pursuant to the Change of Control Offer. See "*Risk Factors — Risks Relating to the Notes and the Note Guarantee — The Issuer may not have the ability to raise the funds necessary to repurchase the Notes upon the occurrence of a change of control event*."

The phrase "all or substantially all", as used with respect to the assets of the Parent Guarantor in the definition of "Change of Control," will likely be interpreted under applicable law of the relevant jurisdictions and will be dependent upon particular facts and circumstances. As a result, there may be a degree of uncertainty in ascertaining whether a sale or transfer of "all or substantially all" the property or assets of the Parent Guarantor has occurred.

Notwithstanding the above, the Issuer will not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the same manner at the same time and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Except as described above with respect to a Change of Control, the Indenture will not contain provisions that permit the Holders to require that the Issuer or the Parent Guarantor purchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

No Mandatory Redemption or Sinking Fund

There will be no mandatory redemption or sinking fund payments for the Notes. The Issuer and the Parent Guarantor may at any time and from time to time purchase Notes in the open market or otherwise.

Additional Amounts

All payments of principal of, premium, if any, and interest on the Notes or under the Note Guarantee will be made free and clear of, and without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Issuer, the Parent Guarantor or any Surviving Person (as defined under the caption "— *Consolidation, Merger and Sale of Assets*") is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein) (each, as applicable, a "**Relevant Jurisdiction**"), or the jurisdiction through which payments are made by the Issuer, the Parent Guarantor or any Surviving Person or, in each case, one of their agents, or any political subdivision or taxing authority thereof or therein (each, together with a Relevant Jurisdiction, a "**Taxing Jurisdiction**"), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, the Issuer, the Parent Guarantor or any Surviving Person, as the case may be, will pay such additional amounts ("**Additional Amounts**") as will result in receipt by the Holder of each Note of such amounts as would have been received by such Holder had no such withholding or deduction been required, except that no Additional Amounts shall be payable:

(1) for or on account of:

(a) any tax, duty, assessment or other governmental charge that would not have been imposed but for:

(i) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Taxing Jurisdiction, other than merely holding such Note or the receipt of payments thereunder or under the Note Guarantee, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Taxing Jurisdiction or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

(ii) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on the last day of such 30-day period;

(iii) the failure of the Holder or beneficial owner to comply with a timely request of the Issuer, the Parent Guarantor or any Surviving Person, addressed to the Holder, to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Taxing Jurisdiction, if and to the extent that due and timely compliance with such

request is required under the tax laws of such jurisdiction in order to reduce or eliminate any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder; or (iv) the presentation of such Note (in cases in which presentation is required) for payment in the Taxing Jurisdiction, unless such Note could not have been presented for payment elsewhere;

(b) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(c) any combination of taxes, duties, assessments or other governmental charges referred to in the preceding clauses (a) and (b); or

(2) to a Holder that is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Taxing Jurisdiction, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, or a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

Whenever there is mentioned in any context the payment of principal of, and any premium or interest on, any Note or under the Note Guarantee, such mention shall be deemed to include payment of Additional Amounts provided for in the Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

Notwithstanding the foregoing, the Issuer, the Parent Guarantor or any Surviving Person shall be permitted to withhold or deduct any amounts required by the rules of U.S. Internal Revenue Code of 1986, Sections 1471 through 1474 (or any amended or successor provisions), pursuant to any inter-governmental agreement or implementing legislation adopted by another jurisdiction in connection with these provisions, or pursuant to any agreement with the U.S. Internal Revenue Service ("**FATCA withholding**") as a result of a holder, beneficial owner or an intermediary not being entitled to receive payments free of FATCA withholding. None of the Issuer, the Parent Guarantor or any Surviving Person will have any obligation to pay additional amounts or otherwise indemnify an investor for any such FATCA withholding deducted or withheld by the Issuer, the Parent Guarantor, the Surviving Person, the Paying Agent or any other party.

Redemption for Taxation Reasons

The Notes may be redeemed, at the option of the Issuer or a Surviving Person, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to the Holders and the Trustee (which notice shall be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Issuer or the Surviving Person, as the case may be, for redemption (the "**Tax Redemption Date**") if, as a result of:

(1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Jurisdiction affecting taxation; or

(2) any change in the existing official position or the stating of an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment becomes effective (or in the case of a change in an official position or a stating of an official position, is announced) (i) with respect to the Issuer or the Parent Guarantor, on or after the date of the Original Issue Date, or (ii) with respect to any Surviving Person, on or after the date such Surviving Person becomes a Parent Guarantor or Surviving

Person, with respect to any payment due or to become due under the Notes or the Indenture, Issuer, the Parent Guarantor or a Surviving Person, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts in excess of the Additional Amounts it would be required to pay in the absence of such change or amendment, and such requirement cannot be avoided by the taking of reasonable measures by the Issuer, the Parent Guarantor or a Surviving Person; *provided* that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer, the Parent Guarantor or a Surviving Person would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due. For the avoidance of doubt, where any Additional Amounts are payable with respect to withholding or deduction of taxes imposed by India or any political subdivision or taxing authority thereof or therein, the Issuer or a Surviving Person shall be permitted to redeem the Notes in accordance with the provisions hereof only if the rate of withholding or deduction exceeds 5% (plus applicable surcharge and cess).

Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer, the Parent Guarantor or a Surviving Person will deliver to the Trustee at least 30 days but not more than 60 days before a redemption date:

(1) an Officers' Certificate stating that such change or amendment referred to in the prior paragraph has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Issuer, the Parent Guarantor or such Surviving Person taking reasonable measures available to it; and

(2) an Opinion of Counsel or an opinion of a tax consultant, in either case of recognized standing with respect to tax matters of the Relevant Jurisdiction, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in the prior paragraph.

The Trustee shall and is entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it shall be conclusive and binding on the Holders.

Any Notes that are redeemed will be cancelled.

(4) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included.

Limitation on Restricted Payments

The Issuer and the Parent Guarantor will not, and the Parent Guarantor will not permit any Restricted Subsidiary to, directly or indirectly (the payments or any other actions described in clauses (1) through (4) below being collectively referred to as "**Restricted Payments**"):

(1) declare or pay any dividend or make any distribution on or with respect to the Parent Guarantor's or any of its Restricted Subsidiaries' Capital Stock (other than dividends or distributions payable or paid in shares of the Parent Guarantor's Capital Stock or any of its Restricted Subsidiaries' Capital Stock (other than Disqualified Stock or Preferred Stock) or in options, warrants or other rights to acquire such shares) held by Persons other than the Parent Guarantor or any Wholly Owned Restricted Subsidiary;

Limitation on Issuances of Guarantees by Restricted Subsidiaries

The Parent Guarantor will not permit any Restricted Subsidiary (other than the Issuer), directly or indirectly, to guarantee any Indebtedness ("**Guaranteed Indebtedness**") of the Parent Guarantor or the Issuer, unless (1)(a) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to the Indenture providing for an unsubordinated guarantee of payment of the Notes by such Restricted Subsidiary and (b) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Parent Guarantor or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its guarantee until the Notes have been paid in full.

If the Guaranteed Indebtedness (1) ranks *pari passu* in right of payment with the Notes or the Note Guarantee, then the guarantee of such Guaranteed Indebtedness shall rank *pari passu* in right of payment with, or subordinated to, the Note Guarantee, or (2) is subordinated in right of payment to the Notes or the Note Guarantee, then the guarantee of such Guaranteed Indebtedness shall be subordinated in right of payment to the Note Guarantee at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes or the Note Guarantee.

(1) the Affiliate Transaction is on fair and reasonable terms that are no less favorable to the Parent Guarantor or the relevant Restricted Subsidiary than those that would have been obtained in a comparable arm's length transaction by the Parent Guarantor or the relevant Restricted Subsidiary with a Person that is not an Affiliate of the Parent Guarantor or the relevant Restricted Subsidiary; and

(2) the Parent Guarantor delivers to the Trustee:

(a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$5.0 million (or the Dollar Equivalent thereof), a Board Resolution set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with this covenant and such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors; and

Guarantor and its Restricted Subsidiaries than the original agreement in effect on the Original Issue Date and (ii) any transaction between or among any of the Parent Guarantor, any Wholly Owned Restricted Subsidiary and any Restricted Subsidiary that is not a Wholly Owned Restricted Subsidiary; *provided* that in the case of clause (ii) (a) such transaction is entered into in the ordinary course of business and (b) in the case of a transaction with a Restricted Subsidiary that is not a Wholly Owned Restricted Subsidiary, none of the minority shareholders or minority partners of or in such Restricted Subsidiary is a Person described in clause (x) or (y) of the first paragraph of this covenant (other than by reason of such minority shareholder or minority partner being an officer or director of such Restricted Subsidiary or being a Subsidiary of the Parent Guarantor).

Limitation on Liens

The Parent Guarantor will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, incur, assume or permit to exist any Lien of any nature whatsoever on any of its assets or properties of any kind, whether owned at the Original Issue Date or thereafter acquired, except Permitted Liens, unless the Notes are equally and ratably secured by such Lien.

(1) the Parent Guarantor could have (a) Incurred Indebtedness in an amount equal to the Attributable Indebtedness relating to such Sale and Leaseback Transaction under the covenant described above under the caption "— *Limitation on Indebtedness*" and (b) incurred a Lien to secure such Indebtedness pursuant to the covenant described above under the caption "— *Limitation on Liens*," in which case, the corresponding Indebtedness and Lien will be deemed incurred pursuant to those provisions;

(2) the gross cash proceeds of that Sale and Leaseback Transaction are at least equal to the Fair Market Value of the property that is the subject of such Sale and Leaseback Transaction; and

(3) the transfer of assets in that Sale and Leaseback Transaction is permitted by, and the Parent Guarantor applies the proceeds of such transaction in compliance with, the covenant described below under the caption "— *Limitation on Asset Sales*."

Limitation on Asset Sales

The Parent Guarantor will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless:

(1) no Default shall have occurred and be continuing or would occur as a result of such Asset Sale;

(2) the consideration received by the Parent Guarantor or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of;

(3) in the case of an Asset Sale that constitutes an Asset Disposition, the Parent Guarantor could Incur at least US$1.00 of Indebtedness under provisos (w) and (x) (excluding, for purposes of this covenant, proviso (y)) in the first paragraph of part (1) of the covenant under the caption "— *Limitation on Indebtedness*" after giving pro forma effect to such Asset Disposition; and

(4) at least 75% of the consideration received consists of cash, Temporary Cash Investments or Replacement Assets; *provided* that in the case of an Asset Sale in which the Parent Guarantor or such Restricted Subsidiary receives Replacement Assets involving aggregate consideration in excess of US$10.0 million (or the Dollar Equivalent thereof), the Parent Guarantor shall deliver to the Trustee an opinion as to the fairness to the Parent Guarantor or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an accounting, appraisal or investment banking firm of recognized standing. For purposes of this clause (4), each of the following will be deemed to be cash:

(a) any liabilities, as shown on the Parent Guarantor's most recent consolidated balance sheet, of the Parent Guarantor or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or the Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that releases the Parent Guarantor or such Restricted Subsidiary, as the case may be, from further liability; and

(b) any securities, notes or other obligations received by the Parent Guarantor or any Restricted Subsidiary from such transferee that are promptly, but in any event within 30 days of closing, converted by the Parent Guarantor or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion;

Within 365 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Parent Guarantor (or any Restricted Subsidiary) may apply such Net Cash Proceeds to:

(1) permanently repay Senior Indebtedness of the Parent Guarantor or the Issuer or any Indebtedness of a Restricted Subsidiary (other than the Issuer) (and, if such Senior Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) in each case owing to a Person other than the Parent Guarantor or a Restricted Subsidiary;

(2) acquire properties and assets that replace the properties and assets that were the subject of such Asset Sale or in properties or assets (other than current assets) that will be used in a Permitted Business (including Capital Stock of any Person holding such properties and assets, which is primarily engaged in a Permitted Business and will upon the acquisition by the Parent Guarantor or any of its Restricted Subsidiaries of such Capital Stock, become a Restricted Subsidiary) ("**Replacement Assets**"); or

(3) consummate a combination of the foregoing.

Any Net Cash Proceeds from Asset Sales that are not applied or invested as provided in clauses (1) and (2) in the immediately preceding paragraph will constitute "**Excess Proceeds**." Excess Proceeds of less than US$10.0 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. When accumulated Excess Proceeds exceed US$10.0 million (or the Dollar Equivalent thereof), within 10 days thereof, the Issuer must make an Offer to Purchase Notes having a principal amount equal to:

(1) accumulated Excess Proceeds, multiplied by

(2) a fraction (x) the numerator of which is equal to the outstanding principal amount of the Notes and (y) the denominator of which is equal to the outstanding principal amount of the Notes and all *pari passu* Indebtedness similarly required to be repaid, redeemed or tendered for in connection with the related Asset Sale,

The offer price in any Offer to Purchase will be equal to 100% of the principal amount of the Notes plus accrued and unpaid interest to the date of purchase, and will be payable in cash.

If any Excess Proceeds remain after consummation of an Offer to Purchase, the Issuer may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes (and any other *pari passu* Indebtedness) tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Notes (and such other *pari passu* Indebtedness) to be purchased will be selected on a *pro rata* basis by lot or such other method the Trustee determines as reasonable in its sole and absolute discretion. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

outstanding at the time of such designation which will be deemed to have been Incurred by such newly-designated Restricted Subsidiary as a result of such designation would be permitted to be Incurred by the covenant described under the caption "— *Limitation on Indebtedness*;" (3) any Lien on the property of such Unrestricted Subsidiary at the time of such designation which will be deemed to have been incurred by such newly-designated Restricted Subsidiary as a result of such designation would be permitted to be incurred by the covenant described under the caption "— *Limitation on Liens*;" and (4) such Unrestricted Subsidiary is not a Subsidiary of another Unrestricted Subsidiary (that is not concurrently being designated as a Restricted Subsidiary.

Government Approvals and Licenses; Compliance with Law

The Parent Guarantor will, and will cause each Restricted Subsidiary to, (1) obtain and maintain in full force and effect all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the Permitted Business; (2) preserve and maintain good and valid title to its properties and assets (including land-use rights) free and clear of any Liens other than Permitted Liens; and (3) comply with all laws, regulations, orders, judgments and decrees of any governmental body, except to the extent that failure so to obtain, maintain, preserve and comply with would not reasonably be expected to have a material adverse effect on (a) the business, results of operations or prospects of the Parent Guarantor and its Restricted Subsidiaries, taken as a whole, or (b) the ability of the Issuer or the Parent Guarantor to perform its obligations under the Notes, the Note Guarantee or the Indenture.

Anti-Layering

The Issuer will not Incur and the Parent Guarantor will not Incur any Indebtedness if such Indebtedness is contractually subordinated in right of payment to any other Indebtedness of the Issuer or the Parent Guarantor, as the case may be, unless such Indebtedness is also contractually subordinated in right of payment to the Notes or the Note Guarantee, on substantially identical terms. This does not apply to distinctions between categories of Indebtedness that exist by reason of any Liens or Guarantees securing or in favor of some but not all of such Indebtedness.

Suspension of Certain Covenants

If, on any date following the date of the Indenture, the Notes have a rating of Investment Grade from at least two of the three Rating Agencies and no Default has occurred and is continuing (a "**Suspension Event**"), then, beginning on that day and continuing until such time, if any, at which the Notes cease to have a rating of Investment Grade from at least two of the three Rating Agencies, the provisions of the Indenture described under the following captions will be suspended:

(1) "— *Certain Covenants — Limitation on Indebtedness*;"

(2) "— *Certain Covenants — Limitation on Restricted Payments*;"

(3) "— *Certain Covenants — Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries*;"

(4) "— *Certain Covenants — Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries*;"

(5) "— *Certain Covenants — Limitation on Issuances of Guarantees by Restricted Subsidiaries*;"

(6) "— *Certain Covenants — Limitation on the Parent Guarantor's Business Activities*;"

(7) "— *Certain Covenants — Limitation on Sale and Leaseback Transactions*;" and

(8) "— *Certain Covenants — Limitation on Asset Sales*."

During any period when the foregoing covenants have been suspended, the Board of Directors may not designate any Restricted Subsidiary as an Unrestricted Subsidiary pursuant to the covenant described under the caption "— *Designation of Restricted and Unrestricted Subsidiaries*."

Such covenants will be reinstituted and apply according to their terms as of and from the first day on which a Suspension Event ceases to be in effect. Such covenants will not, however, be of any effect with regard to actions of the Parent Guarantor or any Restricted Subsidiary properly taken in compliance with the provisions of the Indenture during the continuance of the Suspension Event, and following reinstatement the calculations under the covenant described under the caption "— *Limitation on Restricted Payments*" will be made as if such covenant had been in effect since the date of the Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended and all Indebtedness incurred, or Disqualified Stock issued, while the foregoing covenants are suspended will be classified to have been Incurred or issued pursuant to clause (b) of the second paragraph of the covenant summarized under "— Certain Covenants — Limitation on Indebtedness." Upon the suspension of covenants pursuant to this covenant, the amount of Excess Proceeds shall be rest at the amount in effect at the beginning of the period such covenants are suspended.

There can be no assurance that the Notes will ever achieve a rating of Investment Grade or that any such rating will be maintained.

Provision of Financial Statements and Reports

For so long as any Notes are outstanding, the Parent Guarantor will provide to the Trustee and furnish to the Holders the following financial statements and reports, in the English language:

(1) as soon as they are available, but in any event within 120 days after the end of the Parent Guarantor's fiscal year beginning with the first fiscal year ending after the Original Issue Date, the following information, in each case, audited by an internationally recognized independent accounting firm (including, for the avoidance of doubt, the Parent Guarantor's independent auditors as of the Original Issue Date as disclosed in the Offering Memorandum), together with an audit report thereon: (a) consolidated balance sheets of the Parent Guarantor as of the end of the two most recent fiscal years and consolidated income statements and statements of cash flow of the Parent Guarantor for the two most recent fiscal years, including complete footnotes to such financial statements; (b) income statement and balance sheet for the Parent Guarantor on an unconsolidated basis for the two most recent fiscal year; and (c) income statements and calculations of Consolidated EBITDA (and related definitions) for the two most recent fiscal years, in each case, for the Parent Guarantor on a consolidated basis;

(2) as soon as they are available, but in any event within 60 days following the end of the first half fiscal year of the Parent Guarantor, the following information, in each case, reviewed by an internationally recognized independent accounting firm, together with their review report thereon: (a) an unaudited condensed consolidated balance sheet as of the end of such semi-annual period and unaudited condensed consolidated statements of income and cash flow for the most recent semi-annual period ending on the unaudited condensed consolidated balance sheet date, and the comparable prior year period; (b) a balance sheet and statements of income and cash flow on an unconsolidated basis for the most recent semi-annual period, and the comparable prior year period; and (c) an income statement and a calculation of Consolidated EBITDA (and related definitions) for the most recent semi-annual period ending on the unaudited condensed consolidated balance sheet date, and the comparable prior year period, in each case, for the Parent Guarantor on a consolidated basis;

(3) as soon as they are available, but in any event within 60 days following the end of the first and third fiscal quarters in each fiscal year of the Parent Guarantor, the following information, in each case, reviewed by an internationally recognized independent accounting firm, together with their review report thereon: the consolidated and unconsolidated financial statements of the Parent Guarantor that it filed with the Bombay Stock Exchange Limited ("**BSE**") and/or National Stock Exchange of India Limited ("**NSE**") (or, in the event that Parent Guarantor's Capital Stock is no longer listed on any such exchange, the consolidated and unconsolidated financial statements of the Parent Guarantor that it would be required to provide if such listing was continuing);

(4) promptly after the occurrence of (i) any material acquisition, disposition or restructuring, (ii) any Senior Management changes at the Parent Guarantor or change in auditors of the Parent Guarantor or (iii) any other material event not in the ordinary course of business that the Parent Guarantor announces publicly, a report containing a description of such event and, in the event of the occurrence of any material acquisition or disposition, any financial or other information provided to its shareholders under its obligations as a company listed on the BSE or NSE or filed with such exchange (or, in the event that Parent Guarantor's Capital Stock is no longer listed on any such exchange, the financial or other information that the Parent Guarantor would provide to its shareholders or file if such listing was continuing); and

(5) as soon as they are available, but in any event not more than 15 days after they are publicly filed with the relevant exchange(s) on which the Parent Guarantor's common shares are at any time listed for trading, true and correct copies of any financial or other report filed with such exchange.

In addition, so long as any Note remains outstanding, the Parent Guarantor will provide to the Trustee (a) within 120 days after the close of each fiscal year ending after the Original Issue Date, an Officers' Certificate stating the Fixed Charge Coverage Ratio and the Long-term Priority Debt to Total Assets Ratio with respect to the most recent fiscal year and showing, in reasonable detail, the calculation of such ratios, including the arithmetic computations of each component of such ratios, with a certificate from the Parent Guarantor's external auditors or chartered accountants verifying the accuracy and correctness of the calculation and arithmetic computation; and (b) as soon as possible and in any event within 15 days after the Parent Guarantor becomes aware or should reasonably become aware of the occurrence of a Default or Event of Default, an Officers' Certificate setting forth the details of the Default or Event of Default, as the case may be, and the action which the Parent Guarantor proposes to take with respect thereto. So far as permitted by applicable law, rule or other regulation, the Parent Guarantor will at all times provide to the Trustee such information as it shall reasonably request for the sole purpose of the discharge of the duties, powers, authorities and directions vested in it by the Indenture.

All financial statements and pro forma financial information will be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented; *provided, however*, that the reports set forth in clauses (1), (2) and (3) above may, in the event of a change in applicable GAAP, present earlier periods on a basis that applied to such periods.

At any time that any of the Parent Guarantor's Subsidiaries are Unrestricted Subsidiaries and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, constitutes a Significant Subsidiary of the Parent Guarantor, then the annual and semi-annual financial information required by the first two clauses of this covenant will include either (i) a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Parent Guarantor and its Restricted Subsidiaries separate from the financial condition and results of operations of the

Unrestricted Subsidiaries of the Parent Guarantor or (ii) stand-alone audited or unaudited reviewed financial statements, as the case may be, of such Unrestricted Subsidiary or Unrestricted Subsidiaries (as a group or otherwise) together with an unaudited reconciliation to the financial information of the Parent Guarantor and its Subsidiaries.

Currency Indemnity

The U.S. dollar is the sole currency of account and payment for all sums payable by the Issuer and the Parent Guarantor under the Notes and the Note Guarantee (the "**Contractual Currency**"). Any amount received or recovered in a currency other than the Contractual Currency in respect of the Notes or the Note Guarantee (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up, liquidation or dissolution of the Parent Guarantor, any Subsidiary or otherwise) by the Holder in respect of any sum expressed to be due to it from the Issuer or the Parent Guarantor will constitute a discharge of the Issuer or the Parent Guarantor, as the case may be, only to the extent of the Contractual Currency amount which the recipient is able to purchase with the amount so received or recovered in other currency on the date of that receipt or recovery (or, if it is not possible to make that purchase on that date, on the first date on which it is possible to do so). If that purchased amount is less than the Contractual Currency amount expressed to be due to the recipient under any Note, the Issuer and the Parent Guarantor will indemnify the recipient against any loss sustained by it as a result. For the purposes of this indemnity, it will be sufficient for the Holder or the Trustee to certify (indicating the sources of information used) that it would have suffered a loss had the actual purchase of Contractual Currency been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of Contractual Currency on such date had not been possible, on the first date on which it would have been possible).

Each of the above indemnities will, to the extent permitted by law:

- constitute a separate and independent obligation from the other obligations of the Issuer or the Parent Guarantor;
- give rise to a separate and independent cause of action;
- apply irrespective of any waiver granted by any Holder; and
- continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order.

Events of Default

Each of the following events will be defined as an "**Event of Default**" in the Indenture:

(1) default in the payment of principal of (or premium, if any, on) the Notes when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise;

(2) default in the payment of interest on any Note when the same becomes due and payable, and such default continues for a period of 30 consecutive days;

(3) default in the performance or breach of the provisions of the covenants described under the caption "— *Consolidation, Merger and Sale of Assets*" or the failure by the Issuer or the Parent Guarantor, as applicable, to make or consummate an Offer to Purchase in the manner described under the captions "— *Repurchase of Notes upon a Change of Control*" or "— *Certain Covenants — Limitation on Asset Sales*;"

(4) the Parent Guarantor or any Restricted Subsidiary defaults in the performance of or breaches any other covenant or agreement in the Indenture or under the Notes (other than a default or failure specified in clauses (1), (2) or (3) above) and such default or breach continues for a period of 30 consecutive days after written notice by the Trustee or the Holders of 25% or more in aggregate principal amount of the Notes;

(5) there occurs with respect to any Indebtedness of the Parent Guarantor or any Restricted Subsidiary having an outstanding principal amount of US$15.0 million (or the Dollar Equivalent thereof) or more in the aggregate for all such Indebtedness of all such Persons, whether such Indebtedness now exists or shall hereafter be created, (a) an event of default that has caused the holder thereof to declare such Indebtedness to be due and payable prior to its Stated Maturity and/or (b) a failure to pay principle (subject to the applicable grace period on the relevant documents) on, such Indebtedness when the same becomes due and payable;

(6) one or more final judgments or orders for the payment of money are rendered against the Parent Guarantor or any Restricted Subsidiary and are not paid or discharged, and there is a period of 60 consecutive days following entry of the final judgment or order that causes the aggregate amount for all such final judgments or orders outstanding and not paid or discharged against all such Persons to exceed US$15.0 million (or the Dollar Equivalent thereof) (in excess of amounts which the Parent Guarantor's insurance carriers have agreed in writing to pay under applicable policies) during which a stay of enforcement, by reason of a pending appeal or otherwise, is not in effect;

(7) an involuntary case or other proceeding is commenced against the Parent Guarantor or any Restricted Subsidiary with respect to it or its debts under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect seeking the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Parent Guarantor or any Restricted Subsidiary or for any substantial part of the property and assets of the Parent Guarantor or any Restricted Subsidiary and such involuntary case or other proceeding remains undismissed and unstayed for a period of 60 consecutive days; or an order for relief is entered against the Parent Guarantor or any Restricted Subsidiary under any applicable bankruptcy, insolvency or other similar law as now or hereafter in effect;

(8) the Parent Guarantor or any Restricted Subsidiary (a) commences a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consents to the entry of an order for relief in an involuntary case under any such law, (b) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Parent Guarantor or any Restricted Subsidiary or for all or substantially all of the property and assets of the Parent Guarantor or any Restricted Subsidiary or (c) effects any general assignment for the benefit of creditors (other than, in each case under (b), any of the foregoing that arises from any solvent liquidation or restructuring of any of the Parent Guarantor's Subsidiaries in the ordinary course of business that shall result in the net assets of such Subsidiary being transferred to or otherwise vested in the Parent Guarantor or any Restricted Subsidiary on a *pro rata* basis or on a basis more favorable to the Parent Guarantor);

(9) the Parent Guarantor denies or disaffirms its obligations under the Note Guarantee or, except as permitted by the Indenture, the Note Guarantee is determined to be unenforceable or invalid or shall for any reason cease to be in full force and effect;

(10) a moratorium is agreed or declared in respect of any Indebtedness of the Issuer or the Parent Guarantor or any governmental authority shall take any action to condemn, seize, nationalize or appropriate all or a substantial part of the assets of the Issuer or the Parent Guarantor; or

(11) the capital and/or currency exchange controls in place in India on the Original Issue Date shall be modified or amended in a manner that prevents or will prevent the Issuer or the Parent Guarantor from performing its payment obligations under the Indenture, the Notes or the Note Guarantee.

If an Event of Default (other than an Event of Default specified in clause (7) or (8) above) occurs and is continuing under the Indenture, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Issuer (and to the Trustee if such notice is given by the Holders), may, and the Trustee at the written request of such Holders shall, subject to receiving indemnity and/or security (including by way of pre-funding) to its satisfaction, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If an Event of Default specified in clause (7) or (8) above occurs with respect to the Parent Guarantor or any of its Subsidiaries, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

The Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Issuer and to the Trustee may on behalf of the all Holders waive all past defaults and rescind and annul a declaration of acceleration and its consequences if:

(1) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived; and

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture that may involve the Trustee in personal liability, or that is unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action that is not inconsistent with any such direction received from Holders. The Trustee shall not be required to expend its funds in following such direction if it does not reasonably believe that reimbursement or indemnity and/or security (including by way of pre-funding) is assured to it.

A Holder of Notes may not institute any proceeding, judicial or otherwise, with respect to the Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under the Indenture or the Notes, unless:

(1) the Holder has previously given the Trustee written notice of a continuing Event of Default;

(2) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer the Trustee indemnity and/or security (including by way of prefunding) satisfactory to the Trustee against any costs, liability or expense to be incurred in compliance with such written request;

(4) the Trustee does not comply with the request within 60 days after receipt of the written request and the offer of indemnity and/or security (including by way of prefunding) to its satisfaction; and

(5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a written direction that is inconsistent with the written request.

However, such limitations do not apply to the right of any Holder to receive payment of the principal of, premium, if any, or interest on, such Note or any payment under the Note Guarantee, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, which right shall not be impaired or affected without the consent of the Holder.

Two Officers of the Parent Guarantor must certify to the Trustee in writing, on or before a date not more than 120 days after the end of each fiscal year ending after the Original Issue Date, that a review has been conducted of the activities of the Parent Guarantor and the Restricted Subsidiaries and the Issuer's and the Parent Guarantor's performance under the Indenture and that the Issuer and the Parent Guarantor have fulfilled all of their respective obligations thereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof. The Parent Guarantor will also be obligated to notify the Trustee in writing of any Default or Defaults in the performance of any covenants or agreements under the Indenture. See "— *Certain Covenants — Provision of Financial Statements and Reports*."

Consolidation, Merger and Sale of Assets

The Issuer will not consolidate with, merge with or into another Person, permit any Person to merge with or into it, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of the properties and assets of the Issuer (as an entirety or substantially an entirety in one transaction or a series of related transactions), unless each of the following conditions is satisfied:

(1) the Issuer shall be the continuing Person, or the Person (if other than it) formed by such consolidation or merger, or with or into which the Issuer consolidated or merged, or that acquired or leased such property and assets (the "**Surviving Person**") shall be a corporation organized and validly existing under the laws of India, the United Kingdom, any member state of the European Union, Hong Kong, Singapore, Mauritius, Israel, Switzerland, Canada, Australia, any state of the United States or the District of Columbia and shall expressly assume, by a supplemental indenture to the Indenture, executed and delivered to the Trustee, all the obligations of the Issuer under the Indenture and the Notes, as the case may be, including the obligation to pay Additional Amounts with respect to any jurisdiction in which it is organized or resident for tax purposes or through which it makes payments, and the Indenture and the Notes, as the case may be, shall remain in full force and effect;

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing;

(3) immediately after giving effect to such transaction on a *pro forma* basis, the Parent Guarantor or the Surviving Person, as the case may be, shall have a Consolidated Net Worth at least equal to or greater than the Consolidated Net Worth of the Parent Guarantor immediately prior to such transaction;

(4) immediately after giving effect to such transaction on a *pro forma* basis the Parent Guarantor or the Surviving Person, as the case may be, could Incur at least US$1.00 of Indebtedness under provisos (w) and (x) (excluding, for purposes of this covenant, proviso (y)) in the first paragraph of the covenant described under the caption "— *Certain Covenants — Limitation on Indebtedness*;"

(5) the Issuer delivers to the Trustee (x) an Officers' Certificate (attaching the arithmetic computations to demonstrate compliance with clauses (3) and (4)) and (y) an Opinion of Counsel, in each case stating that such consolidation, merger or transfer and the relevant supplemental indenture complies with this provision and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with;

(6) the Issuer and the Parent Guarantor, unless the Parent Guarantor is the Person with which the Issuer has entered into a transaction described in this covenant, shall execute and deliver a supplemental indenture to the Indenture confirming that the Note Guarantee of the Parent Guarantor shall apply to the obligations of the Issuer in accordance with the Notes and the Indenture; and

(7) no Rating Decline shall have occurred in connection with the foregoing.

The Parent Guarantor will not consolidate with, merge with or into another Person, permit any Person to merge with or into it, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its and its Restricted Subsidiaries' or Subsidiaries', as the case may be, properties and assets (computed on a consolidated basis) (as an entirety or substantially an entirety in one transaction or a series of related transactions) to another Person (other than the Issuer), unless:

(1) the Parent Guarantor shall be the continuing Person, or the Person (if other than it) formed by such consolidation or merger, or with or into which the Parent Guarantor consolidated or merged, or that acquired or leased such property and assets shall be the Issuer; and shall expressly assume, by a supplemental indenture to the Indenture, executed and delivered to the Trustee, all the obligations of the Parent Guarantor under the Indenture, the Note Guarantee and the Notes, as the case may be, including the obligation to pay Additional Amounts with respect to any jurisdiction in which it is organized or resident for tax purposes or through which it makes payments, and the Indenture, the Notes and the Note Guarantee, as the case may be, shall remain in full force and effect;

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing;

(3) immediately after giving effect to such transaction on a *pro forma* basis, the Parent Guarantor shall have a Consolidated Net Worth at least equal to or greater than the Consolidated Net Worth of the Parent Guarantor immediately prior to such transaction;

(4) immediately after giving effect to such transaction on a *pro forma* basis, the Parent Guarantor could Incur at least US$1.00 of Indebtedness under provisos (w) and (x) (excluding, for purposes of this covenant, proviso (y)) in the first paragraph of the covenant described under the caption "— *Certain Covenants — Limitation on Indebtedness*;"

(5) the Issuer delivers to the Trustee (x) an Officers' Certificate (attaching the arithmetic computations to demonstrate compliance with clauses (3) and (4)) and (y) an Opinion of Counsel, in each case stating that such consolidation, merger or transfer and the relevant supplemental indenture complies with this provision and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with; and

(6) no Rating Decline shall have occurred in connection with the foregoing;

provided that this paragraph shall not apply to any sale or other disposition that complies with the covenant described under the caption "— *Certain Covenants — Limitation on Asset Sales*."

Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve "all or substantially all" of the property or assets of a Person.

The foregoing requirements shall not apply to a consolidation or merger of the Issuer and the Parent Guarantor, so long as the Issuer or the Parent Guarantor survives such consolidation or merger. The foregoing provisions would not necessarily afford Holders protection in the event of highly-leveraged or other transactions involving the Parent Guarantor that may adversely affect Holders.

No Payments for Consents

The Issuer will not and the Parent Guarantor will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture, the Notes or the Note Guarantee unless such consideration is offered to be paid or is paid to all Holders that consent, waive or agree to amend such term or provision within the time period set forth in the solicitation documents relating to such consent, waiver or amendment.

Defeasance

Defeasance and Discharge

The Indenture will provide that the Issuer will be deemed to have paid and will be discharged from any and all obligations in respect of the Notes on the 183rd day after the deposit referred to below, and the provisions of the Indenture will no longer be in effect with respect to the Notes (except for, among other matters, certain obligations to register the transfer or exchange of the Notes, to replace stolen, lost or mutilated Notes, to maintain paying agencies, to pay Additional Amounts and to hold monies for payment in trust) if, among other things:

(1) the Issuer (a) has deposited with the Trustee (or its agent), in trust, cash in U.S. dollars and/or U.S. Government Obligations or a combination thereof that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes and (b) delivers to the Trustee an Opinion of Counsel or a certificate of an internationally recognized independent accounting to the effect that the amount deposited by the Issuer is sufficient to provide payment for the principal of, premium, if any, and accrued interest on, the Notes on the Stated Maturity of such payment in accordance with the terms of the Indenture;

(2) the Issuer has delivered to the Trustee an Opinion of Counsel of recognized international standing to the effect that the creation of the defeasance trust does not violate the U.S. Investment Company Act of 1940, as amended, and after the passage of 123 days following the deposit, the trust fund will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law;

(3) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by it with the intent of preferring the Holders over any other of its creditors or with the intent of defeating, hindering, delaying or defrauding any other of its creditors or others; and

(4) immediately after giving effect to such deposit on a *pro forma* basis, no Event of Default, or event that after the giving of notice or lapse of time or both would become an Event of Default, shall have occurred and be continuing on the date of such deposit or during the period ending on the 183rd day after the date of such deposit, and such defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Parent Guarantor or any of the Restricted Subsidiaries is a party or by which the Parent Guarantor or any of the Restricted Subsidiaries is bound.

In the case of either discharge or defeasance of the Notes and the Note Guarantee will terminate.

Defeasance of Certain Covenants

The Indenture will further provide that (i) the provisions of the Indenture will no longer be in effect with respect to clauses (3), (4), (5)(x) and (7) under the first paragraph, and clauses (3), (4), (5)(x) and (6) under the second paragraph of the covenant described under the caption "— *Consolidation, Merger and Sale of Assets*" and all the covenants described under the caption "— *Certain Covenants*," other than as described under the captions "— *Certain Covenants — Government Approvals and Licenses; Compliance with Law*" and "— *Certain Covenants — Anti-Layering*," and (ii) clause (3) under the caption "— *Events of Default*" with respect to clauses (3), (4), (5)(x) and (7) under the first paragraph, and clauses (3), (4), (5)(x) and (6) under the second paragraph of the covenant described under the caption "— *Consolidation, Merger and Sale of Assets*" and with respect to the other events set forth in clause (i) above, clause (4) under the caption "— *Events of Default*" with respect to such other covenants in clause (i) above and clauses (5) and (6) under the caption "— *Events of Default*" shall be deemed not to be Events of Default upon, among other things, the deposit with the Trustee, or its agent, in trust, of cash in U.S. dollars and/or U.S. Government Obligations or a combination thereof that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes, the satisfaction of the provisions described in clause (2) of the preceding paragraph.

Defeasance and Certain Other Events of Default

In the event that the Issuer exercises its option to omit compliance with certain covenants and provisions of the Indenture as described in the immediately preceding paragraph and the Notes are declared due and payable because of the occurrence of an Event of Default that remains applicable, the amount of cash in U.S. dollars and/or U.S. Government Obligations on deposit with the Trustee will be sufficient to pay amounts due on the Notes at the time of their Stated Maturity but may not be sufficient to pay amounts due on the Notes at the time of the acceleration resulting from such Event of Default. However, the Issuer and the Parent Guarantor will remain liable for such payments.

Amendments and Waivers

Amendments without Consent of Holders

The Indenture, the Notes and the Note Guarantee may be amended, without the consent of any Holder:

(1) to cure any ambiguity, defect, omission or inconsistency in the Indenture or the Notes;

(2) to comply with the provisions described under the caption "— *Consolidation, Merger and Sale of Assets*;"

(3) to evidence and provide for the acceptance of appointment by a successor Trustee (including any of the Agents);

(4) to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture;

(5) in any other case where a supplemental indenture to the Indenture is required or permitted to be entered into pursuant to the provisions of the Indenture without the consent of any Holder;

(6) to effect any changes to the Indenture in a manner necessary to comply with the procedures of Euroclear or Clearstream or any applicable securities depositary or clearing system;

(7) to make any other change that does not materially and adversely affect the rights of any Holder; or

(8) to conform the text of the Indenture, the Notes or the Note Guarantee to any provision of this "*Description of the Notes*" to the extent that such provision in this "*Description of the Notes*" was intended to be a verbatim recitation of a provision in the Indenture, the Notes or the Note Guarantee.

Amendments with Consent of Holders

The Indenture, the Notes and the Note Guarantee may be amended with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes, and the Holders of a majority in aggregate principal amount of the outstanding Notes may amend or waive future compliance by the Issuer and the Parent Guarantor with any provision thereof; *provided*, *however*, that no such modification, amendment or waiver may, without the consent of each Holder affected thereby:

(1) change the Stated Maturity of the principal of, or any installment of interest on, any Note;

(2) reduce the principal amount of, or premium, if any, or interest on, any Note;

(3) change the currency or time of payment of principal of, or premium, if any, or interest on, any Note;

(4) impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity (or, in the case of a redemption, on or after the redemption date) of any Note or the Note Guarantee;

(5) reduce the above-stated percentage of outstanding Notes the consent of whose Holders is necessary to modify or amend the Indenture;

(6) waive a default in the payment of principal of, premium, if any, or interest on the Notes;

(7) release the Parent Guarantor from the Note Guarantee, except as provided in the Indenture;

(8) reduce the percentage or aggregate principal amount of outstanding Notes the consent of whose Holders is necessary for waiver of compliance with certain provisions of the Indenture or for waiver of certain defaults;

(9) amend, change or modify the Note Guarantee in a manner that adversely affects the Holders;

(10) reduce the amount payable upon a Change of Control Offer or an Offer to Purchase with the Excess Proceeds from any Asset Sale or, change the time or manner by which a Change of Control Offer or an Offer to Purchase with the Excess Proceeds or other proceeds from any Asset Sale may be made or by which the Notes must be repurchased pursuant to a Change of Control Offer or an Offer to Purchase with the Excess Proceeds or other proceeds from any Asset Sale, whether through an amendment or waiver of provisions in the covenants, definitions or otherwise, unless such amendment, waiver or modification shall be in effect prior to the occurrence of a Change of Control or the event giving rise to the repurchase of the Notes under the caption "— *Certain Covenants — Limitation on Asset Sales*;"

(11) change the redemption date or the redemption price of the Notes from that stated under the caption "— *Optional Redemption*" or "— *Redemption for Taxation Reasons*;"

(12) amend, change or modify the obligation of the Issuer or the Parent Guarantor to pay Additional Amounts; or

(13) amend, change or modify any provision of the Indenture or the related definition affecting the ranking of the Notes or the Note Guarantee in a manner which adversely affects the Holders.

Unclaimed Money

Claims against the Issuer or the Parent Guarantor for the payment of principal of, premium, if any, or interest on the Notes will become void unless presentation for payment is made as required in the Indenture within a period of six years.

No Personal Liability of Incorporators, Stockholders, Officers, Directors or Employees

No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Issuer, the Parent Guarantor in the Indenture, or in any of the Notes or the Note Guarantee, or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Issuer, the Parent Guarantor or of any successor Person thereof. Each Holder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Note Guarantee. Such waiver may not be effective to waive liabilities under U.S. federal or other applicable securities laws.

Concerning the Trustee and the Agents

The Bank of New York Mellon, London Branch has been appointed as Trustee under the Indenture and as paying agent (the "**Paying Agent**"). The Bank of New York Mellon

(Luxembourg) S.A. has been appointed as transfer agent (the "**Transfer Agent**") and as note registrar (the "**Registrar**" and, together with the Paying Agent and the Transfer Agent, the "**Agents**") with regard to the Notes. Except during the continuance of a Default, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Indenture, and no implied covenant or obligation shall be read into the Indenture against the Trustee. If an Event of Default has occurred and is continuing, the Trustee will use the same degree of care and skill in its exercise of the rights and powers vested in it under the Indenture as a prudent person would exercise under the circumstances in the conduct of such person's own affairs.

The Indenture contains limitations on the rights of the Trustee, should it become a creditor of the Issuer or the Parent Guarantor to obtain payment of claims in certain cases or to realize on certain property received by it in respect of any such claims, as security or otherwise. The Trustee is permitted to engage in other transactions, including normal banking and trustee relationships, with the Parent Guarantor and its Affiliates; *provided*, *however*, that if it acquires any conflicting interest, it must eliminate such conflict or resign.

The Trustee will not be under any obligation to exercise any rights or powers conferred under the Indenture for the benefit of the Holders, unless such Holders have offered to the Trustee indemnity and/or security (including by way of pre-funding) satisfactory to the Trustee against any loss, liability or expense.

If the Issuer maintains a paying agent with respect to the Notes in a member state of the European Union, such paying agent will be located in a member state of the European Union that is not obligated to withhold or deduct tax pursuant to the EU Savings Directive or any other European Council Directive implementing, amending or supplementing the EU Savings Directive, or any law implementing or complying with, or introduced in order to conform to, such EU Directives.

Book-Entry; Delivery and Form

The Notes will be represented by one or more global notes in registered form without interest coupons attached (the "**Initial Global Notes**"). On the Original Issue Date, the Initial Global Notes will be deposited with a common depositary and registered in the name of the common depositary or its nominee for the accounts of Euroclear and Clearstream. Any additional Notes will be represented by additional global notes in registered form without interest coupons attached (the "**Additional Global Notes**" and, together with the Initial Global Notes, the "**Global Notes**").

Global Notes

Ownership of beneficial interests in the Global Notes (the "book-entry interests") will be limited to persons that have accounts with Euroclear and/or Clearstream or persons that may hold interests through such participants. Book-entry interests will be shown on, and transfers thereof will be effected only through, records maintained in book-entry form by Euroclear and Clearstream and their participants.

Except as set forth below under the caption "— *Individual Definitive Notes*," the book-entry interests will not be held in definitive form. Instead, Euroclear and/or Clearstream will credit on their respective book-entry registration and transfer systems a participant's account with the interest beneficially owned by such participant. The laws of some jurisdictions may require that certain purchasers of securities take physical delivery of such securities in definitive form. The foregoing limitations may impair the ability to own, transfer or pledge book-entry interests.

So long as the Notes are held in global form, the common depositary for Euroclear and/or Clearstream (or its nominee) will be considered the sole holder of the Global Notes for all purposes under the Indenture and "holders" of book-entry interests will not be considered the

owners or "Holders" of Notes for any purpose. As such, participants must rely on the procedures of Euroclear and Clearstream and indirect participants must rely on the procedures of the participants through which they own book-entry interests in order to transfer their interests in the Notes or to exercise any rights of Holders under the Indenture.

None of the Issuer, the Parent Guarantor, the Trustee or any of the Agents will have any responsibility or be liable for any aspect of the records relating to the book-entry interests. The Notes are not issuable in bearer form.

Payments on the Global Notes

Payments of any amounts owing in respect of the Global Notes (including principal, premium, interest and Additional Amounts) will be made to the Paying Agent in U.S. dollars. The Paying Agent will, in turn, make such payments to the common depositary for Euroclear and Clearstream, which will distribute such payments to participants in accordance with their procedures. Each of the Issuer and the Parent Guarantor will make payments of all such amounts without deduction or withholding for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, except as may be required by law and additional amounts may be paid as described under the caption "— *Additional Amounts*."

Under the terms of the Indenture, the Issuer, the Parent Guarantor and the Trustee will treat the registered holder of the Global Notes (i.e., the common depositary or its nominee) as the owner thereof for the purpose of receiving payments and for all other purposes. Consequently, none of the Issuer, the Parent Guarantor, the Trustee or any of the Agents has or will have any responsibility or liability for:

- any aspect of the records of Euroclear, Clearstream or any participant or indirect participant relating to or payments made on account of a book-entry interest, for any such payments made by Euroclear, Clearstream or any participant or indirect participants, or for maintaining, supervising or reviewing any of the records of Euroclear, Clearstream or any participant or indirect participant relating to or payments made on account of a book-entry interest; or

- Euroclear, Clearstream or any participant or indirect participant.

Payments by participants to owners of book-entry interests held through participants are the responsibility of such participants.

Redemption of Global Notes

In the event any Global Note, or any portion thereof, is redeemed, the common depositary will distribute the amount received by it in respect of the Global Note so redeemed to Euroclear and/or Clearstream, as applicable, who will distribute such amount to the holders of the book-entry interests in such Global Note. The redemption price payable in connection with the redemption of such book-entry interests will be equal to the amount received by the common depositary, Euroclear or Clearstream, as applicable, in connection with the redemption of such Global Note (or any portion thereof). The Issuer understands that under existing practices of Euroclear and Clearstream, if fewer than all of the Notes are to be redeemed at any time, Euroclear and Clearstream will credit their respective participants' accounts on a proportionate basis (with adjustments to prevent fractions) or by lot or on such other basis as they deem fair and appropriate; *provided, however,* that no book-entry interest of US$200,000 principal amount, or less, as the case may be, will be redeemed in part.

Action by Owners of Book-Entry Interests

Euroclear and Clearstream have advised that they will take any action permitted to be taken by a Holder of Notes only at the direction of one or more participants to whose account the book-entry interests in a Global Note are credited and only in respect of such portion of the aggregate principal amount of Notes as to which such participant or participants has or have given such direction. Euroclear and Clearstream will not exercise any discretion in the granting of consents, waivers or the taking of any other action in respect of the Global Note. If there is an Event of Default under the Notes, however, each of Euroclear and Clearstream reserves the right to exchange the Global Note for individual definitive notes in certificated form, and to distribute such individual definitive notes to their participants.

Transfers

Transfers between participants in Euroclear and Clearstream will be effected in accordance with Euroclear and Clearstream's rules and will be settled in immediately available funds. If a Holder requires physical delivery of individual definitive notes for any reason, including to sell the Notes to persons in jurisdictions which require physical delivery of such securities or to pledge such securities, such Holder must transfer its interest in the Global Note in accordance with the normal procedures of Euroclear and Clearstream and in accordance with the provisions of the Indenture.

Book-entry interests in the Global Notes will be subject to the restrictions on transfer discussed under the caption "— *Transfer Restrictions*."

Any book-entry interest in a Global Note that is transferred to a person who takes delivery in the form of a book-entry interest in another Global Note (if applicable) will, upon transfer, cease to be a book-entry interest in the first-mentioned Global Note and become a book-entry interest in the other Global Note and, accordingly, will thereafter be subject to all transfer restrictions, if any, and other procedures applicable to book-entry interests in such other Global Note for as long as it retains such a book-entry interest.

Global Clearance and Settlement Under the Book-Entry System

Book-entry interests owned through Euroclear or Clearstream accounts will follow the applicable settlement procedures. Book-entry interests will be credited to the securities custody accounts of Euroclear and Clearstream participants on the business day following the settlement date against payment for value on the settlement date.

The book-entry interests will trade through participants of Euroclear or Clearstream, and will settle in same-day funds. Since the purchaser determines the place of delivery, it is important to establish at the time of trading of any book-entry interests where both the purchaser's and seller's accounts are located to ensure that settlement can be made on the desired value date.

Information Concerning Euroclear and Clearstream

The Issuer understands as follows with respect to Euroclear and Clearstream:

Euroclear and Clearstream hold securities for participating organizations and facilitate the clearance and settlement of securities transactions between their respective participants through electronic book-entry changes in accounts of such participants. Euroclear and Clearstream provide to their participants, among other things, services for safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream interface with domestic securities markets. Euroclear and Clearstream participants are financial institutions, such as underwriters, securities brokers and dealers, banks and trust

companies, and certain other organizations. Indirect access to Euroclear or Clearstream is also available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodian relationship with a Euroclear or Clearstream participant, either directly or indirectly.

Although the foregoing sets out the procedures of Euroclear and Clearstream in order to facilitate the original issue and subsequent transfers of interests in the Notes among participants of Euroclear and Clearstream, neither Euroclear nor Clearstream is under any obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time.

None of the Issuer, the Parent Guarantor, the Trustee or any of their respective agents will have responsibility for the performance of Euroclear or Clearstream or their respective participants of their respective obligations under the rules and procedures governing their operations, including, without limitation, rules and procedures relating to book-entry interests.

Individual Definitive Notes

If (1) the common depositary or any successor to the common depositary is at any time unwilling or unable to continue as a depositary for the reasons described in the Indenture and a successor depositary is not appointed by the Issuer within 90 days, (2) either Euroclear or Clearstream, or a successor clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention to permanently cease business or does in fact do so, or (3) any of the Notes has become immediately due and payable in accordance with "— *Events of Default*" and the Issuer has received a written request from a Holder, the Issuer will issue individual definitive notes in registered form in exchange for the Global Note. Upon receipt of such notice from the common depositary, Euroclear, Clearstream or the Trustee, as the case may be, the Issuer will use its best efforts to make arrangements with the common depositary for the exchange of interests in the Global Notes for individual definitive notes and cause the requested individual definitive notes to be executed and delivered to the registrar in sufficient quantities and authenticated by the Registrar for delivery to Holders. Persons exchanging interests in a Global Note for individual definitive notes will be required to provide the Registrar, through the relevant clearing system, with written instruction and other information required by the Issuer and the Registrar to complete, execute and deliver such individual definitive notes. In all cases, individual definitive notes delivered in exchange for any Global Note or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by the relevant clearing system.

Individual definitive notes will not be eligible for clearing and settlement through Euroclear or Clearstream.

All notices or demands required or permitted by the terms of the Notes or the Indenture to be given to or by the Holders are required to be in writing and in English and may be given or served by being sent by prepaid courier or first-class mail (if intended for the Issuer or the Parent Guarantor) addressed to the Issuer at Haaksbergweg 71, 1101 BR Amsterdam, the Netherlands, Fax: +31-20-312-1210, Attention: Director or the Parent Guarantor at Jain Plastic Park, N.H. In relation to any legal action or proceedings arising out of or in connection with the Indenture and the Notes, the Issuer and the Parent Guarantor will in the Indenture irrevocably (1) submit to the non-exclusive jurisdiction of any U.S. federal or New York state court located in the Borough of Manhattan, the City of New York in connection with any suit, action or proceeding arising out of, or relating to, the Notes, the Note Guarantee and the Indenture; and (2) designate and appoint Jain America Holdings Inc for receipt of service of process in any such suit, action or proceeding.

(d) such other information relating to the Change of Control Triggering Event as any Noteholder may require; and

(e) that the Change of Control Redemption Notice once validly given, may not be withdrawn and the last day on which a Change of Control Redemption Notice may be given.

In this Condition 6.3 (*Redemption for Change of Control Triggering Event*):

(A) **Change of Control** means the occurrence of one or more of the following events:

(i) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company to any Person, other than to the Promoters, the Promoter Group or to any Persons controlled by the Promoters or the Promoter Group;

(ii) the Company consolidates with or merges into or sells or transfers all or substantially all of its assets to any Person or Persons, acting together, other than to the Promoters, the Promoter Group or to any Persons controlled by the Promoters or the Promoter Group;

(iii) the Promoters and the Promoter Group cease to be the beneficial owners, directly or indirectly, of at least 26.0 per cent. in the aggregate of the voting power of the Voting Stock of the Company, or any Person, other than the Promoters and the Promoter Group, becomes the beneficial owner, directly or indirectly, of a larger percentage of the voting power of such Voting Stock of the Company than the Promoters and the Promoter Group;

(iv) a Person or Persons, acting together, other than the Promoters and the Promoter Group, acquire Control, directly or indirectly, of the Company; or

(v) the adoption of a plan relating to the liquidation or dissolution of the Company.

(B) **Change of Control Redemption Amount** means an amount equal to 101.0 per cent. of the principal amount of the Notes redeemed plus accrued and unpaid interest, if any, to and including the Change of Control Redemption Date.

(C) **Change of Control Redemption Date** means the date specified in the Change of Control Redemption Notice, such date being not less than 30 nor more than 60 days after the date of the Change of Control Redemption Notice.

(D) **Change of Control Triggering Event** means the occurrence of a Change of Control; *provided*, however, that if the Change of Control is an event described in clauses (i), (ii) and (iii) of the definition thereof, it shall not constitute a Change of Control Triggering Event unless and until a Ratings Decline also shall have occurred.

(E) **Control** means the right to appoint and/or remove all or the majority of the members of the Company's Board of Directors or other governing body, whether obtained directly or indirectly, and whether obtained by ownership of share capital, the possession of Voting Stock, contract or otherwise, and "controlled" shall be construed accordingly.

(F) **Promoter** means a promoter of the Company, named as a "promoter" under the Companies Act, 2013, as amended and the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended and recognised and named as a "promoter" in the filing made with the Indian stock exchange for the quarter ended December 2016.

(G) **Promoter Group** means the promoter group of the Company recognised and named as a "promoter group" in the filing made with the Indian stock exchange for the quarter ended December 2016 and as defined under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended.

6.4 **Notice of redemption:**

All Notes in respect of which any notice of redemption is given under this Condition 6 (*Redemption and Purchase*) shall be redeemed on the date specified in such notice in accordance with this Condition 6 (*Redemption and Purchase*). Neither the Trustee nor the Agents shall be responsible for calculating or verifying any calculations of any amounts payable under this Condition 6 (*Redemption and Purchase*). If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes for redemption as follows: (1) if the Notes are listed on any securities exchange, in compliance with the requirements of the principal securities exchange on which the Notes are listed; or (2) if the Notes are not listed on any securities exchange, on a pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and reasonable in the circumstances.

No Note of U.S.$200,000 in principal amount or less shall be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on Notes or portions of them called for redemption.

6.5 **Purchase**

The Company (and any Subsidiary of the Company) may at any time purchase Notes in the open market or otherwise in any amount and at any price and such Notes shall be surrendered to any Paying Agent for cancellation subject to applicable law. Without limiting the ability of the Company and any other Subsidiary of the Company to conduct open market purchases, any purchase that the Company or any other Subsidiary of the Company elects to make by tender shall be made available to all Noteholders alike, except where it is not possible to do so in order to qualify for exemptions from any offering restrictions imposed by any jurisdiction in accordance with applicable law. Notes purchased and held prior to cancellation by the Company or any such Subsidiary shall not be deemed to be "outstanding" for purposes of any meeting of holders of Notes or other action to be voted upon, or taken, by holders of Notes.

6.6 **Cancellation**

All Notes redeemed or purchased in accordance with this Condition 6 (*Redemption and Purchase*) shall be cancelled and may not be re-issued or resold except in accordance with applicable law.

Early redemption of the Notes under Conditions 6.2 or 6.3 may require a prior approval from the RBI or approval of the authorised dealer ("AD Bank"), as the case may be, in accordance with the ECB Guidelines, before effecting such a redemption prior to the Maturity Date and such approval may not be forthcoming.

7. PAYMENTS

7.1 **Method of Payment**

Payments of principal and premium (if any) in respect of each Note will be made by transfer to a U.S. dollar account maintained by the payee. Payments of principal will be made conditional upon surrender of the relevant Definitive Note at the specified office of any of the Transfer Agents. Interest on Notes will be paid to the Persons shown on the Register at the close of business on the fifteenth Business Day before the due date for the payment of interest (the "Record Date").

So long as the Notes are represented by a global Note held on behalf of Euroclear or Clearstream, such payments will be made to the holder of appearing in the register of holders of the Notes maintained by the Registrar at the close of the business day (being for this purpose a day on which Euroclear and Clearstream are open for business) before the relevant due date.

7.2 **Payment Initiation**

Where payment is to be made by transfer to a registered account, payment instructions (for value on the due date or, if that is not a Business Day, for value the first following day which is a Business Day) will be initiated on the due date for payment (or, if that date is not a Business Day, on the first following day which is a Business Day), or, in the case of payments of principal and premium (if any) where the relevant Definitive Note has not been surrendered at the specified office of any Transfer Agent or of the Registrar, on the first Business Day on which the Principal Paying Agent is open for business and on or following which the relevant Definitive Note is surrendered. For the purposes of these Conditions, "Business Day" means a day, other than a Saturday or a Sunday, on which commercial banks in London, Singapore, The City of New York and Mumbai, and in the case of a surrender of a Definitive Note, in the place the Definitive Note is surrendered, are open for business or not authorised to close.

7.3 **Delay in Payment**

Noteholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due as a result of the due date not being a Business Day, if the Noteholder is late in surrendering its Definitive Note (if required to do so).

7.4 **Payment not Made in Full**

If the amount of principal and/or premium (if any) being paid upon surrender of the relevant Definitive Note is less than the outstanding principal amount of, or premium due on, such Definitive Note, the Registrar will annotate the Register with the amount of principal and/or premium (if any) so paid and will (if so requested by the Company or a Noteholder) issue a new Definitive Note with a principal amount equal to the remaining unpaid outstanding principal amount and/or premium (if any). If the amount of interest being paid is less than the amount then due, the Registrar will annotate the Register with the amount of interest so paid.

7.5 **Agents**

The initial Agents and their initial specified offices are listed below. The Company reserves the right at any time to vary or terminate the appointment of any Agent and appoint additional or other Agents, provided that it will maintain: (i) a Principal Paying Agent; (ii) a Registrar; (iii) a Transfer Agent; and (iv) such other agents as may be required by any stock exchange on which the Notes may be listed. Notice of any change in the Agents or their specified offices will promptly be given to the Trustee and the Noteholders.

7.6 **Agency Role**

In acting under the Agency Agreement and in connection with the Notes, the Agents act solely as agents of the Company and (to the extent provided therein) the Trustee and do not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders.

8. TAXATION

All payments of principal, premium (if any) and interest in respect of the Notes will be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within (i) India or any jurisdiction of which the Company is otherwise considered by a taxing authority to be a resident for tax purposes or any political organisation or governmental authority thereof or therein having the power to tax (a "Relevant Tax Jurisdiction") or (ii) any jurisdiction from or through which the Company or any person on behalf of the Company makes a payment on the Notes, or any political organisation or governmental authority thereof or therein having the power to tax (each jurisdiction

described in (i) or (ii) above a "Relevant Jurisdiction"), unless such withholding or deduction is required by law. In that event the Company shall pay such additional amounts ("Additional Amounts") as will result in receipt by the Noteholders of such amounts as would have been receivable by them had no such withholding or deduction been required, except that no such Additional Amounts shall be payable in respect of any Note:

(a) to a holder (or to a third party on behalf of a holder) who is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of his having some connection with the Relevant Jurisdiction other than the mere holding of the Note;

(b) presented for payment in the Relevant Jurisdiction; or

(c) the Definitive Note in respect of which is surrendered (where required to be surrendered) more than 30 days after the Relevant Date, except to the extent that the holder of it would have been entitled to such Additional Amounts on surrender of such Definitive Note for payment on the last day of such period of 30 days.

For purposes of these Conditions, "Relevant Date" means whichever is the later of:

(1) the date on which such payment first becomes due; and

(2) if the full amount payable has not been received in U.S. dollars by the Principal Paying Agent or the Trustee on or prior to such due date, the date on which, the full amount having been so received, notice to that effect shall have been given to the Noteholders.

Any reference in these Conditions to principal, premium and/or interest shall be deemed to include any Additional Amounts which may be payable under this Condition 8 (*Taxation*) or any undertaking given in addition to or in substitution for it under the Trust Deed.

Any payments, including payments of withholding tax in foreign currency, made by the Company are required to be within the all-in-cost ceilings prescribed under the ECB Guidelines and in accordance with any specific approvals from the Reserve Bank of India or the designated authorised dealer bank, as the case may be, obtained by the Company.

9. EVENTS OF DEFAULT

If any of the following events (each an "Event of Default") occurs and is continuing the Trustee at its discretion may, and if so requested in writing by holders of at least 25.0 per cent. in principal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall, subject in each case to the Trustee being indemnified and/or secured and/or pre-funded to its satisfaction, give notice to the Company that the Notes are, and they shall immediately become, due and payable at their principal amount together with accrued interest:

(a) **Non-Payment**: the Company fails to pay any principal, premium (if any) or interest in respect of any of the Notes on the date when due and such failure continues for a period of seven business days in the case of principal or 30 calendar days in the case of interest;

(b) **Breach of Other Obligations**: the Company does not perform or comply with one or more of its obligations under these Conditions or the Trust Deed (other than its obligations referred to in paragraph (a) above) which default is incapable of remedy or, if such default is capable of remedy, is not remedied within 30 calendar days after notice of such default shall have been given to the Company by the Trustee;

(c) **Cross-acceleration**:

(i) the acceleration of any present or future Indebtedness of the Company prior to its stated maturity by reason of any event of default or potential event of default (however described), which acceleration is not rescinded or waived;

(ii) the Company fails to make any payment in respect of any Indebtedness on the due date for payment as extended by any originally applicable grace period;

(iii) any security given by the Company for any Indebtedness becomes enforceable; or

(iv) default is made by the Company in making any payment due under any guarantee and/or indemnity given by it in relation to Indebtedness of any other person;

provided that the aggregate amount of Indebtedness in respect of which one or more of the events referred to in this Condition 9(c) (*Cross-acceleration*) have occurred exceeds U.S.$25.0 million (or the Dollar Equivalent thereof);

(d) **Winding-up**: If any order is made by any competent court or resolution is passed for the winding up or dissolution of the Company, save for the purposes of reorganization on terms approved by an Extraordinary Resolution of the Noteholders;

(e) **Cessation of business**: The Company shall cease or threaten to cease to carry on the whole or a substantial part of the business conducted by the Company and its Subsidiaries at the date of the issue of the Notes, save for the purpose of any reorganisation on terms approved by an Extraordinary Resolution of Noteholders;

(f) **Insolvency**: The Company stops or threatens to stop payment of, or is unable to, or admits inability to, pay, its debts (or any class of its debts) as they fall due or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent;

(g) **Liquidation and insolvency proceedings**: If (i) proceedings are initiated against the Company under any applicable liquidation, insolvency, composition, reorganisation or other similar laws or an application is made (or documents filed with a court) for the appointment of an administrative or other receiver, manager, administrator or other similar official, or an administrative or other receiver, manager, administrator or other similar official is appointed, in relation to the Company or, as the case may be, in relation to the whole or a substantial part of the undertaking or assets of any of them or an encumbrancer takes possession of the whole or a substantial part of the undertaking or assets of any of them, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or a substantial part of the undertaking or assets of any of them, and (ii) in any such case (other than the appointment of an administrator) unless initiated by the relevant company is not discharged or stayed within 60 days;

(h) **Creditors Arrangement**: the Company (or its directors or shareholders) initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including the obtaining of a moratorium) or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors);

(i) **Nationalisation**: any step is taken by any person with a view to the seizure, compulsory acquisition, expropriation or nationalisation of all or a material part of the assets of the Company;

(j) **Illegality**: it is or will become unlawful for the Company to perform or comply with any one or more of its obligations under any of the Notes or the Trust Deed or the obligations under the Notes or the Trust Deed shall for any reason cease to be binding upon and enforceable against the Company in accordance with its terms, or the binding effect or enforceability thereof shall be contested by the Company or the Company shall deny that it has any further liability or obligation under the Notes or the Trust Deed; or

(k) **Analogous Events**: any event which under the governing laws of the applicable jurisdictions of the Company has an analogous effect to any of the events referred to in Conditions 9(d) (*Winding-up*) to 9(i) (*Nationalisation*) above occurs.

Early redemption upon the occurrence of any Event of Default may require prior approval from the RBI or AD Bank, as the case may be, in accordance with the ECB Guidelines, before effecting such a redemption prior to the Maturity Date and such approval may not be forthcoming.

10. PRESCRIPTION

Claims in respect of principal and interest shall be prescribed unless made within a period of ten years in the case of principal (including any premium in respect thereof) and five years in the case of interest from the appropriate Relevant Date.

11. REPLACEMENT OF DEFINITIVE NOTES

If any Definitive Note is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of any Transfer Agent, subject to all applicable laws and stock exchange requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Company may require (provided that the requirement is reasonable in the light of prevailing market practice). Mutilated or defaced Definitive Notes must be surrendered before replacements will be issued.

12. MEETINGS OF NOTEHOLDERS, MODIFICATION, WAIVER AND SUBSTITUTION

12.1 Meetings of Noteholders

The Trust Deed contains provisions for convening meetings of Noteholders to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by the Company or by the Trustee and shall be convened by the Trustee upon a request in writing of the Noteholders holding not less than 10.0 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting to consider an Extraordinary Resolution will be two or more Persons holding or representing more than half in principal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more Persons holding Notes or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*: (i) to modify the maturity of the Notes or the dates on which interest is payable in respect of the Notes; (ii) to reduce or cancel the principal amount of, any premium payable in respect of, or interest on, the Notes; (iii) to change the currency of payment of the Notes; (iv) to change any obligation of the Company to pay Additional Amounts with respect to the Notes; (v) to reduce the premium payable upon the redemption or repurchase of any Note or change the time at which any Note may be redeemed or required to be repurchased under Condition 6 (*Redemption and Purchase*) whether through an amendment or waiver of provisions in the covenants, definitions or otherwise or (vi) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, in which case the necessary quorum will be two or more Persons holding or representing not less than two thirds, or at any adjourned meeting not less than 25.0 per cent., in principal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on all Noteholders (whether or not they were present or represented at the meeting at which such resolution was passed).

An "Extraordinary Resolution" is defined in the Trust Deed to mean a resolution passed at a duly convened meeting of Noteholders by a majority of at least two thirds of the Notes represented at such meeting. A written resolution of holders of not less than 75.0 per cent. in principal amount of the Notes for the time being outstanding shall take effect as an Extraordinary Resolution for all purposes.

12.2 **Modification and Waiver**

The Trustee may agree, without the consent of the Noteholders, to any modification of (except as mentioned in Condition 12.1 (*Meetings of Noteholders*) above), or to the waiver or authorisation of any breach or proposed breach of, any of these Conditions or any of the provisions of the Trust Deed or the Agency Agreement, or determine, without any such consent as aforesaid, that any Default or Event of Default shall not be treated as such (provided that, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders) or may agree, without any such consent as aforesaid, to any modification which, in its opinion, is of a formal, minor or technical nature or to correct a manifest error or an error which is, in the opinion of the Trustee, proven. Any such modification, authorisation or waiver shall be binding on the Noteholders and, unless Trustee otherwise agrees, such modification authorisation or waiver shall be notified to the Noteholders as soon as practicable in accordance with Condition 16 (*Notices*).

12.3 **Substitution**

The Trust Deed contains provisions permitting the Trustee to agree, subject to compliance with the terms of the Trust Deed, but without the consent of the Noteholders, to the substitution of the Company's successor in business or any Subsidiary of the Company or its successor in business in place of the Company or any previous substituted company, as principal debtor under the Trust Deed and the Notes. In the case of such a substitution the Trustee may agree, without the consent of the Noteholders, subject to the provisions of the Trust Deed, to a change of the law governing the Notes and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

12.4 **Entitlement of the Trustee**

In connection with the exercise of its functions (including but not limited to those referred to in this Condition 12 (*Meetings of Noteholders, Modification, Waiver and Substitution*) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders and the Trustee shall not be entitled to require, nor shall any Noteholder be entitled to claim, from the Company or the Trustee any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders.

13. ENFORCEMENT

At any time after the Notes become due and payable, the Trustee may, at its discretion and without further notice, institute such actions, steps or proceedings against the Company as it may think fit to enforce the terms of the Trust Deed and the Notes, but it shall not be required to take any such proceedings unless: (i) it has been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least 25.0 per cent. in principal amount of the Notes then outstanding; and (ii) it has been indemnified and/or secured and/or pre-funded to its satisfaction. No Noteholder may institute proceedings directly against the Company unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

14. INDEMNIFICATION OF THE TRUSTEE

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trust Deed provides that the Trustee shall take action on behalf of the Noteholders

in certain circumstances but only if it is indemnified and/or secured and/or pre-funded to its satisfaction. The Trustee and its parent, subsidiaries and affiliates are entitled to enter into business transactions with the Company and/or any entity related to the Company without accounting for any profit.

Repatriation of proceeds outside India by the Company under an indemnity clause requires the prior approval of the Reserve Bank of India, in accordance with the extant applicable laws and regulations of India, including the rules and regulations framed under the Foreign Exchange Management Act, 1999, as amended.

15. FURTHER ISSUES

The Company may from time to time, without the consent of the Noteholders and in accordance with the Trust Deed, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for any one or more of the first payment of interest, the issue date, the first interest payment date and, to the extent necessary, certain temporary securities law transfer restrictions) so as to form a single series with the Notes.

References in these Conditions to the Notes include (unless the context requires otherwise) any other notes issued pursuant to this Condition 15 (*Further Issues*) and forming a single series with the Notes.

16. NOTICES

Notices to the Noteholders will be sent to them at their respective addresses in the Register. The Company shall also ensure that notices are duly published in a manner that complies with the rules and regulations of any stock exchange of other relevant authority on which the Notes are for the time being listed. Any such notice shall be deemed to have been given on the later of the date of such publication and the fourth day after being so sent.

So long as the Notes are represented by a global Note held on behalf of Euroclear or Clearstream, notices to Noteholders may be given by delivery of the relevant notice to Euroclear or Clearstream for communication by it to entitled account holders in substitution for notification as required by these Conditions.

17. CURRENCY INDEMNITY

U.S. dollars are the sole currency of account and payment for all sums payable by the Company under or in connection with the Notes, including damages. Any amount received or recovered in a currency other than U.S. dollars (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Company or otherwise) by the Trustee or any Noteholder in respect of any sum expressed to be due to it from the Company shall only constitute a discharge to the Company to the extent of the U.S. dollars which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient under any Note, the Company shall indemnify it against any loss sustained by it as a result. In any event, the Company shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition 17 (*Currency Indemnity*), it will be sufficient for the Trustee or the Noteholder to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Company's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Trustee or any Noteholder and shall continue in full force and effect

despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order. If the U.S. dollars amount that may be purchased exceeds that the amount so received or recovered in that other currency, any excess shall as soon as practicable be repaid to the Company.

18. GOVERNING LAW

18.1 **Governing Law**

The Trust Deed and the Notes, and all non-contractual obligations arising out of or in connection with the Trust Deed or the Notes, are governed by and shall be construed in accordance with English law.

18.2 **Jurisdiction**

The courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed and the Notes (including without limitation a dispute regarding any non-contractual obligations arising out of or in connection with the Trust Deed or the Notes) and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed or the Notes ("Proceedings") may be brought in such courts. The Company has in the Trust Deed irrevocably submitted to the jurisdiction of the English courts in connection with any such Proceedings and waived any objections to Proceedings in such courts on the grounds of venue or that they have been brought in an inconvenient forum. The Company makes this submission solely for the benefit of the Trustee and the Noteholders and shall not limit the right of the Trustee or any Noteholder to initiate Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

18.3 **Agent for Service of Process**

The Company has in the Trust Deed appointed an agent to receive service of process in any Proceedings in England. If for any reason the Company does not have such an agent in England, it will promptly appoint a substitute process agent and notify the Trustee of such appointment. Nothing herein shall affect the right to serve process in any other manner permitted by law.

18.4 **Waiver of Immunity**

The Company irrevocably agrees that, should any Proceedings be taken anywhere (whether for an injunction, specific performance, damages or otherwise), no immunity (to the extent that it may at any time exist, whether on the grounds of sovereignty or otherwise) from those Proceedings, from attachment (whether in aid of execution, before judgment or otherwise) of its assets or from execution of judgment shall be claimed by it or on its behalf or with respect to its assets, any such immunity being irrevocably waived. The Company irrevocably agrees that it and its assets are, and shall be, subject to such Proceedings, attachment or execution in respect of its obligations under the Trust Deed or the Notes.

1. FORM, DENOMINATION AND TITLE

1.1 Form and Denomination

The Notes are in registered form in amounts of U.S.$200,000 each and higher integral multiples of U.S.$1,000 (each, an "**authorised denomination**"). A definitive certificate (each, a "**Definitive Note**") will be issued to each Noteholder in respect of its registered holding or holdings of Notes. Each Definitive Note will be numbered serially with an identifying number, which will be recorded in the register (the "**Register**"), which the Company shall procure to be kept by the Registrar at its specified office. Save as provided in Condition 2.1 (*Transfer, Issue and Delivery*), each Definitive Note shall represent the entire holding of the Notes by the same Noteholder.

1.2 Title

Title to the Notes passes only by and upon registration in the Register. In these Conditions, "**Noteholder**" and "**holder**" means the Person in whose name a Note is registered in the Register. The holder of any Note will (except as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest

in it or any writing on, or theft or loss of, the Definitive Note issued in respect of it) and no Person will be liable for so treating the holder. No Person shall have any right to enforce any term or condition of the Notes or the Trust Deed under the Contracts (Rights of Third Parties) Act 1999, but this shall not affect any right or remedy which exists or is available from such Act.

2. TRANSFERS OF NOTES AND ISSUE OF DEFINITIVE NOTES

2.1 Transfer, Issue and Delivery

A Note may be transferred in whole or in part in an authorised denomination upon the surrender of the Definitive Note issued in respect of that Note, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar or any Transfer Agent. In the case of a transfer of part only of a Note, a new Definitive Note in respect of the balance not transferred will be issued to the transferor within five Business Days (as defined in Condition 7.2 (*Payment Initiation*) hereof) of receipt of such form of transfer and sent by uninsured mail at the risk of the holder (but free of charge to the holder and at the Company's expense) to the address of the holder appearing in the Register. In the case of a transfer of Notes to a person who is already a Noteholder, a new Definitive Note representing the enlarged holding shall only be issued against surrender of the Definitive Note representing the existing holding. Each new Definitive Note to be issued upon a transfer of Notes will, within five Business Days of receipt of such form of transfer, be sent by uninsured mail at the risk of the holder entitled to the Note in respect of which the relevant Definitive Note is issued to such address as may be specified in such form of transfer. Notes may be transferred in accordance with this Condition 2 (*Transfers of Notes and Issue of Definitive Notes*) and the Agency Agreement but not otherwise exchanged. No transfer of a Note shall be valid unless and until entered into the Register.

2.2 Formalities Free of Charge

Registration of transfer of Notes will be effected without charge by or on behalf of the Company, the Registrar or any Transfer Agent, but upon payment (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require) in respect of any tax or other governmental charges which may be imposed in relation to it.

2.3 Closed Periods

No Noteholder may require the transfer of a Note to be registered (i) during the period of 15 days ending on the due date for any payment of principal and premium (if any) and/or interest on that Note or (ii) during the period of seven days ending on (and including) any Record Date (as defined in Condition 7 (*Payments*)).

2.4 Regulations Concerning Transfer and Registration

All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning the transfer of Notes scheduled to the Agency Agreement. The regulations may be changed by the Company with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be sent by mail by the Registrar to any Noteholder upon request.

3. STATUS

The Notes constitute (subject to Condition 4.1 (*Negative Pledge*)) direct, general, unsecured and unsubordinated obligations of the Company and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Company under the Notes shall at all times rank at least *pari passu* with all of its other present and future outstanding unsecured and unsubordinated obligations but, in the event of insolvency, only to the extent permitted by applicable laws relating to creditors' rights.

4. COVENANTS

4.1 Negative Pledge

So long as any of the Notes remain outstanding (as defined in the Trust Deed), the Company will not, and will not permit any of its Restricted Subsidiaries to, create or permit to subsist any Security upon the whole or any part of its undertaking or assets, present or future, to secure any Relevant Debt or any guarantee or indemnity in respect of any Relevant Debt, unless, at the same time or prior thereto, the Company's obligations under the Notes and the Trust Deed (x) are secured equally and rateably therewith on substantially identical terms thereto, in each case to the satisfaction of the Trustee; or (y) have the benefit of such other Security or other arrangement as the Trustee in its absolute discretion shall deem to be not materially less beneficial to the Noteholders or as shall be approved by an Extraordinary Resolution of the Noteholders.

4.2 Limitation on Indebtedness

So long as any of the Notes remain outstanding, the Company will not, and will not permit any of its Restricted Subsidiaries to, Incur, directly or indirectly, any Indebtedness, unless, after giving *pro forma* effect to the Incurrence of such Indebtedness and the receipt and application of the proceeds therefrom:

(1) no Default would occur as a consequence of such Incurrence or be continuing following such Incurrence; and

(2) the ratio of (i) Total Long-Term Debt to (ii) Tangible Net Worth for the Company's most recently ended semi-annual or annual period for which consolidated financial statements of the Company are available immediately preceding the date on which such Indebtedness is incurred (the "**Consolidated Leverage Ratio**"), shall not be greater than 3.0:1.0;

provided, however, that this Condition 4.2 (*Limitation on Indebtedness*) shall not apply to:

(a) Indebtedness existing as at the Issue Date and any refinancing thereof;

(b) Indebtedness issued in exchange for, or the net proceeds of which are used to refinance, replace, exchange, renew, repay, defease, discharge or extend then outstanding Indebtedness permitted to be Incurred under this Condition 4.2 (*Limitation on Indebtedness*);

(c) Indebtedness of the Company with a maturity of one (1) year or less used by the Company for working capital purposes (or any guarantee or indemnity given by the Company in relation thereto); *provided, however, that* such use is solely in relation to the procurement of crude oil; or

(d) Indebtedness in the form of (i) interest free loans, (ii) taxes payable and/or (iii) grants, in each case provided to the Company by the Government of the Republic of India or any state government in the Republic of India.

The Consolidated Leverage Ratio shall be calculated and interpreted on a consolidated basis.

4.3 **Limitation on Restricted Payments**

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly (the payments or any other actions described in clauses (1) through (4) below being collectively referred to as "**Restricted Payments**"):

(1) declare or pay any dividend or make any distribution on or with respect to the Company's or any of the Restricted Subsidiaries' Capital Stock (other than dividends or distributions payable solely in shares of Capital Stock of the Company (other than Disqualified Stock or Preferred Stock) or in options, warrants or other rights to acquire shares of such Capital Stock) held by Persons other than the Company or any Wholly Owned Restricted Subsidiary;

(2) purchase, call for redemption or redeem, retire or otherwise acquire for value any shares of Capital Stock of the Company or any Restricted Subsidiary (including options, warrants or other rights to acquire such shares of Capital Stock) held by any Persons other than the Company or any Restricted Subsidiary;

(3) make any voluntary or optional principal payment, or voluntary or optional redemption, repurchase, defeasance, or other voluntary or optional acquisition or retirement for value, of Subordinated Indebtedness (excluding any intercompany Indebtedness owed by (i) any Restricted Subsidiary to the Company or (ii) the Company to any Restricted Subsidiary); or

(4) make any Investment, other than a Permitted Investment;

if, at the time of, and after giving effect to, the proposed Restricted Payment:

(a) a Default has occurred and is continuing or would occur as a result of such Restricted Payment;

(b) the Company could not Incur at least U.S.$1.00 of Indebtedness under the Consolidated Leverage Ratio described in sub-clause (2) under Condition 4.2 (*Limitation on Indebtedness*); or

(c) such Restricted Payment, together with the aggregate amount of all Restricted Payments made by the Company and the Restricted Subsidiaries after the Issue Date, shall exceed the sum of:

(i) 50 per cent. of the aggregate amount of the Consolidated Net Income of the Company (or, if the Consolidated Net Income is a loss, *minus* 100.0 per cent. of the amount of such loss) accrued on a cumulative basis during the period (taken as one accounting period) beginning on 1 January 2017 and ending on the last day of the Company's most recently ended semi-annual or annual period for which consolidated financial statements of the Company (which the Company shall use its reasonable best efforts to compile in a timely manner and which may be internal financial statements) are available and have been provided to the Trustee at the time of such Restricted Payment; *plus*

(ii) 100 per cent. of the aggregate Net Cash Proceeds received by the Company after 1 January 2017 as a capital contribution to its common equity by, or from the issuance and sale of, its Capital Stock (other than Disqualified Stock) to a Person who is not a Restricted Subsidiary, including any such Net Cash Proceeds received upon (A) the conversion by a Person who is not a Subsidiary of the Company of any Indebtedness (other than Subordinated Indebtedness) of the Company into Capital Stock (other than Disqualified Stock) of the Company, or (B) the exercise by a Person who is not a Subsidiary of the Company of any options, warrants or other rights to acquire Capital Stock of the Company (other than Disqualified Stock), in each case after deducting the amount of any such Net Cash Proceeds used to redeem, repurchase, defease or otherwise acquire or retire for value any Subordinated Indebtedness or Capital Stock of the Company or any Restricted Subsidiary; *plus*

(iii) the amount by which Indebtedness of the Company is reduced on the Company's balance sheet upon the conversion or exchange subsequent to 1 January 2017 of any Indebtedness of the Company convertible or exchangeable for Capital Stock (other than Disqualified Stock) of the Company (*less* the amount of any cash, or the Fair Market Value of any other property, distributed by the Company upon such conversion or exchange); *provided, however, that* the foregoing amount shall not exceed the Net Cash Proceeds received by the Company from the Incurrence of such Indebtedness; *plus*

(iv) an amount equal to the net reduction in Investments (other than reductions in Permitted Investments) that were made after 1 January 2017 in any Person resulting from (A) payments of interest on Indebtedness, dividends or repayments of loans or advances by such Person, in each case to the Company or any Restricted Subsidiary (except, in each case, to the extent any such payment or proceeds are included in the calculation of Consolidated Net Income) after 1 January 2017, (B) the unconditional release of a guarantee provided by the Company or a Restricted Subsidiary after 1 January 2017 of an obligation of another Person, (C) to the extent that an Investment made after 1 January 2017 is sold or otherwise liquidated or repaid for cash, the lesser of (x) cash return of capital with respect to such Investment (less the cost of disposition, if any) and (y) the initial amount of such Investment, or (D) the redesignations of Unrestricted Subsidiaries as Restricted Subsidiaries, not to exceed, in each case, the amount of Investments (other than Permitted Investments) made by the Company or a Restricted Subsidiary after 1 January 2017 in any such Person and treated as a Restricted Payment.

The foregoing provision shall not be violated by reason of:

(1) the payment of any dividend or irrevocable redemption of any Capital Stock within 60 days after the related date of declaration or call for redemption if, at said date of declaration or call for redemption, such payment or redemption would comply with the preceding paragraph;

(2) the payment of any dividends or distributions declared, paid or made by a Restricted Subsidiary, to the holders of such Restricted Subsidiary's Capital Stock, majority of which is held, directly or indirectly through Restricted Subsidiaries, by the Company, on a pro rata basis or on a basis more favourable to the Company;

(3) the redemption, repurchase or other acquisition of Capital Stock of the Company or any Restricted Subsidiary (or options, warrants or other rights to acquire such Capital Stock) in exchange for, or out of the Net Cash Proceeds of, a substantially concurrent capital contribution or sale (other than to a Subsidiary of the Company) of, shares of Capital Stock (other than Disqualified Stock) of the Company or such Restricted Subsidiary (or options, warrants or other rights to acquire such Capital Stock); *provided, however, that* the amount of any such Net Cash Proceeds that are utilised for any such Restricted Payment will be excluded from clause (c)(ii) of the preceding paragraph;

(4) so long as no Default or Event of Default has occurred and is continuing the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of the Company or any preferred stock of a Restricted Subsidiary issued on or after the date of the Trust Deed that was permitted to be issued pursuant to the first paragraph of the covenant described under Condition 4.2 (*Limitation on Indebtedness*);

(5) the redemption, repurchase, defeasance or other acquisition or retirement for value of Subordinated Indebtedness of the Company in exchange for, or out of the Net Cash Proceeds of, a substantially concurrent capital contribution or sale (other than to a Subsidiary of the Company) of, shares of the Capital Stock (other than Disqualified Stock) of the Company (or options, warrants or other rights to acquire such Capital Stock); *provided, however, that* the amount of any such Net Cash Proceeds that are utilised for any such Restricted Payment will be excluded from clause (c)(ii) of the preceding paragraph;

(6) cash Investments in Unrestricted Subsidiaries, when taken together with all other Investments made pursuant to this clause (6) that are at that time outstanding, not to exceed U.S.$20.0 million;

(7) the repurchase, redemption or other acquisition or retirement for value of any Capital Stock of the Company or any Restricted Subsidiaries (or options, warrants or other rights to acquire such Capital Stock) held by any future, current or former officer, director or employee of the Company or any direct or indirect parent entities or Restricted Subsidiaries (or any such Person's assigns, estates or heirs) pursuant to any equity subscription agreement, stock option agreement, shareholders' agreement or similar plans or other contractual arrangements or agreements; *provided, however, that* the aggregate price paid for all such repurchased, redeemed, acquired or retired Capital Stock may not exceed U.S.$2.5 million (or the Dollar Equivalent thereof) in any fiscal year;

(8) (i) the repurchase of Capital Stock deemed to occur upon the exercise of options, warrants or other rights in respect thereof if such Capital Stock represents all or a portion of the exercise price thereof and (ii) repurchases of Capital Stock deemed to occur upon the withholding of a portion of the Capital Stock granted or awarded to a director, employee or consultant to pay for the taxes payable by such director, employee or consultant upon such grant or award; and

(9) Restricted Payments by the Company or any Restricted Subsidiary to allow the payment of cash in lieu of the issuance of fractional shares upon the exercise of options or warrants or upon the conversion or exchange of Capital Stock of any such Person;

provided, however, that, in the case of clauses (2), (3) and (4) of this paragraph, no Event of Default shall have occurred and be continuing or would occur as a consequence of the actions or payments set forth therein. Each Restricted Payment made pursuant to clauses (1), (6) and (7) of this paragraph shall be included in calculating whether the conditions of clause (c) of the first paragraph of this Condition 4.3 (*Limitation on Restricted Payments*) have been met with respect to any subsequent Restricted Payments.

The amount of any Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or the Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The value of any assets or securities (other than cash) that are required to be valued by this covenant will be the Fair Market Value. The Board of Directors' determination of the Fair Market Value of any assets (including securities) other than cash in a Restricted Payment or a series of related Restricted Payments must be based upon an opinion or an appraisal issued by an appraisal or investment banking firm of recognised standing if the expected Fair Market Value exceeds U.S.$10.0 million (or the Dollar Equivalent thereof) and such determination must be contained in a Board Resolution set forth in an Officer's Certificate that is provided to the Trustee.

Not later than the date of making any Restricted Payment in excess of U.S.$10.0 million (or the Dollar Equivalent thereof) (other than Restricted Payments set forth in clause (5) of the second paragraph of this covenant), the Company will deliver to the Trustee an Officer's Certificate stating that such Restricted Payment is permitted and setting forth the basis upon which the calculations required by this Condition 4.3 (*Limitation on Restricted Payments*) covenant were computed.

4.4 **Limitation on Asset Sales**

So long as any of the Notes remain outstanding, the Company will not, and will not permit any of its Restricted Subsidiaries to, consummate any Asset Sale, unless:

(1) the consideration received by the Company or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of; and

(2) at least 75 per cent. of the consideration received consists of cash, Temporary Cash Investments or Replacement Assets (as defined below); *provided, however, that* in the case of an Asset Sale in which the Company or such Restricted Subsidiary receives Replacement Assets involving aggregate consideration in excess of 2.5 per cent. of Fixed Assets (or the Dollar Equivalent thereof), the Company shall deliver to the Trustee an opinion of fairness to the Company or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an accounting, appraisal or investment banking firm of recognised standing. For purposes of this provision, each of the following will be deemed to be "cash":

   (a) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that releases the Company or such Restricted Subsidiary, as the case may be, from or indemnifies them against further liability; and

   (b) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from such transferee that are promptly, but in any event within 90 days of closing, converted by the Company or such Restricted Subsidiary, as the case may be, into cash, to the extent of the cash received in that conversion.

(3) Within 365 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company or the applicable Restricted Subsidiary, as the case may be, may apply such Net Cash Proceeds to:

   (a) subject to the ECB Directions (as defined below), permanently repay any Senior Indebtedness (and if any such Indebtedness is revolving credit Indebtedness, to correspondingly permanently reduce commitments with respect thereto), in each case owing to a Person other than the Company or a Restricted Subsidiary;

   (b) make capital expenditures or acquire properties and assets that replace the properties and assets that were the subject of such Asset Sale or properties or assets (other than current assets) that are used or will be used in the Permitted Businesses, acquire all or substantially all of the assets of or the Capital Stock of, a Person, or a line of business, the primary business of which is a Permitted Business, or any combination of the foregoing, in each case ("**Replacement Assets**"); or

   (c) fund the operating requirements of the Company or a Restricted Subsidiary;

   provided, however, that, pending the application of Net Cash Proceeds in accordance with clauses (a) or (b) of this paragraph, such Net Cash Proceeds may be temporarily invested only in cash or Temporary Cash Investments or be used to temporarily reduce revolving credit Indebtedness.

(4) Any Net Cash Proceeds from Asset Sales that are not applied or invested as provided in clause (3) will constitute "**Excess Proceeds**". Excess Proceeds of less than the greater of U.S.$20.0 million and 1.0% of Fixed Assets (or the Dollar Equivalent thereof) will be carried forward and accumulated. When accumulated Excess Proceeds exceeds the greater of U.S.$20.0 million and

1.0% of Fixed Assets (or the Dollar Equivalent thereof), subject to the ECB Directions from time to time, within ten (10) Business Days thereof, the Company must make an Offer to Purchase Notes having a principal amount equal to:

(a) accumulated Excess Proceeds, multiplied by

(b) a fraction (x) the numerator of which is equal to the outstanding principal amount of the Notes and (y) the denominator of which is equal to the outstanding principal amount of the Notes and all Senior Indebtedness, in any such case similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale, rounded down to the nearest U.S.$1,000.

The offer price in any Offer to Purchase will be equal to 100.0 per cent. of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash.

If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Trust Deed. If the aggregate principal amount of Notes tendered in such Offer to Purchase exceeds the amount of Excess Proceeds the Notes will be purchased from each Noteholder on a *pro rata* basis. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

4.5 **Limitation on Affiliate Transactions**

The Company will not, and will not permit any of the Restricted Subsidiaries to, directly or indirectly, enter into, renew or extend any transaction or arrangement (or service of related transactions or arrangements) (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with (x) any holder (or any Affiliate of such holder) of 5 per cent. or more of any class of Capital Stock of the Company or (y) any Affiliate of the Company (each, an "**Affiliate Transaction**"), involving aggregate payments or consideration in excess of the greater of U.S.$10.0 million and 0.3% of Fixed Assets (or the Dollar Equivalent thereof), unless:

(1) the Affiliate Transaction is on fair and reasonable terms that are no less favourable to the Company or the relevant Restricted Subsidiary, as the case may be, than those that would have been obtained in a comparable transaction by the Company or the relevant Restricted Subsidiary with a Person that is not an Affiliate of the Company; and

(2) the Company delivers to the Trustee:

(a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of the greater of U.S.$20.0 million and 0.6% of Fixed Assets (or the Dollar Equivalent thereof), an Officer's Certificate (which is later ratified in a Board Resolution) certifying that such Affiliate Transaction complies with this covenant and such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors; *provided, however, that*, if no disinterested member of the Board of Directors exists with respect to any Affiliate Transaction, the transaction may be approved by a majority of the members of the Board of Directors if the requirements of clause (2)(b) below are met with respect to such Affiliate Transaction as if it involved aggregate consideration in excess of the greater of U.S.$20.0 million and 0.6% of Fixed Assets (or the Dollar Equivalent thereof); and

(b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of U.S.$25.0 million (or the Dollar Equivalent thereof), in addition to the Officer's Certificate required in clause (2)(a) above, an opinion as to the fairness to the Company or such Restricted Subsidiary, as the case may be, of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of recognised standing.

The foregoing limitation does not limit, and shall not apply to:

(1) any employment or compensation agreement (whether based in cash or securities), officer or director indemnification agreement, severance or termination agreement or any similar arrangement entered into by the Company or any of its Restricted Subsidiaries and payments pursuant thereto and any transactions pursuant to stock option plans, stock ownership plans and employee benefit plans or similar arrangements approved by the Board of Directors in each case in the ordinary course of business;

(2) the payment of reasonable and customary fees and reimbursement of expenses (pursuant to indemnity arrangements or otherwise) of officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries;

(3) transactions between or among the Company and any Wholly Owned Restricted Subsidiary or between or among Wholly Owned Restricted Subsidiaries which are entered into in the ordinary course of business;

(4) any Restricted Payment of the type described in clause (1) or (2) of the first paragraph of the covenant described above under Condition 4.3 (*Limitation on Restricted Payments*) if permitted by that covenant;

(5) any sale of Capital Stock (other than Disqualified Stock) of the Company (or options, warrants or other rights to acquire such Capital Stock) or any contribution of capital to the Company that is permitted under Condition 4.2 (*Limitation on Indebtedness*);

(6) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged into the Company or any of its Restricted Subsidiaries; *provided, however, that* such agreement was not entered into in contemplation of such acquisition or merger;

(7) any purchases by the Company's Affiliates of Indebtedness or Disqualified Stock of the Company or any of its Restricted Subsidiaries where at least 90.0 per cent. of such Indebtedness or Disqualified Stock is purchased by Persons who are not Affiliates of the Company;

(8) transactions contemplated pursuant to agreements or arrangements in effect on the Issue Date and described in this Offering Memorandum, or any amendment or modification or replacement thereof that is not materially more disadvantageous to the Company than the agreement or arrangement in effect on the Issue Date

(9) transactions with customers, clients, contractors, purchasers or suppliers of goods (including equipment or property) or services (including administrative, cash management, legal and regulatory, engineering, technical, financial, accounting, procurement, marketing, insurance, labor, management, operation and maintenance, power supply and other services) or insurance or lessors or lessees or providers of employees or other labor or property, in each case in the ordinary course of business and that are fair or on terms at least as favorable as arm's length as determined in good faith by the Board of Directors of the Company;

(10) transactions between the Company and HPCL in accordance with the Product Off-take Agreement; and

(11) transactions permitted by, and complying with, the covenant described under Condition 4.7 (*Consolidation, Merger and Sale of Assets*).

In addition, the requirements of clause (2) of the first paragraph of this covenant shall not apply to any transaction between or among the Company, any Wholly Owned Restricted Subsidiary and any Restricted Subsidiary that is not a Wholly Owned Restricted Subsidiary; *provided, however, that* none of the minority shareholders or minority partners of or in such non-Wholly Owned Restricted Subsidiary is a Person described in clauses (x) or (y) of the first paragraph of this covenant (other than by reason of such minority shareholder or minority partner being an officer or director of such Restricted Subsidiary) and the requirement of clause (2)(b) of the first paragraph of this covenant shall not apply to transactions with concessionaires, licensees, customers, clients, suppliers, vendors or purchasers or sellers of goods or services, derivatives, insurance or hedging obligations or lessors or lessees or providers of employees or other labour or property, in the ordinary course of business.

4.6 **Limitation on Business Activities**

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, engage in any business other than Permitted Businesses.

4.7 **Consolidation, Merger and Sale of Assets**

The Company will not consolidate with, merge with or into, another Person, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its properties and assets (as an entirety or substantially an entirety in one transaction or series of related transactions) to any Person, unless:

(1) the Company shall be the continuing Person, or the Person (if other than it) formed by such consolidation or merger or that acquired or leased such property and assets (the "**Surviving Person**") shall be a corporation incorporated and validly existing under the laws of India, the United Kingdom, any member of the European Union, the United States, Switzerland, Canada, Australia or Singapore or any jurisdiction thereof and shall expressly assume, by a deed supplemental to the Trust Deed, executed and delivered to the Trustee, all the obligations of the Company under the Trust Deed and the Notes, and the Trust Deed and the Notes shall remain in full force and effect;

Mutilated or defaced Definitive Notes must be surrendered before replacements will be issued.

12. MEETINGS OF NOTEHOLDERS, MODIFICATION, WAIVER AND SUBSTITUTION

12.1 **Meetings of Noteholders**

The Trust Deed contains provisions for convening meetings of Noteholders to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by the Company or by the Trustee and shall be convened by the Trustee upon a request in writing of the Noteholders holding not less than 10 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting to consider an Extraordinary Resolution will be one (1) or more Persons holding or representing more than 50 per cent. in principal amount of the Notes for the

time being outstanding, or at any adjourned meeting one (1) or more Persons holding Notes or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*: (i) to modify the maturity of the Notes or the dates on which interest is payable in respect of the Notes; (ii) to reduce or cancel the principal amount of, any premium payable in respect of, or interest on, the Notes; (iii) to change the currency of payment of the Notes; (iv) to change any obligation of the Company to pay Additional Amounts with respect to the Notes; (v) to reduce the premium payable upon the redemption or repurchase of any Note or change the time at which any Note may be redeemed or required to be repurchased under Condition 6 (*Redemption and Purchase*) whether through an amendment or waiver of provisions in the covenants, definitions or otherwise or (vi) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, in which case the necessary quorum will be one (1) or more Persons holding or representing not less than two thirds, or at any adjourned meeting not less than one-fourth in principal amount of the Notes for the time being outstanding. The Trust Deed provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Trust Deed by a majority consisting of not less than two-thirds of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of the holders of not less than two-thirds in principal amount of the Notes for the time being outstanding or (iii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holders of not less than two-thirds in principal amount of the Notes for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution. An Extraordinary Resolution passed by the Noteholders will be binding on all Noteholders, whether or not they are present at any meeting and whether or not they voted on the resolution.

12.2 **Modification and Waiver**

The Trustee may agree, without the consent of the Noteholders, to any modification of (except as mentioned in Condition 12.1 (*Meetings of Noteholders*) above), or to the waiver or authorisation of any breach or proposed breach of, any of these Conditions or any of the provisions of the Trust Deed or the Agency Agreement, or determine, without any such consent as aforesaid, that any Default or Event of Default shall not be treated as such (*provided, however, that*, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders) or may agree, without any such consent as aforesaid, to any modification which, in its opinion, is of a formal, minor or technical nature or to correct a manifest error or an error which is, in the opinion of the Trustee, proven. Any such modification, authorisation or waiver shall be binding on the Noteholders and, unless the Trustee otherwise agrees, such modification authorisation or waiver shall be notified to the Noteholders as soon as practicable in accordance with Condition 16 (*Notices*).

12.3 **Substitution**

The Trust Deed contains provisions permitting the Trustee to agree, subject to compliance with the terms of the Trust Deed, but without the consent of the Noteholders, to the substitution of the Company's successor in business or any Subsidiary of the Company or its successor in business in place of the Company or any previous substituted company, as principal debtor under the Trust Deed and the Notes *provided, however, that* such substitution would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

12.4 **Entitlement of the Trustee**

In connection with the exercise of its functions (including but not limited to those referred to in this Condition 12 (*Meetings of Noteholders, Modification, Waiver and Substitution*)), the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders (whatever their number) and, in particular, without limitation, shall not have regard to the consequences of such exercise for individual Noteholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Noteholder be entitled to claim, from the Company, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders except to the extent already provided for in Condition 8 and/or any undertaking given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed..

13. ENFORCEMENT

The Trustee may, at its discretion and without further notice, institute such actions, steps or proceedings against the Company as it may think fit to enforce the terms of the Trust Deed and the Notes, but it shall not be required to take any such proceedings unless: (i) it has been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least 25 per cent. in principal amount of the Notes then outstanding; and (ii) it has been indemnified and/or secured and/or pre-funded to its satisfaction. No Noteholder may institute proceedings directly against the Company unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

14. INDEMNIFICATION OF THE TRUSTEE

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trust Deed provides that the Trustee shall take action on behalf of the Noteholders in certain circumstances but only if it is indemnified and/or secured and/or pre-funded to its satisfaction. The Trust Deed provides that, when determining whether an indemnity or any security or pre-funding is satisfactory to it, the Trustee shall be entitled (i) to evaluate its risk in any given circumstance by considering the worst-case scenario and (ii) to require that any indemnity or security given to it by the Noteholders or any of them be given on a joint and several basis and be supported by evidence satisfactory to it as to the financial standing and creditworthiness of each counterparty and/or as to the value of the security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and effectiveness of the security.

The Trustee and its parent, subsidiaries and affiliates are entitled (i) to enter into business transactions with the Company and/or any entity related to the Company and to act as trustee for the holders of any other securities issued by, or relating to, the Company and any entity related to the Company, (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Noteholders and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith..

Repatriation of proceeds outside India by the Company under an indemnity clause requires the prior approval of the RBI, in accordance with the extant applicable laws and regulations in India, including the rules and regulations framed under the Foreign Exchange Management Act, 1999, as amended.

15. FURTHER ISSUES

Subject to Condition 4.2 (*Limitation on Indebtedness*), the Company may from time to time, without the consent of the Noteholders and in accordance with the Trust Deed, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for any one or more of the first payment of interest, the issue date, the first interest payment date and, to the extent necessary, certain temporary securities law transfer restrictions) so as to form a single series with the Notes.

References in these Conditions to the Notes include (unless the context requires otherwise) any other notes issued pursuant to this Condition 15 (*Further Issues*) and forming a single series with the Notes.

16. NOTICES

Notices to the Noteholders will be sent to them at their respective addresses in the Register. The Company shall also ensure that notices are duly published in a manner that complies with the rules and regulations of any stock exchange of other relevant authority on which the Notes are for the time being listed. Any such notice shall be deemed to have been given on the later of the date of such publication and the fourth day after being so sent.

So long as the Notes are represented by a global Note held on behalf of Euroclear or Clearstream, notices to Noteholders may be given by delivery of the relevant notice to Euroclear or Clearstream for communication by it to entitled account holders in substitution for notification as required by these Conditions.

17. CURRENCY INDEMNITY

U.S.

dollars are the sole currency of account and payment for all sums payable by the Company under or in connection with the Notes, including damages. Any amount received or recovered in a currency other than U.S. dollars (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Company or otherwise) by the Trustee or any Noteholder in respect of any sum expressed to be due to it from the Company shall only constitute a discharge to the Company to the extent of the U.S. dollars which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient under any Note, the Company shall indemnify it against any loss sustained by it as a result. In any event, the Company shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition 17 (*Currency Indemnity*), it will be sufficient for the Trustee or the Noteholder to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Company's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Trustee or any Noteholder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order. If the U.S. dollars amount that may be purchased exceeds the amount so received or recovered in that other currency, any excess shall as soon as practicable be repaid to the Company.

18. GOVERNING LAW

18.1 **Governing Law**

The Trust Deed, the Agency Agreement and the Notes, and all non-contractual obligations arising out of or in connection with the Trust Deed or the Notes, are governed by, and shall be construed in accordance with, English law.

18.2 **Jurisdiction**

The courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Agency Agreement and the Notes (including without limitation any dispute regarding any non-contractual obligations arising out of or in connection with the Trust Deed or the Notes) and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed or the Notes ("**Proceedings**") may be brought in such courts. The Company has in the Trust Deed irrevocably submitted to the jurisdiction of the English courts in connection with any such Proceedings and waived any objections to Proceedings in such courts on the grounds of venue or that they have been brought in an inconvenient forum. The Company makes this submission solely for the benefit of the Trustee and the Noteholders and shall not limit the right of the Trustee or any Noteholder to initiate Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

18.3 **Agent for Service of Process**

The Company has in the Trust Deed appointed an agent to receive service of process in any Proceedings in England. If for any reason the Company does not have such an agent in England, it will promptly appoint a substitute process agent and notify the Trustee of such appointment. Nothing herein shall affect the right to serve process in any other manner permitted by law.

18.4 **Waiver of Immunity**

The Company irrevocably agrees that, should any Proceedings be taken anywhere (whether for an injunction, specific performance, damages or otherwise), no immunity (to the extent that it may at any time exist, whether on the grounds of sovereignty or otherwise) from those Proceedings, from attachment (whether in aid of execution, before judgment or otherwise) of its assets or from execution of judgment shall be claimed by it or on its behalf or with respect to its assets, any such immunity being irrevocably waived. The Company irrevocably agrees that it and its assets are, and shall be, subject to such Proceedings, attachment or execution in respect of its obligations under the Trust Deed or the Notes.

Prior to the publication of any notice of redemption pursuant to this Condition 6.2, the Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer stating that it is obliged to pay Additional Tax Amounts in accordance with Condition 8 and that such obligation cannot be avoided by the Issuer taking reasonable measures available to it and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the condition precedent set out in (ii) above, in which event it shall be conclusive and binding on the Noteholders.

ECB Guidelines, at the time of redemption for taxation reasons, may require the Issuer to obtain the prior approval of the RBI or the designated authorised dealer bank, as the case may be, in accordance with the ECB Guidelines before providing notice for or effecting such a redemption prior to the Maturity Date and such approval may not be forthcoming. None of the Trustee or the Agents shall be required to take any steps to ascertain whether the condition for the exercise of the rights of Noteholders in accordance with this Condition 6.3 has occurred. 7.1 **Method of Payment**:

(i) Payments of principal and premium (if any) shall be made (subject to surrender of the relevant Certificates at the specified office of any Transfer Agent or Registrar if no further payment falls to be made in respect of the Notes represented by such Certificates) by transfer to the registered account of the Noteholder.

(ii) Interest on each Note shall be paid to the person shown on the Register at the close of business 15 days before the due date for payment thereof (the "**Record Date**"). Payments of interest on each Note shall be made in U.S. Dollars by credit or transfer to the registered account of the holder (or to the first named of joint holders) of such Note appearing in the Register.

(iii) For the purposes of this Condition, a Noteholder's "**registered account**" means the U.S. Dollar account maintained by or on behalf of it with a bank in New York City, details of which appear on the Register at the close of business on the Payment Business Day before the due date for payment.

(iv) If the amount of principal being paid upon surrender of the relevant Certificate is less than the outstanding principal amount of such Certificate, the relevant Registrar will annotate the Register with the amount of principal so paid and will (if so requested by the Issuer or a Noteholder) issue a new Certificate with a principal amount equal to the remaining unpaid outstanding principal amount. If the amount of interest being paid is less than the amount then due, the Registrar will annotate the Register with the amount of interest so paid.

7.2 **Payments subject to Fiscal Laws**: All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment. No commission or expenses shall be charged to the Noteholders in respect of such payments.

7.3 **Payment Initiation**: Where payment is to be made by transfer to a registered account, payment instructions (for value the due date, or if that is not a Payment Business Day, for value the first following day which is a Payment Business Day) will be initiated and, in the case of payments of principal where the relevant Certificate has not been surrendered at the specified office of any Transfer Agent or Registrar, on a Payment Business Day on which the Principal Paying Agent is open for business and on which the relevant Certificate is surrendered.

7.4 **Appointment of Agents**: The Principal Paying Agent, the Registrar, and the Transfer Agents initially appointed by the Issuer and their respective specified offices are listed below. The Principal Paying Agent, the Registrar, and the Transfer Agents act solely as agents of the Issuer or, as the case may be, the Trustee, and do not assume any obligation or relationship of agency or trust for or with any Noteholder. The Issuer reserves the right at any time with the prior written approval of the Trustee to vary or terminate the appointment of the Principal Paying Agent, the Registrar, or any Transfer Agent and to appoint additional or other Transfer Agents, subject to the terms of the Agency Agreement, provided that the Issuer shall at all times maintain (i) a Principal Paying Agent, (ii) a Registrar with a specified office outside the United Kingdom, (iii) a Transfer Agent, and (iv) such other agents as may be required by any other stock exchange on which the Notes may be listed, in each case, as approved by the Trustee.

In addition, in the event that a Global Certificate is exchanged for definitive Certificates, announcement of such exchange shall be made by or on behalf of the Issuer through the SGX-ST and such announcement will include all material information with respect to the delivery of the definitive Certificates, including details of the Singapore agent.

7.5 **Delay in Payment**: Noteholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due on a Note if the due date is not a Payment Business Day, or if the Noteholder is late in surrendering or cannot surrender its Certificate (if required to do so) or if a transfer is made in accordance with this Condition 7 it arrives after the due date for payment.

7.6 **Payment Business Days**: In this Condition 7, "**Payment Business Day**" means a day (other than a Saturday or Sunday) on which banks and foreign exchange markets are open for business and settlement of U.S. Dollars payments in New York City and (if surrender of the relevant Certificate is required) the relevant place of presentation.

8 **Taxation**

All payments of principal, premium (if any) and interest by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the Republic of India or any authority therein or thereof having power to tax (each a "**Tax Jurisdiction**"), unless such withholding or deduction is required by law. In such event, the Issuer shall pay such additional amounts ("**Additional Tax Amounts**") as will result in receipt by the Noteholders of such amounts as would have been received by them had no such withholding or deduction been required by a Tax Jurisdiction, except that no Additional Tax Amounts shall be payable in respect of any Note:

8.1 **Other connection**: to a holder (or to a third party on behalf of a holder) who is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of his having some connection with the relevant Tax Jurisdiction, other than the mere holding of the Note;

8.2 **Failure to provide certification**: to the extent a holder is liable for such taxes, duties, assessments or governmental charges because of the holder's failure to comply with any certification, identification or other reporting requirements concerning its nationality, residence, identity or connection with a relevant Tax Jurisdiction if (1) compliance is required by applicable law (but not including treaties), regulation or administrative practice as a precondition to exemption from all or a part of such taxes, duties, assessments or governmental charges, (2) the holder is able to comply with those requirements without undue hardship and (3) the Issuer has given to the holder prior written notice, at a time which would enable the holder acting reasonably to comply with such request, before any such withholding or deduction that the holder will be required to comply with such certification, identification or reporting requirements; or

8.3 **Surrender more than 30 days after the Relevant Date**: in respect of which the Certificate representing it is presented for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such Additional Tax Amounts on surrendering the Certificate representing such Note for payment on the last day of such period of 30 days.

8.4 "**Relevant Date**" in respect of any Note means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further surrender of the Certificate representing such Note being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such surrender.

Notwithstanding the foregoing, no Additional Tax Amounts shall be payable for or on account of (i) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge, (ii) any taxes, duties, assessments or governmental charges that are imposed otherwise than by deduction or withholding from payments made under or with respect to the Notes, (iii) any taxes, duties, assessments or governmental charges that are imposed on or with respect to any payment on a Note to a holder who is a fiduciary, partnership, limited liability company, or person other than the Beneficial Owner of such payment to the extent that the Beneficial Owner with respect to such payment (or portion thereof) would not have been entitled to the Additional Tax Amounts had the payment (or the relevant portion thereof) been made directly to such Beneficial Owner and (iv) any tax, assessment, withholding or deduction required by sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended ("**FATCA**"), any current or future U.S. Treasury Regulations or rulings promulgated thereunder, any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA, any intergovernmental agreement between the United States and any other jurisdiction to implement FATCA, or any agreement with the U.S. Internal Revenue Service under FATCA. As used in clause (iii) above, "**Beneficial Owner**" means the person whom is required by the laws of the relevant Tax Jurisdiction to include the payment in income for tax purposes.

Any payments made by the Issuer are required to be within the all-in-cost ceilings prescribed under the ECB Guidelines and in accordance with any specific approvals from the RBI or the designated authorised dealer bank, as the case may be, obtained by the Issuer in this regard.

9 **Events of Default**

If any of the following events ("**Events of Default**") occurs and is continuing, the Trustee at its discretion may, and if so requested by holders of at least one-quarter in principal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall (provided that the Trustee shall have been indemnified and/or secured and/or pre-funded to its satisfaction), give notice to the Issuer that the Notes are, and they shall immediately become, due and payable at their principal amount together (if applicable) with accrued interest:

9.1 **Non-Payment**: the Issuer fails to pay the principal of or premium (if any) or interest on any of the Notes when due unless (a) such failure to pay is caused by administrative or technical error; and (b) payment is made within seven days of its due date in the case of principal and within fourteen days of its due date in the case of interest;

9.2 **Breach of Other Obligations**: the Issuer does not perform or comply with any one or more of its other obligations under the Notes or the Trust Deed which default has a Material Adverse Effect and is incapable of remedy or, if in the opinion of the Trustee capable of remedy, is not in the opinion of the Trustee remedied within 30 days after notice of such default shall have been given to the Issuer by the Trustee;

9.3 **Cross-Acceleration**: (i) any other present or future indebtedness of the Issuer or any of its Material Subsidiaries for or in respect of moneys borrowed or raised (A) becomes due and payable prior to its stated maturity by reason of any event of default, and such acceleration shall not be rescinded or annulled (by reason of a remedy, cure or waiver thereof with respect to the event of default upon which such acceleration is based) within 21 days after such acceleration, or (B) is not paid when due or, as the case may be, within any originally applicable grace period or (ii) the Issuer or any of its Material Subsidiaries fails to pay when due any amount payable by it under any present or future guarantee for, or indemnity in respect of, any moneys borrowed or raised; provided that the aggregate amount of the relevant indebtedness, guarantees and indemnities in respect of which one or more of the events mentioned above in this Condition 9.3 have occurred equals or exceeds U.S.$100 million or its equivalent;

9.4 **Enforcement Proceedings**: a distress, attachment or execution is levied, enforced or sued out on or against the Issuer or any of its Material Subsidiaries and is not discharged or stayed within 60 days;

9.5 **Security Enforced**: any mortgage, charge, pledge, lien or other encumbrance, present or future, created or assumed by the Issuer or any of its Material Subsidiaries becomes enforceable and any step is taken to enforce it (including the taking of possession or the appointment of a receiver, administrative receiver, administrator manager or other similar person) and such step is not stayed within 60 days;

9.6 **Insolvency**: the Issuer or any of its Material Subsidiaries is (or is, or could be, deemed by law or a court to be) insolvent or bankrupt or unable to pay its debts, stops, suspends or threatens to stop or suspend payment of all or a material part of (or of a particular type of) its debts, proposes or makes a general assignment or an arrangement or composition with or for the benefit of the relevant creditors in respect of any of such debts or a moratorium is agreed or declared or comes into effect in respect of or affecting all or any part of (or of a particular type of) the debts of the Issuer or any of its Material Subsidiaries;

9.7 **Winding-up**: an order is made and is not discharged or stayed within 60 days or an effective resolution passed for the winding-up or dissolution of the Issuer or any of its Material Subsidiaries, or the Issuer ceases or threatens to cease to carry on all or substantially all of its business or operations, except for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or consolidation (i) on terms approved by an Extraordinary Resolution of the Noteholders or (ii) in the case of a Material Subsidiary, whereby the undertaking and assets of such Material Subsidiary are transferred to or otherwise vested in the Issuer or another of its Subsidiaries;

9.8 **Nationalisation**: the seizure, compulsory acquisition, expropriation or nationalisation of all or a material part of the assets of the Issuer or any of its Material Subsidiaries;

9.9 **Illegality**: it is or will become unlawful for the Issuer to perform or comply with any one or more of its obligations under any of the Notes or the Trust Deed; and

9.10 **Analogous Events**: any event occurs which under the laws of any relevant jurisdiction has an analogous effect to any of the events referred to in Conditions 9.6, 9.7 and 9.8.

ECB Guidelines may require the Issuer to obtain the prior approval of the RBI or the designated authorised dealer bank, as the case may be, in accordance with the ECB Guidelines before effecting a redemption of the Notes prior to the Maturity Date and such approval may not be forthcoming. See "Risk Factors — Risks Related to the Notes — Approval of the RBI or the designated authorised dealer bank, as the case may be, is required for repayment of the Notes prior to maturity, including upon an event of default".

10 Prescription

Claims against the Issuer for payment in respect of the Notes shall be prescribed and become void unless made within seven years (in the case of principal and premium, if any) or five years (in the case of interest) from the appropriate Relevant Date in respect of them. Neither the Trustee nor the Agent shall be responsible for any amounts so prescribed.

11 Replacement of Certificates

If any Certificate is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations or other relevant regulatory authority regulations, at the specified office of the relevant Registrar or such other Transfer Agent as may from time to time be designated by the Registrar for that purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security, indemnity and otherwise as the Issuer may require (provided that the requirement is reasonable in light of prevailing market practice). Mutilated or defaced Certificates must be surrendered before replacements will be issued.

12 Meetings of Noteholders, Modification, Waiver and Substitution

12.1 **Meetings of Noteholders**: The Trust Deed contains provisions for convening meetings of Noteholders to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by Noteholders holding not less than 25% in principal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution will be two or more persons holding or representing 66-2/3% in principal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to modify the maturity of the Notes or the dates on which interest is payable in respect of the Notes, (ii) to reduce or cancel the principal amount of any premium payable on redemption of, or interest on, the Notes, (iii) to change the currency of payment of the Notes or (iv) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, in which case the necessary quorum will be two or more persons holding or representing not less than 66-2/3%, or at any adjourned meeting not less than 33-1/3%, in principal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed).

The Trust Deed provides that a resolution in writing signed by or on behalf of the holders of not less than 90% in principal amount of the Notes outstanding, and who are for the time being entitled to receive notice of a meeting in accordance with the provisions of the Trust Deed, shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

12.2 **Modification of the Trust Deed**: The Trustee may agree, without the consent of the Noteholders, to (i) any modification of any of these Conditions or any of the provisions of the Trust Deed, that is of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of these Conditions or any of the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. Any such modification, authorisation or waiver shall be binding on the Noteholders and such modification shall be notified to the Noteholders as soon as practicable.

12.3 **Substitution**: The Trust Deed contains provisions permitting the Trustee to agree, subject to such amendment of the Trust Deed and such other conditions as the Trustee may require, but without the consent of the Noteholders, to the substitution of any other company in place of the Issuer, or of any previous substituted company, as principal debtor under the Trust Deed and the Notes; provided, however, that immediately after such substitution, the Issuer must deliver to the Trustee an opinion of counsel of recognised standing with respect to U.S. federal income tax matters that the beneficial owners of the Notes will not recognise gain or loss for U.S. federal income tax purposes as a result of such substitution and will be subject to the same U.S. federal income tax consequences as if such substitution did not occur.

12.4 **Entitlement of the Trustee**: In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders and the Trustee shall not be entitled to require, nor shall any Noteholder be entitled to claim, from the Issuer or the Trustee any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders, except to the extent provided for in Condition 8 and/or any undertaking given in addition thereto or in substitution therefor pursuant to the Trust Deed.

13 **Enforcement**

At any time after the Notes become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the Trust Deed and the Notes, but it need not take any such proceedings unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-quarter in principal amount of the Notes outstanding, and (b) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction. No Noteholder may proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

14 **Indemnification of the Trustee**

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

The Trustee may rely without liability to Noteholders on a report, confirmation or certificate or any advice of any accountants, financial advisers, financial institution or any other expert, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation or certificate or advice and such report, confirmation or certificate or advice shall be binding on the Issuer, the Trustee and the Noteholders. The Trustee shall not be responsible for any loss occasioned by acting on or refraining from acting on such report, confirmation or certificate or advice.

Repatriation of proceeds outside India by the Issuer under an indemnity clause requires the prior approval of the RBI, in accordance with the extant applicable laws and regulations of India, including the rules and regulations framed under the Foreign Exchange Management Act, 1999.

15 **Further Issues**

The Issuer may from time to time without the consent of the Noteholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding Notes or upon such terms as the Issuer may determine at the time of their issue; provided, however, that the Issuer may not consolidate such further securities as a single series with the outstanding Notes unless such securities are fungible with the outstanding Notes for U.S. federal income tax purposes. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by a deed supplemental to the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

16 **Notices**

Notices to Noteholders will be valid if published in a leading newspaper having general circulation in Asia (which is expected to be the Straits Times) or, if such publication shall not be practicable, in an English language newspaper of general circulation in Europe or Asia. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made.

For an explanation regarding notices while the Notes are represented by Global Certificates, see "Summary of Provisions Relating to the Notes While in Global Form."

17 **Contracts (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999, but it does not affect any right or remedy of any person which exists or is available apart from that Act.

18 Governing Law and Jurisdiction

18.1 **Governing Law**: The Trust Deed, the Agency Agreement and the Notes and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.

18.2 **Jurisdiction**: The courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed or the Notes and, accordingly, any legal action or proceedings arising out of or in connection with any Notes ("Proceedings") may be brought in such courts. The Issuer has in the Trust Deed irrevocably submitted to the exclusive jurisdiction of such courts.

18.3 **Agent for Service of Process**: The Issuer has irrevocably appointed in the Trust Deed an agent in England to receive service of process in any Proceedings in England based on any of the Notes.

Samvardhana Motherson Automotive Systems Group B.V.

€300,000,000
1.80% Senior Secured Notes due 2024

Samvardhana Motherson Automotive Systems Group B.V., incorporated as a private limited liability company under the laws of the Netherlands (the "**Issuer**"), is offering €300,000,000 aggregate principal amount of its 1.80% Senior Secured Notes due 2024 (the "**Notes**"). The Notes will mature on July 6, 2024. Interest on the Notes will be payable annually in arrear on July 6 of each year, commencing on July 6, 2018.

Prior to July 6, 2024, the Issuer will be entitled, at its option, to redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount of such Notes, plus accrued and unpaid interest and additional amounts, if any, plus a "make-whole" premium. In addition, prior to July 6, 2024, the Issuer may redeem, at its option, up to 40% of the Notes with the net proceeds from certain equity offerings at the redemption price set forth in this Offering Memorandum. See "*Description of the Notes—Optional Redemption*". Upon the occurrence of certain events defined as constituting a change of control, each holder may require the Issuer to repurchase all or a portion of its Notes at 101% of their principal amount, plus accrued and unpaid interest and additional amounts, if any. In the event of certain developments affecting taxation, the Issuer may redeem all, but not less than all, of the Notes. The Notes will be senior obligations of the Issuer and will rank *pari passu* in right of payment with all the Issuer's existing and future senior obligations that are not subordinated in right of payment to the Notes, including the Issuer's obligations under the 2016 Notes, the 2015 Notes and the Revolving Credit Facilities (each as defined herein). On or about the Issue Date (as defined below) (and in any event no later than 15 days following the Issue Date), the entire principal amount of the Notes will be guaranteed on a senior basis (the "**Initial Guarantees**") by Samvardhana Motherson Peguform GmbH, Samvardhana Motherson Reflectec Group Holdings Limited, SMP Deutschland GmbH and SMP Automotive Technology Iberica S.L.U. (the "**Initial Guarantors**"). No later than 90 days following the Issue Date, the Issuer will be required to cause certain of its other subsidiaries (the "**Post-Closing Guarantors**" and together with the Initial Guarantors, the "**Guarantors**") to also guarantee the entire principal amount of the Notes on a senior basis (the "**Post-Closing Guarantees**"). The Guarantors have also provided, or will provide, guarantees of the Issuer's and certain of its subsidiaries' obligations under the 2016 Notes, the 2015 Notes and the Revolving Credit Facilities. The Notes will be structurally subordinated to all existing and future indebtedness and other liabilities (including trade payables) of our subsidiaries that are not Guarantors. See "*Description of the Note—Guarantees*".

The Notes and the Guarantees will be secured by security interests granted over certain property and assets of the Issuer and certain of the Guarantors. To the extent that the Collateral in place at the Issue Date does not extend to secure the Notes, the security interests in the Collateral will be put in place subsequent to the Issue Date. No later than 90 days following the Issue Date, the Notes and the Guarantees will be secured by first-ranking liens over the Pre-Trigger Event Collateral (as defined below). The Collateral that will secure the Notes and the Guarantees also secures the 2016 Notes, the 2015 Notes, the Revolving Credit Facilities and certain hedging obligations on an equal and ratable first priority basis (and save to the extent that any of the foregoing may remain additionally entitled to the Pre-Trigger Event Collateral as at the Trigger Event Date (each such term is defined herein)). The obligations under the Notes will be subordinated to all other secured debt of the Issuer and the Guarantors to the extent of the value of any collateral securing such debt that does not also secure the Notes and the Guarantee. The Notes and the Initial Guarantees, if any, may be unsecured on the Issue Date. As of the Trigger Event Date, (i) the Notes and the Guarantees will be secured solely by the Post-Trigger Event Share Pledges (as defined herein) and (ii) the Notes will be guaranteed solely by the Post-Trigger Event Guarantors (as defined herein). See "*Description of the Notes—Security*" and "*Description of the Notes—Guarantees*".

The validity and enforceability of the Guarantees and the security interests in the Collateral and the liability of each Guarantor will be subject to the limitations described in "*Certain Insolvency Law Considerations and Limitations on the Validity and Enforceability of the Guarantees and Security Interests*." The Guarantees and the security interests in the Collateral may be released under certain circumstances. See "*Description of the Notes—Guarantees—Release of the Guarantees*" and "*Description of the Notes—Security—Releases*." In addition, rights of the holders of the Notes with respect to the Notes and the Guarantees will be subject to the Intercreditor Agreement (as defined herein). See "*Description of Certain Financing Arrangements—Intercreditor Agreement*."

There is currently no public market for the Notes. Application has been made for this Offering Memorandum to be approved by the Irish Stock Exchange plc to list the Notes on the Irish Stock Exchange and to trade on the Global Exchange Market. This Offering Memorandum constitutes listing particulars for the purposes of such application and has been approved by the Irish Stock Exchange. The Global Exchange Market is not a regulated market within the meaning of Directive 2004/39/EC. DESCRIPTION OF THE NOTES

Samvardhana Motherson Automotive Systems Group B.V. (the "**Issuer**") will issue, and the Guarantors (as defined below) will guarantee, the notes offered hereby (the "**Notes**") under an indenture (the "**Indenture**") among, *inter alios*, the Issuer, the Guarantors, Deutsche Trustee Company Limited, as trustee (the "**Trustee**"), Deutsche Bank AG, London Branch, as paying agent (the "**Paying Agent**"), Deutsche Bank Luxemburg S.A. as registrar and transfer agent (the "**Transfer Agent**") and Wilmington Trust (London) Limited, as security agent (the "**Security Agent**"). The terms of the Notes include those set forth in the Indenture. The Notes will not be registered under the U.S. Securities Act of 1933, as amended (the "**U.S. Securities Act**") and will be subject to certain transfer restrictions. The Security Documents referred to and defined below under the heading "*—Security*" define the terms of the security for the benefit of the Notes and the Guarantees.

The following description is a summary of the material terms of the Indenture and refers to the Intercreditor Agreement and the Security Documents. It does not, however, restate the Indenture, the Security Documents or the Intercreditor Agreement in their entirety and, where reference is made to a particular provision of the Indenture, a Security Document or the Intercreditor Agreement, such reference, including the definitions of certain terms, is qualified in its entirety by reference to all of the provisions of the Notes, the Indenture, the Security Documents and the Intercreditor Agreement. You should read the Indenture, the Security Documents and the Intercreditor Agreement because they contain additional information and because they, and not this description, define your rights as a holder of the Notes. After the Notes have been issued, copies of the Indenture, the form of Note, the Security Documents and the Intercreditor Agreement may be obtained by requesting it from the Issuer at the address indicated under the caption "*Listing and General Information*" or from the office of the Paying Agent.

The Indenture, the Notes and the Guarantees will be subject to the terms of the Intercreditor Agreement and any Additional Intercreditor Agreements entered into in the future. The terms of the Intercreditor Agreement are important to understanding the terms and ranking of the Notes and the Guarantees. Please see the section entitled "*Description of Certain Financing Arrangements—Intercreditor Agreement*" for a summary of the material terms of the Intercreditor Agreement.

In this "*Description of the Notes,*" prior to the completion of any "IPO Debt Pushdown" (as defined below under the caption "*—Certain Covenants—IPO Debt Pushdown*"), the word "Issuer" refers only to Samvardhana Motherson Automotive Systems Group B.V. and not to any of its Subsidiaries, except for the purposes of financial data determined on a consolidated basis. After the consummation of the IPO Debt Pushdown, the word "Issuer" shall refer to a direct subsidiary of the Issuer who is incorporated for the purposes of the consummation of the IPO Debt Pushdown and who holds all of the Issuer's interest in SMP Automotive Technology Ibérica S.L.U., Samvardhana Motherson Peguform GmbH and Samvardhana Motherson Reflectec Group Holdings Limited. The definitions of certain other terms used in this description are set forth throughout the text or under "*—Certain Definitions*." The Indenture will not be qualified under, incorporate by reference, include or otherwise be subject to, any of the provisions of the U.S. Trust Indenture Act of 1939, as amended (the "**TIA**"). Consequently, the Holders generally will not be entitled to the protections provided under the TIA to holders of debt securities issued under a qualified indenture, including those requiring the Trustee to resign in the event of certain conflicts of interest and to inform the Holders of certain relationships between it and the Issuer or the Guarantors.

The Issuer has made an application to list the Notes on the Irish Stock Exchange and to admit the Notes for trading on the Global Exchange Market. The Issuer can provide no assurance that the Notes will be so listed or admitted to trading.

The registered holder of a Note will be treated as the owner of it for all purposes. Only registered holders will have rights under the Indenture.

Brief Description of the Structure and Ranking of the Notes, the Guarantees and the Security

The Notes

The Notes will:

- be the general obligations of the Issuer;
- be secured by first-ranking Liens over the Collateral at the times and in the manner set forth under the heading "*—Security*";

- rank equally in right of payment with all of the Issuer's existing and future obligations that are not subordinated in right of payment to the Notes, including Debt Incurred under the the 2015 Notes, the 2016 Notes and the Revolving Credit Facilities;
- be senior in right of payment to any of the Issuer's existing and future obligations that are subordinated in right of payment to the Notes;
- be effectively subordinated to any existing and future obligations of the Issuer that are secured by Liens senior to the Liens securing the Notes, or secured by property or assets that do not secure the Notes, to the extent of the value of property and assets securing such Debt;
- be structurally subordinated to all existing and future obligations of Subsidiaries of the Issuer that do not provide Guarantees, including trade creditors; and
- be guaranteed on a senior secured basis by the Guarantors at the times and in the manner set forth under the heading "—*Guarantees*".

The Guarantees

The Notes will be guaranteed by the Guarantors. Each Guarantee will:

- be a general obligation of the Guarantor that granted such Guarantee;
- be secured by first-ranking Liens over the Collateral at the times and in the manner set forth under the heading "—*Security*";
- rank equally in right of payment with all existing and future obligations of the applicable Guarantor that are not subordinated in right of payment to such Guarantee, including its obligations under the 2015 Notes, the 2016 Notes and the Revolving Credit Facilities;
- be effectively subordinated to any existing and future obligations of the applicable Guarantor that are secured by Liens senior to the Liens securing such Guarantee, or secured by property or assets that do not secure such Guarantee, to the extent of the value of property and assets securing such obligation; and
- be senior in right of payment to any and all of the applicable Guarantor's existing and future Debt that is subordinated in right of payment to its Guarantee.

General

The operations of the Issuer are conducted through its Subsidiaries and, therefore, the Issuer depends on the cash flow of its Subsidiaries to meet its obligations, including to service its obligations under the Notes. The Notes and the Guarantees will be effectively subordinated in right of payment to all Debt and other liabilities and commitments (including trade payables and lease obligations) of the Issuer's Subsidiaries that are not Guarantors (the "**Non-Guarantor Restricted Subsidiaries**"). Any right of the Issuer or any Guarantor to receive assets of any of its Non-Guarantor Restricted Subsidiaries upon the Non-Guarantor Restricted Subsidiary's liquidation or reorganization (and the consequent right of the Holders to participate in the distribution of those assets) will be effectively subordinated to the claims of that Non- Guarantor Restricted Subsidiary's creditors, except to the extent that the Issuer or such Guarantor is itself recognized as a creditor of the Non-Guarantor Restricted Subsidiary, in which case the claims of the Issuer or such Guarantor would still be subordinate in right of payment to any obligations secured over the assets of the Non-Guarantor Restricted Subsidiary and any Debt of the Non-Guarantor Restricted Subsidiary that is senior to the claims held by the Issuer or such Guarantor. As of March 31, 2017, the Non-Guarantor Restricted Subsidiaries had €38.18 million of Debt outstanding.

As at the Issue Date, all of the Issuer's Subsidiaries will be "Restricted Subsidiaries." Under the circumstances described below under the caption "—*Certain Covenants—Designation of Unrestricted and Restricted Subsidiaries*," the Issuer will be permitted to designate certain of its Subsidiaries as "Unrestricted Subsidiaries." Unrestricted Subsidiaries of the Issuer will not be subject to any of the restrictive covenants in the Indenture. Further, Unrestricted Subsidiaries of the Issuer will not Guarantee the Notes.

Although the Indenture will contain limitations on the amount of additional Debt that the Issuer, the Guarantors and the Non-Guarantor Restricted Subsidiaries may incur, the amount of such

additional Debt could be substantial. See "*Risk Factors—Risks Relating to Our Indebtedness—Our substantial leverage and debt service obligations could adversely affect our business and preclude us from satisfying our obligations under the Notes*."

Principal, Interest and Maturity

The Notes will mature on July 6, 2024 unless redeemed prior thereto as described herein. The Issuer will issue the Notes in the aggregate principal amount of €300,000,000 pursuant to the Indenture. Subject to the covenant described under "*—Certain Covenants—Limitation on Debt*," the Issuer is permitted to issue additional Notes (the "**Additional Notes**") under the Indenture from time to time after the Issue Date. Any issuance of Additional Notes is subject to the covenants in the Indenture. The Notes and any Additional Notes that are issued will be treated as a single class for all purposes of the Indenture, including, without limitation, those with respect to waivers, amendments, redemptions and offers to purchase, except as otherwise provided for in the Indenture; provided, however, that Additional Notes that are not fungible with the Notes for U.S. federal income tax purposes shall have a separate ISIN or other identifying number from the Notes. Unless the context otherwise requires, references to the "**Notes**" for all purposes of the Indenture and in this "*Description of the Notes*" include references to any Additional Notes that are issued.

Interest on the Notes will accrue at the rate of 1.80% per annum. Interest on the Notes will be payable annually in arrears on July 6 of each year, or if any such date is not a Payment Business Day, on the next succeeding Payment Business Day (each, an "**Interest Payment Date**"). Interest will be payable to Holders of record on each Note in respect of the principal amount thereof outstanding as at the fifteenth calendar day immediately preceding the Interest Payment Date.

Interest will be computed on the basis of a 360-day year comprising twelve 30-day months. Interest on overdue principal and interest and Additional Amounts and premium, if any, will accrue at a rate that is 1% higher than the then applicable interest rate on the Notes. In no event will the rate of interest on the Notes be higher than the maximum rate permitted by applicable law.

Form of Notes

The Notes will be issued on the Issue Date only in fully registered form without coupons and only in denominations of €100,000 and integral multiples of €1,000 in excess thereof.

The Notes will be initially in the form of one or more global notes (the "**Global Notes**"). The Global Notes will be deposited with a common safekeeper for Euroclear and Clearstream and registered in the name of the nominee of such common safekeeper. Ownership of interests in the Global Notes, referred to in this description as "book-entry interests," will be limited to persons that have accounts with Euroclear or Clearstream or their respective participants. The terms of the Indenture will provide for the issuance of Definitive Registered Notes in certain circumstances. Please see the section entitled "*Book-Entry, Delivery and Form*."

Transfer

The Notes will be subject to certain restrictions on transfer and certification requirements, as described under "*Notice to Investors*."

All transfers of book-entry interests between participants in Euroclear or Clearstream will be effected by Euroclear or Clearstream pursuant to customary procedures and subject to applicable rules and procedures established by Euroclear or Clearstream and their respective participants. Please see the section entitled "*Book-Entry, Delivery and Form*."

Subject to the restrictions on transfer referred to above, Notes issued as Definitive Registered Notes may be transferred or exchanged, in whole or in part, in minimum denominations of €100,000 in principal amount and integral multiples of €1,000 in excess thereof, to persons who take delivery thereof in the form of Definitive Registered Notes. In connection with any such transfer or exchange, the Indenture will require the transferring or exchanging Holder to, among other things, furnish appropriate endorsements and transfer documents, furnish information regarding the account of the transferee at Euroclear or Clearstream, where appropriate, furnish certain certificates and opinions and pay any taxes in connection with such transfer or exchange. Any such transfer or exchange will be made without charge to the Holder, other than any taxes payable in connection with such transfer or exchange.

Payments on the Notes; Paying Agent and Registrar

The Issuer will make all payments, including principal of, premium and Additional Amounts, if any, and interest on the Notes, at its office or through an agent in London, England that it will maintain

for these purposes. Initially, that agent will be the office of the Paying Agent. Deutsche Bank AG, London Branch will act as the Paying Agent. The Issuer may change the Paying Agent without prior notice to the Holders. In addition, the Issuer or any of its Subsidiaries may act as Paying Agent in connection with the Notes other than for the purposes of effecting a redemption described under "*—Optional Redemption*" or an offer to purchase the Notes described under either of "*—Certain Covenants—Change of Control*" and "*—Certain Covenants—Limitation on Asset Sales*." The Issuer will make all payments in same day funds.

The Issuer will also maintain a registrar (the "**Registrar**") for so long as the Notes are listed on the Irish Stock Exchange and admitted to trading on the Global Exchange Market and the rules of the Irish Stock Exchange so require. The initial Registrar and the initial Transfer Agent will be Deutsche Bank Luxembourg S.A.. The Registrar and the Transfer Agent will maintain a register reflecting ownership of the Definitive Registered Notes outstanding from time to time and will make payments on and facilitate transfer of Definitive Registered Notes on behalf of the Issuer.

The Issuer may change the Paying Agent, the Registrar or the Transfer Agent without prior notice to the Holders. For so long as the Notes are listed on the Irish Stock Exchange and admitted to trading on the Global Exchange Market and the rules of the Irish Stock Exchange so require, the Issuer will publish a notice of any change of Paying Agent, Registrar or Transfer Agent in a newspaper having a general circulation in Ireland (which is currently expected to be the *Irish Times*) or, to the extent and in the manner permitted by such rules, post such notice on the official website of the Irish Stock Exchange at *www.ise.ie*.

No service charge will be made for any registration of transfer, exchange or redemption of the Notes, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection with any such registration of transfer or exchange.

IPO Debt Pushdown

At any time following the Issue Date, subject to the satisfaction of certain conditions, the Issuer may, in its sole discretion, on no less than 15 and no more than 60 days' written notice to the Holders (and at least 15 Business Days written notice to the Trustee) in accordance with the provisions set forth under the caption "*—Notices*," undertake an IPO Debt Pushdown (as defined below under the caption "*—Certain Covenants—IPO Debt Pushdown*") in connection with a Qualifying IPO, which notice and IPO Debt Pushdown may be subject to one or more conditions precedent, including but not limited to the consummation of a Qualifying IPO. Upon consummation of, or concurrently with, the IPO Debt Pushdown, a direct Subsidiary of the Issuer who is incorporated for the purposes of the consummation of the IPO Debt Pushdown and who holds all of the Issuer's interest in SMP Automotive Technology Ibérica S.L.U., Samvardhana Motherson Peguform GmbH and Samvardhana Motherson Reflectec Group Holdings Limited (the "**IPO Debt Pushdown Entity**") will succeed to, and be substituted for, and may exercise every right and power of, Samvardhana Motherson Automotive Systems Group B.V. as issuer under the Indenture and the Notes, and upon such substitution, Samvardhana Motherson Automotive Systems Group B.V. will be released from its obligations as issuer under the Indenture and the Notes. In addition, upon consummation of, or concurrently with, the IPO Debt Pushdown, Liens on the shares of and Collateral owned by Samvardhana Motherson Automotive Systems Group B.V. securing the Notes and other Debt (including Debt under the 2015 Notes, the 2016 Notes and the Revolving Credit Facilities) will be released as described below under the caption "*—Certain Covenants—IPO Debt Pushdown*."

After the consummation of the IPO Debt Pushdown, references to "Issuer," "we," "our," and "us" refer to the IPO Debt Pushdown Entity, and not to any of its Subsidiaries.

Under the Indenture, each Guarantor will jointly and severally agree to guarantee the due and punctual payment of all amounts payable under the Notes, including principal, premium and Additional Amounts, if any, and interest payable under the Notes and all other obligations due under the Indenture. The obligations of each Guarantor under its Guarantee will be contractually limited to an amount not to exceed the maximum amount that can be guaranteed by such Guarantor under applicable law or without resulting in its obligations under its Guarantee being voidable or unenforceable under applicable laws relating to fraudulent transfer, or under similar laws affecting the rights of creditors generally. See "*Risk Factors—Risks related to the Notes and the Structure—The Guarantees and the security interests over the Collateral, including future security interests permitted by the Indenture and actually granted, will be subject to certain limitations on enforcement and may be limited by applicable laws or subject to certain defenses that may limit their validity and enforceability*" and "*Certain Insolvency Law Considerations and Limitations on the Validity and Enforceability of the Guarantees and Security Interests*." After giving *pro forma* effect to the Trigger Event Date, the Issuer and the Post-Trigger Event Guarantors, on a combined basis, represented 67.1%, 73.1% and 73.8% of our consolidated revenue, consolidated EBITDA and consolidated Total Assets, respectively, as of March 31, 2017. The Issuer and the Guarantors have also provided guarantees of the Issuer's and certain of its Subsidiaries' obligations under the 2015 Notes, the 2016 Notes and the Revolving Credit Facilities.

Release of the Guarantees

A Guarantee of a Guarantor will be automatically and unconditionally released (and thereupon will terminate and be discharged and be of no further force and effect):

(a) in the case of the Post-Trigger Event Non-Guarantors in relation to the Notes, as of the Trigger Event Date;

(b) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger, consolidation, amalgamation or combination) to a Person that is not (either before or after giving effect to such transaction) the Issuer or any Restricted Subsidiary, if the sale or other disposition is not prohibited by or does not otherwise violate the covenant described under "*—Certain Covenants—Limitation on Asset Sales*" of the Indenture;

(c) in connection with any sale or other disposition of Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) the Issuer or any Restricted Subsidiary, if the sale or other disposition is not prohibited by or does not otherwise violate the covenant described under "*—Certain Covenants—Limitation on Asset Sales*" of the Indenture and the Guarantor ceases to be a Restricted Subsidiary as a result of the sale or other disposition;

(d) in connection with an enforcement sale pursuant to the terms of the Intercreditor Agreement or any Additional Intercreditor Agreement, or as otherwise provided for in the Intercreditor Agreement or any Additional Intercreditor Agreement (see "*Description of Certain Financing Arrangements—Intercreditor Agreement*");

(e) upon a Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Indenture that complies with the provisions under "*—Defeasance*" or "*—Satisfaction and Discharge*;"

(f) upon the designation by the Issuer of the Guarantor as an Unrestricted Subsidiary in compliance with the terms of the Indenture;

(g) in the case of any Restricted Subsidiary that after the Issue Date is required to Guarantee the Notes pursuant to the covenant described under "*—Certain Covenants—Additional Guarantees*," upon the release or discharge of the guarantee of Debt by such Restricted Subsidiary that resulted in the obligation to Guarantee the Notes; provided that no Event of Default would arise as a result and such Restricted Subsidiary does not guarantee any other Debt of the Issuer or any Guarantor;

(h) with respect to an entity that is not the Successor Guarantor or the surviving entity, as applicable, as a result of any transaction permitted under paragraph (2) or clause (ii), (iii) or (iv) of paragraph (3) under the covenant described under "*—Certain Covenants—Merger, Consolidation or Sale of Assets*," but, in the case of a lease of all or substantially all of the Guarantor's assets, the Guarantor will not be released from the obligation to pay the principal of, premium, if any, and interest, on the Guarantee;

(i) as described under "*—Amendments and Waivers*;" or

(j) upon the full and final payment and performance of all obligations of the Issuer under the Indenture and the Notes.

Upon any occurrence giving rise to a release of a Guarantee as specified above, the Trustee will execute any documents reasonably required in order to evidence or effect such release, discharge and termination in respect of such Guarantee. Notwithstanding the foregoing, neither the consent nor the acknowledgement of the Trustee shall be necessary to affect any such release. Neither the Trustee, the Issuer nor any Guarantor will be required to make a notation on the Notes to reflect any such release, termination or discharge.

Limitations under the Guarantees

The obligations of each Guarantor under its Guarantee will be contractually limited to an amount not to exceed the maximum amount that can be guaranteed by such Guarantor under applicable law or without resulting in its obligations under its Guarantee being voidable or unenforceable under applicable laws relating to fraudulent transfer, or under similar laws affecting the rights of creditors generally. In particular, each Guarantee will be limited as required to comply with corporate benefit, maintenance of capital and other laws applicable in the jurisdiction of the relevant Guarantor. By virtue of these limitations, a Guarantor's obligations under its Guarantee could be significantly less than amounts payable in respect of the Notes, or a Guarantor may have effectively no obligations under its Guarantee. See "*Risk Factors—Risks related to the Notes and the Structure—The Guarantees and the security interests over the Collateral, including future security interests permitted by the Indenture and actually granted, will be subject to certain limitations on enforcement and may be limited by*

applicable laws or subject to certain defenses that may limit their validity and enforceability" and "*Certain Insolvency Law Considerations and Limitations on the Validity and Enforceability of the Guarantees and Security Interests*."

The Indenture will provide that as of the Trigger Event Date, the Issuer will notify the Holders (copying the Trustee and the Security Agent) that the Trigger Event Date has occurred and, to the extent applicable, that in accordance with the terms of the Amended and Restated Intercreditor Agreement, the Liens over all Pre-Trigger Event Collateral, other than the Liens over the Post-Trigger Event Share Pledges, will cease to secure the Notes and the Guarantees, which will thereafter be solely secured by the Post-Trigger Event Share Pledges (subject to the following paragraph).

Additionally, at substantially the same time as such action is taken for the benefit of the holders of the 2015 Notes and the 2016 Notes or the lenders under any of the Revolving Credit Facilities, the Notes and the Guarantees will be secured by such additional Collateral as may be granted for the benefit of the holders of the 2015 Notes and the 2016 Notes or the lenders under any of the Revolving Credit Facilities, from time to time.

Any additional security interests that are in the future pledged to secure obligations under the Notes, the Guarantees and the Indenture will also constitute Collateral, subject to the terms of the Intercreditor Agreement and any Additional Intercreditor Agreement.

The Issuer, the Guarantors and the Security Agent will enter into certain security agreements defining the terms of the Collateral that secures the Notes and the Guarantees (the "**Security Documents**").

Subject to certain conditions, including compliance with the covenant described under "*—Certain Covenants—No Impairment of Security Interest*" and "*—Certain Covenants—Limitation on Liens*," the pledgors of the Collateral are permitted to pledge the Collateral in connection with future issuances of Debt of the Issuer or its Restricted Subsidiaries, including any Additional Notes, permitted under the Indenture.

Subject to the terms of the Indenture, the 2015 Indenture, the 2016 Indenture, the Revolving Credit Facilities and the Security Documents, the Issuer and the Guarantors, as the case may be, will have the right to remain in possession and retain exclusive control of the Collateral, to freely operate the property and assets constituting Collateral and to exercise any and all voting rights and to receive and retain any and all cash dividends, stock dividends, liquidating dividends, non-cash dividends, shares of stock resulting from stock splits or reclassifications, rights issue, warrants, options and other distributions (whether similar or dissimilar to the foregoing) in respect of the shares that are part of the Collateral.

No appraisals of the Collateral have been prepared by or on behalf of the Issuer or the Guarantors in connection with the offering of the Notes. There can be no assurance that the proceeds of any sale of the Collateral, in whole or in part, pursuant to the Indenture and the Security Documents following an Event of Default, would be sufficient to satisfy amounts due on the Notes or the Guarantees. Furthermore, the Collateral securing the Notes may be reduced or diluted under certain circumstances, including upon the occurrence of the Trigger Event Date, the issuance of Additional Notes and the

disposition of assets comprising the Collateral, subject to the terms of the Indenture. Please see the section entitled "*Risk Factors—Risks related to the Notes and the Structure—Applicable law and other limitations on the enforceability of the security may adversely affect its validity and enforceability*" and "*—The Issuer and the Guarantors will have control over the Collateral securing the Notes, and the sale of particular assets could reduce the pool of assets securing the Notes*." By its nature, some or all of the Collateral will be illiquid and may have no readily ascertainable market value. Accordingly, there can be no assurance that the Collateral would be sold in a timely manner or at all. See "*Risk Factors—Risks related to the Notes and the Structure—It may be difficult to realize the value of the Collateral directly or indirectly securing the Notes*."

The Security Documents are governed by applicable local laws and provide that the rights with respect to the Notes and the Indenture must be exercised by the Security Agent and in respect of the entire outstanding amount of the Notes.

The Security Agent will enter into the Security Documents in its own name for the benefit of the Trustee and the Holders. Each Holder, by accepting a Note, appoints the Security Agent as its agent under the Security Documents and authorizes it to act as such. Neither the Trustee nor the Holders may, individually or collectively, take any direct action to enforce any rights in their favor under the Security Documents. The Holders may only act through the Security Agent. The Security Agent will agree to any release of the security interest created by the Security Documents that is in accordance with the Indenture without requiring any consent of the Holders.

Priority

Pursuant to the Intercreditor Agreement, the Security Agent will act on behalf of, and the Collateral will be shared equally and ratably among (but without prejudice to the agreed order of application of proceeds following the enforcement thereof), the holders of all Debt entitled to first-ranking security under the Indenture, the 2015 Indenture, the 2016 Indenture, the Revolving Credit Facilities and the Hedging Agreements (which Debt includes the Notes, the 2015 Notes and the 2016 Notes, obligations under the Revolving Credit Facilities, certain obligations under Hedging Agreements and any other Senior Secured Debt incurred and secured on the Collateral in compliance with the Indenture). In addition, the Issuer and the Restricted Subsidiaries will be permitted to create, incur, assume or otherwise cause or suffer to exist other Permitted Collateral Liens as provided for under the caption "*—Certain Covenants—Limitation on Liens*." Under certain circumstances, the amount of such additional Debt secured by the Collateral could be significant.

The Revolving Credit Facilities permit the Issuer and all of its Restricted Subsidiaries (including Non-Guarantor Restricted Subsidiaries) to incur certain ancillary facilities. The Notes will be structurally subordinated to all existing and future obligations of Non-Guarantor Restricted Subsidiaries. However, pursuant to the equalization provisions of the Intercreditor Agreement, creditors under the Revolving Credit Facilities will agree that to the extent that they recover in an enforcement from the assets of a Non-Guarantor Restricted Subsidiary, that such recoveries will be shared *pro rata* and *pari passu* with the other secured parties, including creditors in respect of the Notes, the 2015 Notes, the 2016 Notes, the Revolving Credit Facilities, certain Hedging Agreements and any other Senior Secured Debt incurred and secured on the Collateral in compliance with the Indenture.

The Intercreditor Agreement provides that if additional Debt is to be incurred which is permitted to share in the Collateral pursuant to the terms of the Revolving Credit Facilities, the 2015 Indenture, the 2016 Indenture and the Indenture, all required documentation (including, if required, an Additional Intercreditor Agreement) will be entered into in order to ensure that any such Debt will have the ranking permitted to be conferred upon it in accordance with the terms of the Revolving Credit Facilities, the 2015 Indenture, the 2016 Indenture and the Indenture; *provided that* such documentation does not adversely affect the interests of the parties benefitting from the Collateral (other than the effect of such Debt sharing in the Collateral). Such amendments may be made without the consent of the Holders, *provided* that such conditions are satisfied.

Releases

The Liens over property and other assets constituting Collateral securing the Notes and the Guarantees may be released under any one or more of the following circumstances:

(a) in relation to any Collateral (other than the Post-Trigger Event Share Pledges), as of the Trigger Event Date;

(b) with respect to a Guarantor, upon the release of such Guarantor's Guarantee as described in "*—Guarantees—Release of the Guarantees*;"

(c) in a transaction that complies with the provisions described in "*—Certain Covenants—Merger, Consolidation or Sale of Assets*;"

(d) upon the Legal Defeasance, Covenant Defeasance, satisfaction or discharge of the Notes as provided in "*—Defeasance*" or "*—Satisfaction and Discharge*," in each case, in accordance with the terms and conditions of the Indenture;

(e) in connection with any sale, assignment, transfer, conveyance or other disposition of such property or assets (including Capital Stock of Subsidiaries) to a Person that is not (either before or after giving effect to such transaction) the Issuer or any Restricted Subsidiary, if the sale or other disposition is not prohibited by, or does not otherwise violate, the "Asset Sale" provisions of the Indenture;

(f) in connection with an enforcement sale pursuant to the terms of the Intercreditor Agreement or any Additional Intercreditor Agreement, or as otherwise provided for in the Intercreditor Agreement or any Additional Intercreditor Agreements (see "*Description of Certain Financing Arrangements—Intercreditor Agreement*");

(g) if the Issuer designates any Restricted Subsidiary to be an Unrestricted Subsidiary in accordance with the applicable provisions of the Indenture, the release of Liens on property and assets and capital stock of such Restricted Subsidiary;

(h) as permitted by the covenant described under "*—Certain Covenants—No Impairment of Security Interest*;"

(i) as described under "*—Amendments and Waivers*;" or

(j) the release of all Liens on the shares and assets of the Issuer concurrently with or prior to and in contemplation of an IPO Debt Pushdown undertaken in compliance with the covenant described under "*—Certain Covenants—IPO Debt Pushdown*."

The Security Agent and the Trustee (as applicable) will take all necessary action as reasonably requested by the Issuer required to effectuate any release of Collateral securing the Notes and the Guarantees, in accordance with the provisions of the Indenture and the relevant Security Document, the Intercreditor Agreement and any Additional Intercreditor Agreement. Each of the releases set forth above shall be effected by the Security Agent without the consent of the Holders or any action on the part of the Trustee.

In addition, subject to compliance with the covenants described under the captions "*—Certain Covenants—No Impairment of Security Interest*" and "*—Certain Covenants—Limitation on Liens*," if an Incurrence of Debt permitted by the covenant described under the captions "*—Certain Covenants—Limitation on Debt*" is implemented in a manner that requires the release of the first priority security interest over all or some of the Collateral, the security interest over such Collateral will be automatically released and replaced by new security in favor of the Notes and Guarantees, on substantially the same terms as prior to release.

Intercreditor Agreement and Additional Intercreditor Agreements

The Indenture will provide that the Issuer, each Guarantor, the Trustee and the Security Agent will be authorized (without any further consent of the Holders) to accede to the Intercreditor Agreement, to which the trustee and the security agent under the 2015 Indenture, the 2016 Indenture and the lenders under the Revolving Credit Facilities, among others, are parties and to enter into any Additional Intercreditor Agreement. The Indenture will provide that it will be subject to the terms of such Intercreditor Agreement and any Additional Intercreditor Agreement.

In addition, the Indenture will provide that at the request of the Issuer, at the time of, or prior to, any Incurrence of Debt that is permitted to share the Collateral or that is otherwise permitted to be incurred under the Indenture, the Issuer, the relevant Guarantors, the Trustee and the Security Agent shall (without the consent of the Holders) amend the Intercreditor Agreement to reflect such additional Debt or enter into a new intercreditor agreement with the holders of such Debt (or their duly authorized representatives) (an "**Additional Intercreditor Agreement**") on substantially the same terms as the

Intercreditor Agreement (or on terms more favorable to the Holders of the Notes), including with respect to enforcement instructions, distributions and releases of Guarantees and Collateral; *provided* that any amendment to the Intercreditor Agreement or any Additional Intercreditor Agreement will not impose any personal obligations on the Trustee or the Security Agent or adversely affect the rights, duties, liabilities or immunities of the Trustee or the Security Agent under the Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement as in effect on the Issue Date.

The Indenture will also provide that, at the written direction of the Issuer and without the consent of the Holders, the Trustee and the Security Agent shall, subject to the customary protections, from time to time enter into one or more amendments to the Intercreditor Agreement or any Additional Intercreditor Agreement to: (1) cure any ambiguity, mistake, omission, defect or inconsistency of any such agreement, (2) increase the amount or types of Debt covered by the Intercreditor Agreement or any such Additional Intercreditor Agreement that may be Incurred by the Issuer or its Restricted Subsidiaries that is subject to the Intercreditor Agreement or any such Additional Intercreditor Agreement, respectively (including the addition of provisions relating to (i) new Debt ranking junior or *pari passu* in right of payment with the Notes and (ii) security enforcement of new Debt on substantially the same terms as the security enforcement provisions with respect to the Notes, or the Revolving Credit Facilities or on terms more favorable to the Holders of the Notes); *provided* that such Debt is Incurred in compliance with the Indenture, (3) add Guarantors or other Restricted Subsidiaries to the Intercreditor Agreement or any Additional Intercreditor Agreement, (4) further secure the Notes (including Additional Notes), (5) make provision for equal and ratable pledges of the Collateral to secure Additional Notes or to implement any Permitted Collateral Liens, (6) provide for the amendments pursuant to the Amended and Restated Intercreditor Agreement (as defined below) or (7) make any other change that does not adversely affect the Holders of Notes in any material respect. The Issuer shall not otherwise direct the Trustee or Security Agent to enter into any amendment to the Intercreditor Agreement or any Additional Intercreditor Agreement without the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding, except as otherwise permitted below under "*—Amendments and Waivers*" or as permitted by the terms of the Intercreditor Agreement or such Additional Intercreditor Agreement, as applicable, and the Issuer may only direct the Trustee or Security Agent to enter into any amendment to the Intercreditor Agreement or any Additional Intercreditor Agreement to the extent such amendment does not impose any personal obligations on the Trustee or Security Agent or, in the opinion of the Trustee or Security Agent, adversely affect their respective rights, duties, liabilities or immunities under the Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement.

The Indenture will also provide that each Holder, by accepting such Note, will be deemed to have:

(a) appointed and authorized the Trustee and the Security Agent to give effect to provisions in the Intercreditor Agreement and any Additional Intercreditor Agreement;

(b) authorized the Trustee and the Security Agent to become a party to any Additional Intercreditor Agreement, and any amendment referred to above;

(c) agreed to be bound by the provisions of the Intercreditor Agreement and any Additional Intercreditor Agreement, and any amendment referred to above; and

(d) irrevocably appointed the Trustee and the Security Agent to act on its behalf to enter into and comply with the provisions of the Intercreditor Agreement and any Additional Intercreditor Agreement, and any amendment referred to above.

Neither the Trustee nor the Security Agent shall be required to seek the consent of any Holders to perform its obligations under and in accordance with this covenant.

The Amended and Restated Intercreditor Agreement and Further Amendments to the Amended and Restated Intercreditor Agreement

(a) Immediately prior to the Trigger Event Date, and subject to (x) all conditions of the Trigger Event Date (other than, to the extent applicable, the condition of effectiveness of the Amended and Restated Intercreditor Agreement (as defined below) (including the incorporation of the Further ICA Amendments (as defined below) (if applicable))) having occurred; and (y) the receipt by the Trustee and the Security Agent of the deliverables referred to in paragraph (c) below, the Issuer

will, if as of such date any Superior Secured Debt remains outstanding, (A) amend the Intercreditor Agreement to provide for the amendments described in *Description of Certain Financing Arrangements—Intercreditor Agreement*) and *Description of the Notes—The Amended and Restated Intercreditor Agreement and Further Amendments to the Amended and Restated Intercreditor Agreement* (the "**Amended and Restated Intercreditor Agreement**") and (B) provide for further amendments to the Amended and Restated Intercreditor Agreement (if applicable) (the "**Further ICA Amendments**"), *provided that* any such Further ICA Amendments will not be materially adverse to the interests of the Noteholders as determined in the Issuer's sole discretion (acting in good faith) (the "**No Material Adverse Condition**").

(b) The No Material Adverse Condition shall be deemed to be satisfied upon delivery by the Issuer to the Trustee and the Security Agent of an Officer's Certificate attaching the Amended and Restated Intercreditor Agreement reflecting such Further ICA Amendments and certifying that the No Material Adverse Condition has been satisfied in relation to such Further ICA Amendments (a "**Further ICA Amendments Certificate**").

(c) Upon receipt by the Trustee and the Security Agent of (x) a Further ICA Amendments Certificate (if applicable) and (y) an Officer's Certificate certifying, and an Opinion of Counsel opining, that:

(i) all conditions of the Trigger Event Date (other than the condition of effectiveness of the Amended and Restated Intercreditor Agreement (including the incorporation of the Further ICA Amendments (if applicable)) have occurred;

(ii) each of the Intercreditor Amendment Agreement and the Amended and Restated Intercreditor Agreement (which shall incorporate the Further ICA Amendments (if applicable)) is authorised or permitted by the Indenture and complies with the provisions of the Indenture;

(iii) all conditions precedent to the execution of the Intercreditor Amendment Agreement have been satisfied; and

(iv) the Amended and Restated Intercreditor Agreement (including the incorporation of the Further ICA Amendments (if applicable)) will be, upon the date the Amended and Restated Intercreditor Agreement is effective pursuant to the Intercreditor Amendment Agreement, the legal, valid and binding obligation of the Issuer (and any Guarantor) enforceable against them in accordance with its terms,

the Trustee and the Security Agent shall enter into the Intercreditor Amendment Agreement and such other documentation as may be necessary or desirable to give effect to the Amended and Restated Intercreditor Agreement (which shall incorporate the Further ICA Amendments (if applicable)), *provided that* (x) the Trustee and the Security Agent shall not be required to enter into the Intercreditor Amendment Agreement and any such other documentation that will impose any personal obligations on each of the Trustee or the Security Agent or adversely affect the rights, duties, obligations, liabilities, protections, indemnities or immunities of each of the Trustee or the Security Agent under the Indenture or the Intercreditor Agreement and (y) the Trustee and the Security Agent shall be indemnified (and shall also be entitled to request security and/or pre-funding) by the Issuer to its satisfaction.

(d) The Trustee and the Security Agent may rely on the Further ICA Amendments Certificate, the Officer's Certificate and the Opinion of Counsel referred to in paragraph (c) above absolutely and shall not be required to take any action to independently verify, or make any determination on, the matters stated therein, nor shall the Trustee or the Security Agent be liable for any loss caused by relying thereon or any inaccuracy contained therein.

(e) Promptly following the entry into of the Intercreditor Amendment Agreement, the Issuer shall give notice thereof to the Noteholders in the manner provided for in the Indenture.

(f) Each Noteholder by accepting a Note will be deemed to have irrevocably:

(i) appointed, authorized and instructed the Trustee and the Security Agent to become a party to the Intercreditor Amendment Agreement and the Amended and Restated Intercreditor Agreement (which shall incorporate the Further ICA Amendments (if applicable));

(ii) agreed to be bound by the provisions of the Intercreditor Agreement, the Intercreditor Amendment Agreement and the Amended and Restated Intercreditor Agreement (which shall incorporate the Further ICA Amendments (if applicable)); and

(iii) appointed the Trustee and the Security Agent to act on its behalf to enter into and comply with the provisions of the Intercreditor Agreement, the Intercreditor Amendment Agreement and the Amended and Restated Intercreditor Agreement (which shall incorporate the Further ICA Amendments (if applicable)).

Neither the Trustee nor the Security Agent will be required to seek any further consent of any Noteholders: (i) to enter into the the Intercreditor Amendment Agreement and the Amended and Restated Intercreditor Agreement (ii) to consent to and be bound by the Amended and Restated Intercreditor Agreement (which shall incorporate the Further ICA Amendments (if applicable)) and to consent and give effect to the Further ICA Amendments and (iii) to perform its obligations under and in accordance with this paragraph.

Additional Amounts

All payments made by or on behalf of the Issuer or any Guarantor under or with respect to the Notes or the Guarantees will be made free and clear of and without withholding or deduction for or on account of any present or future Taxes unless the withholding or deduction of such Taxes is required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction in which the Issuer or any Guarantor is then incorporated or organized, engaged in business or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which payment on the Notes or Guarantees is made by or on behalf of the Issuer or any Guarantor (including the jurisdiction of any paying agent) or any political subdivision or governmental authority thereof or therein (each, a "**Relevant Taxing Jurisdiction**") will at any time be required to be made from any payment made by or on behalf of the Issuer or any Guarantor under or with respect to the Notes or the Guarantees, the Issuer or relevant Guarantor, as the case may be, will pay such additional amounts ("**Additional Amounts**") as may be necessary so that the net amount received by each holder of the Notes after such withholding or deduction (including any withholding or deduction from such Additional Amounts) will be not less than the amount that such holder would have received if such Taxes had not been required to be withheld or deducted.

Notwithstanding the foregoing, neither the Issuer nor the Guarantors will pay Additional Amounts in respect or on account of:

(a) any Taxes, to the extent such Taxes would not have been imposed but for the existence of any present or former connection between the Holder or the beneficial owner of the Notes (or between a fiduciary, settlor, beneficiary, member, partner or shareholder of, or possessor of power over, the relevant Holder or beneficial owner, if the relevant Holder or beneficial owner is an estate, nominee, trust, partnership, limited liability company or corporation) and the Relevant Taxing Jurisdiction (including, but not limited to, citizenship, nationality, residence, domicile, or existence of a business, a permanent establishment, a dependent agent, a place of business or a place of management present or deemed present within the Relevant Taxing Jurisdiction) other than any connection arising merely from the receipt or holding of any Note or Guarantee or by reason of the receipt of payments thereunder or the exercise or enforcement of rights under such Note, Guarantee or the Indenture;

(b) any Taxes, to the extent such Taxes were imposed or withheld by reason of the failure of the Holder or beneficial owner of any Note, prior to the relevant date on which a payment under or with respect to the Notes is due and payable (the "**Relevant Payment Date**"), to comply, to the extent that it is legally eligible, with the Issuer's reasonable written request, addressed to the Holder at least 30 calendar days prior to the Relevant Payment Date, to provide accurate applicable information with respect to, or otherwise satisfy, any certification, identification, information or other reporting requirements concerning nationality, residence, identity or connection with the Relevant Taxing Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Relevant Taxing Jurisdiction), which are required or imposed by statute, treaty, regulation or administrative practice, in each such case by the Relevant Taxing Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Relevant Taxing Jurisdiction;

(c) any estate, inheritance, gift, sales, excise, transfer, personal property or similar Taxes;

(d) any Tax that is payable other than by deduction or withholding from payments made under or with respect to any Note or Guarantee;

(e) any Tax which would not have been so imposed but for the presentation for payment (where presentation is required in order to receive payment) by the Holder or beneficial owner of a Note on a date more than 30 days after the date on which such payment becomes due and payable or the date on which payment thereof is duly provided for, whichever occurs later, except to the extent that the Holder or beneficial owner would have been entitled to such Additional Amounts on presenting the same for payment on any day (including the last day) within such 30-day period;

(f) any Taxes that are imposed on or with respect to a payment made to a Holder or beneficial owner of Notes who would have been able to avoid such withholding or deduction by presenting the relevant Note for a payment to another paying agent in an EU Member State;

(g) any Taxes imposed on or with respect to any payment to a Holder if such Holder is a fiduciary, partnership, limited liability company or person other than the sole beneficial owner of such payment to the extent that Taxes would not have been imposed on such payment had such Holder been the sole beneficial owner of such Note; or

(h) any Taxes that are imposed or withheld pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), any regulations or other official guidance thereunder or agreements (including any intergovernmental agreements or any laws, rules or practices implementing such intergovernmental agreements) entered into in connection therewith.

In addition, Additional Amounts will not be payable with respect to any Taxes that are imposed in respect of any combination of the above items.

The Issuer or the relevant Guarantor will make or cause to be made such withholding or deduction of Taxes required by law and will remit the full amount of Taxes so deducted or withheld to the relevant taxing authority in accordance with all applicable laws. The Issuer or the relevant Guarantor will use its reasonable efforts to obtain tax receipts from each such tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor will furnish to the Trustee (or to a Holder upon written request), within 30 days after the date on which the payment of any Taxes so deducted or withheld is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by the Issuer or the relevant Guarantor or if, notwithstanding the Issuer's or the relevant Guarantor's efforts to obtain such receipts, the same are not obtainable, other evidence reasonably satisfactory to the Trustee of such payment by the Issuer or the relevant Guarantor.

At least 30 calendar days prior to the date on which any payment under or with respect to the Notes is due and payable, if the Issuer or a Guarantor becomes aware that it will be obliged to pay Additional Amounts with respect to such payment (unless such obligation to pay Additional Amounts arises after the 45th day prior to the date on which payment under or with respect to the Notes is due and payable, in which case it will notify the Trustee promptly thereafter), the Issuer or the relevant Guarantor will deliver to the Trustee an Officer's Certificate stating that such Additional Amounts will be payable and the amounts estimated to be so payable and setting forth such other information as is necessary to enable the Paying Agent to pay such Additional Amounts to the holders on the payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely solely on such Officer's Certificate described above as conclusive proof that such payments are necessary.

In addition to the foregoing, the Issuer or the relevant Guarantor will indemnify the applicable holder for any present or future stamp, issue, registration, transfer, documentation, court, excise or property taxes or other similar taxes, charges and duties, including interest, penalties and Additional Amounts with respect thereto, levied by (i) any Relevant Taxing Jurisdiction on the execution, issue, delivery or registration of the Notes, the Indenture, the Guarantees or any other document or instrument referred to therein (other than, in each case, on or in connection with a transfer of the Notes); (ii) any Relevant Taxing Jurisdiction on any payments with respect to the Notes, the Indenture, the Guarantees or any other document or instrument referred to therein (limited to any such taxes, charges or duties that are not excluded under clauses (a) through (c) or (e) through (h) above or any combination thereof) and (iii) any jurisdiction as a result of, or in connection with, the enforcement of the Notes, the Indenture, the Guarantees or any other document or instrument referred to therein following the occurrence of any Event of Default with respect to the Notes.

The foregoing provisions will survive any termination, defeasance or discharge of the Indenture and will apply *mutatis mutandis* to any jurisdiction in which any successor Person to the Issuer or any Guarantor is then organized, engaged in business or resident for tax purposes or from or through which payment on the Notes or the Guarantees is made by or on behalf of such Person and any political subdivision or governmental authority thereof or therein having the power to tax.

Whenever in the Indenture, this Offering Memorandum or this "*Description of the Notes*", there is mentioned, in any context, the payment of principal (and premiums, if any), redemption price, interest or any other amount payable under or with respect to any Note (including payments thereof made pursuant to any Guarantee), such mention will be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are or would be payable in respect thereof.

Optional Redemption

At any time prior to July 6, 2024, upon not less than 10 nor more than 60 days' notice, the Issuer may on any one or more occasions redeem all or part of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Redemption Premium as of, and accrued and unpaid interest and Additional Amounts, if any, to, the date of redemption, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date.

At any time prior to July 6, 2024, upon not less than 10 nor more than 60 days' notice, the Issuer may also redeem up to 40% of the aggregate principal amount of Notes at a redemption price of 101.80% of their principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to the redemption date, with the proceeds from one or more Equity Offerings. The Issuer may only do this, however, if:

(a) at least 60% of the aggregate principal amount of Notes that were initially issued would remain outstanding immediately after the proposed redemption; and

(b) the redemption occurs within 120 days after the closing of such Equity Offering.

Notice of any redemption upon any Equity Offering may be given prior to the completion thereof, and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering.

Redemption upon Changes in Withholding Taxes

The Issuer may, at its option, redeem the Notes, in whole but not in part, at any time upon giving not less than 10 nor more than 60 days' notice to the Holders (which notice shall be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest thereon, if any, to the redemption date and all Additional Amounts, if any, then due and which will become due on the date of redemption as a result of the redemption or otherwise (subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date and Additional Amounts, if any, in respect thereof), if the Issuer or any Guarantor is or, on the next date on which any amount would be payable in respect of the Notes or the Guarantees, would be obliged to pay Additional Amounts (but, in the case of any Guarantor, only if such amount cannot be paid by the Issuer or another Guarantor who can pay such amount, through the use of reasonable measures available to it, without the obligation to pay Additional Amounts) in respect of the Notes or the Guarantees pursuant to the terms and conditions thereof, which obligation the Issuer or the relevant Guarantor cannot avoid by the use of reasonable measures available to it (including making payment through a paying agent located in another jurisdiction where this would be reasonable) as a result of:

(a) any change in, or amendment to, the laws or treaties (or any regulations or rulings promulgated thereunder) of any Relevant Taxing Jurisdiction affecting taxation which becomes effective on or after the date of the Indenture (or, if such Relevant Taxing Jurisdiction has become a Relevant Taxing Jurisdiction after the date of the Indenture, on or after the date on which such Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction under the Indenture); or

(b) any change in, or amendment to, or introduction of, an official written position regarding the application or administration or interpretation of the laws, treaties, regulations or rulings of any Relevant Taxing Jurisdiction (including a holding, judgment or order by a court of competent jurisdiction) which becomes effective on or after the date of the Indenture (or, if

such Relevant Taxing Jurisdiction has become a Relevant Taxing Jurisdiction after the date of the Indenture, on or after the date on which such Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction under the Indenture) (each of clause (a) above and this clause (b), a "**Change in Tax Law**").

Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 60 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obligated to make such payment of Additional Amounts if a payment in respect of the Notes or the Guarantee were then due and (b) unless at the time such notice is given, the obligation to pay Additional Amounts remains in effect.

Prior to the publication or, where relevant, mailing of any notice of redemption pursuant to the foregoing, the Issuer will deliver to the Trustee:

(a) an Officer's Certificate stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to so redeem have occurred (including that such obligation to pay such Additional Amounts cannot be avoided by the Issuer or the relevant Guarantor taking reasonable measures available to it); and

(b) an opinion of independent tax counsel of recognized standing, qualified under the laws of the Relevant Taxing Jurisdiction and reasonably satisfactory to the Trustee to the effect that the Issuer or the relevant Guarantor, as the case may be, is or would be obliged to pay such Additional Amounts as a result of a Change in Tax Law.

The Trustee will accept and shall be entitled to rely on such Officer's Certificate and opinion of independent tax counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described above, in which event it will be conclusive and binding on the Holders.

The foregoing provisions will apply *mutatis mutandis* to any successor Person, after such successor Person becomes a party to the Indenture.

Selection and Notice of Optional Redemption

The Issuer will publish a notice of any optional redemption of the Notes described above in accordance with the provisions of the Indenture described under "*—Notices*." For so long as the Notes are listed on the Irish Stock Exchange and admitted for trading on the Global Exchange Market and its rules and regulations so require, the Issuer will inform the Irish Stock Exchange of the principal amount of the Notes that have not been redeemed in connection with any optional redemption. If less than all of the Notes are to be redeemed at any time, the Trustee or the Registrar, as applicable, will select Notes for redemption on a by lot basis (or, in case of Notes issued in global form as discussed under "*Book-entry, Delivery and Form*," based on a method that most nearly approximates by lot selection in accordance with the procedures of Euroclear and Clearstream), unless otherwise required by law or applicable stock exchange or depository requirements; *provided* that no such partial redemption will reduce the portion of the principal amount of a Note not redeemed to less than €100,000. Neither the Trustee nor the Registrar will be liable for selections made in accordance with this paragraph.

In connection with any redemption of Notes, any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice may state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

Mandatory Redemption; Offers to Purchase; Open Market Purchases

The Issuer is not required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Issuer may be required to offer to purchase the Notes as described under the captions "*—Certain Covenants—Change of Control*" and

"*—Certain Covenants—Limitation on Asset Sales*." The Issuer and the Restricted Subsidiaries may at any time and from time to time purchase Notes in the open market or otherwise.

In connection with any tender offer for the Notes at a price of at least 100.0% of the principal amount of the Notes tendered, plus accrued and unpaid interest thereon to, but excluding, the applicable tender settlement date, if holders of the Notes of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any third party making such a tender offer in lieu of the Issuer, purchases, all of the Notes validly tendered and not withdrawn by such holders, the Issuer or (with the approval of the Issuer) such third-party will have the right upon not less than 10 nor more than 60 days' notice, given not more than 30 days following such tender offer expiration date, to redeem the Notes that remain outstanding in whole, but not in part, following such purchase at a price equal to the price offered to each other holder of the Notes in such tender offer, plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but not including, such redemption date.

Certain Covenants

The Indenture will contain, among others, the following covenants.

Limitation on Debt

(1) The Issuer will not, and will not permit any Restricted Subsidiary to, create, issue, incur, assume, guarantee or in any manner become directly or indirectly liable with respect to or otherwise become responsible for, contingently or otherwise, the payment of (individually and collectively, to "**Incur**" or, as appropriate, an "**Incurrence**"), any Debt (including any Acquired Debt); *provided* that the Issuer and any Restricted Subsidiary will be permitted to Incur Debt (including Acquired Debt) if:

(a) at the time of such Incurrence and after giving effect to the Incurrence of such Debt (including Acquired Debt) and the application of the proceeds thereof, on a *pro forma* basis, the Consolidated Fixed Charge Coverage Ratio for the four full fiscal quarters for which financial statements are available immediately preceding the Incurrence of such Debt (including Acquired Debt), taken as one period, would be greater than 2.0 to 1.0; and

(b) the debt to be Incurred is Senior Secured Debt, at the time of such Incurrence and after giving effect to the Incurrence of such Debt and the application of the proceeds thereof, on a *pro forma* basis, the Consolidated Senior Secured Leverage Ratio for the four full fiscal quarters for which financial statements are available immediately preceding the Incurrence of such Debt, taken as one period, is less than 3.5 to 1.0.

Notwithstanding the foregoing, but subject to the last proviso of paragraph (2) of this covenant, Non-Guarantor Restricted Subsidiaries may not Incur Debt pursuant to this paragraph (1) unless, at the time of such Incurrence and after giving effect to the Incurrence of such Debt and the application of the proceeds thereof, on a *pro forma* basis, the Consolidated Non-Guarantor Leverage Ratio for the four full fiscal quarters for which financial statements are available immediately preceding the Incurrence of such Debt, taken as one period, is less than 0.75 to 1.0.

(2) This "*Limitation on Debt*" covenant will not, however, prohibit the following (collectively, "**Permitted Debt**"):

(a) the Incurrence by the Issuer or any Restricted Subsidiary of Debt under Credit Facilities in an aggregate principal amount at any one time outstanding not to exceed the greater of €400.0 million and 22.3% of Consolidated Total Assets; *provided* that the aggregate principal amount of outstanding Debt that is permitted to be Incurred by a Non-Guarantor Restricted Subsidiary pursuant to this clause (a), including all Debt incurred to renew, refund, refinance, replace, defease or discharge any such Debt, shall not exceed the greater of €62.5 million and 4.5% of Consolidated Total Assets; *plus*, in the case of any refinancing of any Debt permitted under this clause (a) (including Debt permitted to be incurred by Non-Guarantor Restricted Subsidiaries) or any portion thereof, the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses Incurred in connection with such refinancing;

(d) the Incurrence by the Issuer or any Restricted Subsidiary of intercompany Debt between the Issuer and any Restricted Subsidiary or between or among Restricted Subsidiaries; *provided* that:

(i) if the Issuer or a Guarantor is the obligor on any such Debt and the lender of such debt is not the Issuer or a Guarantor, such Debt is (except in respect of the intercompany current liabilities incurred in the ordinary course of business in connection with the cash management operations of the Issuer and its Restricted Subsidiaries) expressly subordinated in right of payment to the prior payment in full in cash (whether upon Stated Maturity, acceleration or otherwise) and the performance in full of its obligations under the Notes or its Guarantee, as the case may be; and

(ii) (x) any disposition, pledge or transfer of any such Debt to any Person (other than a disposition, pledge or transfer to the Issuer or a Restricted Subsidiary) and (y) any transaction pursuant to which any Restricted Subsidiary that has Debt owing to the Issuer or another Restricted Subsidiary ceases to be a Restricted Subsidiary, will, in each case, be deemed to be an Incurrence of such Debt not permitted by this clause (d);

(t) subject to the final proviso of this paragraph (2), the Incurrence by the Issuer or any Restricted Subsidiary of Debt (other than and in addition to Debt permitted under clauses (a) through (s) above) in an aggregate principal amount at any one time outstanding, including all Debt incurred to renew, refund, refinance, replace, defease or discharge any Debt Incurred pursuant to this clause (t), not to exceed the greater of €56.0 million and 4.0% of Consolidated Total Assets;

provided, *however*, *that* notwithstanding anything to the contrary contained herein, Non-Guarantor Restricted Subsidiaries may not Incur Debt pursuant to clauses (s) and (t) of this paragraph (2) unless, at the time of such Incurrence and after giving effect to the Incurrence of such Debt and the application of the proceeds thereof, on a *pro forma* basis, the Consolidated Non-Guarantor Leverage Ratio for the four full fiscal quarters for which financial statements are available immediately preceding the Incurrence of such Debt, taken as one period, is less than 0.75 to 1.0.

Notwithstanding the foregoing, in the event that the Issuer or any Guarantor provided letters of credit pursuant to any Credit Facility supporting other Debt of the Issuer or any Restricted Subsidiary, such other Debt shall not be included for purposes of determining any particular Incurrence of Debt.

(3) For purposes of determining compliance with this "*Limitation on Debt*" covenant, in the event that an item of Debt meets the criteria of more than one of the categories of Permitted Debt described in clauses (a) through (t) of paragraph (2), or is entitled to be Incurred pursuant to paragraph (1) of this "*Limitation on Debt*" covenant, the Issuer will be permitted to classify such item of Debt on the date of its Incurrence in any manner that complies with this "*Limitation on Debt*" covenant. Debt under the Revolving Credit Facilities outstanding on the Issue Date will initially be deemed to have been Incurred on such date in reliance on the exception provided by clause (a) of paragraph (2) above. Any item of Debt initially classified as Incurred pursuant to one of the categories of Permitted Debt described in clauses (a) through (t) (other than (c) and (r) of paragraph (2) above), or is entitled to be Incurred pursuant to paragraph (1) of this "*Limitation on Debt*" covenant, may later be reclassified by the Issuer such that it will be deemed as having been Incurred pursuant to any other applicable clause of paragraph (2) or paragraph (1) of this "*Limitation on Debt*" covenant to the extent that such reclassified Debt could be Incurred pursuant to such other clause of paragraph (2) or paragraph (1) of this "*Limitation on Debt*" covenant at the time of such reclassification.

(4) For purposes of determining compliance with any restriction on the Incurrence of Debt in euros where Debt is denominated in a different currency, the amount of such Debt will be the Euro Equivalent determined on the date such Debt was Incurred (in the case of term Debt) or committed (in the case of revolving Debt), or the Issue Date, in the case of Debt outstanding as of the Issue Date; *provided* that if any such Debt denominated in a different currency is subject to a Hedging Agreement (with respect to euros) covering principal amounts payable on such Debt, the amount of such Debt expressed in euros will be adjusted to take into account the effect of such agreement. The principal amount of any Permitted Refinancing Debt Incurred in the same currency as the Debt being refinanced will be the Euro Equivalent of the Debt being refinanced determined on the date such Debt being refinanced was initially Incurred. If any Debt is incurred to refinance any Debt denominated in a currency other than euro, and such refinancing would cause the applicable euro denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such euro-denominated restriction will be deemed to not have been exceeded so long as the amount of such Permitted Refinancing Debt does not exceed the amount set forth in clause (a) of the definition of Permitted Refinancing Debt under "*—Certain Definitions*". Notwithstanding any other provision of this "*Limitation on Debt*" covenant, for purposes of determining compliance with this "*Limitation on Debt*" covenant, increases in Debt solely due to fluctuations in the exchange rates of currencies will not be deemed to exceed the maximum amount that the Issuer or a Restricted Subsidiary may Incur under this "*Limitation on Debt*" covenant.

(5) For purposes of determining any particular amount of Debt under this "*Limitation on Debt*" covenant:

(a) obligations in the form of letters of credit, guarantees or Liens, in each case supporting Debt otherwise included in the determination of such particular amount;

(b) any Liens granted pursuant to the equal and ratable provisions referred to in the "*Limitation on Liens*" covenant; and

(c) accrual of interest, accrual of dividends, the accretion or amortization of original issue discount or of accreted value, the obligation to pay commitment fees and the payment of interest or dividends in the form of additional Debt,

will not, in any case, be treated as Debt.

(6) Notwithstanding any other provision of this covenant, the maximum amount of Debt that the Issuer or any Restricted Subsidiary may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values. The amount of any Debt outstanding as of any date will be:

(a) in the case of any Debt issued with original issue discount, the amount of the liability in respect thereof determined in accordance with IFRS;

(b) the principal amount of the Debt, in the case of any other Debt; and

(c) in respect of Debt of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(i) the Fair Market Value of such assets at the date of determination; and

(ii) the amount of the Debt of the other Person.

Limitation on Restricted Payments

Notes Issue Date, an amount (to the extent not included in Consolidated Net Income) equal to the Fair Market Value of such Unrestricted Subsidiary or Investment, excluding the amount of any Investment in such Unrestricted Subsidiary that constituted a Permitted Investment or a Restricted Payment made pursuant to clauses (h) or (q) of the definition of Permitted Investment under "—*Certain Definitions*" or that was a Restricted Payment made pursuant to clause (o) of paragraph (3) below; *plus*

(vii) % of any dividends or distributions received by the Issuer or a Restricted Subsidiary after the 2015 Notes Issue Date from an Unrestricted Subsidiary, to the extent that such dividends or distributions were not otherwise included in the Consolidated Net Income of the Issuer for such period.

(3) Notwithstanding paragraphs (1) and (2) above, the Issuer and any Restricted Subsidiary may take the following actions:

Neither the Issuer nor any Guarantor will Incur any Debt (including Permitted Debt) that is contractually subordinated in right of payment to any other Debt of the Issuer or such Guarantor unless such Debt is also contractually subordinated in right of payment to the Notes and the applicable Guarantee on substantially identical terms; *provided*, *however*, that no Debt will be deemed to be contractually subordinated in right of payment to any other Debt of the Issuer or any Guarantor solely by virtue of being unsecured or by virtue of being secured with different collateral or by virtue of being secured on a first or junior Lien basis.

Limitation on Transactions with Affiliates

(1) The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into any transaction or series of related transactions (including, without limitation, the sale, purchase, exchange or lease of assets or property or the rendering of any service), with any Affiliate of the Issuer or any other Restricted Subsidiary having a value greater than the greater of €5.0 million and 0.3% of Consolidated Total Assets unless such transaction or series of transactions is entered into in good faith and:

(a) such transaction or series of transactions is on terms that, taken as a whole, are not materially less favorable to the Issuer or such Restricted Subsidiary, as the case may be, than those that could have been obtained in a comparable arm's length transaction with third parties that are not Affiliates;

(b) with respect to any transaction or series of related transactions involving aggregate payments or the transfer of assets or the provision of services, in each case, having a value greater than the greater of €15.0 million and 1.0% of Consolidated Total Assets, such transaction or transactions have been approved by a majority of the Disinterested Members, if any, of the Board of Directors resolving that such transaction complies with clause (a) above; and

(c) with respect to any transaction or series of related transactions involving aggregate payments or the transfer of assets or the provision of services, in each case, having a value greater than the greater of €30.0 million and 2.1% of Consolidated Total Assets, the Issuer will deliver to the Trustee a written opinion of an Independent Financial Advisor stating that the transaction or series of transactions is (x) fair to the Issuer or such Restricted Subsidiary from a financial point of view, taking account of all relevant circumstances or (y) on terms not less favorable than might have been obtained in a comparable transaction at such time on an arm's length basis from a Person who is not an Affiliate.

(2) Notwithstanding the foregoing, the restrictions set forth in this description will not apply to:

(i) any directors' fees and similar arrangements (including the payment of directors' and officers' insurance premiums), consulting fees, employee compensation, collective bargaining or similar arrangements, employee and director bonuses, employment or consulting agreements and arrangements or employee benefit arrangements, including stock options, stock appreciation rights or similar equity or equity-like incentives or legal fees entered into in the ordinary course of business, and indemnification provided to, and the payment of reasonable and customary fees and reimbursements of expenses of, officers, directors, employees or consultants of the Issuer or any of its Restricted Subsidiaries;

(ii) any Permitted Investment (other than pursuant to clauses (c), (h), (j) (to the extent such guarantee, keepwell or similar arrangement is in respect of Debt of a Person that is not the Issuer or a Restricted Subsidiary) or (r) of the definition thereof under "*—Certain Definitions*") or any Restricted Payment not prohibited by the "*—Limitation on Restricted Payments*" covenant;

(iii) loans and advances to officers, directors and employees (or any amendment or transaction with respect thereto), in each case (X) in the ordinary course of business or consistent with past practices, (Y) to fund such Person's purchase of Capital Stock of the Issuer or any direct or indirect Holding Company thereof, if the proceeds of any such loans to purchase Capital Stock under this clause (iii) are either received by the Issuer or contributed by such Holding Company of the Issuer and are excluded from the calculation under clause (c)(ii) of paragraph (2) of "*—Limitation on Restricted Payments*" above except to the extent such loans are actually repaid or (Z) otherwise in an aggregate amount not to exceed €2.5 million outstanding at any one time under this clause (iii);

(iv) agreements and arrangements existing on the Issue Date (including the agreements, arrangements and courses of dealing described under the caption "*Certain Relationships and Related Party Transactions*") and any amendment, modification, extension or supplement thereto; *provided* that any such amendment, modification, extension or supplement to the terms thereof, taken as a whole, is not materially more disadvantageous to the Holders and to the Issuer and the Restricted Subsidiaries, as applicable, than the original agreement or arrangement as in effect on the Issue Date;

(v) the issuance of securities pursuant to, or for the purpose of the funding of, employment arrangements, stock options and stock ownership plans, as long as the terms thereof are or have been previously approved by the Issuer's Board of Directors;

(vi) the granting and performance of registration or similar rights for the Issuer's securities;

(vii) transactions between or among the Issuer and the Restricted Subsidiaries or between or among Restricted Subsidiaries or any Person (other than an Unrestricted Subsidiary), including joint ventures, that is an affiliate of the Issuer or Restricted Subsidiary solely because the Issuer or Restricted Subsidary owns, directly or indirectly through a Restricted Subsidiary, Capital Stock of, or controls, such Person;

(viii) (a) any issuance of Capital Stock (other than Redeemable Capital Stock) of the Issuer or any Incurrence of or amendment to any Subordinated Shareholder Funding, and (b) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement (including any purchase agreement relating thereto);

(ix) transactions with customers, clients, lenders, suppliers, purchasers or sellers or other providers of goods or services, lessors or lessees of property, providers of employees or other labor or joint venture partners or Unrestricted Subsidiaries, in each case, in the ordinary course of business and otherwise in compliance with the terms of the Indenture that are fair to the Issuer or the Restricted Subsidiaries or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated Person (in each case, in the reasonable determination of members of the Board of Directors of the Issuer or Restricted Subsidiary or the senior management thereof);

(x) Permitted Payments to Holding Company and any payments by the Issuer or any Restricted Subsidiaries to the Permitted Holders for any customary financial advisory, financing,

underwriting or placement services or in respect of other investing banking activities, including without limitation in connection with acquisitions or divestitures or any indemnification payments made as a result thereof, which payments are approved by a majority of the Issuer's Board of Directors in good faith;

(xi) any purchases by the Issuer's Affiliates of Debt or Redeemable Capital Stock of the Issuer or any of its Restricted Subsidiaries the majority of which Debt or Redeemable Capital Stock is purchased by Persons who are not the Issuer's Affiliates; *provided* that such purchases by the Issuer's Affiliates are on the same terms as such purchases by such Persons who are not the Issuer's Affiliates;

(xii) without duplication, payments pursuant to the tax sharing arrangements permitted under clause (i) of paragraph (3) under the caption "*—Limitation on Restricted Payments*" above;

(xiii) transactions in which the Issuer or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (a) of paragraph (1) above;

(xiv) any transaction effected as part of a Qualified Receivables Transaction; and

(xv) transactions effected pursuant to or contemplated by agreements or arrangements between any Person and an Affiliate of such Person existing at the time such Person is acquired by, merged into or amalgamated, arranged or consolidated with the Issuer or any of its Restricted Subsidiaries; *provided* that such agreements or arrangements were not entered into in contemplation of such acquisition, merger, amalgamation, arrangement or consolidation, and that any amendment, modification, extension or supplement to the terms thereof, taken as a whole, is not materially more disadvantageous to the Holders and to the Issuer and the Restricted Subsidiaries, as applicable, than the original agreements or arrangements as in effect on the date of such acquisition, merger, amalgamation, arrangement or consolidation.

Limitation on Liens

The Issuer will not and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind securing Debt upon any of their property or assets, now owned or hereafter acquired, except (1) in the case of any property or asset that does not constitute Collateral, (x) Permitted Liens or (y) Liens on property or assets that are not Permitted Liens (the "**Initial Lien**") if payments due under the Notes and the Indenture are directly secured equally and ratably with (or in the case of Subordinated Debt, prior or senior thereto with the same relative priority as the Notes or such Guarantee, as applicable, shall have with respect to such Subordinated Debt) the obligations secured by the Initial Lien for so long as such obligations are so secured, and (2) in the case of any property or asset that constitutes Collateral, Permitted Collateral Liens.

Any Lien created for the benefit of the Holders pursuant to this covenant will provide by its terms that such Lien will be automatically and unconditionally released and discharged (a) upon the release and discharge of the Initial Lien other than as a consequence of an enforcement action with respect to the assets subject to such Lien or (b) as set forth under the caption "*Security—Releases*."

Change of Control

(1) If a Change of Control occurs at any time, than the Issuer will make an offer (a "**Change of Control Offer**") to each Holder of Notes to purchase such Holder's Notes, in whole or in part, in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof (*provided* that Notes of €100,000 or less may only be redeemed in whole and not in part) at a purchase price (the "**Change of Control Purchase Price**") in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of purchase (the "**Change of Control Purchase Date**").

(2) Within 30 days following any Change of Control, the Issuer will:

(a) cause a notice of the Change of Control Offer to be published, if at the time of such notice the Notes are listed on the Irish Stock Exchange and admitted to trading on the Global Exchange

Market and to the extent that the rules and regulations of the Irish Stock Exchange so require, in the *Irish Times* (or another leading newspaper of general circulation in Ireland) or, to the extent and in the manner permitted by such rules and regulations, posted on the official website of the Irish Stock Exchange (*www.ise.ie*); and

(b) send notice of the Change of Control Offer by first class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the security register, which notice will state:

(i) that a Change of Control has occurred and the date it occurred;

(ii) the transaction or transactions giving rise to the Change of Control;

(iii) the Change of Control Purchase Price and the Change of Control Purchase Date, which will be a Business Day no earlier than 30 days nor later than 60 days after the date such notice is mailed, or such later date as is necessary to comply with any requirements under applicable securities laws or regulations;

(iv) that any Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Purchase Date unless the Change of Control Purchase Price is not paid on such date;

(v) that any Note or part thereof not tendered will continue to accrue interest; and

(vi) any other procedures that a Holder of Notes must follow to accept a Change of Control Offer or to withdraw such acceptance (which procedures may also be performed at the office of the Paying Agent in New York as long as the Notes are listed on the Irish Stock Exchange and admitted to trading on the Global Exchange Market and to the extent that the rules and regulations of the Irish Stock Exchange so require).

(3) The Trustee (or an authenticating agent appointed by it), upon receipt of an authenticating order from the Issuer, will promptly authenticate and deliver a new Note or Notes in a principal amount equal to any unpurchased portion of Notes surrendered, if any, to the Holder of Notes in global form or to each Holder of certificated Notes; *provided* that each such new Note will be in a principal amount of €100,000 or in integral multiples of €1,000 in excess thereof; *provided* that no Holder may tender any Notes if as a result of such tender, such Holder would hold less than €100,000 of Notes. The Issuer will publicly announce the results of a Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(4) The Issuer will not be required to make a Change of Control Offer following a Change of Control if a third party has made, and not terminated, a tender offer for all of the Notes in the manner and at the times applicable to a Change of Control Offer, at a tender offer purchase price in cash equal to at least 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, and such third party purchases all of the Notes validly tendered and not withdrawn under such tender offer. In addition, the Issuer will not be required to make a Change of Control Offer if the Issuer has, prior to the time that is required to send a notice of the Change of Control Offer to the Trustee pursuant to paragraph (2) above, delivered notice to the Trustee of its intention to redeem Notes as described under the heading "*—Optional Redemption*."

The Issuer and the Guarantors will comply with the applicable tender offer rules under applicable securities laws and regulations in connection with a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with provisions of the Indenture, the Issuer and the Guarantors will comply with such applicable securities laws and regulations and will not be deemed to have breached their obligations under the Indenture by virtue of such conflict.

The Revolving Credit Facility Agreement provides that, upon the occurrence of a change of control (as defined therein), the Revolving Credit Facilities will be canceled and all amounts outstanding thereunder will be immediately due and payable. The Issuer's future debt and the future debt of its Subsidiaries may also contain descriptions of certain events that, if they occurred, would require such debt to be repurchased. In addition, the exercise by the Holders of their right to require a repurchase of the Notes upon a Change of Control could cause a default under one or more of the Revolving Credit Facilities or any such future debt, even if the Change of Control itself does not, due to the possible financial effect on the Issuer or the Guarantors of such repurchase.

Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, and may be conditioned upon the consummation of such

Change of Control, if a definitive agreement is in place providing for the Change of Control at the time of Change of Control Offer is made.

The provisions of the Indenture will not give Holders the right to require the repurchase of the Notes in the event of certain transactions including a reorganization, restructuring, merger or similar transaction that may adversely affect Holders, if such transaction is not a transaction defined as a Change of Control. Any such transaction, however, would have to comply with the applicable provisions of the Indenture, including those described under "*—Limitation on Debt*." The existence, however, of a Holder's right to require the Issuer to repurchase such Holder's Notes upon a Change of Control may deter a third party from acquiring the Issuer or any of its Subsidiaries if such acquisition would constitute a Change of Control.

If a Change of Control Offer is made, the Issuer will not be able to provide any assurance that it will have available funds sufficient to pay the Change of Control Purchase Price for all the Notes that might be delivered by Holders seeking to accept the Change of Control Offer. Even if sufficient funds were available, the terms of the other debt of the Issuer and its Subsidiaries may prohibit the repurchase of the Notes prior to their scheduled maturity. If the Issuer were not able to prepay any debt containing any such restrictions, or obtain requisite consents, the Issuer would be unable to fulfill its repurchase obligations to Holders who accept the Change of Control Offer. If a Change of Control Offer was not made or consummated or the Change of Control Purchase Price was not paid when due, such failure would result in an Event of Default and would give the Trustee and the Holders the rights described under "*—Events of Default*." An Event of Default under the Indenture, unless waived, would result in a cross default under certain of the financing arrangements described under "*Description of Certain Financing Arrangements*," including under the Revolving Credit Facilities.

The definition of Change of Control includes a disposition of all or substantially all of the assets of the Issuer and the Restricted Subsidiaries to any Person. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of such phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Issuer and the Restricted Subsidiaries. As a result, it may be unclear as to whether a Change of Control has occurred and whether a Holder of Notes may require the Issuer to make an offer to repurchase the Notes as described above.

The provisions of the Indenture relating to the Issuer's obligation to make an offer to repurchase the Notes following a Change of Control may be waived or modified with the prior written consent of the Holders of a majority in principal amount of the Notes prior to or following the occurrence of the Change of Control. Please see the caption "*—Amendments and Waivers*."

Limitation on Asset Sales

(1) The Issuer will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale unless:

   (a) the consideration the Issuer or such Restricted Subsidiary receives for such Asset Sale is not less than the Fair Market Value of the assets sold (as determined by the Issuer's Board of Directors); and

   (b) at least 75% of the consideration the Issuer or such Restricted Subsidiary receives in respect of such Asset Sale consists of:

      (i) cash (including any Net Cash Proceeds received from the conversion within 180 days of such Asset Sale of securities, notes or other obligations received in consideration of such Asset Sale);

      (ii) Cash Equivalents;

      (iii) the assumption by the purchaser of (x) any liabilities recorded on the Issuer's or such Restricted Subsidiary's balance sheet or the footnotes thereto (other than contingent liabilities and Subordinated Debt), as a result of which neither the Issuer nor any of the Restricted Subsidiaries remains obliged in respect of such liabilities or (y) Debt (other than Subordinated Debt) of a Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, if the Issuer and each other Restricted Subsidiary is released from any guarantee of such Debt as a result of such Asset Sale;

(iv) any Capital Stock or assets of the kind referred to in clause (c) or (e) of paragraph (2) of this covenant;

(v) consideration consisting of Debt (other than Subordinated Debt) of the Issuer or any Guarantor received from Persons who are not the Issuer or any Restricted Subsidiary, but only to the extent that such Debt is extinguished by the Issuer or the applicable Guarantor;

(vi) any Designated Non-Cash Consideration received by the Issuer or any Restricted Subsidiary, having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this covenant that is at any one time outstanding, not to exceed the greater of €25.0 million and 1.8% of Consolidated Total Assets (with the Fair Market Value of each issue of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value);

(vii) accounts receivable of a business retained by the Issuer or any Restricted Subsidiary, as the case may be, following the sale of such business; or

(viii) a combination of the consideration specified in clauses (i) through (vii) of this clause (b).

(2) If the Issuer or any Restricted Subsidiary consummates an Asset Sale, the Net Cash Proceeds of the Asset Sale, within 365 days of the later of (i) the date of the consummation of such Asset Sale and (ii) the receipt of such Net Cash Proceeds, may be used by the Issuer or such Restricted Subsidiary to:

(a) repay or prepay any then outstanding Senior Debt (i) that is Pari Passu Debt incurred under a Credit Facility (excluding Public Debt); (ii) of a Non-Guarantor Restricted Subsidiary; (iii) that is secured by a Lien on assets or property which were the subject of the Asset Sale and which did not constitute Collateral; (iv) that is Pari Passu Debt (other than as set forth in clause (a)(i)); *provided* that, in the case of this clause (iv), the Issuer (or the Issuer or its applicable Restricted Subsidiary) shall make an offer to all Holders on a *pro rata* basis to purchase their Notes in accordance with the provisions set forth below for an Excess Proceeds Offer;

(b) redeem Notes or purchase Notes pursuant to an offer to all Holders at a purchase price equal to at least 100% of the principal amount thereof, plus accrued and unpaid interest (at the option of the Issuer or Restricted Subsidiary);

(c) acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary;

(d) make a capital expenditure;

(e) acquire other assets (other than Capital Stock and cash or Cash Equivalents) not classified as current assets under IFRS that are used or useful in a Permitted Business;

(f) any combination of the foregoing; or

(g) enter into a binding commitment to apply the Net Cash Proceeds pursuant to clause (c), (d) or (e) of this paragraph (2), provided that, a binding commitment shall be treated as a permitted application of the Net Cash Proceeds from the date of such commitment until the earlier of (x) the date on which such investment is consummated and (y) the 180th day following the expiration of the aforementioned 365-day period, if the investment has not been consummated by that date.

The amount of such Net Cash Proceeds not so used as set forth in this paragraph (2) constitutes "**Excess Proceeds**." Pending the final application of any such Net Cash Proceeds, the Issuer may temporarily reduce revolving credit borrowings or otherwise use such Net Cash Proceeds in any manner that is not prohibited by the terms of the Indenture.

(3) When the aggregate amount of Excess Proceeds exceeds the greater of €15.0 million and 1.0% of Consolidated Total Assets, the Issuer will, within 15 Business Days of the end of the applicable period in paragraph (2) above, make an offer to purchase (an "**Excess Proceeds Offer**") from all Holders and from the holders of any Pari Passu Debt, to the extent required by the terms thereof,

on a *pro rata* basis, in accordance with the procedures set forth in the Indenture or the agreements governing any such Pari Passu Debt, the maximum principal amount (expressed as a minimum amount of €100,000 and integral multiples of €1,000 in excess thereof) of the Notes and any such Pari Passu Debt that may be purchased with the amount of the Excess Proceeds. The offer price as to each Note and any such Pari Passu Debt will be payable in cash in an amount equal to (solely in the case of the Notes) 100% of the principal amount of such Note and (solely in the case of Pari Passu Debt) no greater than 100% of the principal amount (or accreted value, as applicable) of such Pari Passu Debt, plus, in each case, accrued and unpaid interest, if any, to the date of purchase.

To the extent that the aggregate principal amount of Notes and any such Pari Passu Debt tendered pursuant to an Excess Proceeds Offer is less than the aggregate amount of Excess Proceeds, the Issuer may use the amount of such Excess Proceeds not used to purchase Notes and Pari Passu Debt for purposes that are not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and any such Pari Passu Debt validly tendered and not withdrawn by holders thereof exceeds the aggregate amount of Excess Proceeds, the Notes and any such Pari Passu Debt to be purchased will be selected by the Registrar or the Paying Agent on a *pro rata* basis (based upon the principal amount of Notes and the principal amount or accreted value of such Pari Passu Debt tendered by each holder). Upon completion of each such Excess Proceeds Offer, the amount of Excess Proceeds will be reset to zero.

(4) If the Issuer is obliged to make an Excess Proceeds Offer, the Issuer will purchase the Notes and Pari Passu Debt, at the option of the holders thereof, in whole or in part in a minimum amount of €100,000 and integral multiples of €1,000 in excess thereof on a date that is not later than 60 days from the date the notice of the Excess Proceeds Offer is given to such holders, or such later date as may be required under applicable securities laws and regulations.

If the Issuer is required to make an Excess Proceeds Offer, the Issuer will comply with the applicable tender offer rules under applicable securities laws and regulations, including the requirements of any applicable securities exchange on which Notes are then listed. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this "*Limitation on Asset Sales*" covenant, the Issuer will comply with such securities laws and regulations and will not be deemed to have breached its obligations described in this "*Limitation on Asset Sales*" covenant by virtue thereof.

No Impairment of Security Interest

(1) Subject to paragraphs (2) and (3) below, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, take or knowingly or negligently omit to take, any action which action or omission might or would have the result of materially impairing any security interest with respect to any of the assets comprising the Collateral for the benefit of the Holders (including the priority thereof), and the Issuer will not, and will not permit any of its Restricted Subsidiaries to, grant to any Person other than the Security Agent, for the benefit of the Trustee and the Holders and the other beneficiaries described in the Security Documents, the Intercreditor Agreement and any Additional Intercreditor Agreement any interest whatsoever in any of the Collateral; *provided* the Issuer and its Restricted Subsidiaries may Incur Permitted Collateral Liens in accordance with the Indenture.

(2) The Indenture will provide that, at the direction of the Issuer and without the consent of the Holders, the Trustee and the Security Agent shall from time to time enter into one or more amendments to the Security Documents to: (i) cure any ambiguity, mistake, omission, defect or inconsistency therein; (ii) provide for any Permitted Collateral Liens; (iii) add to the Collateral; (iv) evidence and provide for the acceptance of the appointment of a successor Trustee or Security Agent; (v) comply with the terms of the Intercreditor Agreement or any Additional Intercreditor Agreement; (vi) evidence the succession of another Person to the Issuer, a Guarantor or any security provider, as applicable, and the assumption by such successor of the obligations under the Indenture, the Notes, the Guarantees, the Intercreditor Agreement and the Security Documents, as applicable, in each case, in accordance with "*—Merger, Consolidation or Sale of Assets*" or "*—IPO Debt Pushdown*," as applicable; (vii) provide for the release of property and assets constituting Collateral from the Liens created under the Security Documents and/or the release of the Guarantee of a Guarantor, in each case, in accordance with (and if permitted by) the terms of

the Indenture; (viii) conform the Security Documents to this "*Description of the Notes*"; (ix) evidence and provide for the acceptance of the appointment of a successor Trustee or Security Agent; and (x) make any other change thereto that does not materially impair any security interest over any of the assets comprising the Collateral or otherwise adversely affect the Holders in any material respect; *provided*, *however*, that in the case of clauses (ii) and (x) above, no Security Document may be amended, extended, renewed, restated, supplemented, released (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets) or otherwise modified, unless contemporaneously with such amendment, extension, renewal, restatement, supplement, release and retaking, modification or renewal, the Issuer delivers to the Trustee, either:

(a) a solvency opinion, in form and substance reasonably satisfactory to the Trustee, from an Independent Financial Advisor confirming the solvency of the Issuer and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, release and retaking or modification;

(b) a certificate from the board of directors or chief financial officer of the relevant obligor (acting in good faith), in the form set forth as an exhibit to the Indenture, that confirms the solvency of the Person granting such Lien after giving effect to any transaction related to such amendment, extension, renewal, restatement, supplement, release and retaking or modification; or

(c) an Opinion of Counsel, in form and substance satisfactory to the Trustee (subject to customary qualifications and exceptions) confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, release and retaking or modification, the Lien or Liens securing the Notes created under the Security Documents as so amended, extended, renewed, restated, supplemented, released and retaken or modified remain valid and perfected Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, release and retaking or modification.

(3) Nothing in this "*No Impairment of Security Interest*" covenant will restrict the release or replacement of any security interests in compliance with the provisions set out under the caption "*—Security—Releases*" In the event that the Issuer complies with the requirements of this "*No Impairment of Security Interest*" covenant, the Trustee and/or the Security Agent (as the case may be) will consent to any such amendment, extension, renewal, restatement, supplement or modification without the need for instructions from the Holders.

(11) any outstanding fee arrangement between the Trustee and Samvardhana Motherson Automotive Systems Group B.V. is assumed by the IPO Debt Pushdown Entity.

Upon consummation of, or concurrently with, the IPO Debt Pushdown, the IPO Debt Pushdown Entity will succeed to, and be substituted for, and may exercise every right and power of, Samvardhana

Motherson Automotive Systems Group B.V. under the Indenture, the Notes and the Intercreditor Agreement, and upon such substitution, Samvardhana Motherson Automotive Systems Group B.V. will be released from its obligations under the Indenture and the Notes.

For the avoidance of doubt, (x) the Permanent Collateral (if prior to the Trigger Event Date) and (y) the Post-Trigger Event Share Pledges (as of and any time following the Trigger Event Date) shall secure the Notes and the relevant Guarantees following the IPO Debt Pushdown. There can be no assurance that a Qualifying IPO will occur.

If the Notes are then listed on the Irish Stock Exchange and admitted for trading on the Global Exchange Market, the Issuer will publish a notice of the consummation of an IPO Debt Pushdown in a newspaper having general circulation in Ireland (which is expected to be the *Irish Times*) or, to the extent and in the manner permitted by the Irish Stock Exchange, post such notice on the official website of the Irish Stock Exchange (*www.ise.ie*).

Limitation on Holding Company Activities

Prior to a Qualifying IPO, the Issuer must not carry on any business or own any assets other than:

(1) the ownership of Capital Stock of its Subsidiaries and other assets that are *de minimis* in nature; *provided* that the Issuer may from time to time receive in a transaction otherwise permitted under the Indenture and the Security Documents, properties and assets (including cash, Cash Equivalents, shares of Capital Stock of another Person and/or Debt and other obligations) for the purpose of transferring such properties and assets to any Holding Company, any Subsidiary or any other Person, so long as in any case such further transfer is made promptly by the Issuer and, after giving effect thereto, the Issuer is again in compliance with this clause;

(2) the provision of administrative services (excluding treasury services, but including the on-lending of monies to its Subsidiaries), legal, accounting and management services to its Subsidiaries (including, without limitation, the employment and provisions to Subsidiaries of management personnel) of a type customarily provided by a holding company to its Subsidiaries and the ownership of assets necessary to provide such services;

(3) the offering, sale, issuance and servicing, amendment, purchase, redemption, exchange, refinancing or retirement of the Notes, the 2015 Notes, the 2016 Notes, the Revolving Credit Facilities, or other Debt (or other items that are specifically excluded from the definition of Debt) permitted by the terms of the Indenture;

(4) the incurrence of Debt (or other items that are specifically excluded from the definition of Debt) permitted by the terms of the Indenture (including activities reasonably incidental thereto, including performance of the terms and conditions of such Debt (or other items that are specifically excluded from the definition of Debt), to the extent such activities are otherwise permissible under the Indenture), and the granting of Liens permitted under the covenant described above under the caption "*—Limitation on Liens*;"

(5) exercising rights and obligations arising under the Indenture, the Notes, the Intercreditor Agreement, , the 2015 Indenture, the 2015 Notes, the 2016 Indenture, the 2016 Notes, the Revolving Credit Facilities and any other Debt Incurred in accordance with the Indenture;

(7) making Investments in the Notes and other Debt Incurred in accordance with the Indenture;

(8) activities directly related or reasonably incidental to the establishment and/or maintenance of its or its Subsidiaries' corporate existence; and/or

(9) other activities not specifically enumerated above that are *de minimis* in nature.

Additional Guarantees

The Issuer will not cause or permit any of its Restricted Subsidiaries that are not Guarantors, directly or indirectly, to guarantee the payment of, assume or in any manner become liable with respect

to, any other Debt of the Issuer or a Guarantor under any Credit Facility unless such Restricted Subsidiary simultaneously executes and delivers to the Trustee a supplemental indenture providing for the Guarantee of the payment of the Notes by such Restricted Subsidiary, which Guarantee will be senior to or *pari passu* with such Restricted Subsidiary's Guarantee of such other Debt.

Each additional Guarantee will be limited as necessary to recognize certain defenses generally available to Guarantors (including those that relate to fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable law or regulation.

Notwithstanding the foregoing, the Issuer shall not be obligated to cause any Restricted Subsidiary to Guarantee the Notes to the extent that such Guarantee by such Restricted Subsidiary would reasonably be expected to give rise to or result in a violation of applicable law, regulation or order of a regulator which, in any case, cannot be prevented or otherwise avoided through measures reasonably available to the Issuer or the Restricted Subsidiary or any liability for the officers, directors or shareholders of such Restricted Subsidiary.

The Indenture will provide that any such additional Guarantee will be automatically and unconditionally released and discharged in the circumstances described under "*—Guarantees—Release of the Guarantees.*"

Limitation on Dividends and Other Payment Restrictions Affecting Restricted Subsidiaries

(1) The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction of any kind on the ability of any Restricted Subsidiary to:

   (a) pay dividends, in cash or otherwise, or make any other distributions on or in respect of its Capital Stock or any other interest or participation in, or measured by, its profits, in each case, to the Issuer or any Restricted Subsidiary;

   (b) pay any Debt owed to the Issuer or any other Restricted Subsidiary;

   (c) make loans or advances to the Issuer or any other Restricted Subsidiary; or

   (d) transfer any of its properties or assets to the Issuer or any other Restricted Subsidiary;

   provided that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill period to) loans or advances made to the Issuer or any Restricted Subsidiary to other Debt incurred by the Issuer or any Restricted Subsidiary, in each case, shall not be deemed to constitute such an encumbrance or restriction.

(2) The provisions described in paragraph (1) above will not apply to:

   (a) (i) encumbrances and restrictions imposed by the Notes (including any Additional Notes), the Indenture, the Guarantees, the Intercreditor Agreement and any Additional Intercreditor Agreements, (ii) encumbrances and restrictions imposed by the 2015 Indenture, the 2015 Notes, the 2016 Indenture, the 2016 Notes, the Revolving Credit Facilities and the Security Documents, (iii) encumbrances or restrictions contained in any other agreement in effect on the Issue Date and, in the case of clauses (i), (ii) and (iii), any encumbrances or restrictions imposed by any amendments, modifications, restatements, renewals, extensions, increases, supplements, refundings, replacements or refinancings of those agreements; *provided* that, with respect to clause (ii) and (iii), such amendments, modifications, restatements, renewals, extension, increases, supplements, refundings, replacements or refinancings (taken as a whole) (x) are not materially more disadvantageous to the Holders (taken as a whole) than such encumbrances or restrictions contained in such agreements prior to such amendment, modification, restatement, renewal, extension, increase, supplement, refunding, replacement or refinancing or (y) will not materially affect the Issuer's ability to make principal or interest payments on the Notes as and when they come due (in each case, as determined in good faith by the Issuer);

   (b) encumbrances and restrictions: (i) that restrict in a customary manner the subletting, assignment or transfer of any properties or assets that are subject to a lease, license,

conveyance or other similar agreement to which the Issuer or any Restricted Subsidiary is a party; and (ii) contained in operating leases for real property and restricting only the transfer of such real property upon the occurrence and during the continuance of a default in the payment of rent;

(c) encumbrances or restrictions contained in any agreement or other instrument of a Person acquired by the Issuer or any Restricted Subsidiary in effect at the time of such acquisition (but not created in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;

(d) encumbrances or restrictions imposed by any Permitted Refinancing Debt; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Debt are not materially more disadvantageous to Holders, taken as a whole, than those contained in the agreements governing the Debt being refinanced (as determined in good faith by the Issuer);

(e) encumbrances or restrictions contained in contracts for sales of Capital Stock or assets permitted by the "*—Limitation on Asset Sales*" covenant with respect to the assets or Capital Stock to be sold pursuant to such contract or in customary merger or acquisition agreements (or any option to enter into such contract) for the purchase or acquisition of Capital Stock or assets or any of the Issuer's Subsidiaries by another Person;

(f) encumbrances or restrictions imposed by applicable law, regulation or order or by governmental licenses, concessions, franchises or permits or required by any regulatory authority;

(g) encumbrances or restrictions on cash or other deposits or net worth imposed by customers or suppliers under contracts entered into the ordinary course of business;

(h) customary limitations on the transfer of properties or assets arising or agreed to in the ordinary course of business, not relating to Debt, that do not individually or in the aggregate, detract materially from the value or usefulness of property or assets of the Issuer or any Restricted Subsidiary; *provided* that the Issuer determines that such encumbrance or restriction will not materially affect the Issuer's ability to make principal or interest payments on the Notes;

(i) customary limitations on the distribution or disposition of assets or property of a Restricted Subsidiary in joint venture or similar agreements or other Investments entered into in good faith; *provided* that such encumbrance or restriction is applicable only to such Restricted Subsidiary;

(j) customary encumbrances or restrictions in connection with purchase money obligations, mortgage financings and Capitalized Lease Obligations for property acquired in the ordinary course of business;

(k) any encumbrance or restriction arising by reason of customary non assignment provisions in agreements;

(l) Liens permitted to be incurred under the provisions of the covenant described under the caption "*—Limitation on Liens*" that limit the right to dispose of the assets subject to the Liens;

(m) restrictions on cash or other deposits or net worth imposed by customers or suppliers or required by insurance, surety or bonding companies, in each case, under contracts entered into in the ordinary course of business;

(n) any encumbrance or restriction pursuant to Hedging Agreements in respect of hedging obligations Incurred under clause (h) of the definition of Permitted Debt;

(o) any encumbrance or restriction arising pursuant to an agreement or instrument relating to any Debt permitted to be Incurred after the Issue Date pursuant to the provisions of the covenant described under "*—Limitation on Debt*" if such encumbrance or restriction is not materially more disadvantageous to the Holders (taken as a whole) than is customary in comparable financings (as determined in good faith by the Issuer) and either: (x) the Issuer determines that such encumbrance or restriction will not materially affect the Issuer's ability to make

principal or interest payments on the Notes as and when they come due; or (y) such encumbrance or restriction applies only if a default occurs in respect of a payment or financial covenant relating to such Debt; or

(p) any encumbrance or restriction effected in connection with a Qualified Receivables Transaction.

Designation of Unrestricted and Restricted Subsidiaries

(1) The Issuer's Board of Directors may designate any Subsidiary (including newly acquired or newly established Subsidiaries) other than the Issuer to be an "**Unrestricted Subsidiary**" only if:

(a) no Default has occurred and is continuing at the time of, or would occur and be continuing after giving effect to, such designation; and

(b) the Issuer would be permitted to make an Investment at the time of designation (assuming the effectiveness of such designation) pursuant to the "*—Limitation on Restricted Payments*" covenant or under one or more clauses of the definition of Permitted Investments in an amount equal to the Fair Market Value of the net assets of such Subsidiary.

(2) In the event of any such designation, the Issuer will be deemed to have made an Investment constituting a Permitted Investment or a Restricted Payment pursuant to the "*—Limitation on Restricted Payments*" covenant, as determined by the Issuer, in an amount equal to the Fair Market Value of the net assets of such Subsidiary.

(3) The Indenture will further provide that neither the Issuer nor any Restricted Subsidiary will at any time:

(a) provide a guarantee of, or similar credit support to, any Debt of any Unrestricted Subsidiary (including of any undertaking, agreement or instrument evidencing such Debt) (other than a pledge of the Capital Stock or Debt of any Unrestricted Subsidiary on a non-recourse basis as long as the pledgee has no claim whatsoever against the Issuer other than to obtain such pledged property), except to the extent permitted under the "*—Limitation on Restricted Payments*" and "*—Limitation on Transactions with Affiliates*" covenants; or

(b) be directly or indirectly liable for any Debt of any Unrestricted Subsidiary, except to the extent permitted under the "*—Limitation on Restricted Payments*" and "*—Limitation on Transactions with Affiliates*" covenants.

(4) The Issuer's Board of Directors may designate any Unrestricted Subsidiary as a Restricted Subsidiary:

(a) if no Default or Event of Default has occurred and is continuing at the time of, or would occur and be continuing after giving effect to, such designation; and

(b) if the Debt of such Unrestricted Subsidiary would be permitted under the "*—Limitation on Debt*" covenant.

(5) Any such designation as an Unrestricted Subsidiary or Restricted Subsidiary by the Issuer's Board of Directors will be evidenced to the Trustee by promptly filing a resolution of the Issuer's Board of Directors with the Trustee giving effect to such designation and an Officer's Certificate certifying that such designation complies with the foregoing conditions, and giving the effective date of such designation.

Maintenance of Listing

The Issuer will use its reasonable efforts to obtain and maintain the listing of the Notes on the Irish Stock Exchange for so long as such Notes are outstanding; *provided* that if the Issuer is unable to obtain admission to listing of the Notes on the Global Exchange Market or if at any time the Issuer determines that it will not so list or maintain such listing, it will use its commercially reasonable efforts to obtain and maintain a listing of such Notes on another recognized stock exchange.

Reports to Holders

(1) So long as any Notes are outstanding, the Issuer will furnish to the Trustee the following reports:

(a) within 120 days after the end of the Issuer's fiscal year beginning with the first fiscal year following the Issue Date, annual reports containing: (i) the audited consolidated balance sheet

of the Issuer as at the end of the most recent two fiscal years and audited consolidated income statements and statements of cash flow of the Issuer for the most recent three fiscal years, including appropriate footnotes to such financial statements, for and as at the end of such fiscal years and the report of the independent auditors on the financial statements; (ii) *pro forma* income statement and balance sheet information of the Issuer, together with explanatory footnotes, for any acquisition or disposition that individually represents 20% or more of Consolidated EBITDA or Consolidated Total Assets on a *pro forma* basis that have occurred since the beginning of the most recently completed fiscal year as to which such annual report relates (unless such *pro forma* information has been provided in a previous report pursuant to clause (b) or (c) below); *provided* that such *pro forma* financial information will be provided only to the extent available without unreasonable expense, in which case the Issuer will provide, in the case of a material acquisition, acquired company financials to the extent available without unreasonable expense; (iii) an operating and financial review of the audited financial statements with a level and type of detail that is substantially comparable in all material respects to the section in this Offering Memorandum entitled "*Management's Discussion and Analysis of Financial Condition and Results of Operations*," including a discussion of the results of operations, financial condition and liquidity and capital resources, and a discussion of material commitments and contingencies and critical accounting policies; (iv) a description of the business and management of the Issuer; and (v) material risk factors and material recent developments;

(b) *within* 60 days following the end of each of the first three fiscal quarters in each fiscal year of the Issuer beginning with the fiscal quarter ending June 30, 2017, quarterly financial statements containing the following information: (i) the Issuer's unaudited condensed consolidated balance sheet as at the end of such quarter and unaudited condensed statements of income and cash flow for the most recent quarter year to date period ending on the unaudited condensed balance sheet date and the comparable prior period, together with condensed footnote disclosure; (ii) *pro forma* income statement and balance sheet information of the Issuer, together with explanatory footnotes, for any acquisition or disposition that individually represents 20% or more of Consolidated EBITDA or Consolidated Total Assets on a *pro forma* basis that have occurred since the beginning of the most recently completed fiscal year as to which such quarterly report relates; *provided* that such *pro forma* financial information will be provided only to the extent available without unreasonable expense, in which case the Issuer will provide, in the case of a material acquisition, acquired company financials to the extent available without unreasonable expense; and (iii) an operating and financial review of the unaudited financial statements, including a discussion of the consolidated financial condition and results of operations of the Issuer and any material change between such most recent quarter year to date period and the corresponding period of the prior year; and

(c) promptly after the occurrence of a material event that the Issuer announces publicly or any material acquisition, disposition or restructuring of the Issuer and the Restricted Subsidiaries, taken as a whole, or any senior executive officer changes at the Issuer or a change in auditors of the Issuer, a report containing a description of such event.

(2) (a) The Issuer shall also make copies of all reports furnished to the Trustee available on the Issuer's website and (b) if and so long as the Notes are listed on the Irish Stock Exchange and admitted to trading on the Global Exchange Market and to the extent that the rules and regulations of the Irish Stock Exchange so require, copies of such reports furnished to the Trustee will also be provided to the Paying Agent in New York or posted on the official website of Irish Stock Exchange (*www.ise.ie*).

(3) No report need include separate financial statements for any Guarantors or Non-Guarantor Restricted Subsidiaries of the Issuer or any disclosure with respect to the results of operations or any other financial or statistical disclosure not of a type included in this Offering Memorandum. In addition, the reports set forth in paragraph (1) above will not be required to contain any reconciliation to U.S. generally accepted accounting principles.

(4) At any time that any of the Issuer's Subsidiaries are Unrestricted Subsidiaries and any such Unrestricted Subsidiary or a group of Unrestricted Subsidiaries, taken as a whole, constitutes a Significant Subsidiary of the Issuer, then the quarterly and annual financial information required

by the first paragraph of this "*Reports to Holders*" covenant will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Issuer and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Issuer.

(5) All reports provided pursuant to this "*Reports to Holders*" covenant shall be made in the English language.

(6) So long as any Notes are outstanding, the Issuer will also, promptly after furnishing to the Trustee the annual and quarterly reports required by clauses (a) and (b) of paragraph (2) above, hold a conference call with Holders of the Notes to discuss such reports and the results of operations for the relevant reporting period.

Merger, Consolidation or Sale of Assets

(1) The Issuer will not, in a single transaction or through a series of transactions, (x) merge, consolidate, amalgamate or otherwise combine with or into any other Person or (y) sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of the Issuer's and the Restricted Subsidiaries' properties and assets to any other Person or Persons. The previous sentence will not apply if at the time and immediately after giving effect to any such transaction or series of transactions:

(a) either: (i) the Issuer will be the continuing corporation; or (ii) the Person (if other than the Issuer) formed by or surviving any such merger, consolidation, amalgamation or other combination or to which such sale, assignment, conveyance, transfer, lease or disposition of all or substantially all of the properties and assets of the Issuer and the Restricted Subsidiaries on a consolidated basis has been made (the "**Surviving Entity**"):

(x) will be a corporation duly incorporated and validly existing under the laws of any EU Member State, the United Kingdom, Switzerland, Canada, Japan, Australia, the United States of America, any state thereof, or the District of Columbia; and

(y) will expressly assume, obligations of the Issuer under the Notes, the Guarantees, the Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreements, and the Security Documents, pursuant to a supplemental indenture in form reasonably satisfactory to the Trustee; and the Notes, the Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreements and the Security Documents will remain in full force and effect as so amended or supplemented;

(b) immediately after giving effect to such transaction or series of transactions, no Default or Event of Default will have occurred and be continuing;

(c) immediately before and immediately after giving effect to such transaction or series of transactions on a *pro forma* basis (on the assumption that the transaction or series of transactions occurred on the first day of the four quarter fiscal period immediately prior to the consummation of such transaction or series of transactions with the appropriate adjustments with respect to the transaction or series of transactions being included in such *pro forma* calculation), the Issuer (or the Surviving Entity if the Issuer is not the continuing obligor under the Indenture) (i) could Incur at least €1.00 of additional Debt pursuant to the Consolidated Fixed Charge Coverage Ratio set forth in clause (a) of paragraph (1) of the "*—Limitation on Debt*" covenant or (ii) would have a Consolidated Fixed Charge Coverage Ratio not less than it was immediately prior to giving effect to such transaction; and

(d) the Issuer or the Surviving Entity, as the case may be, has delivered to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officer's Certificate and an Opinion of Counsel, each stating that such merger, consolidation, amalgamation or other combination or sale, assignment, conveyance, transfer, lease or other disposition, and if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with the requirements of the Indenture and that the Notes; *provided* that in giving an Opinion of Counsel, counsel may rely on an Officer's Certificate as to any matters of fact, including as to satisfaction of clauses (b) and (c) of this paragraph (1).

Although there is a limited body of case law interpreting the phrase "all or substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, in certain

circumstances there may be a degree of uncertainty as to whether a particular transaction would involve "all or substantially all" of the property or assets of a Person.

(2) Subject to the provisions described under "*—Guarantees—Release of the Guarantees*," no Guarantor will, in a single transaction or through a series of transactions, merge, consolidate, amalgamate or otherwise combine with or into any other Person or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of such Guarantor's properties and assets to any other Person or Persons. The previous sentence will not apply if at the time and immediately after giving effect to any such transaction or series of transactions:

(a) either (x) the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made (such Guarantor or such Person, as the case may be, being herein called the "**Successor Guarantor**") expressly assumes all the obligations of such Guarantor under its Guarantee, the Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreements and the Security Documents, pursuant to supplemental indentures and/or agreements in form reasonably satisfactory to the Trustee or (y) such sale, disposition or consolidation, amalgamation or combination is not in violation of the covenant "*—Limitation on Asset Sales*;" and

(b) immediately after such transaction, no Default or Event of Default exists and is continuing;

(3) The provisions set forth in this "*Merger, Consolidation or Sale of Assets*" covenant shall not restrict (and shall not apply to): (i) any Restricted Subsidiary that is not the Issuer or a Guarantor from consolidating with, merging or liquidating into or transferring all or substantially all of its properties and assets to the Issuer, a Guarantor or any other Restricted Subsidiary of the Issuer that is not a Guarantor; (ii) any Guarantor from merging or liquidating into or transferring all or part of its properties and assets to the Issuer or another Guarantor; (iii) any consolidation or merger of the Issuer into any Guarantor; *provided* that, if the Issuer is not the surviving entity of such merger or consolidation, the relevant Guarantor will assume the obligations of the Issuer under the Notes, the Indenture, the Intercreditor, any Additional Intercreditor Agreement and the Security Documents; (iv) the Issuer or any Guarantor consolidating into or merging or combining with an Affiliate incorporated or organized for the purpose of changing the legal domicile of such entity, reincorporating such entity in another jurisdiction, or changing the legal form of such entity; and (v) an IPO Debt Pushdown, *provided* that the IPO Debt Pushdown complies with the covenant described under the caption "*—IPO Debt Pushdown*;" *provided* that, in the case of each of (ii) through (iv), clauses (a) and (d) of paragraph (1) above or clause (a) of paragraph (2) above, as applicable, shall apply to such transactions.

Payments for Consent

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder or beneficial owners of the Notes for, or as an inducement to, any consent, waiver or amendment of any of the terms of the provisions of the Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, the Issuer and its Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes, to exclude Holders or beneficial owners of the Notes in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an offer to purchase for cash, or (ii) the payment of the consideration therefor would require the Issuer or any of its Restricted Subsidiaries to file a registration statement, prospectus or similar document under any applicable securities laws (including, but not limited to, the United States federal or state securities laws and the laws of the United Kingdom or the European Union or its member states), which the Issuer in its sole discretion determines (acting in good faith) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction); or such solicitation would otherwise not be permitted under applicable law in such jurisdiction.

Covenant Suspension

If on any date following the date of the Indenture:

(1) the Notes are rated as follows by one of the following three entities: "Baa3" or better by Moody's, "BBB-" or better by S&P or "BBB-" or better by Fitch (or, if any such entity ceases to rate the Notes for reasons outside of the control of the Issuer, the equivalent investment grade credit rating from any other "nationally recognized statistical rating organization" within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by the Issuer as a replacement agency); and

(2) no Default or Event of Default shall have occurred and be continuing,

then, beginning on that day and subject to the provisions of the following paragraph, the covenants specifically listed under the following captions under the heading "*—Certain Covenants*" will be suspended:

(a) "*—Limitation on Debt*;"

(b) "*—Limitation on Restricted Payments*;"

(c) "*—Limitation on Layered Debt*;"

(d) "*—Limitation on Transactions with Affiliates*;"

(e) "*—Limitation on Asset Sales*;"

(f) "*—Additional Guarantees*;"

(g) "*—Designation of Unrestricted and Restricted Subsidiaries*;"

(h) "*—Limitation on Dividends and Other Payment Restrictions Affecting Restricted Subsidiaries*;" and

(i) clause (c) of paragraph (2) of the covenant described above under the caption "*—Merger, Consolidation or Sale of Assets*."

Notwithstanding the foregoing, if the rating assigned by such rating agency should subsequently decline to below "Baa3," "BBB-" or "BBB-," respectively, the foregoing covenants will be reinstituted as at and from the date of such rating decline. The period during which the covenants set forth above are suspended pursuant to this provision is the "**Suspension Period**." The reinstatement of any covenants will not, however, be of any effect with regard to the actions of the Issuer and the Restricted Subsidiaries properly taken during the continuance of the Suspension Period; *provided* that, (1) with respect to any Restricted Payments made after any such reinstatement, the amount of Restricted Payments will be calculated as though the "*—Limitation on Restricted Payments*" covenant had been in effect prior to, but not during, the Suspension Period and (2) all Debt incurred during the Suspension Period will be classified to have been incurred or issued pursuant to clause (c) of the definition of Permitted Debt under "*—Limitation on Debt*". Upon the occurrence of a Suspension Period, the amount of Excess Proceeds shall be reset to zero.

In addition, the Indenture also permits, without causing a Default or Event of Default, the Issuer or any of the Restricted Subsidiaries to honor any contractual commitments or take actions in the future after any date on which the Notes cease to be rated "Baa3," "BBB-" or "BBB-" as long as the contractual commitments were entered into during the Suspension Period and not in anticipation of the Notes no longer being rated "Baa3," "BBB-" or "BBB-."

The Issuer shall notify the Trustee that the two conditions set forth in the first paragraph under this heading have been satisfied, *provided* that such notification shall not be a condition for the suspension of the covenants set forth above to be effective. The Trustee shall not be obliged to notify Holders of such event.

There can be no assurance that the Notes will ever achieve or maintain an investment grade rating.

Events of Default

Each of the following will be an "**Event of Default**" under the Indenture:

(1) default for 30 days in the payment when due of any interest or any Additional Amounts on any Note;

(2) default in the payment of the principal of or premium, if any, on any Note at its Maturity (upon acceleration, optional or mandatory redemption, if any, required repurchase or otherwise);

(3) failure to comply with the provisions of paragraph (1) of the covenant described under the caption "*—Certain Covenants—Merger, Consolidation or Sale of Assets*;"

(4) failure to comply with any covenant or agreement of the Issuer or of any Restricted Subsidiary that is contained in the Indenture or any Guarantee (other than specified in paragraph (1), (2) or (3) above) and such failure continues for a period of 60 days or more after written notice (i) to the Issuer by the Trustee or (ii) to the Issuer and the Trustee by the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class;

(5) default under the terms of any instrument evidencing or securing Debt for money borrowed by the Issuer or any Restricted Subsidiary, if that default:

(x) results in the acceleration of the payment of such Debt prior to its express maturity; or

(y) is caused by the failure to pay such Debt at final maturity thereof after giving effect to the expiration of any applicable grace periods (and other than by regularly scheduled required prepayment) and such failure to make any payment has not been waived or the maturity of such Debt has not been extended,

and, in each case, the outstanding principal amount of any such Debt under which there has been a failure to pay at final maturity thereof or the payment of which has been so accelerated, aggregates €20.0 million or more;

(6) either: (i) an early termination date is designated as a result of an event of default (howsoever described) by the Issuer under any Hedging Agreement, or (ii) the Issuer fails to pay, when due, any amounts in respect of an early termination date under a Hedging Agreement;

(7) except as permitted in the Indenture, any Guarantee of any Guarantor that is a Significant Subsidiary ceases to be, or shall be asserted in writing by any such Guarantor, or any Person acting on behalf of any such Guarantor, not to be in full force and effect or enforceable in accordance with its terms (other than as provided for in the Indenture, any Guarantee or the Intercreditor Agreement);

(8) with respect to Collateral having a Fair Market Value in excess of €5.0 million, one or more of the Security Documents shall, at any time, cease to be in full force and effect, or a Security Document shall be declared invalid or unenforceable by a court of competent jurisdiction or the relevant grantor of the security granted pursuant to a Security Document asserts, in any pleading in any court of competent jurisdiction, that any such Security Document is invalid or unenforceable for any reason other than the satisfaction in full of all obligations under the Indenture and the Notes and discharge of the Indenture and the Notes, other than, in each case, pursuant to limitations on enforceability, validity or effectiveness imposed by applicable law, regulation or order of a regulator or the terms of such Security Document or except in accordance with the terms of such Security Document, the Intercreditor Agreement, any Additional Intercreditor Agreements or the Indenture, including the release provisions thereof, and any such Default continues for 10 days;

(9) one or more final judgments, orders or decrees (not subject to appeal and not covered by insurance) shall be rendered against the Issuer or any Restricted Subsidiary either individually or in an aggregate amount, in each case, in excess of €20.0 million, which judgments, orders or decrees are not paid, discharged or stayed for a period of 60 days after the judgment becomes final; and

(10) the occurrence of certain events of bankruptcy, insolvency or receivership described in the Indenture with respect to the Issuer, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary.

If an Event of Default (other than as specified in paragraph (10) above) occurs and is continuing, the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes then outstanding by written notice to the Issuer (and to the Trustee if such notice is given by the Holders)

may, and the Trustee, upon the written request of such Holders, shall, declare the principal of, premium, if any, any Additional Amounts and accrued interest on all of the outstanding Notes immediately due and payable, and upon any such declaration all such amounts payable in respect of the Notes will become immediately due and payable.

If an Event of Default specified in paragraph (10) above occurs and is continuing, then the principal of, premium, if any, Additional Amounts and accrued and unpaid interest on all of the outstanding Notes shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power conferred on the Trustee by the Indenture.

The Holders of not less than a majority in aggregate principal amount of the outstanding Notes may, on behalf of the Holders, (i) waive any past defaults under the Indenture, except a default in the payment of the principal of, premium, if any, and Additional Amounts or interest on any Note in which case, the consent of the Holders of 90% of the then outstanding Notes shall be required and (ii) rescind any acceleration and its consequences if (x) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (y) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, interest and Additional Amounts, if any, on the Notes that have become due solely by such declaration of acceleration, have been cured or waived and (z) the Issuer has paid the Trustee its compensation and reimbursed the Trustee for any properly incurred expense, disbursements and advances.

No Holder has any right to institute any proceedings with respect to the Indenture or any remedy thereunder unless the Holders of at least 25% in aggregate principal amount of the outstanding Notes have made a written request and offered to the Trustee, and the Trustee has received, indemnity and/or security satisfactory to the Trustee against loss, liability or expense to institute such proceeding as Trustee under the Notes and the Indenture, the Trustee has failed to institute such proceeding within 60 days after receipt of such notice and the Trustee within such 60-day period has not received directions inconsistent with such written request by Holders of a majority in aggregate principal amount of the outstanding Notes. Such limitations do not, however, apply to a suit instituted by a Holder for the enforcement of the payment of the principal of, premium, if any, and Additional Amounts or interest on such Note on or after the respective due dates expressed in such Note.

If a Default or an Event of Default occurs, of which written notice has been provided to a responsible officer of the Trustee, and is continuing, the Trustee will deliver to each Holder of the Notes notice of the Default or Event of Default within 60 days after being notified of the Event of Default. Except in the case of a Default or an Event of Default in the payment of principal of, premium, if any, Additional Amounts or interest on any Notes, the Trustee may withhold the giving of such notice to the Holders of such Notes if a committee of its trust officers in good faith determines that withholding the giving of such notice is in the best interests of the Holders.

The Issuer will be required to notify the Trustee within 15 Business Days of the occurrence of any Default.

The Indenture will provide that (i) if a Default occurs for a failure to report or deliver a required certificate in connection with another default (an "**Initial Default**") then at the time such Initial Default is cured, such Default for a failure to report or deliver a required certificate in connection with the Initial Default will also be cured without any further action and (ii) any Default or Event of Default for the failure to comply with the time periods prescribed in the covenant entitled "*—Certain Covenants—Reports to Holders*" or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such covenant or notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in the Indenture.

Defeasance

(1) The Indenture will provide that the Issuer may, at its option and at any time prior to the Stated Maturity of the Notes, elect to have the obligations of the Issuer and the Guarantors discharged with respect to the outstanding Notes and Guarantees ("**Legal Defeasance**"). Legal Defeasance

means that the Issuer will be deemed to have paid and discharged the entire Debt represented by the outstanding Notes and Guarantees except as to:

(a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, Additional Amounts and interest on such Notes when such payments are due;

(b) the Issuer's obligations to issue temporary Notes, register, transfer or exchange any Notes, replace mutilated, destroyed, lost or stolen Notes, maintain an office or agency for payments in respect of the Notes and segregate and hold such payments on trust;

(c) the rights, powers, trusts, duties and immunities of the Trustee and the obligations of the Issuer and the Guarantors in connection therewith; and

(d) the Legal Defeasance provisions of the Indenture.

(2) In addition, the Issuer may, at its option and at any time, elect to have the obligations of the Issuer and the Guarantors released with respect to certain covenants set forth in the Indenture ("**Covenant Defeasance**") and thereafter any failure to comply with such covenants will not constitute a Default or an Event of Default with respect to the Notes. In the event that a Covenant Defeasance occurs, certain events described under "*Events of Default*" will no longer constitute an Event of Default with respect to the Notes. These events will not include events relating to nonpayment, bankruptcy, insolvency and receivership. The Issuer may exercise its Legal Defeasance option regardless of whether it has previously exercised any Covenant Defeasance.

(3) In order to exercise either Legal Defeasance or Covenant Defeasance:

(a) the Issuer must irrevocably deposit or cause to be deposited on trust with the Trustee (or such other entity designated or appointed as agent by the Trustee for this purpose), for the benefit of the Holders, cash in euros, European Government Obligations or a combination thereof, in such amounts as will be sufficient, in the opinion of an internationally recognized firm of independent public accountants, investment bank or appraisal firm, to pay and discharge the principal of, premium, if any, Additional Amounts and interest, on the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(b) in the case of Legal Defeasance, the Issuer must have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee stating that: (x) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling; or (y) since the Issue Date, there has been a change in applicable U.S. federal income tax law, in either case to the effect that (and based thereon such opinion shall confirm that) the Holders and beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer must have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee to the effect that the Holders and beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default will have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);

(e) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit), the Indenture;

(f) the Issuer must have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding creditors of the Issuer or other creditors, or removing assets beyond the reach of the relevant creditors or increasing debts of the Issuer to the detriment of the relevant creditors; and

(g) the Issuer must have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, subject to customary assumptions and qualifications, each stating that all conditions precedent provided for relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

(4) If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of, premium, if any, Additional Amounts and interest on the Notes when due because of any acceleration occurring after an Event of Default, then the Issuer and the Guarantors will remain liable for such payments.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the Notes as expressly provided for in the Indenture) when:

(a) the Issuer has irrevocably deposited or caused to be deposited with the Trustee (or such other entity designated or appointed as agent by the Trustee for this purpose) as funds on trust for such purpose an amount in euros or European Government Obligations sufficient to pay and discharge the entire Debt on such Notes that have not, prior to such time, been delivered to the Paying Agent for cancelation, for principal of, premium, if any, and any Additional Amounts and accrued and unpaid interest on the Notes to the date of such deposit (in the case of Notes which have become due and payable) or to the Stated Maturity or redemption date, as the case may be, and the Issuer has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of Notes at Stated Maturity or on the redemption date, as the case may be, and either:

(i) all of the Notes that have been authenticated and delivered (other than destroyed, lost or stolen Notes that have been replaced or paid and Notes for which payment money has been deposited on trust or segregated and held on trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust as provided for in the Indenture) have been delivered to the Paying Agent for cancelation; or

(ii) all Notes that have not been delivered to the Paying Agent for cancelation: (x) have become due and payable (by reason of the mailing of, or arrangements with the Trustee for the mailing of, a notice of redemption or otherwise); (y) will become due and payable within one year of Stated Maturity; or (z) are to be called for redemption within one year of the proposed discharge date under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Paying Agent in the Issuer's name and at the Issuer's expense;

(b) the Issuer or any Guarantor has paid or caused to be paid all sums payable by the Issuer under the Indenture; and

(c) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided in the Indenture relating to the satisfaction and discharge of the Indenture have been satisfied; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (a) and (b)).

Amendments and Waivers

(1) With the consent of the Holders of not less than a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), the Issuer, the Trustee and the Security Agent (as applicable) are permitted to modify, amend or supplement the Indenture, the Notes, the Guarantees, the Intercreditor Agreement, any Additional Intercreditor Agreement and/or the Security Documents or waive any Default, Event of Default or non-compliance with any provision of the Indenture, the Notes or the Guarantees; *provided* that no such modification, amendment, supplement or waiver may, without the consent of the Holders of at least 90% of the aggregate principal amount of the Notes then outstanding:

(a) change the Stated Maturity of the principal of, or any installment of Additional Amounts or interest on, any Note (or change any Default or Event of Default related thereto);

(b) reduce the principal amount of any Note (or Additional Amounts or premium, if any) or the rate of or extend the time for payment of interest on any Note (or change any Default or Event of Default related thereto);

(c) change the coin or currency in which the principal of any Note or any premium or any Additional Amounts or the interest thereon is payable;

(d) impair the right to institute suit for the enforcement of any payment of any Note in accordance with the provisions of such Note, the Indenture, the Intercreditor Agreement and any Additional Intercreditor Agreements;

(e) reduce the principal amount of Notes whose Holders must consent to any amendment, supplement or waiver of provisions of the Indenture;

(f) except as otherwise permitted under "*—Certain Covenants—Merger, Consolidation or Sale of Assets*," consent to the assignment or transfer by the Issuer of any of the Issuer's rights or obligations under the Indenture;

(g) release all or substantially all of the Guarantors from their obligations under the Guarantees, except in compliance with the terms of the Indenture, the Intercreditor Agreement and any Additional Intercreditor Agreements; or

(h) release all or substantially all the Liens on the Collateral granted for the benefit of the Holders of the Notes, except in compliance with the terms of the Security Documents, Indenture, the Intercreditor Agreement and any Additional Intercreditor Agreements.

Any modification, amendment, supplement or waiver consented to by Holders of at least 90% of the aggregate principal amount of the Notes then outstanding will be binding against any non-consenting Holders.

(2) Notwithstanding the foregoing, without the consent of any Holder, the Issuer, the Trustee and the Security Agent (as applicable) may modify, amend or supplement the Indenture, the Notes, the Guarantees, the Intercreditor Agreement, any Additional Intercreditor Agreement and/or the Security Documents:

(i) to evidence the succession of another Person to the Issuer or any Guarantor and the assumption by any such successor of the covenants in the Indenture and in the Notes in accordance with "*—Certain Covenants—Merger, Consolidation or Sale of Assets*;"

(ii) to add to the Issuer's covenants and those of any Guarantor or any other obligor in respect of the Notes for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor or any other obligor in respect of the Notes, as applicable, in the Indenture, the Notes or any Guarantee;

(iii) to cure any ambiguity or mistake or to correct or supplement any provision in the Indenture, the Notes, any Guarantee, the Intercreditor Agreement, any Additional Intercreditor Agreement or any Security Document that may be defective or inconsistent with any other provision in the Indenture, the Notes, any Guarantee, the Intercreditor Agreement, any Additional Intercreditor Agreement or any Security Document or make any other provisions with respect to matters or questions arising under the Indenture, the Notes, any Guarantee, the Intercreditor Agreement, any Additional Intercreditor Agreement or any Security Document; or make any change that does not materially adversely affect the legal rights under the Indenture of the Holders of the Notes;

(iv) to conform the text of the Indenture, the Notes, any Guarantee, the Intercreditor Agreement or any Security Document to any provision of this "*Description of the Notes*";

(v) to release any Guarantor or Collateral in accordance with (and if permitted by) the terms of the Indenture, the Intercreditor Agreement and any Additional Intercreditor Agreements and the Security Documents;

(vi) to add a Guarantor or other guarantor under the Indenture;

(vii) to evidence and provide the acceptance of the appointment of a successor Trustee and/or Security Agent under the Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreement or any Security Document;

(viii) to mortgage, pledge, hypothecate or grant a security interest in favor of the Trustee and/or Security Agent for the benefit of the Holders of the Notes as additional security for the payment and performance of the Issuer's and any Guarantor's obligations under the Indenture, in any property, or assets, including any of which are required to be mortgaged, pledged or hypothecated, or in which a security interest is required to be granted to the Trustee pursuant to the Indenture or otherwise, or to enter into additional or supplemental Security Documents;

(ix) to provide for the issuance of Additional Notes in accordance with and if permitted by the terms of and limitations set forth in the Indenture;

(x) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(xi) to add additional parties to the Intercreditor Agreement, any Additional Intercreditor Agreement or any Security Document to the extent permitted hereunder or thereunder and to make changes contemplated under, or to enter into an Additional Intercreditor Agreement pursuant to the provisions under the heading "*—Intercreditor Agreement and Additional Intercreditor Agreements*"; or

(xii) to provide for the amendments to the Intercreditor Agreement pursuant to the Amended and Restated Intercreditor Agreement (including the incorporation of the Further ICA Amendments (if applicable)).

(3) The consent of the Holders is not necessary under the Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

In formulating its opinion on such matters, each of the Trustee and the Security Agent shall be entitled to rely absolutely on such evidence as it deems appropriate, including Opinions of Counsel and Officer's Certificates.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction or consent or any amendment, modification or other change to the Indenture, Notes owned by the Issuer or by an Affiliate of the Issuer will be disregarded and treated as if they were not outstanding.

Currency Indemnity

Euro is the sole currency of account and payment for all sums payable under the Notes, the Guarantees and the Indenture. Any amount received or recovered in respect of the Notes or the Guarantees in a currency other than euro (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, the winding up or dissolution of the Issuer or any Subsidiary or otherwise) by the Trustee or a Holder of the Notes in respect of any sum expressed to be due to such Holder from the Issuer or the Guarantors will constitute a discharge of the Issuer or such Guarantor's obligation only to the extent of the euro amount which the recipient is able to purchase with the amount so received or recovered in such other currency on the date of that receipt or recovery (or, if it is not possible to purchase euro on that date, on the first date on which it is possible to do so). If the euro amount that could be recovered following such a purchase is less than the euro amount expressed to be due to the recipient under any Note, the Issuer and the Guarantors will jointly and severally indemnify the recipient against the cost of the recipient's making a further purchase of euro in an amount equal to such difference. For the purposes of this paragraph, it will be sufficient for the Trustee or Holder to certify that it would have suffered a loss had the actual purchase of euro been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of euro on that date had not been possible, on the first date on which it would have been possible). These indemnities, to the extent permitted by law:

(a) constitute a separate and independent obligation from the Issuer's and the Guarantors' other obligations contained in the Indenture, the Notes and the Guarantees;

(b) give rise to a separate and independent cause of action;

(c) apply irrespective of any waiver granted by any Holder or the Trustee from time to time; and

(d) will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order.

Notices

Notices regarding the Notes will be published, if and for as long as the Notes are listed on the official list of the Irish Stock Exchange and admitted to trading on the Global Exchange Market and to the extent that the rules and regulations of the Irish Stock Exchange so require, in a newspaper having a general circulation in Ireland (which is currently expected to be the *Irish Times*), or to the extent and in the manner permitted by the rules and regulations of the Irish Stock Exchange, posted on the official website of the Irish Stock Exchange, *www.ise.ie*.

If a publication as provided above is not practicable, notice will be given in such other manner, and shall be deemed to have been given on such date. In the case of Definitive Notes, notices will be mailed to Holders by first-class mail at their respective addresses as they appear on the records of the Registrar and published through Euroclear, Clearstream and any other clearing system in which the Notes are held.

If and so long as the Notes are listed on any other securities exchange, notices will also be given in accordance with any applicable requirements of such securities exchange.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee or incorporator of the Issuer or any Guarantor or stockholder of the Issuer, as such, will have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Indenture, the Guarantees, the Security Documents or the Intercreditor Agreement or any Additional Intercreditor Agreement for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note will waive and release all such liability. The waiver and release will be part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under applicable securities laws.

The Trustee

The Issuer shall deliver written notice to the Trustee within 30 days of becoming aware of the occurrence of a Default or an Event of Default. If the Trustee becomes a creditor of the Issuer or any Guarantor, the Indenture will limit the right of the Trustee to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee in its individual capacity may become the owner or pledgee of the Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee; *however*, if a responsible officer of the Trustee has actual knowledge that it has acquired any conflicting interest in its capacity as Trustee, it must eliminate such conflict within 90 days or resign as Trustee.

Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any Holder of Notes, unless such Holder has offered to the Trustee, and the Trustee has received, security and/or indemnity satisfactory to it against any loss, liability or expense.

The Issuer and the Guarantors jointly and severally will indemnify the Trustee for certain claims, liabilities and expenses incurred without gross negligence on its part, arising out of or in connection with its duties.

Governing Law

The Indenture, the Notes and the Guarantees will be governed by and construed in accordance with the laws of New York. The Intercreditor Agreement and any non-contractual obligations arising out of it will be governed by and construed in accordance with the laws of England and Wales. The Security Documents will be governed by and construed in accordance with the laws of various jurisdictions.

Prescription

Claims against the Issuer or any Guarantor for payment of principal, interest and Additional Amounts, if any, on the Notes will become void unless presentment for payment is made (where so required under the Indenture) within, in the case of principal and Additional Amounts, if any, a period of ten years or, in the case of interest, a period of six years, in each case from the applicable original date of payment therefor.

In this description, the term "Parent Guarantor" refers only to Greenko Energy Holdings and not to any of its subsidiaries, and the term "Issuer" refers only to Greenko Dutch B.V. and any successor obligor to the Notes. Each of the Parent Guarantor and the future guarantors, if any, is referred to as a "Guarantor," each guarantee of the Notes by the Parent Guarantor is referred to as the "Parent Guarantee," and each guarantee from a Guarantor is referred to as the "Note Guarantee."

The Issuer will issue the notes (the "Notes") under an indenture (the "Indenture"), to be dated as of July 24, 2017, among itself, the Parent Guarantor, and The Bank of New York Mellon, as trustee (the "Trustee"), in a private transaction that is not subject to the registration requirements of the Securities Act. The Indenture will not be qualified under the U.S. Trust Indenture Act of 1939, as amended. Holders of the Notes will not be entitled to any registration rights. The terms of the Notes will include those stated in the Indenture. The Collateral Document referred to below under the caption "—Security" will define the terms of the agreement that will secure the Notes.

The following description is a summary of the material provisions of the Indenture, the Notes, the Note Guarantees and the Collateral Document. This summary does not purport to be complete and is qualified in its entirety by reference to all of the provisions of the Indenture, the Notes, the Note Guarantees and the Collateral Document. It does not restate those agreements in their entirety. We urge you to read the Indenture and the Collateral Document because they, and not this description, define your rights as Holders. Copies of the Indenture and the Collateral Document will be available as set forth below under "—Additional Information" on or after the Original Issue Date. Defined terms used in this description but not defined under "—Certain Definitions" have the meanings assigned to them in the Indenture and the Collateral Document.

The registered Holder of a Note will be treated as the owner of it for all purposes. Only registered Holders will have rights under the Indenture.

Brief Description of the Notes and the Note Guarantees

The Notes

The Notes will be:

- unsubordinated obligations of the Issuer;
- senior in right of payment to any future obligations of the Issuer expressly subordinated in right of payment to the Notes;
- at least *pari passu* in right of payment with all unsubordinated Indebtedness of the Issuer (subject to any priority rights of such unsubordinated Indebtedness pursuant to applicable law);
- unconditionally guaranteed by the Guarantors on a senior basis in accordance with the Indenture, subject to the limitations described below under "—The Note Guarantees" and "Risk Factors—Risks Relating to the Notes, the Note Guarantees and the Collateral—The enforceability of the Note Guarantees will be subject to the local laws of the jurisdictions in which such Note Guarantors are organized";
- effectively junior to any existing and future secured Indebtedness of the Issuer, to the extent of the value of assets securing such Indebtedness (other than the Collateral, to the extent applicable); and

- secured by first-priority liens on the Collateral (subject to Permitted Liens).

Following the issuance of the Notes and application of the proceeds thereof, the Issuer's only material assets will be cash and the Rupee Bonds issued by other Restricted Subsidiaries. As of the date hereof, the Issuer does not own any Capital Stock of any other Restricted Subsidiary and the Issuer will be entirely dependent on payments from other Restricted Subsidiaries under the Rupee Bonds to make payments on the Notes. See "Risk Factors—Risks Relating to the Notes, the Note Guarantees and the Collateral—Our ability to pay the principal and interest on the Notes and our Parent Guarantor's ability to guarantee our obligations on the Notes may be affected by this offering structure and our corporate organization structure."

As of March 31, 2017, after giving effect the application of proceeds of this offering as described under "Use of Proceeds," the Restricted Group on a combined basis would have had approximately US$1,053.3 million of trade payables and other liabilities outstanding, including US$1,000.0 million of Indebtedness and US$11.8 million of subordinated intercompany loans. See "Risk Factors—Risks Relating to Our Business—We have, on a consolidated basis, a substantial amount of debt, which could have a material adverse effect on our business, financial condition and results of operations."

The Note Guarantees

On the Original Issue Date, the Notes will be Guaranteed only by the Parent Guarantor (the "Parent Guarantee"). The Parent Guarantor is a holding company that does not have significant operations. Under the Indenture, the Guarantors will guarantee the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable, under the Notes. The obligations of the Guarantors under the Note Guarantees will be limited as necessary to prevent the Note Guarantees from constituting a fraudulent conveyance under applicable law. See "Risk Factors—Risks Relating to the Notes, the Note Guarantees and the Collateral—The enforceability of the Note Guarantees will be subject to the local laws of the jurisdictions in which such Note Guarantors are organized."

Each Note Guarantee will be:

- a general obligation of the Guarantor;
- senior in right of payment to any existing and future obligations of the Guarantor expressly subordinated in right of payment to the Note Guarantee;
- effectively junior to any existing and future secured Indebtedness of the Guarantor, to the extent of the value of the assets securing such Indebtedness; and
- effectively junior to all existing and future obligations of any Subsidiary of the Guarantor.

In certain circumstances, the Parent Guarantor will cause the Restricted Subsidiaries to execute and deliver to the Trustee a Supplemental Indenture to the Indenture pursuant to which such Restricted Subsidiary will guarantee payment of the Notes. See "Certain Covenants—Issuance of Guarantees by Restricted Subsidiaries." The Note Guarantees will be released upon legal defeasance, covenant defeasance or satisfaction and discharge of the Indenture as provided below under the captions "—Legal Defeasance and Covenant Defeasance" and "—Satisfaction and Discharge", upon repayment in full of the Notes and, solely in the case of a Note Guarantee created pursuant to the first paragraph of the covenant described under the caption "Issuances of Guarantees by Restricted Subsidiaries," upon the release or discharge of the Guarantee that resulted in the creation of such Note Guarantee pursuant to that covenant except a discharge or release by or as a result of payment under such Guarantee.

Principal, Maturity and Interest

The Issuer will issue US$350,000,000 in aggregate principal amount of the 2022 Notes and US$650,000,000 in aggregate principal amount of the 2024 Notes in this offering. The Issuer may issue additional notes (the "Additional Notes") under the Indenture from time to time after this offering. Any issuance of Additional Notes is subject to all of the covenants in the Indenture, including the covenant described below under the caption "—Certain Covenants— Incurrence of Indebtedness and Issuance of Preferred Stock." The Notes of one series and any Additional Notes of the same series subsequently issued under the Indenture will be treated as a single class for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase, and under the Collateral Document, *provided that* such Additional Notes will be issued under a separate ISIN/CUSIP number unless such Additional Notes will be fungible with the Notes for U.S. federal income tax purposes.

The Issuer will issue Notes in denominations of US$200,000 and integral multiples of US$1,000 in excess thereof. The 2022 Notes will mature on July 24, 2022, and the 2024 Notes will mature on July 24, 2024, unless earlier redeemed pursuant to the terms thereof and the Indenture. No service charge will be made for any registration of transfer or exchange of the Notes, but the Issuer may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith.

Interest on the 2022 Notes will accrue at the rate of 4.875 per annum, and interest on the 2024 Notes will accrue of the rate of 5.25% per annum and in each case, interest will be payable semi-annually in arrears on January 24 and July 24 of each year (each, an "Interest Payment Date"), commencing on January 24, 2018. The Issuer will make each interest payment to the Holders of record at the close of business on January 9 and July 9 immediately preceding an Interest Payment Date (each, a "Record Date"), notwithstanding any transfer, exchange or cancellation thereof after a Record Date and prior to the immediately following Interest Payment Date. In any case in which the date of the payment of principal of, premium on or interest on the Notes is not a Business Day in the relevant place of payment, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day will have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest on the Notes will accrue from the Original Issue Date or, if interest has already been paid, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Restricted Subsidiaries

On the Original Issue Date, the following companies are each Restricted Subsidiaries: the Issuer, AMR Power Private Limited, Sai Spurthi Power Private Limited, Rithwik Energy Generation Private Limited, Jasper Energy Private Limited, Hemavathy Power & Light Private Limited, Greenko Astha Projects (India) Private Limited, Greenko AT Hydro Power Private Limited, Greenko Cimaron Constructions Private Limited, Greenko Sri Sai Krishna Hydro Energies Private Limited, Greenko Anubhav Hydel Power Private Limited, Greenko Sumez Hydro Energies Private Limited (earlier known as Ranga Raju Warehousing Private Limited), Greenko Him Kailash Hydro Power Private Limited, Greenko Tarela Power Limited, Greenko Tejassarnika Hydro Energies Private Limited, Ratnagiri Wind Power Projects Private Limited, Fortune Five Hydel Projects Private Limited, Matrix Power (Wind) Private Limited, Mangalore Energies Private Limited, Greenko Rayala Wind Power Private Limited, Greenko Budhil Hydro Power Private Limited, Poly Solar Parks Private Limited, Jed Solar Parks Private Limited, Sunborne Energy Andhra Private Limited, SEI Phoebus Private Limited, SEI Adityashakti Private Limited, RT Renewable Energy India Private Limited, SEI Adhavan Power Private Limited, SEI Kathiravan Power Private Limited, SEI Aditi Power Private Limited, SEI Bheem Private Limited, SEI

Any Subsidiary of the Parent Guarantor may be designated as a Restricted Subsidiary by the Board of Directors of the Parent Guarantor in accordance with the covenant described under the caption "Certain Covenants—Designation of Restricted Subsidiaries." The Restricted Subsidiaries will at all times remain Subsidiaries of the Parent Guarantor (other than as a result of a sale of all or any portion of the Capital Stock of such Restricted Subsidiary held by the Parent Guarantor or any of its Subsidiaries if pursuant to any applicable law, rule, regulation or order the Parent Guarantor or any of its Subsidiaries is required to sell or dispose of such Capital Stock in an amount such that the Restricted Subsidiary would not remain a Subsidiary of the Parent Guarantor). A Restricted Subsidiary may not be designated as an Unrestricted Subsidiary at any time except in the circumstance described under "—Certain Covenants—Designation of Restricted Subsidiaries".

The "Rupee Bond Issuer Restricted Group" means the Restricted Subsidiaries other than the Issuer.

Methods of Receiving Payments on the Notes

All payments on the Notes will be made in U.S. dollars by the Issuer at the office or agency of the Issuer maintained for that purpose (which initially will be the corporate trust administration office of the Paying Agent, currently located at 101 Barclay Street, New York, NY 10286, United States of America), and the Notes may be presented for registration of transfer or exchange at such office or agency; *provided*, *however*, that, at the option of the Issuer, payment of interest may be made by wire transfer. Interest payable on the Notes held through DTC will be available to DTC participants on the Business Day following payment thereof.

Paying Agent, Transfer Agent and Registrar for the Notes

The Bank of New York Mellon will initially act as paying agent, transfer agent and registrar (together, the "Agents"). The Issuer may change the paying agent, transfer agent or registrar without prior notice to the Holders, and the Parent Guarantor, the Issuer or any other Restricted Subsidiary may act as paying agent or registrar.

Transfer and Exchange

A Holder may transfer or exchange Notes in accordance with the provisions of the Indenture. The registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of Notes. Holders will be required to pay all taxes due on transfer. The Issuer will not be required to transfer or exchange any note selected for redemption. Also, the Issuer will not be required to transfer or exchange any note for a period of 15 days before a selection of Notes to be redeemed.

Security

The obligations of the Issuer with respect to the Notes and the performance of all other obligations of the Issuer under the Indenture and the Notes will be secured by a first priority share pledge (the "Share Pledge" or "Collateral Document") by Greenko Mauritius (the "Pledgor") over the Capital Stock of the Issuer (the " Collateral"), subject to Permitted Liens.

The Issuer, the Pledgor, the Trustee and the Collateral Agent will enter into the Collateral Document defining the terms of the security interests that secure the Notes.

So long as no Event of Default has occurred and is continuing, the Pledgor and the Issuer will be entitled to receive all cash dividends, interest and other payments made upon or with respect to the Collateral and to exercise any voting and other consensual rights pertaining to the Collateral.

Upon the occurrence and during the continuance of an Event of Default:

(1) all rights of the Pledgor and the Issuer to receive all or claim payment of cash dividends, interest and other payments made upon or with respect to the Collateral will cease and such cash dividends, interest and other payments will be paid to the Collateral Agent;

(2) all voting or other consensual rights pertaining to the Collateral will become vested solely in the Collateral Agent and the right of the Pledgor and the Issuer to exercise any such voting and consensual rights will cease; and

(3) the Collateral Agent may distribute or sell the Collateral or any part of the Collateral in accordance with the terms of the Collateral Document, subject to the provisions of applicable law. The Collateral Agent in accordance with the Intercreditor Agreement will distribute all funds distributed under the Collateral Document in connection with the Collateral and received by the Collateral Agent for the benefit of the Permitted Pari Passu Secured Indebtedness creditors and the Holders.

The Indenture and/or the Collateral Document principally provide that, at any time while the Notes are outstanding, the Collateral Agent has the exclusive right to manage, perform and enforce the terms of the Collateral Document. The Collateral Agent has the exclusive right, with respect to the Collateral, to exercise and enforce all privileges, rights and remedies thereunder according to its direction, including to take or retake control or possession of such Collateral and to hold, prepare for sale, process, lease, dispose of or liquidate such Collateral, including, without limitation, following the occurrence of an Event of Default under the Indenture. The proceeds realizable from the Collateral securing the Notes are unlikely to be sufficient to satisfy the Issuer's obligations under the Notes, and the Collateral securing the Notes may be reduced or diluted under certain circumstances, including through the issuance of Additional Notes and Permitted Pari Passu Secured Indebtedness (as defined below) or the disposition of assets comprising the Collateral, subject to the terms of the Indenture and the Intercreditor Agreement. See "Risk Factors—Risks Relating to the Notes, the Note Guarantees and the Collateral—The value of the Collateral may not be sufficient to satisfy our obligations under the Notes."

The Liens created by the Indenture and the Collateral Document to secure the obligations of the Issuer under the Notes will be released upon (1) the full and final payment and performance of the Obligations of the Issuer under the Indenture and the Notes or (2) legal or covenant defeasance pursuant to the provisions set forth under the caption "—Legal and Covenant Defeasance" or discharge of the Indenture in accordance with the provisions set forth under the caption "—Satisfaction and Discharge."

Permitted Pari Passu Secured Indebtedness

On or after the Original Issue Date, the Parent Guarantor will not permit the Pledgor to create Liens on the Collateral other than (i) Liens *pari passu* with the Lien for the benefit of the Holders to secure Indebtedness of the Issuer, including any Additional Notes (such Indebtedness of the Issuer, "Permitted Pari Passu Secured Indebtedness"); *provided that* (1) the Issuer was permitted to Incur such Indebtedness under paragraphs (1), (2)(d), (2)(e) or 2(p) of the covenant described under the caption "—Incurrence of Indebtedness and Issuance of Preferred Stock" and the covenant described under the caption"—Issuer's Business Activities", (2) the holders of such Indebtedness (or their representative), other than any Additional Notes, are or become party to the Intercreditor Agreement; (3) the agreement in respect of such Indebtedness contains provisions with respect to releases of Collateral no more restrictive on the Issuer than the provisions of the Indenture and the Collateral Document; and (4) the Issuer delivers to the Trustee an Opinion of Counsel and an Officer's Certificate with respect to corporate and collateral matters in connection with the Collateral Document and (ii) certain Permitted Liens. The Trustee and the Collateral Agent will be permitted and authorized, without the consent of any Holder, to enter into any

amendments to the Collateral Document or the Indenture and take any other action necessary to permit the creation and registration of Liens on the Collateral to secure Permitted Pari Passu Secured Indebtedness in accordance with this paragraph and the terms of the Indenture (including, without limitation, the appointment of a collateral agent under the Intercreditor Agreement referred to below to hold the Collateral on behalf of the Holders and the holders of Permitted Pari Passu Secured Indebtedness).

Except for certain Permitted Liens and the Permitted Pari Passu Secured Indebtedness, the Issuer and the other Restricted Subsidiaries will not be permitted to issue or Incur any other Indebtedness secured by all or any portion of the Collateral without the consent of each Holder of the Notes then outstanding.

Intercreditor Agreement

On or prior to the first Incurrence of any Permitted Pari Passu Secured Indebtedness (other than Additional Notes), the Trustee and the Collateral Agent will enter into an intercreditor agreement (the "Intercreditor Agreement"), without requiring any instruction or consent from the Holders, with the Issuer, the Pledgor, the Collateral Agent and the holders of such Permitted Pari Passu Secured Indebtedness (or their representative). The Intercreditor Agreement will provide, among other things, that (1) the parties thereto shall share equal priority and pro rata entitlement in and to the Collateral; (2) the conditions that are applicable to the release of or granting of any Lien on such Collateral; and (3) the conditions under which the parties thereto will enforce their rights with respect to such Collateral and the Indebtedness secured thereby.

Under the Intercreditor Agreement, the holders of any Permitted Pari Passu Secured Indebtedness (or their representative) (collectively with the Trustee, the "Pari Passu Secured Parties") will appoint The Bank of New York Mellon (or the successor Collateral Agent appointed under the Collateral Document if such a successor has been appointed) to act as the Collateral Agent with respect to the Collateral, to exercise remedies (subject to the terms of the Indenture and any document governing Permitted Pari Passu Secured Indebtedness) in respect thereof upon the occurrence of an event of default under the Indenture and any document governing Permitted Pari Passu Secured Indebtedness, and to act as provided in the Intercreditor Agreement.

In connection with the Incurrence of any subsequent Permitted Pari Passu Secured Indebtedness, the holders of such Permitted Pari Passu Secured Indebtedness (or their representative) will (a) accede to the Intercreditor Agreement and become parties to it or (b) enter into another intercreditor agreement on substantially similar terms.

By accepting the Notes, each Holder shall be deemed to have consented to the execution of the Intercreditor Agreement, any supplements, amendments or modifications thereto, and any future Intercreditor Agreement required under the Indenture.

Enforcement of Security

The first priority liens over the Collateral securing the Notes and the Permitted Pari Passu Indebtedness will be granted to the Collateral Agent. The Collateral Agent will hold such Liens and security interests in the Collateral granted pursuant to the applicable Collateral Document with sole authority as directed by the written instruction of the majority of the secured creditors, as defined in the Intercreditor Agreement, to exercise remedies under the Collateral Document. The Collateral Agent has agreed to act as secured party on behalf of the Pari Passu Secured Parties under the Collateral Document, to follow the instructions provided to it under the Intercreditor Agreement and the Collateral Document and to carry out certain other duties.

The Collateral Agent may decline to foreclose on the Collateral or exercise remedies available if it does not receive indemnification and/or security and/or pre-funding to its satisfaction. In addition, the Collateral Agent's ability to foreclose on the Collateral may be

subject to lack of perfection, the consent of third parties, prior Liens and practical problems associated with the realization of the Collateral Agent's Liens on the Collateral, as the case may be. None of the Collateral Agent nor the Trustee, nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value, adequacy or protection of the Collateral, for the legality, enforceability, effectiveness or sufficiency of the Collateral Document, for the creation, perfection, priority, sufficiency or protection of any of the Liens, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or the Collateral Document, or any delay in doing so.

The Collateral Document provides that the Parent Guarantor will indemnify the Collateral Agent and the Trustee for all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind imposed against the Collateral Agent arising out of the Collateral Document except to the extent that any of the foregoing are finally judicially determined to have resulted from the gross negligence or willful misconduct of the Collateral Agent or the Trustee, as applicable.

Collateral Enforcement

All payments received and all amounts held by the Collateral Agent in respect of the Collateral under the Collateral Document will, in accordance with the terms of the Intercreditor Agreement, be applied as follows:

- *first*, to the Trustee, the Collateral Agent, the Agents and to the extent applicable, to any representative of holders of any Permitted Pari Passu Secured Indebtedness, to the extent necessary to reimburse the Trustee, the Collateral Agent, the Agents and any such representative for any unpaid fees, costs and expenses incurred in connection with the collection or distribution of such amounts held or realized or in connection with expenses incurred in enforcing its remedies under the Collateral Document and preserving the Collateral and all amounts for which the Trustee, the Common Collateral Agent, the Agents and any such representative are entitled to indemnification under the Collateral Document, the Intercreditor Agreement and the Indenture;

- *second*, to the Trustee for the benefit of Holders and, to the extent applicable, to holders of any Permitted Pari Passu Secured Indebtedness (or their representative) on a pro rata and *pari passu* basis; and

- *third*, any surplus remaining after such payments will be paid to the Issuer or to whomever may be lawfully entitled thereto.

Repurchase at the Option of Holders

Change of Control Triggering Event

If a Change of Control Triggering Event occurs, each Holder will have the right to require the Issuer to repurchase all or any part (equal to US$200,000 or an integral multiple of US$1,000) of that Holder's Notes pursuant to a Change of Control Offer on the terms set forth in the Indenture. In the Change of Control Offer, the Issuer will offer a purchase price in cash equal to 101% of the aggregate principal amount of the Notes (the "Change of Control Payment") repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within ten days following any Change of Control Triggering Event, the Issuer will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control Triggering Event payment date (the "Change of Control Payment Date") specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the Indenture and described in such notice.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the Indenture by virtue of such compliance.

On the Change of Control Payment Date, the Issuer will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent or tender agent for such Change of Control Offer an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Paying Agent the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

The Paying Agent or tender agent for such Change of Control Offer will promptly mail to each Holder that properly tendered Notes the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require the Issuer to make a Change of Control Offer following a Change of Control Triggering Event will be applicable whether or not any other provisions of the Indenture are applicable. Except as described above with respect to a Change of Control Triggering Event, the Indenture does not contain provisions that permit the Holders of the Notes to require that the Issuer repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

The Issuer will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the Indenture as described above under the caption "—Optional Redemption," unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the properties or assets of the Parent Guarantor and the Restricted Subsidiaries taken as a whole. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a Holder of Notes to require the Issuer to repurchase its Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of the Company and the Restricted Subsidiaries taken as a whole to another Person or group may be uncertain.

Asset Sales

The Issuer will not and the Parent Guarantor will not permit any other Restricted Subsidiary to consummate any Asset Sale, unless:

(1) no Default shall have occurred and be continuing or would occur as a result of such Asset Sale;

(2) the consideration received by the Issuer or such other Restricted Subsidiary is at least equal to the Fair Market Value of the assets sold or disposed of;

(3) in the case of an Asset Sale that is an Asset Disposition, the Issuer could incur at least US$1.00 of Indebtedness under the Combined Leverage Ratio after giving pro forma effect to the Asset Disposition; and

(4) at least 75% of the consideration received consists of cash, Temporary Cash Equivalents or Replacement Assets (as defined below) or any combination thereof.

For purposes of this provision, each of the following will be deemed to be cash:

(1) any liabilities, as shown on the most recent combined statement of financial position of the Restricted Group (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that irrevocably and unconditionally releases the Issuer or such other Restricted Subsidiary from further liability; and

(2) any securities, notes or other obligations received by the Issuer or any other Restricted Subsidiary from such transferee that are promptly, but in any event within 30 days of closing, converted by the Issuer or such other Restricted Subsidiary into cash, to the extent of the cash received in that conversion.

Within 360 days after the receipt of any Net Cash Proceeds from an Asset Sale, such Net Cash Proceeds must be applied (a) to repay Senior Indebtedness (and if such Indebtedness is revolving credit Indebtedness, to permanently reduce such commitments) of a Restricted

Subsidiary or (b) to make capital expenditures for a Permitted Business, (c) acquire properties and assets (other than current assets) that are used or will be used in a Permitted Business, acquire all, or substantially all of the assets of, or the Capital Stock of, a Person, or a line of business, which is a Permitted Business, or (d) any combination of the foregoing (collectively, "Replacement Assets"); *provided that* any such reinvestment in Replacement Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Parent Guarantor that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days after such 360th day.

Any Net Cash Proceeds from Asset Sales that are not applied or invested under (a) or (b) above will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds US$5.0 million, within ten days thereof, the Issuer must make an offer (an "Excess Proceeds Repurchase Offer") to purchase the Notes at 100% of the principal amount of the Notes and any pari passu Indebtedness similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale, plus accrued and unpaid interest, if any, to the date of purchase. If the aggregate principal amount of Notes and pari passu Indebtedness tendered into such Excess Proceeds Repurchase Offer exceeds the amount of Excess Proceeds, the Notes and such pari passu Indebtedness will be purchased on a pro rata basis. Any remaining proceeds after such Excess Proceeds Repurchase Offer may be used for any purpose not otherwise prohibited under the Indenture. Upon completion of each Excess Proceeds Repurchase Offer, the amount of Excess Proceeds will be reset at zero.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of an Asset Sale. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Asset Sale provisions of the Indenture by virtue of such compliance.

Additional Amounts

All payments of principal of, and premium (if any) and interest on the Notes or under the Note Guarantee will be made by or on behalf of the Issuer or any Guarantor without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within The Netherlands and Mauritius or any other jurisdiction in which the Issuer, a Surviving Person (as defined under "—Certain Covenants—Merger, Consolidation and Sale of Assets") or any Guarantor is organized or resident for tax purposes or any political subdivision or taxing authority thereof or therein (each, as applicable, a "Relevant Taxing Jurisdiction") or any jurisdiction through which payment is made by or on behalf of the Issuer, the Guarantors or a Surviving Person, or any political subdivision or taxing authority thereof or therein (together with the Relevant Taxing Jurisdictions, the "Relevant Jurisdictions"), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, the Issuer, the Guarantors or a Surviving Person, as the case may be, will pay such additional amounts (the "Additional Amounts") as will result in receipt by the Holder of each Note of such amounts as would have been received by such Holder had no such withholding or deduction been required, except that no Additional Amounts will be payable:

(1) for or on account of:

(a) any tax, duty, assessment or governmental charge that would not have been imposed but for:

(i) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Relevant Jurisdiction other than merely

holding such Note or the receipt of payments thereunder or under the Note Guarantee, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

(ii) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period;

(iii) the presentation of such Note (in cases in which presentation is required) for payment in the Relevant Jurisdiction, unless such Note could not have been presented for payment elsewhere; or

(iv) the failure of the Holder or beneficial owner to comply with a timely request of the Issuer, any Guarantor or a Surviving Person, addressed to the Holder, to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that due and timely compliance with such request is required under the statutes, regulations or official administrative guidance having a force of law of the Relevant Jurisdiction in order to reduce or eliminate any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder.

(b) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(c) any tax, duty, assessment or other governmental charge which is payable other than by deduction or withholding from payments of principal of or interest or any premium on the Note or payments under the Note Guarantee;

(d) any tax, assessment, withholding or deduction required by sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended ("FATCA"), any current or future Treasury Regulations or rulings promulgated thereunder, any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA, any intergovernmental agreement between the United States and any other jurisdiction to implement FATCA, or any agreement with the U.S. Internal Revenue Service under FATCA; or

(e) any combination of taxes, duties, assessments or governmental charges referred to in the preceding clauses (a), (b), (c) and (d);

(2) to a Holder that is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, or a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

The Issuer, the Guarantor or a Surviving Person, as the case may be, will (i) make such withholding or deduction and (ii) remit the full amount deducted or withheld to the relevant

authority in accordance with applicable law. The Issuer, the Guarantor or a Surviving Person, as the case may be, will make reasonable efforts to obtain original tax receipts or certified copies thereof evidencing the payment of any taxes, duties, assessment or governmental charges so deducted or withheld and paid to the Relevant Jurisdiction. The Issuer, the Guarantor or a Surviving Person, as the case may be, will furnish to the Trustee, within 60 days after the date the payment of any taxes, duties, assessment or governmental charges so deducted or withheld is due pursuant to applicable law, either original tax receipts or certified copies thereof evidencing such payment or, if such receipts are not obtainable, other evidence of such payments.

At least 30 days prior to each date on which any payment under or with respect to the Notes is due and payable, if the Issuer, the Guarantor or a Surviving Person, as the case may be, will be obligated to pay Additional Amounts with respect to such payment, the Issuer, the Guarantor or a Surviving Person, as the case may be, will deliver to the Trustee an Officer's Certificate stating the fact that such Additional Amounts will be payable and the amounts so payable and will set forth such other information necessary to enable the Paying Agent to pay such Additional Amounts to the Holders on such payment date.

In addition, the Issuer, the Guarantor or a Surviving Person, as the case may be, will pay any stamp, issue, registration, documentary, value added or other similar taxes and other duties (including interest and penalties) payable in any Relevant Jurisdiction in respect of the creation, issue, offering, execution or enforcement of the Notes, the Note Guarantee or any documentation with respect thereto. Whenever there is mentioned in any context the payment of principal of, and any premium or interest on, any Note or under the Note Guarantee, such mention will be deemed to include payment of Additional Amounts provided for in the Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

Redemption for Taxation Reasons

The Notes may be redeemed, at the option of the Issuer or a Surviving Person, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to the Holders and the Trustee (which notice will be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Issuer or the Surviving Person, as the case may be, for redemption (the "Tax Redemption Date") if, as a result of:

(1) any change in, or amendment to, the statutes, regulations or official administrative guidance having the force of law, of a Relevant Taxing Jurisdiction (or India, or any political subdivision or taxing authority thereof or therein, in the case of payments on a Rupee Bond) affecting taxation; or

(2) any change in, or amendment to, the existing official position regarding the application or interpretation of such statutes, regulations, rulings or official administrative guidance (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment becomes effective or, in the case of an official position, is announced (i) with respect to the Issuer, on or after the Original Issue Date, or (ii) with respect to a Surviving Person organized or resident for tax purposes in a jurisdiction that is not the Issuer's or the Note Guarantor's Relevant Taxing Jurisdiction as of the Original Issue Date, on or after the date such Surviving Person becomes a Surviving Person, with respect to any payment due or to become due under the Notes or the Rupee Bonds, as applicable, the Issuer, the Note Guarantor, a Surviving Person, or a Restricted Subsidiary that has issued a Rupee Bond, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts (or in the case of a Rupee Bond, the Restricted Subsidiary that is the issuer of the Rupee Bond would be required to withhold or deduct any taxes, duties, assessments or government charges of whatever nature), and such requirement cannot be avoided by the taking of reasonable measures by the Issuer, the Note Guarantor, a Surviving Person or such Restricted Subsidiary, as the case may be; *provided*

that no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Issuer, the Note Guarantor, a Surviving Person, or such Restricted Subsidiary, as the case may be, would be obligated to pay such Additional Amounts (or withhold or deduct an amount with respect to any payment on a Rupee Bond) if a payment in respect of the Notes (or on a Rupee Bond) were then due; and *provided further that* where any such requirement to pay Additional Amounts (or withhold or deduct an amount with respect to any payment on a Rupee Bond) is due to taxes imposed by India or any political subdivision or taxing authority thereof or therein, the Issuer or the Surviving Person will be permitted to redeem the Notes in accordance with the provisions hereof only if the rate of withholding or deduction in respect of which Additional Amounts are required (or in respect of which withholding is required on a Rupee Bond) is in excess of 20% (plus applicable surcharge and cess).

Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer or a Surviving Person, as the case may be, will deliver to the Trustee at least 30 days but not more than 60 days before a redemption date:

(1) an Officer's Certificate stating that such change or amendment referred to in the prior paragraph has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Issuer, the Note Guarantor, a Surviving Person or the applicable Restricted Subsidiary, as the case may be, taking reasonable measures; and

(2) an Opinion of Counsel or an opinion of a tax consultant of recognized standing with respect to tax matters of the Issuer's, Note Guarantor's or a Surviving Person's Relevant Taxing Jurisdiction, or tax matters of India, with respect to the Restricted Subsidiaries, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in the prior paragraph.

The Trustee will accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it will be conclusive and binding on the Holders.

Selection and Notice

If less than all of the Notes are to be redeemed at any time, the Notes will be redeemed on a pro rata basis to the extent practicable or pursuant to another method in accordance with the procedures of The Depository Trust Company, unless otherwise required by law or applicable stock exchange requirements.

No Notes of US$200,000 or less can be redeemed in part. Notices of redemption will be mailed by first class mail at least 30 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or the satisfaction and discharge of the Indenture. Notices of redemption may not be conditional.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount of that Note that is to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder of Notes upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption.

Open Market Purchases and Cancellation of Notes

The Issuer or the Parent Guarantor may purchase Notes in the open market or by tender or by any other means at any price, so long as such acquisition does not otherwise violate the terms of the Indenture. All Notes that are purchased, acquired or otherwise redeemed by the Issuer or the Parent Guarantor will be cancelled.

A Restricted Subsidiary may not be designated as an Unrestricted Subsidiary at any time other than as set forth in the paragraph below. The Restricted Subsidiaries will at all times remain Subsidiaries of the Parent Guarantor (other than as a result of a sale of all or any portion of the Capital Stock of such Restricted Subsidiary held by the Parent Guarantor or any of its Subsidiaries if pursuant to any applicable law, rule, regulation or order the Parent Guarantor or any of its

subsidiaries is required to sell or dispose of such Capital Stock in an amount such that the Restricted Subsidiary would not remain a Subsidiary of the Parent Guarantor). The Issuer will not and the Parent Guarantor will not permit any other Restricted Subsidiary to own any Subsidiary that is an Unrestricted Subsidiary at any time.

Notwithstanding any provision of the Indenture, the Board of Directors of the Parent Guarantor may designate a Restricted Subsidiary that became a Restricted Subsidiary after the Original Issue Date as an Unrestricted Subsidiary solely in the event that such Restricted Subsidiary Incurred Indebtedness under clause (2)(i) of the covenant described under the caption "Incurrence of Indebtedness and Issuance of Preferred Stock" that after the Parent Guarantor having used its reasonable best efforts will not be able to be refinanced or refunded, replaced, exchanged, renewed, repaid, redeemed, defeased or discharged within three months of the date such Restricted Subsidiary became a Restricted Subsidiary. Any such Restricted Subsidiary that is redesignated an Unrestricted Subsidiary shall only be permitted if (i) such Subsidiary would not be owned by any other Restricted Subsidiary after such designation; and (ii) any Investment by any other Restricted Subsidiary remaining in such Subsidiary after giving effect to such designation would be permitted to be made by the covenant described under the caption "Certain Covenants—Restricted Payments". In addition, notwithstanding any provision of the Indenture any sale or transfer of the Capital Stock of a Restricted Subsidiary designated as an Unrestricted Subsidiary pursuant to the immediately preceding sentence to another Subsidiary of the Parent Guarantor will be deemed to not be (i) an Asset Sale or (ii) an Affiliate Transaction; *provided that* the consideration received for such sale or transfer is not less than the consideration paid for such Capital Stock in a sale or transfer by which such Restricted Subsidiary was designated a Restricted Subsidiary.

Government Approvals and Licenses; Compliance with Law

The Parent Guarantor will cause each Restricted Subsidiary to (1) obtain and maintain in full force and effect all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the Permitted Businesses; (2) preserve and maintain good and valid title to its properties and assets (including land-use rights); and (3) comply with all laws, regulations, orders, judgments and decrees of any governmental body, except to the extent that failure so to obtain, maintain, preserve and comply would not reasonably be expected to have a material adverse effect on (a) the business, results of operations or prospects of the Restricted Group, taken as a whole, or (b) the ability of the Issuer and any Guarantor to perform its obligations under the Notes, the Note Guarantee or the Indenture.

Anti-Layering

The Issuer will not Incur any Indebtedness if such Indebtedness is contractually subordinated in right of payment to any other Indebtedness of the Issuer, unless such Indebtedness is also contractually subordinated in right of payment to the Notes, on substantially identical terms. This does not apply to distinctions between categories of Indebtedness that exist by reason of any Liens or Guarantee securing or in favor of some but not all of such Indebtedness or by virtue of some Indebtedness being secured on a junior priority basis.

Currency Indemnity

The US Dollar is the sole currency of account and payment for all sums payable by the Issuer and the Guarantors under the Notes and the Note Guarantee (the "Contractual Currency"). Any amount received or recovered in currency other than the Contractual Currency in respect of the Notes or the Note Guarantee (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up, liquidation or dissolution of any Guarantor, any Subsidiary or otherwise) by the Holder in respect of any sum expressed to be due to it from the Issuer or any Guarantor will constitute a discharge of the Issuer or the Guarantor, as the case may be, only to the extent of the Contractual Currency amount which the recipient is able to

purchase with the amount so received or recovered in other currency on the date of that receipt or recovery (or, if it is not possible to make that purchase on that date, on the first date on which it is possible to do so). If that purchased amount is less than the Contractual Currency amount expressed to be due to the recipient under any Note, the Issuer and the Guarantors will indemnify the recipient against any loss sustained by it as a result. For the purposes of this indemnity, it will be sufficient for the Holder to certify (indicating the sources of information used) that it would have suffered a loss had the actual purchase of Contractual Currency been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of Contractual Currency on such date had not been possible, on the first date on which it would have been possible).

Each of the above indemnities will, to the extent permitted by law:

- constitute a separate and independent obligation from the other obligations of the Issuer or the Guarantors;
- give rise to a separate and independent cause of action;
- apply irrespective of any waiver granted by any Holder; and
- continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order.

Suspension of Certain Covenants

If on any date following the Original Issue Date, the Notes have a rating of Investment Grade from both of the Rating Agencies and no Default or Event of Default has occurred and is continuing (a "Suspension Event"), then, beginning on that day and continuing until such time, if any, at which the Notes cease to have a rating of Investment Grade from either of the Rating Agencies, the provisions of the Indenture summarized under the following captions will be suspended:

(1) "Certain Covenants Incurrence of Indebtedness and Issuance of Preferred Stock";

(2) "Certain Covenants Restricted Payments";

(3) "Certain Covenants Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries";

(4) "Certain Covenants Sales and Issuances of Capital Stock in Restricted Subsidiaries";

(5) "Certain Covenants Issuances of Guarantees by Restricted Subsidiaries";

(6) "Asset Sales";

(7) clause (4) of the first paragraph of the covenant described under the caption "Merger, Consolidation and Sale of Assets"; and

(8) "Certain Covenants Restricted Group's Business Activities".

Such covenants will be reinstated and apply according to their terms as of and from the first day on which a Suspension Event ceases to be in effect. Such covenants will not, however, be of any effect with regard to actions of the Issuer or any other Restricted Subsidiary properly taken in compliance with the provisions of the Indenture during the continuance of the Suspension Event, and following reinstatement (1) the calculations under the covenant described under the caption "—Certain Covenants—Restricted Payments" will be made as if such covenant had been in effect

since the date of the Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended and (2) all Indebtedness Incurred during the Suspension Period will be classified to have been incurred pursuant to clause (2)(b) of the covenant described under the caption "—Certain Covenants—Incurrence of Indebtedness and Issuance of Preferred Stock."

There can be no assurance that the Notes will ever achieve an Investment Grade rating or that, if achieved, any such rating will be maintained.

Provision of Financial Statements and Reports

For so long as any Notes are outstanding, the Parent Guarantor will provide to the Trustee, as soon as they are available but in any event not more than ten calendar days after they are filed with the principal international recognized stock exchange on which the Parent Guarantor's Common Stock is at any time listed for trading, true and correct copies of any financial or other report in the English language (and an English translation of any financial or other report in any other language) filed with such exchange; *provided*, *however*, that if at any time the Common Stock of the Parent Guarantor is not listed for trading on an internationally recognized stock exchange, the Parent Guarantor will file with the Trustee, in the English language (or accompanied by an English translation thereof),

(1) within 120 days after the end of the Parent Guarantor's fiscal year beginning with the first fiscal year ending after the Original Issue Date, annual reports containing the following information: (a) audited consolidated balance sheets of the Parent Guarantor as of the end of the two most recent fiscal years and audited consolidated income statements and statements of cash flow of the Parent Guarantor for the two most recent fiscal years, including footnotes to such financial statements and the audit report of a member firm of an internationally recognized accounting firm on the financial statements; and (b) an operating and financial review of the audited financial statements; and

(2) within 90 days after the end of the first semi-annual period in each fiscal year of the Parent Guarantor beginning with the semi-annual period ending after the Original Issue Date, semi-annual reports containing (a) an unaudited consolidated balance sheet as of the end of such semi-annual period and unaudited condensed statements of income and cash flow for the most recent semi-annual period ending on the unaudited consolidated balance sheet date, and the comparable prior year periods, together with footnotes reviewed by a member firm of an internationally recognized accounting firm; and (b) an operating and financial review of the unaudited financial statements;.

In addition, for so long as any Notes are outstanding, the Issuer will provide to the Trustee the following reports, in the English language:

(1) no later than the date on which the Parent Guarantor provides its corresponding annual reports to the Trustee pursuant to the preceding paragraph, annual reports containing the following information: (a) audited combined balance sheets of the Restricted Group of the end as of the two most recent fiscal years and audited combined income statements and statements of cash flow of the Restricted Group for the two most recent fiscal years, including footnotes to such financial statements and the audit report of a member firm of an internationally recognized accounting firm on the financial statements; and (b) an operating and financial review of the audited financial statements; and

(2) no later than the date on which the Parent Guarantor provides its corresponding semi-annual reports to the Trustee pursuant to the preceding paragraph, semi-annual reports containing (a) an unaudited combined balance sheet of the Restricted Group as of the end of such semi-annual period and unaudited combined statements of income

and cash flow of the Restricted Group for the most recent semi-annual period ending on the unaudited combined balance sheet date, and the comparable prior year periods, together with footnotes reviewed by a member firm of an internationally recognized accounting firm together with the review report thereon; and (b) an operating and financial review of the unaudited financial statements; the financial statements of the Restricted Group for the semi-annual period ending September 30, 2017 need not include comparable prior year periods or an operating and financial review of the unaudited financial statements.

In addition, for so long as any Note remains outstanding, the Parent Guarantor will provide to the Trustee (a) within 120 days after the close of each fiscal year, an Officer's Certificate stating the Combined Leverage Ratio at the end of such fiscal year and showing in reasonable detail the calculation of such ratio with a certificate from the Parent Guarantor's external auditors verifying the accuracy and correctness of the calculation and arithmetic computation; *provided*, *however*, that the Parent Guarantor shall not be required to provide such auditor certification if its external auditors refuse as a general policy to provide such certification; and (b) as soon as possible and in any event within 10 Business Days after the Parent Guarantor becomes aware or should reasonably became aware of the occurrence of a Default or Event of Default, an Officer's Certificate setting forth the details of the Default or Event of Default, and the action which the Parent Guarantor proposes to take with respect thereto.

All financial statements of (i) the Parent Guarantor will be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented and (ii) the Restricted Group will be prepared in accordance with International Financial Reporting Standards as modified by commonly used carve-out principles as in effect on the date of such report or financial statement (or otherwise on the basis of such International Financial Reporting Standards as then in effect) and on a consistent basis for the periods presented; *provided*, *however*, that the reports set forth in this covenant may, in the event of change in applicable financial reporting standards, present earlier periods on a basis that applied to such periods.

Further, the Parent Guarantor has agreed that, for as long as any Notes are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, during any period in which the Parent Guarantor is neither subject to Section 13 or 15(d) of the Exchange Act, nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder, the Parent Guarantor will supply to (i) any Holder or beneficial owner of a Note or (ii) a prospective purchaser of a Note or a beneficial interest therein designated by such Holder or beneficial owner, the information specified in, and meeting the requirements of Rule 144A(d)(4) under the Securities Act upon the request of any Holder or beneficial owner of a Note.

Events of Default and Remedies

Each of the following is an "Event of Default":

(1) default in the payment of principal of (or premium, if any, on) the Notes when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise;

(2) default in the payment of interest on any Note when it becomes due and the continuance of any such failure for 30 days;

(3) default in compliance with the covenant described under the caption "—Certain Covenants—Merger, Consolidation and Sale of Assets," or in respect of the Issuer's obligations to make an offer to purchase upon a Change of Control Triggering Event or Asset Sale;

(4) defaults under the Indenture (other than a default specified in clause (1), (2) or (3) above) and continuance of any such default for 60 consecutive days after written notice by the Trustee or the Holders of 25% or more in aggregate principal amount of the Notes is given to the Issuer;

(5) any event of default has occurred and is continuing with respect to any Rupee Bonds (other than any default in the payment of interest);

(6) with respect to any Indebtedness of the Issuer or any other Restricted Subsidiary having an outstanding principal amount of US$10.0 million or more, (a) an event of default causing the holder thereof to declare such Indebtedness to be due prior to its Stated Maturity and/or (b) the failure to make a principal payment when due;

(7) passage of 60 consecutive days following entry of the final judgment or order against the Issuer or any other Restricted Subsidiary that causes the aggregate amount for all such final judgments or orders outstanding and not paid, discharged or stayed to exceed US$10.0 million (exclusive of any amounts for which a solvent (to the Issuer's best knowledge) insurance company has acknowledged liability for);

(8) an involuntary case or other proceeding commenced against the Parent Guarantor, the Issuer or any other Restricted Subsidiary seeking the appointment of a receiver, trustee, etc. and remains undismissed and unstayed for 60 consecutive days; or an order for relief is entered under any bankruptcy or other similar law;

(9) the Issuer, the Parent Guarantor or any Restricted Subsidiary:

(a) commences a voluntary case under any bankruptcy or other similar law, or consents to the entry of an order for relief in an involuntary case,

(b) consents to the appointment of a receiver, trustee, etc., or

(c) effects any general assignment for the benefit of creditors;

(10) any Guarantor denies its obligations under its Note Guarantee or such Note Guarantee is determined to be unenforceable or invalid or shall for any reason cease to be in full force and effect;

(11) any default by the Issuer or the Parent Guarantor in the performance of any of its obligations under the Collateral Document, which adversely affects the enforceability, validity, perfection or priority of the applicable Lien on the Collateral or which adversely affects the condition or value of the Collateral, taken as a whole, in any material respect; or

(12) the repudiation by the Issuer or the Parent Guarantor of any of their obligations under the Collateral Document or the Collateral Document ceases to be or is not in full force or effect or the failure to create a first priority lien on the Collateral or the Trustee/Collateral Agent ceases to have a first priority security interest in the Collateral (subject to any Permitted Liens and any Intercreditor Agreement).

If an Event of Default (other than an Event of Default specified in clause (8) or (9) above) occurs and is continuing under the Indenture, the Trustee (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Issuer (and to the Trustee if such notice is given by the Holders), may, and the Trustee at the written direction of such Holders (subject to it being indemnified and/or secured and/or pre-funded to its satisfaction) will, declare the principal of, premium and Additional Amounts, if any, and accrued and unpaid interest on the

Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium and Additional Amounts, if any, and accrued and unpaid interest will be immediately due and payable. If an Event of Default specified in clause (8) or (9) above occurs with respect to the Parent Guarantor or any Restricted Subsidiary, the principal of, premium and Additional Amounts, if any, and accrued and unpaid interest on the Notes then outstanding will automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

The Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Issuer and to the Trustee (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) may on behalf of all the Holders waive all past defaults and rescind and annul a declaration of acceleration and its consequences if:

(1) all existing Events of Default, other than the non-payment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived; and

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

If an Event of Default occurs and is continuing, the Trustee may pursue, in its own name or as Trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of and interest on the Notes or to enforce the performance of any provision of the Notes or the Indenture, including, but not limited to, directing a foreclosure on the Collateral in accordance with the terms of the Collateral Document and take such further action on behalf of the Holders with respect to the Collateral in accordance with such Holders' instruction and the relevant Collateral Document, subject to any Intercreditor Agreement. The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, subject to any Intercreditor Agreement. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture, that may involve the Trustee in personal liability, or that the Trustee determines may be unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders. In addition, the Trustee will not be required to act on the direction of the Holders unless it is indemnified and/or secured and/or pre-funded to its satisfaction.

A Holder may not institute any proceeding, judicial or otherwise, with respect to the Indenture or the Notes, or for the appointment of a receiver or Trustee, or for any other remedy under the Indenture or the Notes, unless:

(1) the Holder has previously given the Trustee written notice of a continuing Event of Default;

(2) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders provide the Trustee and the Collateral Agent indemnity and/or security and/or pre-funding satisfactory to the Trustee and Collateral Agent against any fees, costs, liability or expenses to be incurred in compliance with such request;

(4) the Trustee does not comply with the request within (x) 60 days after receipt of the written request pursuant to clause (2) above or (y) 60 days after the receipt of indemnity and/or security and/or pre-funding pursuant to clause (3) above, whichever occurs later; and

(5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

However, such limitations do not apply to the contractual right of any Holder of a Note to receive payment of the principal of, premium, if any, or interest on, such Note or any payment under the Note Guarantee, or to bring suit for the enforcement of any such contractual right to payment, on or after the due date expressed in the Notes, which right will not be impaired or affected without the consent of the Holder.

An officer of the Parent Guarantor must certify to the Trustee in writing, on or before a date not more than 120 days after the end of each fiscal year, that a review has been conducted of the activities of the Parent Guarantor and the Restricted Subsidiaries and the Parent Guarantor and the Restricted Subsidiaries' performance under the Indenture, the Notes and the Collateral Document, and that the Parent Guarantor and each Restricted Subsidiary have fulfilled all of their respective obligations thereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof. The Parent Guarantor will also be obligated to notify the Trustee in writing of any default or defaults in the performance of any covenants or agreements under the Indenture. See "—Provision of Financial Statements and Reports."

No Personal Liability of Incorporators, Promoters, Directors, Officers, Employees and Stockholders

No incorporator, promoter, director, officer, employee or stockholder of the Issuer or the Parent Guarantor, as such, will have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Indenture, any Note Guarantee, the Collateral Document or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the United States federal securities laws.

Legal Defeasance and Covenant Defeasance

The Issuer may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an officers' certificate, elect to have all of its obligations discharged with respect to the outstanding Notes and all obligations of the Guarantors discharged with respect to the Note Guarantees ("Legal Defeasance") except for:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on, such Notes when such payments are due from the trust referred to below;

(2) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's and the Guarantors' obligations in connection therewith; and

(4) the Legal Defeasance and Covenant Defeasance provisions of the Indenture.

In addition, the Issuer may, at its option and at any time, elect to have the obligations of the Issuer and the Guarantors released with respect to substantially all of the covenants (including its obligation to make Change of Control Offers and Asset Sale Offers) that are described in the Indenture ("Covenant Defeasance") and thereafter any omission to comply with those covenants will not constitute a Default or Event of Default with respect to the Notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under "Events of Default and Remedies" will no longer constitute an Event of Default with respect to the Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of Legal Defeasance, the Issuer must deliver to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that (a) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (b) since the date of the Indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting of Liens securing such borrowing);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the Indenture) to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;

(6) the Issuer must deliver to the Trustee an officers' certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Indenture, the Notes, any Note Guarantee, the Collateral Document or the Intercreditor Agreement may be amended or supplemented with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and any existing Default or Event of Default or compliance with any provision of the Indenture, the Notes, any Note Guarantee or the Collateral Document may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes).

Without the consent of each Holder of Notes affected, an amendment, supplement or waiver may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note;

(3) change the redemption date or the redemption price of the Notes from that stated under "—Optional Redemption" or "—Redemption for Tax Reasons";

(4) reduce the rate of or change the currency or change the time for payment of interest, including default interest, on any Note;

(5) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(6) reduce the amount payable upon a Change of Control Offer or an Excess Proceeds Repurchase Offer or change the time or manner a Change of Control Offer or an Excess Proceeds Repurchase Offer may be made or by which the Notes must be repurchased pursuant to a Change of Control Offer or an Excess Proceeds Repurchase Offer, in each case after the obligation to make such Change of Control Offer or Excess Process Repurchase Offer has arisen;

(7) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of, or interest or premium, if any, on, the Notes;

(8) waive a redemption payment with respect to any note (other than a payment required by one of the covenants described above under the caption "—Repurchase at the Option of Holders");

(9) release any Guarantor from any of its obligations under its Note Guarantee or the Indenture, except as set forth under the caption "—Brief Description of the Notes and the Note Guarantee—Note Guarantees" and "Merger, Consolidation and Sale of Assets";

(10) release any Collateral from the Lien of the Indenture and the Collateral Document, except as set forth under the caption "—Security"; or

(11) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any Holder of Notes, the Issuer, the Guarantors and the Trustee may amend or supplement the Indenture, the Notes, any Note Guarantee, the Intercreditor Agreement or the Collateral Document:

(1) to cure any ambiguity, defect, omission or inconsistency;

(2) to provide for certificated Notes in addition to or in place of uncertificated Notes;

(3) to provide for the assumption of the Issuer's or the Guarantor's obligations to Holders and Guarantees in the case of a merger or consolidation or sale of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder;

(5) to conform the text of the Indenture, the Notes or the Note Guarantee or the Collateral Document to any provision of this Description of the Notes to the extent that such provision in this Description of the Notes was intended to be a verbatim recitation of a provision thereof;

(6) to provide for the issuance of Additional Notes in accordance with the covenants set forth in the Indenture;

(7) to effect any changes to the Indenture in a manner necessary to comply with the procedures of the relevant clearing system;

(8) to allow a Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes or to release a Guarantor from its Note Guarantee in accordance with the terms of the Indenture;

(9) to enter into additional or supplemental Collateral Documents or to release Collateral from the Lien of the Indenture or the Collateral Document in accordance with the terms of the Indenture and the Collateral Document;

(10) to evidence and provide for the acceptance of appointment by a successor Trustee or Collateral Agent; or

(11) enter into or amend an Intercreditor Agreement as contemplated by the Indenture and the Collateral Document.

In connection with the matters indicated above, the Trustee shall be entitled to rely absolutely on an opinion of counsel and an officer's certificate to the effect that the entry into such amendment, supplement or waiver is authorized or permitted.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Paying Agent for cancellation; or

(b) all Notes that have not been delivered to the Paying Agent for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Paying Agent for cancellation for principal, premium if any, and accrued interest to the date of maturity or redemption;

(2) the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge or any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(3) the Issuer or a Guarantor has paid or caused to be paid all sums payable by it under the Indenture; and

(4) the Issuer has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Issuer must deliver an officers' certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee and the Agents

The Bank of New York Mellon has been appointed as Trustee under the Indenture and as paying agent (the "Paying Agent"), transfer agent (the "Transfer Agent") and registrar (the "Registrar" and together with the Paying Agent and Transfer Agent, the "Agents"). Except during the continuance of a Default, the Trustee will not be liable, except for the performance of such duties as are specifically set forth in the Indenture. If an Event of Default has occurred and is continuing, the Trustee will use the same degree of care and skill in its exercise of the rights and powers vested in it under the Indenture as a prudent person would exercise under the circumstances in the conduct of such person's own affairs.

Each Holder, by accepting the Notes will agree, for the benefit of the Trustee, that it is solely responsible for its own independent appraisal of and investigation into all risks arising under or in connection with the Notes and has not relied on and will not at any time rely on the Trustee in respect of such risks.

The Trustee will be permitted to engage in transactions with the Issuer or any Guarantor; however, if it acquires any conflicting interest it must eliminate such conflict, or resign.

The Indenture provides that the Trustee will not be liable with respect to any action taken or omitted to be taken in accordance with the direction of the Holders of Notes relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee in respect of such Notes. In addition, the Indenture contains a provision entitling the Trustee, to be indemnified and/or secured and/or prefunded to its satisfaction by the Holders of Notes before proceeding to exercise any right or power at the request of Holders of such Notes. Subject to these provisions and other specified limitations, the Holders of a majority in aggregate principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. The Indenture provides that in case an Event of Default occurs and is continuing, the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any Holder of Notes, unless such Holder has provided to the Trustee security and/or indemnity and/or pre-funding satisfactory to it against any loss, liability or expense.

Book-Entry, Delivery and Form

The Notes are being offered and sold to qualified institutional buyers in reliance on Rule 144A ("Rule 144A Notes"). The Notes also may be offered and sold to non-U.S. persons (as defined in Regulation S of the Securities Act) in offshore transactions in reliance on Regulation S under the Securities Act ("Regulation S Notes"). Except as set forth below, the Notes will be issued in registered, global form in minimum denominations of US$200,000 and integral multiples of US$1,000 in excess of US$1,000. Notes will be issued at the closing of this offering only against payment in immediately available funds.

Rule 144A Notes initially will be represented by one or more Notes in registered, global form without interest coupons (collectively, the "Rule 144A Global Notes"). Regulation S Notes initially will be represented by one or more Notes in registered, global form without interest coupons (collectively, the "Regulation S Global Notes" and, together with the Rule 144A Global Notes, the "Global Notes"). The Global Notes will be deposited upon issuance with The Bank of New York Mellon as custodian for The Depository Trust Issuer ("DTC"), in New York, New York, and registered in the name of DTC or its nominee, in each case, for credit to an account of a direct or indirect participant in DTC as described below. Beneficial interests in the Rule 144A Global Notes may not be exchanged for beneficial interests in the Regulation S Global Notes at any time except in the limited circumstances described below. See "—Exchanges between Regulation S Notes and Rule 144A Notes."

Except as set forth below, the Global Notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the Global Notes may not be exchanged for definitive Notes in registered certificated form ("Certificated Notes") except in the limited circumstances described below. See "—Exchange of Global Notes for Certificated Notes." Except in the limited circumstances described below, owners of beneficial interests in the Global Notes will not be entitled to receive physical delivery of Notes in certificated form.

Rule 144A Notes (including beneficial interests in the Rule 144A Global Notes) will be subject to certain restrictions on transfer and will bear a restrictive legend as described under "Transfer Restrictions." Regulation S Notes will also bear the legend as described under "Transfer Restrictions." In addition, transfers of beneficial interests in the Global Notes will be subject to the applicable rules and procedures of DTC and its direct or indirect participants (including, if applicable, those of Euroclear and Clearstream), which may change from time to time.

None of the Trustee, the Agents or any of their respective agents will have any responsibility or be liable for any aspect of the records relating to the book-entry interests.

Depository Procedures

The following description of the operations and procedures of DTC, Euroclear and Clearstream are provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. The Issuer takes no responsibility for these operations and procedures and urges investors to contact the system or their participants directly to discuss these matters.

DTC has advised the Issuer that DTC is a limited-purpose trust company created to hold securities for its participating organizations (collectively, the "Participants") and to facilitate the clearance and settlement of transactions in those securities between the Participants through electronic book-entry changes in accounts of its Participants. The Participants include securities brokers and dealers (including the initial purchaser), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the "Indirect Participants"). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

DTC has also advised the Issuer that, pursuant to procedures established by it:

(1) upon deposit of the Global Notes, DTC will credit the accounts of the Participants designated by the initial purchasers with portions of the principal amount of the Global Notes; and

(2) ownership of these interests in the Global Notes will be shown on, and the transfer of ownership of these interests will be effected only through, records maintained by DTC (with respect to the Participants) or by the Participants and the Indirect Participants (with respect to other owners of beneficial interest in the Global Notes).

Investors in the Rule 144A Global Notes who are Participants may hold their interests therein directly through DTC. Investors in the Rule 144A Global Notes who are not Participants may hold their interests therein indirectly through organizations (including Euroclear and Clearstream) which are Participants. Investors in the Regulation S Global Notes may hold their interests therein through Euroclear or Clearstream, if they are participants in such systems, indirectly through organizations that are participants therein, or through Participants in the DTC system other than Euroclear and Clearstream. Euroclear and Clearstream will hold interests in the Regulation S Global Notes on behalf of their participants through customers' securities accounts in their respective names on the books of their respective depositories, which are Euroclear Bank S.A./N.V., as operator of Euroclear, and Citibank, N.A., as operator of Clearstream. All interests in a Global Note, including those held through Euroclear or Clearstream, may be subject to the procedures and requirements of DTC. Those interests held through Euroclear or Clearstream may also be subject to the procedures and requirements of such systems. The laws of some states require that certain Persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer beneficial interests in a Global Note to such Persons will be limited to that extent. Because DTC can act only on behalf of the Participants, which in turn act on behalf of the Indirect Participants, the ability of a Person having beneficial interests in a Global Note to pledge such interests to Persons that do not participate in the DTC system, or otherwise take actions in respect of such interests, may be affected by the lack of a physical certificate evidencing such interests.

Except as described below, owners of interests in the Global Notes will not have Notes registered in their names, will not receive physical delivery of Notes in certificated form and will not be considered the registered owners or "Holders" thereof under the Indenture for any purpose.

Payments in respect of the principal of, and interest and premium, if any, and Liquidated Damages, if any, on, a Global Note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered Holder under the Indenture. Under the terms of the Indenture, the Issuer, the Trustee and the Agents will treat the Persons in whose names the Notes, including the Global Notes, are registered as the owners of the Notes for the purpose of receiving payments and for all other purposes. Consequently, neither the Issuer, the Trustee nor any agent of the Issuer or the Trustee has or will have any responsibility or liability for:

(1) any aspect of DTC's records or any Participant's or Indirect Participant's records relating to or payments made on account of beneficial ownership interest in the Global Notes or for maintaining, supervising or reviewing any of DTC's records or any Participant's or Indirect Participant's records relating to the beneficial ownership interests in the Global Notes; or

(2) any other matter relating to the actions and practices of DTC or any of its Participants or Indirect Participants.

DTC has advised the Issuer that its current practice, upon receipt of any payment in respect of securities such as the Notes (including principal and interest), is to credit the accounts of the relevant Participants with the payment on the payment date unless DTC has reason to believe that it will not receive payment on such payment date. Each relevant Participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the Participants and the Indirect Participants to the beneficial owners of Notes will be governed by standing instructions and customary practices and will be the responsibility of the Participants or the Indirect Participants and will not be the responsibility of DTC, the Trustee or the Issuer. Neither the Issuer, the Agents nor the Trustee will be liable for any delay by DTC or any of the Participants or the Indirect Participants in identifying the beneficial owners of the Notes, and the Issuer, the Agents and the Trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Subject to the transfer restrictions set forth under "Transfer Restrictions," transfers between the Participants will be effected in accordance with DTC's procedures, and will be settled in same-day funds, and transfers between participants in Euroclear and Clearstream will be effected in accordance with their respective rules and operating procedures.

Subject to compliance with the transfer restrictions applicable to the Notes described herein, cross-market transfers between the Participants, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of Euroclear or Clearstream, as the case may be, by their respective depositaries; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depositary to take action to effect final settlement on its behalf by delivering or receiving interests in the relevant Global Note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

DTC has advised the Issuer that it will take any action permitted to be taken by a Holder of Notes only at the direction of one or more Participants to whose account DTC has credited the

interests in the Global Notes and only in respect of such portion of the aggregate principal amount of the Notes as to which such Participant or Participants has or have given such direction. However, if there is an Event of Default under the Notes, DTC reserves the right to exchange the Global Notes for legended Notes in certificated form, and to distribute such Notes to its Participants.

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures to facilitate transfers of interests in the Rule 144A Global Notes and the Regulation S Global Notes among participants in DTC, Euroclear and Clearstream, they are under no obligation to perform or to continue to perform such procedures, and may discontinue such procedures at any time. None of the Issuer, the Trustee and any of their respective agents will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Exchange of Global Notes for Certificated Notes

A Global Note is exchangeable for Certificated Notes if:

(1) DTC (a) notifies the Issuer that it is unwilling or unable to continue as depositary for the Global Notes or (b) has ceased to be a clearing agency registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor depositary;

(2) the Issuer, at its sole discretion, notifies the Trustee and Registrar in writing that it elects to cause the issuance of the Certificated Notes; or

(3) if a beneficial owner of a Note requests such exchange in writing through DTC following a Default or Event of Default with respect to the Notes which has occurred and is continuing.

In addition, beneficial interests in a Global Note may be exchanged for Certificated Notes upon prior written notice given to the Trustee by or on behalf of DTC in accordance with the Indenture. In all cases, Certificated Notes delivered in exchange for any Global Note or beneficial interests in Global Notes will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depositary (in accordance with its customary procedures) and will bear the applicable restrictive legend referred to in "Transfer Restrictions" unless that legend is not required by applicable law.

Exchange of Certificated Notes for Global Notes

Certificated Notes may not be exchanged for beneficial interests in any Global Note unless the transferor first delivers to the Trustee a written certificate (in the form provided in the Indenture) to the effect that such transfer will comply with the appropriate transfer restrictions applicable to such Notes. See "Transfer Restrictions."

Exchanges between Regulation S Notes and Rule 144A Notes

Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in the Regulation S Global Note only if the transferor first delivers to the Transfer Agent a written certificate (in the form provided in the Indenture) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available).

Transfers involving exchanges of beneficial interests between the Regulation S Global Notes and the Rule 144A Global Notes will be effected by DTC by means of an instruction originated by the Trustee through the DTC Deposit/Withdraw at Custodian system. Accordingly, in connection

with any such transfer, appropriate adjustments will be made to reflect a decrease in the principal amount of the Regulation S Global Note and a corresponding increase in the principal amount of the Rule 144A Global Note or vice versa, as applicable. Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in the other Global Note will, upon transfer, cease to be an interest in such Global Note and will become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Note for so long as it remains such an interest.

Same Day Settlement and Payment

The Issuer will make payments in respect of the Notes represented by the Global Notes (including principal, premium, if any, interest and, if any) by wire transfer of immediately available funds to the accounts specified by DTC or its nominee. The Issuer will make all payments of principal, interest and premium, if any, and Liquidated Damages, if any, with respect to Certificated Notes by wire transfer of immediately available funds to the accounts specified by the Holders of the Certificated Notes.

The Notes represented by the Global Notes are expected to be eligible to trade in The PORTALSM Market and to trade in DTC's Same-Day Funds Settlement System, and any permitted secondary market trading activity in such Notes will, therefore, be required by DTC to be settled in immediately available funds. The Issuer expects that secondary trading in any Certificated Notes will also be settled in immediately available funds. Because of time zone differences, the securities account of a Euroclear or Clearstream participant purchasing an interest in a Global Note from a Participant will be credited, and any such crediting will be reported to the relevant Euroclear or Clearstream participant, during the securities settlement processing day (which must be a business day for Euroclear and Clearstream) immediately following the settlement date of DTC. DTC has advised the Issuer that cash received in Euroclear or Clearstream as a result of sales of interests in a Global Note by or through a Euroclear or Clearstream participant to a Participant will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC's settlement date.

On the closing date, the Issuer will deposit the net proceeds of this offering into an escrow account ("Escrow Account"), which will be released from time to time for the Issuer to subscribe for or loan the Rupee Debt issued or borrowed by any of the Restricted Subsidiaries, to redeem Notes or to use as otherwise described under "Description of the Notes — Escrow Account." The net proceeds may be released from the Escrow Account prior to the subscription to or loan of the Rupee Debt.

The net proceeds from this offering will be used by the Issuer to subscribe for or loan the Rupee Debt (as defined herein) to be issued or borrowed by the Restricted Subsidiaries (as defined herein) as described under "Use of Proceeds — Subscription for Rupee Debt". The Restricted Subsidiaries in turn intend to use the proceeds as described under "Use of Proceeds."

If on the date that is six months after the Original Issue Date (as defined in the Indenture), any debt of the Restricted Subsidiaries intended to be refinanced with the proceeds of the Notes remains outstanding, the Issuer may be required to redeem the Notes, in full or in part, at a redemption price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the redemption date in the circumstances and on the basis as described in "Description of the Notes — Special Mandatory Redemption."

The Notes will be guaranteed, on a senior basis by the Parent (the "Parent Guarantee"). The Parent Guarantee shall be released upon confirmation to the trustee (the "Trustee") under the indenture (the "Indenture") that certain conditions have been fulfilled as described under the "Description of Notes." The Notes and the Parent Guarantee will be the Issuer's and the Parent's senior obligations and will be secured by a fixed charge by the Parent over the capital stock of the Issuer and prior to the release therefrom, a first-priority security interest in the Escrow Account (collectively, the "Collateral"). The capital stock of the Issuer will also be pledged as collateral to secure certain hedging obligations, and in the event of enforcement of the security interests over such capital stock, the counterparties under such hedging obligations will be repaid with the proceeds from the enforcement of such collateral in priority to the Notes.

The Notes will be unsubordinated obligations of the Issuer, senior in right of payment to any obligations of the Issuer expressly subordinated in right of payment to the Notes, will rank at least *pari passu* in right of payment with all unsubordinated indebtedness of the Issuer (subject to any priority rights of such unsubordinated indebtedness pursuant to applicable law), unconditionally guaranteed by the Parent on a senior basis in accordance with the Indenture (subject to certain limitations) and effectively junior to any secured indebtedness of the Issuer, to the extent of the value of assets securing such indebtedness (other than the Collateral) and secured by first-priority liens on the Collateral (subject to certain exceptions). The Parent Guarantee will be a general obligation of the Parent, senior in right of payment to any obligations of the Parent expressly subordinated in right of payment to the Note Guarantee, effectively junior to any secured indebtedness, to the extent of the value of the assets securing such indebtedness and effectively junior to all obligations of any subsidiary of the Parent. For a more detailed description of the Notes, see "Description of the Notes" and for a description of certain risks relating to the Notes, the Note Guarantees, the Collateral and the Hedging Transactions, see "Risk Factors — Risks relating to the Notes, the Note Guarantees, the Collateral and the Hedging Transactions."

DESCRIPTION OF THE NOTES

You can find the definitions of certain terms used in this description under the subheading "Certain Definitions." In this description, the term "Parent" refers only to Azure Power Global Limited and not to any of its subsidiaries, and the term "Issuer" refers only to Azure Power Energy Ltd and any successor obligor to the Notes.

The Issuer will issue the notes (the "Notes") under an indenture (the "Indenture"), to be dated as of August 3, 2017, among itself, the Parent, and Citicorp International Limited, as trustee (the "Trustee"), in a private transaction that is not subject to the registration requirements of the Securities Act. Holders of the Notes will not be entitled to any registration rights. The terms of the Notes will include those stated in the Indenture. The Collateral Documents referred to below under the caption "— Security" will define the terms of the agreements that will secure the Notes.

The following description is a summary of the material provisions of the Indenture, the Notes, the Note Guarantees and the Collateral Documents. This summary does not purport to be complete and is qualified in its entirety by reference to all of the provisions of the Indenture, the Notes, the Note Guarantees and the Collateral Documents. It does not restate those agreements in their entirety. We urge you to read the Indenture and the Collateral Documents because they, and not this description, define your rights as Holders. Copies of the Indenture and the Collateral Documents will be available as set forth under "Available Information" on or after the Original Issue Date. Defined terms used in this description but not defined under "— Certain Definitions" have the meanings assigned to them in the Indenture and the Collateral Documents.

The registered Holder of a Note will be treated as the owner of it for all purposes. Only registered Holders will have rights under the Indenture.

Brief Description of the Notes and the Note Guarantees

The Notes

The Notes will be:

- unsubordinated obligations of the Issuer;
- senior in right of payment to any obligations of the Issuer expressly subordinated in right of payment to the Notes;
- at least *pari passu* in right of payment with all unsubordinated Indebtedness of the Issuer (subject to any priority rights of such unsubordinated Indebtedness pursuant to applicable law);
- unconditionally guaranteed by the Guarantors on a senior basis in accordance with the Indenture, subject to the limitations described below under "— The Note Guarantees" and "Risk Factors — Risks Relating to the Notes, the Note Guarantees, the Collateral and the Hedging Transactions — The enforceability of the Note Guarantees will be subject to the local laws of the jurisdictions in which such Note Guarantors are organized";
- effectively junior to any secured Indebtedness of the Issuer, to the extent of the value of assets securing such Indebtedness (other than the Collateral, to the extent applicable); and
- secured by first-priority liens on the Collateral (subject to Permitted Liens).

Following the issuance of the Notes and application of the proceeds thereof, the Issuer's only material assets will be (i) any cash released from the Escrow Account to the extent not used to subscribe for or loan the Rupee Debt or to fund a Special Mandatory Redemption and (ii) the Rupee Debt issued by other Restricted Subsidiaries. As of the date hereof, the Issuer does not own any Capital Stock of any other Restricted Subsidiary and the Issuer will be entirely dependent on payments from other Restricted Subsidiaries under the Rupee Debt to make payments on the Notes. See "Risk Factors — Risks Relating to the Notes, the Note Guarantees, the Collateral and the Hedging Transactions — The Issuer's ability to pay the principal and interest on the Notes and the Parent's ability to guarantee the Issuer's obligations on the Notes may be affected by this offering structure and our corporate organization structure, and the inability to issue or borrow Rupee Debt may result in a Special Mandatory Redemption."

As of March 31, 2017, after giving effect to the application of proceeds of this offering as described under "Use of Proceeds," the Restricted Group on a combined basis would have had US$500.0 million outstanding Indebtedness. See "Risk Factors — Risks Relating to Us and Our industry — We have, on a consolidated basis, a substantial amount of debt, which could have a material adverse effect on our business, financial condition and results of operations."

The Note Guarantees

On the Original Issue Date, the Notes will be Guaranteed only by the Parent. Each of the Parent and the future guarantors, if any, is referred to as a "Guarantor," each guarantee of the Notes by the Parent is referred to as the "Parent Guarantee," and each guarantee from a Guarantor is referred to as the "Note Guarantee."

The Parent is a holding company that does not have significant operations. Under the Indenture, the Guarantors will guarantee the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable, under the Notes. The obligations of the Guarantors under the Note Guarantees will be limited as necessary to prevent the Note Guarantees from constituting a fraudulent conveyance under applicable law. See "Risk Factors — Risks Relating to the Notes, the Note Guarantees, the Collateral and the Hedging Transactions — The enforceability of the Note Guarantees will be subject to the local laws of the jurisdictions in which such Note Guarantors are organized."

Each Note Guarantee will be:

- a general obligation of the Guarantor;
- senior in right of payment to any obligations of the Guarantor expressly subordinated in right of payment to the Note Guarantee;
- effectively junior to any secured Indebtedness of the Guarantor, to the extent of the value of the assets securing such Indebtedness; and
- effectively junior to all obligations of any Subsidiary of the Guarantor.

In certain circumstances, the Parent will cause the Restricted Subsidiaries to execute and deliver to the Trustee a Supplemental Indenture to the Indenture pursuant to which such Restricted Subsidiary will guarantee payment of the Notes. See "— Certain Covenants — Issuance of Guarantees by Restricted Subsidiaries." The Note Guarantees will be released upon legal defeasance, covenant defeasance or satisfaction and discharge of the Indenture as provided below under the captions "— Legal Defeasance and Covenant Defeasance" and "— Satisfaction and Discharge," upon repayment in full of the Notes and, solely in the case of a Note Guarantee created pursuant to the first paragraph of the covenant described under the caption "— Certain Covenants — Issuances of Guarantees by Restricted Subsidiaries," upon the release or discharge of the Guarantee that resulted in the creation of such Note Guarantee pursuant to that covenant except a discharge or release by or as a result of payment under such Guarantee.

In addition, the Parent Guarantee will be released (any such release, an "Early Parent Guarantee Release") upon confirmation in an Officer's Certificate of the Parent delivered to the Trustee that the Issuer is able to Incur at least US$1.00 of Indebtedness under the proviso in clause (1) of the covenant described under the caption "— Certain Covenants — Incurrence of Indebtedness and Issuance of Preferred Stock."

Principal, Maturity and Interest

The Issuer will issue US$500,000,000 in aggregate principal amount of Notes in this offering. The Issuer may issue additional notes (the "Additional Notes") under the Indenture from time to time after this offering. Any issuance of Additional Notes is subject to all of the covenants in the Indenture, including the covenant described below under the caption "— Certain Covenants — Incurrence of Indebtedness and Issuance of Preferred Stock." The Notes and any Additional Notes subsequently issued under the Indenture will be treated as a single class for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase, and under the Collateral Documents *provided that* such Additional Notes will be issued under a separate ISIN/CUSIP unless such Additional Notes are issued pursuant to a "qualified reopening" of the original series, are otherwise treated as part of the same "issue" of debt instruments as the original series or are issued with no more than a *de minimis* amount of original discount, in each case for U.S. federal income tax purposes.

The Issuer will issue Notes in denominations of US$200,000 and integral multiples of US$1,000 in excess thereof. The Notes will mature on November 3, 2022 unless earlier redeemed pursuant to the terms thereof and the Indenture. No service charge will be made for any registration of transfer or exchange of the Notes, but the Issuer may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith.

Interest on the Notes will accrue at the rate of 5.50% per annum and will be payable semi-annually in arrears on May 3 and November 3 of each year (each, an "Interest Payment Date"), commencing on May 3, 2018. The Issuer will make each interest payment to the Holders of record at the close of business on October 20 and April 19 immediately preceding an Interest Payment Date (each, a "Record Date"), notwithstanding any transfer, exchange or cancellation thereof after a Record Date and prior to the immediately following Interest Payment

Date. In any case in which the date of the payment of principal of, premium on or interest on the Notes is not a Business Day in the relevant place of payment, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day will have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest on the Notes will accrue from the Original Issue Date or, if interest has already been paid, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Restricted Group

On the Original Issue Date, the following companies will comprise the Restricted Group and each is a Restricted Subsidiary:

Any Subsidiary of the Parent may be designated as a Restricted Subsidiary by the Board of Directors of the Parent in accordance with the covenant described under the caption "Certain Covenants — Designation of Restricted Subsidiaries." The Restricted Subsidiaries will at all times remain Subsidiaries of the Parent (other than as a result of a sale of all or any portion of the Capital Stock of such Restricted Subsidiary held by the Parent or any of its Subsidiaries if pursuant to any applicable law, rule, regulation or order the Parent or any of its subsidiaries is required to sell or dispose of such Capital Stock in an amount such that the Restricted Subsidiary would no longer remain a Subsidiary of the Parent). A Restricted Subsidiary may not be designated as an Unrestricted Subsidiary at any time except in the circumstance described under "— Certain Covenants — Designation of Restricted Subsidiaries."

A Holder may transfer or exchange Notes in accordance with the provisions of the Indenture. The registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of Notes. Holders will be required to pay all taxes due on transfer. The Issuer will not be required to transfer or exchange any Note selected for redemption. Also, the Issuer will not be required to transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

Escrow Account

The Issuer will establish a U.S. dollar account (the "Escrow Account") in the name of the Issuer with Citibank, N.A., Hong Kong Branch. The Issuer, for the benefit of the Holders, will charge to Citicorp International Limited (the "Notes Collateral Agent") the Escrow Account on the Original Issue Date in order to secure the obligations of the Issuer under the Notes and the Indenture. On the Original Issue Date, the Issuer will deposit the net proceeds from this offering in the Escrow Account. Amounts in the Escrow Account will be released from time to time for the Issuer to subscribe for or lend the Rupee Debt issued or borrowed by a Restricted Subsidiary; it being understood that amounts in the Escrow Account may be released prior to the Issuer's receipt of the related Rupee Debt.

Any amounts remaining in the Escrow Account after the SMR Measurement Date will be refunded to the Issuer and the Escrow Account shall be terminated and the security interest in the Escrow Account created pursuant to the Notes Collateral Document (as defined below) will be released. The Issuer will be permitted to invest amounts deposited in the Escrow Account in Temporary Cash Equivalents as described under the heading "Use of Proceeds" in the Offering Memorandum. Upon receipt of an Officer's Certificate from the Issuer, the Notes Collateral Agent will (without incurring any liability or responsibility) release funds from the Escrow Account.

Security

The obligations of the Issuer with respect to the Notes and the performance of all other obligations of the Issuer under the Indenture and the Notes will be secured by the following security package (the "Collateral"):

(1) a first-priority fixed share charge (the "Pari Passu Collateral Document") by the Parent over the Capital Stock of the Issuer (the "Pari Passu Collateral"); and

(2) prior to the release therefrom, a first-priority security interest in the Escrow Account (the "Notes Collateral") pursuant to a pledge agreement (the "Notes Collateral Document").

The Pari Passu Collateral Document and the Notes Collateral Document are collectively the "Collateral Documents." The Issuer, the Parent, the Trustee, the Notes Collateral Agent and the Common Collateral Agent (as the case may be) will enter into Collateral Documents defining the terms of the security interests that secure the Notes.

So long as no acceleration of amounts due under the Notes in accordance with the provisions described under "— Events of Default and Remedies" has occurred, the Parent and the Issuer will be entitled to receive all cash dividends, interest and other payments made upon or with respect to the Pari Passu Collateral and to exercise any voting and other consensual rights pertaining to the Pari Passu Collateral.

Upon the occurrence and during the continuance of an Event of Default and acceleration of amounts due under the Notes in accordance with the provisions described under "— Events of Default and Remedies":

(1) all rights of the Parent and the Issuer to receive all or claim payment of cash dividends, interest and other payments made upon or with respect to the Collateral will cease and such cash dividends, interest and other payments will be paid to the Notes Collateral Agent or the Common Collateral Agent, as applicable;

(2) all voting or other consensual rights pertaining to the Collateral will become vested solely in the Notes Collateral Agent or the Common Collateral Agent, as applicable, and the right of the Parent and the Issuer to exercise any such voting and consensual rights will cease; and

(3) the Notes Collateral Agent or the Common Collateral Agent, as applicable, may distribute or sell the Collateral or any part of the Collateral in accordance with the terms of the Collateral Documents, subject to

the provisions of applicable law. The Notes Collateral Agent in accordance with the provisions of the Indenture will distribute all funds distributed under the Collateral Documents in connection with the Notes Collateral. The Common Collateral Agent in accordance with the Intercreditor Agreement will distribute all funds distributed under the Collateral Documents in connection with the Pari Passu Collateral and received by the Common Collateral Agent for the benefit of the Permitted Pari Passu Secured Indebtedness creditors and the Holders.

The Indenture and/or the Collateral Documents principally provide that, at any time while the Notes are outstanding, the Notes Collateral Agent has the exclusive right to manage, perform and enforce the terms of the Notes Collateral Document and the Common Collateral Agent has the exclusive right to manage, perform and enforce the terms of the Pari Passu Collateral Document. The Notes Collateral Agent has the exclusive right, with respect to the Notes Collateral, and the Common Collateral Agent has the exclusive right, with respect to the Pari Passu Collateral, to exercise and enforce all privileges, rights and remedies thereunder according to its direction, including to take or retake control or possession of such Collateral and to hold, prepare for sale, process, lease, dispose of or liquidate such Collateral, including, without limitation, following the occurrence of an Event of Default and acceleration of amounts due under the Notes in accordance with the provisions described under "— Events of Default and Remedies."

The proceeds realizable from the Collateral are unlikely to be sufficient to satisfy the Issuer's obligations under the Notes, and the Collateral may be reduced or diluted under certain circumstances, including through the issuance of Additional Notes, the Incurrence of Hedging Obligations permitted to be Incurred by the Issuer under paragraph (2)(e) of the definition of Permitted Debt and Permitted Pari Passu Secured Indebtedness (as defined below) or the disposition of assets comprising the Collateral, subject to the terms of the Indenture and the Intercreditor Agreement. See "Risk Factors — Risks Relating to the Notes, the Note Guarantees, the Collateral and the Hedging Transactions — The Collateral will also be pledged to secure certain hedging obligations which will be paid in priority to the Notes and the value of the Collateral may not be sufficient to repay the Notes in full and other pari passu secured indebtedness."

The Liens created by the Indenture and the Collateral Documents will be released upon (1) the full and final payment and performance of the Obligations of the Issuer under the Indenture and the Notes or (2) legal or covenant defeasance pursuant to the provisions set forth under the caption "— Legal and Covenant Defeasance" or discharge of the Indenture in accordance with the provisions set forth under the caption "— Satisfaction and Discharge." In addition, the first-priority security interest created by the Notes Collateral Document will automatically terminate as described under "— Escrow Account."

Permitted Pari Passu Secured Indebtedness

On or after the Original Issue Date, the Parent will not create Liens on the Pari Passu Collateral other than: (i) Liens *pari passu* with the Lien for the benefit of the Holders to secure Indebtedness of the Issuer, including any Additional Notes (such Indebtedness of the Issuer, "Permitted Pari Passu Secured Indebtedness"); *provided that* (1) the Issuer was permitted to Incur such Indebtedness under paragraphs (1), (2)(e) or 2(p) or Permitted Refinancing Indebtedness thereof under paragraph (2)(d) of the covenant described under the caption "— Incurrence of Indebtedness and Issuance of Preferred Stock" and the covenant described under the caption" — Issuer's Business Activities"; (2) the holders of such Indebtedness (or their representative), other than any Additional Notes or other Indebtedness in respect of which the relevant holders or representative is already a party to the Intercreditor Agreement (as defined below), become party to the Intercreditor Agreement; (3) the agreement in respect of such Indebtedness contains provisions with respect to releases of Pari Passu Collateral no more restrictive on the Issuer than the provisions of the Indenture and the Pari Passu Collateral Document; and (4) the Issuer delivers to the Trustee an Opinion of Counsel and an Officer's Certificate with respect to corporate and collateral matters in connection with the Pari Passu Collateral Document; and (ii) certain Permitted Liens. The Trustee and the Common Collateral Agent will be permitted and authorized, without the consent of any Holder, to enter into any amendments to the Pari Passu Collateral Document or the Indenture and take any other action necessary to permit the creation and registration of Liens on the Pari Passu Collateral to secure Permitted Pari Passu Secured Indebtedness in accordance with this paragraph and the terms of the Indenture (including, without limitation, the appointment of a common collateral agent under the Intercreditor Agreement referred to below to hold the Pari Passu Collateral on behalf of the Holders and the holders of Permitted Pari Passu Secured Indebtedness).

Except for certain Permitted Liens and the Permitted Pari Passu Secured Indebtedness, the Issuer and the other Restricted Subsidiaries will not be permitted to Incur any other Indebtedness secured by all or any portion of the Pari Passu Collateral without the consent of each Holder.

Intercreditor Agreement and Priority

On or prior to the first Incurrence of any Permitted Pari Passu Secured Indebtedness (other than Additional Notes), the Trustee and the Common Collateral Agent will enter into an intercreditor agreement (the "Intercreditor Agreement"), without requiring any instruction or consent from the Holders, with the Issuer, the Parent, the Common Collateral Agent and the holders of such Permitted Pari Passu Secured Indebtedness (or their representative). The Intercreditor Agreement will provide for, among other things:

(1) that the parties thereto shall share equal priority and pro rata entitlement in and to the Pari Passu Collateral, but in the event of an acceleration of certain Hedging Obligations permitted to be Incurred by the Issuer under paragraph (2)(e) of the definition of Permitted Indebtedness, amounts recovered in respect of the Pari Passu Collateral are required to be turned over to the Common Collateral Agent and, subject to the payment of certain fees and expenses, paid by the Common Collateral Agent to the counterparties to such Hedging Obligations in priority to the Holders and to holders or lenders of other Permitted Pari Passu Secured Indebtedness;

(2) the conditions that are applicable to the release of or granting of any Lien on such Pari Passu Collateral; and

(3) the conditions under which the parties thereto will enforce their rights with respect to such Pari Passu Collateral and the Indebtedness secured thereby.

Under the Intercreditor Agreement, the holders of any Permitted Pari Passu Secured Indebtedness (or their representative) (collectively with the Trustee, the "Pari Passu Secured Parties") will appoint Citicorp International Limited (the "Common Collateral Agent") (or the successor Common Collateral Agent appointed under the Pari Passu Collateral Document if such a successor has been appointed) to act as the Common Collateral Agent with respect to the Pari Passu Collateral, to exercise remedies (subject to the terms of the Indenture and any document governing Permitted Pari Passu Secured Indebtedness) in respect thereof upon the occurrence of an event of default under the Indenture and any document governing Permitted Pari Passu Secured Indebtedness, and to act as provided in the Intercreditor Agreement.

In connection with the Incurrence of any subsequent Permitted Pari Passu Secured Indebtedness (other than Additional Notes or Indebtedness in respect of which the holders or their representative is already a party to the Intercreditor Agreement), the holders of such Permitted Pari Passu Secured Indebtedness (or their representative) will (a) accede to the Intercreditor Agreement and become parties to it or (b) enter into another intercreditor agreement on substantially similar terms.

By accepting the Notes, each Holder shall be deemed to have consented to the execution of the Intercreditor Agreement, any supplements, amendments or modifications thereto, and any future Intercreditor Agreement required under the Indenture.

Enforcement of Security

The first-priority liens over the Notes Collateral will be granted to the Notes Collateral Agent. The Notes Collateral Agent, subject to the Notes Collateral Document and the Indenture, will hold such Liens and security interests in the Notes Collateral granted pursuant to the Notes Collateral Document with sole authority as directed by the written instruction of the Trustee to exercise remedies under the Notes Collateral Document. The Notes Collateral Agent has agreed to act as secured party on behalf of the Holders under the Notes Collateral Document, to follow the instructions provided to it under the Indenture and the Notes Collateral Document and to carry out certain other duties.

The first-priority liens over the Pari Passu Collateral will be granted to the Common Collateral Agent. The Common Collateral Agent will hold such Liens and security interests in the Pari Passu Collateral granted pursuant to the applicable Pari Passu Collateral Document with sole authority as directed by the written instruction of the majority of the secured creditors, as defined in the Intercreditor Agreement, to exercise remedies under the Pari Passu Collateral Document. The Common Collateral Agent has agreed to act as secured party on behalf of the Pari Passu Secured Parties under the Pari Passu Collateral Document, to follow the instructions provided to it under the Intercreditor Agreement and the Pari Passu Collateral Document and to carry out certain other duties.

The Notes Collateral Agent and/or the Common Collateral Agent (together, the "Collateral Agents") may decline to foreclose on the Notes Collateral or the Pari Passu Collateral, as the case may be, or exercise remedies available if it does not receive indemnification and/or security and/or pre-funding to its satisfaction. In addition, the Collateral Agents' ability to foreclose on the Collateral may be subject to lack of perfection, the consent of third parties, prior Liens and practical problems associated with the realization of the Collateral Agents' Liens on

the Notes Collateral and/or the Pari Passu Collateral, as the case may be. None of the Collateral Agents nor the Trustee, nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value, adequacy or protection of the Notes Collateral and/or the Pari Passu Collateral, for the legality, enforceability, effectiveness or sufficiency of the Notes Collateral Document or the Pari Passu Collateral Document, for the creation, perfection, priority, sufficiency or protection of any of the Liens, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or the Notes Collateral Document or the Pari Passu Collateral Document, as the case may be, or any delay in doing so.

Each of the Notes Collateral Document and the Pari Passu Collateral Document provide that the Parent will indemnify the Collateral Agents and the Trustee for all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind imposed against each of the Collateral Agents arising out of the Notes Collateral Document and the Pari Passu Collateral Document except to the extent that any of the foregoing are finally judicially determined to have resulted from the gross negligence or willful misconduct of the relevant Collateral Agent.

Notes Collateral Enforcement

All payments received and all amounts held by the Notes Collateral Agent in respect of the Notes Collateral under the Notes Collateral Document will be applied as follows:

first, to the Trustee, the Notes Collateral Agent, the Agents and to the extent necessary to reimburse the Trustee, the Notes Collateral Agent and the Agents for their respective unpaid fees, costs and expenses incurred in connection with the Indenture and the Notes Collateral Document and the collection or distribution of such amounts held or realized or in connection with fees, costs and expenses incurred (including, fees and expenses of legal counsel) in enforcing its remedies under the Notes Collateral Document and preserving the Notes Collateral and all amounts for which the Trustee, the Notes Collateral Agent and the Agents are entitled to indemnification under the Notes Collateral Document and the Indenture;

second, to the Trustee for the benefit of Holders; and

third, any surplus remaining after such payments will be paid to the Issuer or whomever may be lawfully entitled thereto.

Pari Passu Collateral Enforcement

All payments received and all amounts held by the Common Collateral Agent in respect of the Pari Passu Collateral under the Pari Passu Collateral Document will, in accordance with the terms of the Intercreditor Agreement, be applied as follows:

first, to the Trustee, the Common Collateral Agent, the Agents and to the extent applicable, any representative of holders of any Permitted Pari Passu Secured Indebtedness, to the extent necessary to reimburse the Trustee, the Common Collateral Agent, the Agents and any such representative for any unpaid fees, costs and expenses incurred in connection with the collection or distribution of such amounts held or realized or in connection with expenses incurred in enforcing its remedies under the Pari Passu Collateral Document and preserving the Pari Passu Collateral and all amounts for which the Trustee, the Common Collateral Agent, the Agents and any such representative are entitled to indemnification under the Collateral Documents and the Intercreditor Agreement;

second, on a pro rata and *pari passu* basis to the counterparties under Hedging Obligations Incurred by the Issuer under clause (2)(e) of the definition of Permitted Indebtedness;

third, to the Trustee for the benefit of Holders and, to the extent applicable, holders of any Permitted Pari Passu Secured Indebtedness (or their representative) on a pro rata and *pari passu* basis; and

fourth, any surplus remaining after such payments will be paid to the Issuer or whomever may be lawfully entitled thereto.

Optional Redemption

At any time prior to August 3, 2020, upon not less than 30 nor more than 60 days' prior notice the Issuer may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture at a redemption price of 105.500%, plus accrued and unpaid interest, if any, to (but not including) the

redemption date, with the net cash proceeds of one or more sales of the Capital Stock of the Parent in an Equity Offering; *provided that*:

(1) at least 65% of the aggregate principal amount of Notes issued on the Original Issue Date (excluding Notes held by the Parent or its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

At any time prior to August 3, 2020, upon not less than 30 nor more than 60 days' prior notice the Issuer may on any one or more occasions redeem all or any portion of the Notes at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to (but not including) the redemption date, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Neither the Trustee nor any of the Agents shall be responsible for verifying or calculating the Applicable Premium.

On or after August 3, 2020, upon not less than 30 nor more than 60 days' prior notice the Issuer may redeem all or a part of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to (but not including) the applicable redemption date, if redeemed during the twelve-month period beginning on August 3 of the years indicated below, subject to the rights of Holders on the relevant Record Date to receive interest on the relevant Interest Payment Date:

Year	Redemption Price
2020	102.750%
2021	101.375%
2022 and thereafter	100.000%

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

In connection with any redemption of Notes conducted pursuant to the provisions of the Indenture described under this "Optional Redemption," any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice may state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

Special Mandatory Redemption

If on the SMR Measurement Date any debt of the Restricted Subsidiaries intended to be refinanced with the proceeds of the Notes remains outstanding, the Issuer will be required to redeem Notes (a "Special Mandatory Redemption"), at a redemption price of 101% of their principal amount plus accrued and unpaid interest to (but not including) the redemption date (the "Special Mandatory Redemption Price") in the circumstances and on the basis set forth below:

(1) if the total aggregate principal amount of Rupee Debt Incurred by the Restricted Subsidiaries and subscribed for or loaned by the Issuer is less than or equal to 80% of the aggregate principal amount of the Notes originally issued (the "Total Mandatory Redemption Threshold"), the Issuer will be required to redeem all of the Notes then outstanding at the Special Mandatory Redemption Price; and

(2) if the total aggregate principal amount of Rupee Debt Incurred by the Restricted Subsidiaries and subscribed for or loaned by the Issuer is more than the Total Mandatory Redemption Threshold but less than the aggregate total principal amount of the Notes originally issued, the Issuer will be required to use the amounts remaining in the Escrow Account to redeem Notes on a pro rata basis at the Special Mandatory Redemption Price.

If any Notes are to be redeemed as set forth above, the Issuer will issue, or cause to be issued, a notice of Special Mandatory Redemption not later than two Business Days after the SMR Measurement Date and the redemption date shall be no earlier than 30 calendar days and no later than 40 calendar days following the date of such notice.

Repurchase at the Option of Holders

Change of Control Triggering Event

If a Change of Control Triggering Event occurs, each Holder will have the right to require the Issuer to repurchase all or any part (equal to US$200,000 or an integral multiple of US$1,000) of that Holder's Notes

pursuant to a Change of Control Offer on the terms set forth in the Indenture. In the Change of Control Offer, the Issuer will offer a purchase price in cash equal to 101% of the aggregate principal amount of the Notes (the "Change of Control Payment") repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to (but not including) the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within ten days following any Change of Control Triggering Event, the Issuer will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control Triggering Event payment date (the "Change of Control Payment Date") specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the Indenture and described in such notice.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the Indenture by virtue of such compliance.

On the Change of Control Payment Date, the Issuer will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Paying Agent the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

The Paying Agent will as soon as reasonably practicable mail to each Holder that properly tendered Notes the Change of Control Payment for such Notes, and the Trustee will as soon as reasonably practicable authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require the Issuer to make a Change of Control Offer following a Change of Control Triggering Event will be applicable whether or not any other provisions of the Indenture are applicable. Except as described above with respect to a Change of Control Triggering Event, the Indenture does not contain provisions that permit the Holders of the Notes to require that the Issuer repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

The Issuer will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the Indenture as described under the caption "— Optional Redemption" or "— Redemption for Taxation Reasons," unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the properties or assets of the Parent and the Restricted Subsidiaries taken as a whole. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a Holder to require the Issuer to repurchase its Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of the Parent and the Restricted Subsidiaries taken as a whole to another Person or group may be uncertain.

The Trustee shall not be required to take any steps to ascertain whether a Change of Control Triggering Event has occurred or may occur, and shall be entitled to assume that no such event has occurred until it has received written notice to the contrary from the Issuer. The Trustee shall not be required to take any steps to ascertain whether the condition for the exercise of the rights herein has occurred. The Trustee shall not be responsible for determining or verifying whether a Note is to be accepted for redemption and will not be responsible to the

Holders for any loss arising from any failure by it to do so. The Trustee shall not be under any duty to determine, calculate or verify the redemption amount payable hereunder and will not be responsible to the Holders for any loss arising from any failure by it to do so.

Asset Sales

The Issuer will not and the Parent will not permit any other Restricted Subsidiary to consummate any Asset Sale, unless:

(1) no Default shall have occurred and be continuing or would occur as a result of such Asset Sale;

(2) the consideration received by the Issuer or such other Restricted Subsidiary is at least equal to the Fair Market Value of the assets sold or disposed of; and

(3) at least 75% of the consideration received consists of cash, Temporary Cash Equivalents or Replacement Assets (as defined below) or any combination thereof.

For purposes of this provision, each of the following will be deemed to be cash:

(1) any liabilities, as shown on the most recent combined statement of financial position of the Restricted Group (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that irrevocably and unconditionally releases the Issuer or such other Restricted Subsidiary from further liability; and

(2) any securities, notes or other obligations received by the Issuer or any other Restricted Subsidiary from such transferee that are promptly, but in any event within 30 days of closing, converted by the Issuer or such other Restricted Subsidiary into cash, to the extent of the cash received in that conversion.

Within 360 days after the receipt of any Net Cash Proceeds from an Asset Sale, such Net Cash Proceeds must be applied (a) to repay Senior Indebtedness (and if such Indebtedness is revolving credit Indebtedness, to permanently reduce such commitments) of a Restricted Subsidiary or (b) to make capital expenditures for a Permitted Business, (c) acquire properties and assets (other than current assets) that are used or will be used in a Permitted Business, acquire all, or substantially all of the assets of, or the Capital Stock of, a Person, or a line of business, which is a Permitted Business, or (d) any combination of the foregoing (collectively, "Replacement Assets"); *provided that* any such reinvestment in Replacement Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Parent or of the Issuer that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days after such 360th day. Pending application in accordance with this covenant, Net Cash Proceeds may be invested or used for any purpose not otherwise prohibited under the Indenture.

Any Net Cash Proceeds from Asset Sales that are not applied or invested in accordance with the immediately preceding paragraph will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds US$5.0 million, within ten days thereof, the Issuer must make an offer (an "Excess Proceeds Repurchase Offer") to purchase the Notes at 100% of the principal amount of the Notes and any pari passu Indebtedness similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale, plus accrued and unpaid interest, if any, to (but not including) the date of purchase. If the aggregate principal amount of Notes and pari passu Indebtedness tendered into such Excess Proceeds Repurchase Offer exceeds the amount of Excess Proceeds, the Notes and such pari passu Indebtedness will be purchased on a pro rata basis. Any remaining proceeds after such Excess Proceeds Repurchase Offer may be used for any purpose not otherwise prohibited under the Indenture. Upon completion of each Excess Proceeds Repurchase Offer, the amount of Excess Proceeds will be reset at zero.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of an Asset Sale. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Asset Sale provisions of the Indenture by virtue of such compliance.

Additional Amounts

All payments of principal of, and premium (if any) and interest on the Notes or under the Note Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within India, Mauritius or any other jurisdiction in which the Issuer, a Surviving Person (as defined under " — Certain Covenants — Merger,

Consolidation and Sale of Assets") or any Guarantor is or was organized or resident for tax purposes or any political subdivision or taxing authority thereof or therein (each, as applicable, a "Relevant Taxing Jurisdiction") or any jurisdiction through which payment is made by or on behalf of the Issuer, the Guarantors or a Surviving Person, or any political subdivision or taxing authority thereof or therein (together with the Relevant Taxing Jurisdictions, the "Relevant Jurisdictions"), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, the Issuer, the Guarantors or a Surviving Person, as the case may be, will pay such additional amounts (the "Additional Amounts") as will result in receipt of such amounts as would have been received had no such withholding or deduction been required, except that no Additional Amounts will be payable:

(1) for or on account of:

  (a) any tax, duty, assessment or governmental charge that would not have been imposed but for:

    (i) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Relevant Jurisdiction other than merely holding such Note or the receipt of payments thereunder or under the Note Guarantee, or the enforcement of such Notes or the Note Guarantee, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

    (ii) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period;

    (iii) the presentation of such Note (in cases in which presentation is required) for payment in the Relevant Jurisdiction, unless such Note could not have been presented for payment elsewhere; or

    (iv) the failure of the Holder or beneficial owner to comply with a timely request of the Issuer, any Guarantor or a Surviving Person, addressed to the Holder, to provide any applicable information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that it is legally entitled to do so and due and timely compliance with such request is required under the statutes, regulations or official administrative guidance having a force of law of the Relevant Jurisdiction in order to reduce or eliminate any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder.

  (b) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

  (c) any tax, duty, assessment or other governmental charge which is payable other than by deduction or withholding from payments of principal of or interest or any premium on the Note or payments under the Note Guarantee;

  (d) any tax, assessment, withholding or deduction required by sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended ("FATCA"), any current or future Treasury Regulations or rulings promulgated thereunder, any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA, any intergovernmental agreement between the United States and any other jurisdiction to implement FATCA, or any agreement with the U.S. Internal Revenue Service under FATCA; or

  (e) any combination of taxes, duties, assessments or governmental charges referred to in the preceding clauses (a), (b), (c) and (d);

(2) to a Holder that is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, or a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

The Issuer, the Guarantor or a Surviving Person, as the case may be, will (i) make such withholding or deduction and (ii) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law. The Issuer, the Guarantor or a Surviving Person, as the case may be, will make reasonable efforts to obtain

original tax receipts or certified copies thereof evidencing the payment of any taxes, duties, assessment or governmental charges so deducted or withheld and paid to the Relevant Jurisdiction. The Issuer, the Guarantor or a Surviving Person, as the case may be, will furnish to the Trustee, within 60 days after the date of the payment of any taxes, duties, assessment or governmental charges so deducted or withheld is due pursuant to applicable law, either original tax receipts or certified copies thereof evidencing such payment or, if such receipts are not obtainable, other evidence of such payments.

At least 30 days prior to each date on which any payment under or with respect to the Notes is due and payable, if the Issuer, the Guarantor or a Surviving Person, as the case may be, will be obligated to pay Additional Amounts with respect to such payment, the Issuer, the Guarantor or a Surviving Person, as the case may be, will deliver to the Trustee an Officer's Certificate stating the fact that such Additional Amounts will be payable and the amounts so payable and will set forth such other information necessary to enable the Paying Agent to pay such Additional Amounts to the Holders on such payment date.

Redemption for Taxation Reasons

The Notes may be redeemed, at the option of the Issuer or a Surviving Person, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to the Holders and the Trustee (which notice will be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Issuer or the Surviving Person, as the case may be, for redemption (the "Tax Redemption Date") if, as a result of:

(2) any change in, or amendment to, the existing official position regarding the application or interpretation of such statutes, regulations, rulings or official administrative guidance (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment or official position is announced and becomes effective (i) with respect to the Issuer, on or after the Original Issue Date, or (ii) with respect to a Surviving Person organized or resident for tax purposes in a jurisdiction that is not the Issuer's or the Note Guarantor's Relevant Taxing Jurisdiction as of the Original Issue Date, on or after the date such Surviving Person becomes a Surviving Person, with respect to any payment due or to become due under the Notes or the Rupee Debt, as applicable, the Issuer, the Note Guarantor, a Surviving Person, or a Restricted Subsidiary that has Incurred Rupee Debt, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts (or in the case of Rupee Debt, the Restricted Subsidiary that is the issuer or borrower of the Rupee Debt would be required to withhold or deduct any taxes, duties, assessments or government charges of whatever nature), and such requirement cannot be avoided by the taking of reasonable measures by the Issuer, the Note Guarantor, a Surviving Person or such Restricted Subsidiary, as the case may be; *provided that* no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Issuer, the Note Guarantor, a Surviving Person, or such Restricted Subsidiary, as the case may be, would be obligated to pay such Additional Amounts (or withhold or deduct an amount with respect to any payment on Rupee Debt) if a payment in respect of the Notes (or on Rupee Debt) were then due; and *provided further that* where any such requirement to pay Additional Amounts (or withhold or deduct an amount with respect to any payment on Rupee Debt) is due to taxes imposed by India or any political subdivision or taxing authority thereof or therein, the Issuer or the Surviving Person will be permitted to redeem the Notes in accordance with the provisions hereof only if the rate of withholding or deduction in respect of which

Additional Amounts are required (or in respect of which withholding is required on Rupee Debt) is in excess of 20% (plus applicable surcharge and cess).

Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer or a Surviving Person, as the case may be, will deliver to the Trustee at least 30 days but not more than 60 days before a redemption date:

(1) an Officer's Certificate stating that such change or amendment referred to in the prior paragraph has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Issuer, the Note Guarantor, a Surviving Person or the applicable Restricted Subsidiary, as the case may be, taking reasonable measures; and

(2) an Opinion of Counsel or an opinion of a tax consultant of recognized standing with respect to tax matters of the Issuer's, Note Guarantor's or a Surviving Person's Relevant Taxing Jurisdiction, or tax matters of India, with respect to the Restricted Subsidiaries, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in the prior paragraph.

The Trustee is and shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above without further verification, in which event it will be conclusive and binding on the Holders, and the Trustee will not be responsible for any loss occasioned by acting in reliance on such certificate and opinion.

Selection and Notice

If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes for redemption on a pro rata basis to the extent practicable or pursuant to another method in accordance with the procedures of The Depository Trust Company, unless otherwise required by law or applicable stock exchange requirements.

No Notes of US$200,000 or less can be redeemed in part. Notices of redemption will be mailed by first class mail at least 30 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or the satisfaction and discharge of the Indenture.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount of that Note that is to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder of Notes upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption.

The Issuer or the Parent may purchase Notes in the open market or by tender or by any other means at any price, so long as such acquisition does not otherwise violate the terms of the Indenture. All Notes that are purchased, acquired or otherwise redeemed by the Issuer or the Parent will be cancelled.

Any Note Guarantee of a Restricted Subsidiary will be released upon legal defeasance, covenant defeasance or satisfaction and discharge of the Indenture as provided under the captions "— Legal Defeasance and Covenant Defeasance" and "— Satisfaction and Discharge," upon repayment in full of the Notes and upon the release or discharge of the Guarantee that resulted in the creation of such Note Guarantee pursuant to this covenant except a discharge or release by or as a result of payment under such Guarantee.

Transactions with Shareholders and Affiliates

The Parent will not permit any Restricted Subsidiary to enter into any transaction or series of related transactions involving aggregate consideration in excess of US$2.0 million (or the Dollar Equivalent thereof) with (a) any holder of 10% or more of any class of Capital Stock of the Parent or (b) any Affiliate of the Parent or any Restricted Subsidiary (each an "Affiliate Transaction"), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to such Restricted Subsidiary than those that would have been obtained in a comparable arm's-length transaction by such Restricted Subsidiary with a Person that is not such a holder or Affiliate of the Parent or such Restricted Subsidiary; and

(2) the Parent or Issuer delivers to the Trustee:

   (a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$5.0 million (or the Dollar Equivalent thereof), a Board Resolution of the Parent or of the Issuer set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with this covenant and such Affiliate Transactions has been approved by a majority of the disinterested members of the Board of Directors of the Parent or of the Issuer; and

   (b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$10.0 million (or the Dollar Equivalent thereof), an opinion issued by an accounting, appraisal or investment banking firm of internationally recognized standing (or a local affiliate thereof) stating either (i) that such Affiliate Transaction is, or series of related Affiliate Transactions are, fair to the Restricted Subsidiary from a financial point of view or (ii) that the terms of such Affiliate Transaction is, or series of related Affiliate Transactions are, not materially less favorable to such Restricted Subsidiary than those that would have been obtained in a comparable arm's length transaction by such Restricted Subsidiary with a Person that is not such a holder or Affiliate of the Parent or such Restricted Subsidiary.

The foregoing limitation does not limit, and will not apply to:

(1) directors' fees, indemnification, expense reimbursement and similar arrangements (including the payment of directors and officers insurance premiums), employee salaries, bonuses, employment agreements and arrangements, compensation or employee benefit arrangements, including stock options or legal fees and fees and compensation paid to consultants and agents;

(2) transactions between or among the Parent and its Restricted Subsidiaries or between or among Restricted Subsidiaries; *provided that* following an Early Parent Guarantee Release, such transactions between the Parent, on the one hand, and one or more Restricted Subsidiaries, on the other hand, will be subject to clause (1) and (2)(a) of the first paragraph of this covenant; *provided*, *further* for purposes of such clause (2)(a) the Parent may provide either a Board Resolution of the Parent approved by a majority of the disinterested members of the Board of Directors of the Parent or, in lieu of a Board Resolution, a certification from senior management of the Parent adopted in accordance with policies adopted by the Board of Directors of the Parent;

(3) any Restricted Payments not prohibited by the "— Restricted Payments" covenant and Permitted Investments other than those made pursuant to Clause (3) of the definition thereof as described under "— Certain Definitions";

(4) transactions pursuant to agreements in effect on the Original Issue Date and described in the Offering Memorandum, or any amendment or modification or replacement thereof, so long as such amendment, modification or replacement is not more disadvantageous to the Issuer and the other Restricted Subsidiaries than the original agreement in effect on the Original Issue Date;

(5) transactions with a Person that is an Affiliate solely because any Restricted Subsidiary, directly or indirectly, owns Capital Stock in, or controls, such Person; *provided that* no Affiliate of any Restricted Subsidiary (other than another Restricted Subsidiary) owns Capital Stock in such Person.

(6) any payments or other transactions pursuant to tax sharing arrangements between any Restricted Subsidiary and any other Person with which such Restricted Subsidiary files a consolidated tax return or with which such Restricted Subsidiary is part of a consolidated group for tax purposes or any tax advantageous group contribution made pursuant to applicable legislation;

(7) transactions with customers, clients, contractors, purchasers or suppliers of goods (including turbines and other equipment or property) or services (including administrative, cash management, legal and regulatory, engineering, technical, financial, accounting, procurement, marketing, insurance, labor, management, operation and maintenance, power supply and other services) or insurance or lessors or lessees or providers of employees or other labor or property, in each case in the ordinary course of business and that are fair or on terms at least as favorable as arm's length as determined in good faith by the Board of Directors or senior management of the Parent or of the Issuer; and

(8) loans or advances to, or guarantees of obligations of, directors, promoters, officers or employees of the Parent or any Restricted Subsidiary not to exceed US$1.0 million (or the Dollar Equivalent thereof) in the aggregate at any one time outstanding.

For the avoidance of doubt, any Investments (including Permitted Investments) by the Issuer or any other Restricted Subsidiary which result in a Subsidiary of the Parent becoming a Restricted Subsidiary will be subject to clause (1) and (2) of the first paragraph of this covenant.

Liens

The Issuer will not and the Parent will not permit any other Restricted Subsidiary to, directly or indirectly, incur, assume or permit to exist any Lien on the Collateral (other than Permitted Liens).

The Issuer will not and the Parent will not permit any other Restricted Subsidiary to, incur, assume or permit to exist any Lien (other than Permitted Liens) securing Indebtedness on existing or future assets of a Restricted Subsidiary other than Collateral, unless the Notes are equally and ratably secured.

Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

The Parent will not permit any Restricted Subsidiary (other than the Issuer) to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions on any Capital Stock of such Restricted Subsidiary owned by the Parent (prior to an Early Parent Guarantee Release), the Issuer or any other Restricted Subsidiary;

(2) pay any Indebtedness or other obligation owed to the Parent (prior to an Early Parent Guarantee Release), the Issuer or any other Restricted Subsidiary;

(3) make loans or advances to the Parent (prior to an Early Parent Guarantee Release), the Issuer or any other Restricted Subsidiary; or

(4) sell, lease or transfer any of its property or assets to the Parent (prior to an Early Parent Guarantee Release), the Issuer or any other Restricted Subsidiary;

provided that it being understood that (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock; (ii) the subordination of loans or advances made to any Restricted Subsidiary to other Indebtedness Incurred by any Restricted Subsidiary; and (iii) provisions requiring transactions to be on fair and reasonable terms or on an arm's length basis, in each case, shall not be deemed to constitute such an encumbrance or restriction.

The foregoing restrictions will not apply to encumbrances or restrictions:

(1) existing in agreements as in effect on the Original Issue Date and any extensions, refinancings, renewals, supplements, amendments or replacements of any of the foregoing agreements; *provided that* the

encumbrances and restrictions in any such extension, refinancing, renewal, supplement, amendment or replacement are not materially more restrictive, taken as a whole, than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced, as determined in good faith by the Board of Directors of the Parent or of the Issuer;

(2) in the Notes, the Note Guarantees, the Indenture, the Rupee Debt, the Collateral Documents and any agreements pursuant to which security interests or Guarantees are granted for the benefit of the holder of any Rupee Debt;

(3) existing under or by reason of applicable law, rule, regulation or order;

(4) with respect to any Person or the property or assets of such Person that is designated a Restricted Subsidiary or is acquired by any Restricted Subsidiary, existing at the time of such designation or acquisition and not incurred in contemplation thereof, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Person or the property or assets of such Person so designated or acquired, and any extensions, refinancings, renewals or replacements thereof; *provided that* the encumbrances and restrictions in any such extension, refinancing, renewal or replacement are not materially more restrictive, taken as a whole, than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced, as determined in good faith by the Board of Directors of the Parent or of the Issuer;

(5) if they arise, or are agreed to in the ordinary course of business, and that (x) restrict in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, (y) exist by virtue of any Lien on, or agreement to transfer, option or similar right with respect to any property or assets of the Issuer or any other Restricted Subsidiary not otherwise prohibited by the Indenture or that limit the right of the debtor to dispose of assets subject to a Lien not otherwise prohibited by the Indenture (z) do not relate to any Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of any Restricted Subsidiary in any manner material to any Restricted Subsidiary;

(6) with respect to a Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock of, or property and assets of, such Restricted Subsidiary that is permitted by the "— Sales and Issuances of Capital Stock in Restricted Subsidiaries," "— Incurrence of Indebtedness and Issuance of Preferred Stock" and "— Asset Sales" covenants;

(7) arising from provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business if the encumbrances or restrictions (i) are customary for such types of agreements and (ii) would not, at the time agreed to, be expected to materially adversely affect the ability of the Issuer or any Guarantor to make required payments on the Notes or any Note Guarantee, as determined in good faith by the Board of Directors of the Parent or of the Issuer;

(8) with respect to any Indebtedness that is permitted by the "— Incurrence of Indebtedness and Issuance of Preferred Stock" covenant; *provided that* the encumbrances or restrictions are (i) customary for such types of agreements and (ii) would not, at the time agreed to, be expected to materially adversely affect the ability of the Issuer or any Guarantor to make required payments on the Notes or any Note Guarantee, as determined in good faith by the Board of Directors of the Parent or of the Issuer; or

(9) encumbrances or restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business.

Sales and Issuances of Capital Stock in Restricted Subsidiaries

The Parent will not permit any Restricted Subsidiary to issue or sell any shares of Capital Stock of another Restricted Subsidiary, except:

(1) to the Parent, the Issuer or a Restricted Subsidiary;

(2) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale) to the extent such Capital Stock represents director's qualifying shares or is required by applicable law, rule, regulation or order to be held by a Person other than the Parent, the Issuer or a Wholly Owned Restricted Subsidiary;

(3) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale); *provided* that the Parent or such Restricted Subsidiary applies the Net Cash Proceeds of such issuance or sale in accordance with the "— Asset Sales" covenant, if and to the extent required thereby; or

(4) the issuance or sale of Capital Stock of a Restricted Subsidiary (which does not remain a Restricted Subsidiary after any such issuance or sale) if required by any applicable law, rule, regulation or order provided that such Restricted Subsidiary applies the net cash proceeds of such issuance or sale in accordance with the "— Asset Sales" covenant, if and to the extent required thereby.

Notwithstanding the foregoing, a Restricted Subsidiary may issue Common Stock to its shareholders on a pro rata basis or on a basis more favorable to the Parent or to any Restricted Subsidiary.

In addition, the Parent will not, and will not permit any Subsidiary of the Parent (other than a Restricted Subsidiary) to sell any shares of Capital Stock of a Restricted Subsidiary, except:

(1) to the Parent or any Subsidiary of the Parent;

(2) the issuance or sale of Capital Stock of a Restricted Subsidiary (which does not remain a Restricted Subsidiary after any such issuance or sale) if required by any applicable law, rule, regulation or order; or

(3) if such Restricted Subsidiary remains a Restricted Subsidiary after such sale or issuance.

Merger, Consolidation and Sale of Assets

Neither the Issuer nor, prior to an Early Parent Guarantee Release, the Parent will merge or consolidate with or into another person or sell substantially all of its and the Restricted Subsidiaries' assets taken as a whole, in one or more related transactions, unless:

(1) either (i) it is the surviving entity or (ii) the surviving entity (the "Surviving Person") is organized under the laws of Mauritius, The Netherlands, the Cayman Islands, the British Virgin Islands, Hong Kong, Singapore, Canada, the U.K., any member state of the European Union, Switzerland, the United States, any state of the United States or the District of Columbia and such Surviving Person expressly assumes the obligations under the Indenture, the Notes, the Parent Guarantee and the Collateral Documents, as the case may be;

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing;

(3) solely with respect to a merger, consolidation or sale of assets of the Issuer, the Combined Net Worth is at least the same as Combined Net Worth before such merger, consolidation or sale of assets, on a pro forma basis;

(4) solely with respect to a merger, consolidation or sale of assets of the Issuer, the Issuer could incur US$1.00 of Indebtedness under the proviso in clause (1) of the covenant described under the caption "— Incurrence of Indebtedness and Issuance of Preferred Stock" on a pro forma basis;

(5) the Parent or the Issuer, as applicable, delivers an Officer's Certificate and an Opinion of Counsel as to compliance with this covenant;

(6) solely with respect to a merger, consolidation or sale of assets of the Issuer, each of the Guarantors confirms its Note Guarantee;

(7) solely with respect to a merger, consolidation or sale of assets of the Issuer following an Early Parent Guarantee Release, such merger, consolidation or sale of assets is permitted by (or waived as required under) the documentation governing the Required Hedging; and

(8) solely with respect to a merger, consolidation or sale of assets of the Issuer and to the extent applicable, the Surviving Person holds the Rupee Debt held by the Issuer immediately prior to such merger, consolidation or sale of assets and each of the Restricted Subsidiaries confirms (i) that the Rupee Debt documentation with respect to any outstanding Rupee Debt issued by it is in full force and effect and (ii) as soon as reasonably practicable after the vesting of title to the Rupee Debt with the Surviving Person, that the Surviving Person is the ultimate beneficial owner of the Rupee Debt issued by such Restricted Subsidiary.

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Issuer or the Parent in a transaction that is subject to, and that complies with the provisions of, this "Merger, Consolidation and Sale of Assets" covenant, the successor Person formed by such consolidation or into or with which the Issuer or the Parent is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of the Indenture referring to the "Issuer" and the "Parent" shall refer instead to the successor Person and not to the Issuer or the Parent), and may exercise every right and power of the Issuer or the Parent, as the case may be, under the Indenture with the same effect as if such successor Person had been named as the Issuer or the Parent, as the case may be, in the Indenture and the Issuer or the Parent, as the case may be, shall be released from all obligations under the Indenture and the Notes or the Parent Guarantee.

Restricted Group's Business Activities

The Parent will not permit any Restricted Subsidiary (other than the Issuer) to, engage in any business other than a Permitted Business.

Issuer's Business Activities

Notwithstanding anything contained in the Indenture to the contrary, the Issuer will not, and the Parent will not permit the Issuer to, engage in any business activity, except (a) any activity relating to the offering, sale or issuance of the Notes or any Additional Notes issued in compliance with the Indenture, and the Incurrence of Indebtedness represented by the Notes and the Additional Notes subject to compliance with the Indenture, (b) the Incurrence of other Indebtedness in compliance with the covenant described under the caption "— Incurrence of Indebtedness and Preferred Stock" and the Indenture and any activity relating thereto, (c) any activity relating to using the proceeds of Indebtedness Incurred under clause (a) and (b) to subscribe for or loan the Rupee Debt Incurred by any Restricted Subsidiary, any activity relating to the Rupee Debt, and any activity relating to making other Investments in Restricted Subsidiaries, (d) any activity undertaken with the purpose of fulfilling any obligations under the Indebtedness referred to in clauses (a) and (b) or the Indenture, the Collateral Documents or any indenture, trust deed or Credit Facility related to such Indebtedness (including maintenance of interest reserve or escrow accounts required thereby) or for purposes of any consent solicitation or tender for such Indebtedness or refinancing of such Indebtedness, (e) using assets other than net proceeds of a debt issuance under clause (a) or (b) above to acquire and hold Capital Stock or other Investments (including Rupee Debt) of a Restricted Subsidiary and using net proceeds of a debt issuance under clause (a) or (b) above to acquire and hold Rupee Debt, (f) holding cash and Temporary Cash Equivalents, including any cash or Temporary Cash Investments acquired with the net proceeds of a debt issuance to be held in an interest account or an escrow account, (g) entering into Hedging Obligations for itself, *provided that* such Hedging Obligations are not entered into for speculative purposes, and (h) any activity directly related to the establishment and/or maintenance of the Issuer's corporate existence.

The Issuer shall, and the Parent shall cause the Issuer to, at all times remain 100% owned by the Parent.

From and after an Early Parent Guarantee Release, the Issuer will maintain the Required Hedging Arrangements in place at all times for so long as any Notes are outstanding or, following the termination of the Required Hedging Arrangements as a result of a breach by, or insolvency of, the hedge counterparty, cause the Required Hedging Arrangements to be in place within 30 days of any such termination. Any Required Hedging Arrangements will be entered into with counterparties that have a long term debt rating of no lower than at least two of the following: (i) BBB- by Fitch, (ii) Baa3 by Moody's or (iii) BBB- by S&P, at the time such Required hedging Arrangements are entered into.

Upon the date that is the later to occur of (i) 30 days after the Incurrence by the Restricted Subsidiaries of all of the Original Rupee Debt described under the heading "Use of Proceeds" in the Offering Memorandum and (ii) the date of any Special Mandatory Redemption after which any Notes remain outstanding, the Parent shall deliver to the Trustee an Officer's Certificate or an opinion issued by an accounting, appraisal or investment banking firm of internationally recognized standing (or a local affiliate thereof), or a consulting firm of internationally recognized standing (or a local affiliate thereof) so long as the principals of such firm involved in the preparation of such opinion are experienced professionals in accounting, appraisals or investment banking, or Mecklai Financial Services Private Limited (any such Person other than the Parent, a "Determination Agent"), certifying that:

(1) the Currency Hedging Agreements included in the Required Hedging Arrangements comprise (a) a coupon swap on the interest payments due under the Notes on each Interest Payment Date to fully protect the Issuer against any depreciation in the Indian Rupee to U.S. Dollar occurring after the date of each Incurrence of Original Rupee Debt, and (b) a call spread option on the principal amount of the Notes that will (i) fully protect the Issuer against any depreciation in the Indian Rupee occurring after the date of each Incurrence of Original Rupee Debt if the Indian Rupee to U.S. Dollar spot rate is between the current spot rate in effect on the date of such Incurrence and 90, and (ii) partially protect the Issuer (by receiving the same fixed payment) against any depreciation in the Indian Rupee occurring after the date of each Incurrence of Original Rupee Debt if the Indian Rupee to U.S. Dollar spot rate is above 90, in each case on the payment of principal due under the Notes at maturity; and

(2) that the Issuer has sufficient contracted cash flows to satisfy all scheduled payment obligations under the Notes and the Required Hedging Arrangements,

with such Officer's Certificate or opinion being in substantially the form as attached to the Indenture, which may include language limiting or excluding the liability of any Determination Agent in providing such opinion.

In connection with any redemption of the Notes prior to their final Stated Maturity or redemption of Rupee Debt prior to its final Stated Maturity, the Issuer and the Parent will furnish an Officer's Certificate to the Trustee stating the amount of any additional amounts due as a redemption premium in connection with associated redemptions of Rupee Debt and certifying that such amounts are sufficient to enable the Issuer to pay (i) any costs associated with terminating or unwinding any Required Hedging Arrangements, if applicable, plus (ii) any additional amounts required by the Issuer to satisfy its payment obligations under the Notes, including the principal, premium, if any, interest and Additional Amounts, if any, due in connection with such redemption of the Notes or Rupee Debt, respectively, or through the final Stated Maturity of the Notes, as applicable, together with calculations in reasonable detail confirming the same.

For so long as any Notes are outstanding, the Parent will not commence or take any action to facilitate a winding-up, liquidation or other analogous proceeding in respect of the Issuer (except as permitted by the covenant described under "— Merger, Consolidation and Sales of Assets").

Limitations on Redemptions or Dispositions of and Amendments to Rupee Debt

The Parent will not permit any Restricted Subsidiary to voluntarily prepay or redeem, in whole or in part, any Rupee Debt subscribed for or loaned by the Issuer on or prior to the SMR Measurement Date (the "Original Rupee Debt"), in whole or in part and the Issuer will not voluntarily exercise its right of redemption in connection with any Rupee Debt, in whole or in part, unless the proceeds of such prepayment or redemption are applied to redeem, repurchase, defease, acquire or otherwise reduce the principal amount of the Notes outstanding; *provided that,* after giving effect to such prepayment or redemption and application of the proceeds thereof each Restricted Subsidiary that issued Original Rupee Debt has outstanding Original Rupee Debt in an aggregate principal amount at least equal to the Minimum Rupee Debt Amount (except in the case of any prepayment or redemption by a Restricted Subsidiary in connection with any sale or issuance of Capital Stock permitted by the Indenture such that the Restricted Subsidiary would not remain a Subsidiary of the Parent).

For so long as the Notes are outstanding, the Parent will not permit any Restricted Subsidiary to amend, waive or modify the terms and conditions of any Original Rupee Debt other than: (i) to conform to an amendment, waiver or modification of the Indenture, the Notes, any Note Guarantee or the Collateral Documents, (ii) to reflect a consolidation, merger or sale of assets permitted by the covenant described under the caption "Merger, Consolidation and Sale of Assets," (iii) in any manner not materially adverse to the holders of the Rupee Debt, (iv) to conform to any provision of the Indenture, (v) as required under applicable law, rule, regulation or order, and (vi) in any manner to ensure that the restrictions in any Rupee Debt applicable to the Restricted Subsidiary issuing such Rupee Debt are not inconsistent with or more restrictive than the provisions of the Indenture applicable to such Restricted Subsidiary.

For so long as the Notes are outstanding, the Issuer will not sell or dispose of, including but not limited to by way transfer, assignment or subparticipation, any Rupee Debt to any Person.

Use of Proceeds

The Issuer will not use the net proceeds from the sale of the Notes offered hereby, and the Parent will not permit any other Restricted Subsidiary to use the proceeds from the Rupee Debt acquired with the net proceeds from the sale of the Notes offered hereby, for any purpose other than (1) in the approximate amounts, in the order and for the purposes specified under the caption "— Use of Proceeds" in this Offering Memorandum and (2) pending the application of all of such net proceeds in such manner, to invest the portion of such net proceeds not yet so applied in Temporary Cash Equivalents.

No Payments for Consent

The Issuer will not, and the Parent will not permit any other Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes in connection with an exchange offer, the Parent and any Restricted Subsidiary may exclude (a) in connection with an exchange offer, holders or beneficial owners of the Notes that are not "qualified institutional buyers" as defined in Rule 144A under the Securities Act, and (b) in connection with any consent, waiver or amendment, holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such holders or beneficial owners could, in the reasonable judgment of the Parent or the Issuer, require the Parent or any Restricted Subsidiary to (i) file a registration statement, prospectus or similar

document or subject the Parent or any Restricted Subsidiary to ongoing periodic reporting or similar requirements under any securities laws (including but not limited to, the United States federal securities laws and the laws of the European Union or its member states), (ii) qualify as a foreign corporation or other entity as a dealer in securities in such jurisdiction if it is not otherwise required to so qualify, (iii) generally consent to service of process in any such jurisdiction or (iv) subject the Parent or any Restricted Subsidiary to taxation in any such jurisdiction if it is not otherwise so subject, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Parent or the Issuer in its sole discretion.

Designation of Restricted Subsidiaries

Neither the Board of Directors of the Parent nor the Board of Directors of the Issuer may designate any Person as a Restricted Subsidiary, unless:

(1) either (a) such Person is acquired by the Issuer or acquired by, merged, consolidated or amalgamated with or into any of the other Restricted Subsidiaries, such Person is or becomes a Subsidiary of the Parent after such acquisition, merger, consolidation or amalgamation and any outstanding Indebtedness existing on the date it becomes a Restricted Subsidiary is permitted under the caption "— Incurrence of Indebtedness and Issuance of Preferred Stock" or (b) if on the date on which such Person becomes a Restricted Subsidiary, such Person has outstanding Indebtedness owing (x) to any Person other than the Parent or any of its Subsidiaries, such Indebtedness will, upon such Person becoming a Restricted Subsidiary, be permitted to be Incurred under clause (2)(i) or 2(o) of the covenant described under the caption "Incurrence of Indebtedness and Issuance of Preferred Stock" and (y) to the Parent or any of its Subsidiaries (other than a Restricted Subsidiary), such Indebtedness will, upon such Person becoming a Restricted Subsidiary, be permitted to be Incurred under clause 2(l) of the covenant described under the caption "Incurrence of Indebtedness and Issuance of Preferred Stock"; and

(2) no Default shall have occurred and be continuing at the time of or after giving effect to such designation.

A Restricted Subsidiary may not be designated as an Unrestricted Subsidiary at any time other than as set forth in the paragraph below. The Issuer will not and the Parent will not permit any other Restricted Subsidiary to own any Subsidiary that is an Unrestricted Subsidiary at any time.

Notwithstanding any provision of the Indenture, the Board of Directors of the Parent or of the Issuer may designate a Restricted Subsidiary that became a Restricted Subsidiary after the Original Issue Date as an Unrestricted Subsidiary solely in the event that such Restricted Subsidiary Incurred Indebtedness under clause (2)(i) of the covenant described under the caption "Incurrence of Indebtedness and Issuance of Preferred Stock" that after the Parent having used its reasonable best efforts will not be able to be refinanced or refunded, replaced, exchanged, renewed, repaid, redeemed, defeased or discharged within three months of the date such Restricted Subsidiary became a Restricted Subsidiary. Any such Restricted Subsidiary that is redesignated an Unrestricted Subsidiary shall only be permitted if (i) such Subsidiary would not be owned by any other Restricted Subsidiary after such designation; and (ii) any Investment by any other Restricted Subsidiary remaining in such Subsidiary after giving effect to such designation would be permitted to be made by the covenant described under the caption "Certain Covenants — Restricted Payments." In addition, notwithstanding any provision of the Indenture any sale or transfer of the Capital Stock of a Restricted Subsidiary designated as an Unrestricted Subsidiary pursuant to the immediately preceding sentence to another Subsidiary of the Parent will be deemed to not be (i) an Asset Sale or a transaction subject to the covenant described under "Certain Covenants — Sales and Issuances of Capital Stock in Restricted Subsidiaries" or (ii) an Affiliate Transaction; *provided that* the consideration received for such sale or transfer is not less than the consideration paid for such Capital Stock in a sale or transfer by which such Restricted Subsidiary was designated a Restricted Subsidiary.

Government Approvals and Licenses; Compliance with Law

The Parent will cause each Restricted Subsidiary to (1) obtain and maintain in full force and effect all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the Permitted Businesses; (2) preserve and maintain good and valid title to its properties and assets (including land-use rights); and (3) comply with all laws, regulations, orders, judgments and decrees of any governmental body, except to the extent that failure so to obtain, maintain, preserve and comply would not reasonably be expected to have a material adverse effect on (a) the business or results of operations of the Restricted Group, taken as a whole, or (b) the ability of the Issuer and any Guarantor to perform its obligations under the Notes, the Note Guarantee or the Indenture.

Anti-Layering

The Issuer will not and will not permit any Guarantor to Incur any Indebtedness if such Indebtedness is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Guarantor, unless such Indebtedness is also contractually subordinated in right of payment to the Notes or the applicable Note Guarantee, on substantially identical terms. This does not apply to distinctions between categories of Indebtedness that exist by reason of any Liens or Guarantee securing or in favor of some but not all of such Indebtedness or by virtue of some Indebtedness being secured on a junior priority basis.

Currency Indemnity

The U.S. Dollar is the sole currency of account and payment for all sums payable by the Issuer and the Guarantors under the Notes and the Note Guarantees (the "Contractual Currency"). Any amount received or recovered in currency other than the Contractual Currency in respect of the Notes or the Note Guarantees (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up, liquidation or dissolution of any Guarantor, any Subsidiary or otherwise) by the Holder in respect of any sum expressed to be due to it from the Issuer or any Guarantor will constitute a discharge of the Issuer or the Guarantor, as the case may be, only to the extent of the Contractual Currency amount which the recipient is able to purchase with the amount so received or recovered in other currency on the date of that receipt or recovery (or, if it is not possible to make that purchase on that date, on the first date on which it is possible to do so). If that purchased amount is less than the Contractual Currency amount expressed to be due to the recipient under any Note, the Issuer and the Guarantors will indemnify the recipient against any loss sustained by it as a result. For the purposes of this indemnity, it will be sufficient for the Holder to certify (indicating the sources of information used) that it would have suffered a loss had the actual purchase of Contractual Currency been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of Contractual Currency on such date had not been possible, on the first date on which it would have been possible).

Each of the above indemnities will, to the extent permitted by law:

- constitute a separate and independent obligation from the other obligations of the Issuer or the Guarantors;
- give rise to a separate and independent cause of action;
- apply irrespective of any waiver granted by any Holder; and
- continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order.

Suspension of Certain Covenants

If on any date following the Original Issue Date, the Notes have a rating of Investment Grade from both of the Rating Agencies and no Default or Event of Default has occurred and is continuing (a "Suspension Event"), then, beginning on that day and continuing until such time, if any, at which the Notes cease to have a rating of Investment Grade from either of the Rating Agencies, the provisions of the Indenture summarized under the following captions will be suspended:

(1) "— Certain Covenants — Incurrence of Indebtedness and Issuance of Preferred Stock";

(2) "— Certain Covenants — Restricted Payments";

(3) "— Certain Covenants — Transactions with Affiliates";

(4) "— Certain Covenants — Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries";

(5) "— Certain Covenants — Sales and Issuances of Capital Stock in Restricted Subsidiaries";

(6) "— Certain Covenants — Issuances of Guarantees by Restricted Subsidiaries";

(7) "— Asset Sales";

(8) clause (4) of the first paragraph of the covenant described under the caption "— Merger, Consolidation and Sale of Assets"; and

(9) "— Certain Covenants — Restricted Group's Business Activities";

(10) "— Certain Covenants — Anti-Layering."

Such covenants will be reinstated and apply according to their terms as of and from the first day on which a Suspension Event ceases to be in effect. Such covenants will not, however, be of any effect with regard to actions of the Issuer or any other Restricted Subsidiary properly taken in compliance with the provisions of the Indenture

during the continuance of the Suspension Event, and following reinstatement (1) the calculations under the covenant described under the caption "— Certain Covenants — Restricted Payments" will be made as if such covenant had been in effect since the Original Issue Date except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended and (2) all Indebtedness Incurred during the Suspension Period will be classified to have been incurred pursuant to clause (2)(b) of the covenant described under the caption "— Certain Covenants — Incurrence of Indebtedness and Issuance of Preferred Stock."

There can be no assurance that the Notes will ever achieve an Investment Grade rating or that, if achieved, any such rating will be maintained.

Provision of Financial Statements and Reports

For so long as any Notes are outstanding, the Parent will provide to the Trustee, as soon as they are available but in any event not more than ten calendar days after they are filed with Securities and Exchange Commission ("SEC") or, if the Parent does not file periodic reports with the SEC, the principal international recognized stock exchange on which the Parent's Common Stock is at any time listed for trading, true and correct copies of any quarterly or annual financial or other report in the English language (and an English translation such report in any other language) filed with such exchange; *provided, however,* that if at any time the Parent does not file periodic reports with the SEC and the Common Stock of the Parent is not listed for trading on an internationally recognized stock exchange, the Parent will file with the Trustee, in the English language (or accompanied by an English translation thereof):

(1) within 120 days after the end of the Parent's fiscal year beginning with the first fiscal year ending after the Original Issue Date, annual reports containing the following information: (a) audited consolidated balance sheets of the Parent as of the end of the two most recent fiscal years and audited consolidated income statements and statements of cash flow of the Parent for the two most recent fiscal years, including footnotes to such financial statements and the audit report of a member firm of an internationally recognized accounting firm on the financial statements; and (b) an operating and financial review of the audited financial statements; and

(2) within 90 days after the end of the first semi-annual period in each fiscal year of the Parent beginning with the semi-annual period ending after the Original Issue Date, semi-annual reports containing (a) an unaudited consolidated balance sheet as of the end of such semi-annual period and unaudited condensed statements of income and cash flow for the most recent semi-annual period ending on the unaudited consolidated balance sheet date, and the comparable prior year periods, together with footnotes reviewed by a member firm of an internationally recognized accounting firm; and (b) an operating and financial review of the unaudited financial statements.

In addition, for so long as any Notes are outstanding, the Issuer will provide to the Trustee the following reports, in the English language:

(1) no later than the date on which the Parent provides its corresponding annual reports to the Trustee pursuant to the preceding paragraph, annual reports containing the following information: (a) audited combined balance sheets of the Restricted Group of the end as of the two most recent fiscal years and audited combined income statements and statements of cash flow of the Restricted Group for the two most recent fiscal years, including footnotes to such financial statements and the audit report of a member firm of an internationally recognized accounting firm on the financial statements; and (b) an operating and financial review of the audited financial statements; and

(2) no later than the date on which the Parent provides its corresponding semi-annual reports to the Trustee pursuant to the preceding paragraph, semi-annual reports containing (a) an unaudited combined balance sheet of the Restricted Group as of the end of such semi-annual period and unaudited combined statements of income and cash flow of the Restricted Group for the most recent semi-annual period ending on the unaudited combined balance sheet date, and the comparable prior year periods, together with footnotes reviewed by a member firm of an internationally recognized accounting firm together with the review report thereon; and (b) an operating and financial review of the unaudited financial statements.

In addition, for so long as any Note remains outstanding, the Parent or the Issuer will provide to the Trustee (a) within 120 days after the close of each fiscal year, an Officer's Certificate stating the Combined Leverage Ratio at the end of such fiscal year and showing in reasonable detail the calculation of such ratio with a certificate from the Parent's or the Issuer's external auditors verifying the accuracy and correctness of the calculation and arithmetic computation; *provided, however,* that the Parent and the Issuer shall not be required to provide such auditor certification if its external auditors refuse as a general policy to provide such certification;

and (b) as soon as possible and in any event within 10 Business Days after the Parent or the Issuer becomes aware or should reasonably became aware of the occurrence of a Default or Event of Default, an Officer's Certificate setting forth the details of the Default or Event of Default, and the action which the Parent or the Issuer proposes to take with respect thereto.

All financial statements of (i) the Parent will be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented and (ii) the Restricted Group will be prepared in accordance with Ind-AS (as defined in the definition of "GAAP" under "— Certain Definitions") and on a consistent basis for the periods presented; *provided, however,* that the reports set forth in this covenant may, in the event of change in applicable financial reporting standards, present earlier periods on a basis that applied to such periods.

Further, the Parent and the Issuer have agreed that, for as long as any Notes are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, during any period in which the Parent or the Issuer is neither subject to Section 13 or 15(d) of the Exchange Act, nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder, the Parent (prior to the Early Parent Guarantee Release Date) or the Issuer, as applicable, will supply to (i) any Holder or beneficial owner of a Note or (ii) a prospective purchaser of a Note or a beneficial interest therein designated by such Holder or beneficial owner, the information specified in, and meeting the requirements of Rule 144A(d)(4) under the Securities Act upon the request of any Holder or beneficial owner of a Note.

Events of Default and Remedies

Each of the following is an "Event of Default":

(1) default in the payment of principal of (or premium, if any, on) the Notes when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise;

(2) default in the payment of interest on any Note when it becomes due and the continuance of any such failure for 30 days;

(3) default in compliance with the covenant described under the caption "— Certain Covenants — Merger, Consolidation and Sale of Assets" or in respect of the Issuer's obligations to consummate an offer to purchase upon a Change of Control Triggering Event or Asset Sale, or in respect of its obligations to consummate a Special Mandatory Redemption;

(4) defaults under the Indenture (other than a default specified in clause (1), (2) or (3) above) and continuance for 60 consecutive days after written notice is given by Holders of 25% or more in aggregate principal amount of the Notes;

(5) any event of default occurs and is continuing with respect to any Rupee Debt (other than any default in the payment of interest);

(6) with respect to any Indebtedness of the Issuer or any other Restricted Subsidiary having an outstanding principal amount of US$10.0 million (or the Dollar Equivalent thereof) or more, (a) an event of default causing the holder thereof to declare such Indebtedness to be due prior to its Stated Maturity and/or (b) the failure to make a principal payment when due;

(7) passage of 60 consecutive days following entry of the final judgment or order against the Issuer or any other Restricted Subsidiary that causes the aggregate amount for all such final judgments or orders outstanding and not paid, discharged or stayed to exceed US$10.0 million (or the Dollar Equivalent thereof) (exclusive of any amounts for which a solvent (to the Issuer's best knowledge) insurance company has acknowledged liability for);

(8) an involuntary case or other proceeding is commenced against the Parent, the Issuer or one or more Restricted Subsidiaries representing individually or in the aggregate at least 5% of the Total Assets or Combined EBITDA of the Restricted Group as of or for the most recently completed fiscal year of the Restricted Group for which financial statements are available seeking the appointment of a receiver, official liquidator, administrator, trustee or corporate insolvency resolution professional and remains undismissed and unstayed for 90 consecutive days, or a final non-appealable judgement or order for relief is entered under any bankruptcy or other similar law;

(9) the Parent, the Issuer or one or more Restricted Subsidiaries representing individually or in the aggregate at least 5% of the Total Assets or Combined EBITDA of the Restricted Group as of or for the most recently completed fiscal year of the Restricted Group for which financial statements are available:

   (a) commences a voluntary case, or consents to the entry of an order for relief in an involuntary case, under any bankruptcy or other similar law;

(b) consents to the appointment of a receiver, liquidator, administrator, trustee or corporate insolvency professional, or

(c) effects any general assignment for the benefit of creditors;

(10) any Guarantor denies its obligations under its Note Guarantee or such Note Guarantee is determined to be unenforceable or invalid or shall for any reason cease to be in full force and effect (other than due to a release of such Note Guarantee pursuant to the terms of the Indenture);

(11) any default by the Issuer or the Parent in the performance of any of its obligations under the Collateral Documents, which adversely affects the enforceability, validity, perfection or priority of the applicable Lien on the Collateral or which adversely affects the condition or value of the Collateral, taken as a whole, in any material respect; or

(12) the repudiation by the Issuer or the Parent of any of their obligations under the Collateral Documents or a Collateral Document ceases to be or is not in full force or effect or the failure to create a first-priority lien on the Collateral or the Trustee or the applicable Collateral Agent ceases to have a first-priority security interest in the Collateral (subject to any Permitted Liens and in respect of the Pari Passu Collateral, any Intercreditor Agreement).

If an Event of Default (other than an Event of Default specified in clause (8) or (9) above) occurs and is continuing, the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Issuer, may, and the Trustee at the written direction of such Holders (subject to it being indemnified and/or secured and/or pre-funded to its satisfaction) will, declare the principal of, premium and Additional Amounts, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium and Additional Amounts, if any, and accrued and unpaid interest will be immediately due and payable. If an Event of Default specified in clause (8) or (9) above occurs, the principal of, premium and Additional Amounts, if any, and accrued and unpaid interest on the Notes then outstanding will automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

The Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Issuer and to the Trustee may on behalf of all the Holders waive all past defaults and rescind and annul a declaration of acceleration and its consequences if:

(1) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived; and

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

If an Event of Default occurs and is continuing, the Trustee may pursue, in its own name or as Trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of and interest on the Notes or to enforce the performance of any provision of the Notes or the Indenture, including, but not limited to, directing a foreclosure on the Collateral in accordance with the terms of the Collateral Documents and take such further action on behalf of the Holders with respect to the Collateral in accordance with such Holders' instruction and the relevant Collateral Documents, subject to any Intercreditor Agreement in the case of Pari Passu Collateral. The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, subject to any Intercreditor Agreement in the case of Pari Passu Collateral, provided that in all cases the Trustee is indemnified and/or secured and/or prefunded to its satisfaction in advance of any such proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture, that may involve the Trustee in personal liability and may take any other action it deems proper that is not inconsistent with any such direction received from Holders. In addition, the Trustee will not be required to expend its own funds in following such direction if it does not believe that reimbursement or satisfactory indemnification and/or security and/or pre-funding is assured to it.

A Holder may not institute any proceeding, judicial or otherwise, with respect to the Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under the Indenture or the Notes, unless:

(1) the Holder has previously given the Trustee written notice of a continuing Event of Default;

(2) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer the Trustee and the Collateral Agents indemnity and/or security and/or pre-funding reasonably satisfactory to the Trustee and the Collateral Agents against any fees, costs, liability or expenses to be incurred in compliance with such request;

(4) the Trustee does not comply with the request within (x) 60 days after receipt of the written request pursuant to clause (2) above or (y) 60 days after the receipt of the offer of indemnity and/or security and/or pre-funded pursuant to clause (3) above, whichever occurs later; and

(5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

However, such limitations do not apply to the contractual right of any Holder to bring suit for the enforcement of any contractual right to payment, on or after the due date expressed in the Notes, which right will not be impaired or affected without the consent of the Holder.

An officer of the Parent or of the Issuer must certify to the Trustee in writing, on or before a date not more than 120 days after the end of each fiscal year and within 14 days after a written request from the Trustee, that a review has been conducted of the activities of the Parent and the Restricted Subsidiaries and the Parent and the Restricted Subsidiaries' performance under the Indenture, the Notes and the Collateral Documents, and that the Parent and each Restricted Subsidiary have fulfilled all of their respective obligations thereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof. The Parent or the Issuer will also be obligated to notify the Trustee in writing of any default or defaults in the performance of any covenants or agreements under the Indenture. See "— Provision of Financial Statements and Reports."

No Personal Liability of Incorporators, Promoters, Directors, Officers, Employees and Stockholders

No incorporator, promoter, director, officer, employee or stockholder of the Issuer or the Parent, as such, will have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Indenture, any Note Guarantee, the Collateral Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under U.S. federal securities laws.

Legal Defeasance and Covenant Defeasance

The Issuer may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have all of its obligations discharged with respect to the outstanding Notes and all obligations of the Guarantors discharged with respect to the Note Guarantees ("Legal Defeasance") except for:

(1) the rights of Holders to receive payments in respect of the principal of, or interest or premium, if any, on, such Notes when such payments are due from the trust referred to below;

(2) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's and the Guarantors' obligations in connection therewith; and

(4) the Legal Defeasance and Covenant Defeasance provisions of the Indenture. In addition, the Issuer may, at its option and at any time, elect to have the obligations of the Issuer and the Guarantors released with respect to substantially all of the covenants (including its obligation to make Change of Control Offers and Asset Sale Offers) that are described in the Indenture ("Covenant Defeasance") and thereafter any omission to comply with those covenants will not constitute a Default or Event of Default. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under "Events of Default and Remedies" will no longer constitute an Event of Default.

In order to exercise either Legal Defeasance or Covenant Defeasance:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized

investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of Legal Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel confirming that (a) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (b) since the Original Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness) and the granting of Liens securing such borrowing);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the Indenture and any agreements or instruments governing any other Indebtedness being defeased, discharged or replaced) to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;

(6) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Indenture, the Notes, any Note Guarantee, the Collateral Documents or the Intercreditor Agreement (if any) may be amended or supplemented with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and any existing Default or Event of Default or compliance with any provision of the Indenture, the Notes, any Note Guarantee, the Collateral Documents or the Intercreditor Agreement (if any) may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes).

Without the consent of each Holder of Notes affected, an amendment, supplement or waiver may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note;

(3) change the redemption date or the redemption price of the Notes from that stated under "— Optional Redemption" or "— Redemption for Tax Reasons";

(4) reduce the rate of or change the currency or change the time for payment of interest, including default interest, on any Note;

(5) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(6) reduce the amount payable upon a Change of Control Offer or an Excess Proceeds Repurchase Offer or change the time or manner a Change of Control Offer or an Excess Proceeds Repurchase Offer may be

made or by which the Notes must be repurchased pursuant to a Change of Control Offer or an Excess Proceeds Repurchase Offer, in each case after the obligation to make such Change of Control Offer or Excess Process Repurchase Offer has arisen;

(7) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders to bring suit for the enforcement of any contractual right to payment, on or after the due date expressed in the Notes;

(8) waive a redemption payment with respect to any Note (other than a payment required by one of the covenants described above under the caption "— Repurchase at the Option of Holders");

(9) release any Guarantor from any of its obligations under its Note Guarantee or the Indenture, except as set forth under the caption "— Brief Description of the Notes and the Note Guarantee — Note Guarantees" and "Merger, Consolidation and Sale of Assets";

(10) release any Collateral from the Lien of the Indenture and the Collateral Documents, except as set forth under the caption "— Security"; or

(11) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any Holder, the Issuer, the Guarantors and the Trustee may amend or supplement the Indenture, the Notes, any Note Guarantee, the Intercreditor Agreement (if any) or the Collateral Documents:

(1) to cure any ambiguity, defect, omission or inconsistency;

(2) to provide for certificated Notes in addition to or in place of uncertificated Notes (provided, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the U.S. Internal Revenue Code of 1986, as amended);

(3) to provide for the assumption of the Issuer's or the Guarantor's obligations to Holders and Guarantees in the case of a merger or consolidation or sale of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder;

(5) to conform the text of the Indenture, the Notes or the Note Guarantees or the Collateral Documents to any provision of this Description of the Notes to the extent that such provision in this Description of the Notes was intended to be a verbatim recitation of a provision thereof;

(6) to provide for the issuance of Additional Notes in accordance with the covenants set forth in the Indenture;

(7) to effect any changes to the Indenture in a manner necessary to comply with the procedures of the relevant clearing system;

(8) to allow a Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes or to release a Guarantor from its Note Guarantee in accordance with the terms of the Indenture;

(9) to enter into additional or supplemental Collateral Documents or to release Collateral from the Lien of the Indenture or the Collateral Documents in accordance with the terms of the Indenture;

(10) to evidence and provide for the acceptance of appointment by a successor Trustee or Collateral Agent; or

(11) to enter into an Intercreditor Agreement.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Paying Agent for cancellation; or

(b) all Notes that have not been delivered to the Paying Agent for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable

Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Paying Agent for cancellation for principal, premium if any, and accrued interest to the date of maturity or redemption;

(2) the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge or any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(3) the Issuer or a Guarantor has paid or caused to be paid all sums payable by it under the Indenture; and

(4) the Issuer has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

Citicorp International Limited will be appointed as Trustee under the Indenture. Citibank, N.A., London Branch will be appointed as paying agent (the "Paying agent"), transfer agent (the "Transfer agent") and registrar (the "Registrar" and together with the Paying agent and the Transfer agent, the "Agents"). Except during the continuance of a Default, the Trustee will not be liable, except for the performance of such duties as are specifically set forth in the Indenture or the Notes, as the case may be, and no implied covenants or obligations will be read into the Indenture, the Notes, and the agent appointment letter against the Trustee or the Agents. If an Event of Default has occurred and is continuing, the Trustee will use the same degree of care and skill in its exercise of the rights and powers vested in it under the Indenture or the Notes as a prudent person would exercise under the circumstances in the conduct of such person's own affairs. Pursuant to the terms of the Indenture or the Notes (as the case may be), the Issuer will reimburse the Trustee for all expenses incurred.

Each Holder, by accepting the Notes will agree, for the benefit of the Trustee, that it is solely responsible for its own independent appraisal of, and investigation into, all risks arising under or in connection with the Notes and has not relied on and will not at any time rely on the Trustee in respect of such risks.

If the Trustee becomes a creditor of the Issuer or any Guarantor, the Indenture limits the right of the Trustee to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee and the Agents will be permitted to engage in other transactions, including normal banking and trustee relationships, with the Issuer, any of the Guarantors, and their respective Affiliates; however, if it acquires any conflicting interest that may have a prejudicial effect upon the Holders of the Notes, it must eliminate such conflict within 90 days, or resign.

The Holders of a majority in aggregate principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. The Indenture provides that in case an Event of Default occurs and is continuing, the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any Holder, unless such Holder has offered to the Trustee security and/or indemnity and/or pre-funding satisfactory to it against any loss, liability or expense.

Book-Entry, Delivery and Form

The Notes are being offered and sold to qualified institutional buyers in reliance on Rule 144A ("Rule 144A Notes"). The Notes also may be offered and sold in offshore transactions in reliance on Regulation S under the Securities Act ("Regulation S Notes"). Except as set forth below, the Notes will be issued in registered, global form in minimum denominations of US$200,000 and integral multiples of US$1,000 in excess thereof. Notes will be issued at the closing of this offering only against payment in immediately available funds.

Rule 144A Notes initially will be represented by one or more Notes in registered, global form without interest coupons (collectively, the "Rule 144A Global Notes"). Regulation S Notes initially will be represented by one or more Notes in registered, global form without interest coupons (collectively, the "Regulation S Global Notes" and, together with the Rule 144A Global Notes, the "Global Notes"). The Global Notes will be deposited upon issuance with Cede & Co. as custodian for DTC, in New York, New York, and registered in the name of DTC or its nominee, in each case, for credit to an account of a direct or indirect participant in DTC as described below.

Beneficial interests in the Rule 144A Global Notes may not be exchanged for beneficial interests in the Regulation S Global Notes at any time except in the limited circumstances described below. See "— Exchanges between Regulation S Notes and Rule 144A Notes."

Except as set forth below, the Global Notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the Global Notes may not be exchanged for definitive Notes in registered certificated form ("Certificated Notes") except in the limited circumstances described below. See "— Exchange of Global Notes for Certificated Notes." Except in the limited circumstances described below, owners of beneficial interests in the Global Notes will not be entitled to receive physical delivery of Notes in certificated form.

Rule 144A Notes (including beneficial interests in the Rule 144A Global Notes) will be subject to certain restrictions on transfer and will bear a restrictive legend as described under "Transfer Restrictions." Regulation S Notes will also bear the legend as described under "Transfer Restrictions." In addition, transfers of beneficial interests in the Global Notes will be subject to the applicable rules and procedures of DTC and its direct or indirect participants (including, if applicable, those of Euroclear and Clearstream), which may change from time to time.

Depository Procedures

The following description of the operations and procedures of DTC, Euroclear and Clearstream are provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. The Issuer takes no responsibility for these operations and procedures and urges investors to contact the system or their participants directly to discuss these matters.

DTC has advised the Issuer that DTC is a limited-purpose trust company created to hold securities for its participating organizations (collectively, the "Participants") and to facilitate the clearance and settlement of transactions in those securities between the Participants through electronic book-entry changes in accounts of its Participants. The Participants include securities brokers and dealers (including the Initial Purchasers), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the "Indirect Participants"). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

DTC has also advised the Issuer that, pursuant to procedures established by it:

(1) upon deposit of the Global Notes, DTC will credit the accounts of the Participants designated by the Initial Purchasers with portions of the principal amount of the Global Notes; and

(2) ownership of these interests in the Global Notes will be shown on, and the transfer of ownership of these interests will be effected only through, records maintained by DTC (with respect to the Participants) or by the Participants and the Indirect Participants (with respect to other owners of beneficial interest in the Global Notes).

Investors in the Rule 144A Global Notes who are Participants may hold their interests therein directly through DTC. Investors in the Rule 144A Global Notes who are not Participants may hold their interests therein indirectly through organizations (including Euroclear and Clearstream) which are Participants. Investors in the Regulation S Global Notes may hold their interests therein through Euroclear or Clearstream, if they are participants in such systems, indirectly through organizations that are participants therein, or through Participants in the DTC system other than Euroclear and Clearstream. Euroclear and Clearstream will hold interests in the Regulation S Global Notes on behalf of their participants through customers' securities accounts in their respective names on the books of their respective depositories, which are Euroclear Bank S.A./N.V., as operator of Euroclear, and Citibank, N.A., as operator of Clearstream. All interests in a Global Note, including those held through Euroclear or Clearstream, may be subject to the procedures and requirements of DTC. Those interests held through Euroclear or Clearstream may also be subject to the procedures and requirements of such systems. The laws of some states require that certain Persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer beneficial interests in a Global Note to such Persons will be limited to that extent. Because DTC can act only on behalf of the Participants, which in turn act on behalf of the Indirect Participants, the ability of a Person having beneficial interests in a Global Note to pledge such interests to Persons that do not participate in the DTC system, or otherwise take actions in respect of such interests, may be affected by the lack of a physical certificate evidencing such interests.

Except as described below, owners of interests in the Global Notes will not have Notes registered in their names, will not receive physical delivery of Notes in certificated form and will not be considered the registered owners or "Holders" thereof under the Indenture for any purpose.

Payments in respect of the principal of, and interest and premium, if any, on a Global Note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered Holder under the Indenture. Under the terms of the Indenture, the Issuer, the Trustee and the Agents will treat the Persons in whose names the Notes, including the Global Notes, are registered as the owners of the Notes for the purpose of receiving payments and for all other purposes. Consequently, neither the Issuer, the Trustee nor any agent of the Issuer or the Trustee has or will have any responsibility or liability for:

(1) any aspect of DTC's records or any Participant's or Indirect Participant's records relating to or payments made on account of beneficial ownership interest in the Global Notes or for maintaining, supervising or reviewing any of DTC's records or any Participant's or Indirect Participant's records relating to the beneficial ownership interests in the Global Notes; or

(2) any other matter relating to the actions and practices of DTC or any of its Participants or Indirect Participants.

DTC has advised the Issuer that its current practice, upon receipt of any payment in respect of securities such as the Notes (including principal and interest), is to credit the accounts of the relevant Participants with the payment on the payment date unless DTC has reason to believe that it will not receive payment on such payment date. Each relevant Participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the Participants and the Indirect Participants to the beneficial owners of Notes will be governed by standing instructions and customary practices and will be the responsibility of the Participants or the Indirect Participants and will not be the responsibility of DTC, the Trustee or the Issuer. Neither the Issuer, the Agents nor the Trustee will be liable for any delay by DTC or any of the Participants or the Indirect Participants in identifying the beneficial owners of the Notes, and the Issuer, the Agents and the Trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Subject to the transfer restrictions set forth under "Transfer Restrictions," transfers between the Participants will be effected in accordance with DTC's procedures, and will be settled in same-day funds, and transfers between participants in Euroclear and Clearstream will be effected in accordance with their respective rules and operating procedures.

Subject to compliance with the transfer restrictions applicable to the Notes described herein, cross-market transfers between the Participants, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of Euroclear or Clearstream, as the case may be, by their respective depositaries; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depositary to take action to effect final settlement on its behalf by delivering or receiving interests in the relevant Global Note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

DTC has advised the Issuer that it will take any action permitted to be taken by a Holder of Notes only at the direction of one or more Participants to whose account DTC has credited the interests in the Global Notes and only in respect of such portion of the aggregate principal amount of the Notes as to which such Participant or Participants has or have given such direction. However, if there is an Event of Default under the Notes, DTC reserves the right to exchange the Global Notes for legended Notes in certificated form, and to distribute such Notes to its Participants.

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures to facilitate transfers of interests in the Rule 144A Global Notes and the Regulation S Global Notes among participants in DTC, Euroclear and Clearstream, they are under no obligation to perform or to continue to perform such procedures, and may discontinue such procedures at any time. None of the Issuer, the Trustee and any of their respective agents will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Exchange of Global Notes for Certificated Notes

A Global Note is exchangeable for Certificated Notes if:

(1) DTC (a) notifies the Issuer that it is unwilling or unable to continue as depositary for the Global Notes or (b) has ceased to be a clearing agency registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor depositary;

(2) the Issuer, at its sole discretion, notifies the Trustee and the Registrar in writing that it elects to cause the issuance of the Certificated Notes; or

(3) if a beneficial owner of a Note requests such exchange in writing through DTC following a Default or Event of Default which has occurred and is continuing.

In addition, beneficial interests in a Global Note may be exchanged for Certificated Notes upon prior written notice given to the Trustee by or on behalf of DTC in accordance with the Indenture. In all cases, Certificated Notes delivered in exchange for any Global Note or beneficial interests in Global Notes will be registered in the name of the person who is for the time being shown in the records of DTC as the holder of a particular aggregate principal amount of the Note, and issued in any approved denominations, requested by or on behalf of the depositary (in accordance with its customary procedures) and will bear the applicable restrictive legend referred to in "Transfer Restrictions" unless that legend is not required by applicable law.

For so long as the Notes are listed on the SGX-ST and the rules of the SGX-ST so require, if a Global Note is exchanged for individual definitive notes, the Issuer will appoint and maintain a paying agent in Singapore, where the Notes may be presented or surrendered for payment or redemption, and make an announcement of such exchange through the SGX-ST that will include all material information with respect to the delivery of the individual definitive notes, including details of the paying agent in Singapore.

Exchange of Certificated Notes for Global Notes

Certificated Notes may not be exchanged for beneficial interests in any Global Note unless the transferor first delivers to the Trustee a written certificate (in the form provided in the Indenture) to the effect that such transfer will comply with the appropriate transfer restrictions applicable to such Notes. See "Transfer Restrictions."

Exchanges between Regulation S Notes and Rule 144A Notes

Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note only if the transferor first delivers to the Transfer Agent a written certificate (in the form provided in the Indenture) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available).

Transfers involving exchanges of beneficial interests between the Regulation S Global Notes and the Rule 144A Global Notes will be effected by DTC by means of an instruction originated by the Trustee through the DTC Deposit/Withdraw at Custodian system. Accordingly, in connection with any such transfer, appropriate adjustments will be made to reflect a decrease in the principal amount of the Regulation S Global Note and a corresponding increase in the principal amount of the Rule 144A Global Note or vice versa, as applicable. Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in another Global Note will, upon transfer, cease to be an interest in such Global Note and will become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Note for so long as it remains such an interest.

Same Day Settlement and Payment

The Issuer will make payments in respect of the Notes represented by the Global Notes (including principal, premium, if any, interest and, if any) by wire transfer of immediately available funds to the accounts specified by DTC or its nominee. The Issuer will make all payments of principal, interest and premium, if any, with respect to Certificated Notes by wire transfer of immediately available funds to the accounts specified by the Holders of the Certificated Notes.

The Notes represented by the Global Notes are expected to be eligible to trade in DTC's Same-Day Funds Settlement System, and any permitted secondary market trading activity in such Notes will, therefore, be required by DTC to be settled in immediately available funds. The Issuer expects that secondary trading in any Certificated Notes will also be settled in immediately available funds. Because of time zone differences, the securities account of a Euroclear or Clearstream participant purchasing an interest in a Global Note from a Participant will be credited, and any such crediting will be reported to the relevant Euroclear or Clearstream

participant, during the securities settlement processing day (which must be a business day for Euroclear and Clearstream) immediately following the settlement date of DTC. DTC has advised the Issuer that cash received in Euroclear or Clearstream as a result of sales of interests in a Global Note by or through a Euroclear or Clearstream participant to a Participant will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC's settlement date.

Offering Circular dated 3 August 2017

TERMS AND CONDITIONS OF THE BONDS

The following, other than the paragraphs in italics, is the text of the terms and conditions of the Bonds which will be endorsed on the individual certificates ("Individual Certificates") issued in respect of the Bonds.

The issue of the U.S.$1,000,000,000 6.125% Bonds due 2024 (the "Bonds", which expression shall, unless the context requires, include any bonds issued pursuant to Condition 15 and forming a single series with the Bonds issued on the Closing Date) was authorised by a resolution of the Board of Directors of Vedanta Resources plc (the "Issuer") on 26 July 2017. The Bonds are constituted by a Trust Deed (the "Trust Deed") to be dated on or about the Closing Date between the Issuer and Citicorp International Limited (the "Trustee", which expression shall include all persons for the time being acting as trustee or trustees under the Trust Deed) as trustee for the Bondholders. These terms and conditions (the "Conditions") include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bonds. The Issuer will enter into a paying agency agreement to be dated on or about the Closing Date (the "Paying Agency Agreement") among the Issuer, the Trustee, Citibank, N.A., London Branch, as principal paying agent, Citigroup Global Markets Deutschland AG as transfer agent and registrar, and the other paying and transfer agents appointed under it. The principal paying agent, transfer agent, registrar, paying agents and transfer agents for the time being are referred to herein as the "Principal Agent", the "Registrar", the "Paying Agents" (which expression shall include the Principal Agent) and the "Transfer Agents" (which expression shall include the Registrar), respectively, each of which expressions shall include the successors from time to time of the relevant persons, in such capacities, under the Paying Agency Agreement, and are collectively referred to herein as the "Agents". Copies of the Trust Deed and the Paying Agency Agreement are available for inspection during usual business hours at the specified office of the Principal Paying Agent. The Bondholders (as defined in Condition 1(b)) are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of the provisions of the Paying Agency Agreement applicable to them.

1. Form, Denomination, Title and Status

(a) **Form and denomination**: The Bonds are in registered form in the minimum denomination of U.S.$200,000 each and in integral multiples of U.S.$1,000 in excess thereof, without coupons attached. A bond certificate (each, a "Certificate") will be issued to each Bondholder in respect of its registered holding of Bonds. Each Bond and each Certificate will have an identifying number which will be recorded on the relevant Certificate and in the Register (as defined in Condition 2(a)).

Certificates issued with respect to Rule 144A Bonds will bear the Securities Act Legend (as defined in the Trust Deed), unless determined otherwise in accordance with the provisions of the Paying Agency Agreement by reference to applicable law. Certificates issued with respect to the Regulation S Bonds will not bear the Securities Act Legend. Upon issue, the Rule 144A Bonds will be represented by the Restricted Global Certificate and the Regulation S Bonds will be represented by the Unrestricted Global Certificate. The Restricted Global Certificate will be deposited with a custodian for, and registered in the name of Cede & Co. as nominee of, The Depository Trust Company ("DTC") and the Unrestricted Global Certificate will be deposited with a custodian for, and registered in the name of Cede & Co. as nominee of, DTC for the accounts of Euroclear Bank SA/NV ("Euroclear") and Clearstream Banking, S.A. ("Clearstream, Luxembourg"). The Conditions are modified by certain provisions contained in the Global Certificates. See "Summary of Provisions relating to the Bonds while in Global Form."

Except in the limited circumstances described in the Global Certificates and "Summary of Provisions relating to the Bonds while in Global Form," owners of interests in Bonds represented by the Global Certificates will not be entitled to receive Individual Certificates in respect of their individual holdings of Bonds. The Bonds are not issuable in bearer form.

(b) **Title:** Title to the Bonds passes only by transfer and registration in the Register (as defined in Condition 2(a)). The holder of any Bond will (except as otherwise required by law or as ordered by a court of competent jurisdiction) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or the theft or loss of, the Certificate (if any) issued in respect of it or anything written on it or on the relevant Certificate) and no person will be liable for so treating the holder. In these Conditions, "Bondholder" and (in relation to a Bond) "holder" mean the person in whose name a Bond is registered in the Register from time to time.

(c) **Status:** The Bonds constitute senior, unsubordinated, direct, unconditional and (subject to Condition 3(a)) unsecured obligations of the Issuer and shall at all times rank pari passu and without any preference among themselves. The payment obligations of the Issuer under the Bonds shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 3(a), at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

2. **Transfer of Bonds**

(a) **The Register:** The Issuer will cause to be kept at the specified office of the Registrar and in accordance with the terms of the Paying Agency Agreement a register (the "Register") on which shall be entered, on behalf of the Issuer, the names and addresses of the Bondholders from time to time and the particulars of the Bonds held by them and of all transfers and redemptions of Bonds. Each Bondholder shall be entitled to receive only one Certificate in respect of its entire holding.

(b) **Transfers:** Subject to the terms of the Paying Agency Agreement and to Conditions 2(e) and 2(f), a Bond may be transferred by delivering the Certificate issued in respect of it, with the form of transfer on the back duly completed and signed, to the specified office of the Registrar or any of the Transfer Agents. No transfer of a Bond will be valid unless and until entered on the Register.

Transfers of interests in the Bonds evidenced by the Global Certificates will be effected in accordance with the rules of the relevant clearing systems.

Upon the transfer, exchange or replacement of a Rule 144A Bond, a Transfer Agent will only deliver Certificates with respect to Rule 144A Bonds that bear the Securities Act Legend unless there is delivered to such Transfer Agent such satisfactory evidence, which may include an opinion of legal counsel, as may be reasonably required by the Issuer, that neither the Securities Act Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the US Securities Act of 1933, as amended (the "Securities Act").

Interests in Bonds represented by the Restricted Global Certificate may be transferred to a person who wishes to take delivery of any such interest in the form of an interest in Bonds represented by the Unrestricted Global Certificate only if a Transfer Agent receives a written certificate from the transferor (in the form provided in the Paying Agency Agreement) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S under the Securities Act ("Regulation S") or Rule 144 under the Securities Act ("Rule 144A") (if available).

Prior to the 40th day after the day of issue of the Bonds (the "Restricted Period"), an interest in Bonds represented by the Unrestricted Global Certificate may be exchanged for an interest in Bonds represented by the Restricted Global Certificate only if a Transfer Agent receives a written certificate from the transferee of the interest in Bonds represented by the Unrestricted Global Certificate (in the form provided in the Paying Agency Agreement) to the effect that the transferee is a qualified institutional buyer (as defined in Rule 144A) and is obtaining such interest in a transaction meeting the requirements of Rule 144A and any applicable securities laws of any state of the United States or any other jurisdiction. After the expiration of the Restricted Period, this certification requirement will no longer apply to such transfers.

Transfers of Bonds are also subject to the restrictions described under "Plan of Distribution" and "Transfer Restrictions" below.

(c) **Delivery of new Certificates:** Each new Certificate to be issued on transfer of a Bond or Bonds will, within five Business Days of receipt by the relevant Transfer Agent of the duly completed and signed form of transfer, be made available for collection at the specified office of the relevant Transfer Agent or, if so requested in the form of transfer, be mailed by uninsured mail at the risk of the holder entitled to the Bonds transferred (free of charge to the holder), to the address specified in the form of transfer.

Except in the limited circumstances described in "Summary of Provisions relating to the Bonds while in Global Form — Registration of Title", owners of interests in Bonds represented by the Global Certificates will not be entitled to receive physical delivery of Individual Certificates. Issues of Certificates upon transfers of Bonds are subject to compliance by the transferor and transferee with the certification procedures described above and in the Paying Agency Agreement and, in the case of Rule 144A Bonds, compliance with the Securities Act Legend.

Where some but not all of the Bonds in respect of which a Certificate is issued are to be transferred or redeemed, a new Certificate in respect of the Bonds not so transferred or redeemed, will, within five Business Days of delivery or surrender of the original Certificate to the relevant Transfer Agent or Registrar, be made available for collection at the specified office of the relevant Agent or, if so requested by the holder, be mailed by uninsured mail at the risk of the holder of the Bonds not so transferred or redeemed (free of charge to the holder), to the address of such holder appearing on the Register.

In this Condition 2, "Business Day" means a day (other than a Saturday or a Sunday) on which banks are open for business in the city in which the specified office of the Registrar and the relevant Transfer Agent to which the Certificate in respect of the Bonds to be transferred or relevant form of transfer is delivered is situated.

(d) **Formalities free of charge:** Registration of transfer of Bonds will be effected without charge by or on behalf of the Issuer or any of the Transfer Agents, but only upon the person making such application for transfer, paying or procuring the payment (or the giving of such indemnity as the Issuer or any of the Transfer Agents may require) of any tax, duty or other governmental charges which may be imposed in relation to such transfer.

(e) **Closed periods:** No Bondholder may require the transfer of a Bond to be registered during the period of 15 days ending on (and including) the due date for any payment of principal of that Bond or seven days ending on (and including) any Interest Record Date (as defined in Condition 6(a)).

(f) **Regulations:** All transfers of Bonds and entries on the Register will be made subject to the detailed regulations concerning transfer of Bonds scheduled to the Paying Agency Agreement. The regulations may be changed by the Issuer with the prior written approval of the Trustee and the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar to any Bondholder upon written request.

3. **Covenants**

(a) **Negative Pledge:** So long as any Bond remains outstanding (as defined in the Trust Deed), the Issuer will not create or permit to subsist any mortgage, charge, pledge, lien or other form of encumbrance or security interest ("Security") upon any assets directly held by the Issuer, present or

future, to secure any Indebtedness or any guarantee or indemnity in respect of any Indebtedness, unless, at the same time or prior thereto, the Issuer's obligations under the Bonds and the Trust Deed (x) are secured equally and rateably therewith in substantially identical terms thereto, in each case to the satisfaction of the Trustee; or (y) have the benefit of such other security or other arrangement as the Trustee in its absolute discretion shall deem to be not materially less beneficial to the Bondholders or as shall be approved by an Extraordinary Resolution of the Bondholders; *provided* that this clause (a) shall not apply to Security (x) arising by operation of law or (y) created in respect of Indebtedness (which for this purpose shall exclude Relevant Debt) in an aggregate principal amount not exceeding 10% of Total Assets. For the avoidance of doubt, the foregoing restriction shall not apply to Security upon assets held by any Subsidiary (other than assets that are jointly held with the Issuer).

As used in these Conditions:

(i) such borrower for amounts limited to the present and future cash flow or net cash flow from the Relevant Property; and/or

(ii) the proceeds of enforcement of any Security given by such borrower over the Relevant Property or the income, cash flow or other proceeds deriving therefrom (or given by any shareholder or the like in the borrower over its shares or the like in the capital of the borrower) to secure such Indebtedness, *provided* that (A) the extent of such recourse to such borrower is limited solely to the amount of any recoveries made on any such enforcement, and (B) such Lender is not entitled, by virtue of any right or claim arising out of or in connection with such Indebtedness, to commence proceedings for the winding-up or dissolution of such borrower or to appoint or procure the appointment of any receiver, trustee or similar person or officer in respect of such borrower generally or any of its projects, assets or installations (save for the Relevant Property the subject of such security); and/or

(iii) such borrower generally, or directly or indirectly to a member of the Group, under any form of assurance, undertaking or support, which recourse is limited to a claim for damages (other than liquidated damages and damages required to be calculated in a specified way) for breach of an obligation (not being a payment obligation or an obligation to procure payment by another person or an indemnity in respect thereof or an obligation to comply or to procure compliance by another person with any financial ratios or other tests of financial condition) by the person against whom such recourse is available; and/or

"Subsidiary" means any company or other business entity of which the Issuer owns or controls (either directly or through one or more other Subsidiaries) more than 50% of the issued share capital or other ownership interest having ordinary voting power to elect directors, managers or trustees of such company or other business entity or any company or other business entity which at any time has its accounts consolidated with those of the Issuer or which, under English or other applicable law or regulations, or International Financial Reporting Standards, as the case may be, from time to time, should have its accounts consolidated with those of the Issuer; and

(f) **Cancellation:** All Bonds so redeemed will be cancelled and may not be re-issued or resold. All Bonds purchased pursuant to this Condition may be cancelled at the discretion of the relevant purchaser. Bonds may be surrendered for cancellation by surrendering each such Bond to the Principal Agent and if so surrendered shall be cancelled forthwith (and may not be reissued or resold) and the obligations of the Issuer in respect of any such Bonds shall be discharged.

6. **Payments**

(a) **Principal and Interest:** Payment of principal and interest due other than on an Interest Payment Date will be made in United States dollars by transfer to the registered account of the Bondholder. Payment of principal will only be made after surrender of the relevant Certificate at the specified office of any of the Paying Agents.

Interest on Bonds due on an Interest Payment Date will be paid in United States dollars on the due date for the payment of interest to the holder shown on the Register at the close of business on the fifteenth day before the due date for the payment of interest (the "Interest Record Date"). Payments of interest on each Bond will be made by transfer to the registered account of the Bondholder.

(b) **Registered accounts:** For the purposes of this Condition, a Bondholder's registered account means the United States dollar account maintained by or on behalf of it with a bank in New York City, details of which appear on the Register at the close of business on the second business day (as defined below) before the due date for payment, and a Bondholder's registered address means its address appearing on the Register at that time.

(c) **Payments subject to fiscal laws:** All payments are subject in all cases to (i) any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 7; and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "Code") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto. No commissions or expenses shall be charged to the Bondholders in respect of such payments.

(d) **Payment initiation:** Where payment is to be made by transfer to a registered account, payment instructions (for value on the due date or, if that is not a business day (as defined below), for value on the first following day which is a business day) will be initiated on the due date for payment (or, if it is not a business day, the first following day which is a business day) or, in the case of a payment of principal, if later, on the business day on which the relevant Certificate is surrendered at the specified office of a Paying Agent.

Bondholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due if the due date is not a business day or if the Bondholder is late in surrendering its Certificate (if required to do so).

(e) **Business Day:** In this Condition, "business day" means: (i) in the case of payment by transfer to a registered account, a day (other than a Saturday or Sunday) on which commercial banks are open for business in New York City; and (ii) in the case of the surrender of a Certificate, a day in which commercial banks are open for business in the place of the specified office of the Paying Agent to whom the Certificate is surrendered. If an amount which is due on the Bonds is not paid in full, the Registrar will annotate the Register with a record of the amount (if any) in fact paid.

(f) **Paying Agents:** The initial Paying Agents, Transfer Agents and Registrar and their initial specified offices are listed below. The Issuer reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of any Paying Agent, Transfer Agents or Registrar and appoint additional or other Paying Agents, Transfer Agents or Registrar; *provided* that it will maintain: (i) a Principal Agent; (ii) a Paying Agent in Singapore so long as the Bonds are listed on the SGX-ST and the rules of the SGX-ST so require; and (iii) a Registrar. Notice of any change in the Paying Agents, Transfer Agents or Registrar or their specified offices will promptly be given to the Bondholders and the SGX-ST (so long as the Bonds are listed on the SGX-ST and the rules of the SGX-ST so require).

7. **Taxation**

All payments of principal and interest by or on behalf of the Issuer in respect of the Bonds shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the United Kingdom or any authority therein or thereof having power to tax, unless such

withholding or deduction is required by law. If such withholding or deduction is required by law, the Issuer shall pay such additional amounts as will result in receipt by the Bondholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Bond:

(a) to a holder (or to a third party on behalf of a holder) who is liable to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of his having some connection with the United Kingdom other than the mere holding of the Bond;

(b) in the case of payment of principal or interest (other than interest due on an Interest Payment Date) if the Certificate in respect of such Bond is presented for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting such Certificate for payment on the last day of such period of 30 days;

(c) with respect to taxes, duties, assessments or governmental charges in respect of such Bond imposed as a result of the failure of the holder or beneficial owner of the Bond to comply with a written request of the Issuer before any such withholding or deduction would be payable to provide timely or accurate information concerning the nationality, residence or identity of the holder or beneficial owner or to make any valid or timely declaration or similar claim or satisfy any certification, information or other reporting requirement, which is required or imposed by a statute, treaty, regulation or administrative practice of the United Kingdom or any authority therein or thereof having the power to tax as a condition to exemption from all or part of such taxes;

(d) for any estate, inheritance, gift, sale, transfer, personal property or similar tax or assessment;

(e) for any Taxes imposed or required to be withheld under Sections 1471 to 1474 (or any successor provisions or amendments thereof) of the Code, any regulations or other official guidance thereunder, any intergovernmental agreement entered into in connection therewith or any law or regulation (or any official interpretation thereof) implementing an intergovernmental approach thereto, or any agreements entered into pursuant to Section 1471(b) of the Code; or

(f) for any taxes, duties, assessments or governmental charges payable otherwise than by deduction or withholding on payments under the Bonds.

Such additional amounts shall also not be payable where, had the beneficial owner of the Bond been the holder of the Bond, it would not have been entitled to payment of additional amounts by reason of clauses (a) through (f) inclusive above.

"Relevant Date" means whichever is the later of (i) the date on which such payment first becomes due and (ii) if the full amount payable has not been received in New York City by the Principal Agent or the Trustee on or prior to such due date, the date on which, the full amount having been so received, notice to that effect shall have been given to the Bondholders and payment made.

Any reference in these Conditions to principal and/or interest in respect of the Bonds shall be deemed to include any additional amounts which may be payable under this Condition or any undertaking given in addition to or substitution for it under the Trust Deed.

8. **Events of Default**

The Trustee at its discretion may, and if so requested by holders of not less than 25% in principal amount of the Bonds then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to it being indemnified and/or secured (including by way of payment in advance) to its satisfaction), give notice in writing to the Issuer that the Bonds are, and they shall immediately become, due and payable at their principal amount together with accrued interest, if applicable, if any of the following events (each an "Event of Default") shall have occurred:

a) **Non-Payment:** (i) the Issuer fails to pay all or any part of the principal of any of the Bonds when the same shall become due and payable, whether at maturity, upon redemption or otherwise and such failure continues for a period of seven calendar days; or (ii) the Issuer fails to pay any instalment of interest upon any of the Bonds as and when the same shall become due and payable, and such failure continues for a period of 14 calendar days; or

b) **Breach of Other Obligations:** (i) the Issuer fails to make or consummate an Offer to Purchase with respect to any of the Bonds in the manner set out in Condition 5(d); or (ii) the Issuer defaults in the performance or observance of or compliance with any of its other obligations set out in the Bonds or the Trust Deed, which default is incapable of remedy or, if in the opinion of the Trustee such default is capable of remedy, is not in the opinion of the Trustee remedied within 45 calendar days after the date on which written notice specifying such failure, stating that such notice is a "Notice of Default" under the Bonds and demanding that the Issuer remedy the same, shall have been given to the Issuer by the Trustee; or

c) **Cross-Default:** (i) any other present or future indebtedness of the Issuer or any of its Material Subsidiaries for or in respect of moneys borrowed or raised becomes due and payable prior to its stated maturity (otherwise than at the option of the Issuer or such Material Subsidiary, as the case may be) by reason of any actual or potential default, event of default or the like (howsoever described); or (ii) any such indebtedness is not paid when due or, as the case may be, within any applicable grace period originally provided for; or (iii) the Issuer or any of its Material Subsidiaries fails to pay when due (or within any applicable grace period originally provided for) any amount payable by it under any present or future guarantee for, or indemnity in respect of, any moneys borrowed or raised; *provided* that the aggregate amount of the relevant indebtedness, guarantees and indemnities in respect of which any one or more of the events mentioned above in this Condition 8(c) has or have occurred equals or exceeds U.S.$100,000,000 or its equivalent in other currencies; or

d) **Enforcement Proceedings:** a distress, attachment, execution or other legal process (other than distraint or attachment imposed by any government, authority or agent prior to enforcement foreclosure) is levied, enforced or sued out, as the case may be, on or against a substantial part of the property, assets or revenues of the Issuer or all or a substantial part of the property, assets or revenues of any of its Material Subsidiaries and is not (i) either discharged or stayed within 60 calendar days or in circumstances where the levy, enforcement or suing out, as the case may be, of such legal process is not, or does not become, materially prejudicial to the interests of the Bondholders, within 120 calendar days; or (ii) being contested in good faith on the basis of appropriate legal advice provided by reputable independent counsel in the relevant jurisdiction or jurisdictions and by appropriate proceedings; or

e) **Security Enforced:** an encumbrancer takes possession or a receiver, administrative receiver, administrator, manager or other similar person is appointed over, or an attachment order is issued in respect of, the whole or a substantial part of the undertaking, property, assets or revenues of the Issuer or any of its Material Subsidiaries and in any such case such possession or appointment is not stayed or terminated or the debt on account of which such possession was taken or appointment made is not discharged or satisfied within 60 calendar days of such appointment or the issue of such order; or

f) **Insolvency:** the Issuer or any of its Material Subsidiaries (i) is insolvent or bankrupt or is deemed to be insolvent as a result of the court being satisfied that the value of the Issuer's or such Material Subsidiary's assets is less than the amount of its liabilities, taking into account contingent and prospective liabilities or unable to pay its debts or stops, suspends or threatens to stop or suspend payment of all or a substantial part of (or of a particular type of) its debts as they mature; or (ii) applies for or consents to or suffers the appointment of an administrator, administrative receiver, liquidator, manager or receiver or other similar person in respect of the Issuer or any of its Material Subsidiaries or over the whole or a substantial part of the undertaking, property, assets or revenues of the Issuer or any of its Material Subsidiaries; or (iii) proposes or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors in respect of any of such debts or a moratorium is agreed or declared or comes into effect in respect of or affecting all or a substantial part of (or of a particular type of) the debts of the Issuer or any of its Material Subsidiaries, except, in any such case, for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or consolidation on terms approved by the Trustee or by an Extraordinary Resolution; or

g) **Winding-up, Disposals:** an administrator or an administrative receiver is appointed, an order is made or an effective resolution passed for the winding-up or dissolution or administration of the Issuer or any of its Material Subsidiaries, or the Issuer or any of its Material Subsidiaries ceases or threatens to cease to carry on all or a substantial part of its business or operations, or the Issuer or any of its Material Subsidiaries sells or disposes of all or a substantial part of its assets or business whether as a single transaction or a number of transactions, related or not; except, in any such case, for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger, consolidation or other similar arrangement (i) on terms previously approved in writing by the Trustee or by an Extraordinary Resolution, or (ii) in the case of a Material Subsidiary, not including arising out of the insolvency of such Material Subsidiary and under which all or substantially all of its assets are transferred to another member or members of the Group or to a transferee or transferees which immediately upon such transfer become(s) a Subsidiary or Subsidiaries of the Issuer; or

h) **Expropriation:** any governmental authority or agency condemns, seizes, compulsorily purchases or expropriates (excluding any distraint or attachment prior to enforcement or foreclosure) all or a substantial part of the assets or shares of the Issuer or any of its Material Subsidiaries; or

i) **Analogous Events:** any event occurs which under the laws of England or, in the case of the Issuer's Material Subsidiaries, the laws of the relevant Material Subsidiary's place of incorporation or principal place of business has an analogous effect to any of the events referred to in paragraphs (d) to (h) above.

Upon any such notice being given to the Issuer, the Bonds will immediately become due and payable at their principal amount together with accrued interest as provided in the Trust Deed, *provided* that no such notice may be given unless an Event of Default shall have occurred and *provided further* that, in the case of paragraphs (b)(ii), (d), (e) and (h), the Trustee shall have certified that in its opinion such event is materially prejudicial to the interests of the Bondholders.

For the purposes of paragraph (c) above, any indebtedness which is in a currency other than US dollars shall be translated into US dollars at the middle spot rate for the sale of US dollars against the purchase of the relevant currency quoted by any leading bank selected by the Trustee on any day when the Trustee requests a quotation for such purposes.

"Material Subsidiary" means, at any particular time, a Subsidiary of the Issuer:

(a) whose (i) total assets or (ii) gross revenues (in each case on an unconsolidated basis) attributable to the Issuer are equal to or greater than 10% of the consolidated total assets or consolidated gross revenues of the Issuer, as applicable (in each case as calculated based on the latest annual unconsolidated financial statements of the Subsidiary and the latest audited annual consolidated financial statements of the Issuer); or

(b) to which is transferred all or substantially all of the business, assets and undertaking of a Subsidiary of the Issuer which immediately prior to such transfer is a Material Subsidiary, whereupon the transferor Subsidiary of the Issuer shall immediately cease to be a Material Subsidiary and the transferee Subsidiary shall immediately become a Material Subsidiary (subject to the provisions of paragraph (a) above).

A report by two directors of the Issuer that in their opinion a Subsidiary of the Issuer is or is not, or was or was not, at any particular time or throughout any specified period a Material Subsidiary shall, in the absence of manifest error, be conclusive and binding on the Trustee and the Bondholders.

9. **Consolidation, Amalgamation or Merger**

The Issuer will not consolidate with, merge or amalgamate into, or transfer its properties and assets substantially as an entirety to, any corporation or convey or transfer its properties and assets substantially as an entirety to any person (the consummation of any such event, a "Merger"), unless:

(a) the Person formed by such Merger or that acquired such properties and assets shall expressly assume, by a supplemental trust deed in form and substance satisfactory to the Trustee, all obligations of the Issuer under the Trust Deed and the Bonds and the performance of every covenant and agreement applicable to it contained therein;

(b) the Person formed by such Merger or that acquired such properties and assets, if not organised under the law of the United Kingdom, shall expressly agree, by a supplemental trust deed in form and substance satisfactory to the Trustee, that its jurisdiction of organisation (or any authority therein or thereof having power to tax) will be added to Condition 7 and clause (c) of Condition 5 in each place therein in which reference is made to the United Kingdom, subject to clause (d) of this Condition 9;

(c) immediately after giving effect to any such Merger, no Event of Default or Potential Event of Default (as defined in the Trust Deed) shall have occurred or be continuing or would result therefrom as confirmed to the Trustee by (i) a certificate signed by two directors of the Issuer and (ii) a certificate signed by two directors of the Person that would result from such Merger or that would acquire such properties and assets; and

(d) the Person formed by such Merger or that acquired such properties and assets shall expressly agree, among other things, not to redeem the Bonds pursuant to Condition 5(c) as a result of it becoming obliged to pay any additional amounts (as provided or referred to in Condition 7) arising solely as a result of such Merger.

10. **Prescription**

Claims in respect of principal and interest will become void unless made as required by Condition 6 within a period of 10 years in the case of principal and five years in the case of interest from the appropriate Relevant Date.

11. **Replacement of Certificates**

If any Certificate representing a Bond is lost, stolen, mutilated, defaced or destroyed it may be replaced at the specified office of the Registrar subject to all applicable laws and stock exchange or other relevant authority requirements, upon payment by the claimant of the costs and expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may require (*provided* that the requirement is reasonable in the light of prevailing market practice). Mutilated or defaced Certificates must be surrendered before replacements will be issued.

12. **Meetings of Bondholders, Modification and Waiver**

(a) **Meetings of Bondholders:** The Trust Deed contains provisions for convening meetings of Bondholders to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed or the Paying Agency Agreement. Such a meeting may be convened by the Issuer or the Trustee at any time and shall be convened by the Trustee if it receives a written request by Bondholders holding not less than 15% in principal amount of the Bonds for the time being outstanding. The quorum for any such meeting convened to consider an Extraordinary Resolution will be two (2) or more persons holding or representing a clear majority in principal amount of the Bonds for the time being outstanding, or at any adjourned meeting two (2) or more persons being or representing Bondholders whatever the principal amount of the Bonds held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to modify the maturity of the Bonds or the dates on which interest is payable in respect of the Bonds, (ii) to reduce or cancel the principal amount of, or interest on, the Bonds, (iii) to change the currency of payment of the Bonds or (iv) to modify the provisions concerning the quorum required at any meeting of Bondholders or the majority required to pass an Extraordinary Resolution, in which case the necessary quorum will be two (2) or more persons holding or representing not less than two-thirds, or at any adjourned meeting not less than one-third, in principal amount of the Bonds for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Bondholders (whether or not they were present at the meeting at which such resolution was passed and whether or not they voted in favour).

The expression "**Extraordinary Resolution**" means a resolution passed at a meeting of Bondholders duly convened and held in accordance with these provisions by a majority consisting of not less than two-thirds of the votes cast.

(b) **Modification and Waiver:** The Trustee may agree, without the consent of the Bondholders, to (i) any modification to these Conditions or to the provisions of the Trust Deed or the Paying Agency Agreement which is in its opinion of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as provided for in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of these Conditions, the Trust Deed or the Paying Agency Agreement which is in the opinion of the Trustee not materially prejudicial to the interests of the Bondholders. Any such modification, authorisation or waiver shall be binding on the Bondholders and such modification shall be notified to the Bondholders as soon as practicable.

(c) **Written resolutions of 90% holders:** The Trust Deed provides that a written resolution signed by or on behalf of the holders of not less than 90% of the aggregate principal amount outstanding of Bonds who for the time being are entitled to receive notice of a meeting in accordance with the provisions of the Trust Deed shall be as valid and effective as a duly passed Extraordinary Resolution.

(d) **Entitlement of the Trustee:** In connection with the exercise of its powers, trusts, authorisations or discretions (including but not limited to those referred to in this Condition), the Trustee shall have regard to the interests of the Bondholders as a class and shall not have regard to the consequences of such exercise for individual Bondholders (including as a result of their being for

any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory) and the Trustee shall not be entitled to require, nor shall any Bondholder of Bonds be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Bondholders.

13. **Enforcement**

At any time after the Bonds become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the Trust Deed and the Bonds, but it need not take any such proceedings unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Bondholders holding at least one-quarter in principal amount of the Bonds outstanding, and (b) it shall have been indemnified and/or secured (including by way of payment in advance) to its satisfaction. No Bondholder may proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

14. **Indemnification of the Trustee**

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings to enforce repayment unless indemnified and/or secured (including by way of payment in advance) to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

The Trustee may rely without liability to Bondholders on any certificate or report prepared by the auditors or any other person pursuant to these Conditions and/or the Trust Deed, whether or not addressed to the Trustee and whether or not the auditors liability in respect thereof is limited by a monetary cap or otherwise; any such certificate shall be conclusive and binding on the Issuer, the Trustee, and the Bondholders.

15. **Further Issues**

The Issuer may from time to time without the consent of the Bondholders create and issue further securities either having the same terms and conditions as the Bonds in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities (including the Bonds) or upon such terms as the Issuer may determine at the time of their issue, *provided* that, if the securities of such further issue are not fungible with the Bonds for U.S. federal income tax purposes, such securities will have a separate CUSIP or ISIN. References in these Conditions to the Bonds include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Bonds. Any further securities forming a single series with the outstanding securities (including the Bonds) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by a deed supplemental to the Trust Deed.

16. **Notices**

Notices to Bondholders will be valid if published in a leading newspaper having general circulation in Singapore (which is expected to be the Business Times). Any such notice shall be deemed to have been given on the date of such publication or, if published more than once, on the first date on which publication is made.

So long as the Bonds are represented by the Global Certificates and the Global Certificates are held on behalf of DTC or the alternative clearing system (as defined in the Global Certificates), notices to Bondholders may be given by delivery of the relevant notice to DTC or the alternative clearing system, for communication by it to entitled accountholders in substitution for notification as required by the Conditions.

17. **Contracts (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999.

18. **Governing Law and Jurisdiction**

(a) **Governing Law:** The Trust Deed, the Bonds and all non-contractual matters arising therefrom or in connection therewith are governed by and construed in accordance with English law.

(b) **Jurisdiction:** The courts of England have exclusive jurisdiction to settle any dispute (a "Dispute") arising from or connected with the Trust Deed or the Bonds and all non-contractual matters arising therefrom or in connection therewith (including a dispute regarding the existence, validity or termination of the Trust Deed or the Bonds or the consequences of their nullity). The submission to the jurisdiction of the courts of England is for the benefit of the Trustee and the Bondholders only and shall not (and shall not be construed so as to) limit the right of the Trustee or any Bondholder to take proceedings relating to a Dispute ("Proceedings") in any other courts with jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if any to the extent permitted by law.

The date of this Offering Memorandum is February 28, 2019.

DESCRIPTION OF THE NOTES

You can find the definitions of certain terms used in this description under the subheading "**Definitions.**" In this description, the term "**Company**" refers only to Jubilant Pharma Limited and not to any of its Subsidiaries. The term "**Notes**" refers also to "book-entry interests" in the Notes, as defined herein.

The Company will issue the Notes under an indenture (the "**Indenture**") between the Company and The Bank of New York Mellon, London Branch, as trustee (the "**Trustee**"), in a transaction that is not subject to the registration requirements of the Securities Act. See "**Notice to Investors**." The terms of the Notes include those set forth in the Indenture. The Indenture will not be qualified under the U.S. Trust Indenture Act of 1939, as amended.

The following description is a summary of the material provisions of the Indenture and the Notes. It does not restate those agreements in their entirety. Certain defined terms used in this description but not defined below under the subheading "**Definitions**" have the meanings assigned to them in the Indenture. Copies of the Indenture will be available for inspection on or after the Original Issue Date at the corporate trust office of the Trustee.

The registered holder of a Note will be treated as the owner of such Note for all purposes. Only registered holders will have rights under the Indenture.

Brief Description of the Notes

The Notes will be general obligations of the Company and will:

- rank equally in right of payment with any existing and future Indebtedness of the Company that is not subordinated in right of payment to the Notes;
- rank senior in right of payment to any existing and future Indebtedness of the Company that is subordinated in right of payment to the Notes;
- be effectively subordinated in right of payment to any existing and future Indebtedness of the Company that is secured by liens, to the extent of the value of the assets securing such Indebtedness; and
- be effectively subordinated to all existing and future obligations of the Company's Subsidiaries.

The Company conducts its operations through its Subsidiaries and, therefore, the Company depends on the cash flow of its Subsidiaries to meet its obligations, including to service its obligations under the Notes. The Notes will be effectively subordinated in right of payment to all Indebtedness and other liabilities and commitments (including trade payables and lease obligations) of the Company's Subsidiaries. In the event of a bankruptcy, liquidation or reorganization of a Subsidiary, the applicable Subsidiary will pay the holders of its debt and its trade and other creditors (including specified statutory dues) before it will be able to distribute any of its remaining assets to us.

Although the Indenture will contain limitations on the amount of additional Indebtedness that the Company and its Restricted Subsidiaries may incur, the amount of such additional Indebtedness could be substantial. See *"Risk Factors—Risks Associated with Our Business—We have incurred significant indebtedness, and we must service this debt and comply with our covenants to avoid refinancing risk."*

Principal, Maturity and Interest

The Company will issue the Notes in the aggregate principal amount of US$200.0 million pursuant to the Indenture. Subject to the covenant described under "*—Certain Covenants—Limitation on Indebtedness*," the Company is permitted to issue additional Notes (the "**Additional Notes**") under the Indenture from time to time after the Original Issue Date. Any issuance of Additional Notes is subject to the covenants in the Indenture. The Notes and any Additional Notes that are issued will be treated as a single class for all purposes of the Indenture, including, without limitation, those with respect to waivers, amendments, redemptions and offers to purchase, except as otherwise provided for in the Indenture. Unless the context requires otherwise, references to the "Notes" for all purposes of the Indenture and this "Description of the Notes" include any Additional Notes that are actually issued.

The Notes will bear interest at 6.00% per annum from the Original Issue Date or from the most recent interest payment date to which interest has been paid or duly provided for, payable semi-annually in arrears on March 5 and September 5 of each year (each an "**Interest Payment Date**"), commencing on September 5, 2019. Interest on the Notes will be paid to Holders of record at the close of business on February 18 or August 21 immediately preceding an Interest Payment Date (each, a "**Record Date**"), notwithstanding any transfer, exchange or cancellation thereof after a Record Date and prior to the immediately following Interest Payment Date. So long

as the Notes are represented by the Global Note, each payment in respect of the Global Note will be made to the person shown as the holder of the Notes in the Notes register at the close of business, of the relevant clearing system, on the Clearing System Business Day before the due date for such payments, where "Clearing System Business Day" means a weekday (Monday to Friday, inclusive) except December 25 and January 1. In any case in which the date of the payment of principal of, premium on or interest on the Notes is not a Business Day in the relevant place of payment, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes shall accrue for the period after such date. Interest on the Notes will be calculated on the basis of a 360-day year comprised of twelve 30-day months. Interest on overdue principal and interest and Additional Amounts and premium, if any, will accrue at a rate that is 1% higher than the then applicable interest rate on the Notes. In no event will the rate of interest on the Notes be higher than the maximum rate permitted by applicable law.

All payments on the Notes will be made in U.S. dollars by the Company at the office or agency of the Company maintained for that purpose in the specified office of the Paying Agent currently located at One Canada Square, London E14 5AL, United Kingdom, and the Notes may be presented for registration of transfer or exchange at such office or agency; *provided* that, if the Notes are in certificated form and the Company acts as its own paying agent, at the option of the Company, payment of interest may be made by check mailed to the address of the Holders as such address appears in the Note register maintained by the Registrar or by wire transfer. Interest payable on the Notes held through Euroclear and Clearstream will be available to Euroclear and Clearstream participants on the Business Day following payment thereof.

The Notes will mature on March 5, 2024, unless redeemed earlier pursuant to the terms of the Notes and the Indenture.

For so long as the Notes are listed on the SGX-ST and the rules of the SGX-ST so require, the Company shall appoint and maintain a paying in agent in Singapore, where such Notes may be presented or surrendered for payment or redemption, in the event that the Global Certificate representing such Notes is exchanged for definitive certificates. In addition, an announcement of such exchange will be made by us or on our behalf through the SGX-ST. Such announcement will provide details of such exchange, including all material information with respect to the delivery of the definitive certificates or, as the case may be, certificates including details of the paying agent in Singapore.

Designation of Restricted and Unrestricted Subsidiaries

On the Original Issue Date, none of the Company's Subsidiaries will be Unrestricted Subsidiaries. Under the circumstances described below under "*—Certain Covenants—Designation of Restricted and Unrestricted Subsidiaries*," the Company will be permitted to designate certain of its future Subsidiaries as Unrestricted Subsidiaries. The Company's Unrestricted Subsidiaries will not be subject to the restrictive covenants in the Indenture.

Optional Redemption

At any time prior to March 5, 2022, upon not less than 30 nor more than 60 days' notice to the Holders and the Trustee, the Company may on any one or more occasions redeem all or part of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Redemption Premium as of, and accrued and unpaid interest and Additional Amounts, if any, to, the redemption date, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Neither the Trustee nor the Paying Agent shall be responsible for calculating or verifying the Applicable Redemption Amount.

At any time prior to March 5, 2022, upon not less than 30 days nor more than 60 days' notice to the Holders and the Trustee, the Company may also redeem up to 35% of the aggregate principal amount of Notes at a redemption price of 106.00% of their principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to the redemption date, with the proceeds from one or more Equity Offerings of the Company. The Company may only do this, however, if:

(a) at least 65% of the aggregate principal amount of Notes that were initially issued would remain outstanding immediately after the proposed redemption; and

(b) the redemption occurs within 120 days after the closing of such Equity Offering.

At any time on or after March 5, 2022 and prior to maturity, upon not less than 30 nor more than 60 days' notice to the Holders and the Trustee, the Company may redeem all or part of the Notes at the following redemption prices (expressed as percentages of their principal amount at maturity), plus accrued and unpaid interest and

Additional Amounts, if any, to the redemption date, if redeemed during the 12-month period commencing on March 5 of the years set forth below:

Year	Redemption Price
2022	103.00%
2023	101.50%
2024 and thereafter	100.00%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

In connection with any redemption of Notes, any such redemption or notice may, at the Company's discretion, be subject to one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice may state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

Repurchase of Notes Upon a Change of Control

Not later than 30 days following a Change of Control, unless the Company has previously or concurrently sent a redemption notice with respect to all, but not part, of the outstanding Notes as described under "*—Optional Redemption*," the Company will make an Offer to Purchase all outstanding Notes (a "**Change of Control Offer**") at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the Offer to Purchase Payment Date (as defined in clause (2) of the definition of "Offer to Purchase").

The Company has agreed in the Indenture that, following a Change of Control, it will timely repay all Indebtedness or obtain consents as necessary under or terminate, agreements or instruments that would otherwise prohibit a Change of Control Offer required to be made pursuant to the Indenture. Notwithstanding this agreement of the Company, it is important to note that if the Company is unable to repay (or cause to be repaid) all of the Indebtedness, if any, that would prohibit the repurchase of the Notes or is unable to obtain the requisite consents of the holders of such Indebtedness, or terminate any agreements or instruments that would otherwise prohibit a Change of Control Offer, it would continue to be prohibited from purchasing the Notes. In that case, the Company's failure to purchase tendered Notes would constitute an Event of Default under the Indenture.

Future debt of the Company may also (1) prohibit the Company from purchasing Notes in the event of a Change of Control; (2) provide that a Change of Control is a default; or (3) require repurchase of such debt upon a Change of Control. Moreover, the purchase of the Notes by the Company could cause a default under other Indebtedness, even if the Change of Control itself does not, due to the financial effect of the purchase on the Company. The Company's ability to pay cash to the Holders following the occurrence of a Change of Control may be limited by the Company's then existing financial resources. There can be no assurance that sufficient funds will be available when necessary to make the required purchase of the Notes.

The Company will not be required to make a Change of Control Offer following a Change of Control if a third-party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The definition of Change of Control includes a phrase relating to the sale of "all or substantially all" the assets of the Company. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a Holder of Notes to require the Company to repurchase such Holder's Notes as a result of a sale of less than all the assets of the Company to another person or group may be uncertain and will depend upon particular facts and circumstances. As a result, there may be a degree of uncertainty in ascertaining whether a sale or transfer of "all or substantially all" the assets of the Company has occurred.

Except as described above with respect to a Change of Control, the Indenture does not contain provisions that permit the Holders to require that the Company purchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

Neither the Trustee nor the Agents shall be required to take any steps to ascertain whether a Change of Control or any event which could lead to the occurrence of a Change of Control has occurred and shall not be liable to any person for any failure to do so.

No Mandatory Redemption or Sinking Fund; Open Market Purchases

The Company will not be required to make mandatory redemption (other than in the manner described under "*—Repurchase of Notes Upon a Change of Control*") or sinking fund payments with respect to the Notes. Subject to compliance with applicable law, the Company and its Affiliates may, at their discretion, at any time from time to time purchase the Notes in the open market or otherwise; *provided* that such Notes are promptly cancelled.

Additional Amounts

All payments by or on behalf of the Company or a Surviving Person (as defined under "*—Consolidation, Merger and Sale of Assets*") of principal of, and premium (if any) and interest under or with respect to the Notes will be made without withholding or deduction for, or on account of, any present or future taxes, duties, levies, imposts, assessments or governmental charges of whatever nature (including, without limitation, penalties and interest and other similar liabilities related thereto) ("**Taxes**" and "**Tax**" shall be construed accordingly) imposed or levied by or within any jurisdiction in which the Company or a Surviving Person is organized or resident for Tax purposes or any political subdivision or Tax authority thereof or therein (each, as applicable, a "**Relevant Taxing Jurisdiction**") or any jurisdiction through which payment is made or any political subdivision or Tax authority thereof or therein (together with the Relevant Taxing Jurisdictions, the "**Relevant Jurisdictions**"), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, the Company or a Surviving Person, as the case may be, will pay such additional amounts ("**Additional Amounts**") as may be necessary so that the net amounts after such withholding or deduction equal such amounts as would have been received had no such withholding or deduction been required, except that no Additional Amounts shall be payable:

(1) for or on account of:

(a) any Taxes that would not have been imposed but for:

(i) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Relevant Jurisdiction other than merely acquiring or holding such Note, the enforcement of rights thereunder or the receipt of payments thereunder, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

(ii) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period; or

(iii) the failure of the Holder or beneficial owner to comply with a timely written request of the Company or a Surviving Person addressed to the Holder to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that such Holder or beneficial owner is legally entitled to do so and that due and timely compliance with such request would have reduced or eliminated any withholding or deduction as to which Additional Amounts would have otherwise been payable; or

(b) any estate, inheritance, gift, sale, transfer, personal property or similar Tax;

(c) any Taxes to the extent such Taxes result from the presentation of the Note (where presentation is required) for payment in a Relevant Jurisdiction and the payment can be made without such withholding or deduction by the presentation of the Note for payment elsewhere;

(d) any tax, assessment, withholding or deduction required by sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended ("**FATCA**"), any current or future Treasury Regulations or rulings promulgated thereunder, any intergovernmental agreement between the United States and any other jurisdiction to implement FATCA, any law, regulation or other official guidance enacted in

any jurisdiction implementing such an intergovernmental agreement or FATCA, or any agreement with the U.S. Internal Revenue Service under FATCA; or

(e) any combination of the items referred to in the preceding clauses (a), (b), (c) and (d); or

(2) to a Holder that is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of the Relevant Jurisdiction, for Tax purposes, of a beneficiary or settlor with respect to the fiduciary, or a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

The Company or Surviving Person will (i) make such withholding or deduction required by applicable law and (ii) remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Company or Surviving Person will upon request, make reasonable efforts to obtain certified copies of Tax receipts evidencing the payment of any Taxes so deducted or withheld. Upon request, the Company or Surviving Person will furnish to the Holders and the Trustee, within 60 days after the date the payment of any Taxes so deducted or withheld is due pursuant to applicable law, either certified copies of Tax receipts evidencing such payment or, if such receipts are not obtainable, other evidence of such payments.

At least 30 days prior to each date on which any payment under or with respect to the Notes is due and payable, if the Company or Surviving Person will be obligated to pay Additional Amounts with respect to such payment, the Company or Surviving Person will deliver to the Trustee an Officer's Certificate stating the fact that such Additional Amounts will be payable and the amounts so payable and will set forth such other information necessary to enable the Paying Agent to pay such Additional Amounts to the Holders on such payment date.

In addition, the Company or Surviving Person will pay and indemnify the Holders or beneficial owners for any stamp, issue, registration, documentary, transfer, court, excise, property, value added or other similar Taxes and other duties (including interest and penalties) payable in any Relevant Jurisdiction in respect of the creation, issue, offering, delivery, registration, execution or enforcement of the Notes, or any documentation with respect thereto or the receipt of any payments with respect thereto.

Whenever there is mentioned in any context the payment of principal of, and any premium or interest in respect of, any Note, such mention shall be deemed to include payment of Additional Amounts provided for in the Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The above obligation will survive any termination, defeasance or discharge of the Indenture, any transfer by a Holder or beneficial owner of the Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which the Company or Surviving Person is then incorporated, organized, or resident for Tax purposes or any jurisdiction from or through which such person makes any payment on the Notes and any political subdivision or Tax authority or agency thereof or therein having the power to tax.

Redemption for Taxation Reasons

The Notes may be redeemed, at the option of the Company or a Surviving Person with respect to the Company, as a whole but not in part, at any time, upon giving not less than 30 days' nor more than 60 days' notice to the Holders (which notice shall be irrevocable) and the Trustee and upon reasonable written notice in advance of such notice to the Holders and the Trustee, at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Company or the Surviving Person, as the case may be, for redemption if, as a result of:

(1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(2) any change in the existing written official position or the stating of an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction), which change, amendment, application or interpretation becomes effective or, in the case of an official position, is announced (i) except as described in (ii) below, on or after the Original Issue Date, or (ii) with respect to any Surviving Person whose Relevant Taxing Jurisdiction has not been a Relevant Taxing Jurisdiction immediately before the date such Surviving Person became a Surviving Person, on or after the date such Surviving Person becomes a Surviving Person, with respect to any payment due or to become due under the Notes or the Indenture, the Company or a Surviving Person, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, and such requirement cannot be avoided by the taking of reasonable measures by the Company or a Surviving Person, as the case may be; *provided* that no such notice of redemption shall be given earlier than 90 days prior to

the earliest date on which the Company or a Surviving Person, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due.

Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Company or a Surviving Person, as the case may be, will deliver to the Trustee at least 30 days but not more than 60 days before a redemption date:

(1) an Officer's Certificate stating that such change or amendment referred to in the prior paragraph has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Company or a Surviving Person, as the case may be, taking reasonable measures; and

(2) an Opinion of Counsel or an opinion of a tax consultant, in either case of recognized standing with respect to tax matters of the Relevant Taxing Jurisdiction, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in the prior paragraph.

The Trustee shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it shall be conclusive and binding on the Holders.

Any Notes that are redeemed will be cancelled.

Certain Covenants

Set forth below are summaries of certain covenants contained in the Indenture.

Limitation on Indebtedness

(1) The Company will not, and will not permit any Restricted Subsidiary to, Incur any Indebtedness (including Acquired Indebtedness), provided that the Company and any Restricted Subsidiary may Incur Indebtedness (including Acquired Indebtedness) if, after giving *pro forma* effect to the Incurrence of such Indebtedness and the receipt and application of the proceeds therefrom, (a) the Fixed Charge Coverage Ratio would not be less than 3.0 to 1.0, and (b) if such Indebtedness constitutes Priority Indebtedness, on the date of the Incurrence of such Indebtedness and after giving effect thereto such Indebtedness constitutes Permitted Priority Indebtedness, and (c) if such Indebtedness constitutes Secured Company Indebtedness, on the date of the Incurrence of such Indebtedness and after giving effect thereto such Indebtedness constitutes Permitted Secured Company Indebtedness.

(2) Notwithstanding the foregoing, the Company and any Restricted Subsidiary may Incur, to the extent provided below, each and all of the following ("**Permitted Indebtedness**"):

  (a) Indebtedness represented by the Notes issued on the Original Issue Date;

  (b) Indebtedness of the Company or any Restricted Subsidiary outstanding on the Original Issue Date;

  (c) Indebtedness of the Company or any Restricted Subsidiary owed to the Company or any Restricted Subsidiary; *provided* that (i) any event which results in (A) any such Restricted Subsidiary to which such Indebtedness is owed ceasing to be a Restricted Subsidiary or (B) any subsequent transfer of such Indebtedness (other than to the Company or any Restricted Subsidiary) shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted by this clause (2)(c), (ii) if the Company is the obligor of such Indebtedness, such Indebtedness must be unsecured and be expressly subordinated in right of payment to the Notes and (iii) if the Indebtedness is owed to the Company, such Indebtedness must be evidenced by an unsubordinated promissory note or a similar instrument under applicable law;

  (d) Indebtedness of the Company or any Restricted Subsidiary issued in exchange for, or the net proceeds of which are used to refinance or refund, replace, exchange, renew, repay, redeem, defease, discharge or extend (collectively, "refinance" and "refinances" and "refinanced" shall have a correlative meaning) ("**Permitted Refinancing Indebtedness**"), then outstanding Indebtedness (or Indebtedness repaid substantially concurrently with, but in any case before, the Incurrence of such Permitted Refinancing Indebtedness) Incurred under clauses (1), (2)(a), (2)(b) or (2)(g) of this covenant and any refinancing thereof in an amount not to exceed the amount so refinanced or refunded (plus premiums, accrued interest, fees and expenses); *provided* that the Indebtedness to be refinanced is fully and irrevocably repaid no later than 30 days after the Incurrence of the Permitted Refinancing Indebtedness; and *provided further* that (i) Indebtedness the proceeds of which are used to refinance or refund the Notes or Indebtedness that is *pari passu* with, or subordinated in right of payment to, the Notes shall only be permitted under this clause (2)(d) if (A) in case the Notes are refinanced in part or the Indebtedness to be refinanced is *pari passu* with the Notes, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is outstanding, is expressly made *pari passu* with, or subordinate in right of payment to, the remaining Notes, if any,

or (B) in case the Indebtedness to be refinanced is subordinated in right of payment to the Notes, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is issued or remains outstanding, is expressly made subordinate in right of payment to the Notes at least to the extent that the Indebtedness to be refinanced is subordinated to the Notes, (ii) such new Indebtedness, determined as of the date of Incurrence of such new Indebtedness, does not mature prior to the earlier of the final maturity date of the Notes and the Stated Maturity of the Indebtedness to be refinanced, and the Average Life of such new Indebtedness is at least equal to the later of the remaining Average Life of the Indebtedness to be refinanced or more than 180 days after the final maturity date of the Notes; (iii) in no event may Indebtedness of the Company be refinanced pursuant to this paragraph by means of any Indebtedness of any Restricted Subsidiary (other than for the purposes of repaying the Notes in full); and (iv) in no event may unsecured Indebtedness of the Company be refinanced pursuant to this clause with secured Indebtedness (other than for the purposes of repaying the Notes in full);

(e) Indebtedness Incurred by the Company or any Restricted Subsidiary pursuant to Hedging Obligations entered into in the ordinary course of business and designed solely to protect the Company or any Restricted Subsidiary from fluctuations in interest rates, currencies or the price of commodities and not for speculation (or to reverse or amend or terminate any such agreements previously made for such purposes);

(f) Indebtedness Incurred by the Company or any Restricted Subsidiary with a maturity of one year or less for working capital in an aggregate principal amount at any one time outstanding (together with refinancings thereof) of all Indebtedness Incurred under this clause (2)(f) not to exceed 20.0% of Total Revenue (or the Dollar Equivalent thereof) ("**Permitted Working Capital Indebtedness**");

(g) the Guarantee by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Restricted Subsidiary permitted to be incurred by this covenant;

(h) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently, except in the case of daylight overdrafts, drawn against insufficient funds in the ordinary course of business; *provided, however,* that this Indebtedness is extinguished within five Business Days;

(i) Indebtedness of the Company or any Restricted Subsidiary in respect of workers' compensation claims and claims arising under similar legislation, or in connection with self-insurance or similar requirements, in each case in the ordinary course of business;

(j) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, or other similar obligations, in each case Incurred or assumed in connection with the disposition of any business, assets of the Company or of a Restricted Subsidiary, other than Guarantees of Indebtedness Incurred by any Person acquiring all or any portion of any of the Company's or a Restricted Subsidiary's business or assets for the purpose of financing an acquisition; *provided, however,* that the maximum assumable liability in respect of all this Indebtedness shall at no time exceed the gross proceeds actually received by the Company and/or the relevant Restricted Subsidiary in connection with the disposition;

(k) obligations with respect to trade letters of credit, performance and surety bonds and completion or performance guarantees provided by the Company or any Restricted Subsidiary securing obligations, entered into in the ordinary course of business, to the extent the letters of credit, bonds or guarantees are not drawn upon or, if and to the extent drawn upon is honored in accordance with its terms and, if to be reimbursed, is reimbursed in accordance with the terms of demand following receipt of a demand for reimbursement following payment on the letter of credit, bond or guarantee; and

(l) Indebtedness of the Company or any Restricted Subsidiary not otherwise specifically permitted under clauses (2)(a) through (2)(k) above in an aggregate amount at any time outstanding (together with refinancings thereof) not to exceed US$10.0 million (or the Dollar Equivalent thereof);

provided that, if any Indebtedness Incurred under this clause (2) constitutes (a) Priority Indebtedness, on the date of the Incurrence of such Indebtedness and after giving effect thereto, such Indebtedness constitutes Permitted Priority Indebtedness, and (b) Secured Company Indebtedness, on the date of the Incurrence of such Indebtedness and after giving effect thereto, such Indebtedness constitutes Permitted Secured Company Indebtedness.

For purposes of determining compliance with this "*—Limitation on Indebtedness*" covenant, in the event that an item of Indebtedness meets the criteria of more than one of the types of Permitted Indebtedness or is permitted to

be Incurred pursuant to clause (1) of this covenant, the Company may, in its sole discretion, classify, and from time to time may reclassify, such item of Indebtedness and only be required to include the amount of such Indebtedness as one of such types.

The accrual of interest, the accretion or amortization of original issue discount and the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, will not be deemed to be an incurrence of Indebtedness for purposes of this covenant; *provided*, in each such case, that the amount of any such accrual, accretion, amortization or payment is included in Consolidated Interest Expense of the Company as accrued.

Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred (or first committed, in the case of revolving credit debt); *provided*, that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

The amount of any Indebtedness outstanding as of any date will be:

(1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

(2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(i) 50% of the aggregate amount of the Consolidated Net Income of the Company (or, if the Consolidated Net Income is a loss, minus 100% of the amount of such loss) accrued on a cumulative basis during the period (taken as one accounting period) beginning on October 1, 2016 and ending on the last day of the Company's most recently ended fiscal quarter for which consolidated financial statements of the Company (which the Company shall use its reasonable best efforts to compile in a timely manner and which may be internal financial statements) are available and have been provided to the Trustee at the time of such Restricted Payment; plus

(ii) 100% of the aggregate Net Cash Proceeds received by the Company after the Existing Notes Original Issue Date in the form of Subordinated Shareholder Funding or as a capital contribution to its common equity by, or from the issuance and sale of its Capital Stock (other than Disqualified Stock) to a Person who is not a Subsidiary of the Company, including any such Net Cash Proceeds received upon (A) the conversion by a Person who is not a Subsidiary of the Company of any Indebtedness (other than Subordinated Indebtedness) of the Company into Capital Stock (other than Disqualified Stock) of the Company, or (B) the exercise by a Person who is not a Subsidiary of the Company of any options, warrants or other rights to acquire Capital Stock of the Company (other than Disqualified Stock), in each case after deducting the amount of any such Net Cash Proceeds used to redeem, repurchase, defease or otherwise acquire or retire for value any Subordinated Indebtedness, Subordinated Shareholder Funding or Capital Stock of the Company or any Restricted Subsidiary; plus

(iv) an amount equal to the net reduction in Investments (other than reductions in Permitted Investments) that were made after the Existing Notes Original Issue Date in any Person resulting from (A) payments of interest on Indebtedness, dividends or repayments of loans or advances by such Person, in each case to the Company or any Restricted Subsidiary (except, in each case, to the extent any such payment or proceeds are included in the calculation of Consolidated Net Income) after the Existing Notes Original Issue Date, (B) the unconditional release of a Guarantee provided by the Company or a Restricted Subsidiary after the Existing Notes Original Issue Date of an obligation of another Person (other than the Company or any Restricted Subsidiary), (C) to the extent that an Investment made after the Existing Notes Original Issue Date is sold or otherwise liquidated or repaid for cash, the lesser of (x) cash return of capital with respect to such Investment (less the cost of disposition, if any) and (y) the initial amount of such Investment, or (D) from redesignations of Unrestricted Subsidiaries as Restricted Subsidiaries, not to exceed, in each case, the amount of Investments (other than Permitted Investments) made by the Company or a Restricted Subsidiary after the Existing Notes Original Issue Date in any such Person and treated as a Restricted Payment.

The foregoing provision shall not be violated by reason of:

(1) the payment of any dividend or irrevocable redemption of any Capital Stock within 60 days after the related date of declaration or call for redemption if, at said date of declaration or call for redemption, such payment or redemption would comply with the preceding paragraph;

(2) the payment of any dividends or distributions declared, paid or made by a Restricted Subsidiary, to the holders of such Restricted Subsidiary's Capital Stock, majority of which is held, directly or indirectly through Restricted Subsidiaries, by the Company, on a pro rata basis or on a basis more favorable to the Company;

(3) the redemption, repurchase, retirement or other acquisition for value of Capital Stock of the Company (or options, warrants or other rights to acquire such Capital Stock) or any Restricted Subsidiary or the redemption, repurchase, defeasance or other acquisition or retirement of Subordinated Shareholder Funding,

in each case in exchange for, or out of the Net Cash Proceeds of (a) a substantially concurrent capital contribution or sale (other than to a Subsidiary of the Company) of, shares of Capital Stock (other than Disqualified Stock) of the Company or such Restricted Subsidiary (or options, warrants or other rights to acquire such Capital Stock) or (b) Subordinated Shareholder Funding; *provided* that the amount of any such Net Cash Proceeds that are utilized for any such Restricted Payment will be excluded from clause (c)(ii) of the preceding paragraph;

(4) the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of the Company or any preferred stock of a Restricted Subsidiary issued on or after the date of the Indenture that was permitted to be issued pursuant to the first paragraph of the covenant described under "*—Limitation on Indebtedness*";

(5) the redemption, repurchase, defeasance or other acquisition or retirement for value of Subordinated Indebtedness of the Company with the Net Cash Proceeds of, or in exchange for, a substantially concurrent Incurrence of Permitted Refinancing Indebtedness;

(6) any purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Disqualified Stock of the Company or preferred stock of a Restricted Subsidiary made by exchange for or out of the proceeds of the substantially concurrent sale of Disqualified Stock of the Company or preferred stock of a Restricted Subsidiary, as the case may be, that, in each case, is permitted to be incurred pursuant to the covenant described under "*—Limitation on Indebtedness*" and that in each case constitutes Permitted Refinancing Indebtedness;

(7) the redemption, repurchase, defeasance or other acquisition or retirement for value of Subordinated Indebtedness of the Company in exchange for, or out of the Net Cash Proceeds of, a substantially concurrent capital contribution or sale (other than to a Subsidiary of the Company) of, shares of the Capital Stock (other than Disqualified Stock) of the Company (or options, warrants or other rights to acquire such Capital Stock); *provided* that the amount of any such Net Cash Proceeds that are utilized for any such Restricted Payment will be excluded from clause (c)(ii) of the preceding paragraph;

(8) the repurchase, redemption or other acquisition or retirement for value of any Capital Stock of the Company or any Restricted Subsidiaries (or options, warrants or other rights to acquire such Capital Stock) held by any future, current or former officer, director or employee of the Company or any direct or indirect parent entities or Restricted Subsidiaries (or any such Person's assigns, estates or heirs) pursuant to any equity subscription agreement, stock option agreement, shareholders' agreement or similar plans or other contractual arrangements or agreements; *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired Capital Stock may not exceed US$7.0 million (or the Dollar Equivalent thereof) in any fiscal year;

(9) (i) the repurchase of Capital Stock deemed to occur upon the exercise of options, warrants or other rights in respect thereof if such Capital Stock represents all or a portion of the exercise price thereof and (ii) repurchases of Capital Stock deemed to occur upon the withholding of a portion of the Capital Stock granted or awarded to a director, employee or consultant to pay for the Taxes payable by such director, employee or consultant upon such grant or award;

(11) Restricted Payments up to an aggregate amount not to exceed US$ 20.0 million (or the Dollar Equivalent thereof);

provided that, in the case of clauses (2), (3), (4) and (11) of this paragraph, no Event of Default shall have occurred and be continuing or would occur as a consequence of the actions or payments set forth therein. Each Restricted Payment made pursuant to clauses (1) and (11) of this paragraph shall be included in calculating whether the conditions of clause (c) of the first paragraph of this "*—Limitation on Restricted Payments*" covenant have been met with respect to any subsequent Restricted Payments.

The amount of any Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or the Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The value of any assets or securities (other than cash) that are required to be valued by this covenant will be the Fair Market Value. The Board of Directors' determination of the Fair Market Value of any assets (including securities) other than cash in a Restricted Payment or a series of related Restricted Payments must be based upon an opinion or an appraisal issued by an appraisal or investment banking firm of recognized standing if the expected Fair Market Value

exceeds US$10.0 million (or the Dollar Equivalent thereof) and such determination must be contained in a Board Resolution set forth in an Officer's Certificate that is provided to the Trustee.

Not later than the date of making any Restricted Payment in excess of US$10.0 million (or the Dollar Equivalent thereof), the Company will deliver to the Trustee an Officer's Certificate stating that such Restricted Payment is permitted and setting forth the basis upon which the calculations required by this "*—Limitation on Restricted Payments*" covenant were computed, together with a copy of any fairness opinion or appraisal required by the Indenture.

Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

(1) Except as provided below, the Company will not, and will not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary to:

   (b) existing under or by reason of applicable law, rule, regulation or order;

   (c) existing with respect to any Person or the property or assets of such Person acquired by the Company or any Restricted Subsidiary, at the time of such acquisition and not incurred in contemplation thereof, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Person or the property or assets of such Person so acquired, and any extensions, refinancings, renewals or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

   (e) with respect to a Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock of, or property and assets of, such Restricted Subsidiary that is permitted by the "*—Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries*," "*—Limitation on Indebtedness*" and "*—Limitation on Asset Sales*" covenants;

   (f) with respect to any Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the Incurrence of Indebtedness permitted under the "*—Limitation on Indebtedness*" covenant if, as determined by the Board of Directors, the encumbrances or restrictions (i) are customary for such type of agreement and (ii) would not, at the time agreed to, be expected to materially and adversely affect the ability of the Company to make required payments on the Notes;

   (g) existing under or by reason of purchase money obligations for property acquired in connection with the Permitted Business and Capitalized Lease Obligations that impose restrictions on the property purchased or leased of the nature described in clause (1)(d) and are incurred in accordance with the "*—Limitation on Indebtedness*" covenant;

(h) existing under or by reason of customary non-assignment provisions in contracts and licenses entered into in connection with the Permitted Business;

(i) existing under or by reason of provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale and leaseback agreements, stock sale agreements and other similar agreements entered into with the approval of the Company's Board of Directors, if the encumbrances or restrictions would not, at the time agreed to, be expected to materially adversely affect the ability of the Company to make required payments on the Notes;

(j) existing under or by reason of restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(k) existing under or by reason of customary restrictions imposed on the transfer of, or in licenses related to, copyrights, patents or other intellectual property and contained in agreements entered into in the ordinary course of business; or

(l) existing under or by reason of Permitted Refinancing Indebtedness; *provided* that the encumbrances and restrictions contained in the agreements governing that Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the debt being refinanced.

Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries

The Company will not sell, and will not permit any Restricted Subsidiary, directly or indirectly, to issue or sell, any shares of Capital Stock of a Restricted Subsidiary (including in each case options, warrants or other rights to purchase shares of such Capital Stock) except:

(1) to the Company or a Restricted Subsidiary;

(2) to the extent such Capital Stock represents director's qualifying shares or is required by applicable law to be held by a Person other than the Company or a Restricted Subsidiary;

(3) to the extent the issue or sale of such Capital Stock is permitted in accordance with clause (1) of the second paragraph of the "*—Limitation on Transactions with Shareholders and Affiliates*" covenant;

(5) the issuance or sale of Capital Stock of a Restricted Subsidiary if, immediately after giving effect to such issuance or sale, such Restricted Subsidiary would no longer constitute a Restricted Subsidiary and any remaining Investment in such Person would have been permitted to be made under the "*—Limitation on Restricted Payments*" covenant if made on the date of such issuance or sale and provided that the Company complies with the "*—Limitation on Asset Sales*" covenant.

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into, renew or extend any transaction or arrangement (or series of related transactions or arrangements) (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with (x) any holder (or any Affiliate of such holder) of 5% or more of any class of Capital Stock of the Company or (y) any Affiliate of the Company (each an " **Affiliate Transaction**"), involving aggregate payments or consideration in excess of US$2.0 million (or the Dollar Equivalent thereof), unless:

(1) the Affiliate Transaction is on fair and reasonable terms that are no less favorable to the Company or the relevant Restricted Subsidiary, as the case may be, than those that would have been obtained in a comparable transaction by the Company or the relevant Restricted Subsidiary with a Person that is not an Affiliate of the Company; and

(2) the Company delivers to the Trustee:

(a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$5.0 million (or the Dollar Equivalent thereof), a Board Resolution set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with this covenant and such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors; *provided* that, if no disinterested member of the Board of Directors exists with

respect to any Affiliate Transaction, the transaction may be approved by a majority of the members of the Board of Directors if the requirements of clause (2)(b) below are met with respect to such Affiliate Transaction as if it involved aggregate consideration in excess of US$10.0 million (or the Dollar Equivalent thereof); and

(b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$10.0 million (or the Dollar Equivalent thereof), in addition to the Board Resolution required in clause (2)(a) above, an opinion as to the fairness to the Company or such Restricted Subsidiary, as the case may be, of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of recognized standing or an Independent Engineer.

The foregoing limitation does not limit, and shall not apply to:

(1) any employment or compensation agreement (whether based in cash or securities), officer or director indemnification agreement, severance or termination agreement or any similar arrangement entered into by the Company or any Restricted Subsidiary and payments pursuant thereto and any transactions pursuant to stock option plans, stock ownership plans and employee benefit plans or similar arrangements approved by the Board of Directors, in each case in the ordinary course of business;

(2) the payment of reasonable and customary fees and reimbursement of expenses (pursuant to indemnity arrangements or otherwise) of officers, directors, employees or consultants of the Company or any Restricted Subsidiary;

(3) transactions between or among the Company and any Restricted Subsidiary or between or among Restricted Subsidiaries;

(4) (a) any Restricted Payment not prohibited by the covenant described under "*—Limitation on Restricted Payments*" and (b) any Permitted Investment other than made pursuant to clause (1) of the definition thereof as described under "*—Definitions*";

(5) any sale of Capital Stock (other than Disqualified Stock) of the Company (or options, warrants or other rights to acquire such Capital Stock), any contribution of capital to the Company, or any Incurrence of, or amendment to, any Subordinated Shareholder Funding (so long as in the case of any amendment, such Subordinated Shareholder Funding continues to satisfy the requirements set forth under the definition "Subordinated Shareholder Funding" after giving effect thereto), in each case that is permitted under or not prohibited by "*—Limitation on Indebtedness*";

(6) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged into the Company or any Restricted Subsidiary; *provided* that such agreement was not entered into in contemplation of such acquisition or merger;

(7) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, derivatives or insurance or lessors or lessees or providers of employees or other labor or property, in the ordinary course of business and that are fair or on terms at least as favorable as arm's length as determined by the Board of Directors;

(8) any purchases by the Company's Affiliates of Indebtedness or Disqualified Stock of the Company or any Restricted Subsidiary where at least 90% of such Indebtedness or Disqualified Stock is purchased by Persons who are not Affiliates of the Company;

(9) transactions contemplated pursuant to agreements or arrangements in effect on the Original Issue Date and described in this offering memorandum, or any amendment or modification or replacement thereof that is not materially more disadvantageous to the Company than the agreement or arrangement in effect on the Original Issue Date;

(10) transactions permitted by, and complying with, the covenant described under "*—Consolidation, Merger and Sale of Assets*"; and

(11) Permitted Parent Payments.

In addition, the requirements of clause (2) of the first paragraph of this covenant shall not apply to any transaction between or among the Company, any Wholly Owned Restricted Subsidiary and any Restricted Subsidiary that is not a Wholly Owned Restricted Subsidiary; *provided* that none of the minority shareholders or minority partners of or in such non-Wholly Owned Restricted Subsidiary is a Person described in clauses (x) or (y) of the first paragraph of this covenant (other than by reason of such minority shareholder or minority partner being an officer or director of such Restricted Subsidiary) and the requirement of clause (2)(b) of the first

paragraph of this covenant shall not apply to transactions with concessionaires, licensees, customers, clients, suppliers, vendors or purchasers or sellers of goods or services, derivatives, insurance or Hedging Obligations or lessors or lessees or providers of employees or other labor or property, including, in each case, the Permitted Holders, in the ordinary course of business.

Limitation on Liens

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur, assume or permit to exist any Lien of any nature whatsoever on any of its assets or properties of any kind, whether owned at the Original Issue Date or thereafter acquired, except Permitted Liens, unless the Notes are equally and ratably secured by such Lien.

Limitation on Sale and Leaseback Transactions

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction; *provided* that the Company or a Restricted Subsidiary may enter into a Sale and Leaseback Transaction if:

(1) the Company or such Restricted Subsidiary could have (a) Incurred Indebtedness in an amount equal to the Attributable Indebtedness relating to such Sale and Leaseback Transaction under the covenant described under "*—Limitation on Indebtedness*" and (b) incurred a Lien to secure such Indebtedness pursuant to the covenant described above under "*—Limitation on Liens*," in which case, the corresponding Indebtedness will be deemed Incurred and the corresponding Lien will be deemed incurred pursuant to those provisions;

(2) the gross cash proceeds of that Sale and Leaseback Transaction are at least equal to the Fair Market Value of the property that is the subject of such Sale and Leaseback Transaction; and

(3) the transfer of assets in that Sale and Leaseback Transaction is not prohibited by the covenant described below under "*—Limitation on Asset Sales*."

Limitation on Asset Sales

The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless:

(1) the consideration received by the Company or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of; and

(2) at least 75% of the consideration received consists of cash, Temporary Cash Investments or Replacement Assets (as defined below); *provided* that in the case of an Asset Sale in which the Company or such Restricted Subsidiary receives Replacement Assets involving aggregate consideration in excess of US$10.0 million (or the Dollar Equivalent thereof), the Company shall deliver to the Trustee an opinion of fairness to the Company or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an accounting, appraisal or investment banking firm of recognized standing. For purposes of this provision, each of the following will be deemed to be cash:

   (a) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that releases the Company or such Restricted Subsidiary, as the case may be, from or indemnifies them against further liability; and

   (b) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from such transferee that are promptly, but in any event within 90 days of closing, converted by the Company or such Restricted Subsidiary, as the case may be, into cash, to the extent of the cash received in that conversion.

(3) Within 365 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company or any Restricted Subsidiary may apply such Net Cash Proceeds to:

   (a) permanently repay any Senior Indebtedness (and if any such Indebtedness is revolving credit Indebtedness, to correspondingly permanently reduce commitments with respect thereto), in each case owing to a Person other than the Company or a Restricted Subsidiary;

   (b) acquire Replacement Assets;

   (c) with up to US$10 million of the Net Cash Proceeds received from an Equity Offering of a Restricted Subsidiary organized under the laws of India, use for general corporate purposes; or

   (d) any combination of (3)(a), (3)(b) and (3)(c) above;

provided that, pending the application of Net Cash Proceeds in accordance with clauses (a), (b), (c) or (d) of this paragraph, such Net Cash Proceeds may be temporarily invested only in cash or Temporary Cash Investments or be used to temporarily reduce revolving credit Indebtedness.

(4) Any Net Cash Proceeds from Asset Sales that are not applied or invested as provided in clause (3) will constitute "**Excess Proceeds.**" Excess Proceeds of less than US$10.0 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. When accumulated Excess Proceeds exceed US$10.0 million (or the Dollar Equivalent thereof), within ten (10) Business Days thereof, the Company must make an Offer to Purchase Notes having a principal amount equal to:

(a) accumulated Excess Proceeds, multiplied by

(b) a fraction (x) the numerator of which is equal to the outstanding principal amount of the Notes and (y) the denominator of which is equal to the outstanding principal amount of the Notes and all Senior Indebtedness, in any such case similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale, rounded down to the nearest US$1,000.

The offer price in any Offer to Purchase will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash.

If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Trustee will select the Notes to be purchased on a pro rata basis. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

Limitation on Business Activities

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, engage in any business other than Permitted Businesses.

Use of Proceeds

The Company will not use the net proceeds from the sale of the Notes issued and sold on the Original Issue Date, in any amount, for any purpose other than (1) as specified under "Use of Proceeds" in this offering memorandum and (2) pending the application of all of such net proceeds in such manner, to invest the portion of such net proceeds not yet so applied in cash or Temporary Cash Investments.

Designation of Restricted and Unrestricted Subsidiaries

The Board of Directors may designate any Restricted Subsidiary to be an Unrestricted Subsidiary; *provided* that (1) no Default shall have occurred and be continuing at the time of or after giving effect to such designation; (2) such Restricted Subsidiary does not own any Disqualified Stock of the Company or Disqualified Stock or Preferred Stock of a Restricted Subsidiary or hold any Indebtedness of, or any Lien on any property of, the Company or any Restricted Subsidiary, if such Disqualified Stock or Preferred Stock or Indebtedness could not be Incurred under the covenant described under "*—Limitation on Indebtedness*" or such Lien would violate the covenant described under "*—Limitation on Liens*," in each case immediately after such designation; (3) such Restricted Subsidiary does not own any Voting Stock of another Restricted Subsidiary (other than Restricted Subsidiaries concurrently designated to be Unrestricted Subsidiaries in accordance with this covenant), and all of its Subsidiaries are Unrestricted Subsidiaries or are being concurrently designated to be Unrestricted Subsidiaries in accordance with this paragraph; (4) such Restricted Subsidiary has no outstanding Indebtedness that could trigger a cross-default to the Indebtedness of the Company or any other Restricted Subsidiary; and (5) the Investment deemed to have been made thereby in such newly designated Unrestricted Subsidiary and each other newly designated Unrestricted Subsidiary being concurrently redesignated would be permitted to be made by the covenant described under "*—Limitation on Restricted Payments*" immediately after such designation.

The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that (1) no Default shall have occurred and be continuing at the time of or after giving effect to such designation; (2 any Indebtedness of such Unrestricted Subsidiary outstanding at the time of such designation which will be deemed to have been Incurred by such newly designated Restricted Subsidiary as a result of such designation would be permitted to be Incurred by the covenant described under "*—Limitation on Indebtedness*"; (3) any Lien on the property of such Unrestricted Subsidiary at the time of such designation, which Liens will be deemed to have been incurred by such newly designated Restricted Subsidiary as a result of such designation, would be permitted to be incurred by the covenant described under "*—Limitation on Liens*"; and (4) such Unrestricted Subsidiary is not a Subsidiary of another Unrestricted Subsidiary (that is not concurrently being designated as a Restricted Subsidiary).

All designations must be evidenced by a Board Resolution delivered to the Trustee certifying compliance with the preceding provisions.

Government Approvals and Licenses; Compliance with Law

The Company will, and will cause each Restricted Subsidiary to, (1) obtain and maintain in full force and effect substantially all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the Permitted Business; (2) preserve and maintain good and valid title to its properties and assets (including land-use rights) free and clear of any Liens other than Permitted Liens; and (3) comply with all laws, regulations, orders, judgments and decrees of any governmental body, except to the extent that failure so to obtain, maintain, preserve and comply would not reasonably be expected to have a material adverse effect on (A) the business, results of operations or prospects of the Company and its Restricted Subsidiaries taken as a whole or (B) the ability of the Company to perform its obligations under the Notes or the Indenture.

Anti-Layering

The Company will not Incur any Indebtedness if such Indebtedness is contractually subordinated in right of payment to any other Indebtedness of the Company, unless such Indebtedness is also contractually subordinated in right of payment to the Notes on substantially identical terms. No Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness by virtue of being unsecured, or by reason of any Liens or Guarantees securing or in favor of some but not all of such Indebtedness or as a result of Indebtedness having a junior priority with respect to the same collateral or being secured by different collateral.

Suspension of Certain Covenants

If on any date following the date of the Indenture, the Notes have a rating of Investment Grade from two of the Rating Agencies and no Default has occurred and is continuing, then, beginning on that day and continuing until such time, if any, at which the Notes cease to have a rating of Investment Grade from both of the Rating Agencies (such period, the "**Suspension Period**"), the provisions of the Indenture summarized under the following captions will be suspended:

(5) *"—Certain Covenants—Limitation on Sale and Leaseback Transactions";*

(6) *"—Certain Covenants—Limitation on Asset Sales"; and*

(7) *Clauses (4) summarized under "—Consolidation, Merger and Sale of Assets."*

During any period that the foregoing covenants have been suspended, the Board of Directors may not designate any of the Restricted Subsidiaries as Unrestricted Subsidiaries pursuant to the covenant summarized under "*—Certain Covenants—Designation of Restricted and Unrestricted Subsidiaries*" or the definition of "**Unrestricted Subsidiary.**"

Such covenants will be reinstituted and apply according to their terms as of and from the first day on which a Suspension Period ceases to be in effect. Such covenants will not, however, be of any effect with regard to actions of the Company or any Restricted Subsidiary properly taken in compliance with the provisions of the Indenture during the continuance of the Suspension Period, and following reinstatement (1) the calculations under the covenant summarized under "*—Certain Covenants—Limitation on Restricted Payments*" will be made as if such covenant had been in effect since the date of the Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended and (2) all Indebtedness incurred, or Disqualified Stock or preferred stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to clause (2)(b) of the covenant summarized under "*—Certain Covenants—Limitation on Indebtedness*." Upon the occurrence of a Suspension Period, the amount of Excess Proceeds shall be reset at to the amount in effect at the beginning of the Suspension Period.

There can be no assurance that the Notes will ever achieve a rating of Investment Grade or that any such rating will be maintained.

Provision of Financial Statements and Reports

So long as any of the Notes remain outstanding, the Company will provide to the Trustee and furnish to the Holders the following reports, in the English language:

(1) within 120 days after the end of the Company's fiscal year beginning with the first fiscal year ending after the Original Issue Date, the following information: (a) audited consolidated balance sheets of the Company as of the end of the two most recent fiscal years and audited consolidated income statements and statements of cash flow of the Company for the two most recent fiscal years, including complete footnotes to such financial statements and the audit report of a member firm of an internationally recognized firm of independent accountants on the financial statements; and (b) an operating and financial review of the audited financial statements, including a discussion of the consolidated results of operations, financial condition, EBITDA and material changes in liquidity and capital resources of the Company, and a discussion of material recent developments, material commitments and contingencies and critical accounting policies;

(2) within 60 days following the end of the first three fiscal quarters in each fiscal year of the Company beginning with the quarter ending June 30, 2019, copies of its unaudited financial statements (on a consolidated basis), including a statement of income, balance sheet and cash flow statement, prepared on a basis consistent with the audited financial statements of the Company together with a certificate signed by the person then authorized to sign financial statements on behalf of the Company to the effect that such financial statements are true in all material respects and present fairly the financial position of the Company as at the end of, and the results of its operations for, the relevant quarterly period; and

(3) promptly after the occurrence of (i) any Material Acquisition or Disposition or restructuring or (ii) any other material event not in the ordinary course of business, that the Company or Restricted Subsidiary announces publicly, a report containing a description of such event.

The Company will also make copies of all such reports available on its website.

In addition, so long as any Note remains outstanding, the Company will provide to the Trustee (a) within 120 days after the close of each fiscal year, an Officer's Certificate stating the Fixed Charge Coverage Ratio and the Consolidated Priority Indebtedness Leverage Ratio with respect to the four most recent fiscal quarters and showing in reasonable detail the calculation of the Fixed Charge Coverage Ratio and the Consolidated Priority Indebtedness Leverage Ratio, including the arithmetic computations of each component of the Fixed Charge Coverage Ratio and the Consolidated Priority Indebtedness Leverage Ratio, together with a certificate from the Company's external auditors verifying the accuracy and correctness of the calculations and arithmetic computations made, *provided* that the Company will not be required to provide such auditor certification if its external auditors refuse to provide such certification as a result of any policy of such external auditors prohibiting such certification if in such case the Company delivers such certification from an alternative member firm of an internationally recognized firm of independent accountants with such Officer's Certificate; and (b) as soon as possible and in any event within 10 days after the Company becomes aware or should reasonably become aware of the occurrence of a Default, an Officer's Certificate setting forth the details of the Default, and the action which the Company proposes to take with respect thereto.

All historical financial statements shall be prepared in accordance with IFRS as in effect on the date of such report or financial statement (or otherwise on the basis of IFRS as then in effect) and on a consistent basis for the periods presented; *provided* that the reports set forth in clauses (1) and (2) above may, in the event of a change in applicable IFRS, present earlier periods on the basis of IFRS that applied to such periods. If the Company elects to change IFRS to GAAP or GAAP to IFRS (in each case, as permitted by the definition of "IFRS"), then the Company shall present earlier periods included in any financial information required by clauses (1) and (2) of this covenant on or after the date of any such election in accordance with GAAP or IFRS, as applicable at the time of such presentation (either as in effect on the date of such report or financial statement or, at the Company's election, on the basis of GAAP or IFRS, as applicable, that applied to such periods).

At any time that any of the Company's Subsidiaries are Unrestricted Subsidiaries and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly financial information required by clauses (1) and (2) of this covenant shall include a summary presentation, either on the face of the financial statements or in the footnotes thereto or in the operating and financial review of the financial statements of the revenue, EBITDA, net income, cash, total assets, total debt, shareholders equity, capital expenditures and interest expense of such Unrestricted Subsidiaries.

Events of Default

The following events will be defined as "**Events of Default**" in the Indenture:

(1) default in the payment of principal of (or premium, if any, on) the Notes when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise;

(2) default in the payment of interest (including Additional Amounts) on any Note when the same becomes due and payable, and such default continues for a period of 30 days;

(3) default in the performance or breach of the provisions of the covenants described under "*—Consolidation, Merger and Sale of Assets*," or the failure by the Company to make or consummate an Offer to Purchase in the manner described under "*—Repurchase of Notes Upon a Change of Control*" or "*—Certain Covenants—Limitation on Asset Sales*";

(4) the Company or any Restricted Subsidiary defaults in the performance of or breaches any other covenant or agreement in the Indenture or under the Notes (other than a default specified in clause (1), (2) or (3) above) and such default or breach continues for a period of 30 consecutive days after written notice by the Trustee or the Holders of 25% or more in aggregate principal amount of the Notes;

(5) there occurs with respect to any Indebtedness of the Company or any Restricted Subsidiary having an outstanding principal amount of US$20.0 million (or the Dollar Equivalent thereof) or more in the aggregate for all such Indebtedness of all such Persons, whether such Indebtedness now exists or shall hereafter be created, (a) an event of default that results in such Indebtedness being due and payable prior to its Stated Maturity through the actions of the holders thereof or otherwise and/or (b) a default in payment of principal of, or interest or premium on, or any other amounts in respect of, such Indebtedness when the same becomes due and payable (following the expiry of any applicable grace period);

(6) one or more final judgments or orders for the payment of money are rendered against the Company or any Restricted Subsidiary and are not paid or discharged, and there is a period of 60 consecutive days following entry of the final judgment or order that causes the aggregate amount for all such final judgments or orders outstanding and not paid or discharged against all such Persons (other than judgments or orders covered by indemnities provided by, or insurance policies issued by, reputable companies) to exceed US$20.0 million (or the Dollar Equivalent thereof) during which a stay of enforcement, by reason of a pending appeal or otherwise, is not in effect;

(7) an involuntary case or other proceeding is commenced against the Company or any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together as of the latest audited consolidated financial statements for the Company, would constitute a Significant Subsidiary, with respect to it or its debts under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect seeking the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company or any Restricted Subsidiary, or for any substantial part of the property and assets of the Company or any Restricted Subsidiary, and such involuntary case or other proceeding remains undismissed and unstayed for a period of 60 consecutive days; or a final order for relief is entered against the Company or any Restricted Subsidiary, under any applicable bankruptcy, insolvency or other similar law as now or hereafter in effect; or

(8) the Company or any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together as of the latest audited consolidated financial statements for the Company, would constitute a Significant Subsidiary, (a) commences a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consents to the entry of an order for relief in an involuntary case under any such law, (b) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company or any Restricted Subsidiary or for all or substantially all of the property and assets of such entity or entities or (c) effects any general assignment for the benefit of creditors.

If an Event of Default (other than an Event of Default specified in clause (7) or (8) above) occurs and is continuing under the Indenture, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the Trustee if such notice is given by the Holders), may, and the Trustee at the written direction of such Holders shall (subject to the Trustee being indemnified and/or secured and/or pre-funded to its satisfaction), declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If an Event of Default specified in clause (7) or (8) above occurs with respect to the Company or any Restricted Subsidiary, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall

automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

The Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee may on behalf of the Holders waive all past defaults and rescind and annul a declaration of acceleration and its consequences if:

(1) all existing Events of Default, other than the non-payment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived; and

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture, that may involve the Trustee (including any of its incorporators, stockholders, officers, directors or employees or controlling persons) in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders. In addition, the Trustee will not be required to act on the direction of the Holders unless it is indemnified and/or secured and/or pre-funded to its satisfaction.

A Holder may not institute any proceeding, judicial or otherwise, with respect to the Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under the Indenture or the Notes, unless:

(1) the Holder has previously given the Trustee written notice of a continuing Event of Default;

(2) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer the Trustee indemnity and/or security and/or pre-funding satisfactory to the Trustee against any costs, liability or expense to be incurred in compliance with such request;

(4) the Trustee does not comply with the request within (x) 60 days after receipt of the written request pursuant to clause (2) above or (y) 60 days after the receipt of the offer of indemnity and/or security and/or pre-funding pursuant to clause (3) above, whichever occurs later; and

(5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a written direction that is inconsistent with the request.

However, such limitations do not apply to the right of any Holder of a Note to receive payment of the principal of, premium, if any, or interest on, such Note, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, which right shall not be impaired or affected without the consent of Holders holding not less than 90% of the then outstanding principal amount of the Notes.

Officers of the Company must certify to the Trustee in writing, on or before a date not more than 90 days after the end of each fiscal year, that a review has been conducted of the activities of the Company and the Restricted Subsidiaries and the Company's and the Restricted Subsidiaries' performance under the Indenture and that the Company have fulfilled all of their respective obligations thereunder, or, if there has been a default in the fulfilment of any such obligation, specifying each such default and the nature and status thereof. The Company will also be obligated to notify the Trustee in writing within 30 days of any default or defaults in the performance of any covenants or agreements under the Indenture as set forth under "*—Provision of Financial Statements and Reports*."

Consolidation, Merger and Sale of Assets

The Company will not directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Company is the surviving Person (a "**Surviving Person**")), or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(1) either: (a) the Company is the Surviving Person; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer,

conveyance, lease or other disposition has been made is an entity organized or existing under the laws of India, the United Kingdom, any member state of the European Union, Switzerland, Canada, Australia, Singapore, any state of the United States or the District of Columbia British Virgin Islands, Cayman Islands, Mauritius, Bermuda (each a "**Qualified Jurisdiction**");

(2) the Person formed by or surviving any such consolidation or merger with the Company (if other than the Company) or the Person to which such sale, assignment, transfer, conveyance, lease or other disposition has been made assumes all the obligations of the Company under the Indenture and the Notes, pursuant to the terms thereof;

(3) immediately after giving *pro forma* effect to such transaction or transactions, no Default or Event of Default exists;

(4) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company), or to which such sale, assignment, transfer, conveyance, lease or other disposition has been made would, on the date of such transaction after giving *pro forma* effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period (i) be permitted to incur at least US$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of the covenant described above under the caption "*—Certain Covenants—Limitation on Indebtedness*" or (ii) have a Fixed Charge Coverage Ratio no less than it was immediately prior to giving effect to such transaction;

(5) the Company shall deliver to the Trustee (x) an Officer's Certificate (attaching the arithmetic computations to demonstrate compliance with clause (4)) and (y) an Opinion of Counsel, in each case stating that such consolidation, merger or transfer and any relevant supplemental indenture complies with this provision and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with; and

(6) no Rating Decline shall have occurred.

In addition, the Company will not, directly or indirectly, lease all or substantially all of the properties and assets of it and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to any other Person.

This "Consolidation, Merger and Sale of Assets" covenant will not apply to (1) any sale or other disposition that complies with the "Limitation on Asset Sales" covenant, (2) any consolidation or merger of (a) any Restricted Subsidiary into the Company or (b) any Restricted Subsidiary into another Restricted Subsidiary, and (3) the Company consolidating into or merging or combining with an Affiliate incorporated or organized in a Qualified Jurisdiction for the purpose of changing the legal domicile of the Company, reincorporating the Company in another Qualified Jurisdiction or changing the legal form of the Company.

The foregoing provisions would not necessarily afford Holders protection in the event of highly leveraged or other transactions involving the Company that may adversely affect Holders.

No Payments for Consents

The Company will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes unless such consideration is offered to be paid or is paid to all Holders that consent, waive or agree to amend such term or provision within the time period set forth in the solicitation documents relating to such consent, waiver or amendment. Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes in connection with an exchange or tender offer, the Company and any Restricted Subsidiary may exclude (i) Holders or beneficial owners of the Notes that are not "qualified institutional buyers" as defined under the Securities Act, and (ii) Holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such Holders or beneficial owners would require the Company or any Restricted Subsidiary to comply with the registration requirements or other similar requirements under any securities laws of such jurisdiction, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, Holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Company in its sole discretion.

Defeasance

Defeasance and Discharge

The Indenture will provide that the Company will be deemed to have paid and will be discharged from any and all obligations in respect of the Notes on the 183rd day after the deposit referred to below, and the provisions of

the Indenture will no longer be in effect with respect to the Notes (except for, among other matters, certain obligations to register the transfer or exchange of the Notes, to replace stolen, lost or mutilated Notes, to maintain paying agencies and to hold monies for payment in trust) if, among other things:

(1) the Company (a) has deposited with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, U.S. Government Obligations or a combination thereof that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes and (b) delivers to the Trustee an Opinion of Counsel or a certificate of an internationally recognized firm of independent accountants to the effect that the amount deposited by the Company is sufficient to provide payment for the principal of, premium, if any, and accrued interest on, the Notes on the Stated Maturity of such payment in accordance with the terms of the Indenture and an Opinion of Counsel to the effect that the Holders have a valid, perfected, exclusive Lien over such trust;

(2) the Company has delivered to the Trustee an Opinion of Counsel from a law firm of recognized international standing to the effect that the creation of the defeasance trust does not violate the U.S. Investment Company Act of 1940, as amended, and after the passage of 123 days following the deposit, the trust fund will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law;

(3) the Company shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by it with the intent of preferring the Holders over any other of its creditors or with the intent of defeating, hindering, delaying or defrauding any other of its creditors or others; and

(4) immediately after giving effect to such deposit on a *pro forma* basis, no Event of Default, or event that after the giving of notice or lapse of time or both would become an Event of Default, shall have occurred and be continuing on the date of such deposit or during the period ending on the 183rd day after the date of such deposit, and such defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Company or any of the Restricted Subsidiaries is a party or by which the Company or any of the Restricted Subsidiaries is bound.

Defeasance of Certain Covenants

The Indenture will further provide that the provisions of the Indenture will no longer be in effect with respect to clauses (4), (5)(x) and (6) under "*—Consolidation, Merger and Sale of Assets*" and all the covenants described herein under "*—Certain Covenants*," other than as described under "*—Certain Covenants—Government Approvals and Licenses; Compliance with Law*" and "*—Certain Covenants—Anti-Layering*," and clause (3) under "Events of Default" with respect to clauses (4),(5)(x) and (6) under "*—Consolidation, Merger and Sale of Assets*" and with respect to the other events set forth in such clause, clause (4) under "*—Events of Default*" with respect to such other covenants and clauses (5), (6), (7) and (8) under "*—Events of Default*" shall be deemed not to be Events of Default upon, among other things, the deposit in an account held by the Trustee, in trust, for the benefit of the Holders, of cash in U.S. dollars, U.S. Government Obligations or a combination thereof that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes, and the satisfaction of the provisions described in clause (2) of the preceding paragraph.

Defeasance and Certain Other Events of Default

In the event the Company exercises its option to omit compliance with certain covenants and provisions of the Indenture with respect to the Notes as described in the immediately preceding paragraph and the Notes are declared due and payable because of the occurrence of an Event of Default that remains applicable, the amount of cash in U.S. dollars and/or U.S. Government Obligations on deposit in the account described in the immediately preceding paragraph will be sufficient to pay amounts due on the Notes at the time of their Stated Maturity but may not be sufficient to pay amounts due on the Notes at the time of the acceleration resulting from such Event of Default. However, the Company will remain liable for such payments.

Amendments and Waiver

Amendments Without Consent of Holders

The Indenture and the Notes may be amended, without the consent of any Holder:

(1) to cure any ambiguity, defect, omission or inconsistency in the Indenture or the Notes;

(2) to comply with the provisions described under "*—Consolidation, Merger and Sale of Assets*";

(3) to evidence and provide for the acceptance of appointment by a successor Trustee;

(4) to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture;

(5) in any other case where a supplemental indenture to the Indenture is required or permitted to be entered into pursuant to the provisions of the Indenture without the consent of any Holder;

(6) to effect any changes to the Indenture in a manner necessary to comply with the procedures of the relevant clearing system;

(7) to conform the text of the Indenture or the Notes to any provision of this "Description of the Notes" to the extent that such provision in this "Description of the Notes" was intended to be a verbatim recitation of a provision of the Indenture or the Notes; or

(8) to make any other change that does not materially and adversely affect the rights of any Holder.

Amendments With Consent of Holders

Amendments of the Indenture and the Notes may be made by the Company and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes, and the Holders of a majority in principal amount of the outstanding Notes may waive future compliance by the Company with any provision of the Indenture and the Notes; *provided,* however, that no such modification, amendment or waiver may, without the consent of Holders holding not less than 90% of the then outstanding principal amount of the Notes:

(1) change the Stated Maturity of the principal of, or any instalment of interest on, any Note;

(2) reduce the principal amount of, or premium, if any, or interest on, any Note;

(3) change the place, currency or time of payment of principal of, or premium, if any, or interest on, any Note;

(4) impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity (or, in the case of a redemption, on or after the redemption date) of any Note;

(5) reduce the above-stated percentage of outstanding Notes the consent of whose Holders is necessary to modify or amend the Indenture;

(6) waive a default in the payment of principal of, premium, if any, or interest on the Notes;

(7) reduce the percentage or aggregate principal amount of outstanding Notes the consent of whose Holders is necessary for waiver of compliance with certain provisions of the Indenture or for waiver of certain defaults;

(8) reduce the amount payable upon a Change of Control Offer or an Offer to Purchase with the Excess Proceeds from an Asset Sale or change the time or manner by which a Change of Control Offer or an Offer to Purchase with the Excess Proceeds from an Asset Sale may be made or by which the Notes must be repurchased pursuant to a Change of Control Offer or an Offer to Purchase with the Excess Proceeds from an Asset Sale;

(9) change the redemption date or the redemption price of the Notes from that stated under "*—Optional Redemption*" or "*—Redemption for Taxation Reasons*";

(10) amend, change or modify the obligation of the Company to pay Additional Amounts; or

(11) amend, change or modify any provision of the Indenture or the related definition affecting the ranking of the Notes in a manner which adversely affects the Holders.

Unclaimed Money

Claims against the Company for the payment of principal of, premium, if any, or interest, on the Notes will become void unless presentation for payment is made as required in the Indenture within a period of six years.

No Personal Liability of Incorporators, Stockholders, Officers, Directors or Employees

No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company in the Indenture or in any of the Notes or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Company or of any successor Person thereof. Each Holder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes. Such waiver may not be effective to waive liabilities under relevant laws.

Concerning the Trustee and the Agents

The Bank of New York Mellon, London Branch, is to be appointed as trustee and as paying agent (the " Paying Agent"), and The Bank of New York Mellon SA/NV, Luxembourg Branch is to be appointed as registrar (the "Registrar") and as transfer agent (the "Transfer Agent" and together with the Registrar and Paying Agent, the "Agents"), under the Indenture with regard to the Notes. Except during the continuance of a Default, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Indenture and the Notes (as the case may be), and no implied covenant or obligation shall be read into the Indenture or the Notes (as the case may be) against the Trustee. If an Event of Default has occurred and is continuing, the Trustee will be required to use the same degree of care and skill in its exercise of the rights and powers vested in it under the Indenture or the Notes (as the case may be) as a prudent person would exercise under the circumstances in the conduct of such person's own affairs. The Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any Holder, unless such Holder shall have offered to the Trustee indemnity and/or security or pre-funding satisfactory to it against any loss, liability or expense.

Book-Entry; Delivery and Form

The Notes will be represented by the Global Certificate in registered form without interest coupons attached. On the Original Issue Date, the Global Certificate will be deposited with a common depositary and registered in the name of the common depositary or its nominee for the accounts of Euroclear and Clearstream. The Notes will be issued only in fully registered form, without coupons, in denominations of US$200,000 and integral multiples of US$1,000 in excess thereof.

Global Certificate

Ownership of beneficial interests in the Global Certificate (the "**book-entry interests**") will be limited to persons that have accounts with Euroclear and/or Clearstream or persons that may hold interests through such participants. Book-entry interests will be shown on, and transfers thereof will be effected only through, records maintained in book-entry form by Euroclear and Clearstream and their participants.

Except as set forth below under "*—Individual Definitive Notes*," the book-entry interests will not be held in definitive form. Instead, Euroclear and/or Clearstream will credit on their respective book-entry registration and transfer systems a participant's account with the interest beneficially owned by such participant. The laws of some jurisdictions may require that certain purchasers of securities take physical delivery of such securities in definitive form. The foregoing limitations may impair the ability to own, transfer or pledge book-entry interests.

So long as the Notes are held in global form, the common depositary for Euroclear and/or Clearstream (or its nominee) will be considered the sole holder of the Global Certificate for all purposes under the Indenture and "holders" of book-entry interests will not be considered the owners or "Holders" of Notes for any purpose. As such, participants must rely on the procedures of Euroclear and Clearstream and indirect participants must rely on the procedures of the participants through which they own book-entry interests in order to transfer their interests in the Notes or to exercise any rights of Holders under the Indenture.

None of the Company, the Trustee, the Agents or any of their respective agents will have any responsibility or be liable for any aspect of the records relating to the book-entry interests. The Notes are not issuable in bearer form.

Payments on the Global Certificate

Payments of any amounts owing in respect of the Global Certificate (including principal, premium, interest and additional amounts) will be made to the Paying Agent. The Paying Agent will, in turn, make such payments to the common depositary for Euroclear and Clearstream, which will distribute such payments to participants in accordance with their procedures. The Company will make payments of all such amounts without deduction or withholding for, or on account of, any Taxes, except as may be required by law and as described under "*—Additional Amounts*."

Under the terms of the Indenture, the Company and the Trustee will treat the registered holder of the Global Certificate (i.e., the common depositary or its nominee) as the owner thereof for the purpose of receiving payments and for all other purposes. Consequently, none of the Company, the Trustee, the Agents or any of their respective agents has or will have any responsibility or liability for:

- any aspect of the records of Euroclear, Clearstream or any participant or indirect participant relating to or payments made on account of a book-entry interest, for any such payments made by Euroclear, Clearstream or any participant or indirect participants, or for maintaining, supervising or reviewing any of the records of

Euroclear, Clearstream or any participant or indirect participant relating to or payments made on account of a book-entry interest; or

- Euroclear, Clearstream or any participant or indirect participant.

Payments by participants to owners of book-entry interests held through participants are the responsibility of such participants.

Redemption of the Global Certificate

In the event that the Global Certificate, or any portion thereof, is redeemed, the common depositary will distribute the amount received by it in respect of the Global Certificate so redeemed to Euroclear and/or Clearstream, as applicable, who will distribute such amount to the holders of the book-entry interests in such Global Certificate. The redemption price payable in connection with the redemption of such book-entry interests will be equal to the amount received by the common depositary, Euroclear or Clearstream, as applicable, in connection with the redemption of such Global Certificate (or any portion thereof).

If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected as follows:

(1) if the Notes are listed on any national securities exchange and/or are held through a clearing system, in compliance with the requirements of the principal national securities exchange on which the Notes are listed (if any) and/or the requirements of the clearing system; or

(2) if the Notes are not listed on any national securities exchange and/or are not held through the clearing systems, on a *pro rata* basis, by lot or by such other method as the Trustee in its sole and absolute discretion shall deem to be fair and appropriate, unless otherwise required by law.

Action by Owners of Book-Entry Interests

Euroclear and Clearstream have advised that they will take any action permitted to be taken by a Holder only at the direction of one or more participants to whose account the book-entry interests in the Global Certificate are credited and only in respect of such portion of the aggregate principal amount of Notes as to which such participant or participants has or have given such direction. Euroclear and Clearstream will not exercise any discretion in the granting of consents, waivers or the taking of any other action in respect of the Global Certificate. If there is an Event of Default under the Notes, however, each of Euroclear and Clearstream reserves the right to exchange the Global Certificate for individual definitive notes in certificated form, and to distribute such individual definitive notes to their participants.

Transfers

Transfers between participants in Euroclear and Clearstream will be effected in accordance with the rules of Euroclear and Clearstream and will be settled in immediately available funds. If a Holder requires physical delivery of individual definitive notes for any reason, including to sell the Notes to persons in jurisdictions which require physical delivery of such securities or to pledge such securities, such Holder must transfer its interest in the Global Certificate in accordance with the applicable procedures of Euroclear and Clearstream and in accordance with the provisions of the Indenture.

Global Clearance and Settlement Under the Book-Entry System

Book-entry interests owned through Euroclear or Clearstream accounts will follow the applicable settlement procedures. Book-entry interests will be credited to the securities custody accounts of Euroclear and Clearstream holders on the business day following the settlement date against payment for value on the settlement date.

The book-entry interests will trade through participants of Euroclear or Clearstream, and will settle in immediately available funds. Since the purchaser determines the place of delivery, it is important to establish at the time of trading of any book-entry interests where both the purchaser's and seller's accounts are located to ensure that settlement can be made on the desired value date.

Each Co-Issuer may create Liens on the applicable Collateral *pari passu* with the Lien for the benefit of the Holders to secure Existing Senior Indebtedness and future Senior Indebtedness of such Co-Issuer, *provided that* such Co-Issuer was permitted to Incur such Indebtedness, and such Indebtedness was incurred, under clause (1)(b), (1)(c), (1)(f) or (1)(k) under the covenant "– Indebtedness and Preferred Stock", the Original Issue Date Undrawn Indebtedness and any Permitted Refinancing Indebtedness of such Indebtedness (such existing and future Indebtedness, "Permitted Pari Passu Secured Indebtedness"). Security Sharing Agreements

Within five months of the Original Issue Date, in relation to each Co-Issuer, a Security Sharing Agreement will be entered into between the existing rupee term loan lender of that Co-Issuer (the "Existing Lender") (if any), the security trustee acting for benefit of the Existing Lender (the "Existing Security Trustee") (if any), the lender's agent for the Existing Lender (if any), the hedging counterparties (if any), Axis Trustee Services Limited as the security trustee acting for the benefit of the Trustee, the Holders and the hedging counterparties (if any) in relation to the Notes (the "Hedge Counterparties") and Yes Bank Limited as the account bank.

Where a Co-Issuer has availed separate rupee term loans from the Existing Lenders ("Rupee Loan(s)") for the projects developed or being developed by that Co-Issuer, there may be separate Security Sharing Agreements entered into in relation to that Co-Issuer between the parties described above for those projects.

Each Security Sharing Agreement will also allow any new lender providing Permitted Pari Passu Secured Indebtedness, and any security trustee and security agent appointed by such lender, to accede to the Security Sharing Agreement, and also permit transferees or novatees of any lender as well as new hedge counterparties and replacement account bank to accede to the Security Sharing Agreement. For the purposes of this section, the Existing Lender and any person providing Permitted Pari Passu Secured Indebtedness are together referred to as the "Rupee Lenders", and the Existing Security Trustee and any security trustee appointed by the lenders of Permitted Pari Passu Secured Indebtedness are referred to as "Rupee Security Trustees."

Each Security Sharing Agreement will provide for the following:

1. Undertaking from the Rupee Security Trustee and the Security Trustee: Each of the Rupee Security Trustee and the Security Trustee shall undertake that:

    i. It has no objection to the creation of a first ranking *pari passu* charge over such properties and assets which are proposed to be charged for the common benefit of the Rupee Lenders, the Holders and the Hedge Counterparties (the "Common Collateral"), such that security interest over the Common Collateral is created in favor of and held by the Rupee Security Trustees (acting on behalf of the Rupee Lenders and other secured parties under the Rupee Loans or Permitted Pari Passu Secured Indebtedness (as applicable)) and the Security Trustee (acting on behalf of the Trustee, Holders and the Hedge Counterparties (if any)) on a pari passu basis. The Rupee Security Trustee acting on behalf of the Existing Lenders shall agree to cede pari passu charge over the Common Collateral for the benefit of the Holders, the Hedge Counterparties and the other Rupee Lenders.

    ii. It will distribute and share any and all proceeds realized by it upon enforcement of the security over the Common Collateral and on the invocation of the Guarantees or guarantees provided for the benefit of the Rupee Lenders and Hedge Counterparties on a pro-rata and *pari passu* basis, and such proceeds of the enforcement shall be applied in the ranking and priority mentioned in the Security Sharing Agreement.

2. Priority of payments: Any proceeds received by a party on enforcement of the Common Collateral or invocation of the Guarantees or guarantees provided for the benefit of the Rupee Lenders and the Hedge Counterparties and all other recoveries made by the parties shall be distributed in the following order of priority and ranking:

    i. **first**, in or towards payment pro rata of any unpaid amount owing to the Rupee Security Trustees, the Security Trustee, the Trustee, any receiver or any delegate;

    ii. **second**, in or towards payment pro rata of the amount of all costs and expenses (including legal fees) incurred by any Rupee Lender(s) or any other secured party (under the Rupee Loan(s) or Permitted Pari Passu Secured Indebtedness (as applicable)) or any of the Trustee, the Holders or the Security Trustee (collectively, the "Notes Parties") or any of the Hedge Counterparties in connection with any realization and enforcement of the Common Collateral or the invocation of the Guarantees or the guarantees provided for the benefit of the Rupee Lenders and the Hedge Counterparties or preservation of its rights;

    iii. **third**, in or towards payment pro rata of any accrued interest, fee or commission due but unpaid to the Rupee Lenders, and the Holders, and any scheduled obligations (excluding any hedge termination value) due and payable to the Hedge Counterparties after giving effect to any legally enforceable netting agreement applicable thereto;

    iv. **fourth**, in or towards payment pro rata of any principal due but unpaid to the Rupee Lenders, the Holders, and any hedge termination value due and payable to the Hedge Counterparties;

v. **fifth**, in or towards payment pro rata of any other sum due but unpaid under the Rupee Loans, the Permitted Pari Passu Secured Indebtedness, the Notes and the hedging agreements; and

vi. **finally**, after all the outstanding amounts in relation to the Rupee Loans, the Permitted Pari Passu Secured Indebtedness and the Notes and amounts due to the Hedge Counterparties have been paid in full, in or towards payment of the surplus (if any) to the relevant Co-Issuer or other person entitled to it.

3. Material Events: Each Security Sharing Agreement shall designate the following events of default (and other events as may be agreed among the parties) under the Rupee Loans, the Permitted Pari Passu Secured Indebtedness, the Notes or the hedging arrangements as 'Material Events':

i. default in relation to payment of principal or interest amount or any other amount payable;

ii. any payment related default under any agreement or document in relation to any other indebtedness of the Co-Issuer;

iii. inability of the Co-Issuer to pay its debts, or suspension of payments under any debt or negotiations by the Co-Issuer for rescheduling or deferral of any parts of its debts, or a proposal to make general assignment or an arrangement or composition for the benefit of the creditors; or

iv. the Co-Issuer or the Parent Guarantor becoming subject matter of bankruptcy or insolvency proceedings whether voluntarily or otherwise, or a receiver, trustee, liquidator, insolvency resolution professional or other similar officer has been appointed in relation to the Co-Issuer or the Parent Guarantor.

4. Enforcement of security over Common Collateral:

i. The Rupee Lenders and other secured parties under the Rupee Loans and the Permitted Pari Passu Secured Indebtedness, the Notes Parties and the Hedge Counterparties shall have the right to enforce the security over the Collateral and invoke the respective guarantees in accordance with the rights available to them under the terms of the underlying agreements.

ii. Any Rupee Lenders and other secured parties under the Rupee Loans or the Permitted Pari Passu Secured Indebtedness (as applicable), and any Notes Party and any Hedge Counterparty, prior to taking any enforcement action in relation to the Common Collateral or the relevant guarantees, shall notify the relevant Rupee Security Trustee and the Security Trustee, respectively, of the action such secured party under the Rupee Loans or the Permitted Pari Passu Secured Indebtedness (as applicable) or the Notes Party or the Hedge Counterparty, as the case may be, proposes to take (the "Lender Notice"). Upon receipt of the Lender Notice, the relevant Rupee Security Trustee, or the Security Trustee, as the case may be, shall notify the Security Trustee or the Rupee Security Trustees, respectively, within two (2) business days from the receipt of the Lender Notice (the "Trustee Notice") (or such other time period as may be agreed among the parties), of the contents of the Lender Notice in reasonable detail, and:

(a) if the proposed enforcement action is on account of a Material Event, request a determination or decision by the relevant parties regarding the enforcement action within five (5) business days (or such other time period as may be agreed among the parties) from the date of the Trustee Notice (the "Notice Period"); and

(b) if the proposed enforcement action is proposed on account of any other event (not being a Material Event) request a determination or decision by the relevant parties regarding the enforcement action within thirty (30) business days (or such other time period as may be agreed among the parties) from the date of the Trustee Notice.

iii. Each Rupee Security Trustee and the Security Trustee shall promptly and within the time period specified under the Security Sharing Agreement forward the Trustee Notice to the secured parties under the Rupee Loans or the Permitted Pari Passu Secured Indebtedness (as applicable) or the Notes Parties and the Hedge Counterparties, as applicable, and request the relevant parties to arrive at a decision or determination within the stipulated time period.

iv. On receipt of the Trustee Notice, the secured parties under the Rupee Loans or the Permitted Pari Passu Secured Indebtedness (as applicable) and the Notes Parties and the Hedge Counterparties (as the case may be) shall notify the Rupee Security Trustee(s), and the Security Trustee, respectively, (a) of their determination or decision to either participate in the relevant enforcement action, or not; or (b) in consultation with the other parties, suggest an alternative course of action. Each of the Rupee Security Trustee(s), and the Security Trustee, as the case may be, shall then convey the final decision to the other (as applicable).

v. On receipt of the instructions from the relevant parties, or expiry of the period prescribed in paragraph (ii) above, whichever is earlier, the following actions shall occur:

- *Deposits:* Proceeds from enforcement of Collateral, the Parent Guarantee, the Guarantees and the Permitted Collateral Liens and/or guarantees issued in respect of the Rupee Loans or Permitted Pari Passu Secured Indebtedness.

- *Withdrawals:* For application in accordance with the Security Sharing Agreement.

The Trustee is not a party to the Trust and Retention Account Agreements. The Trust and Retention Account Agreements will not be designated as a "Collateral Document". As such, the Trust and Retention Account Agreement may be terminated and the terms of the Trust and Retention Account Agreements may be amended, modified or waived and the account bank may be replaced without the consent of the Trustee or any of the Holders, other than such changes that would adversely impact the priority of payments with respect to the Notes. The Trust and Retention Account Agreements may be amended in respect of any Permitted Pari Passu Secured Indebtedness which will have the same priority of payments as the Notes without the consent of the Trustee or any of the Holders.

The Co-Issuers shall, on a joint and several basis, create an interest service reserve in accordance with the terms of the Trust and Retention Account Agreements such that the balance in such accounts is collectively an amount no less than the interest payable on the Notes (calculated based on the Dollar Equivalent as of the Original Issue Date) and the Existing Senior Indebtedness during a given semi-annual period. If the amounts in such accounts are utilized in accordance with the terms of the Trust and Retention Account Agreements, the required balance shall be built up in such accounts in the manner set out in the Trust and Retention Account Agreements.

Further Issues

Subject to the covenants described below and in accordance with the terms of the Indenture, the Co-Issuers may, from time to time, without notice to or the consent of the Holders, create and issue Additional Notes having the same terms and conditions as the Notes (including the benefit of the Guarantees) in all respects (or in all respects except for the issue date, the issue price and the first payment of interest on them and, to the extent necessary, certain temporary securities law transfer restrictions) so

that such Additional Notes may be consolidated and form a single class with the previously outstanding Notes and vote together as one class on all matters with respect to the Notes; provided that the issuance of any such Additional Notes shall then be permitted under the covenant described under "*– Certain Covenants – Indebtedness and Preferred Stock*" and the other provisions of the Indenture.

In addition, the issuance of any Additional Notes by the Co-Issuers will be subject to the following conditions:

(1) all obligations with respect to the Additional Notes shall be guaranteed under the Indenture and the Guarantees to the same extent and on the same basis as the Notes outstanding on the date the Additional Notes are issued;

(2) the Parent Guarantor and the Co-Issuers shall have delivered to the Trustee an Officer's Certificate confirming that the issuance of the Additional Notes complies with the Indenture and is permitted by the Indenture; and

(3) the Parent Guarantor and the Co-Issuers shall have delivered to the Trustee one or more Opinions of Counsel confirming, among other things, that the issuance of the Additional Notes does not conflict with applicable law.

Trustee and Agents for the Notes

Citicorp International Limited is to be appointed as Trustee (the "Trustee"), and Citibank, N.A., London Branch is to be appointed as paying agent (the "Paying Agent"), transfer agent (the "Transfer Agent") and registrar (the "Registrar" and together with the Paying Agent and Transfer Agent, the "Agents") under the Indenture. The Co-Issuers may change the Paying Agent, Transfer Agent or Registrar without prior notice to the Holders, and the Parent Guarantor or any of the Co-Issuers, may act as paying agent, transfer agent and/or registrar.

Transfer and Exchange

A Holder may transfer or exchange Notes in accordance with the provisions of the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of Notes. Holders will be required to pay all taxes due on transfer. The Co-Issuers will not be required to transfer or exchange any Note selected for redemption. Also, no Co-Issuer will be required to transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

Optional Redemptions

At any time prior to March 12, 2021, the Co-Issuers may redeem the Notes, in whole or in part, at a redemption price equal to 100% of the principal amount of the Notes plus the Applicable Premium as of, and accrued and unpaid interest, if any, to (but not including) the applicable redemption date. Neither the Trustee nor any of the Agents shall be responsible for verifying or calculating the Applicable Premium.

At any time prior to March 12, 2021, the Co-Issuers may redeem up to 40.0% of the aggregate principal amount of the Notes with the net cash proceeds of one or more sales of Equity Interests of the Parent Guarantor in an Equity Offering at a redemption price of 106.67% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to (but not including) the applicable redemption date; provided that at least 60.0% of the aggregate principal amount of the Notes issued on the Original Issue Date (excluding Notes held by the Parent Guarantor and its Affiliates) remains outstanding after each such redemption and any such redemption takes place within 60 days after the closing of the related Equity Offering.

At any time prior to March 12, 2021, the Co-Issuers may redeem up to 40.0% of the aggregate principal amount of the Notes with the net cash proceeds from an INVIT Offering at a redemption price of 106.67% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to (but not including) the applicable redemption date; *provided that* at least 60.0% of the aggregate principal amount of the Notes issued on the Original Issue Date (excluding Notes held by the Parent Guarantor and its Affiliates) remains outstanding after each such redemption and any such redemption takes place within 60 days after the closing of the related INVIT Offering.

At any time on or after March 12, 2021 the Co-Issuers may redeem the Notes, in whole or in part, at a redemption price equal to the percentage of principal amount set forth below, plus accrued and unpaid interest, if any, to (but not including) the applicable redemption date, if redeemed during the periods set forth below:

Period	Redemption Price
March 12, 2021 to March 11, 2022	105.0025 %
March 12, 2022 to March 11, 2023	103.3350 %
March 12, 2023 to December 11, 2023	101.6675 %
December 12, 2023 and thereafter	100.0 %

The Co-Issuers will give not less than 30 days' nor more than 60 days' notice of any redemption. If less than all of the Notes are to be redeemed, the Notes for redemption will be selected as follows:

(1) if the Notes are listed on any securities exchange, in compliance with the requirements of the principal securities exchange on which the Notes are then traded or if the Notes are held through clearing systems, in compliance with the requirements of the clearing systems; or

(2) if the Notes are not listed on any securities exchange or held through any clearing system, on a pro rata basis, by lot or by such other method as the Trustee in its sole and absolute discretion deems fair and appropriate unless otherwise required by law.

However, no Note of US$200,000 in principal amount or less will be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on Notes or portions of them called for redemption.

In connection with any redemption of Notes, any such redemption or notice may, at the Co-Issuers' discretion, be subject to one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice may state that, in the Co-Issuers' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded if any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

Repurchase of Notes Upon a Change of Control Triggering Event

Not later than 30 days following a Change of Control Triggering Event, the Co-Issuers will make an Offer to Purchase all outstanding Notes (a "Change of Control Offer") at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the Offer to Purchase Payment Date (as defined in clause (2) of the definition of "Offer to Purchase").

The Co-Issuers will agree in the Indenture that, following a Change of Control, they will timely repay all Indebtedness or obtain consents as necessary under or terminate, agreements or instruments that would otherwise prohibit a Change of Control Offer required to be made pursuant to the Indenture. Notwithstanding this agreement of the Co-Issuers, it is important to note that if the Co-Issuers are unable to repay (or cause to be repaid) all of the Indebtedness, if any, that would prohibit the repurchase of the

Notes or are unable to obtain the requisite consents of the holders of such Indebtedness, or terminate any agreements or instruments that would otherwise prohibit a Change of Control Offer, they would continue to be prohibited from purchasing the Notes. In that case, the Co-Issuers' failure to purchase tendered Notes would constitute an Event of Default.

Future debt of the Co-Issuers may also (1) prohibit the Co-Issuers from purchasing Notes in the event of a Change of Control Triggering Event; (2) provide that a Change of Control Triggering Event is a default; or (3) require repurchase of such debt upon a Change of Control Triggering Event. Moreover, the exercise by the Holders of their right to require the Co-Issuers to purchase the Notes could cause a default under other Indebtedness, even if the Change of Control Triggering Event itself does not, due to the financial effect of the purchase on the Co-Issuers. The Co-Issuers' ability to pay cash to the Holders following the occurrence of a Change of Control Triggering Event may be limited by the Co-Issuers' then existing financial resources. There can be no assurance that sufficient funds will be available when necessary to make the required purchase of the Notes. See "*Risk Factors – Risks Related to the Notes and the Collateral – The Co-Issuers may be unable to redeem the Notes as required upon a Change of Control Triggering Event.*"

To the extent that the provisions of any securities laws or regulations of any jurisdiction conflict with the Change of Control provisions of the Indenture, the Co-Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under the Change of Control provisions of the Indenture by virtue of such compliance.

The Co-Issuers will not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third-party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Co-Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control Triggering Event at the time of making of the Change of Control Offer.

The definition of Change of Control includes a phrase relating to the sale of "all or substantially all" the assets of the Co-Issuers. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a Holder to require the Co-Issuers to repurchase such Holder's Notes as a result of a sale of less than all the assets of the Co-Issuers to another person or group may be uncertain and will depend upon particular facts and circumstances. As a result, there may be uncertainty in ascertaining whether a sale or transfer of "all or substantially all" the assets of the Co-Issuers has occurred.

Except as described above with respect to a Change of Control Triggering Event, the Indenture does not contain provisions that permit the Holders to require that the Co-Issuers purchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

Any redemption of the Notes prior to their stated maturity may require the prior approval of the RBI or an Authorized Dealer Bank, as the case may be, under applicable RBI guidelines, and such approval may not be forthcoming.

No Mandatory Redemption of Sinking Fund; Open Market Purchases

There will be no mandatory redemption or sinking fund payments for the Notes. Each of the Co-Issuers and its Affiliates may, at their discretion, at any time from time to time purchase the Notes in the open market or otherwise.

Additional Amounts

All payments by or on behalf of the Co-Issuers, the Guarantors or the Parent Guarantor of principal of, and premium (if any), and interest on the Notes or under the Guarantees will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Co-Issuers, an applicable Guarantor, the Parent Guarantor or a Surviving Person is organized or resident for tax purposes or any political subdivision or taxing authority thereof or therein (each, as applicable, a "Relevant Taxing Jurisdiction") or any jurisdiction through which payment is made by or on behalf of the Co-Issuers, a Guarantor, the Parent Guarantor or any Surviving Person or any political subdivision or taxing authority thereof or therein (together with the Relevant Taxing Jurisdictions, the "Relevant Jurisdictions"), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. If any such withholding or deduction is so required, the Co-Issuers, the applicable Guarantor or the Parent Guarantor, as the case may be, will pay such additional amounts ("Additional Amounts") as will result in receipt by each Holder of such amounts as would have been received by such Holder had no such withholding or deduction been required, except that no Additional Amounts shall be payable:

(1) for or on account of:

(a) any tax, duty, assessment or other governmental charge that would not have been imposed but for:

(i) the existence of any present or former connection between the Holder or beneficial owner of such Note or Guarantee, as the case may be, and the Relevant Jurisdiction other than merely holding such Note or the receipt of payments thereunder or under a Guarantee, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

(ii) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period; or

(iii) the failure of the Holder or beneficial owner to comply with a timely request of the Co-Issuers or any Guarantor addressed to the Holder to provide certification or information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction or satisfy other reporting requirements, if and to the extent that due and timely compliance with such request would have reduced or eliminated any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder;

(b) any taxes, duties, assessments or governmental charges that are imposed otherwise than by deduction or withholding from payments made under or with respect to the Notes or any Guarantee;

(c) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(d) any withholding or deduction pursuant to Section 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended (or any amended or successor versions of such Sections) ("FATCA"), any regulations or other official guidance thereunder, any

agreement entered into in connection with FATCA, or any law, regulations or other official guidance enacted in any jurisdiction implementing FATCA or an intergovernmental agreement;

(e) any tax, duty, assessment or other governmental charge to the extent such tax, duty, assessment or other governmental charge results from the presentation of the Note (where presentation is required) for payment and the payment can be made without such withholding or deduction by the presentation of the Note for payment elsewhere; or

(f) any combination of taxes, duties, assessments or other governmental charges referred to in the preceding clauses (a), (b), (c), (d) and (e); or

(2) to a Holder that is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, or a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

The Co-Issuers will (i) make such withholding or deduction and (ii) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law. The Co-Issuers will upon request, make reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any taxes so deducted or withheld from the Relevant Jurisdiction imposing such taxes. Upon request, the Co-Issuers will furnish to Holders, within 60 days after the date the payment of any taxes so deducted or withheld is due pursuant to applicable law, either certified copies of tax receipts evidencing such payment or, if such receipts are not obtainable, other evidence of such payments.

At least 30 days prior to each date on which any payment under or with respect to the Notes is due and payable, if the Co-Issuers will be obligated to pay Additional Amounts with respect to such payment, the Co-Issuers will deliver to the Trustee an Officer's Certificate stating the fact that such Additional Amounts will be payable and the amounts so payable and will set forth such other information necessary to enable the Paying Agent to pay such Additional Amounts to the Holders on such payment date.

In addition, the Co-Issuers will pay any stamp, issue, registration, documentary or other similar taxes and duties (including interest and penalties) payable in any Relevant Jurisdiction in respect of the creation, issue, offering, execution or enforcement of the Notes, or any documentation with respect thereto.

Whenever there is mentioned in any context in this "Description of the Notes" the payment of principal of, and any premium or interest on, any Note or under any Guarantee, such mention shall be deemed to include payment of Additional Amounts provided for in the Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

Redemption for Taxation Reasons

The Notes may be redeemed, at the option of the Co-Issuers or the Parent Guarantor, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to the Holders (which notice will be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Co-Issuers or the Parent Guarantor, as the case may be, for redemption (the "Tax Redemption Date") if, as a result of:

(1) any change in, or amendment to, the laws or treaties (or any regulations, protocols or rulings promulgated thereunder) of a Relevant Jurisdiction affecting taxation; or

(2) any change in, or amendment to, an official position regarding the application, administration or interpretation of such laws, treaties, regulations, protocols or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment is formally announced and becomes effective on or after the Original Issue Date with respect to any payment due or to become due under the Notes, the Indenture or a Guarantee, the Co-Issuers, a Guarantor or the Parent Guarantor, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, and such requirement cannot be avoided by the taking of reasonable measures by the Co-Issuers, such Guarantor or the Parent Guarantor, as the case may be; *provided that* changing the jurisdiction of a Co-Issuer, a Guarantor or the Parent Guarantor is not a reasonable measure for the purposes of this section; *provided further that* no such notice of redemption will be given earlier than 90 days prior to the earliest date on which a Co-Issuer, a Guarantor or the Parent Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due.

Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Co-Issuers, a Guarantor or the Parent Guarantor, as the case may be, will deliver to the Trustee at least 30 days but not more than 60 days before the Tax Redemption Date:

(1) an Officer's Certificate stating that such change or amendment referred to in the prior paragraph has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Co-Issuers, such Guarantor or the Parent Guarantor, as the case may be, by taking reasonable measures available to it; and

(2) an Opinion of Counsel, or an opinion of a tax consultant of nationally recognized standing, with respect to tax matters of the Relevant Jurisdiction, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in the prior paragraph.

The Trustee shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above (and will not be responsible for any loss occasioned by acting in reliance on such certificate or opinion) in which event it will be conclusive and binding on the Holders. The Trustee has no duty to investigate or verify such certificate or opinion.

Any Notes that are redeemed under this "Redemption for Taxation Reasons" section will be cancelled.

Certain Covenants

Restricted Payments

Each of the Co-Issuers will not, directly or indirectly:

(1) declare or pay any dividend or make any distribution on or with respect to any of its Capital Stock (other than dividends or distributions payable solely in shares of its Capital Stock (other than Disqualified Stock or Preferred Stock) or in options, warrants or other rights to acquire shares of such Capital Stock) held by Persons other than any of the other Co-Issuers;

(2) purchase, call for redemption or redeem, retire or otherwise acquire for value any shares of Capital Stock (including options, warrants or other rights to acquire such shares of Capital Stock) of any of the Co-Issuers, or any direct or indirect parent of any of the Co-Issuers, held by Persons other than any of the Co-Issuers;

(3) make any voluntary or optional principal payment (prior to the Stated Maturity thereof) or any voluntary or optional redemption, repurchase, defeasance, or other acquisition or retirement for value, of Indebtedness that is subordinated in right of payment to the Notes or the Guarantees ("Subordinated Indebtedness") or of Subordinated Shareholder Debt, including any accrued interest thereon, excluding any intercompany Indebtedness between or among the Co-Issuers; or

(4) make any Investment, other than a Permitted Investment;

(vii) in relation to any Restricted Payment made after the audited combined financial statements of the Restricted Group for the year ending March 31, 2020 are available, for the most recent two consecutive semi-annual periods (for which combined financial statements of the Restricted Group are available which, in the case of (i) any semi-annual period ending on September 30 in any year, shall be reviewed or audited, and (ii) any annual period ending on March 31 in any year, shall be audited), taken as one annual period, the Debt Service Coverage Ratio is at least 1.3 to 1.0.

The foregoing provision will not be violated by reason of:

(1) the payment of any dividend or the redemption of any Capital Stock within 90 days after the related date of declaration or call for redemption if, at said date of declaration or call for redemption, such payment or redemption would comply with the preceding paragraph;

(2) the redemption, repurchase, defeasance or other acquisition or retirement for value of Subordinated Indebtedness of any of the Co-Issuers with the net cash proceeds of, or in exchange for, a substantially concurrent Incurrence of Indebtedness issued in exchange for, or

(3) the redemption, repurchase or other acquisition of Capital Stock of any of the Co-Issuers (or options, warrants or other rights to acquire such Capital Stock) in exchange for, or out of the net cash proceeds of a substantially concurrent capital contribution or sale of, shares of Capital Stock (other than Disqualified Stock) of such Co-Issuer (or options, warrants or other rights to acquire such Capital Stock);

(4) the making of Restricted Payments in an aggregate amount not to exceed the net cash proceeds of a substantially concurrent capital contribution or sale of shares of Capital Stock (other than Disqualified Stock) or Redeemable Preference Shares (other than Disqualified Stock) of a Co-Issuer (or options, warrants or other rights to acquire such Capital Stock) *provided that* such Restricted Payment is undertaken by such Co-Issuer no later than 30 days from the date of such capital contribution or sale of Capital Stock or Redeemable Preference Shares;

(5) the redemption, repurchase, defeasance or other acquisition or retirement for value of Subordinated Indebtedness of any of the Co-Issuers in exchange for, or out of the net cash proceeds of, a substantially concurrent capital contribution or sale of, shares of Capital Stock (other than Disqualified Stock) of any of the Co-Issuers (or options, warrants or other rights to acquire such Capital Stock);

(11) the making of any other Restricted Payment in an aggregate amount, together with all other Restricted Payments made under this clause (11), not to exceed US$30.0 million (or the Dollar Equivalent thereof); *provided that*, in the case of this clause (11), no Default shall have occurred and be continuing or would occur as a consequence of the actions or payments set forth therein.

The amount of any Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the applicable Co-Issuer pursuant to the Restricted Payment. The value of any assets or securities that are required to be valued by this covenant will be the Fair Market Value. The Board of Directors' determination of the Fair Market Value of a Restricted Payment or any such assets or securities must be based upon an opinion or appraisal issued by an accounting, appraisal or investment banking firm of recognized international standing (or a local affiliate thereof) if the Fair Market Value exceeds US$15.0 million (or the Dollar Equivalent thereof).

Indebtedness and Preferred Stock

(1) Each of the Co-Issuers will not Incur any Indebtedness and each of the Co-Issuers will not issue any Preferred Stock; *provided, however, that* the Co-Issuers may Incur (and, in the case of clause (1)(l) below, issue) each and all of the following ("Permitted Indebtedness"):

(a) Indebtedness of the Co-Issuers under the Notes (excluding Additional Notes, if any) and under the Guarantees;

(b) Indebtedness and Preferred Stock of any of the Co-Issuers outstanding on the Original Issue Date (excluding Indebtedness permitted under clause (d) below);

(c) Indebtedness Incurred by any of the Co-Issuers no later than the first anniversary of the Original Issue Date in an amount not exceeding Rs.37.8 billion (or the foreign currency equivalent thereof) *less* the principal amount of (x) the Notes issued on the Original Issue Date and (y) the Existing Senior Indebtedness; *provided, that*, (i) such Indebtedness (other than Additional Notes and Original Issue Date Undrawn Indebtedness) does not mature or require any amortization and is not required to be repaid, redeemed, repurchased or otherwise retired, pursuant to a sinking fund obligation, event of default or otherwise (including any redemption, retirement or repurchase which is contingent upon events or circumstance), and in whole or in part, prior to the earlier of (I) the final Stated Maturity of the Notes and (II) the first date on which there are no Notes outstanding; and (ii) if the obligee of any such Indebtedness is the Parent Guarantor, such Indebtedness must be Subordinated Indebtedness;

(d) Indebtedness of any of the Co-Issuers owed to any of the other Co-Issuers; *provided, however, that* any subsequent transfer of such Indebtedness to a Person other than another Co-Issuers shall be deemed to constitute an Incurrence of such Indebtedness not permitted by this clause (d), and such Indebtedness must be unsecured and expressly subordinated in right of payment to the Notes;

(e) Indebtedness of any of the Co-Issuers ("Permitted Refinancing Indebtedness") issued in exchange for, or the net proceeds of which are used to refinance or refund, replace, exchange, renew, repay, redeem, defease, discharge or extend (collectively, "refinance" and "refinances" and "refinanced" shall have a correlative meaning), then outstanding Indebtedness (or Indebtedness that is no longer outstanding (such Indebtedness which is no longer outstanding, the "Previously Refinanced Indebtedness") but that is refinanced substantially concurrently with but in any case before the incurrence of such Permitted Refinancing Indebtedness) Incurred under any of clauses (1)(a), (b), (c), (e) or (k) and any refinancings thereof in an amount not to exceed the amount so refinanced (plus premiums, accrued interest, fees and expenses); *provided that,*

(i) the Indebtedness to be refinanced is fully and irrevocably repaid no later than 30 days after the Incurrence of the Permitted Refinancing Indebtedness;

(ii) Indebtedness the proceeds of which are used to refinance the Notes, or to refinance Indebtedness that is *pari passu* with, or subordinated in right of payment to, the Notes (other than Indebtedness Incurred under Third Party Credit Facilities the proceeds of which are used to refinance Indebtedness Incurred under Designated

Subordinated Working Capital Parent Loans), will only be permitted under this clause (1)(e) if (x) in case the Notes are refinanced in part, or the Indebtedness to be refinanced is *pari passu* with the Notes, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is issued or remains outstanding, ranks *pari passu* with, or subordinate in right of payment to, the remaining Notes, or (y) in case the Indebtedness to be refinanced is subordinated in right of payment to the Notes, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is issued or remains outstanding, is expressly made subordinate in right of payment to the Notes, at least to the extent that the Indebtedness to be refinanced is subordinated to the Notes; and

(iii) such new Indebtedness (other than Indebtedness Incurred under Third Party Credit Facilities the proceeds of which are used to refinance Indebtedness Incurred under Designated Subordinated Working Capital Parent Loans), determined as of the date of Incurrence of such new Indebtedness, does not mature prior to the earlier of the Stated Maturity of the Indebtedness to be refinanced and the Stated Maturity of the Notes, and the Average Life of such new Indebtedness is at least equal to the remaining Average Life of the Indebtedness to be refinanced or the remaining Average Life of the Notes;

(f) Indebtedness Incurred by any of the Co-Issuers pursuant to Hedging Obligations entered into for the purpose of protecting any of the Co-Issuers from fluctuations in interest rates, currencies or commodity prices and not for speculation;

(g) Indebtedness Incurred by any of the Co-Issuers constituting reimbursement obligations with respect to workers' compensation claims or self-insurance obligations or bid, performance, surety or appeal bonds or payment obligations in connection with insurance premiums or similar obligations, security deposits and bank overdrafts (and letters of credit in connection with or in lieu of each of the foregoing) in the ordinary course of business (in each case other than for an obligation for borrowed money);

(h) Indebtedness Incurred by any of the Co-Issuers constituting reimbursement obligations with respect to letters of credit or trade guarantees issued in the ordinary course of business to the extent that such letters of credit or trade guarantees are not drawn upon or, if drawn upon, to the extent such drawing is reimbursed no later than the 60 days following receipt by such Co-Issuer of a demand for reimbursement;

(i) Indebtedness arising from agreements providing for indemnification, adjustment of purchase price, earn-outs or similar obligations, or from guarantees or letters of credit, surety bonds or performance bonds securing any obligation of any of the Co-Issuers Incurred in connection with the acquisition or disposition of any business or assets (other than guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business or assets for the purpose of financing such acquisition); *provided that* the maximum aggregate liability of a Co-Issuer in respect of all such Indebtedness Incurred in connection with a disposition shall at no time exceed the gross proceeds actually received by such Co-Issuer from the disposition of such business or assets;

(j) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds; *provided, however, that* such Indebtedness is extinguished within five (5) Business Days of Incurrence;

(k) Indebtedness Incurred by any of the Co-Issuers under (x) Third Party Credit Facilities and/or (y) Designated Subordinated Working Capital Parent Loans, in either case for working capital purposes of any of the Co-Issuers; *provided that* the aggregate principal amount outstanding at any time under Third Party Credit Facilities and Designated Subordinated Working Capital Parent Loans does not exceed US$30.0 million (or the Dollar Equivalent thereof);

(l) Preferred Stock (other than Disqualified Stock) which is issued to the Parent Guarantor or any other Affiliate of any Co-Issuer;

(m) guarantees by any of the Co-Issuers of Indebtedness of any other Co-Issuer that was permitted to be Incurred by another provision of this covenant; *provided that* if the Indebtedness being guaranteed is subordinated to or pari passu with the Notes or a Guarantee, then the guarantee shall be subordinated or pari passu, as applicable, to the same extent as the Indebtedness guaranteed; and

(n) Indebtedness Incurred by any of the Co-Issuers to the extent the net cash proceeds thereof are promptly and irrevocably deposited with the Trustee to defease or to satisfy and discharge the Notes as described under *"– Legal Defeasance and Covenant Defeasance" or "– Satisfaction and Discharge*."

For purposes of determining compliance with this covenant, if an item of Indebtedness meets the criteria of more than one type of Permitted Indebtedness, the Co-Issuers, in their sole discretion, shall classify, and from time to time may reclassify, such item of Indebtedness or any portion thereof.

The accrual of interest, the accretion or amortization of original issue discount and the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, will not be deemed to be an Incurrence of Indebtedness for purposes of this covenant*; provided that,* in each such case, the amount of any such accrual, accretion, amortization or payment is included in the Combined Interest Expense of the Restricted Group as accrued.

Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that may be Incurred pursuant to this covenant will not be deemed to be exceeded solely as a result of fluctuations in the exchange rates of currencies. For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred (or first committed, in the case of revolving credit debt); provided that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency than the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Transactions with Shareholders and Affiliates

Each of the Co-Issuers will not enter into any transaction or series of related transactions involving aggregate consideration in excess of US$2.0 million (or the Dollar Equivalent thereof) with (a) any holder of 10.0% or more of any class of Capital Stock of any of the Co-Issuers or (b) any Affiliate of any of the Co-Issuers (each, an "Affiliate Transaction"), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to such Co-Issuer than those that would have been obtained in a comparable arm's-length transaction by such Co-Issuer with a Person that is not such a holder or Affiliate of such Co-Issuer; and

(2) the Parent Guarantor delivers to the Trustee:

(a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$5.0 million (or the Dollar Equivalent thereof), a Board Resolution set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with this covenant and such Affiliate Transactions has been approved by a majority of the disinterested members of the Board of Directors of the Parent Guarantor; and

(b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$15.0 million (or the Dollar Equivalent thereof), an opinion issued by an accounting, appraisal or investment banking firm of internationally recognized standing (or a local affiliate thereof) stating that either (i) such Affiliate Transaction is, or series of related Affiliate Transactions are, fair to the applicable Co-Issuer from a financial point of view or (ii) the terms of such Affiliate Transaction is, or series of related Affiliate Transactions are, not materially less favorable to such Co-Issuer than those that would have been obtained in a comparable arm's length transaction by such Co-Issuer with a Person that is not such a holder or Affiliate of such Co-Issuer.

The foregoing limitation does not limit, and will not apply to:

(1) directors' fees, indemnification, expense reimbursement and similar arrangements (including the payment of directors and officers insurance premiums), employee salaries, bonuses, employment agreements and arrangements, compensation or employee benefit arrangements, including stock options or legal fees and fees and compensation paid to consultants and agents;

(2) transactions between or among any member of the Restricted Group;

(3) any Restricted Payments permitted or not prohibited by the "– *Restricted Payments*" covenant and any Permitted Investments;

(4) any transaction undertaken by any of the Co-Issuers whereby pro forma for such transaction, there is at least US$1.00 (or the Dollar Equivalent thereof) in each of the Surplus Accounts and is otherwise permitted under the Indenture and the Trust and Retention Account Agreements;

(5) transactions pursuant to agreements in effect on the Original Issue Date, or any amendment, modification, extension, renewal or replacement thereof, so long as such amendment, modification, extension, renewal or replacement is on terms that are substantially similar to or not more disadvantageous to the applicable Co-Issuer than the original agreement in effect on the Original Issue Date;

(6) transactions with a Person that is an Affiliate solely because the Parent Guarantor, directly or indirectly, owns Capital Stock in, or controls, such Person; provided that no Affiliate of the Parent Guarantor (other than any of the Co-Issuers) owns Capital Stock in such Person;

(7) any payments or other transactions pursuant to tax sharing arrangements between any of the Co-Issuers and any other Person with which such Co-Issuer files a consolidated tax return or with which such Co-Issuer is part of a consolidated group for tax purposes or any tax advantageous group contribution made pursuant to applicable legislation;

(8) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged into any Co-Issuer; *provided that* such agreement was not entered into in contemplation of such acquisition or merger;

(9) any incurrence of, or amendment to, any Subordinated Shareholder Debt (so long as in the case of any amendment, such Subordinated Shareholder Debt continues to satisfy the requirements set forth under the definition "Subordinated Shareholder D*ebt*" after giving effect thereto);

(10) transactions with customers, clients, contractors, purchasers or suppliers of goods (including turbines and other equipment or property) or services (including administrative, cash management, legal and regulatory, engineering, technical, financial, accounting, procurement, marketing, insurance, labor, management, operation and maintenance, power supply and other services) or insurance or lessors or lessees or providers of employees or other labor or property, in each case in the ordinary course of business and that are fair or on terms at least as favorable as arm's length as determined in good faith by the Board of Directors of the relevant Co-Issuer or the Parent Guarantor;

(11) any issuance of Equity Interests (other than Disqualified Stock) of any Co-Issuer; and

(12) loans or advances to, or guarantees of obligations of, directors, promoters, officers or employees of any of the Co-Issuers not to exceed US$1.0 million (or the Dollar Equivalent thereof) in the aggregate at any one time outstanding.

Liens

(1) The Parent Guarantor and each of the Co-Issuers will not, directly or indirectly, incur, assume or permit to exist any Liens on the Collateral, other than Permitted Collateral Liens.

(2) Each of the Co-Issuers will not incur, assume or permit to exist any Liens (other than Permitted Liens) on existing or future assets of the Co-Issuers other than Collateral, unless the Notes are equally and ratably secured.

Sale and Leaseback Transactions

The Co-Issuers will not enter into any Sale and Leaseback Transaction; *provided that* the Co-Issuers may enter into a Sale and Leaseback Transaction if:

(1) the Restricted Group could have (1) incurred Indebtedness in an amount equal to the Attributable Indebtedness relating to such Sale and Leaseback Transaction under the covenant described under the caption "– Indebtedness and Preferred Stock" and (2) incurred a Lien to secure such Indebtedness pursuant to the covenant described under the caption "– Liens," in which case, the corresponding Indebtedness and Lien will be deemed incurred pursuant to those provisions;

(2) the gross cash proceeds of such Sale and Leaseback Transaction are at least equal to the Fair Market Value of the property that is the subject of such Sale and Leaseback Transaction; and

(3) the transfer of assets in such Sale and Leaseback Transaction is permitted by, and the Co-Issuers apply the proceeds of such Sale and Leaseback Transaction in compliance with, the covenant described under the caption "– Asset Sales."

Asset Sales

Each of the Co-Issuers will not consummate any Asset Sale unless:

(a) no Default will have occurred and be continuing or would occur as a result of such Asset Sale;

(b) the consideration received is at least equal to the Fair Market Value of the assets sold or disposed of;

(c) in the case of an Asset Sale that constitutes an Asset Disposition, the Combined Leverage Ratio does not exceed 5.5 to 1.0; and

(d) at least 75% of the consideration received consists of cash, Temporary Cash Equivalents or Replacement Assets, or any combination thereof.

For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities as shown on any of the Co-Issuers' most recent balance sheet (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Guarantee) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that irrevocably and unconditionally releases the Co-Issuer from further liability; and

(B) any securities, notes or other obligations received by the Co-Issuer from such transferee that are promptly, but in any event within 30 days of closing, converted by the Co-Issuer into cash, to the extent of the cash received in that conversion.

Within 360 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Co-Issuer may apply such Net Cash Proceeds to:

(1) permanently repay any Senior Indebtedness of any of the Co-Issuers (and, if such Senior Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) in each case owing to a Person other than any of the Co-Issuers;

(2) acquire properties and assets that replace the properties and assets that were the subject of such Asset Sale or properties or assets (other than current assets) that will be used in the Permitted Business ("Replacement Assets"); or

(3) make an Investment in cash or Temporary Cash Equivalents pending application of such Net Cash Proceeds as set forth in clause (1) or (2) above.

Any Net Cash Proceeds from Asset Sales that are not applied or invested as provided in the immediately preceding paragraph will constitute "Excess Proceeds." Excess Proceeds of less than US$5.0 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. Within 10 days after accumulated Excess Proceeds equal or exceed US$5.0 million (or the Dollar Equivalent thereof), the Co-Issuers must make an Offer to Purchase Notes having a principal amount equal to:

(i) accumulated Excess Proceeds, multiplied by

(ii) a fraction (x) the numerator of which is equal to the outstanding principal amount of the Notes and (y) the denominator of which is equal to the outstanding principal amount of the Notes and all *pari passu* Indebtedness similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale, rounded down to the nearest US$1,000.

The offer price in any such Offer to Purchase will be equal to 100% of the principal amount plus accrued and unpaid interest to (but not including) the date of purchase, and will be payable in cash.

To the extent that the provisions of any securities laws or regulations of any jurisdiction conflict with the Offer to Purchase provisions of the Indenture, the Co-Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under the Asset Sales provisions of the Indenture by virtue of such compliance.

If any Excess Proceeds remain after consummation of an Offer to Purchase, the Co-Issuers may use such Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and any other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Offer to Purchase exceeds the amount of Excess Proceeds, the Notes and such other *pari passu* Indebtedness will be purchased on a pro rata basis based on the principal amount of Notes and such other *pari passu* Indebtedness tendered (or required to be prepaid or redeemed). Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

Merger, Consolidation and Sale of Assets

None of the Co-Issuers will merge or consolidate with or into another Person, or sell all or substantially all of its assets taken as a whole, in one or more related transactions.

Business Activities

Each of the Co-Issuers will not engage in any business other than a Permitted Business.

Limitation on Subsidiaries

None of the Co-Issuers shall have any Subsidiaries.

Amendments to Parent Guarantor Loans

The Parent Guarantor and the Co-Issuers agree that no amendments that are adverse to any Co-Issuer and/or to any Noteholder shall be made to the terms of the Parent Guarantor Loans.

Parent Guarantor Undertaking for Residual Payment Obligations

The Parent Guarantor undertakes to provide such financial support to the Co-Issuers as may be required to enable the Co-Issuers to pay the Residual Payment Obligations in full and on time.

Parent Guarantor Undertaking for Residual Affiliate Payment Obligations

The Parent Guarantor undertakes to ensure that Affiliates which are obligees in relation to Residual Affiliate Payment Obligations will not call a default under the agreement or instrument pursuant to which the obligations of the Co-Issuers are evidenced, issued or remain outstanding.

Use of Proceeds

The Co-Issuers will not use the net proceeds from the sale of the Notes for any purpose other than (1) in the approximate amounts and for the purposes specified under the caption "*– Use of Proceeds*" in the Offering Memorandum, and (2) pending the application of all of such net proceeds in such manner, to invest the portion of such net proceeds not yet so applied in Temporary Cash Equivalents.

No Payments for Consent

None of the Co-Issuers will directly or indirectly pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of the Indenture or Notes in connection with an exchange offer, the Co-Issuers may exclude (a) in connection with an exchange offer, Holders or beneficial owners of the Notes that are not "qualified institutional buyers" as defined in Rule 144A under the Securities Act, and (b) in connection with any consent, waiver or amendment, Holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such Holders or beneficial owners would require any Co-Issuer to (i) file a registration statement, prospectus or similar document or subject any Co-Issuer to ongoing periodic reporting or similar requirements under any securities laws (including but not limited to, the United States federal securities laws and the laws of the European Union or its member states), (ii) qualify as a foreign corporation or other entity as a dealer in securities in such jurisdiction if it is not otherwise required to so qualify, (iii) generally consent to service of process in any such jurisdiction, or (iv) subject any Co-Issuer to taxation in any such jurisdiction if it is not otherwise so subject, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Co-Issuers in their sole discretion.

Government Approvals and Licenses; Compliance with Law

Each of the Co-Issuers will (1) obtain and maintain in full force and effect all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the Permitted Businesses; (2) preserve and maintain good and valid title to its properties and assets (including land-use rights); and (3) comply with all laws, regulations, orders, judgments and decrees of any governmental body, except to the extent that failure so to obtain, maintain, preserve and comply would not reasonably be expected to have a material adverse effect on (a) the business, results of operations or prospects of the Restricted Group, taken as a whole, or (b) the ability of the Co-Issuers to perform their obligations under the Notes, the Guarantees, the Indenture or the Collateral Documents.

Anti-Layering

Each of the Co-Issuers will not Incur any Indebtedness if such Indebtedness is contractually subordinated in right of payment to any other Indebtedness of such Co-Issuer unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the Guarantees, on substantially identical terms. This covenant does not apply to distinctions between categories of Indebtedness that exist by reason of any Liens or Guarantee securing or in favor of some but not all of such Indebtedness or by virtue of some Indebtedness being secured on a junior priority basis.

Suspension of Certain Covenants

If on any date following the date of the Indenture, the Notes have a rating of Investment Grade from at least one of the Rating Agencies and no Default or Event of Default has occurred and is continuing (a "Suspension Event"), then, beginning on that day and continuing until such time, if any, at which the Notes cease to have a rating of Investment Grade from at least one of the Rating Agencies, the provisions of the Indenture summarized under the following captions will be suspended:

(1) "– Certain Covenants – Restricted Payments";

(2) "– Certain Covenants – Indebtedness and Preferred Stock";

(3) "– Certain Covenants – Sale and Leaseback Transactions";

(4) "– Certain Covenants – Asset Sales";

(5) "– Certain Covenants – Business Activities"; and

(6) "– Certain Covenants – Anti-Layering."

Such covenants will be reinstated and apply according to their terms as of and from the first day on which a Suspension Event ceases to be in effect. Such covenants will not, however, be of any effect with regard to actions of any member of the Restricted Group properly taken in compliance with the provisions of the Indenture during the continuance of the Suspension Event. There can be no assurance that the Notes will ever achieve an Investment Grade Rating or that, if achieved, any such rating will be maintained.

Provision of Financial Statements and Reports

For so long as the Notes remain outstanding, the Parent Guarantor will provide to the Trustee and furnish to the Holders upon request, as soon as they are available but in any event not more than ten (10) calendar days after they are filed with the principal international recognized stock exchange on which the Parent Guarantor's Common Stock is at any time listed for trading, true and correct copies of any financial or other report in the English language (and a certified English translation of any financial or other report in any other language) filed with such exchange, *provided, however*, that if at any time the Common Stock of the Parent Guarantor is not listed for trading on an internationally recognized stock exchange and *provided, further*, that the Guarantee provided by the Parent Guarantor has not been released in accordance with the Indenture, the Parent Guarantor will file with the Trustee, in the English language (or accompanied by a certified English translation thereof),

(1) within 120 days after the end of the Parent Guarantor's fiscal year beginning with the first fiscal year ending after the Original Issue Date, an annual report containing the following information: (a) audited consolidated balance sheets of the Parent Guarantor as of the end of the two most recent fiscal years and audited consolidated statements of income and cash flow of the Parent Guarantor for the two most recent fiscal years, including footnotes to the financial statements and an audit report of a member firm of an internationally recognized accounting firm on the financial statements; and (b) an operating and financial review of the audited consolidated financial statements; and

(2) within 90 days after the end of the half-year period in each fiscal year of the Parent Guarantor beginning with the half-year period ending after the Original Issue Date, half-yearly reports containing (a) an unaudited consolidated balance sheet as of the end of such half-yearly period and unaudited condensed statements of income and cash flow for the most recent half-yearly period ending on the unaudited consolidated balance sheet date, and the comparable period in the prior year; and (b) an operating and financial review of the unaudited consolidated financial statements.

In addition, for so long as the Notes remain outstanding, any one of the Co-Issuers will provide to the Trustee the following reports, in the English language (or accompanied by a certified English translation):

(1) within 120 days after the end of the Restricted Group's fiscal year beginning with the first fiscal year ending after the Original Issue Date, an annual report containing the following information: (a) audited combined balance sheets of the Restricted Group as of the end of the two most recent fiscal years and audited combined statements of income and cash flow of the Restricted Group for the two most recent fiscal years, including footnotes to the financial statements and an audit report of a member firm of an internationally recognized accounting firm on the financial statements; and (b) an operating and financial review of the audited combined financial statements; and

(2) within 90 days after the end of the half-year period in each fiscal year of the Restricted Group beginning with the half-year period ending after the Original Issue Date, a half-year report containing (a) a reviewed combined balance sheet of the Restricted Group as of the end of such half-year period and reviewed combined statements of income and cash flow of the Restricted Group for the most recent half-year period ending on the unaudited combined balance sheet date, and the comparable period in the prior year; and (b) an operating and financial review of the reviewed combined financial statements.

In addition, for so long as any Note remains outstanding, any one of the Co-Issuers will provide to the Trustee (a) within 120 days after the close of each fiscal year, an Officer's Certificate stating the Combined Leverage Ratio and the Debt Service Coverage Ratio at the end of such fiscal year and showing in reasonable detail the calculation of such ratio with a certificate from the Restricted Group's external auditors verifying the accuracy and correctness of the calculation and arithmetic computation; *provided, however, that* such Co-Issuer shall not be required to provide such auditor certification if its external auditors refuse as a general policy to provide such certification; and (b) as soon as possible and in any event within 10 Business Days after the Parent Guarantor or any of the Co-Issuers becomes aware or should reasonably become aware of the occurrence of a Default or an Event of Default, an Officer's Certificate setting forth the details of the Default or Event of Default, and the action which the Co-Issuers propose to take with respect thereto.

All financial statements of (i) the Parent Guarantor will be prepared in accordance with Ind-AS as in effect on the date of such report or financial statement and on a consistent basis for the periods presented and (ii) the Restricted Group will be prepared in accordance with Ind-AS as modified by commonly used carve-out principles as in effect on the date of such report or financial statements and on a consistent basis for the periods presented; *provided, however, that* the financial statements and reports set forth in this covenant may, if applicable financial reporting standards change, present earlier periods on a basis that applied to such periods.

Events of Default and Remedies

Each of the following is an "**Event of Default**":

(1) default in the payment of principal on (or premium, if any, on), the Notes when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise and the continuance of any such failure for one (1) Business Day;

(5) with respect to any Indebtedness of the Co-Issuers having an outstanding principal amount of US$10.0 million (or the Dollar Equivalent thereof) or more, (a) an event of default causing the holder thereof to declare such Indebtedness to be due prior to its Stated Maturity and/or (b) the failure to make a principal payment when due (after giving effect to any grace period);

(6) the passage of 60 consecutive days following entry of a final judgment or order against any of the Co-Issuers that causes the aggregate amount for all such final judgments or orders outstanding and not paid, discharged or stayed to exceed US$10.0 million (or the Dollar Equivalent thereof) (exclusive of any amounts for which a solvent (to any of the Co-Issuers' best knowledge) insurance company has acknowledged liability for);

(7) an involuntary case or other proceeding commenced against any member of the Restricted Group seeking the appointment of a receiver or trustee and which remains undismissed and unstayed for 60 consecutive days; or an order for relief is entered under any bankruptcy or other similar law with respect to any such entity which remains undismissed and unstayed for 60 consecutive days;

(8) any member of the Restricted Group:

(11) the Parent Guarantor (to the extent that its Guarantee has not been released in accordance with the Indenture) or any of the Guarantors denies its obligations under any of their respective Guarantees or any such Guarantee (other than the Guarantee of the Parent Guarantor to the extent it has been released in accordance with the Indenture) is determined to be unenforceable or invalid or shall for any reason cease to be in full force and effect;

(12) any default by any of the Co-Issuers in the performance of any of its obligations under the Collateral Documents which adversely affects the enforceability, validity, perfection or priority of the applicable Lien on the Collateral or which adversely affects the condition or value of the Collateral, taken as a whole, in any material respect;

(13) the repudiation by any of the Co-Issuers of any of its obligations under the Collateral Documents or any of the Collateral Documents ceases to be or is not in full force or effect, or the Security Trustee ceases to have the prescribed priority of security interest in any of the Collateral; or

If an Event of Default (other than an Event of Default specified in clause (7) or (8) above) occurs and is continuing under the Indenture, the Trustee in its sole discretion or the Holders of at least 25.0% in aggregate principal amount of the Notes then outstanding, by written notice to the Co-Issuers (and to the Trustee if such notice is given by the Holders), may, and the Trustee at the written direction of such Holders (subject to it being indemnified and/or secured and/or pre-funded to its satisfaction) will, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest will be immediately due and payable. If an Event of Default specified in clause (7) or (8) above occurs with respect to the Parent Guarantor or any of the Co-Issuers, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding will automatically become and be immediately due and payable without any declaration or other act on the part any of the Trustee or any Holder.

The Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Co-Issuers and the Trustee, may on behalf of all the Holders, waive all past defaults and rescind and annul a declaration of acceleration and its consequences if:

(1) all existing Events of Default, other than the non-payment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived; and

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequence thereon.

If an Event of Default occurs and is continuing, the Trustee may pursue, in its own name or as trustee of an express trust (including by giving appropriate instructions to the Security Trustee), any available remedy by proceeding at law or in equity to collect any payment of principal of and interest on the Notes that is due or to enforce the performance of any provision of the Notes or the Indenture, including, but not limited to, directing the Security Trustee to initiate a foreclosure on the Collateral in accordance with the terms of the Collateral Documents, and take such further action on behalf of the Holders with respect to the Collateral in accordance with such Holders' instruction and the Collateral Documents. The Trustee and/or Security Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture, that may involve the Trustee in personal liability, or that the Trustee determines may be unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders. In addition, the Trustee will not be required to expend its own funds in following such direction if it does not believe that reimbursement or satisfactory indemnification and/or security and/or pre-funding is assured to it.

A Holder may not institute any proceeding, judicial or otherwise, with respect to the Indenture or Notes, or for the appointment of a receiver or Trustee, or for any other remedy under the Indenture or the Notes, or give any instruction to the Security Trustee for enforcement of Collateral, unless:

(1) the Holder has previously given the Trustee written notice of a continuing Event of Default;

(2) Holders of at least 25.0% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer the Trustee and the Security Trustee indemnity and/or security and/or pre-funding satisfactory to the Trustee and the Security Trustee against any fees, costs, liability or expenses to be incurred in compliance with such request;

(4) the Trustee does not comply with the request within (x) 60 days after receipt of the written request pursuant to clause (2) above, or (y) 60 days after the receipt of the offer of indemnity and/or security and/or pre-funding pursuant to clause (3) above, whichever occurs later; and

(5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a written direction that is inconsistent with the request.

Notwithstanding anything to the contrary in the Indenture or any other document relating to the Notes, in the event the Trustee shall receive instructions from two or more groups of Holders, each holding at least 25.0% in aggregate principal amount of the then outstanding Notes, and the Trustee believes (in its sole and absolute discretion and subject to such legal or other advice as it may deem appropriate) that such instructions are conflicting, the Trustee may, in its sole and absolute discretion, exercise any one or more of the following options:

1. refrain from acting on any such conflicting instructions;

2. take the action requested by the Holders of the highest percentage of the aggregate principal amount of the then outstanding Notes, notwithstanding any other provisions of this Indenture (and always subject to such indemnification and/or security and/or pre-funding as is satisfactory to the Trustee); and

3. petition a court of competent jurisdiction for further instructions.

In all such instances where the Trustee has acted or refrained from acting as outlined above, the Trustee shall not be responsible for any losses or liability of any nature whatsoever to any party.

However, such limitations do not apply to the contractual right of any Holder of a Note to receive payment of the principal of, premium, if any, or interest on, such Note or any payment under the Guarantees, or to bring suit for the enforcement of any such contractual right to payment, on or after the due date expressed in the Note, which right will not be impaired or affected without the consent of the Holder.

An officer of the Parent Guarantor must certify to the Trustee in writing, on or before a date not more than 120 days after the end of each fiscal year, that a review has been conducted of the activities of the Parent Guarantor, each of the Co-Issuers and of their respective performance under the Indenture, the Notes, the Guarantees and the Collateral Documents, and that the Parent Guarantor and each of the Co-Issuers have fulfilled all of their respective obligations thereunder, or, if there has been a default in the fulfilment of any such obligation, specifying each such default and the nature and status thereof. The Parent Guarantor will also be obligated to notify the Trustee in writing of any Event of Default, Default or defaults in the performance of any covenants or agreements under the Indenture.

None of the Trustee or any Agent is obligated to do anything to ascertain whether any Event of Default or Default has occurred or is continuing and will not be responsible to Holders or any other person for any loss arising from any failure by it to do so, and each of the Trustee and the Agents may assume that no such event has occurred and that the Co-Issuers and the Parent Guarantor are performing all of their obligations under the Indenture and the Notes unless the Trustee, or any Agent, as the case may be, has received written notice of the occurrence of such event or facts establishing that a Default or an Event of Default has occurred or that the Co-Issuers and the Parent Guarantor are not performing all of their obligations under the Indenture and/or the Notes. The Trustee is entitled to rely on any Opinion of Counsel or Officer's Certificate regarding whether an Event of Default has occurred.

No Personal Liability of Incorporators, Promoters, Directors, Officers, Employees and Stockholders

No incorporator, promoter, director, officer, employee or stockholder of any of the Co-Issuers or the Parent Guarantor, as such, will have any liability for any obligations of any of the Co-Issuers or the Parent Guarantor under the Notes, the Indenture, any Guarantee, the Collateral Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder, by accepting a Note, waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under United States federal securities laws.

Legal Defeasance and Covenant Defeasance

The Co-Issuers may at any time, elect to have all of their obligations discharged with respect to the outstanding Notes and all obligations of the Parent Guarantor and the Guarantors discharged with respect to the Guarantees in relation to the Notes ("Legal Defeasance"), except for:

(1) the rights of Holders to receive payments in respect of the principal of, or interest or premium, if any, on, Notes when such payments are due from the trust referred to below;

(2) the Co-Issuers' obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Co-Issuers', the Parent Guarantor's and the Guarantors' obligations in connection therewith; and

(4) the Legal Defeasance and Covenant Defeasance provisions of the Indenture.

In addition, the Co-Issuers may, at any time, elect to have their obligations and the obligations of the Parent Guarantor and the Guarantors, released with respect to substantially all of the covenants (including their obligation to make Change of Control Offers and Offers to Purchase with the Excess Proceeds from an Asset Sale) that are described in the Indenture ("Covenant Defeasance") and thereafter any omission to comply with those covenants will not constitute a Default or an Event of Default with respect to the Notes. If Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under "*Events of Default and Remedies*" will no longer constitute an Event of Default with respect to the Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

(1) the Co-Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Co-Issuers must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of Legal Defeasance, the Co-Issuers must deliver to the Trustee an Opinion of Counsel confirming that (a) the Co-Issuers have received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (b) since the date of the Indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Co-Issuers must deliver to the Trustee an Opinion of Counsel confirming that the Holders will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or an Event of Default resulting from the borrowing of funds to be applied to such deposit (or any other deposit relating to other Indebtedness being defeased, discharged or satisfied substantially concurrently with the Notes) and the granting of Liens securing such borrowing);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the Indenture or any other agreement or instrument governing or evidencing other Indebtedness being defeased, discharged or satisfied substantially concurrently with the Notes) to which any of the Co-Issuers is a party or by which any of the Co-Issuers is bound;

(6) the Parent Guarantor must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Co-Issuers with the intent of preferring the Holders over the other creditors of the Co-Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Co-Issuers or others; and

(7) the Co-Issuers must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Indenture, the Notes, any Guarantee and the Collateral Documents may be amended or supplemented with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes), and any existing Default or Event of Default or compliance with any provision of the Indenture, Notes, any Guarantee or the Collateral Documents may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes).

Without the consent of Holders holding at least 90.0% in principal amount of Notes, an amendment, supplement or waiver may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of Notes;

(3) change the redemption date or the redemption price of the Notes from that stated under "*– Optional Redemptions*" or "*– Redemption for Taxation Reasons*";

(4) reduce the rate of or change the currency or change the time for payment of interest, including default interest, on any Notes;

(5) waive a Default or an Event of Default in the payment of principal of, or interest or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(6) reduce the amount payable upon a Change of Control Offer or an Offer to Purchase with the Excess Proceeds from an Asset Sale or change the time or manner a Change of Control Offer or Offer to Purchase with the Excess Proceeds from an Asset Sale may be made or by which the Notes must be redeemed pursuant to a Change of Control Offer or Offer to Purchase with the Excess Proceeds from an Asset Sale, in each case after the obligation to make such Change of Control Offer or Offer to Purchase with the Excess Proceeds from an Asset Sale has arisen;

(7) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of, or interest or premium, if any, on, the Notes;

(8) waive a redemption payment with respect to any Note;

(9) release any Guarantor from any of its obligations under its Guarantee or the Indenture, except as set forth under the caption "*– Brief Description of the Notes and the Guarantees – The Guarantees*";

(10) release the Parent Guarantor from any of its obligations under its Guarantee or the Indenture, except as set forth under the caption "– Brief Description of the Notes and the Guarantees – The Guarantees";

(11) release any Collateral from the applicable Lien of the Indenture and the applicable Collateral Document, except (i) the release of any Collateral from the applicable Lien of the Indenture and the applicable Collateral Document to the extent that such release is limited to the release of Collateral of only one (1) of the Co-Issuers between the Original Issue Date and the Maturity Date of the Notes for which the consent of the Holders of a majority in aggregate principal amount of Notes would instead be required, (ii) the release of the Share Pledges solely in connection with an INVIT Offering (provided that such release takes place substantially concurrently with the release of the Share Pledges in favor of all holders of Permitted Pari Passu Secured Indebtedness) for which no consent of any Holder would be required; (iii) the release of the Share Pledges for the creation of any Permitted Collateral Lien over such Share Pledges for which no consent of any Holder would be required *provided that* such creation of Permitted Collateral Lien takes place substantially concurrently with the re-creation of a security interest over such Share Pledges in favor of the Security Trustee for the benefit of the Holders; and (iv) as set forth under the caption "*– Security*";

(12) amend, supplement or grant any waiver under any Trust and Retention Account Agreement or any Security Sharing Agreement (i) that would adversely impact the priority of payments with respect to the Notes and/or the right to receive payments with respect to the Notes; or (ii) relating to any action or change, not permitted as per the terms of this Indenture; or

(13) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any Holder, the Co-Issuers, the Parent Guarantor, the Guarantors and the Trustee may amend or supplement the Indenture, the Notes, any Guarantee or the Collateral Documents:

(1) to cure any ambiguity, defect, omission or inconsistency;

(2) to provide for certificated Notes in addition to or in place of uncertificated Notes (provided that the certificated Notes are in registered form for purposes of Section 163(f) of the U.S. Internal Revenue Code of 1986, as amended);

(3) to provide for the assumption of the any of the Co-Issuer's, the Parent Guarantor's or the Guarantors' obligations to Holders and Guarantees in the case of a merger or consolidation or sale of all or substantially all of the applicable Co-Issuer's, the Parents Guarantor's or such Guarantor's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder;

(5) to conform the text of the Indenture, the Notes, the Guarantees or the Collateral Documents to any provision of this Description of the Notes to the extent that such provision in this Description of the Notes was intended to be a verbatim recitation of a provision thereof;

(6) to provide for the issuance of Additional Notes in accordance with the covenants set forth in the Indenture;

(7) to effect any changes to the Indenture in a manner necessary to comply with the procedures of the relevant clearing system;

(11) to enter into any amendment or supplement to or grant any waiver under any Trust and Retention Account Agreement or Security Sharing Agreement in order to account for the Incurrence of any Permitted Indebtedness or for any other action which is permitted under or not restricted by the Indenture.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid by the Co-Issuers, have been delivered to the Paying Agent for cancelation; or

(b) all Notes that have not been delivered to the Paying Agent for cancelation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the applicable Co-Issuer, the Parent Guarantor or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Paying Agent for cancelation for principal, premium if any, and accrued interest to the date of maturity or redemption;

(2) the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Co-Issuers, the Parent Guarantor or any Guarantor is a party or by which the Co-Issuers, the Parent Guarantor or any Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge or any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings/any instrument governing or evidencing other Indebtedness being defeased, discharged or satisfied substantially concurrently with the Notes);

(3) the Co-Issuers, the Parent Guarantor or any Guarantor has paid or caused to be paid all sums payable by it under the Indenture; and

(4) the Co-Issuers have delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of the Notes of at maturity or on the redemption date, as the case may be.

In addition, the Co-Issuers must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee and Agents

Citicorp International Limited is to be appointed as Trustee under the Indenture and Citibank, N.A., London Branch is to be appointed as Paying Agent, Transfer Agent and as Registrar under the Indenture.

Except during the continuance of a Default, the Trustee will not be liable, except for the performance of such duties as are specifically set forth in the Indenture and no implied covenant or obligation shall be read into the Indenture or the Notes against the Trustee. If an Event of Default has occurred and is continuing, the Trustee will use the same degree of care and skill in its exercise of the rights and powers vested in it under the Indenture as a prudent person would exercise under the circumstances in the conduct of such person's own affairs. If a Default or an Event of Default occurs and is continuing, all Agents will be required to act on the Trustee's direction.

Each Holder, by accepting the Notes will agree, for the benefit of the Trustee, that it is solely responsible for its own independent appraisal of and investigation into all risks arising under or in connection with the Notes and has not relied on and will not at any time rely on the Trustee in respect of such risks.

The Trustee will be permitted to engage in other transactions and nothing herein shall obligate the Trustee to account for any profits earned from any business or transactional relationship; provided, however, that, if it acquires any conflicting interest it must eliminate such conflict within 90 days, or resign.

The Holders of a majority in aggregate principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. Subject to applicable provisions, the Trustee will

be under no obligation to exercise any of its rights or powers under the Indenture at the request of any Holder, unless such Holder has offered to the Trustee security and/or indemnity and/or pre-funded satisfactory to it against any loss, liability or expense.

Notwithstanding anything else contained in the Indenture, the Trustee and the Agents may refrain without liability from doing anything that would or might in their opinion be contrary to any law of any state or jurisdiction (including, but not limited to, any laws of England and Wales, Hong Kong, and the United States or any jurisdiction forming a part of it) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in their opinion, necessary to comply with any such law, directive or regulation.

The Trustee shall not be deemed to have knowledge of any Event of Default or Default unless a responsible officer of the Trustee has received express written notice of such Event of Default or Default. Neither the Trustee nor any of the Agents shall be deemed to have knowledge of an Event of Default or a Default unless it has been notified in writing of such an Event of Default or Default.

Additional Information

Anyone who receives the Offering Memorandum may inspect a copy of the Indenture and, once executed, the Collateral Documents, during regular business hours at the corporate trust office of the Trustee.

Book-Entry, Delivery and Form

The Notes are being offered and sold to qualified institutional buyers in reliance on Rule 144A ("Rule 144A Notes"). The Notes also may be offered and sold in offshore transactions in reliance on Regulation S under the Securities Act ("Regulation S Notes"). Except as set forth below, the Notes will be issued in registered, global form in minimum denominations of US$200,000 and integral multiples of US$1,000 in excess of US$1,000. Notes will be issued at the closing of this offering only against payment in immediately available funds.

Rule 144A Notes initially will be represented by one or more Notes in registered, global form without interest coupons (collectively, the "Rule 144A Global Notes"). Regulation S Notes initially will be represented by one or more Notes in registered, global form without interest coupons (collectively, the "Regulation S Global Notes" and, together with the Rule 144A Global Notes, the "Global Notes"). The Global Notes will be deposited upon issuance with a custodian for The Depository Trust Company ("DTC"), in New York, New York, and registered in the name of DTC or its nominee, in each case, for credit to an account of a direct or indirect participant in DTC as described below. Beneficial interests in the Rule 144A Global Notes may not be exchanged for beneficial interests in the Regulation S Global Notes at any time except in the limited circumstances described below. See "– Exchanges between Regulation S Notes and Rule 144A Notes."

Except as set forth below, the Global Notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the Global Notes may not be exchanged for definitive Notes in registered certificated form ("Definitive Notes") except in the limited circumstances described below. See "– Exchange of Global Notes for Definitive Notes." Except in the limited circumstances described below, owners of beneficial interests in the Global Notes will not be entitled to receive physical delivery of Notes in certificated form.

Rule 144A Notes (including beneficial interests in the Rule 144A Global Notes) will be subject to certain restrictions on transfer and will bear a restrictive legend as described under "Transfer Restrictions." Regulation S Notes will also bear the legend as described under "Transfer Restrictions." In addition, transfers of beneficial interests in the Global Notes will be subject to the applicable rules and procedures of DTC and its direct or indirect participants (including, if applicable, those of Euroclear and Clearstream), which may change from time to time.

For so long as the Notes are listed on the SGX-ST and the rules of the SGX-ST so require, the Co-Issuers will appoint and maintain a paying agent in Singapore where the Notes may be presented or surrendered for payment or redemption in the event that the Global Notes are exchanged for individual definitive notes in certificated form. In addition, in the event that the Global Notes are exchanged for individual definitive notes in certificated form, an announcement of such exchange will be made by or on behalf of the Co-Issuers through the SGX-ST and such announcement will include all material information with respect to the delivery of the individual definitive notes in certificated form, including details of the paying agent in Singapore.

Depository Procedures

The following description of the operations and procedures of DTC, Euroclear and Clearstream are provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. The Co-Issuers and the Parent Guarantor take no responsibility for these operations and procedures and urge investors to contact the system or their participants directly to discuss these matters.

DTC has advised the Co-Issuers and the Parent Guarantor that DTC is a limited-purpose trust company created to hold securities for its participating organizations (collectively, the "Participants") and to facilitate the clearance and settlement of transactions in those securities between the Participants through electronic book-entry changes in accounts of its Participants. The Participants include securities brokers and dealers (including the initial purchaser), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the "Indirect Participants"). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

DTC has also advised the Co-Issuers and the Parent Guarantor that, pursuant to procedures established by it:

1. upon deposit of the Global Notes, DTC will credit the accounts of the Participants designated by the initial purchasers with portions of the principal amount of the Global Notes; and

2. ownership of these interests in the Global Notes will be shown on, and the transfer of ownership of these interests will be effected only through, records maintained by DTC (with respect to the Participants) or by the Participants and the Indirect Participants (with respect to other owners of beneficial interest in the Global Notes).

Investors in the Rule 144A Global Notes who are Participants may hold their interests therein directly through DTC. Investors in the Rule 144A Global Notes who are not Participants may hold their interests therein indirectly through organizations (including Euroclear and Clearstream) which are Participants. Investors in the Regulation S Global Notes may hold their interests therein through Euroclear or Clearstream, if they are participants in such systems, indirectly through organizations that are participants therein, or through Participants in the DTC system other than Euroclear and Clearstream. Euroclear and Clearstream will hold interests in the Regulation S Global Notes on behalf of their participants through customers' securities accounts in their respective names on the books of their respective depositories. All interests in a Global Note, including those held through Euroclear or Clearstream, may be subject to the procedures and requirements of DTC. Those interests held through Euroclear or Clearstream may also be subject to the procedures and requirements of such systems. The laws of some states require that certain Persons take physical delivery in definitive form of securities that they own.

Consequently, the ability to transfer beneficial interests in a Global Note to such Persons will be limited to that extent. Because DTC can act only on behalf of the Participants, which in turn act on behalf of the Indirect Participants, the ability of a Person having beneficial interests in a Global Note to pledge such interests to Persons that do not participate in the DTC system, or otherwise take actions in respect of such interests, may be affected by the lack of a physical certificate evidencing such interests.

Except as described below, owners of interests in the Global Notes will not have Notes registered in their names, will not receive physical delivery of Notes in certificated form and will not be considered the registered owners or "Holders" thereof under the Indenture for any purpose.

Payments in respect of the principal of, and interest and premium, if any, on, a Global Note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered Holder under the Indenture. Under the terms of the Indenture, the Co-Issuers, the Parent Guarantor, the Trustee and the Agents will treat the Persons in whose names the Notes, including the Global Notes, are registered as the owners of the Notes for the purpose of receiving payments and for all other purposes. Consequently, none of the Co-Issuers, the Parent Guarantor, the Trustee or any agent of the Co-Issuers, the Parent Guarantor or the Trustee has or will have any responsibility or liability for:

1. any aspect of DTC's records or any Participant's or Indirect Participant's records relating to or payments made on account of beneficial ownership interest in the Global Notes or for maintaining, supervising or reviewing any of DTC's records or any Participant's or Indirect Participant's records relating to the beneficial ownership interests in the Global Notes; or

2. any other matter relating to the actions and practices of DTC or any of its Participants or Indirect Participants.

DTC has advised the Co-Issuers and the Parent Guarantor that its current practice, upon receipt of any payment in respect of securities such as the Notes (including principal and interest), is to credit the accounts of the relevant Participants with the payment on the payment date unless DTC has reason to believe that it will not receive payment on such payment date. Each relevant Participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the Participants and the Indirect Participants to the beneficial owners of Notes will be governed by standing instructions and customary practices and will be the responsibility of the Participants or the Indirect Participants and will not be the responsibility of DTC, the Trustee, the Co-Issuers or the Parent Guarantor. Neither the Co-Issuers, the Parent Guarantor, the Agents nor the Trustee will be liable for any delay by DTC or any of the Participants or the Indirect Participants in identifying the beneficial owners of the Notes, and the Co-Issuers, the Parent Guarantor, the Agents and the Trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Subject to the transfer restrictions set forth under "Transfer Restrictions," transfers between the Participants will be effected in accordance with DTC's procedures, and will be settled in same-day funds, and transfers between participants in Euroclear and Clearstream will be effected in accordance with their respective rules and operating procedures. Subject to compliance with the transfer restrictions applicable to the Notes described herein, cross-market transfers between the Participants, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of Euroclear or Clearstream, as the case may be, by their respective depositaries; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depositary to take action to effect final settlement on its behalf by delivering or receiving interests in the relevant Global Note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

DTC has advised the Co-Issuers and the Parent Guarantor that it will take any action permitted to be taken by a Holder only at the direction of one or more Participants to whose account DTC has credited the interests in the Global Notes and only in respect of such portion of the aggregate principal amount of the Notes as to which such Participant or Participants has or have given such direction. However, if there is an Event of Default under the Notes, DTC reserves the right to exchange the Global Notes for legended Notes in certificated form, and to distribute such Notes to its Participants.

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures to facilitate transfers of interests in the Rule 144A Global Notes and the Regulation S Global Notes among participants in DTC, Euroclear and Clearstream, they are under no obligation to perform or to continue to perform such procedures, and may discontinue such procedures at any time. None of the Co-Issuers, the Parent Guarantor, the Trustee or any of their respective agents will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Exchange of Global Notes for Definitive Notes

A Global Note is exchangeable for Definitive Notes if:

1. DTC (a) notifies the Co-Issuers that it is unwilling or unable to continue as depositary for the Global Notes or (b) has ceased to be a clearing agency registered under the Exchange Act and, in either case, the Co-Issuers fail to appoint a successor depositary;

2. the Co-Issuers, at their option, notify the Trustee in writing that they elect to cause the issuance of the Definitive Notes; or

3. if a beneficial owner of a Note requests such exchange in writing through DTC following a Default or Event of Default with respect to the Notes which has occurred and is continuing.

In addition, beneficial interests in a Global Note may be exchanged for Definitive Notes upon prior written notice given to the Trustee by or on behalf of DTC in accordance with the Indenture. In all cases, Definitive Notes delivered in exchange for any Global Note or beneficial interests in Global Notes will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depositary (in accordance with its customary procedures) and will bear the applicable restrictive legend referred to in "Transfer Restrictions" unless that legend is not required by applicable law.

Exchange of Definitive Notes for Global Notes

Definitive Notes may not be exchanged for beneficial interests in any Global Note unless the transferor first delivers to the Trustee a written certificate (in the form provided in the Indenture) to the effect that such transfer will comply with the appropriate transfer restrictions applicable to such Notes. See "Transfer Restrictions."

Exchanges between Regulation S Notes and Rule 144A Notes

Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in the Regulation S Global Note only if the transferor first delivers to the Transfer Agent a written certificate (in the form provided in the Indenture) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available).

Transfers involving exchanges of beneficial interests between the Regulation S Global Notes and the Rule 144A Global Notes will be effected by DTC by means of an instruction originated by the Trustee through the DTC Deposit/Withdraw at Custodian system. Accordingly, in connection with any such transfer, appropriate adjustments will be made to reflect a decrease in the principal amount of the Regulation S Global Note and a corresponding increase in the principal amount of the Rule 144A Global

Note or vice versa, as applicable. Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in the other Global Note will, upon transfer, cease to be an interest in such Global Note and will become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Note for so long as it remains such an interest.

Same Day Settlement and Payment

The Co-Issuers will make payments in respect of the Notes represented by the Global Notes (including principal, premium, if any, interest and, if any) by wire transfer of immediately available funds to the accounts specified by DTC or its nominee. The Co-Issuers will make all payments of principal, interest and premium, if any, with respect to Definitive Notes by wire transfer of immediately available funds to the accounts specified by the Holders of the Definitive Notes.

The Notes represented by the Global Notes are expected to be eligible to trade in DTC's Same-Day Funds Settlement System, and any permitted secondary market trading activity in such Notes will, therefore, be required by DTC to be settled in immediately available funds. The Co-Issuers expect that secondary trading in any Definitive Notes will also be settled in immediately available funds.

Because of time zone differences, the securities account of a Euroclear or Clearstream participant purchasing an interest in a Global Note from a Participant will be credited, and any such crediting will be reported to the relevant Euroclear or Clearstream participant, during the securities settlement processing day (which must be a business day for Euroclear and Clearstream) immediately following the settlement date of DTC. DTC has advised the Co-Issuers and the Parent Guarantor that cash received in Euroclear or Clearstream as a result of sales of interests in a Global Note by or through a Euroclear or Clearstream participant to a Participant will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC's settlement date.

DESCRIPTION OF THE NOTES

For purposes of this "Description of the Notes," the term "Company" refers only to GMR Hyderabad International Airport Limited, and any successor obligor in respect of the Notes, and not to any of its Subsidiaries.

The Notes are to be issued under an indenture (the "Indenture"), to be dated as of the Original Issue Date, among the Company, HSBC Bank USA, National Association, as trustee (the "Trustee"), principal paying agent (the "Principal Paying Agent") and registrar (the "Registrar").

The following is a summary of certain provisions of the Indenture, the Notes, the Subsidiary Guarantees and the Security Documents (as defined below), including the Intercreditor Agreement (as defined below). This summary does not purport to be complete and is qualified in its entirety by reference to all of the provisions of the Indenture, the Notes, the Subsidiary Guarantees and the Security Documents (including the Intercreditor Agreement). It does not restate those agreements in their entirety. Whenever particular sections or defined terms of the Indenture not otherwise defined herein are referred to, such sections or defined terms are incorporated herein by reference. Copies of the Indenture and the Security Documents will be available on or after the Original Issue Date at the corporate trust office of the Trustee at 452 Fifth Avenue, New York, NY 10018 USA.

Brief Description of the Notes

The Notes will be:

- general obligations of the Company;
- senior in right of payment to any existing and future obligations of the Company expressly subordinated in right of payment to the Notes;
- at least pari passu in right of payment with all other unsecured, unsubordinated obligations of the Company (subject to any priority rights of such Indebtedness pursuant to applicable law);
- guaranteed by the Future Subsidiary Guarantors on a senior basis, subject to the limitations described below under "—The Subsidiary Guarantees" and in "Risk Factors—Risks Related to the Notes and the Collateral—Noteholder claims against non-guarantor subsidiaries will be structurally subordinated to the liabilities of such subsidiaries."
- secured on an equal and ratable basis with all obligations of the Company under the 2027 Notes and the Company's existing hedging arrangements and all future Permitted Pari Passu Secured Indebtedness and Permitted Refinancing Indebtedness thereof by first ranking Liens on the Collateral (as defined below under the Caption "—Security") provided by the Company (subject to Permitted Liens and the Intercreditor Agreement);
- effectively senior in right of payment to unsecured obligations of the Company with respect to the value of the Collateral over which the Company has created security for the Notes (subject to any priority rights of such obligations pursuant to applicable law); and
- effectively subordinated to all existing and future obligations of the Company that are secured by assets other than the Collateral to the extent of the value of such assets.

The Notes will mature on April 10, 2024, unless earlier redeemed pursuant to the terms thereof and the Indenture. The Indenture allows additional Notes to be issued from time to time (the "Additional Notes"), subject to certain limitations described under "—Further Issues." Unless the context requires otherwise, references to the "Notes" for all purposes of the Indenture and this "Description of the Notes" include any Additional Notes that are actually issued. The Notes will bear interest at 5.375% per annum from the Original Issue Date or from the most recent interest payment date to which interest has been paid or duly provided for, payable semi-annually in arrears on April 10 and October 10 of each year (each an "Interest Payment Date"), commencing October 10, 2019.

Interest on the Notes will be paid to Holders of record at the close of business on March 26 or September 25 immediately preceding an Interest Payment Date (each, a "Record Date"). In any case in which the date of the payment of principal of, premium on or interest on the Notes is not a Business Day in the relevant place of payment, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes shall accrue for the period after such date. Interest on the Notes will be calculated on the basis of a 360-day year comprised of twelve 30-day months.

All payments on the Notes will be made by the Company at the office or agency of the Company maintained for that purpose in New York City and certified to the Principal Paying Agent or where the Paying Agent is located (which initially will be the corporate trust administration office of the Trustee, currently located at 452 Fifth Avenue, New York, NY 10018 USA), and the Notes may be presented for registration of transfer or exchange at such office or agency; *provided* that, at the option of the Company, payment of interest may be made by check mailed to the address of the Holders as such address appears in the Note register maintained by the Note Registrar or by wire transfer. Interest payable on the Notes held through DTC will be available to DTC participants on the Business Day following payment thereof.

The Notes will be issued only in fully registered form, without coupons, in denominations of US$200,000 and integral multiples of US$1,000 in excess thereof. No service charge will be made for any registration of transfer or exchange of the Notes, but the Company may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith.

The Subsidiary Guarantees

As of the Original Issue Date none of the Company's Subsidiaries will Guarantee the Notes and each will be designated as a "Restricted Subsidiary." Under applicable Indian law currently in effect and certain of our contractual arrangements, the Company's Subsidiaries may not be able to provide guarantees under the Indenture. As such, the Notes will be effectively subordinated in right of payment to all Indebtedness and other liabilities and commitments of our current and future non-guarantor Subsidiaries. In the event of a bankruptcy, liquidation or reorganization of a non-guarantor Subsidiary, the applicable non-guarantor Subsidiary will pay the holders of its debt and its trade and other creditors (including specified statutory dues) before it will be able to distribute any of its remaining assets to us. See "Risk Factors—Risks Related to the Notes and the Collateral—Noteholder claims against non-guarantor subsidiaries will be structurally subordinated to the liabilities of such subsidiaries."

The Company has agreed that it will not permit any of its Restricted Subsidiaries to guarantee any Indebtedness of the Company or any Subsidiary Guarantor, unless it guarantees the Notes.

Any future Restricted Subsidiary that Guarantees the Notes after the Original Issue Date is referred to as a "Future Subsidiary Guarantor" and, upon execution of the applicable supplemental indenture to the Indenture, will be a "Subsidiary Guarantor." Each such guarantee is referred to as a "Subsidiary Guarantee."

The Subsidiary Guarantee of each Subsidiary Guarantor will be:

- a general obligation of such Subsidiary Guarantor;
- effectively subordinated to all existing and future secured obligations of such Subsidiary Guarantor, to the extent of the collateral securing such obligations;
- senior in right of payment to all future obligations of such Subsidiary Guarantor expressly subordinated in right of payment to such Subsidiary Guarantee; and
- at least *pari passu* in right of payment with all other unsecured, unsubordinated obligations of such Subsidiary Guarantor (subject to any priority rights of such obligations pursuant to applicable law).

Under the Indenture, and any supplemental indenture to the Indenture, as applicable, each of the Subsidiary Guarantors will jointly and severally Guarantee the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The Subsidiary Guarantors will (1) agree that their obligations under the Subsidiary Guarantees will be enforceable irrespective of any invalidity, irregularity or unenforceability of the Notes or the Indenture and (2) waive their right to require the Trustee to pursue or exhaust its legal or equitable remedies against the Company prior to exercising its rights under the Subsidiary Guarantees. Moreover, if at any time any amount paid under a Note or the Indenture is rescinded or must otherwise be restored, the rights of the Holders under the Subsidiary Guarantees will be reinstated with respect to such payments as though such payment had not been made. All payments under the Subsidiary Guarantees are required to be made in U.S. dollars.

Under the Indenture, and any supplemental indenture to the Indenture, as applicable, each Subsidiary Guarantee will be limited to an amount not to exceed the maximum amount that can be Guaranteed by the applicable Subsidiary Guarantor without rendering the Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally. If a Subsidiary Guarantee were to be rendered voidable, it could be subordinated by a court to all other indebtedness (including Guarantees and other contingent liabilities) of the applicable Subsidiary Guarantor, and, depending on the amount of such indebtedness, a Subsidiary Guarantor's liability on its Subsidiary Guarantee could be reduced to zero.

The obligations of each Subsidiary Guarantor under its respective Subsidiary Guarantee may be limited, or possibly invalid, under applicable laws. See "Risk Factors—Risks Related to the Notes and the Collateral—Noteholder claims against non-guarantor subsidiaries will be structurally subordinated to the liabilities of such subsidiaries" and "Risk Factors—Risks Related to the Notes and the Collateral—Any future Subsidiary Guarantees, if issued, may be challenged under applicable financial assistance, insolvency or fraudulent transfer laws, which could impair the enforceability of the Subsidiary Guarantees."

Release of the Subsidiary Guarantees

A Subsidiary Guarantee given by a Subsidiary Guarantor may be released in certain circumstances, including:

- upon repayment in full of the Notes;
- upon satisfaction and discharge or legal or covenant defeasance as described under "—Satisfaction and Discharge" and "—Defeasance—Defeasance and Discharge";

- upon the designation by the Company of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of the Indenture; or

- upon the sale or merger of a Subsidiary Guarantor in compliance with the terms of the Indenture (including the covenants under "—Certain Covenants—Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries," "—Certain Covenants—Limitation on Asset Sales" and "—Consolidation, Merger and Sale of Assets") resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (1) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Company's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (2) the proceeds from such sale or disposition are used for the purposes permitted or required by the Indenture.

Under the circumstances described below under "—Certain Covenants—Designation of Restricted and Unrestricted Subsidiaries," the Company will be permitted to designate certain of its future Subsidiaries as "Unrestricted Subsidiaries." The Company's Unrestricted Subsidiaries will generally not be subject to the restrictive covenants in the Indenture. The Company's Unrestricted Subsidiaries will not Guarantee the Notes.

Security

Collateral

The obligations of the Company under the Notes will be secured by first-priority Liens (subject to Permitted Liens) on certain collateral (the "Collateral") pursuant to the Security Documents, which shall initially consist of, to the extent permitted under the Concession Agreement:

(i) a first ranking *pari passu* mortgage and/or charge over (a) the Company's leasehold rights, title and interest in respect of 2,145 acres and 11 guntas of the land leased to the Company under the Land Lease Agreement, together with all buildings and structures thereon and (b) the movable assets of the Company, present and future, including all movable machinery, machinery spares, tools, accessories, furniture, fixtures, vehicles, intangible assets (including goodwill, trademarks and patents) of whatsoever nature and wherever arising, excluding the Capital Stock of the Company's Subsidiaries and joint ventures and any assets of the Company acquired with Indebtedness incurred under clause (2)(g) under "—Certain Covenants—Limitation on Indebtedness";

(ii) a first ranking *pari passu* charge of all insurance contracts, contractors' guarantees and liquidated damages payable by the contractors;

(iii) a first ranking *pari passu* charge of all the rights, titles, permits, approvals and interests of the Company in, to and in respect of the Project Agreements to the maximum extent permitted under the Project Agreements and the Concession Agreement;

(iv) a first ranking *pari passu* floating charge on all the operating revenues/receivables of the Company, subject to the provisions of the Concession Agreement and excluding passenger service fees (security component) and airport development fees (and similar pass through revenue and receivables) and any revenues/receivables over which a Lien is not permitted under applicable law; and

(v) a first ranking *pari passu* floating charge on all the Company's accounts and each of the other accounts required to be created by the Company (excluding any Excluded Accounts) and, including in each case, all monies lying credited/deposited into such accounts.

Upon the occurrence of an Event of Default, the above floating charges will crystallize and become fixed charges.

The security interest on the initial Collateral will be created under (i) an unattested Memorandum of Hypothecation, which will be entered into by the Company in favor of the Security Trustee; and (ii) a Declaration and the Memorandum of Entry and Deposit of Title Deeds associated therewith. The security created or extended by the Security Documents over the Collateral will be subject to the Intercreditor Agreement. The Memorandum of Hypothecation, the Declaration, the Memorandum of Entry and Deposit of Title Deeds, the Security Trustee Agreement, the Direct Agreement (which the Company shall use commercially reasonable efforts to enter into), the other documents necessary to create and perfect the security interest in the Collateral and the Intercreditor Agreement are referred to herein as the "Security Documents." The Company has agreed that all necessary filings to perfect the security interest over the Collateral will be filed no later than 30 days after the Original Issue Date. The Notes will be unsecured prior to the creation of the security interest on the initial Collateral described above.

The Collateral currently secures Indebtedness under the 2027 Notes and the Company's existing hedging arrangements. The Collateral may also be shared on a pari passu basis by the Holders and the holders of certain other secured indebtedness including any future Permitted Pari Passu Secured Indebtedness and Permitted Refinancing Indebtedness thereof. Accordingly, in the event of a default on the Notes or the other secured indebtedness and a foreclosure on the Collateral, any foreclosure proceeds would be shared by the holders of such secured indebtedness in proportion to the outstanding amounts of each class of such secured indebtedness (subject to any priority rights of any obligations pursuant to applicable law). The proceeds realizable from the Collateral securing the Notes (as shared with other secured creditors under the Security Trustee Agreement and the Intercreditor Agreement) is unlikely to be sufficient to satisfy the Company's obligations under the Notes, and the Collateral securing the Notes may be reduced or diluted under certain circumstances, including the issuance of Additional Notes and other Permitted Pari Passu Secured Indebtedness and the disposition of assets comprising the Collateral, subject to the terms of the Indenture. By its nature, some or all of the Collateral will be illiquid and may have no readily ascertainable market value. Accordingly, there can be no assurance that the Collateral could be sold in a timely manner or at all. See "Release of Security" and "Risk Factors—Risks Related to the Notes and the Collateral—The realizable value of the Collateral is unlikely to be sufficient to satisfy our obligations under the Notes."

Permitted Pari Passu Secured Indebtedness

The Company may create Liens on the Collateral pari passu with or junior to the Lien for the benefit of the Holders to secure certain future Senior Indebtedness of the Company (including Additional Notes) or any Subsidiary Guarantor, *provided* that the Company or such Subsidiary Guarantor was permitted to Incur such Indebtedness, and such Indebtedness was Incurred, either under clause (1), (2)(a), 2(e) or (2)(f) and any Permitted Refinancing Indebtedness of such indebtedness Incurred under clause 2(d) under the covenant described under "—Certain Covenants—Limitation on Indebtedness" (such Indebtedness of the Company including Additional Notes (if applicable), "Permitted Pari Passu Secured Indebtedness"). As a condition to creating Liens on the Collateral under such Permitted Pari Passu Secured Indebtedness, (1) the holders of such Indebtedness (or their representative or agent), other than with respect to Additional Notes, become party to the Intercreditor Agreement and the other Security Documents; (2) such Indebtedness is permitted by the terms of the Indenture and the Security Documents; (3) the Company delivers to the Trustee and the Security Trustee an Opinion of Counsel and Officer's Certificate with respect to corporate and collateral matters in connection with the Security Documents, in form and substance as set forth in the Security Documents; and (4) such Indebtedness is only issued (i) for consideration solely comprising cash (other than with respect to Indebtedness of the Company or a Subsidiary Guarantor incurred under (2)(f) under the covenant described under "—Certain Covenants —Limitation on Indebtedness"), (ii) in exchange for other Senior Indebtedness which is, secured by a lien (subject to Permitted Liens and the Intercreditor Agreement) on the Collateral and with the same priority of

payment on enforcement as such Senior Indebtedness, or (iii) in exchange for Sponsor Bridge Financing. The Trustee and/or the Security Trustee, as the case may be, will be permitted and authorized, without the consent of any Holder, to enter into any amendments to the Security Documents or the Indenture, the Security Trustee Agreement and the Intercreditor Agreement and take any other action necessary to permit the creation and registration of Liens on the Collateral to secure Permitted Pari Passu Secured Indebtedness in accordance with this paragraph and the terms of the Indenture.

Except for certain Permitted Liens (including the Liens on the Collateral securing Permitted Refinancing Indebtedness and Permitted Pari Passu Secured Indebtedness), the Company and its Restricted Subsidiaries will not be permitted to Incur any other Indebtedness secured by all or any portion of the Collateral without the consent of each Holder of the Notes then outstanding.

Memorandum of Hypothecation

On or about the Original Issue Date, we will execute an unattested memorandum of hypothecation in favor of IDBI Trusteeship Services Limited, as security trustee for the benefit of the holders of the Notes, to secure the Notes through the creation a charge by way of hypothecation over all of our rights, titles, interests, benefits, claims and demands in, to, under or in respect of the Collateral subject to any exceptions set out in the Indenture, to the maximum extent permitted under the Concession Agreement. The charge created by the Memorandum of Hypothecation will be perfected within 30 days of the Original Issue Date.

Memorandum of Entry

Within 30 days after the Original Issue Date, we will create and perfect a mortgage by deposit of title deeds by way of a constructive delivery for the benefit of Holders, evidencing a charge created by us over immovable properties aggregating to 2,145 acres and 11 guntas of leased land.

Trust and Retention Account Agreement

The Company has entered into the Trust and Retention and Account Agreement. The Trust and Retention Account Agreement sets forth the mechanism for utilization of funds from the Company's bank accounts. The benefit of the Trust and Retention Account Agreement may be extended to other future lenders of the Company from time to time, and the agreement may be modified at such time to inter alia include reference to such future lenders (or their representatives, agents or trustees) of the Company and define their rights, *provided however* that such changes would not adversely impact the priority of payments with respect to the Notes. See "Description of Material Indebtedness—Trust and Retention Account Agreement."

By the deed of confirmation to the Trust and Retention and Account Agreement, executed among the Security Trustee, the Trustee (as a confirming party to the deed of confirmation) and the Account Bank, the Security Trustee confirms that the Trustee (on behalf of Holders) shall have the benefit of the trust creased under the Trust and Retention Account Agreement. The Trust and Retention Account Agreement is not a Security Document under the Indenture. As such, the Trust and Retention Account Agreement may be terminated and the terms of the Trust and Retention Account Agreement may be amended, modified or waived and the account bank may be replaced without the consent of the Trustee or the Holders, other than such changes that would adversely impact the priority of payments with respect to the Notes.

Security Trustee Agreement

The Company has entered into the Security Trustee Agreement. On or about the Original Issue Date, the Company will enter into an accession cum amendment deed to the Security Trustee Agreement between,

amongst others, the Company, the Trustee (on behalf of the Holders) and the Security Trustee, pursuant to which the Company and the Holders (through the Trustee) will become party to the Security Trustee Agreement and shall have all the rights and benefits available to the lenders under the Security Trustee Agreement. Under the Security Trustee Agreement, the parties have appointed the Security Trustee to act as collateral agent and security trustee with respect to the Collateral and the Security Trustee will agree to act in such capacity and the benefit of the trust shall be extended for the Holders (through the Trustee). Future lenders of the Company may accede to the Security Trustee Agreement from time to time, and this agreement may be modified at such time to inter alia extend the benefit of the trust to such future lenders (or their representatives, agents or trustees) of the Company and define their rights provided however that such changes would not impact the priority of the Collateral for the Notes other than as is permitted under the Indenture. By acceptance of the Notes, the Holders have agreed to the terms of the Security Trustee Agreement, including the appointment of the Security Trustee, and direct the Trustee to enter into the accession cum amendment deed to the Security Trustee Agreement. See "Description of Material Indebtedness—Security Agreements—Security Trustee Agreement".

Direct Agreement

The Company shall use commercially reasonable efforts to enter into a new (or an amended and restated) Direct Agreement with the Ministry or Civil Aviation and the Security Trustee after the Original Issue Date, relating to the creation of security over the assets of the Company and the enforcement of such security, which includes the Trustee on behalf of Holders of the Notes as a Lender (as defined in the Direct Agreement). See "Description of Material Indebtedness—Security Agreements—Direct Agreement."

Intercreditor Agreement

On the Original Issue Date, Trustee and the Security Trustee will enter into an accession cum amendment agreement to Intercreditor Agreement. By the accession cum amendment agreement to the Intercreditor Agreement, the Trustee shall accede to the Intercreditor Agreement and shall perform the obligations under the Intercreditor Agreement.

Under the terms of the Indenture, the Trustee will be permitted to enter into amendments to the Intercreditor Agreement that are necessary for holders of any Permitted Pari Passu Secured Indebtedness incurred after the date thereof or their representative or agent to become party to and subject to the terms of the Intercreditor Agreement. The holders or their representative, agent or trustee of Permitted Pari Passu Secured Indebtedness, together with the Trustee, are referred to herein as the "Agents" and the obligations under the Indenture, the Notes, and the Permitted Pari Passu Secured Indebtedness is herein referred to as the "Senior Debt." The holders of the Notes (represented by the Trustee) and any person (by itself or through its Agent) who has become a party to the Intercreditor Agreement are referred to herein as "Lenders."

The Intercreditor Agreement provides, among other things, that (1) the Senior Debt will share equal priority and pro rata entitlement in and to the Collateral; (2) the Collateral will only be substituted or released and Liens only be granted on the Collateral to the extent permitted under the debt documents; and (3) the Lenders shall enforce their rights with respect to the Collateral and the Indebtedness secured thereby as described in "—Enforcement of Security" below.

Immediately prior to or simultaneously with the incurrence of any Permitted Pari Passu Secured Indebtedness, the Company will procure that the holders of Permitted Pari Passu Secured Indebtedness (or their Agent) will execute and deliver a supplement or amendment to the Intercreditor Agreement or an accession letter to become parties to the Intercreditor Agreement. The Trustee and/or the Security Trustee, as the case may be, will be permitted and authorized, without the consent of any Holder, to enter into any such supplement, amendment or accession letter and take any other action necessary to permit the creation and registration of Liens

on the Collateral to secure Permitted Pari Passu Secured Indebtedness and Subordinated Debt in accordance with this paragraph and the terms of the Indenture.

The Intercreditor Agreement provides for a requirement of the consent of the Senior Creditors for, *inter alia*, changing the amount of Permitted Pari Passu Secured Indebtedness unless permitted by the financing documents governing such Permitted Pari Passu Secured Indebtedness.

By accepting the Notes, each Holder shall be deemed to have directed the Trustee to enter into the accession cum amendment agreement to the Intercreditor Agreement, the accession cum amendment agreement to the Security Trustee Agreement and the deed of confirmation relating to the Trust and Retention Account Agreement and consented to any amendments or modifications to the Security Documents permitted under the Indenture.

Enforcement of Security

The Security Trustee, subject to the Intercreditor Agreement and the Security Trustee Agreement, will hold such Liens over the Collateral granted pursuant to the Security Documents with sole authority as directed by the Agents or the Lenders (in the event the such Lenders have not appointed an Agent), as the case may be, to exercise remedies under the Security Documents. The Security Trustee will be required to act as secured party on behalf of the creditors under the debt documents and the applicable Security Documents, to follow the instructions provided to it by one or more of the Lenders (in the event the such a Lender has not appointed an Agent) or the Agents, as the case may be, under the debt documents (including the Indenture), the Security Documents and/or the Intercreditor Agreement and to carry out certain other duties. The Trustee will give instructions to the Security Trustee only in accordance with the terms of the Indenture.

The Intercreditor Agreement will provide that the Security Trustee will enforce against the Collateral in accordance with a written instruction by any Lender (in the event the such a creditor has not appointed any Agent) or the Agent, as the case may be, (pursuant to an enforcement trigger event under the respective debt documents and the applicable Security Documents), subject to (1) the expiration of the applicable consultation period without the issuance of an approval notice by Lenders holding 75% of the outstanding commitments (which in the case of bonds, mean the outstanding aggregate principal amount) (the "Majority Relevant Creditors") or (2) the issuance of an approval notice by the Majority Relevant Creditors during the consultation period.

Furthermore, the Intercreditor Agreement will provide that, subject to the rights of any creditor with prior security or any preferential claim under applicable laws, the proceeds of enforcement against any Collateral under the Security Documents will be applied as follows:

First, in payment of all taxes due and payable and of all statutory dues owed to any governmental authority pursuant to the provisions of the Concession Agreement; and

Second, in or towards payment of all outgoings, costs, charges, expenses, indemnity payments and liabilities (and all interest thereon as provided in the debt documents) incurred by or on behalf of the Security Trustee and/or the Agent and any receiver, attorney or agent in connection with carrying out its duties and exercising its powers and discretion under the debt documents and any remuneration owing to it or to any of the Security Trustee or the Agent; and

Third, in or towards payment to the balance of the costs and expenses of the Lenders or Agents under the debt documents in connection with the enforcement action; and

Fourth, in or towards payment to (A) each Agent for application towards the balance of the outstanding amounts to Lenders of Senior Debt under the relevant debt documents without any preference or priority and in proportion to their respective outstanding amounts and (B) each Agent for application towards the balance of the outstanding amounts to Lenders of Subordinate Debt under the relevant debt documents without any preference or priority and in proportion to their respective outstanding amounts; and

Fifth, in payment of the surplus (if any) from the proceeds of an enforcement action to the Company,

provided that in the event that any Lender of Senior Debt has been secured with a lower ranking Lien over any part of the Collateral, the distribution of proceeds of enforcement over such part of the Collateral shall account for such lower priority Lien of such Lender.

The Security Trustee's ability to foreclose on the Collateral may be subject to lack of perfection of the Lien, the consent of third parties, prior Liens and practical problems associated with the realization of the Security Trustee's Liens on the Collateral. Neither the Trustee, the Security Trustee nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral securing the Secured Liabilities, for the legality, enforceability, effectiveness or sufficiency of the Security Documents or the Intercreditor Agreement, for the creation, perfection, continuation, priority, sufficiency or protection of any of the Liens, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or Security Documents or any delay in doing so.

Release of Security

The security created in respect of the Collateral granted under the Security Documents may be released in certain circumstances, including:

- upon repayment in full of the Notes;
- upon satisfaction and discharge or legal or covenant defeasance as described under "—Satisfaction and Discharge" and "—Defeasance—Defeasance and Discharge";
- upon certain dispositions of the Collateral in compliance with the covenants described under "—Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries" or "—Limitation on Asset Sales" or in accordance with the provision described under "—Consolidation, Merger and Sale of Assets;" and
- as described under "—Amendments and Waiver."

Further Issues

Subject to the covenants described below and in accordance with the terms of the Indenture, the Company may, from time to time, without notice to or the consent of the Holders, create and issue Additional Notes having the same terms and conditions as the Notes (including the benefit of any Subsidiary Guarantees and the Collateral) in all respects (or in all respects except for the issue date, issue price and the date and/or amount of the first payment of interest on them and, to the extent necessary, certain temporary securities law transfer restrictions) (a "Further Issue") so that such Additional Notes may be consolidated and form a single class with the previously outstanding Notes and vote together as one class on all matters with respect to the Notes; *provided* that the issuance of any such Additional Notes and the provision of the Collateral to secure the Additional Notes

will then be permitted under the "Limitation on Indebtedness" covenant described below and the other provisions of the Indenture; *provided further* that unless such Additional Notes are issued under a separate CUSIP number, such Additional Notes must be fungible with the original Notes for U.S. federal income tax purposes.

In addition, the issuance of any Additional Notes by the Company will also be subject to the following conditions:

(1) all obligations with respect to the Additional Notes shall be secured and guaranteed under the Indenture, the Subsidiary Guarantees and the Security Documents to the same extent and on the same basis as the Notes outstanding on the date the Additional Notes are issued;

(2) the Company shall have delivered to the Trustee an Officer's Certificate, in form and substance satisfactory to the Trustee, confirming that the issuance of the Additional Notes complies with the Indenture; and

(3) the Company shall have delivered to the Trustee one or more Opinions of Counsel, in form reasonably satisfactory to the Trustee, confirming, among other things, that the issuance of the Additional Notes complies with the Indenture, that the issuance of the Additional Notes does not conflict with applicable law and that, to the extent applicable, after giving effect to the issuance of the Additional Notes and any transactions related thereto, the Liens created under the Security Documents, as amended, extended, renewed, restated, supplemented or otherwise modified or replaced pursuant to such transaction, are valid and perfected Liens not otherwise subject to any limitation, imperfection or new hardening or preference period, in equity or law, that such Liens were not otherwise subject to immediately prior to the issuance of such Additional Notes and such amendment, extension, renewal, restatement, supplement, modification or replacement.

Repurchase of Notes Upon a Change of Control Triggering Event

Not later than 30 days following a Change of Control Triggering Event the Company will make an Offer to Purchase all outstanding Notes (a "Change of Control Offer") at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the Offer to Purchase Payment Date (as defined in clause (2) of the definition of "Offer to Purchase").

The Company will agree in the Indenture that, following a Change of Control, it will timely repay all Indebtedness or obtain consents as necessary under or terminate, agreements or instruments that would otherwise prohibit a Change of Control Offer required to be made pursuant to the Indenture. Notwithstanding this agreement of the Company, it is important to note that if the Company is unable to repay (or cause to be repaid) all of the Indebtedness, if any, that would prohibit the repurchase of the Notes or is unable to obtain the requisite consents of the holders of such Indebtedness, or terminate any agreements or instruments that would otherwise prohibit a Change of Control Offer, it would continue to be prohibited from purchasing the Notes. In that case, the Company's failure to purchase tendered Notes would constitute an Event of Default under the Indenture.

Future debt of the Company may also (1) prohibit the Company from purchasing Notes in the event of a Change of Control Triggering Event; (2) provide that a Change of Control Triggering Event is a default; or (3) require repurchase of such debt upon a Change of Control Triggering Event. Moreover, the exercise by the Holders of their right to require the Company to purchase the Notes could cause a default under other Indebtedness, even if the Change of Control Triggering Event itself does not, due to the financial effect of the purchase on the Company. The Company's ability to pay cash to the Holders following the occurrence of a Change of Control Triggering Event may be limited by the Company's and the Subsidiary Guarantors' then

existing financial resources. There can be no assurance that sufficient funds will be available when necessary to make the required purchase of the Notes. See "Risk Factors—Risks Related to the Notes and the Collateral—We may not be able to repurchase the Notes upon a Change of Control Triggering Event."

The Company will not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third-party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control Triggering Event at the time of making of the Change of Control Offer.

The definition of Change of Control includes a phrase relating to the sale of "all or substantially all" the assets of the Company. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a Holder of Notes to require the Company to repurchase such Holder's Notes as a result of a sale of less than all the assets of the Company to another person or group may be uncertain and will depend upon particular facts and circumstances. As a result, there may be a degree of uncertainty in ascertaining whether a sale or transfer of "all or substantially all" the assets of the Company has occurred.

Except as described above with respect to a Change of Control Triggering Event, the Indenture does not contain provisions that permit the Holders to require that the Company purchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

Any repurchase or redemption of the Notes prior to their stated maturity may require the prior approval of the RBI or the designated authorized dealer bank, as the case may be, under applicable RBI guidelines, and such approval may not be forthcoming.

Redemption of Notes Upon Certain Changes in Capital or Currency Exchange Controls

The Company will be required to redeem all outstanding Notes, as a whole but not in part, at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts (as defined below)), if any, to the Mandatory Redemption Date (defined below), if, at any time, it will become unlawful for the Company to perform any payment obligations under the Indenture or the Notes as a result of any change in, or amendment to, the laws (or any regulations, directions or rulings notified or issued thereunder) of a Government of the Republic of India and such payment restrictions cannot be avoided by the taking of reasonable measures by the Company (the "Mandatory Redemption").

Within 10 days of such change or amendment giving rise to the Mandatory Redemption being announced by the relevant authority, the Company will be required to provide notice to the Trustee, an Opinion of Counsel stating that such change or amendment referred to in the prior paragraph will make payments by the Company under the Indenture or the Notes unlawful, and an Officer's Certificate stating that such change or amendment referred to in the prior paragraph has occurred, describing the facts related thereto and stating that such payment restrictions cannot be avoided by the Company taking reasonable measures and setting forth the proposed date, which shall not be more than 30 days after the date of such notice, on which the redemption shall occur (the "Mandatory Redemption Date").

The Trustee shall accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it shall be conclusive and binding on the Holders.

Any Notes that are redeemed will be cancelled.

Any redemption of the Notes prior to their stated maturity may require the prior approval of the RBI or the designated authorized dealer bank, as the case may be, under applicable RBI guidelines, and such approval may not be forthcoming.

No Mandatory Redemption or Sinking Fund; Open Market Purchases

Other than as described under "—Redemption of Notes Upon Certain Changes in Capital or Currency Exchange Controls," there will be no mandatory redemption or sinking fund payments for the Notes. The Company and its Affiliates may, at their discretion, at any time from time to time purchase the Notes in the open market or otherwise; *provided* that the Company may not resell Notes that it has repurchased in the open market or otherwise to any person that is not an affiliate of the Company under Rule 144 of the Securities Act.

Additional Amounts

All payments by or on behalf of the Company, a Surviving Person (as defined under "—Consolidation, Merger and Sale of Assets") or a Subsidiary Guarantor of principal of, and premium (if any) and interest on the Notes or under the Subsidiary Guarantees will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person or an applicable Subsidiary Guarantor is organized or resident for tax purposes, doing business or otherwise subject to the power to tax, or any political subdivision or taxing authority thereof or therein (each, as applicable, a "Relevant Taxing Jurisdiction") or any jurisdiction through which such payments are made by or on behalf of the Company, a Surviving Person or a Subsidiary Guarantor or any political subdivision or taxing authority thereof or therein (together with the Relevant Taxing Jurisdictions, the "Relevant Jurisdictions"), unless such withholding or deduction is required by applicable law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, the Company, a Surviving Person or the applicable Subsidiary Guarantor, as the case may be, will pay such additional amounts ("Additional Amounts") as will result in receipt by the Holder of each Note or the Subsidiary Guarantees, as the case may be, of such amounts as would have been received by such Holder had no such withholding or deduction been required, except that no Additional Amounts shall be payable:

(1) for or on account of:

(a) any tax, duty, assessment or other governmental charge that would not have been imposed but for:

(i) the existence of any present or former connection between the Holder or beneficial owner of such Note or Subsidiary Guarantee, as the case may be, and the Relevant Jurisdiction other than merely holding such Note or the receipt of payments thereunder or under a Subsidiary Guarantee or enforcement of rights thereunder, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having had a permanent establishment therein;

(ii) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder or beneficial owner thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period;

(iii) the presentation of such Note (in cases in which presentation is required) for payment in the Relevant Jurisdiction, unless such Note could not have been presented for payment elsewhere; or

(iv) the failure of the Holder or beneficial owner to comply with a timely request of the Company, a Surviving Person or any Subsidiary Guarantor addressed to the Holder to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that due and timely compliance with such request is required by applicable law as a precondition to, reduction in the rate of, or the elimination of, any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder or beneficial owner;

(b) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(c) any withholding or deduction pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (or any amended or successor versions of such Sections) ("FATCA"), any regulations or other official guidance thereunder, any intergovernmental agreement entered into in connection with FATCA, or any law, regulations or other official guidance enacted in any jurisdiction implementing FATCA or an intergovernmental agreement;

(d) any tax, duty, assessment or other governmental charge to the extent such tax, duty, assessment or other governmental charge results from the presentation of the Note (where presentation is required) for payment and the payment can be made without such withholding or deduction by the presentation of the Note for payment elsewhere; or

(e) any combination of taxes, duties, assessments or other governmental charges referred to in the preceding clauses (a), (b), (c) or (d); or

(2) to a Holder that is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Taxing Jurisdiction, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, or a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

The Company will (i) make such withholding or deduction and (ii) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law. The Company will upon request, make reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any taxes so deducted or withheld from the Relevant Jurisdiction imposing such taxes. Upon request, the Company will furnish to Holders, within 60 days after the date the payment of any taxes so deducted or withheld is due pursuant to applicable law, either certified copies of tax receipts evidencing such payment or, if such receipts are not obtainable, other evidence of such payments.

At least 30 days prior to the first date on which any payment under or with respect to the Notes is due and payable, if the Company will be obligated to pay Additional Amounts with respect to such payment, the Company will deliver to the Trustee an Officer's Certificate stating the fact that such Additional Amounts will be payable and the amounts so payable and will set forth such other information necessary to enable the Paying Agent to pay such Additional Amounts to the Holders on such payment date. The Company will deliver to the Trustee an Officer's Certificate 30 days prior to any subsequent payment date if there has been a change in the matters set forth in the previously furnished certification (or as soon as reasonably possible in circumstances where the change occurred after the 30th day prior to such date).

In addition, the Company will pay any stamp, issue, registration, documentary, value added or other similar taxes and other duties (including interest and penalties) payable in any Relevant Jurisdiction in respect of the creation, issue, offering, execution or enforcement of the Notes, or any documentation with respect thereto.

Whenever there is mentioned in any context the payment of principal of, and any premium or interest on, any Note or under any Subsidiary Guarantee, such mention shall be deemed to include payment of Additional Amounts provided for in the Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The above obligation of the Company will survive the repayment of the Notes, termination, defeasance or discharge of the Indenture and any transfer by a Holder or beneficial owner of its Notes.

Redemption for Taxation Reasons

The Notes may be redeemed, at the option of the Company or a Surviving Person, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to the Holders (which notice shall be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Company or the Surviving Person, as the case may be, for redemption (the "Tax Redemption Date") if, as a result of:

(1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction, affecting taxation; or

(2) any change in the existing official position or the stating of an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment becomes effective or, in the case of an official position, is announced (i) except as described in (ii), on or after the Original Issue Date, or (ii) with respect to any Future Subsidiary Guarantor or Surviving Person whose Relevant Taxing Jurisdiction has not been a Relevant Taxing Jurisdiction immediately before the date such Future Subsidiary Guarantor or Surviving Person became a Subsidiary Guarantor or Surviving Person, on or after the date such Future Subsidiary Guarantor or Surviving Person becomes a Subsidiary Guarantor or Surviving Person, with respect to any payment due or to become due under the Notes or the Indenture, the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, a Surviving Person or a Subsidiary Guarantor, as the case may be; *provided* that changing the jurisdiction of the Company, a Subsidiary Guarantor or a Surviving Person is not a reasonable measure for the purposes of this section; *provided further* that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due, *provided further* that where any such requirement to

pay Additional Amounts is due to taxes imposed by India or any political subdivision or taxing authority thereof or therein, the Company, a Subsidiary Guarantor or the Surviving Person shall be permitted to redeem the Notes in accordance with the provisions hereof only if the rate of withholding or deduction in respect of which Additional Amounts are required is in excess of 5% (plus applicable surcharge and cess).

Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, will deliver to the Trustee at least 30 days but not more than 60 days before a redemption date:

(1) an Officer's Certificate stating that such change or amendment referred to in the prior paragraph has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, taking reasonable measures; and

(2) an Opinion of Counsel or an opinion of a tax consultant, in either case of recognized standing with respect to tax matters of the Relevant Taxing Jurisdiction, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in the prior paragraph.

The Trustee shall accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it shall be conclusive and binding on the Holders.

Any Notes that are redeemed will be cancelled.

Set forth below are summaries of certain covenants contained in the Indenture.

Limitation on Indebtedness

(1) The Company will not, and will not permit any Restricted Subsidiary to, Incur any Indebtedness (including Acquired Indebtedness), *provided* that the Company and any Subsidiary Guarantor may Incur Indebtedness (including Acquired Indebtedness) if, after giving pro forma effect to the Incurrence of such Indebtedness and the receipt and application of the proceeds therefrom, (x) no Default has occurred and is continuing, and (y) the Fixed Charge Coverage Ratio would not be less than 2.25 to 1.0.

(h) (i) the Guarantee by the Company or any Restricted Subsidiaries of Indebtedness of the Company or any Restricted Subsidiary permitted to be incurred by this covenant and (ii) the Guarantee by any Restricted Subsidiary (other than a Subsidiary Guarantor) of Indebtedness of another Restricted Subsidiary permitted to be Incurred by this covenant;

(i) Indebtedness of the Company or any Restricted Subsidiary owed to the Company or any Restricted Subsidiary; *provided* that (i) any event which results in (x) any Restricted Subsidiary to which such Indebtedness is owed ceasing to be a Restricted Subsidiary or (y) any subsequent transfer of such Indebtedness (other than to the Company or any Restricted Subsidiary) shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted by this clause (i) and (ii) if the Company or a Subsidiary Guarantor is the obligor under such Indebtedness, such Indebtedness must expressly be subordinated in right of payment to the Notes or such Subsidiary Guarantor's Subsidiary Guarantee, as the case may be;

(j) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently, except in the case of daylight overdrafts, drawn against insufficient funds in the ordinary course of business; *provided*, *however*, that this Indebtedness is extinguished within five Business Days;

(k) Indebtedness of the Company or any Restricted Subsidiary in respect of workers' compensation claims and claims arising under similar legislation, or in connection with self-insurance or similar requirements, in each case in the ordinary course of business;

(l) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, or other similar obligations, in each case Incurred or assumed in connection with the disposition of any business, assets of the Company or of a Restricted Subsidiary, other than Guarantees of Indebtedness Incurred by any Person acquiring all or any portion of any of the Company's or a Restricted Subsidiary's business or assets for the purpose of financing an acquisition; *provided*, *however*, that the maximum assumable liability in respect of all this Indebtedness shall at no time exceed the gross proceeds actually received by the Company and/or the relevant Restricted Subsidiary in connection with the disposition; and

(m) obligations with respect to trade letters of credit, performance and surety bonds and completion guarantees provided by the Company or any of its Restricted Subsidiaries securing obligations, entered into in the ordinary course of business, to the extent the letters of credit, bonds or guarantees are not drawn upon or, if and to the extent drawn upon is honored in accordance with its terms and, if to be reimbursed, is reimbursed no later than 30 days following receipt of a demand for reimbursement following payment on the letter of credit, bond or guarantee.

For purposes of determining compliance with this "Limitation on Indebtedness" covenant, in the event that an item of Indebtedness meets the criteria of more than one of the types of Permitted Indebtedness or is permitted to be Incurred pursuant to paragraph (1) of this covenant, the Company may, in its sole discretion, classify, and from time to time may reclassify, such item of Indebtedness and only be required to include the amount of such Indebtedness as one of such types, *provided*, *however* that the Company shall not be permitted to reclassify any portion of Indebtedness incurred under paragraph (2)(a) as Indebtedness Incurred under any other provision and shall not be permitted to reclassify any Indebtedness Incurred under any provision other than paragraph (2)(a) as Indebtedness Incurred under paragraph (2)(a).

Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred (or first committed, in the case of revolving credit debt); *provided*, that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Limitation on Restricted Payments

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly (the payments or any other actions described in clauses (1) through (4) below being collectively referred to as "Restricted Payments"):

(1) declare or pay any dividend or make any distribution on or with respect to the Company's or any of the Restricted Subsidiaries' Capital Stock (other than dividends or distributions payable solely in shares of Capital Stock of the Company (other than Disqualified Stock or Preferred Stock) or in options, warrants or other rights to acquire shares of such Capital Stock) held by Persons other than the Company or any Restricted Subsidiary;

(2) purchase, call for redemption or redeem, retire or otherwise acquire for value any shares of Capital Stock of the Company or any Restricted Subsidiary or any direct or indirect parent of the Company (including options, warrants or other rights to acquire such shares of Capital Stock) held by any Persons other than the Company or any Restricted Subsidiary;

(3) make any voluntary or optional principal payment, or voluntary or optional redemption, repurchase, defeasance, or other voluntary or optional acquisition or retirement for value, of Subordinated Indebtedness (excluding any intercompany Indebtedness between the Company and any Restricted Subsidiary or among Restricted Subsidiaries and Sponsor Bridge Financing repaid using Permitted Refinancing Indebtedness); or

(4) make any Investment, other than a Permitted Investment;

if, at the time of, and after giving effect to, the proposed Restricted Payment:

(a) a Default has occurred and is continuing or would occur as a result of such Restricted Payment;

(b) the Company could not Incur at least US$1.00 of Indebtedness under the Fixed Charge Coverage Ratio described in the first paragraph under "—Limitation on Indebtedness"; or

(c) such Restricted Payment, together with the aggregate amount of all Restricted Payments made by the Company and the Restricted Subsidiaries after the Measurement Date, shall exceed the sum of:

(i) 50% of the aggregate amount of the Consolidated Net Income of the Company (or, if the Consolidated Net Income is a loss, minus 100% of the amount of such loss) accrued on a cumulative basis during the period (taken as one accounting period) beginning on the first day of the quarter in which the Measurement Date falls and ending on the last day of the Company's most recently ended fiscal quarter for which consolidated financial statements of the Company (which the Company shall use its reasonable best efforts to compile in a timely manner and which may be internal financial statements) are available and have been provided to the Trustee at the time of such Restricted Payment; plus

(ii) 100% of the aggregate Net Cash Proceeds received by the Company after the Measurement Date as a capital contribution to its common equity by, or from the issuance and sale of its Capital Stock (other than Disqualified Stock) to a Person who is not a Restricted Subsidiary, including any such Net Cash Proceeds received upon (A) the conversion by a Person who is not a Subsidiary of the Company of any Indebtedness (other than Subordinated Indebtedness) of the Company into

Capital Stock (other than Disqualified Stock) of the Company, or (B) the exercise by a Person who is not a Subsidiary of the Company of any options, warrants or other rights to acquire Capital Stock of the Company (other than Disqualified Stock), in each case after deducting the amount of any such Net Cash Proceeds used to redeem, repurchase, defease or otherwise acquire or retire for value any Subordinated Indebtedness or Capital Stock of the Company or any Restricted Subsidiary; plus

(iii) the amount by which Indebtedness of the Company is reduced on the Company's balance sheet upon the conversion or exchange subsequent to the Measurement Date of any Indebtedness of the Company convertible or exchangeable for Capital Stock (other than Disqualified Stock) of the Company (less the amount of any cash, or the Fair Market Value of any other property, distributed by the Company upon such conversion or exchange); *provided*, *however*, that the foregoing amount shall not exceed the Net Cash Proceeds received by the Company from the Incurrence of such Indebtedness; plus

(iv) an amount equal to the net reduction in Investments (other than reductions in Permitted Investments) that were made after the Measurement Date in any Person resulting from (A) payments of interest on Indebtedness, dividends or repayments of loans or advances by such Person, in each case to the Company or any Restricted Subsidiary (except, in each case, to the extent any such payment or proceeds are included in the calculation of Consolidated Net Income) after the Original Issue Date, (B) the unconditional release of a Guarantee provided by the Company or a Restricted Subsidiary after the Measurement Date of an obligation of another Person, (C) to the extent that an Investment made after the Measurement Date is sold or otherwise liquidated or repaid for cash, the lesser of (x) cash return of capital with respect to such Investment (less the cost of disposition, if any) and (y) the initial amount of such Investment, or (D) from redesignations of Unrestricted Subsidiaries as Restricted Subsidiaries, not to exceed, in each case, the amount of Investments (other than Permitted Investments) made by the Company or a Restricted Subsidiary after the Original Issue Date in any such Person and treated as a Restricted Payment.

The foregoing provision shall not be violated by reason of:

(1) the payment of any dividend or irrevocable redemption of any Capital Stock within 60 days after the related date of declaration or call for redemption if, at said date of declaration or call for redemption, such payment or redemption would comply with the preceding paragraph;

(2) the payment of any dividends or distributions declared, paid or made by a Restricted Subsidiary, to the holders of such Restricted Subsidiary's Capital Stock, majority of which is held, directly or indirectly through Restricted Subsidiaries, by the Company, on a pro rata basis or on a basis more favorable to the Company and its Restricted Subsidiaries;

(3) the redemption, repurchase or other acquisition of Capital Stock of the Company or any Restricted Subsidiary (or options, warrants or other rights to acquire such Capital Stock) in exchange for, or out of the Net Cash Proceeds of, a substantially concurrent capital contribution or sale (other than to a Subsidiary of the Company) of, shares of Capital Stock (other than Disqualified Stock) of the Company or such Restricted Subsidiary (or options, warrants or other rights to acquire such Capital Stock); *provided* that the amount of any such Net Cash Proceeds that are utilized for any such Restricted Payment will be excluded from clause (c)(ii) of the preceding paragraph;

(4) the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of the Company or any preferred stock of a Restricted Subsidiary issued on

or after the date of the Indenture that was permitted to be issued pursuant to the covenant described under "—Limitation on Indebtedness";

(5) the redemption, repurchase, defeasance or other acquisition or retirement for value of Subordinated Indebtedness of the Company or any Subsidiary Guarantor with the Net Cash Proceeds of, or in exchange for, a substantially concurrent Incurrence of Permitted Refinancing Indebtedness;

(6) any purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Disqualified Stock of the Company or preferred stock of a Restricted Subsidiary made by exchange for or out of the proceeds of the substantially concurrent sale of Disqualified Stock of the Company or preferred stock of a Restricted Subsidiary, as the case may be, that, in each case, is permitted to be incurred pursuant to the covenant described under "Limitation on Indebtedness" and that in each case constitutes Permitted Refinancing Indebtedness;

(7) the redemption, repurchase, defeasance or other acquisition or retirement for value of Subordinated Indebtedness of the Company in exchange for, or out of the Net Cash Proceeds of, a substantially concurrent capital contribution or sale (other than to a Subsidiary of the Company) of, shares of the Capital Stock (other than Disqualified Stock) of the Company (or options, warrants or other rights to acquire such Capital Stock); *provided* that the amount of any such Net Cash Proceeds that are utilized for any such Restricted Payment will be excluded from clause (c)(ii) of the preceding paragraph;

(8) Restricted Payments by the Company or any Restricted Subsidiary to allow the payment of cash in lieu of the issuance of fractional shares upon the exercise of options or warrants or upon the conversion or exchange of Capital Stock of any such Person;

(9) (i) the repurchase of Capital Stock deemed to occur upon the exercise of options, warrants or other rights in respect thereof if such Capital Stock represents all or a portion of the exercise price thereof and (ii) repurchases of Capital Stock deemed to occur upon the withholding of a portion of the Capital Stock granted or awarded to a director, employee, officer or consultant to pay for taxes payable by such director, employee, officer or consultant upon such grant or award;

(10) following an Initial Public Offering by the Company, the payment of dividends by the Company not to exceed US$5.0 million (or the Dollar Equivalent thereof) in any fiscal year;

(11) the repurchase, redemption or other acquisition or retirement for value of any Capital Stock of the Company or any Subsidiary Guarantor (or options, warrants or other rights to acquire such Capital Stock) held by any future, current or former officer, director, employee or consultant of the Company or any direct or indirect parent entities or Subsidiaries (or any such Person's assigns, estates or heirs) pursuant to any equity subscription agreement, stock option agreement, shareholders' agreement or similar plans or other contractual arrangements or agreements; *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired Capital Stock may not exceed US$1.0 million (or the Dollar Equivalent thereof) in any fiscal year;

(12) other Restricted Payments in an amount not to exceed US$15.0 million less the Dollar Equivalent of the dividend paid by the Company on November 10, 2017 in aggregate; and

(13) the redemption, repurchase or other acquisition of Capital Stock in a Restricted Subsidiary, for an amount not to exceed US$15.0 million in aggregate;

provided that, in the case of clauses (2), (3) and (4) of this paragraph, no Event of Default shall have occurred and be continuing or would occur as a consequence of the actions or payments set forth therein. Each Restricted Payment made pursuant to clauses (1), (10), (12) or (13) of this paragraph shall be included in calculating whether the conditions of clause (c) of the first paragraph of this "—Limitation on Restricted Payments" covenant have been met with respect to any subsequent Restricted Payments.

The amount of any Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or the Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The value of any assets or securities (other than cash) that are required to be valued by this covenant will be the Fair Market Value. The Board of Directors' determination of the Fair Market Value of any assets (including securities) other than cash in a Restricted Payment or a series of related Restricted Payments must be based upon an opinion or an appraisal issued by an appraisal or investment banking firm of recognized standing if the Fair Market Value exceeds US$10.0 million (or the Dollar Equivalent thereof) and such determination must be contained in a Board Resolution set forth in an Officer's Certificate that is provided to the Trustee.

Not later than the date of making any Restricted Payment in excess of US$10.0 million (or the Dollar Equivalent thereof), the Company will deliver to the Trustee an Officer's Certificate stating that such Restricted Payment is permitted and setting forth the basis upon which the calculations required by this "—Limitation on Restricted Payments" covenant were computed, together with a copy of any fairness opinion or appraisal required by the Indenture.

Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

(1) Except as provided in paragraph (2) below, the Company will not, and will not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary to:

(a) pay dividends or make any other distributions on any Capital Stock of such Restricted Subsidiary owned by the Company or any other Restricted Subsidiary;

(b) pay any Indebtedness or other obligation owed to the Company or any other Restricted Subsidiary;

(c) make loans or advances to the Company or any other Restricted Subsidiary; or

(d) sell, lease or transfer any of its property or assets to the Company or any other Restricted Subsidiary;

provided that it being understood that (i) the priority of any preferred stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock; (ii) the subordination of loans or advances made to the Company or any of its Restricted Subsidiaries to other Indebtedness incurred by the Company or any Restricted Subsidiary; and (iii) the provisions contained in documentation governing Indebtedness requiring transactions between or among the Company and/or any of its Restricted Subsidiaries to be on fair and reasonable terms or on an arm's length basis, in each case, shall not be deemed to constitute such an encumbrance or restriction.

(2) The provisions of paragraph (1) do not apply to any encumbrances or restrictions:

(a) existing in agreements as in effect on the Original Issue Date, or in the Notes, the Subsidiary Guarantees, the Indenture, the Security Documents, or any extensions, refinancings, renewals or

replacements of any of the foregoing agreements; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced, as determined in good faith by the Company;

(b) existing under or by reason of applicable law, rule, regulation or order;

(c) existing with respect to any Person or the property or assets of such Person acquired by the Company or any Restricted Subsidiary, at the time of such acquisition and not incurred in contemplation thereof, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Person or the property or assets of such Person so acquired, and any extensions, refinancings, renewals or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced as determined in good faith by the Company;

(d) that otherwise would be prohibited by the provision described in clause (1) of this covenant if they arise, or are agreed to, in the ordinary course of business and (i) restrict in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease or license, (ii) exist by virtue of any Lien on, or agreement to transfer, option or similar right with respect to any property or assets of the Company or any Restricted Subsidiary not otherwise prohibited by the Indenture or (iii) do not relate to any Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of the Company or any Restricted Subsidiary in any manner material to the Company or any Restricted Subsidiary;

(e) with respect to a Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock of, or property and assets of, such Restricted Subsidiary that is permitted by the "—Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries," "—Limitation on Indebtedness" and "—Limitation on Asset Sales" covenants;

(f) with respect to any Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the Incurrence of Indebtedness permitted under the "—Limitation on Indebtedness" covenant if, as determined by the Board of Directors, the encumbrances or restrictions (i) are customary for such type of agreement and (ii) would not, at the time agreed to, be expected to materially and adversely affect the ability of the Company or the Subsidiary Guarantors to make required payments on the Notes or any Subsidiary Guarantee;

(g) existing under or by reason of purchase money obligations for property acquired in connection with the Permitted Business and Capitalized Lease Obligations that impose restrictions on the property purchased or leased of the nature described in clause (1)(d) above and are incurred in accordance with the "—Limitation on Indebtedness" covenant;

(h) existing under or by reason of customary non-assignment provisions in contracts and licenses entered into in connection with the Permitted Business;

(i) existing under or by reason of provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale and leaseback agreements, stock

sale agreements and other similar agreements entered into with the approval of the Company's Board of Directors, if the encumbrances or restrictions would not, at the time agreed to, be expected to materially adversely affect the ability of the Company and any Subsidiary Guarantors to make required payments on the Notes;

(j) existing under or by reason of restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(k) existing under or by reason of customary restrictions imposed on the transfer of, or in licenses related to, copyrights, patents or other intellectual property and contained in agreements entered into in the ordinary course of business; or

(l) existing under or by reason of Permitted Refinancing Indebtedness; *provided* that the encumbrances and restrictions contained in the agreements governing that Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the debt being refinanced.

Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries

The Company will not sell, and will not permit any Restricted Subsidiary, directly or indirectly, to issue or sell, any shares of Capital Stock of a Restricted Subsidiary (including in each case options, warrants or other rights to purchase shares of such Capital Stock) except:

(1) to the Company or a Wholly Owned Restricted Subsidiary;

(2) to the extent such Capital Stock represents director's qualifying shares or is required by applicable law to be held by a Person other than the Company or a Wholly Owned Restricted Subsidiary;

(3) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale); *provided* that the Company or such Restricted Subsidiary applies the Net Cash Proceeds of such issuance or sale, to the extent required, in accordance with the "—Limitation on Asset Sales" covenant;

(4) the issuance or sale of Capital Stock of a Restricted Subsidiary if, immediately after giving effect to such issuance or sale, such Restricted Subsidiary would no longer constitute a Restricted Subsidiary and any remaining Investment in such Person would have been permitted to be made under the "Limitation on Restricted Payments" covenant if made on the date of such issuance or sale and *provided* that the Company complies with the "—Limitation on Asset Sales" covenant; and

(5) the issuance of Capital Stock of a Restricted Subsidiary upon conversion of any Indebtedness of any such Restricted Subsidiary following a default on such Indebtedness by such Restricted Subsidiary.

Limitation on Issuances of Guarantees by Restricted Subsidiaries

The Company will not permit any Restricted Subsidiary which is not a Subsidiary Guarantor, directly or indirectly, to provide any guarantee for any Indebtedness ("Guaranteed Indebtedness") of the Company or any Subsidiary Guarantor unless (a) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to the Indenture providing for an unsubordinated Subsidiary Guarantee of payment of the Notes by such Restricted Subsidiary and (b) such Restricted Subsidiary waives and will not in any manner whatsoever

claim, or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee until the Notes have been paid in full.

If the Guaranteed Indebtedness (A) ranks *pari passu* in right of payment with the Notes or any Subsidiary Guarantee, then the guarantee of such Guaranteed Indebtedness shall rank *pari passu* in right of payment with, or subordinated to, the Subsidiary Guarantee or (B) is subordinated in right of payment to the Notes or any Subsidiary Guarantee, then the guarantee of such Guaranteed Indebtedness shall be subordinated in right of payment to the Subsidiary Guarantee at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes or the Subsidiary Guarantee.

Limitation on Transactions with Shareholders and Affiliates

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into, renew or extend any transaction or arrangement (or service of related transactions or arrangements) (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with (x) any holder (or any Affiliate of such holder) of 5.0% or more of any class of Capital Stock of the Company or (y) any Affiliate of the Company (each an "Affiliate Transaction"), involving aggregate payments or consideration in excess of US$500,000 or the Dollar Equivalent thereof, unless:

(1) the Affiliate Transaction is on fair and reasonable terms that are no less favorable to the Company or the relevant Restricted Subsidiary, as the case may be, than those that would have been obtained in a comparable transaction by the Company or the relevant Restricted Subsidiary with a Person that is not an Affiliate of the Company; and

(2) the Company delivers to the Trustee:

(a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$5.0 million (or the Dollar Equivalent thereof), a Board Resolution set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with this covenant and such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors; *provided* that, if no disinterested member of the Board of Directors exists with respect to any Affiliate Transaction, the transaction may be approved by a majority of the members of the Board of Directors if the requirements of clause (b) below are met with respect to such Affiliate Transaction as if it involved aggregate consideration in excess of US$10.0 million; and

(b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$10.0 million (or the Dollar Equivalent thereof), in addition to the Board Resolution required in clause 2(a) above, an opinion as to the fairness to the Company or such Restricted Subsidiary, as the case may be, of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of recognized standing or an Independent Engineer.

The foregoing limitation does not limit, and shall not apply to:

(1) any employment or compensation agreement (whether based in cash or securities), officer or director indemnification agreement, severance or termination agreement or any similar arrangement entered into by the Company or any of its Restricted Subsidiaries and payments pursuant thereto and any

transactions pursuant to stock option plans, stock ownership plans and employee benefit plans or similar arrangements approved by the Board of Directors in each case in the ordinary course of business;

(2) the payment of reasonable and customary fees and reimbursement of expenses (pursuant to indemnity arrangements or otherwise) of officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries;

(3) transactions between or among the Company and any Wholly Owned Restricted Subsidiary or between or among Wholly Owned Restricted Subsidiaries which are entered into in the ordinary course of business and approved by the majority of the Board of Directors;

(4) any Restricted Payment of the type described in clause (1) or (2) of the first paragraph of the covenant described above under "—Limitation on Restricted Payments" if permitted by that covenant;

(5) any sale of Capital Stock (other than Disqualified Stock) of the Company (or options, warrants or other rights to acquire such Capital Stock) or any contribution of capital to the Company;

(6) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged into the Company or any of its Restricted Subsidiaries; *provided* that such agreement was not entered into in contemplation of such acquisition or merger;

(7) any purchases by the Company's Affiliates of Indebtedness or Disqualified Stock of the Company or any of its Restricted Subsidiaries where at least 90% of such Indebtedness or Disqualified Stock is purchased by Persons who are not Affiliates of the Company;

(8) transactions contemplated pursuant to agreements or arrangements in effect on the Original Issue Date and described in this offering memorandum, or any amendment or modification or replacement thereof that is not materially more disadvantageous to the Company than the agreement or arrangement in effect on the Original Issue Date; and

(9) transactions permitted by, and complying with, the covenant described under "—Consolidation, Merger and Sale of Assets."

In addition, the requirements of clause (2) of the first paragraph of this covenant shall not apply to any transaction between or among the Company, any Wholly Owned Restricted Subsidiary and any Restricted Subsidiary that is not a Wholly Owned Restricted Subsidiary or between or among any of them; *provided* that none of the minority shareholders or minority partners of or in such non-Wholly Owned Restricted Subsidiary is a Person described in clauses (x) or (y) of the first paragraph of this covenant (other than by reason of such minority shareholder or minority partner being an officer or director of such Restricted Subsidiary) and the requirement of clause (2)(b) of the first paragraph of this covenant shall not apply to transactions with concessionaires, licensees, customers, clients, suppliers, vendors or purchasers or sellers of goods or services, derivatives, insurance or Hedging Obligations or lessors or lessees or providers of employees or other labor or property, including, in each case, the Permitted Holders, in the ordinary course of business.

Limitation on Liens

The Company will not, and the Company will not permit any of its Restricted Subsidiaries to, directly or indirectly, incur, assume or permit to exist any Lien on the Collateral (other than Permitted Liens).

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur, assume or permit to exist any Lien (other than Permitted Liens) of any nature whatsoever on any of its assets or properties of any kind (other than the Collateral), whether owned at the Original Issue Date or thereafter acquired, unless the Notes are (or, in respect of any Lien on any Subsidiary Guarantor's property or assets, any Subsidiary Guarantee of such Restricted Subsidiary is) equally and ratably secured by such Lien.

Limitation on Sale and Leaseback Transactions

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction; *provided* that the Company or a Restricted Subsidiary may enter into a Sale and Leaseback Transaction if:

(1) the Company or such Restricted Subsidiary could have (a) Incurred Indebtedness in an amount equal to the Attributable Indebtedness relating to such Sale and Leaseback Transaction under the covenant described under "—Limitation on Indebtedness" and (b) incurred a Lien to secure such Indebtedness pursuant to the covenant described above under "—Limitation on Liens," in which case, the corresponding Indebtedness will be deemed Incurred and the corresponding Lien will be deemed incurred pursuant to those provisions;

(2) the gross cash proceeds of that Sale and Leaseback Transaction are at least equal to the Fair Market Value of the property that is the subject of such Sale and Leaseback Transaction; and

(3) the transfer of assets in that Sale and Leaseback Transaction is not prohibited by the covenant described below under "—Limitation on Asset Sales."

Limitation on Asset Sales

The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless:

(1) the consideration received by the Company or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of; and

(2) at least 75% of the consideration received consists of cash, Temporary Cash Investments or Replacement Assets (as defined below); *provided* that in the case of an Asset Sale in which the Company or such Restricted Subsidiary receives Replacement Assets involving aggregate consideration in excess of US$25.0 million (or the Dollar Equivalent thereof), the Company shall deliver to the Trustee an opinion of fairness to the Company or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an accounting, appraisal or investment banking firm of recognized standing or Independent Engineer. For purposes of this provision, each of the following will be deemed to be cash:

(a) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Subsidiary Guarantee) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that releases the Company or such Restricted Subsidiary, as the case may be, from or indemnifies them against further liability; and

(b) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from such transferee that are promptly, but in any event within 90 days of closing, converted by the Company or such Restricted Subsidiary, as the case may be, into cash, to the extent of the cash received in that conversion.

(3) Within 365 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company or the applicable Restricted Subsidiary, as the case may be, may apply an amount equal to such Net Cash Proceeds:

(a) if and to the extent the Asset Sale relates to Collateral:

(i) to permanently repay any Senior Indebtedness secured by the Collateral (including the Notes) (and if any such Senior Indebtedness is revolving credit Indebtedness, to correspondingly permanently reduce commitments with respect thereto), in each case owing to a Person other than the Company or a Restricted Subsidiary, *provided* that to the extent no Senior Indebtedness (other than the Notes) remains outstanding, the Company or the applicable Restricted Subsidiary, as the case may be, may apply such Net Cash Proceeds to make an Offer to Purchase to all Holders in accordance with the procedures set forth in clause (4) below (subject to applicable RBI guidelines and to the extent permitted under the Concession Agreement), at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, and purchase any Notes tendered (and not validly withdrawn) in connection therewith; or

(ii) make capital expenditures or acquire properties and assets that replace the properties and assets that were the subject of such Asset Sale or properties or assets (other than current assets) that are used or will be used in the Permitted Business, acquire all or substantially all of the assets of or the Capital Stock of, a Person, or a line of business, the primary business of which is a Permitted Business, or any combination of the foregoing, in each case ("Replacement Assets"); and

(b) if and to the extent the Asset Sale does not relate to Collateral:

(i) permanently repay any Senior Indebtedness (and if any such Indebtedness is revolving credit Indebtedness, to correspondingly permanently reduce commitments with respect thereto), in each case owing to a Person other than the Company or a Restricted Subsidiary;

(ii) acquire Replacement Assets; or

(iii) fund the operating requirements of the Company;

provided that, pending the application of Net Cash Proceeds in accordance with clauses (a) or (b) of this paragraph, such Net Cash Proceeds may be temporarily invested only in cash or Temporary Cash Investments or be used to temporarily reduce revolving credit Indebtedness.

(4) Any amount of Net Cash Proceeds from Asset Sales that are not applied or invested as provided in clause (3) will constitute "Excess Proceeds." Excess Proceeds of less than US$10.0 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. When accumulated Excess Proceeds exceed US$10.0 million (or the Dollar Equivalent thereof), subject to applicable RBI

guidelines and to the extent permitted under the Concession Agreement, within ten (10) Business Days thereof, the Company must make an Offer to Purchase Notes having a principal amount equal to:

(a) accumulated Excess Proceeds, multiplied by

(b) a fraction (x) the numerator of which is equal to the outstanding principal amount of the Notes and (y) the denominator of which is equal to the outstanding principal amount of the Notes and (i) to the extent the Asset Sale relates to Collateral, all Indebtedness under any Permitted Pari Passu Secured Indebtedness; and (ii) to the extent the Asset Sales does not relate to Collateral, all Senior Indebtedness, in any such case similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale, rounded down to the nearest US$1,000.

If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Trustee will select the Notes to be purchased on a pro rata basis. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

Limitation on Business Activities

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, engage in any business other than Permitted Businesses.

Use of Proceeds

The Company will not use the net proceeds from the sale of the Notes issued and sold on the Original Issue Date, in any amount, for any purpose other than (1) as specified under "Use of Proceeds" in this offering memorandum and (2) pending the application of all of such net proceeds in such manner, to invest the portion of such net proceeds not yet so applied in cash or Temporary Cash Investments.

Designation of Restricted and Unrestricted Subsidiaries

The Board of Directors may designate any Restricted Subsidiary to be an Unrestricted Subsidiary; *provided* that (1) no Default shall have occurred and be continuing at the time of or after giving effect to such designation; (2) such Restricted Subsidiary does not own any Disqualified Stock of the Company or Disqualified Stock or Preferred Stock of a Restricted Subsidiary or hold any Indebtedness of, or any Lien on any property of, the Company or any Restricted Subsidiary, if such Disqualified Stock or Preferred Stock or Indebtedness could not be Incurred under the covenant described under "—Limitation on Indebtedness" or such Lien would violate the covenant described under "—Limitation on Liens"; (3) such Restricted Subsidiary does not own any Voting Stock of another Restricted Subsidiary (other than Restricted Subsidiaries concurrently designated to be Unrestricted Subsidiaries in accordance with this covenant), and all of its Subsidiaries are Unrestricted Subsidiaries or are being concurrently designated to be Unrestricted Subsidiaries in accordance with this paragraph; (4) such Restricted Subsidiary has no outstanding Indebtedness that could trigger a cross-default to the Indebtedness of the Company or any other Restricted Subsidiary; and (5) the Investment deemed to have been made thereby in such newly designated Unrestricted Subsidiary and each other newly designated Unrestricted Subsidiary being concurrently redesignated would be permitted to be made by the covenant described under "—Limitation on Restricted Payments."

The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that (1) no Default shall have occurred and be continuing at the time of or after giving effect to such designation; (2) any Indebtedness of such Unrestricted Subsidiary outstanding at the time of such designation which will be deemed to have been Incurred by such newly designated Restricted Subsidiary as a result of such designation would be permitted to be Incurred by the covenant described under "—Limitation on Indebtedness"; (3) any Lien on the property of such Unrestricted Subsidiary at the time of such designation, which Liens will be deemed to have been incurred by such newly designated Restricted Subsidiary as a result of such designation, would be permitted to be incurred by the covenant described under "—Limitation on Liens"; and (4) such Unrestricted Subsidiary is not a Subsidiary of another Unrestricted Subsidiary (that is not concurrently being designated as a Restricted Subsidiary).

All designations must be evidenced by a Board Resolution delivered to the Trustee certifying compliance with the preceding provisions.

Government Approvals and Licenses; Compliance with Law

The Company will, and will cause each Restricted Subsidiary to, (1) obtain and maintain in full force and effect substantially all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the Permitted Business, including the Project Agreements; (2) comply with the terms of the Project Agreements and not take any action or omit to take any action that could give rise to the right of any party to terminate the relevant Project Agreement or, in the case of the Concession Agreement, to permit substitution of the Company by another person under the Concession Agreement or other agreement; (3) preserve and maintain good and valid title to its properties and assets (including land-use rights) free and clear of any Liens other than as permitted by the covenant described under "Limitation on Liens"; and (4) comply with all laws, regulations, orders, judgments and decrees of any governmental body, except to the extent that failure so to obtain, maintain, comply or preserve and maintain would not reasonably be expected to have a material adverse effect on the business, results of operations or prospects of the Company and its Restricted Subsidiaries, taken as a whole.

Anti-Layering

The Company will not Incur, and will not permit any Subsidiary Guarantor to Incur, any Indebtedness if such Indebtedness is contractually subordinated in right of payment to any other Indebtedness of the Company or any Subsidiary Guarantor, as the case may be, unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Subsidiary Guarantees on substantially identical terms. No Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness by virtue of being unsecured, or by reason of any Liens or Guarantees securing or in favor of some but not all of such Indebtedness or as a result of Indebtedness having a junior priority with respect to the same collateral or being secured by different collateral.

Suspension of Certain Covenants

If on any date following the date of the Indenture, the Notes have a rating of Investment Grade from both of the Rating Agencies and no Default has occurred and is continuing, then, beginning on that day and continuing until such time, if any, at which the Notes cease to have a rating of Investment Grade from both of the Rating Agencies (such period, the "Suspension Period"), the provisions of the Indenture summarized under the following captions will be suspended:

(1) "—Certain Covenants—Limitation on Indebtedness";

(2) "—Certain Covenants—Limitation on Restricted Payments";

(3) "—Certain Covenants—Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries";

(4) "—Certain Covenants—Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries";

(5) "—Certain Covenants—Limitation on Issuances Guarantees by Restricted Subsidiaries";

(6) "—Certain Covenants—Limitation on Sale and Leaseback Transactions";

(7) "—Certain Covenants—Limitation on Asset Sales;" and

(8) clauses (3) of the first and second paragraph of the covenant summarized under "—Consolidation, Merger of Sale or Assets."

During any period that the foregoing covenants have been suspended, the Board of Directors may not designate any of the Restricted Subsidiaries as Unrestricted Subsidiaries pursuant to the covenant summarized under "—Certain Covenants—Designation of Restricted and Unrestricted Subsidiaries" or the definition of "Unrestricted Subsidiary."

Such covenants will be reinstituted and apply according to their terms as of and from the first day on which a Suspension Period ceases to be in effect. Such covenants will not, however, be of any effect with regard to actions of the Company or any Restricted Subsidiary properly taken in compliance with the provisions of the Indenture during the continuance of the Suspension Period, and following reinstatement (1) the calculations under the covenant summarized under "—Certain Covenants—Limitation on Restricted Payments" will be made as if such covenant had been in effect since the date of the Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended and (2) all Indebtedness incurred, or Disqualified Stock or preferred stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to clause (2)(c) of the covenant summarized under "—Certain Covenants—Limitation on Indebtedness." Upon the occurrence of a Suspension Period, the amount of Excess Proceeds shall be reset to the amount in effect at the beginning of the Suspension Period.

There can be no assurance that the Notes will ever achieve a rating of Investment Grade or that any such rating will be maintained.

If at any time the Company is required by (a) the lenders or holders of any Indebtedness or (b) applicable stock exchange rules or securities regulations to provide its consolidated annual or quarterly financial statements as set forth above prior to the delivery dates specified above, the Company shall provide the reports set forth above to the Trustee and, upon request, furnish such reports to the Holders on or before such earlier dates.

All historical financial statements shall be prepared in accordance with GAAP and on a consistent basis for the periods presented; *provided* that the reports set forth in clauses (1) and (2) above may, in the event of a change in applicable GAAP, present earlier periods on the basis of GAAP that applied to such periods.

At any time that any of the Company's Subsidiaries are Unrestricted Subsidiaries and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly financial information required by clauses (1) and (2) of this covenant shall include a summary presentation, either on the face of the financial statements or in the footnotes thereto or in the operating and financial review of the financial statements of the revenue, EBITDA, net income, cash, total assets, total debt, shareholders equity, capital expenditures and interest expense of such Unrestricted Subsidiaries.

Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If an Event of Default specified in clause (7) or (8) above occurs with respect to the Company or any Restricted Subsidiary, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

The Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee may on behalf of the Holders waive all past defaults and rescind and annul a declaration of acceleration and its consequences if:

(1) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived; and

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

If an Event of Default occurs and is continuing, the Trustee may, or shall upon the written instruction of Holders of at least 25% in aggregate principal amount of the outstanding Notes, instruct the Security Trustee to foreclose on the Collateral in accordance with the terms of the Security Documents and the Intercreditor Agreement and take such further action on behalf of the Holders with respect to the Collateral in accordance with such written instruction, the Security Documents and the Intercreditor Agreement. The Trustee shall not be obliged to take any steps to ascertain whether an Event of Default has occurred or to monitor the occurrence and continuance of any Event of Default, and shall not be liable to the Holders or any other person for not doing so.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture or the Intercreditor Agreement, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders. In addition, the Trustee will not be required to expend its own funds in following such direction if it does not believe that reimbursement or satisfactory indemnification is assured to it.

A Holder may not institute any proceeding, judicial or otherwise, with respect to the Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under the Indenture or the Notes, unless:

(1) the Holder has previously given the Trustee written notice of a continuing Event of Default;

(2) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer the Trustee indemnity satisfactory to the Trustee against any costs, liability or expense to be incurred in compliance with such request;

(4) the Trustee does not comply with the request within (x) 60 days after receipt of the written request pursuant to clause (2) above or (y) 60 days after the receipt of the offer of indemnity pursuant to clause (3) above, whichever occurs later; and

(5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

However, such limitations do not apply to the right of any Holder of a Note to receive payment of the principal of, premium, if any, or interest on, such Note or any payment under any Subsidiary Guarantee, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, which right shall not be impaired or affected without the consent of the Holder. A Holder may not use the Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Officers of the Company must certify to the Trustee in writing, on or before a date not more than 120 days after the end of each fiscal year, that a review has been conducted of the activities of the Company and the Restricted Subsidiaries and the Company's and the Restricted Subsidiaries' performance under the Indenture and that the Company and each Subsidiary Guarantor have fulfilled all of their respective obligations thereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof. The Company will also be obligated to notify the Trustee in writing of any default or defaults in the performance of any covenants or agreements under the Indenture, as described under "—Provision of Financial Statements and Reports."

(4) immediately after giving effect to such transaction on a pro forma basis, the Company or the Surviving Person, as the case may be, could Incur at least US$1.00 of Indebtedness under the proviso of paragraph (1) of the covenant described under "—Certain Covenants—Limitation on Indebtedness"; *provided* that this clause (3) shall not apply to any such consolidation, merger, sale, conveyance, transfer, lease or other disposition with, into or to a Restricted Subsidiary;

(5) the Company shall deliver to the Trustee (x) an Officer's Certificate (attaching the arithmetic computations to demonstrate compliance with clause (3)) and (y) an Opinion of Counsel, in each case stating that such consolidation, merger or transfer and the relevant supplemental indenture complies with this provision and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with;

(6) each Subsidiary Guarantor shall execute and deliver a supplemental indenture to the Indenture confirming that its Subsidiary Guarantee shall apply to the obligations of the Company or the Surviving Person, as the case may be, in accordance with the Notes and the Indenture; and

(7) no Rating Decline shall have occurred.

No Subsidiary Guarantor will consolidate with, merge with or into another Person, permit any Person to merge with or into it, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of the properties and assets of the Subsidiary Guarantor and its Restricted Subsidiaries (computed on a consolidated basis) (as an entirety or substantially an entirety in one transaction or a series of related transactions) to another Person (other than the Company or another Subsidiary Guarantor), unless each of the following conditions is met:

(1) such Subsidiary Guarantor shall be the continuing Person, or the Person (if other than it) formed by such consolidation or merger, or with or into which the Subsidiary Guarantor consolidated or merged, or that acquired or leased such property and assets shall be the Company, another Subsidiary Guarantor or shall become a Subsidiary Guarantor concurrently with the transaction in accordance with the Indenture;

(4) immediately after giving effect to such transaction on a pro forma basis, the Company could Incur at least US$1.00 of Indebtedness under the proviso of paragraph (1) of the covenant described under "—Certain Covenants—Limitation on Indebtedness"; *provided* that this clause (4) shall not apply to any such consolidation, merger, sale, conveyance, transfer, lease or other disposition with, into or to a Restricted Subsidiary;

(5) the Company shall deliver to the Trustee (x) an Officer's Certificate (attaching the arithmetic computations to demonstrate compliance with clause (3)) and (y) an Opinion of Counsel, in each case stating that such consolidation, merger or transfer and the relevant supplemental indenture complies with this provision and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with; and

(6) no Rating Decline shall have occurred;

provided that this paragraph shall not apply to any sale or other disposition that complies with the "Limitation on Asset Sales" covenant or any Subsidiary Guarantor whose Subsidiary Guarantee is unconditionally released in accordance with the provisions described under "—The Subsidiary Guarantees—Release of the Subsidiary Guarantees."

The foregoing provisions would not necessarily afford Holders protection in the event of highly leveraged or other transactions involving the Company or the Subsidiary Guarantors that may adversely affect Holders.

No Payments for Consents

The Company will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture, the Notes or any Subsidiary Guarantee unless such consideration is offered to be paid or is paid to all Holders that consent, waive or agree to amend such term or provision within the time period set forth in the solicitation documents relating to such consent, waiver or amendment. Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes in connection with an exchange or tender offer, the Company and any Restricted Subsidiary may exclude (i) Holders or beneficial owners of the Notes that are not "qualified institutional buyers" as defined under the Securities Act, and (ii) Holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such Holders or beneficial owners would require the Company or any Restricted Subsidiary to comply with the registration requirements or other similar requirements under any securities laws of such jurisdiction, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, Holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Company in its sole discretion.

Investment Company Act of 1940, as amended, and after the passage of 123 days following the deposit, the trust fund will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law;

(3) the Company shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by it with the intent of preferring the Holders over any other of its creditors or with the intent of defeating, hindering, delaying or defrauding any other of its creditors or others;

(4) immediately after giving effect to such deposit on a pro forma basis, no Event of Default, or event that after the giving of notice or lapse of time or both would become an Event of Default, shall have occurred and be continuing on the date of such deposit or during the period ending on the 183rd day after the date of such deposit, and such defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Company or any of the Restricted Subsidiaries is a party or by which the Company or any of the Restricted Subsidiaries is bound;

(5) the Company shall have delivered to the Trustee an Opinion of Counsel from a law firm of recognized international standing with respect to U.S. tax matters to the effect that the Holders of the notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred, and, such Opinion of Counsel must be based on a ruling of the U.S. Internal Revenue Service or a change in applicable U.S. federal income tax law.

In the case of either discharge or defeasance of the Notes, each of the Subsidiary Guarantees will terminate.

Defeasance of Certain Covenants

The Indenture will further provide that the provisions of the Indenture will no longer be in effect with respect to clauses (3), (4) and (7) under the first paragraph and (3), (4) and (6) under the second paragraph under "—Consolidation, Merger and Sale of Assets" and all the covenants described herein under "—Certain Covenants," other than as described under "—Certain Covenants—Government Approvals and Licenses; Compliance with Law" and "—Certain Covenants—Anti-Layering," and clause (3) under "Events of Default" with respect to such clauses (3), (4) and (7) under the first paragraph and (3), (4) and (6) under the second paragraph under "—Consolidation, Merger and Sale of Assets" and with respect to the other events set forth in such clause, clause (4) under "—Events of Default" with respect to such other covenants and clauses (5), (6), (7) and (8) under "—Events of Default" shall be deemed not to be Events of Default upon, among other things, the deposit with the Trustee, in trust, of cash in U.S. dollars, U.S. Government Obligations or a combination thereof that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes, and the satisfaction of the provisions described in clause (2) and (5) of the preceding paragraph; *provided* that the Opinion of Counsel with respect to U.S. tax matters need not be based on a ruling of the U.S. Internal Revenue Service or a change in applicable U.S. federal income tax law.

Defeasance and Certain Other Events of Default

In the event the Company exercises its option to omit compliance with certain covenants and provisions of the Indenture with respect to the Notes as described in the immediately preceding paragraph and the Notes are

declared due and payable because of the occurrence of an Event of Default that remains applicable, the amount of cash in U.S. dollars and/or U.S. Government Obligations on deposit with the Trustee will be sufficient to pay amounts due on the Notes at the time of their Stated Maturity but may not be sufficient to pay amounts due on the Notes at the time of the acceleration resulting from such Event of Default. However, the Company and the Subsidiary Guarantors will remain liable for such payments.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the Trustee (or such other entity designated or appointed (as agent) by it for such purpose) as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal of, premium on, if any, and interest, if any, on, the Notes to the date of maturity or redemption;

(2) in respect of clause 1(b), no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and, in each case, the granting of Liens to secure such borrowings) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(3) the Company or any Subsidiary Guarantor has paid or caused to be paid all sums payable by it under the Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Amendments Without Consent of Holders

The Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement and any other Security Document may be amended, without the consent of any Holder:

(9) to conform the text of the Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any other Security Document to any provision of this "Description of the Notes" to the extent that such provision in this "Description of the Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement and any other Security Document;

(10) to add additional collateral to secure the Notes and any Subsidiary Guarantee and any other Indebtedness permitted to be secured by such additional collateral;

(12) to make any other change that would provide additional rights or benefits to the Trustee or that does not materially and adversely affect the rights of any Holder.

Amendments With Consent of Holders

Amendments of the Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement and any Security Document may be made by the Company, the Subsidiary Guarantors and the Trustee with the consent of

the Holders of not less than a majority in aggregate principal amount of the outstanding Notes, and the Holders of a majority in principal amount of the outstanding Notes may waive future compliance by the Company and the Subsidiary Guarantors with any provision of the Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement and any Security Document; *provided*, *however*, that no such modification, amendment or waiver may, without the consent of each Holder affected thereby:

(1) change the Stated Maturity of the principal of, or any installment of interest on, any Note;

(2) reduce the principal amount of, or premium, if any, or interest on, any Note;

(3) change the place, currency or time of payment of principal of, or premium, if any, or interest on, any Note;

(14) amend, change or modify any obligation of the Company described under "—Redemption of Notes Upon Certain Changes in Capital or Currency Exchange Controls."

In addition, any amendment or supplement to, or waiver of, the Indenture or the Security Documents to release any Collateral or to subordinate the ranking of the Liens securing the Notes except as provided in the Indenture and the Security Documents will require the consent of the holders of at least 75% in aggregate principal amount of Notes then outstanding.

Unclaimed Money

Claims against the Company for the payment of principal of, premium, if any, or interest, on the Notes will become void unless presentation for payment is made as required in the Indenture within a period of six years.

No Personal Liability of Incorporators, Stockholders, Officers, Directors or Employees

No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company or any Subsidiary Guarantor in the Indenture, or in any of the Notes or the Subsidiary Guarantees or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Company or any Subsidiary Guarantor or of any successor Person thereof. Each Holder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Subsidiary Guarantees. Such waiver may not be effective to waive liabilities under relevant laws.

Concerning the Trustee and the Paying Agent

HSBC Bank USA, National Association is to be appointed as trustee, registrar and paying agent under the Indenture with regard to the Notes. Except during the continuance of a Default, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Indenture and the Notes (as the case may be), and no implied covenant or obligation shall be read into the Indenture or the Notes (as the case may be) against the Trustee. If an Event of Default has occurred and is continuing, the Trustee will be required to use the same degree of care and skill in its exercise of the rights and powers vested in it under the Indenture or the Notes or the Subsidiary Guarantees (as the case may be) as a prudent person would exercise under the circumstances in the conduct of such person's own affairs.

Pursuant to the terms of the Indenture, the Notes or the Subsidiary Guarantees (as the case may be), the Company and the Subsidiary Guarantors will reimburse the Trustee for all properly incurred expenses.

None of the Trustee, Registrar, or Paying Agent shall be responsible for paying any tax, duty, charges, withholding or other payment or for determining whether such amounts are payable or the amount thereof, and shall not be responsible or liable for any failure by the Company, the Holders or any other person to pay such tax, duty, charges, withholding or other payment in any jurisdiction or to provide any notice or information to the Trustee or Agent that would permit, enable or facilitate the payment of any principal, premium (if any), interest or other amount under or in respect of the Notes without deduction or withholding for or on account of any tax, duty, charge, withholding or other payment imposed by or in any jurisdiction.

The Trustee may conclusively rely without liability on a report, confirmation or certificate or any advice of any lawyers, accountants, financial advisers, financial institution or any other expert, in each case, relevant to the transaction or the matters contained under the Indenture, whether or not their liability in relation thereto is

limited (by its terms or by any engagement letter relating thereto or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to conclusively rely as to the truth of the statements and the correctness of the opinions expressed in any such report, confirmation or certificate or advice and the Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such report, confirmation, certificate, or advice. Such report, confirmation or certificate or advice shall be binding on the Trustee and the Holders, and to the extent furnished by the Company to the Trustee, on the Company.

The Trustee may also request an Officer's Certificate or Opinion of Counsel as to the establishment of legal or factual matters before acting or refraining from acting, and the Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

The Trustee shall not be liable for any error of judgment made by it in good faith by a responsible officer or officers of the Trustee. The Trustee shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the written direction of the Holders of at least 25% in aggregate principal amount of the outstanding Notes relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under the Indenture.

None of the Trustee, Registrar, or Paying Agent shall be responsible for calculating or verifying the calculations of any amount payable under any notice of redemption and shall not be liable to the Holders or any other person for not doing so.

The Trustee, Registrar or Paying Agent shall not be liable for any action taken or omitted to be taken under the Indenture or for any loss or damage resulting from its actions or inaction except where such loss or damage is directly attributable to its own gross negligence or willful misconduct. In no event shall the Trustee be liable for any special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to loss of profit, goodwill, reputation, business opportunity or anticipated saving), even if the Trustee has been advised as to the likelihood of such loss or damage and regardless of the form of action.

No provision of the Indenture shall require the Trustee, Registrar or Paying Agent to do anything which, in its reasonable opinion, may be illegal or contrary to applicable law, regulation, court order, or the rules or operating procedures of any relevant stock exchange or clearing system; and the Trustee will not be liable to any person if prevented or delayed in performing any of its obligations or discretionary functions under or in connection with the Indenture by reason of any circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government or regulatory authority or action (including any laws, ordinances or regulations), the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility, or the like which delay, restrict or prohibit the providing of the services contemplated by the Indenture.

The Trustee is permitted to engage in other transactions with the Company and its Subsidiaries; *provided* that if it acquires any conflicting interest, it must eliminate such conflict or resign.

The Trustee will be under no obligation to exercise any rights or powers conferred under the Indenture for the benefit of the Holders unless such Holders have instructed the Trustee in writing and have offered to the Trustee indemnity and security and pre-funding satisfactory to the Trustee against any loss, liability or expense that might be incurred by it in compliance with such request or direction, *provided* that, with respect to a request or direction from Holders to enforce or instruct the Security Trustee to enforce the Security Documents against any Person, such security and indemnity shall include, without limitation (and without limiting the Trustee's ability to accept other forms of security or indemnity), prefunding by the requesting Holders of an account in the name of the Trustee in such amounts as the Trustee determines in its sole discretion. The foregoing prefunding

requirements shall be in addition, and subject in all respects, to any other requirements of the Trustee regarding the indemnity or security to be provided to it in connection with any such enforcement request, including requirements regarding the creditworthiness of the requesting Holders.

Notwithstanding anything to the contrary herein, whenever the Trustee is required or entitled by the terms of the Indenture, the Notes, the Subsidiary Guarantees, and the Security Documents to exercise any discretion or power, take any action of any nature, make any decision or give any direction or certification, the Trustee is entitled, prior to exercising any such discretion or power, taking any such action, making any such decision, or giving any such direction or certification, to solicit Holders for direction, and the Trustee is not responsible for any loss or liability incurred by any person as a result of any delay in it exercising such discretion or power, taking such action, making such decision, or giving such direction or certification where the Trustee is seeking such directions or the non-exercise of such discretion or power, or not taking any such action or making any such decision or giving any such direction or certification in the absence of any such directions from Holders. In any event, and as provided elsewhere herein, even where the Trustee has been directed by the Holders, the Trustee shall not be required to exercise any such discretion, power or take any such action as aforesaid unless it has been indemnified and/or secured and/or prefunded to its satisfaction.

Book-Entry; Delivery and Form

The certificates representing the Notes will be issued in fully registered form without interest coupons. Notes sold in offshore transactions in reliance on Regulation S under the Securities Act will initially be represented by one or more permanent global notes in definitive, fully registered form without interest coupons (each a "Regulation S Global Note") and will be deposited with HSBC Bank USA, National Association, as custodian for, and registered in the name of a nominee of, DTC for the accounts of Euroclear and Clearstream.

Notes sold in reliance on Rule 144A will be represented by one or more permanent global notes in definitive, fully registered form without interest coupons (each a "Restricted Global Note;" and together with the Regulation S Global Notes, the "Global Notes") and will be deposited with HSBC Bank USA, National Association, as custodian for, and registered in the name of a nominee of, DTC.

Each Global Note (and any Notes issued for exchange therefor) will be subject to certain restrictions on transfer set forth therein as described under "Transfer Restrictions."

Ownership of beneficial interests in a Global Note will be limited to persons who have accounts with DTC ("participants") or persons who hold interests through participants. Ownership of beneficial interests in a Global Note will be shown on, and the transfer of that ownership will be effected only through, records maintained by DTC or its nominee (with respect to interests of participants) and the records of participants (with respect to interests of persons other than participants). Qualified institutional buyers may hold their interests in a Restricted Global Note directly through DTC if they are participants in such system, or indirectly through organizations which are participants in such system.

Investors may hold their interests in a Regulation S Global Note directly through Euroclear or Clearstream, if they are participants in such systems, or indirectly through organizations that are participants in such system. Euroclear and Clearstream will hold interests in the Regulation S Global Notes on behalf of their participants through DTC.

So long as DTC, or its nominee, is the registered owner or holder of a Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Global Note for all purposes under the Indenture and the Notes. No beneficial owner of an interest in a Global Note will be able to transfer that interest except in accordance with DTC's applicable procedures, in addition to those provided for under the Indenture and, if applicable, those of Euroclear and Clearstream.

Payments of the principal of, and interest on, a Global Note will be made to DTC or its nominee, as the case may be, as the registered owner thereof. Neither the Issuer, any of the Guarantors, the Trustee, the Registrar nor the Principal Paying will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

The Issuer expects that DTC or its nominee, upon receipt of any payment of principal or interest in respect of a Global Note, will credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Note as shown on the records of DTC or its nominee. The Issuer also expects that payments by participants to owners of beneficial interests in such Global Note held through such participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of such participants.

Transfers between participants in DTC will be effected in the ordinary way in accordance with DTC rules and will be settled in same-day funds. Transfers between participants in Euroclear and Clearstream will be effected in the ordinary way in accordance with their respective rules and operating procedures.

Cross-market transfers between DTC, on the one hand, and directly or indirectly through Euroclear or Clearstream participants, on the other, will be effected through DTC, in accordance with DTC rules on behalf of Euroclear or Clearstream, as the case may be, by its respective depositary; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with its rules and procedures and within its established deadlines. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depositary to take action to effect final settlement on its behalf by delivering or receiving beneficial interests in the relevant global note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Clearstream participants and Euroclear participants may not deliver instructions directly to the depositaries for Clearstream or Euroclear. Because of time zone differences, the securities account of a Euroclear participant or Clearstream participant purchasing a beneficial interest in a global note from a participant will be credited during the securities settlement processing day immediately following the DTC settlement date and such credit of any transactions in beneficial interests in such global note settled during such processing will be reported to the relevant Euroclear participant or Clearstream participant on such Business Day. Cash received in Euroclear or Clearstream as a result of sales of beneficial interests in a global note by or through a Euroclear participant or Clearstream participant to a participant will be received with value on the DTC settlement date but will be available in the relevant Euroclear or Clearstream cash account only as of the Business Day following settlement in DTC.

The Issuer expects that DTC will take any action permitted to be taken by a Holder (including the presentation of Notes for exchange as described below) only at the direction of one or more participants to whose account the DTC interests in a Global Note are credited and only in respect of such portion of the aggregate principal amount of Notes as to which such participant or participants has or have given such direction. However, if there is an Event of Default under the Notes, DTC will exchange the applicable Global Note for Certificated Notes, which it will distribute to its participants and which may be legended as set forth under the heading "Transfer Restrictions."

Information Concerning DTC

We understand as follows with respect to DTC:

DTC is a limited-purpose trust company created to hold securities for its participating organizations (collectively, the "Participants") and to facilitate the clearance and settlement of transactions in those securities

between the Participants through electronic book-entry changes in accounts of its Participants. The Participants include securities brokers and dealers (including the initial purchasers), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the "Indirect Participants"). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

Although the foregoing sets out the procedures of DTC in order to facilitate the original issue and subsequent transfers of interests in the Notes among participants of DTC, it is under any obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time.

None of the Company, the Trustee or any of their respective agents will have responsibility for the performance of DTC or its participants of their respective obligations under the rules and procedures governing their operations, including, without limitation, rules and procedures relating to book-entry interests.

Information Concerning Euroclear and Clearstream

We understand as follows with respect to Euroclear and Clearstream:

Euroclear and Clearstream hold securities for participating organizations and facilitate the clearance and settlement of securities transactions between their respective participants through electronic book-entry changes in accounts of such participants. Euroclear and Clearstream provide to their participants, among other things, services for safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream interface with domestic securities markets. Euroclear and Clearstream participants are financial institutions, such as underwriters, securities brokers and dealers, banks and trust companies, and certain other organizations. Indirect access to Euroclear or Clearstream is also available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodian relationship with a Euroclear or Clearstream participant, either directly or indirectly.

Although the foregoing sets out the procedures of Euroclear and Clearstream in order to facilitate the original issue and subsequent transfers of interests in the Notes among participants of Euroclear and Clearstream, neither Euroclear nor Clearstream is under any obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time.

None of the Company, the Trustee or any of their respective agents will have responsibility for the performance of Euroclear or Clearstream or their respective participants of their respective obligations under the rules and procedures governing their operations, including, without limitation, rules and procedures relating to book-entry interests.

Notices

All notices or demands required or permitted by the terms of the Notes or the Indenture to be given to or by the Holders are required to be in writing and may be given or served by being sent by prepaid courier or by being deposited, first-class postage prepaid (if intended for the Company, any Subsidiary Guarantor or the Trustee) addressed to the Company, such Subsidiary Guarantor or the Trustee, as the case may be, at the corporate trust office of the Trustee and, if intended for any Holder, addressed to such Holder at such Holder's last address as it appears in the Note register (or otherwise delivered to such Holders in accordance with applicable DTC, Euroclear or Clearstream procedures).

Any such notice or demand will be deemed to have been sufficiently given or served when so sent or deposited and, if to the Holders, when delivered in accordance with the applicable rules and procedures of the relevant clearing system. Any such notice shall be deemed to have been delivered on the day such notice is delivered to the relevant clearing system or if by mail, when so sent or deposited.

Consent to Jurisdiction; Service of Process

The Company and each Subsidiary Guarantor will irrevocably (1) submit to the non-exclusive jurisdiction of any U.S. federal or New York state court located in the Borough of Manhattan, The City of New York explicitly and exclusively in connection with any suit, action or proceeding arising out of, or relating to, the Notes, any Subsidiary Guarantee, the Indenture or any transaction contemplated thereby; and (2) designate and appoint Cogency Global Inc. for receipt of service of process in any such suit, action or proceeding. By executing the Indenture and the Notes, the Company and each Subsidiary Guarantor will not be submitting to the jurisdiction of any court with respect to any legal proceeding of any kind whatsoever, regardless of nature, substance or form, other than suits, actions or proceedings arising out of or relating to the Notes, any Subsidiary Guarantee or the Indenture. The Indenture will include a provision whereby each party thereto waives the right to trial by jury.

Governing Law

Each of the Notes, each of the Subsidiary Guarantees and the Indenture provides that such instrument will be governed by, and construed in accordance with, the laws of the State of New York without giving effect to applicable principles of conflicts of law to the extent that the application of the law of another jurisdiction would be required thereby. The Security Documents relating to the Collateral will be governed by the laws of the Republic of India.

A definitive certificate (each a "**Definitive Note**") will be issued to each Noteholder in respect of its registered holding or holdings of Notes. Each Definitive Note will be numbered serially with an identifying number, which will be recorded in the register (the "**Register**"), which the Company shall procure to be kept by the Registrar at its specified office. Save as provided in Condition 2.1 (*Transfer, Issue and Delivery*), each Definitive Note shall represent the entire holding of the Notes by the same Noteholder.

1.2 Title

Title to the Notes passes only by and upon registration in the Register. In these Conditions, "Noteholder" and "holder" means the Person in whose name a Note is registered in the Register. The holder of any Note will (except as otherwise required by law) be treated as its absolute owner for all

purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on, or theft or loss of, the Definitive Note issued in respect of it) and no Person will be liable for so treating the holder. No Person shall have any right to enforce any term or condition of the Notes or the Trust Deed under the Contracts (Rights of Third Parties) Act 1999.

2. TRANSFERS OF NOTES AND ISSUE OF DEFINITIVE NOTES

2.1 Transfer, Issue and Delivery

A Note may be transferred in whole or in part in an authorized denomination upon the surrender of the Definitive Note issued in respect of that Note, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar or any Transfer Agent. In the case of a transfer of part only of a Note, a new Definitive Note in respect of the balance not transferred will be issued to the transferor within five Business Days (as defined in Condition 7.2 (*Payment Initiation*) hereof) of receipt of such form of transfer and sent by uninsured mail at the risk of the holder (but free of charge to the holder and at the Company's expense) to the address of the holder appearing in the Register. In the case of a transfer of Notes to a person who is already a Noteholder, a new Definitive Certificate representing the enlarged holding shall only be issued against surrender of the Definitive Note representing the existing holding. Each new Definitive Note to be issued upon a transfer of Notes will, within five Business Days of receipt of such form of transfer, be sent by uninsured mail at the risk of the holder entitled to the Note in respect of which the relevant Definitive Note is issued to such address as may be specified in such form of transfer. Notes may be transferred in accordance with this Condition 2 (*Transfers of Notes and Issue of Definitive Notes*) and the Agency Agreement but not otherwise exchanged. No transfer of a Note shall be valid unless and until entered into the Register.

2.2 Formalities Free of Charge

Registration of transfer of Notes will be effected without charge by or on behalf of the Company, the Registrar or any Transfer Agent, but upon payment (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require) in respect of any tax or other governmental charges which may be imposed in relation to it.

2.3 Closed Periods

No Noteholder may require the transfer of a Note to be registered (i) during the period of 15 days ending on the due date for any payment of principal and premium (if any) and/or interest on that Note or (ii) during the period of seven days ending on (and including) any Record Date (as defined in Condition 7 (*Payments*)).

2.4 Regulations Concerning Transfer and Registration

All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning the transfer of Notes scheduled to the Agency Agreement. The regulations may be changed by the Company with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be sent by mail by the Registrar to any Noteholder upon request.

3. STATUS

The payment obligations of the Company under the Notes shall at all times rank at least *pari passu* with all of its other present and future outstanding unsecured and unsubordinated obligations but, in the event of insolvency, only to the extent permitted by applicable laws relating to creditors' rights.

4. COVENANTS

4.1 **Limitation on Indebtedness**

So long as any Note remains outstanding (as defined in the Trust Deed), the Company will not Incur (as defined in Condition 4.7 (*Definitions*)), directly or indirectly any Indebtedness, unless, after giving effect to the application of the proceeds thereof:

(a) no Default would occur as a consequence of such Incurrence or be continuing following such Incurrence; and

(b) the Indebtedness to Tangible Net Worth ratio for the Company's most recently ended annual period for which unconsolidated financial statements of the Company are available immediately preceding the date on which such Indebtedness is incurred shall not be greater than 3.0:1.0;

For the avoidance of doubt, the Indebtedness to Tangible Net Worth ratio shall be calculated and interpreted on the basis of unconsolidated financial statements of the Company.

4.2 **Negative Pledge**

So long as any Note remains outstanding, the Company will not create or permit to subsist any Security (as defined in Condition 4.7 (*Definitions*)), upon the whole or any part of its property or assets, present or future, to secure any External Obligations (as defined in Condition 4.7 (*Definitions*)), unless the Company, in the case of the creation of the Security, at the same time or prior thereto takes any and all action necessary to ensure that:

(i) all amounts payable by it under the Notes and the Trust Deed are secured by the Security equally and rateably with the External Obligations to the satisfaction of the Trustee; or

(ii) such other Security or other arrangement (whether or not it includes the giving of Security) is provided as is approved by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders.

(d) pay dividends, provided that, the Company shall not pay any such dividend in respect of or otherwise distribute such Net Cash Proceeds to its shareholders if such dividend or distribution, individually or when aggregated with all other dividends or distributions paid with the Net Cash Proceeds from any Asset Sales in the twelve month period immediately prior to the date of the declaration of such dividend or distribution, exceeds U.S.$150.0 million or its equivalent in other currencies.

The Company will not, directly or indirectly, consummate an Asset Sale unless the Company receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (measured as at the date of the definitive agreement with respect to the Asset Sale (including as to the value of all non-cash consideration, such non-cash consideration shall, for the avoidance of doubt, not be subject to the restrictions under this Condition 4.3 (*Limitation on Asset Sales*)) of the Fixed Assets sold or otherwise disposed of.

Pending application of Net Cash Proceeds as set out above, such Net Cash Proceeds may be placed in cash deposits or invested in short term money market instruments.

4.4 **Suspension of Covenants**

If, on any date following the date of the Trust Deed, the Notes are rated Investment Grade from both of the Rating Agencies and no Default or Event of Default has occurred and is continuing (a "Suspension Event"), then, beginning on that day and continuing until such time, if any, (i) at which the Notes cease to be rated Investment Grade from either of the Rating Agencies or (ii) an Event of Default occurs and is continuing, the following Conditions will not apply to the Notes:

(a) Condition 4.1 (*Limitation on Indebtedness*); and

(b) Condition 4.3 (*Limitation on Asset Sales*).

The covenants under the Conditions listed in this Condition 4.4 (*Suspension of Covenants*) will be reinstituted and apply according to their terms as at and from the first day on which a Suspension Event ceases to be in effect. Such covenants will not, however, be of any effect with regard to actions of the Company properly taken in compliance with the provisions of the Trust Deed during the continuance of the Suspension Event, and no Default will be deemed to have occurred as a result of a failure to comply with such covenants during such period.

4.5 **Consolidation, Merger and Sale of Assets**

The Company will not consolidate with, merge with or into, another Person, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its properties and assets (as an entirety or substantially an entirety in one transaction or series of related transactions) to any Person, unless:

Claims in respect of principal and interest shall be prescribed unless made within a period of ten years in the case of principal (including any premium in respect thereof) and five years in the case of interest from the appropriate Relevant Date.

11. REPLACEMENT OF DEFINITIVE NOTES

If any Definitive Note is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of any Transfer Agent, subject to all applicable laws and stock exchange requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Company may require (provided that the requirement is reasonable in the light of prevailing market practice). Mutilated or defaced Definitive Notes must be surrendered before replacements will be issued.

12. MEETINGS OF NOTEHOLDERS, MODIFICATION, WAIVER AND SUBSTITUTION

12.1 Meetings of Noteholders

The Trust Deed contains provisions for convening meetings of Noteholders to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by the Company or by the Trustee and shall be convened by the Trustee upon a request in writing of the Noteholders holding not less than 10.0 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting to consider an Extraordinary Resolution will be two or more Persons holding or representing more than half in principal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more Persons holding Notes or representing

Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, inter alia: (i) to modify the maturity of the Notes or the dates on which interest is payable in respect of the Notes; (ii) to reduce or cancel the principal amount of, any premium payable in respect of, or interest on, the Notes; (iii) to change the currency of payment of the Notes; (iv) to change any obligation of the Company to pay Additional Amounts with respect to the Notes; (v) to reduce the premium payable upon the redemption or repurchase of any Note or change the time at which any Note may be redeemed or required to be repurchased under Condition 6 (*Redemption and Purchase*) whether through an amendment or waiver of provisions in the covenants, definitions or otherwise or (vi) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, in which case the necessary quorum will be two or more Persons holding or representing not less than two thirds, or at any adjourned meeting not less than 25.0 per cent., in principal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on all Noteholders (whether or not they were present or represented at the meeting at which such resolution was passed).

An "Extraordinary Resolution" is defined in the Trust Deed to mean a resolution passed at a duly convened meeting of Noteholders by a majority of at least two thirds of the Notes represented at such meeting. A written resolution of holders of not less than 75.0 per cent. in principal amount of the Notes for the time being outstanding shall take effect as an Extraordinary Resolution for all purposes.

12.2 **Modification and Waiver**

The Trustee may agree, without the consent of the Noteholders, to any modification of (except as mentioned in Condition 12.1 (*Meetings of Noteholders*) above), or to the waiver or authorization of any breach or proposed breach of, any of these Conditions or any of the provisions of the Trust Deed or the Agency Agreement, or determine, without any such consent as aforesaid, that any Default or Event of Default shall not be treated as such (provided that, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders) or may agree, without any such consent as aforesaid, to any modification which, in its opinion, is of a formal, minor or technical nature or to correct a manifest error or an error which is, in the opinion of the Trustee, proven. Any such modification, authorization or waiver shall be binding on the Noteholders and, unless Trustee otherwise agrees, such modification authorization or waiver shall be notified to the Noteholders as soon as practicable in accordance with Condition 16 (*Notices*).

12.3 **Substitution**

The Trust Deed contains provisions permitting the Trustee to agree, subject to compliance with the terms of the Trust Deed, but without the consent of the Noteholders, to the substitution of the Company's successor in business or any Subsidiary of the Company or its successor in business in place of the Company or any previous substituted company, as principal debtor under the Trust Deed and the Notes. In the case of such a substitution the Trustee may agree, without the consent of the Noteholders, subject to the provisions of the Trust Deed, to a change of the law governing the Notes and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

12.4 **Entitlement of the Trustee**

In connection with the exercise of its functions (including but not limited to those referred to in this Condition 12 (*Meetings of Noteholders, Modification, Waiver and Substitution*) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders and the Trustee shall not be entitled to require, nor shall any Noteholder be entitled to claim, from the Company or the Trustee any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders.

13. ENFORCEMENT

At any time after the Notes become due and payable, the Trustee may, at its discretion and without further notice, institute such actions, steps or proceedings against the Company as it may think fit to enforce the terms of the Trust Deed and the Notes, but it shall not be required to take any such proceedings unless: (i) it has been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least 25.0 per cent. in principal amount of the Notes then outstanding; and (ii) it has been indemnified and/or secured and/or pre-funded to its satisfaction. No Noteholder may institute proceedings directly against the Company unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

14. INDEMNIFICATION OF THE TRUSTEE

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trust Deed provides that the Trustee shall take action on behalf of the Noteholders in certain circumstances but only if it is indemnified and/or secured and/or pre-funded to its satisfaction. The Trustee and its parent, subsidiaries and affiliates are entitled to enter into business transactions with the Company and/or any entity related to the Company without accounting for any profit.

Repatriation of proceeds outside India by the Company under an indemnity clause requires the prior approval of the Reserve Bank of India, in accordance with the extant applicable laws and regulations of India, including the rules and regulations framed under the Foreign Exchange Management Act, 1999, as amended.

15. FURTHER ISSUES

The Company may from time to time, without the consent of the Noteholders and in accordance with the Trust Deed, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for any one or more of the first payment of interest, the issue date, the first interest payment date and, to the extent necessary, certain temporary securities law transfer restrictions) so as to form a single series with the Notes.

References in these Conditions to the Notes include (unless the context requires otherwise) any other notes issued pursuant to this Condition 15 (*Further Issues*) and forming a single series with the Notes.

16. NOTICES

Notices to the Noteholders will be sent to them at their respective addresses in the Register. The Company shall also ensure that notices are duly published in a manner that complies with the rules and regulations of any stock exchange of other relevant authority on which the Notes are for the time being listed. Any such notice shall be deemed to have been given on the later of the date of such publication and the fourth day after being so sent.

So long as the Notes are represented by one or more global Notes held on behalf of Euroclear or Clearstream, notices to Noteholders may be given by delivery of the relevant notice to Euroclear or Clearstream for communication by it to entitled account holders in substitution for notification as required by these Conditions.

17. CURRENCY INDEMNITY

U.S. dollars are the sole currency of account and payment for all sums payable by the Company under or in connection with the Notes, including damages. Any amount received or recovered in a currency other than U.S. dollars (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Company or otherwise) by the Trustee or any Noteholder in respect of any sum expressed to be due to it from the Company shall only

constitute a discharge to the Company to the extent of the U.S. dollars which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient under any Note, the Company shall indemnify it against any loss sustained by it as a result. In any event, the Company shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition 17 (*Currency Indemnity*), it will be sufficient for the Trustee or the Noteholder to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Company's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Trustee or any Noteholder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order. If the U.S. dollars amount that may be purchased exceeds that the amount so received or recovered in that other currency, any excess shall as soon as practicable be repaid to the Company.

18. GOVERNING LAW

18.1 **Governing Law**

The Trust Deed and the Notes, and all non-contractual obligations arising out of or in connection with the Trust Deed or the Notes, are governed by and shall be construed in accordance with English law.

18.2 **Jurisdiction**

The courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed and the Notes (including without limitation a dispute regarding any non-contractual obligations arising out of or in connection with the Trust Deed or the Notes) and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed or the Notes ("**Proceedings**") may be brought in such courts. The Company has in the Trust Deed irrevocably submitted to the jurisdiction of the English courts in connection with any such Proceedings and waived any objections to Proceedings in such courts on the grounds of venue or that they have been brought in an inconvenient forum. The Company makes this submission solely for the benefit of the Trustee and the Noteholders and shall not limit the right of the Trustee or any Noteholder to initiate Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

18.3 **Agent for Service of Process**

The Company has in the Trust Deed appointed an agent to receive service of process in any Proceedings in England. If for any reason the Company does not have such an agent in England, it will promptly appoint a substitute process agent and notify the Trustee of such appointment. Nothing herein shall affect the right to serve process in any other manner permitted by law.

18.4 **Waiver of Immunity**

The Company irrevocably agrees that, should any Proceedings be taken anywhere (whether for an injunction, specific performance, damages or otherwise), no immunity (to the extent that it may at any time exist, whether on the grounds of sovereignty or otherwise) from those Proceedings, from attachment (whether in aid of execution, before judgment or otherwise) of its assets or from execution of judgment shall be claimed by it or on its behalf or with respect to its assets, any such immunity being irrevocably waived. The Company irrevocably agrees that it and its assets are, and shall be, subject to such Proceedings, attachment or execution in respect of its obligations under the Trust Deed or the Notes.

Guaranteed Bonds due 2026 (the "2026 Bonds" and together with the 2023 Bonds, the "Bonds"), which expression shall, unless the context requires, include any bonds issued pursuant to Condition 15 and forming a single series with the 2023 Bonds or the 2026 Bonds, as applicable, issued on the Closing Date) was authorised by resolutions of the Board of Directors of Vedanta Resources Finance II PLC (the "Issuer") on 4 April 2019 and on 11 April 2019. The guarantee of the Bonds by Vedanta Resources Limited (the "Guarantor") was authorised by its Board of Directors on 4 April 2019. The Bonds are constituted by a Trust Deed (the "Trust Deed") to be dated on or about the Closing Date among the Issuer, the Guarantor and Citicorp International Limited (the "Trustee", which expression shall include all persons for the time being acting as trustee or trustees under the Trust Deed) as trustee for the Bondholders. These terms and conditions (the "Conditions") include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bonds. The Issuer will enter into an agency agreement to be dated on or about the Closing Date (the "Agency Agreement") among the Issuer, the Trustee, Citibank, N.A., London Branch, as principal paying agent, Citigroup Global Markets Deutschland AG as transfer agent and registrar, and the other paying and transfer agents appointed under it. The principal paying agent, transfer agent, registrar, paying agents and transfer agents for the time being are referred to herein as the "Principal Agent", the "Registrar", the "Paying Agents" (which expression shall include the Principal Agent) and the "Transfer Agents" (which expression shall include the Registrar), respectively, each of which expressions shall include the successors from time to time of the relevant persons, in such capacities, under the Agency Agreement, and are collectively referred to herein as the "Agents". Copies of the Trust Deed and the Agency Agreement are available for inspection during usual business hours at the specified office of the Principal Paying Agent. The Bondholders (as defined in Condition 1(b)) are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of the provisions of the Agency Agreement applicable to them.

1 Form, Denomination, Title, Guarantee and Status

(a) Form and denomination

The Bonds are in registered form in the minimum denomination of U.S.$200,000 each and in integral multiples of U.S.$1,000 in excess thereof, without coupons attached. A bond certificate (each, a "Certificate") will be issued to each Bondholder in respect of its registered holding of Bonds. Each Bond and each Certificate will have an identifying number which will be recorded on the relevant Certificate and in the Register (as defined in Condition 2(a)).

Certificates issued with respect to Rule 144A Bonds will bear the Securities Act Legend (as defined in the Trust Deed), unless determined otherwise in accordance with the provisions of the Agency Agreement by reference to applicable law. Certificates issued with respect to the Regulation S Bonds will not bear the Securities Act Legend. Upon issue, the Rule 144A Bonds of each series will be represented by the Restricted Global Certificate and the Regulation S Bonds of each series will be represented by the Unrestricted Global Certificate. The Restricted Global Certificate will be deposited with a custodian for, and registered in the name of Cede & Co. as nominee of, The Depository Trust Company ("DTC") and the Unrestricted Global Certificate will be deposited with a custodian for, and registered in the name of Cede & Co. as nominee of, DTC for the accounts of Euroclear Bank SA/NV ("Euroclear") and Clearstream Banking, S.A. ("Clearstream, Luxembourg"). The Conditions are modified by certain provisions contained in the Global Certificates. See "Summary of Provisions relating to the Bonds while in Global Form."

Except in the limited circumstances described in the Global Certificates and "Summary of Provisions relating to the Bonds while in Global Form," owners of interests in Bonds

represented by the Global Certificates will not be entitled to receive Individual Certificates in respect of their individual holdings of Bonds. The Bonds are not issuable in bearer form.

(b) Title

Title to the Bonds passes only by transfer and registration in the Register (as defined in Condition 2(a)). The holder of any Bond will (except as otherwise required by law or as ordered by a court of competent jurisdiction) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or the theft or loss of, the Certificate (if any) issued in respect of it or anything written on it or on the relevant Certificate) and no person will be liable for so treating the holder. In these Conditions, "Bondholder" and (in relation to a Bond) "holder" mean the person in whose name a Bond is registered in the Register from time to time.

(c) Guarantee

The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Trust Deed and the Bonds. The obligations of the Guarantor in that respect (the "Guarantee") are contained in the Trust Deed. The obligations of the Guarantor under the Guarantee shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 3(a), at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

(d) Status

The Bonds of each series constitute senior, unsubordinated, direct, unconditional and (subject to Condition 3(a)) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Bonds shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 3(a), at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

2 Transfer of Bonds

(a) The Register

The Issuer will cause to be kept at the specified office of the Registrar and in accordance with the terms of the Agency Agreement a register (the "Register") on which shall be entered, on behalf of the Issuer, the names and addresses of the Bondholders from time to time and the particulars of the Bonds held by them and of all transfers and redemptions of Bonds. Each Bondholder shall be entitled to receive only one Certificate in respect of its entire holding.

(b) Transfers

Subject to the terms of the Agency Agreement and to Conditions 2(e) and 2(f), a Bond may be transferred by delivering the Certificate issued in respect of it, with the form of transfer on the back duly completed and signed, to the specified office of the Registrar or any of the Transfer Agents. No transfer of a Bond will be valid unless and until entered on the Register.

Transfers of interests in the Bonds evidenced by the Global Certificates will be effected in accordance with the rules of the relevant clearing systems.

Upon the transfer, exchange or replacement of a Rule 144A Bond, a Transfer Agent will only deliver Certificates with respect to Rule 144A Bonds that bear the Securities Act Legend unless there is delivered to such Transfer Agent such satisfactory evidence, which may include an opinion of legal counsel, as may be reasonably required by the Issuer, that neither the

Securities Act Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the US Securities Act of 1933, as amended (the "Securities Act").

Interests in Bonds represented by the Restricted Global Certificate may be transferred to a person who wishes to take delivery of any such interest in the form of an interest in Bonds represented by the Unrestricted Global Certificate only if a Transfer Agent receives a written certificate from the transferor (in the form provided in the Agency Agreement) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S under the Securities Act ("Regulation S") or Rule 144 under the Securities Act ("Rule 144A") (if available).

Prior to the 40th day after the day of issue of the Bonds (the "Restricted Period"), an interest in Bonds represented by the Unrestricted Global Certificate may be exchanged for an interest in Bonds represented by the Restricted Global Certificate only if a Transfer Agent receives a written certificate from the transferee of the interest in Bonds represented by the Unrestricted Global Certificate (in the form provided in the Agency Agreement) to the effect that the transferee is a qualified institutional buyer (as defined in Rule 144A) and is obtaining such interest in a transaction meeting the requirements of Rule 144A and any applicable securities laws of any state of the United States or any other jurisdiction. After the expiration of the Restricted Period, this certification requirement will no longer apply to such transfers.

Transfers of Bonds are also subject to the restrictions described under "Plan of Distribution" and "Transfer Restrictions" below.

(c) Delivery of new Certificates

Each new Certificate to be issued on transfer of a Bond or Bonds will, within five Business Days of receipt by the relevant Transfer Agent of the duly completed and signed form of transfer, be made available for collection at the specified office of the relevant Transfer Agent or, if so requested in the form of transfer, be mailed by uninsured mail at the risk of the holder entitled to the Bonds transferred (free of charge to the holder), to the address specified in the form of transfer.

Except in the limited circumstances described in "Summary of Provisions relating to the Bonds while in Global Form — Registration of Title", owners of interests in Bonds represented by the Global Certificates will not be entitled to receive physical delivery of Individual Certificates. Issues of Certificates upon transfers of Bonds are subject to compliance by the transferor and transferee with the certification procedures described above and in the Agency Agreement and, in the case of Rule 144A Bonds, compliance with the Securities Act Legend.

Where some but not all of the Bonds in respect of which a Certificate is issued are to be transferred or redeemed, a new Certificate in respect of the Bonds not so transferred or redeemed, will, within five Business Days of delivery or surrender of the original Certificate to the relevant Transfer Agent or Registrar, be made available for collection at the specified office of the relevant Agent or, if so requested by the holder, be mailed by uninsured mail at the risk of the holder of the Bonds not so transferred or redeemed (free of charge to the holder), to the address of such holder appearing on the Register.

In this Condition 2, "Business Day" means a day (other than a Saturday or a Sunday) on which banks are open for business in the city in which the specified office of the Registrar and the relevant Transfer Agent to which the Certificate in respect of the Bonds to be transferred or relevant form of transfer is delivered is situated.

(d) Formalities free of charge

Registration of transfer of Bonds will be effected without charge by or on behalf of the Issuer or any of the Transfer Agents, but only upon the person making such application for transfer, paying or procuring the payment (or the giving of such indemnity as the Issuer or any of the Transfer Agents may require) of any tax, duty or other governmental charges which may be imposed in relation to such transfer.

(e) Closed periods

No Bondholder may require the transfer of a Bond to be registered during the period of 15 days ending on (and including) the due date for any payment of principal of that Bond or seven days ending on (and including) any Interest Record Date (as defined in Condition 6(a)).

(f) Regulations

All transfers of Bonds and entries on the Register will be made subject to the detailed regulations concerning transfer of Bonds scheduled to the Agency Agreement. The regulations may be changed by the Issuer with the prior written approval of the Trustee and the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar to any Bondholder upon written request.

3 Covenants

(a) Negative Pledge

So long as any Bond remains outstanding (as defined in the Trust Deed), neither the Issuer nor the Guarantor will create or permit to subsist any mortgage, charge, pledge, lien or other form of encumbrance or security interest ("Security") upon any assets directly held by the Issuer or the Guarantor, present or future, to secure any Indebtedness or any guarantee or indemnity in respect of any Indebtedness, unless, at the same time or prior thereto, the Issuer's obligations under the Bonds and the Trust Deed (x) are secured equally and rateably therewith in substantially identical terms thereto, in each case to the satisfaction of the Trustee; or (y) have the benefit of such other security or other arrangement as the Trustee in its absolute discretion shall deem to be not materially less beneficial to the Bondholders or as shall be approved by an Extraordinary Resolution of the Bondholders; *provided* that this clause (a) shall not apply to Security (x) arising by operation of law or (y) created in respect of Indebtedness (which for this purpose shall exclude Relevant Debt) in an aggregate principal amount not exceeding 10 per cent. of Total Assets. For the avoidance of doubt, the foregoing restriction shall not apply to Security upon assets held by any Subsidiary (other than assets that are jointly held with the Guarantor).

As used in these Conditions:

"Excluded Indebtedness" means any Indebtedness to finance or refinance the ownership, acquisition, development and/or operation of projects, assets or installations (the "Relevant Property") in respect of which the person or persons (in this definition the "Lender") to whom any Indebtedness is or may be owed by the relevant borrower (whether or not a member of the Group) has or have no recourse whatsoever to any member of the Group for the repayment of all or any portion of such indebtedness other than recourse to:

(i) such borrower for amounts limited to the present and future cash flow or net cash flow from the Relevant Property; and/or

5 Redemption and Purchase

(a) Final redemption

Unless previously redeemed, or purchased and cancelled as provided herein, the 2023 Bonds will be redeemed at their principal amount on 23 April 2023 and the 2026 Bonds will be redeemed at their principal amount on 23 April 2026. The Bonds may not be redeemed at the option of the Issuer other than in accordance with this Condition 5.

(b) Redemption at the option of the Issuer

At any time and from time to time prior to 23 April 2023, the Bonds of any series may be redeemed, in whole or in part, at the option of the Issuer on giving not less than 30 nor more than 60 calendar days' written notice to the Trustee and the Bondholders of Bonds of that series, at a redemption price equal to 100 per cent. of the principal amount of the Bonds of that series being redeemed plus the Applicable Premium, plus accrued and unpaid interest, if any, to (but excluding) the redemption date. For the avoidance of doubt, none of the Agents or the Trustee have any responsibility with respect to the calculation of the Applicable Premium.

At any time and from time to time on or after 23 April 2023, the 2026 Bonds may be redeemed, in whole or in part, at the option of the Issuer on giving not less than 30 nor more than 60 calendar days' written notice to the Trustee and the Bondholders, at the following redemption prices (expressed as percentages of the principal amount of the 2026 Bonds at maturity) plus accrued and unpaid interest, if any, to (but excluding) the redemption date:

Twelve-Month Period Commencing on 23 April in	**Redemption Price**
	(%)
2023	104.6250
2024	102.3125
2025	100

Any optional redemption of Bonds and notice of redemption may, at the Issuer's discretion, be subject to the satisfaction (or waiver by the Issuer in its sole discretion) of one or more conditions precedent. If any such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice may state that, in the Issuer's sole discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded if any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

If fewer than all the Bonds are to be redeemed, the Bonds for redemption will be selected on a pro rata basis, by lot or by such other method as the Trustee in its sole and absolute discretion deems fair and appropriate unless otherwise required by law or requirement of any stock exchange on which the Bonds are listed or DTC or any alternative clearing system; *provided* that Bonds with a principal amount of U.S.$200,000 will not be redeemed in part.

(c) Redemption for taxation reasons

The Bonds of any series may be redeemed at the option of the Issuer in whole, but not in part, at any time on giving not less than 30 nor more than 60 calendar days' written notice to the Trustee and the Bondholders of Bonds of that series (which notice shall be irrevocable), at their principal amount (together with interest accrued and unpaid to (but excluding) the date fixed for redemption), if:

(i) the Issuer (or the Guarantor) has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of the United Kingdom or any authority therein or thereof having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date hereof; and

(ii) such obligation cannot be avoided by the Issuer (or as the case may be, the Guarantor) taking reasonable measures available to it (*provided* that changing the jurisdiction of organisation of the Issuer (or as the case may be, the Guarantor) is not a reasonable measure for purposes of this section),

provided that no such notice of redemption shall be given earlier than 90 calendar days prior to the earliest date on which the Issuer (or, as the case may be, the Guarantor) would be obliged to pay such additional amounts were a payment in respect of the Bonds of that series then due. Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer (or, as the case may be, the Guarantor) shall deliver to the Trustee a certificate signed by two directors of the Issuer (or, as the case may be, the Guarantor) stating that the obligation referred to in (i) above cannot be avoided by the Issuer (or, as the case may be, the Guarantor) taking reasonable measures available to it and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the condition precedent set out in (ii) above in which event it shall be conclusive and binding on the Bondholders.

(d) Repurchase of Bonds Upon a Change of Control Triggering Event

Not later than 30 days following the occurrence of a Change of Control Triggering Event, the Issuer will make an Offer to Purchase all outstanding Bonds of each series (a "Change of Control Offer") at a purchase price equal to 101.0 per cent. of the principal amount thereof plus accrued and unpaid interest, if any, to (but excluding) the Offer to Purchase Payment Date.

Notwithstanding the above, the Issuer will not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the same manner and at the same time and purchases all Bonds validly tendered and not withdrawn under such Change of Control Offer.

Except as described above with respect to a Change of Control, the Trust Deed does not contain provisions that permit the Bondholders to require that the Issuer purchase or redeem the Bonds in the event of a takeover, recapitalisation or similar transaction.

(e) Purchase

Subject to the requirements (if any) of any stock exchange on which the Bonds may be listed at the relevant time the Guarantor and any of its Subsidiaries may at any time purchase Bonds in the open market or otherwise at any price. Any purchase of Bonds of any series by tender shall be made available to all Bondholders of Bonds of that series alike and such Bonds of that series may be retained for the account of the relevant purchaser or otherwise dealt with at its discretion (but may not be resold). The Bonds of any series so purchased, while held by or on behalf of the Guarantor or any such Subsidiary, shall not entitle the holder to vote at any meetings of the Bondholders of Bonds of that series and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of the Bondholders of Bonds of that series or for the purposes of Condition 12(a).

(f) Cancellation

All Bonds of any series so redeemed will be cancelled and may not be re-issued or resold. All Bonds purchased pursuant to this Condition may be cancelled at the discretion of the relevant purchaser. Bonds may be surrendered for cancellation by surrendering each such Bond to the Principal Agent and if so surrendered shall be cancelled forthwith (and may not be reissued or resold) and the obligations of the Issuer in respect of any such Bonds shall be discharged.

6 Payments

(a) Principal and Interest

Payment of principal and interest due other than on an Interest Payment Date will be made in United States dollars by transfer to the registered account of the Bondholder. Payment of principal will only be made after surrender of the relevant Certificate at the specified office of any of the Paying Agents.

Interest on Bonds due on an Interest Payment Date will be paid in United States dollars on the due date for the payment of interest to the holder shown on the Register at the close of business on the fifteenth day before the due date for the payment of interest (the "Interest Record Date"). Payments of interest on each Bond will be made by transfer to the registered account of the Bondholder.

(b) Registered accounts

For the purposes of this Condition, a Bondholder's registered account means the United States dollar account maintained by or on behalf of it with a bank in New York City, details of which appear on the Register at the close of business on the second business day (as defined below) before the due date for payment, and a Bondholder's registered address means its address appearing on the Register at that time.

(c) Payments subject to fiscal laws

All payments are subject in all cases to:

(i) any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 7; and

(ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "Code") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto. No commissions or expenses shall be charged to the Bondholders in respect of such payments.

(d) Payment initiation

Where payment is to be made by transfer to a registered account, payment instructions (for value on the due date or, if that is not a business day (as defined below), for value on the first following day which is a business day) will be initiated on the due date for payment (or, if it is not a business day, the first following day which is a business day) or, in the case of a payment of principal, if later, on the business day on which the relevant Certificate is surrendered at the specified office of a Paying Agent.

Bondholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due if the due date is not a business day or if the Bondholder is late in surrendering its Certificate (if required to do so).

(e) Business Day

In this Condition, "business day" means:

(i) in the case of payment by transfer to a registered account, a day (other than a Saturday or Sunday) on which commercial banks are open for business in New York City; and

(ii) in the case of the surrender of a Certificate, a day in which commercial banks are open for business in the place of the specified office of the Paying Agent to whom the Certificate is surrendered. If an amount which is due on the Bonds is not paid in full, the Registrar will annotate the Register with a record of the amount (if any) in fact paid.

(f) Paying Agents

The initial Paying Agents, Transfer Agents and Registrar and their initial specified offices are listed below. The Issuer reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of any Paying Agent, Transfer Agents or Registrar and appoint additional or other Paying Agents, Transfer Agents or Registrar; *provided* that it will maintain:

(i) a Principal Agent;

(ii) a Paying Agent in Singapore so long as the Bonds are listed on the SGX-ST and the rules of the SGX-ST so require; and

(iii) a Registrar. Notice of any change in the Paying Agents, Transfer Agents or Registrar or their specified offices will promptly be given to the Bondholders and the SGX-ST (so long as the Bonds of any series are listed on the SGX-ST and the rules of the SGX-ST so require).

7 Taxation

All payments of principal and interest by or on behalf of the Issuer or the Guarantor in respect of the Bonds or the Guarantee, as applicable, shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the United Kingdom or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Issuer, or as the case may be, the Guarantor shall pay such additional amounts as will result in receipt by the Bondholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Bond:

(a) to a holder (or to a third party on behalf of a holder) who is liable to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of his having some connection with the United Kingdom other than the mere holding of the Bond;

(b) in the case of payment of principal or interest (other than interest due on an Interest Payment Date) if the Certificate in respect of such Bond is presented for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting such Certificate for payment on the last day of such period of 30 days;

(c) with respect to taxes, duties, assessments or governmental charges in respect of such Bond imposed as a result of the failure of the holder or beneficial owner of the Bond to comply with a written request of the Issuer or the Guarantor before any such withholding or deduction would be payable to provide timely or accurate information concerning the nationality, residence or

identity of the holder or beneficial owner or to make any valid or timely declaration or similar claim or satisfy any certification, information or other reporting requirement, which is required or imposed by a statute, treaty, regulation or administrative practice of the United Kingdom or any authority therein or thereof having the power to tax as a condition to exemption from all or part of such taxes;

(d) for any estate, inheritance, gift, sale, transfer, personal property or similar tax or assessment;

(e) for any Taxes imposed or required to be withheld under Sections 1471 to 1474 (or any successor provisions or amendments thereof) of the Code, any regulations or other official guidance thereunder, any intergovernmental agreement entered into in connection therewith or any law or regulation (or any official interpretation thereof) implementing an intergovernmental approach thereto, or any agreements entered into pursuant to Section 1471(b) of the Code; or

(f) for any taxes, duties, assessments or governmental charges payable otherwise than by deduction or withholding on payments under the Bonds.

Such additional amounts shall also not be payable where, had the beneficial owner of the Bond been the holder of the Bond, it would not have been entitled to payment of additional amounts by reason of clauses (a) through (f) inclusive above.

"Relevant Date" means whichever is the later of:

(i) the date on which such payment first becomes due; and

(ii) if the full amount payable has not been received in New York City by the Principal Agent or the Trustee on or prior to such due date, the date on which, the full amount having been so received, notice to that effect shall have been given to the Bondholders and payment made.

Any reference in these Conditions to principal and/or interest in respect of the Bonds shall be deemed to include any additional amounts which may be payable under this Condition or any undertaking given in addition to or substitution for it under the Trust Deed.

8 Events of Default

The Trustee at its discretion may, and if so requested by holders of not less than 25 per cent. in principal amount of the Bonds of any series then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to it being indemnified and/or secured (including by way of payment in advance) to its satisfaction), give notice in writing to the Issuer and the Guarantor that the Bonds of that series are, and they shall immediately become, due and payable at their principal amount together with accrued interest, if applicable, if any of the following events (each an "Event of Default") shall have occurred:

(a) Non-Payment:

(i) the Issuer and the Guarantor each fail to pay all or any part of the principal of any of the Bonds of that series when the same shall become due and payable, whether at maturity, upon redemption or otherwise and such failure continues for a period of seven calendar days; or

(ii) the Issuer and the Guarantor each fail to pay any instalment of interest upon any of the Bonds of that series as and when the same shall become due and payable, and such failure continues for a period of 14 calendar days; or

(b) Breach of Other Obligations:

(i) the Issuer fails to make or consummate an Offer to Purchase with respect to any of the Bonds of that series in the manner set out in Condition 5(d); or

(ii) the Issuer or the Guarantor defaults in the performance or observance of or compliance with any of its other obligations set out in the Bonds of that series or the Trust Deed or under the Guarantee, which default is incapable of remedy or, if in the opinion of the Trustee such default is capable of remedy, is not in the opinion of the Trustee remedied within 45 calendar days after the date on which written notice specifying such failure, stating that such notice is a "Notice of Default" under the Bonds of that series and demanding that the Issuer, or as the case may be, the Guarantor remedy the same, shall have been given to the Issuer and the Guarantor by the Trustee; or

(c) Cross-Default:

(i) any other present or future indebtedness of the Issuer or the Guarantor or any of its Material Subsidiaries for or in respect of moneys borrowed or raised becomes due and payable prior to its stated maturity (otherwise than at the option of the Issuer, the Guarantor or any Material Subsidiary, as the case may be) by reason of any actual or potential default, event of default or the like (howsoever described); or

(ii) any such indebtedness is not paid when due or, as the case may be, within any applicable grace period originally provided for; or

(iii) the Issuer or the Guarantor or any of its Material Subsidiaries fails to pay when due (or within any applicable grace period originally provided for) any amount payable by it under any present or future guarantee for, or indemnity in respect of, any moneys borrowed or raised; *provided* that the aggregate amount of the relevant indebtedness, guarantees and indemnities in respect of which any one or more of the events mentioned above in this Condition 8(c) has or have occurred equals or exceeds U.S.$100,000,000 or its equivalent in other currencies; or

(d) Enforcement Proceedings: a distress, attachment, execution or other legal process (other than distraint or attachment imposed by any government, authority or agent prior to enforcement foreclosure) is levied, enforced or sued out, as the case may be, on or against a substantial part of the property, assets or revenues of the Issuer, the Guarantor or all or a substantial part of the property, assets or revenues of any of its Material Subsidiaries and is not:

(i) either discharged or stayed within 60 calendar days or in circumstances where the levy, enforcement or suing out, as the case may be, of such legal process is not, or does not become, materially prejudicial to the interests of the Bondholders, within 120 calendar days; or

(ii) being contested in good faith on the basis of appropriate legal advice provided by reputable independent counsel in the relevant jurisdiction or jurisdictions and by appropriate proceedings; or

(e) Security Enforced: an encumbrancer takes possession or a receiver, administrative receiver, administrator, manager or other similar person is appointed over, or an attachment order is issued in respect of, the whole or a substantial part of the undertaking, property, assets or revenues of the Issuer, the Guarantor or any of its Material Subsidiaries and in any such case such possession or appointment is not stayed or terminated or the debt on account of which such possession was taken or appointment made is not discharged or satisfied within 60 calendar days of such appointment or the issue of such order; or

(f) **Insolvency**: the Issuer, the Guarantor or any of its Material Subsidiaries:

(i) is insolvent or bankrupt or is deemed to be insolvent as a result of the court being satisfied that the value of the Issuer, the Guarantor or any of its Material Subsidiaries' assets is less than the amount of its liabilities, taking into account contingent and prospective liabilities or unable to pay its debts or stops, suspends or threatens to stop or suspend payment of all or a substantial part of (or of a particular type of) its debts as they mature; or

(ii) applies for or consents to or suffers the appointment of an administrator, administrative receiver, liquidator, manager or receiver or other similar person in respect of the Issuer, the Guarantor or any of its Material Subsidiaries or over the whole or a substantial part of the undertaking, property, assets or revenues of the Issuer, the Guarantor or any of its Material Subsidiaries; or

(iii) proposes or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors in respect of any of such debts or a moratorium is agreed or declared or comes into effect in respect of or affecting all or a substantial part of (or of a particular type of) the debts of the Issuer, the Guarantor or any of its Material Subsidiaries, except, in any such case, for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or consolidation on terms approved by the Trustee or by an Extraordinary Resolution; or

(g) **Winding-up, Disposals**: an administrator or an administrative receiver is appointed, an order is made or an effective resolution passed for the winding-up or dissolution or administration of the Issuer, the Guarantor or any of its Material Subsidiaries, or the Issuer, the Guarantor or any of its Material Subsidiaries ceases or threatens to cease to carry on all or a substantial part of its business or operations, or the Issuer, the Guarantor or any of its Material Subsidiaries sells or disposes of all or a substantial part of its assets or business whether as a single transaction or a number of transactions, related or not; except, in any such case, for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger, consolidation or other similar arrangement:

(i) on terms previously approved in writing by the Trustee or by an Extraordinary Resolution, or

(ii) in the case of a Material Subsidiary, not including arising out of the insolvency of such Material Subsidiary and under which all or substantially all of its assets are transferred to another member or members of the Group or to a transferee or transferees which immediately upon such transfer become(s) a Subsidiary or Subsidiaries of the Guarantor; or

(h) **Expropriation**: any governmental authority or agency condemns, seizes, compulsorily purchases or expropriates (excluding any distraint or attachment prior to enforcement or foreclosure) all or a substantial part of the assets or shares of the Issuer, the Guarantor or any of its Material Subsidiaries;

(i) **Issuer ceases to be Subsidiary**: the Issuer ceases to be a Subsidiary wholly-owned and controlled, directly or indirectly, by the Guarantor;

(j) **Analogous Events**: any event occurs which under the laws of England or, in the case of a Material Subsidiary, the laws of the relevant Material Subsidiary's place of incorporation or principal place of business has an analogous effect to any of the events referred to in paragraphs (d) to (i) above; or

(k) **Guarantee**: the Guarantee is not (or is claimed by the Guarantor not to be) in full force and effect.

Upon any such notice being given to the Issuer and the Guarantor, the Bonds of that series will immediately become due and payable at their principal amount together with accrued interest as provided in the Trust Deed, *provided* that no such notice may be given unless an Event of Default shall have occurred and *provided further* that, in the case of paragraphs (b)(ii), (d), (e) and (h), the Trustee shall have certified that in its opinion such event is materially prejudicial to the interests of the Bondholders of Bonds of that series.

For the purposes of paragraph (c) above, any indebtedness which is in a currency other than US dollars shall be translated into US dollars at the middle spot rate for the sale of US dollars against the purchase of the relevant currency quoted by any leading bank selected by the Trustee on any day when the Trustee requests a quotation for such purposes.

"Material Subsidiary" means, at any particular time, a Subsidiary of the Guarantor:

(a) whose:

(i) total assets; or

(ii) gross revenues,

(in each case on an unconsolidated basis) attributable to the Guarantor are equal to or greater than 10 per cent. of the consolidated total assets or consolidated gross revenues of the Guarantor, as applicable (in each case as calculated based on the latest annual unconsolidated financial statements of the Subsidiary and the latest audited annual consolidated financial statements of the Guarantor); or

(b) to which is transferred all or substantially all of the business, assets and undertaking of a Subsidiary of the Guarantor which immediately prior to such transfer is a Material Subsidiary, whereupon the transferor Subsidiary of the Guarantor shall immediately cease to be a Material Subsidiary and the transferee Subsidiary shall immediately become a Material Subsidiary (subject to the provisions of paragraph (a) above).

A report by two directors of the Guarantor that in their opinion a Subsidiary of the Guarantor is or is not, or was or was not, at any particular time or throughout any specified period a Material Subsidiary shall, in the absence of manifest error, be conclusive and binding on the Trustee and the Bondholders.

9 Consolidation, Amalgamation or Merger

The Guarantor will not consolidate with, merge or amalgamate into, or transfer its properties and assets substantially as an entirety to, any corporation or convey or transfer its properties and assets substantially as an entirety to any person (the consummation of any such event, a "Merger"), unless:

(a) the Person formed by such Merger or that acquired such properties and assets shall expressly assume, by a supplemental trust deed in form and substance satisfactory to the Trustee, all obligations of the Guarantor under the Trust Deed and the Bonds and the performance of every covenant and agreement applicable to it contained therein;

(b) the Person formed by such Merger or that acquired such properties and assets, if not organised under the law of the United Kingdom, shall expressly agree, by a supplemental trust deed in form and substance satisfactory to the Trustee, that its jurisdiction of organisation (or any authority therein or thereof having power to tax) will be added to Condition 7 and clause (c) of Condition 5 in each place therein in which reference is made to the United Kingdom, subject to clause (d) of this Condition 9;

(c) immediately after giving effect to any such Merger, no Event of Default or Potential Event of Default (as defined in the Trust Deed) shall have occurred or be continuing or would result therefrom as confirmed to the Trustee by:

(i) a certificate signed by two directors of the Guarantor; and

(ii) a certificate signed by two directors of the Person that would result from such Merger or that would acquire such properties and assets; and

(d) the Person formed by such Merger or that acquired such properties and assets shall expressly agree, among other things, not to redeem the Bonds pursuant to Condition 5(c) as a result of it becoming obliged to pay any additional amounts (as provided or referred to in Condition 7) arising solely as a result of such Merger.

10 Prescription

Claims in respect of principal and interest will become void unless made as required by Condition 6 within a period of 10 years in the case of principal and five years in the case of interest from the appropriate Relevant Date.

11 Replacement of Certificates

If any Certificate representing a Bond is lost, stolen, mutilated, defaced or destroyed it may be replaced at the specified office of the Registrar subject to all applicable laws and stock exchange or other relevant authority requirements, upon payment by the claimant of the costs and expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer and the Guarantor may require (*provided* that the requirement is reasonable in the light of prevailing market practice). Mutilated or defaced Certificates must be surrendered before replacements will be issued.

12 Meetings of Bondholders, Modification and Waiver

(a) Meetings of Bondholders

The Trust Deed contains provisions for convening meetings of Bondholders of Bonds of any series to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed or the Agency Agreement. Such a meeting may be convened by the Issuer, the Guarantor or the Trustee at any time and shall be convened by the Trustee if it receives a written request by Bondholders of Bonds of any series holding not less than 15 per cent. in principal amount of the Bonds of that series for the time being outstanding. The quorum for any such meeting convened to consider an Extraordinary Resolution will be two (2) or more persons holding or representing a clear majority in principal amount of the Bonds of that series for the time being outstanding, or at any adjourned meeting two (2) or more persons being or representing Bondholders of Bonds of that series whatever the principal amount of the Bonds of that series held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*:

(i) to modify the maturity of the Bonds of that series or the dates on which interest is payable in respect of the Bonds of that series;

(ii) to reduce or cancel the principal amount of, or interest on, the Bonds of that series;

(iii) to change the currency of payment of the Bonds of that series;

(iv) to cancel or modify the Guarantee (other than any modification described in Condition 12(b)); or

(v) to modify the provisions concerning the quorum required at any meeting of Bondholders of that series or the majority required to pass an Extraordinary Resolution, in which case the necessary quorum will be two (2) or more persons holding or representing not less than two-thirds, or at any adjourned meeting not less than one-third, in principal amount of the Bonds of that series for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Bondholders of Bonds of any series (whether or not they were present at the meeting at which such resolution was passed and whether or not they voted in favour).

The expression "Extraordinary Resolution" means a resolution passed at a meeting of Bondholders of Bonds of any series duly convened and held in accordance with these provisions by a majority consisting of not less than two-thirds of the votes cast.

(b) Modification and Waiver

The Trustee may agree, without the consent of the Bondholders of Bonds of any series, to:

(i) any modification to these Conditions or to the provisions of the Trust Deed or the Agency Agreement which is in its opinion of a formal, minor or technical nature or is made to correct a manifest error, and

(ii) any other modification (except as provided for in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of these Conditions, the Trust Deed or the Agency Agreement which is in the opinion of the Trustee not materially prejudicial to the interests of the Bondholders of Bonds of that series.

Any such modification, authorisation or waiver shall be binding on the Bondholders of Bonds of that series and such modification shall be notified to the Bondholders of Bonds of that series as soon as practicable.

(c) Written resolutions of 90 per cent. holders

The Trust Deed provides that a written resolution signed by or on behalf of the holders of not less than 90 per cent. of the aggregate principal amount outstanding of Bonds of any series who for the time being are entitled to receive notice of a meeting in accordance with the provisions of the Trust Deed shall be as valid and effective as a duly passed Extraordinary Resolution.

(d) Entitlement of the Trustee

In connection with the exercise of its powers, trusts, authorisations or discretions (including but not limited to those referred to in this Condition), the Trustee shall have regard to the interests of the Bondholders of Bonds of any series as a class and shall not have regard to the consequences of such exercise for individual Bondholders of Bonds of that series (including as a result of their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory) and the Trustee shall not be entitled to require, nor shall any Bondholder of Bonds of any series be entitled to claim, from the Issuer or the Guarantor any indemnification or payment in respect of any tax consequence of any such exercise upon individual Bondholders of Bonds of that series.

13 Enforcement

At any time after the Bonds of any series become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer and/or the Guarantor as it may think fit to enforce the terms of the Trust Deed and the Bonds of that series and/or the Guarantee, but it need not take any such proceedings unless:

(a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Bondholders of Bonds of that series holding at least one-quarter in principal amount of the Bonds of that series outstanding; and

(b) it shall have been indemnified and/or secured (including by way of payment in advance) to its satisfaction.

No Bondholder may proceed directly against the Issuer and/or the Guarantor unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

14 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings to enforce repayment unless indemnified and/or secured (including by way of payment in advance) to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer, the Guarantor and any entity related to the Issuer or the Guarantor without accounting for any profit.

The Trustee may rely without liability to Bondholders on any certificate or report prepared by the auditors or any other person pursuant to these Conditions and/or the Trust Deed, whether or not addressed to the Trustee and whether or not the auditors liability in respect thereof is limited by a monetary cap or otherwise; any such certificate shall be conclusive and binding on the Issuer, the Guarantor, the Trustee, and the Bondholders.

15 Further Issues

The Issuer may from time to time without the consent of the Bondholders create and issue further securities either having the same terms and conditions as the Bonds of any series in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities (including the Bonds of any series) or upon such terms as the Issuer may determine at the time of their issue, *provided* that, if the securities of such further issue are not fungible with the Bonds of any series for U.S. federal income tax purposes, such securities will have a separate CUSIP or ISIN from those of the Bonds. References in these Conditions to the Bonds of any series include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Bonds. Any further securities forming a single series with the outstanding securities of any series (including the Bonds of any series) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by a deed supplemental to the Trust Deed.

16 Notices

Notices to Bondholders will be valid if published in a leading newspaper having general circulation in Singapore (which is expected to be the Business Times). Any such notice shall be deemed to have been given on the date of such publication or, if published more than once, on the first date on which publication is made.

So long as the Bonds are represented by the Global Certificates and the Global Certificates are held on behalf of DTC or the alternative clearing system (as defined in the Global Certificates), notices to Bondholders may be given by delivery of the relevant notice to DTC or the alternative clearing system, for communication by it to entitled accountholders in substitution for notification as required by the Conditions.

17 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999.

18 Governing Law and Jurisdiction

(a) Governing Law

The Trust Deed, the Bonds and all non-contractual matters arising therefrom or in connection therewith are governed by and construed in accordance with English law.

(b) Jurisdiction

The courts of England have exclusive jurisdiction to settle any dispute (a "Dispute") arising from or connected with the Trust Deed or the Bonds and all non-contractual matters arising therefrom or in connection therewith (including a dispute regarding the existence, validity or termination of the Trust Deed or the Bonds or the consequences of their nullity). The submission to the jurisdiction of the courts of England is for the benefit of the Trustee and the Bondholders only and shall not (and shall not be construed so as to) limit the right of the Trustee or any Bondholder to take proceedings relating to a Dispute ("Proceedings") in any other courts with jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if any to the extent permitted by law.

DESCRIPTION OF THE NOTES

For purposes of this "Description of the Notes," the term "**Company**" refers only to Delhi International Airport Limited, and any successor obligor in respect of the Notes, and not to any of its subsidiaries.

The Notes are to be issued under an indenture (the "**Indenture**"), to be dated as of the Original Issue Date, among the Company, Citicorp International Limited, as trustee (the "**Trustee**") and Citibank N.A., London Branch as principal paying agent (the "**Principal Paying Agent**") and registrar (the "**Registrar**").

The following is a summary of certain provisions of the Indenture, the Notes, the Subsidiary Guarantees, the Security Documents (as defined below), the Trust and Retention Account Agreement and the Intercreditor Agreement. This summary does not purport to be complete and is qualified in its entirety by reference to all of the provisions of the Indenture, the Notes, the Subsidiary Guarantees, the Security Documents, the Trust and Retention Account Agreement and the Intercreditor Agreement. It does not restate those agreements in their entirety. Whenever particular sections or defined terms of the Indenture not otherwise defined herein are referred to, such sections or defined terms are incorporated herein by reference. Copies of the Indenture, the Security Documents, the Trust and Retention Account Agreement and the Intercreditor Agreement will be available on or after the Original Issue Date at the corporate trust office of the Trustee at 39th Floor, Champion Tower, 3 Garden Road, Central, Hong Kong.

Brief Description of the Notes

The Notes will be:

- general obligations of the Company;
- senior in right of payment to any existing and future obligations of the Company expressly subordinated in right of payment to the Notes;
- at least *pari passu* in right of payment with all other unsecured, unsubordinated obligations of the Company (subject to any priority rights of such Indebtedness pursuant to applicable law);
- guaranteed by the Future Subsidiary Guarantors on a senior basis, subject to the limitations described below under "— The Subsidiary Guarantees" and in "Risk Factors — Risks Related to the Notes and the Collateral — Noteholder claims against non-guarantor subsidiaries will be structurally subordinated to the liabilities of such subsidiaries."
- secured on an equal and ratable basis with all obligations of the Company under the Existing Senior Debt and all future Permitted Pari Passu Secured Indebtedness and Permitted Refinancing Indebtedness by first ranking Liens on the Collateral (as defined below under the Caption "— Security") provided by the Company (subject to Permitted Liens and the Intercreditor Agreement);
- effectively senior in right of payment to unsecured obligations of the Company with respect to the value of the Collateral over which the Company has created security for the Notes (subject to any priority rights of such obligations pursuant to applicable law); and
- effectively subordinated to all existing and future obligations of the Company to the extent that is it secured by assets other than the Collateral (including the Excluded Collateral (as defined below under the Caption "— Security"), to the extent of the value of such assets), and effectively subordinated to the Company's obligations to AAI under the OMDA and certain other future Permitted Indebtedness (as defined below under the Caption "Certain Covenants — Limitation on Indebtedness").

The Notes will mature on June 4, 2029, unless earlier redeemed pursuant to the terms thereof and the Indenture. The Indenture allows additional Notes to be issued from time to time (the "**Additional Notes**"), subject to certain limitations described under "— Further Issues." Unless the context requires otherwise, references to the "Notes" for all purposes of the Indenture and this "Description of the Notes" include any Additional Notes that are actually issued. The Notes will bear interest at 6.45% per annum from the Original Issue Date or from the most recent interest payment date to which interest has been paid or duly provided for, payable semi-annually in arrears on June 4 and December 4 of each year (each an "**Interest Payment Date**"), commencing December 4, 2019.

Interest on the Notes will be paid to Holders of record at the close of business on May 20 or November 19 immediately preceding an Interest Payment Date (each, a "**Record Date**"), notwithstanding any transfer, exchange or cancellation thereof after a Record Date and prior to the immediately following Interest Payment Date. In any case in which the date of the payment of principal of, premium on or interest on the Notes is not a Business Day in the relevant place of payment, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes shall accrue for the period after such date. Interest on the Notes will be calculated on the basis of a 360-day year comprised of twelve 30-day months.

All payments on the Notes will be made by the Company at the office or agency of the Company maintained for that purpose in London, the United Kingdom or where the Paying Agent is located (which initially will be the corporate trust administration office of the Trustee, currently located at 39th Floor, Champion Tower, 3 Garden Road, Central, Hong Kong), and the Notes may be presented for registration of transfer or exchange at such office or agency; provided that, at the option of the Company, payment of interest may be made by check mailed to the address of the Holders as such address appears in the Note register maintained by the Note Registrar or by wire transfer. Interest payable on the Notes held through DTC will be available to DTC participants on the Business Day following payment thereof.

The Notes will be issued only in fully registered form, without coupons, in denominations of US$200,000 and integral multiples of US$1,000 in excess thereof. No service charge will be made for any registration of transfer or exchange of the Notes, but the Company may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith.

The Subsidiary Guarantees

As of the Original Issue Date the Company's only Subsidiary will not Guarantee the Notes and will be designated as an "**Unrestricted Subsidiary**." Under applicable Indian law currently in effect and certain of our contractual arrangements, our Subsidiaries may not be able to provide guarantees under the Indenture. As such, the Notes will be effectively subordinated in right of payment to all Indebtedness and other liabilities and commitments of our current and future non-guarantor Subsidiaries. In the event of a bankruptcy, liquidation or reorganization of a non-guarantor Subsidiary, the applicable non-guarantor Subsidiary will pay the holders of its debt and its trade and other creditors (including specified statutory dues) before it will be able to distribute any of its remaining assets to us. See "Risk Factors — Risks Related to the Notes and the Collateral — Noteholder claims against non-guarantor subsidiaries will be structurally subordinated to the liabilities of such subsidiaries."

The Company has agreed that it will not permit any of its Restricted Subsidiaries to guarantee any Indebtedness of the Company unless it guarantees the Notes.

Any future Restricted Subsidiary that Guarantees the Notes after the Original Issue Date is referred to as a "**Future Subsidiary Guarantor**" and, upon execution of the applicable supplemental indenture to the Indenture, will be a "**Subsidiary Guarantor**." Each such guarantee is referred to as a "**Subsidiary Guarantee**."

The Subsidiary Guarantee of each Subsidiary Guarantor will be:

- a general obligation of such Subsidiary Guarantor;
- effectively subordinated to all existing and future secured obligations of such Subsidiary Guarantor, to the extent of the collateral securing such obligations; and
- senior in right of payment to all future obligations of such Subsidiary Guarantor expressly subordinated in right of payment to such Subsidiary Guarantee; and at least *pari passu* in right of payment with all other unsecured, unsubordinated obligations of such Subsidiary Guarantor (subject to any priority rights of such obligations pursuant to applicable law).

Under the Indenture, and any supplemental indenture to the Indenture, as applicable, each of the Subsidiary Guarantors will jointly and severally Guarantee the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The Subsidiary Guarantors will (1) agree that their obligations under the Subsidiary Guarantees will be enforceable irrespective of any invalidity, irregularity or unenforceability of the Notes or the Indenture and (2) waive their right to require the Trustee to pursue or exhaust its legal or equitable remedies against the Company prior to exercising its rights under the Subsidiary Guarantees. Moreover, if at any time any amount paid under a Note or the Indenture is rescinded or must otherwise be restored, the rights of the Holders under the Subsidiary Guarantees will be reinstated with respect to such payments as though such payment had not been made. All payments under the Subsidiary Guarantees are required to be made in U.S. dollars.

Under the Indenture, and any supplemental indenture to the Indenture, as applicable, each Subsidiary Guarantee will be limited to an amount not to exceed the maximum amount that can be Guaranteed by the applicable Subsidiary Guarantor without rendering the Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally. If a Subsidiary Guarantee were to be rendered voidable, it could be subordinated by a court to all other indebtedness (including Guarantees and other contingent liabilities) of the applicable Subsidiary Guarantor, and, depending on the amount of such indebtedness, a Subsidiary Guarantor's liability on its Subsidiary Guarantee could be reduced to zero.

The obligations of each Subsidiary Guarantor under its respective Subsidiary Guarantee may be limited, or possibly invalid, under applicable laws. See "Risk Factors — Risks Related to the Notes and the Collateral — Noteholder claims against non-guarantor subsidiaries will be structurally subordinated to the liabilities of such subsidiaries" and "Risk Factors — Risks Related to the Notes and the Collateral — Any Subsidiary Guarantees, if issued, may be challenged under applicable financial assistance, insolvency or fraudulent transfer laws, which could impair the enforceability of the Subsidiary Guarantees."

Release of the Subsidiary Guarantees

A Subsidiary Guarantee given by a Subsidiary Guarantor may be released in certain circumstances, including:

- upon repayment in full of the Notes;
- upon satisfaction and discharge or legal or covenant defeasance as described under "— Satisfaction and Discharge" and — Defeasance — Defeasance and Discharge";
- upon the designation by the Company of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of the Indenture; or
- upon the sale or merger of a Subsidiary Guarantor in compliance with the terms of the Indenture (including the covenants under "— Certain Covenants — Limitation on Sales and

Issuances of Capital Stock in Restricted Subsidiaries," "— Certain Covenants — Limitation on Asset Sales" and "— Consolidation, Merger and Sale of Assets") resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (1) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Company's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (2) the proceeds from such sale or disposition are used for the purposes permitted or required by the Indenture.

Under the circumstances described below under "— Certain Covenants — Designation of Restricted and Unrestricted Subsidiaries," the Company will be permitted to designate certain of its future Subsidiaries as "Unrestricted Subsidiaries." The Company's Unrestricted Subsidiaries will generally not be subject to the restrictive covenants in the Indenture. The Company's Unrestricted Subsidiaries will not Guarantee the Notes.

Security

Collateral

The obligations of the Company under the Notes will be secured by first-priority Liens (subject to Permitted Liens) on certain collateral (the "**Collateral**"), which shall initially consist of, to the extent permitted under the OMDA:

(i) a first ranking *pari passu* charge of all insurance contracts, contractors' guarantees and liquidated damages payable by the contractors, in each case, to the maximum extent permissible under the OMDA;

(ii) a first ranking *pari passu* charge of all the rights, titles, permits, approvals and interests of the Company in, to and in respect of the Project Agreements to the maximum extent permitted under the Project Agreements and the OMDA;

(iii) a first ranking *pari passu* charge on all the operating revenues/receivables of the Company (excluding dues owed to AAI, airport development fees, the passenger service fees, the marketing fund and any other statutory dues) subject to the provisions of the OMDA and the Escrow Account Agreement; and

(iv) a first ranking *pari passu* charge on all the Company's accounts (to the extent permitted under the OMDA) and each of the other accounts required to be created by the Company pursuant to the Security Documents and, including in each case, all monies lying credited/ deposited into such accounts (excluding accounts being maintained in relation to the airport development fees, the passenger service fees, the marketing fund, any other statutory dues and Escrow Account Agreement under the OMDA and all monies required to be credited/ deposited into the debt service reserve accounts and major maintenance reserve account under the Trust and Retention Account Agreement held for the benefit of other secured creditors).

The security interest on the initial Collateral will be created under an unattested Memorandum of Hypothecation, which will be entered into by the Company in favor of Axis Trustee Services Limited, who will act as collateral agent and security trustee on behalf of, among others, the Noteholders and the Trustee (the "**Security Trustee**"). The security created by the Security Documents over the Collateral is subject to the Intercreditor Agreement. The Memorandum of Hypothecation, the Security Trustee Agreement, the other documents necessary to perfect the security interest in the Collateral and the Intercreditor Agreement are referred to herein as the "**Security Documents**." The Company has agreed to cause its creditors or its representatives to execute the Security Documents and the Trust and Retention Account Agreement in the form as described in this offering memorandum and such execution will be a condition precedent to the issuance of the Notes. The Company has agreed that all necessary filings to perfect the security interest over the initial Collateral will be filed within 30 days of the Original Issue Date.

Pursuant to the Intercreditor Agreement, the Collateral will be shared on a *pari passu* basis by the Holders and the holders of certain other secured indebtedness including the creditors under the Existing Senior Debt and creditors under any future Permitted Pari Passu Secured Indebtedness and Permitted Refinancing Indebtedness. Accordingly, in the event of a default on the Notes or the other secured indebtedness and a foreclosure on the Collateral, any foreclosure proceeds would be shared by the holders of such secured indebtedness in proportion to the outstanding amounts of each class of such secured indebtedness (subject to any priority rights of any obligations pursuant to applicable law). The proceeds realizable from the Collateral securing the Notes (as shared with other secured creditors under the Security Trustee Agreement and the Intercreditor Agreement) is unlikely to be sufficient to satisfy the Company's obligations under the Notes, and the Collateral securing the Notes may be reduced or diluted under certain circumstances, including the issuance of Additional Notes and other Permitted Pari Passu Secured Indebtedness and the disposition of assets comprising the Collateral, subject to the terms of the Indenture. By its nature, some or all of the Collateral will be illiquid and may have no readily ascertainable market value. Accordingly, there can be no assurance that the Collateral could be sold in a timely manner or at all. See "— Release of Security" and "Risk Factors — Risks Related to the Notes and the Collateral — The realizable value of the Collateral is unlikely to be sufficient to satisfy our obligations under the Notes."

Excluded Collateral

Under the terms of the OMDA, the Company is required to create and maintain a first mortgage on all the Transfer Assets (defined below) in favor of AAI as security for payment of amounts due from the Company to AAI under the OMDA. The Company is also prohibited from encumbering or providing a security interest over land held under the Lease Deed.

In addition, the Company is permitted to grant additional security interests over certain additional assets of the Company for the benefit of other creditors, including:

- the Capital Stock of the Company;
- right of substitution in accordance with the Substitution Agreement;
- a receipt/receivable of dues owed to AAI, airport development fees, passenger service fees (security component), the marketing fund and any other statutory dues;
- accounts relating to airport development fees, passenger service fees (security component), the marketing fund and any other statutory dues and Escrow Account agreement under the OMDA; and
- all monies required to be credited/deposited into debt service reserve accounts and major maintenance reserve account under the Trust and Retention Account Agreement held or to be held for the benefit of other secured creditors. See "Description of Material Indebtedness — Security Agreements — Trust and Retention Account Agreement";

The Holders will not receive any security interest in the Excluded Collateral, which may also be used as security for the benefit of other creditors of the Company in the future.

In addition, as of the date of this offering memorandum, the Company is not permitted to encumber its rights or benefits under the Project Agreements, including the OMDA and the Substitution Agreement. As a result, such documents will not initially be encumbered in favor of the Trustee and the Holders; *provided* that the Company will enter into all necessary documentation to create security in favor of the Holders in the event that this restriction changes or in the event that the Project Agreements are encumbered in favor of any other person in accordance with the covenant described under "Certain Covenants — Limitation on Liens."

Permitted Pari Passu Secured Indebtedness

The Company may create Liens on the Collateral *pari passu* with the Lien for the benefit of the Holders and the creditors under the Existing Senior Debt (if Indebtedness remains outstanding

thereunder) to secure certain future Senior Indebtedness of the Company (including Additional Notes) or any Subsidiary Guarantor, *provided* that the Company or such Subsidiary Guarantor was permitted to Incur such Indebtedness, and such Indebtedness was Incurred, either under clause (1), (2)(a), 2(e) or (2)(f) and any Permitted Refinancing Indebtedness of such indebtedness Incurred under clause 2(d) under the covenant described under "— Limitation on Indebtedness" (such Indebtedness of the Company including Additional Notes (if applicable), "**Permitted Pari Passu Secured Indebtedness**"). As a condition to creating Liens on the Collateral under such Permitted Pari Passu Secured Indebtedness, (1) the holders of such Indebtedness (or their representative or agent), other than with respect to Additional Notes, become party to the Intercreditor Agreement and the other Security Documents; (2) such Indebtedness is permitted by the terms of the Indenture, the Security Documents and the Trust and Retention Account Agreement; (3) the Company delivers to the Trustee and the Security Trustee an Opinion of Counsel and Officer's Certificate with respect to corporate and collateral matters in connection with the Security Documents, in form and substance as set forth in the Security Documents; and (4) such Indebtedness is only issued (i) for consideration solely comprising cash (other than with respect to Indebtedness of the Company or a Subsidiary Guarantor incurred under (2)(f) under the covenant described under "— Limitation on Indebtedness"), (ii) in exchange for other Senior Indebtedness which is, secured by a first priority lien (subject to Permitted Liens and the Intercreditor Agreement) on the Collateral and with the same priority of payment on enforcement as such Senior Indebtedness, or (iii) in exchange for Sponsor Bridge Financing. The Trustee and/or the Security Trustee, as the case may be, will be permitted and authorized, without the consent of any Holder, to enter into any amendments to the Security Documents or the Indenture, the Security Trustee Agreement and the Intercreditor Agreement and take any other action necessary to permit the creation and registration of Liens on the Collateral to secure Permitted Pari Passu Secured Indebtedness in accordance with this paragraph and the terms of the Indenture.

Except for certain Permitted Liens (including the Liens on the Collateral securing the Existing Senior Debt, Permitted Refinancing Indebtedness and Permitted Pari Passu Secured Indebtedness), the Company and its Restricted Subsidiaries will not be permitted to Incur any other Indebtedness secured by all or any portion of the Collateral without the consent of each Holder of the Notes then outstanding.

Trust and Retention Account Agreement

On or about the Original Issue Date, the Company has agreed to enter into an amended and restated trust and retention account agreement between, amongst others, the Company, the Security Trustee (acting on behalf of the creditors (or their representatives, agents or trustees)) under the Existing Senior Debt (excluding the Existing Notes) and the account bank named thereunder. The Trust Retention and Account Agreement sets forth the cash flow priority for all deposits and withdrawals from the Company's bank accounts. See "Description of Material Indebtedness — Security Agreements — Trust and Retention Account Agreement."

The Trustee is not a party to the Trust and Retention Account Agreement and the Trustee and the Holders have limited rights under such agreement. The Trust and Retention Account Agreement is not a Security Document under the Indenture. As such, the Trust and Retention Account Agreement may be terminated and the terms of the Trust and Retention Account Agreement may be amended, modified or waived and the Account Bank may be replaced without the consent of the Trustee or the Holders, other than such changes that would impact the priority of payments with respect to the Notes.

Security Trustee Agreement

On or about the Original Issue Date, the Company has agreed to enter into an amended and restated security trustee agreement between, amongst others, the Company, the Trustee (on behalf of the Holders), the various other creditors (or their representatives, agents or trustees) under the Existing Senior Debt and the Security Trustee, pursuant to which the Company, the creditors (or their representatives, agents or trustees) and the Trustee will appoint the Security Trustee to act as collateral

agent and security trustee with respect to the Collateral and certain of the Excluded Collateral and the Security Trustee will agree to act in such capacity. See "Description of Material Indebtedness — Security Agreements — Security Trustee Agreement." The trust in favor of the existing creditors (or their representatives, agents or trustees) under the security trustee agreement will be extended for the benefit of the Trustee (on behalf of the Holders) under the terms of the amended and restated security trustee agreement. Future lenders of the Company may accede to the Security Trustee Agreement from time to time, and the Security Trustee Agreement may be modified at such time inter alia to extend the benefit of the trust to such future lenders (or their representatives, agents or trustees) of the Company and define their rights, provided however that such changes would not impact the priority of the Collateral for the Notes other than as permitted under the Indenture.

Intercreditor Agreement

On the Original Issue Date, the Trustee (on behalf of the Holders), the creditors (or their representatives, agents or trustees) under the Existing Senior Debt and the Security Trustee will enter into an amended and restated intercreditor agreement pursuant to which the Security Trustee will agree to act as the collateral agent for the Holders and the creditors under the Existing Senior Debt with respect to the Collateral securing the obligations under the Indenture, the Notes and the Existing Senior Debt. See "Description of Material Indebtedness — Security Agreements — Intercreditor Agreement." Future lenders of the Company may accede to the Intercreditor Agreement from time to time, and the Intercreditor Agreement may be modified at such time inter alia to extend the terms and conditions of the Intercreditor Agreement to such future lenders (or their representatives, agents or trustees) of the Company.

Release of Security

The security created in respect of the Collateral granted under the Security Documents may be released in certain circumstances, including:

- upon repayment in full of the Notes;
- upon satisfaction and discharge or legal defeasance as described under "— Satisfaction and Discharge" and "—Defeasance — Defeasance and Discharge," and
- upon certain dispositions of the Collateral in compliance with the covenants described under "— Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries" or "— Limitation on Asset Sales" or in accordance with the provision described under "— Consolidation, Merger and Sale of Assets."

Further Issues

Subject to the covenants described below and in accordance with the terms of the Indenture, the Company may, from time to time, without notice to or the consent of the Holders, create and issue Additional Notes having the same terms and conditions as the Notes (including the benefit of any Subsidiary Guarantees and the Collateral) in all respects (or in all respects except for the issue date, issue price and the date and/or amount of the first payment of interest on them and, to the extent necessary, certain temporary securities law transfer restrictions) (a "**Further Issue**") so that such Additional Notes may be consolidated and form a single class with the previously outstanding Notes and vote together as one class on all matters with respect to the Notes; *provided* that the issuance of any such Additional Notes and the provision of the Collateral to secure the Additional Notes will then be permitted under the "Limitation on Indebtedness" covenant described below and the other provisions of the Indenture; *provided further* that unless such Additional Notes are issued under a separate CUSIP number, such Additional Notes must be fungible with the original Notes for U.S. federal income tax purposes.

In addition, the issuance of any Additional Notes by the Company will also be subject to the following conditions:

(i) all obligations with respect to the Additional Notes shall be secured and guaranteed under the Indenture, the Subsidiary Guarantees and the Security Documents to the same extent and on the same basis as the Notes outstanding on the date the Additional Notes are issued;

(ii) the Company shall have delivered to the Trustee an Officer's Certificate, in form and substance satisfactory to the Trustee, confirming that the issuance of the Additional Notes complies with the Indenture; and

(iii) the Company shall have delivered to the Trustee one or more Opinions of Counsel, in form reasonably satisfactory to the Trustee, confirming, among other things, that the issuance of the Additional Notes complies with the Indenture, that the issuance of the Additional Notes does not conflict with applicable law and that, to the extent applicable, after giving effect to the issuance of the Additional Notes and any transactions related thereto, the Liens created under the Security Documents, as amended, extended, renewed, restated, supplemented or otherwise modified or replaced pursuant to such transaction, are valid and perfected Liens not otherwise subject to any limitation, imperfection or new hardening or preference period, in equity or law, that such Liens were not otherwise subject to immediately prior to the issuance of such Additional Notes and such amendment, extension, renewal, restatement, supplement, modification or replacement.

Repurchase of Notes Upon a Change of Control Triggering Event

Not later than 30 days following a Change of Control Triggering Event the Company will make an Offer to Purchase all outstanding Notes (a "**Change of Control Offer**") at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest (including Additional Amounts), if any, to the Offer to Purchase Payment Date (as defined in clause (2) of the definition of "**Offer to Purchase**").

The Company will agree in the Indenture that, following a Change of Control, it will timely repay all Indebtedness or obtain consents as necessary under or terminate, agreements or instruments that would otherwise prohibit a Change of Control Offer required to be made pursuant to the Indenture. Notwithstanding this agreement of the Company, it is important to note that if the Company is unable to repay (or cause to be repaid) all of the Indebtedness, if any, that would prohibit the repurchase of the Notes or is unable to obtain the requisite consents of the holders of such Indebtedness, or terminate any agreements or instruments that would otherwise prohibit a Change of Control Offer, it would continue to be prohibited from purchasing the Notes. In that case, the Company's failure to purchase tendered Notes would constitute an Event of Default under the Indenture.

Future debt of the Company may also (1) prohibit the Company from purchasing Notes in the event of a Change of Control Triggering Event; (2) provide that a Change of Control Triggering Event is a default; or (3) require repurchase of such debt upon a Change of Control Triggering Event. Moreover, the exercise by the Holders of their right to require the Company to purchase the Notes could cause a default under other Indebtedness, even if the Change of Control Triggering Event itself does not, due to the financial effect of the purchase on the Company. The Company's ability to pay cash to the Holders following the occurrence of a Change of Control Triggering Event may be limited by the Company's and the Subsidiary Guarantors' then existing financial resources. There can be no assurance that sufficient funds will be available when necessary to make the required purchase of the Notes. See "Risk Factors — Risks Related to the Notes and the Collateral — We may not be able to repurchase the Notes upon a Change of Control Triggering Event."

The Company will not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third-party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control Triggering Event at the time of making of the Change of Control Offer.

The definition of Change of Control includes a phrase relating to the sale of "all or substantially all" the assets of the Company. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a Holder of Notes to require the Company to repurchase such Holder's Notes as a result of a sale of less than all the assets of the Company to another person or group may be uncertain and will depend upon particular facts and circumstances. As a result, there may be a degree of uncertainty in ascertaining whether a sale or transfer of "all or substantially all" the assets of the Company has occurred.

Except as described above with respect to a Change of Control Triggering Event, the Indenture does not contain provisions that permit the Holders to require that the Company purchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

Any repurchase or redemption of the Notes prior to their stated maturity may require the prior approval of the RBI or the designated authorized dealer bank, as the case may be, under applicable ECB Master Directions or other RBI guidelines, and such approval may not be forthcoming.

Redemption of Notes Upon Certain Changes in Capital or Currency Exchange Controls

The Company will be required to redeem all outstanding Notes, as a whole but not in part, at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts (as defined below)), if any, to the Mandatory Redemption Date (defined below), if, at any time, it will become unlawful for the Company to perform any payment obligations under the Indenture or the Notes as a result of any change in, or amendment to, the laws (or any regulations, directions or rulings notified or issued thereunder) of a Government of the Republic of India and such payment restrictions cannot be avoided by the taking of reasonable measures by the Company (the "**Mandatory Redemption**").

Within 10 days of such change or amendment giving rise to the Mandatory Redemption being announced by the relevant authority, the Company will be required to provide notice to the Trustee, an Opinion of Counsel stating that such change or amendment referred to in the prior paragraph will make payments by the Company under the Indenture or the Notes unlawful, and an Officer's Certificate stating that such change or amendment referred to in the prior paragraph has occurred, describing the facts related thereto and stating that such payment restrictions cannot be avoided by the Company taking reasonable measures and setting forth the proposed date, which shall not be more than 30 days after the date of such notice, on which the redemption shall occur (the "**Mandatory Redemption Date**").

The Trustee shall accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it shall be conclusive and binding on the Holders.

Any Notes that are redeemed will be cancelled.

Any redemption of the Notes prior to their stated maturity may require the prior approval of the RBI or the designated authorized dealer bank, as the case may be, under applicable ECB Master Directions or other RBI guidelines, and such approval may not be forthcoming.

No Mandatory Redemption or Sinking Fund; Open Market Purchases

Other than as described under "— Redemption of Notes Upon Certain Changes in Capital or Currency Exchange Controls," there will be no mandatory redemption or sinking fund payments for the

Notes. The Company and its Affiliates may, at their discretion, at any time from time to time purchase the Notes in the open market or otherwise; *provided* that the Company may not resell Notes that it has repurchased in the open market or otherwise to any person that is not an affiliate of the Company under Rule 144 of the Securities Act.

Additional Amounts

All payments by or on behalf of the Company, a Surviving Person (as defined under "— Consolidation, Merger and Sale of Assets") or a Subsidiary Guarantor of principal of, and premium (if any) and interest on the Notes or under the Subsidiary Guarantees will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person or an applicable Subsidiary Guarantor is organized or resident for tax purposes or any political subdivision or taxing authority thereof or therein (each, as applicable, a "**Relevant Taxing Jurisdiction**") or any jurisdiction through which payment is made or any political subdivision or taxing authority thereof or therein (together with the Relevant Taxing Jurisdictions, the "**Relevant Jurisdictions**"), unless such withholding or deduction is required by applicable law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, the Company, a Surviving Person or the applicable Subsidiary Guarantor, as the case may be, will pay such additional amounts ("**Additional Amounts**") as will result in receipt by the Holder of each Note or the Subsidiary Guarantees, as the case may be, of such amounts as would have been received by such Holder had no such withholding or deduction been required, except that no Additional Amounts shall be payable:

(1) for or on account of:

(a) any tax, duty, assessment or other governmental charge that would not have been imposed but for:

(i) the existence of any present or former connection between the Holder or beneficial owner of such Note or Subsidiary Guarantee, as the case may be, and the Relevant Jurisdiction other than merely holding such Note or the receipt of payments thereunder or under a Subsidiary Guarantee or enforcement of rights thereunder, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having had a permanent establishment therein;

(ii) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period; or

(iii) the failure of the Holder or beneficial owner to comply with a timely request of the Company, a Surviving Person or any Subsidiary Guarantor addressed to the Holder to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that due and timely compliance with such request would have reduced or eliminated any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder;

(b) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(c) any withholding or deduction pursuant to Section 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended (or any amended or successor versions of such Sections) ("FATCA"), any regulations or other official guidance thereunder, any intergovernmental agreement entered into in connection with FATCA, or any law, regulations or other official guidance enacted in any jurisdiction implementing FATCA or an intergovernmental agreement;

(d) any tax, duty, assessment or other governmental charge to the extent such tax, duty, assessment or other governmental charge results from the presentation of the Note (where presentation is required) for payment and the payment can be made without such withholding or deduction by the presentation of the Note for payment elsewhere; or

(e) any combination of taxes, duties, assessments or other governmental charges referred to in the preceding clauses (a), (b), (c), (d) and (e); or

(2) to a Holder that is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, or a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

The Company will (i) make such withholding or deduction and (ii) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law. The Company will upon request, make reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any taxes so deducted or withheld from the Relevant Jurisdiction imposing such taxes. Upon request, the Company will furnish to Holders, within 60 days after the date the payment of any taxes so deducted or withheld is due pursuant to applicable law, either certified copies of tax receipts evidencing such payment or, if such receipts are not obtainable, other evidence of such payments. At least 30 days prior to the first date on which any payment under or with respect to the Notes is due and payable, if the Company will be obligated to pay Additional Amounts with respect to such payment, the Company will deliver to the Trustee an Officer's Certificate stating the fact that such Additional Amounts will be payable and the amounts so payable and will set forth such other information necessary to enable the Paying Agent to pay such Additional Amounts to the Holders on such payment date. The Company will deliver to the Trustee an Officer's Certificate 30 days prior to any subsequent payment date if there has been a change in the matters set forth in the previously furnished certification (unless the change occurred after the 30th day prior to such date).

In addition, the Company will pay any stamp, issue, registration, documentary, value added or other similar taxes and other duties (including interest and penalties) payable in any Relevant Jurisdiction in respect of the creation, issue, offering, execution or enforcement of the Notes, or any documentation with respect thereto.

Whenever there is mentioned in any context the payment of principal of, and any premium or interest on, any Note or under any Subsidiary Guarantee, such mention shall be deemed to include payment of Additional Amounts provided for in the Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The above obligation will survive the repayment of the Notes, termination, defeasance or discharge of the Indenture and any transfer by a Holder or beneficial owner of its Notes.

Redemption for Taxation Reasons

The Notes may be redeemed, at the option of the Company or a Surviving Person with respect to the Company, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to the Holders (which notice shall be irrevocable), at a redemption price equal to 100% of the

principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Company or the Surviving Person, as the case may be, for redemption (the "**Tax Redemption Date**") if, as a result of:

(1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction, affecting taxation; or

(2) any change in the existing official position or the stating of an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment becomes effective or, in the case of an official position, is announced (i) except as described in (ii) on or after the Original Issue Date, or (ii) with respect to any Future Subsidiary Guarantor or Surviving Person whose Relevant Taxing Jurisdiction has not been a Relevant Taxing Jurisdiction immediately before the date such Future Subsidiary Guarantor or Surviving Person became a Subsidiary Guarantor or Surviving Person, on or after the date such Future Subsidiary Guarantor or Surviving Person becomes a Subsidiary Guarantor or Surviving Person, with respect to any payment due or to become due under the Notes or the Indenture, the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, and such requirement cannot be avoided by the taking of reasonable measures by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be; *provided* that changing the jurisdiction of the Company, a Surviving Person or a Subsidiary Guarantor is not a reasonable measure for the purpose of this section (provided that changing the jurisdiction of the paying agent is a reasonable measure); provided further no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due, *provided further* that where any such requirement to pay Additional Amounts is due to taxes imposed by India or any political subdivision or taxing authority thereof or therein, the Company, Surviving Person or the Subsidiary Guarantor shall be permitted to redeem the Notes in accordance with the provisions hereof only if the rate of withholding or deduction in respect of which Additional Amounts are required is in excess of 5% (plus applicable surcharge and cess).

Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, will deliver to the Trustee at least 30 days but not more than 60 days before a redemption date:

(1) an Officer's Certificate stating that such change or amendment referred to in the prior paragraph has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, taking reasonable measures; and

(2) an Opinion of Counsel or an opinion of a tax consultant, in either case of recognized standing with respect to tax matters of the Relevant Taxing Jurisdiction, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in the prior paragraph.

The Trustee shall accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it shall be conclusive and binding on the Holders.

Any Notes that are redeemed will be cancelled.

Any redemption of the Notes prior to their stated maturity may require prior approval of the RBI or the designated authorized dealer bank, as the case may be, under applicable ECB Master Directions or other RBI guidelines, and such approval may not be forthcoming.

Certain Covenants

Set forth below are summaries of certain covenants contained in the Indenture.

Limitation on Indebtedness

(1) The Company will not, and will not permit any Restricted Subsidiary to, Incur any Indebtedness (including Acquired Indebtedness), provided that the Company and any Subsidiary Guarantor may Incur Indebtedness (including Acquired Indebtedness) if, after giving pro forma effect to the Incurrence of such Indebtedness and the receipt and application of the proceeds therefrom, (x) no Default has occurred and is continuing, and (y) the Fixed Charge Coverage Ratio would not be less than 2.25 to 1.0.

substantially concurrently with, but in any case before, the Incurrence of such Permitted Refinancing Indebtedness) Incurred under paragraph (1), (2)(a), 2(b), (2)(c), (2)(f) or (2)(g) and any refinancings thereof in an amount not to exceed the amount so refinanced or refunded (plus premiums, accrued interest, fees and expenses); *provided* that the Indebtedness to be refinanced is fully and irrevocably repaid no later than 30 days after the Incurrence of the Permitted Refinancing Indebtedness; and *provided further* that (i) Indebtedness the proceeds of which are used to refinance or refund the Notes or Indebtedness that is *pari passu* with, or subordinated in right of payment to, the Notes or any Subsidiary Guarantee shall only be permitted under this paragraph (2)(d) if (A) in case the Notes are refinanced in part or the Indebtedness to be refinanced is *pari passu* with the Notes or any Subsidiary Guarantee, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is outstanding, is expressly made *pari passu* with, or subordinate in right of payment to, the remaining Notes or such Subsidiary Guarantee, as the case may be, (B) in case the Indebtedness to be refinanced is subordinated in right of payment to the Notes or any Subsidiary Guarantee, other than Sponsor Bridge Financing, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is issued or remains outstanding, is expressly made subordinate in right of payment to the Notes or such Subsidiary Guarantee, as the case may be, at least to the extent that the Indebtedness to be refinanced is subordinated to the Notes or such Subsidiary Guarantee, as the case may be or (C) in the case that Sponsor Bridge Financing is refinanced, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is issued is expressly made *pari passu* with, or subordinate in right of payment to, the Notes; and (ii) such new Indebtedness, determined as of the date of Incurrence of such new Indebtedness, does not mature prior to the earlier of the final maturity date of the Notes and the Stated Maturity of the Indebtedness to be refinanced, and the Average Life of such new Indebtedness is at least equal to either the remaining Average Life of the Indebtedness to be refinanced or 180 days after the final maturity date of the Notes; and (iii) in no event may Indebtedness of the Company or any Subsidiary Guarantor be refinanced pursuant to this paragraph by means of any Indebtedness of any Restricted Subsidiary that is not a Subsidiary Guarantor; and (iv) in no event may unsecured Indebtedness of the Company or any Subsidiary Guarantor be refinanced pursuant to this clause with secured Indebtedness (other than (x) for the purposes of repaying the Notes in full or (y) for the purposes of refinancing Sponsor Bridge Financing, which may be secured to the extent of Indebtedness Incurred under paragraphs (1) and (2)(a) above);

(e) Indebtedness Incurred by the Company or any Restricted Subsidiary pursuant to Hedging Obligations designed solely to protect the Company or any of its Restricted Subsidiaries from fluctuations in interest rates, currencies or the price of commodities and not for speculation (or to reverse or amend or terminate any such agreements previously made for such purposes);

(f) Indebtedness Incurred by the Company or any Subsidiary Guarantor with a maturity of one year or less for working capital in an aggregate principal amount at any one time outstanding (together with refinancings thereof) of all Indebtedness Incurred under this paragraph (2)(f) not to exceed US$125.0 million (or the Dollar Equivalent thereof);

(g) (i) Indebtedness Incurred by a Restricted Subsidiary or (ii) Indebtedness of any Person acquired by or merged into the Company or any of its Restricted Subsidiaries and it becomes a Restricted Subsidiary of such Person or such Restricted Subsidiary; *provided* that such Indebtedness is not incurred in contemplation of such acquisition or merger; *provided further* that the aggregate principal amount at any one time outstanding when aggregated with the principal amount of all Indebtedness Incurred under this paragraph (2)(g) by a Restricted Subsidiary (which shall include

Indebtedness of any Person acquired by or merged into any Restricted Subsidiary) (together with refinancings thereof) shall not exceed US$75 million (or the Dollar Equivalent thereof);

(h) the Guarantee by the Company or any of its Subsidiary Guarantors of Indebtedness of the Company or any Subsidiary Guarantor permitted to be incurred by this covenant;

(i) Indebtedness of the Company or any Subsidiary Guarantor owed to the Company or any Subsidiary Guarantor; *provided* that (i) any event which results in (x) any Subsidiary Guarantor to which such Indebtedness is owed ceasing to be a Subsidiary Guarantor or (y) any subsequent transfer of such Indebtedness (other than to the Company or any Subsidiary Guarantor) shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted by this clause (i) and (ii) if the Company is the obligor under such Indebtedness, such Indebtedness must expressly be subordinated in right of payment to the Notes;

(j) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently, except in the case of daylight overdrafts, drawn against insufficient funds in the ordinary course of business; *provided*, *however*, that this Indebtedness is extinguished within five Business Days;

(k) Indebtedness of the Company or any Restricted Subsidiary in respect of workers' compensation claims and claims arising under similar legislation, or in connection with self-insurance or similar requirements, in each case in the ordinary course of business;

(l) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, or other similar obligations, in each case Incurred or assumed in connection with the disposition of any business, assets of the Company or of a Restricted Subsidiary, other than Guarantees of Indebtedness Incurred by any Person acquiring all or any portion of any of the Company's or a Restricted Subsidiary's business or assets for the purpose of financing an acquisition; *provided*, *however*, that the maximum assumable liability in respect of all this Indebtedness shall at no time exceed the gross proceeds actually received by the Company and/or the relevant Restricted Subsidiary in connection with the disposition; and

(m) obligations with respect to trade letters of credit, performance and surety bonds and completion guarantees provided by the Company or any of its Restricted Subsidiaries securing obligations, entered into in the ordinary course of business, to the extent the letters of credit, bonds or guarantees are not drawn upon or, if and to the extent drawn upon is honored in accordance with its terms and, if to be reimbursed, is reimbursed no later than 30 days following receipt of a demand for reimbursement following payment on the letter of credit, bond or guarantee.

For purposes of determining compliance with this "Limitation on Indebtedness" covenant, in the event that an item of Indebtedness meets the criteria of more than one of the types of Permitted Indebtedness or is permitted to be Incurred pursuant to paragraph (1) of this covenant, the Company may, in its sole discretion, classify, and from time to time may reclassify, such item of Indebtedness and only be required to include the amount of such Indebtedness as one of such types, *provided*, *however* that the Company shall not be permitted to reclassify any portion of Indebtedness incurred under paragraph (2)(a) as Indebtedness Incurred under any other provision and shall not be permitted to reclassify any Indebtedness Incurred under any provision other than paragraph (2)(a) as Indebtedness Incurred under paragraph (2)(a).

Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may Incur pursuant to this covenant shall not be deemed to

be exceeded solely as a result of fluctuations in the exchange rate of currencies. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred (or first committed, in the case of revolving credit debt); *provided*, that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Limitation on Restricted Payments

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly (the payments or any other actions described in clauses (1) through (4) below being collectively referred to as "**Restricted Payments**"):

(1) declare or pay any dividend or make any distribution on or with respect to the Company's or any of the Restricted Subsidiaries' Capital Stock (other than dividends or distributions payable solely in shares of Capital Stock of the Company (other than Disqualified Stock or Preferred Stock) or in options, warrants or other rights to acquire shares of such Capital Stock) held by Persons other than the Company or any Restricted Subsidiary;

(2) purchase, call for redemption or redeem, retire or otherwise acquire for value any shares of Capital Stock of the Company or any Restricted Subsidiary or any direct or indirect parent of the Company (including options, warrants or other rights to acquire such shares of Capital Stock) held by any Persons other than the Company or any Restricted Subsidiary;

(3) make any voluntary or optional principal payment, or voluntary or optional redemption, repurchase, defeasance, or other voluntary or optional acquisition or retirement for value, of Subordinated Indebtedness (excluding any intercompany Indebtedness between the Company and any Restricted Subsidiary or among the Restricted Subsidiaries and Sponsor Bridge Financing repaid using Permitted Refinancing Indebtedness); or

(4) make any Investment, other than a Permitted Investment;

if, at the time of, and after giving effect to, the proposed Restricted Payment:

(a) a Default has occurred and is continuing or would occur as a result of such Restricted Payment;

(b) the Company could not Incur at least US$1.00 of Indebtedness under the Fixed Charge Coverage Ratio described in the first paragraph under "— Limitation on Indebtedness"; or

(c) such Restricted Payment, together with the aggregate amount of all Restricted Payments made by the Company and the Restricted Subsidiaries after February 3, 2015, shall exceed the sum of:

(i) 50% of the aggregate amount of the Consolidated Net Income of the Company (or, if the Consolidated Net Income is a loss, minus 100% of the amount of such loss) accrued on a cumulative basis during the period (taken as one accounting period) beginning on January 1, 2015 and ending on the last day of the

Company's most recently ended fiscal quarter for which consolidated financial statements of the Company (which the Company shall use its reasonable best efforts to compile in a timely manner and which may be internal financial statements) are available and have been provided to the Trustee at the time of such Restricted Payment; plus

(ii) 100% of the aggregate Net Cash Proceeds received by the Company after February 3, 2015 as a capital contribution to its common equity by, or from the issuance and sale of its Capital Stock (other than Disqualified Stock) to a Person who is not a Restricted Subsidiary, including any such Net Cash Proceeds received upon (A) the conversion by a Person who is not a Subsidiary of the Company of any Indebtedness (other than Subordinated Indebtedness) of the Company into Capital Stock (other than Disqualified Stock) of the Company, or (B) the exercise by a Person who is not a Subsidiary of the Company of any options, warrants or other rights to acquire Capital Stock of the Company (other than Disqualified Stock), in each case after deducting the amount of any such Net Cash Proceeds used to redeem, repurchase, defease or otherwise acquire or retire for value any Subordinated Indebtedness or Capital Stock of the Company or any Restricted Subsidiary; plus

(iii) the amount by which Indebtedness of the Company is reduced on the Company's balance sheet upon the conversion or exchange subsequent to February 3, 2015 of any Indebtedness of the Company convertible or exchangeable for Capital Stock (other than Disqualified Stock) of the Company (less the amount of any cash, or the Fair Market Value of any other property, distributed by the Company upon such conversion or exchange); provided, however, that the foregoing amount shall not exceed the Net Cash Proceeds received by the Company from the Incurrence of such Indebtedness; plus

(iv) an amount equal to the net reduction in Investments (other than reductions in Permitted Investments) that were made after February 3, 2015 in any Person resulting from (A) payments of interest on Indebtedness, dividends or repayments of loans or advances by such Person, in each case to the Company or any Restricted Subsidiary (except, in each case, to the extent any such payment or proceeds are included in the calculation of Consolidated Net Income) after February 3, 2015, (B) the unconditional release of a Guarantee provided by the Company or a Restricted Subsidiary after February 3, 2015 of an obligation of another Person, (C) to the extent that an Investment made after February 3, 2015 is sold or otherwise liquidated or repaid for cash, the lesser of (x) cash return of capital with respect to such Investment (less the cost of disposition, if any) and (y) the initial amount of such Investment, or (D) from redesignations of Unrestricted Subsidiaries as Restricted Subsidiaries, not to exceed, in each case, the amount of Investments (other than Permitted Investments) made by the Company or a Restricted Subsidiary after February 3, 2015 in any such Person and treated as a Restricted Payment.

The foregoing provision shall not be violated by reason of:

(1) the payment of any dividend or irrevocable redemption of any Capital Stock within 60 days after the related date of declaration or call for redemption if, at said date of declaration or call for redemption, such payment or redemption would comply with the preceding paragraph;

(2) the payment of any dividends or distributions declared, paid or made by a Restricted Subsidiary, to the holders of such Restricted Subsidiary's Capital Stock, majority of which is held, directly or indirectly through Restricted Subsidiaries, by the Company, on a pro rata basis or on a basis more favorable to the Company and its Restricted Subsidiaries;

(1) the Affiliate Transaction is on fair and reasonable terms that are no less favorable to the Company or the relevant Restricted Subsidiary, as the case may be, than those that would have been obtained in a comparable transaction by the Company or the relevant Restricted Subsidiary with a Person that is not an Affiliate of the Company; and

(2) the Company delivers to the Trustee:

The foregoing limitation does not limit, and shall not apply to:

(1) any employment or compensation agreement (whether based in cash or securities), officer or director indemnification agreement, severance or termination agreement or any similar arrangement entered into by the Company or any of its Restricted Subsidiaries and payments pursuant thereto and any transactions pursuant to stock option plans, stock ownership plans and employee benefit plans or similar arrangements approved by the Board of Directors in each case in the ordinary course of business;

(6) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged into the Company or any of its Restricted Subsidiaries; *provided* that such agreement was not entered into in contemplation of such acquisition or merger;

(7) any purchases by the Company's Affiliates of Indebtedness or Disqualified Stock of the Company or any of its Restricted Subsidiaries where at least 90% of such Indebtedness or Disqualified Stock is purchased by Persons who are not Affiliates of the Company;

(8) transactions contemplated pursuant to agreements or arrangements in effect on the Original Issue Date and described in this offering memorandum, or any amendment or modification or replacement thereof that is not materially more disadvantageous to the Company than the agreement or arrangement in effect on the Original Issue Date; and

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur, assume or permit to exist any Lien (other than Permitted Liens) of any nature whatsoever on any of its assets or properties of any kind (other than the Collateral and the Excluded Collateral), whether owned at the Original Issue Date or thereafter acquired, unless the Notes are (or, in respect of any Lien on any Subsidiary Guarantor's property or assets, any Subsidiary Guarantee of such Restricted Subsidiary is) equally and ratably secured by such Lien.

Limitation on Sale and Leaseback Transactions

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction; *provided* that the Company or a Restricted Subsidiary may enter into a Sale and Leaseback Transaction if:

(1) the Company or such Restricted Subsidiary could have (a) Incurred Indebtedness in an amount equal to the Attributable Indebtedness relating to such Sale and Leaseback Transaction under the covenant described under "— Limitation on Indebtedness" and (b) incurred a Lien to secure such Indebtedness pursuant to the covenant described above under "— Limitation on Liens," in which case, the corresponding Indebtedness will be deemed Incurred and the corresponding Lien will be deemed incurred pursuant to those provisions;

(2) the gross cash proceeds of that Sale and Leaseback Transaction are at least equal to the Fair Market Value of the property that is the subject of such Sale and Leaseback Transaction; and

(3) the transfer of assets in that Sale and Leaseback Transaction is not prohibited by the covenant described below under "— Limitation on Asset Sales."

Limitation on Asset Sales

The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless:

(1) the consideration received by the Company or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of; and

(2) at least 75% of the consideration received consists of cash, Temporary Cash Investments or Replacement Assets (as defined below); *provided* that in the case of an Asset Sale in which the Company or such Restricted Subsidiary receives Replacement Assets involving aggregate consideration in excess of US$25.0 million (or the Dollar Equivalent thereof), the Company shall deliver to the Trustee an opinion of fairness to the Company or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an accounting, appraisal or investment banking firm of recognized standing or Independent Engineer. For purposes of this provision, each of the following will be deemed to be cash:

   (a) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Subsidiary Guarantee) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that releases the Company or such Restricted Subsidiary, as the case may be, from or indemnifies them against further liability; and

   (b) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from such transferee that are promptly, but in any event within 90 days of closing, converted by the Company or such Restricted Subsidiary, as the case may be, into cash, to the extent of the cash received in that conversion.

(3) Within 365 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company or the applicable Restricted Subsidiary, as the case may be, may apply an amount equal to such Net Cash Proceeds:

   (a) if and to the extent the Asset Sale relates to Collateral:

      (i) to permanently repay any Senior Indebtedness secured by the Collateral (including the Notes) (and if any such Senior Indebtedness is revolving credit

Indebtedness, to correspondingly permanently reduce commitments with respect thereto), in each case owing to a Person other than the Company or a Restricted Subsidiary, *provided* that to the extent no Senior Indebtedness (other than the Notes) remains outstanding, the Company or the applicable Restricted Subsidiary, as the case may be, may apply such Net Cash Proceeds to make an Offer to Purchase to all Holders in accordance with the procedures set forth in clause (4) below (subject to applicable ECB Master Directions or other RBI guidelines and to the extent permitted under the OMDA), at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, and purchase any Notes tendered (and not validly withdrawn) in connection therewith; or

(b) if and to the extent the Asset Sale does not relate to Collateral:

(ii) acquire Replacement Assets; or

(iii) fund the operating requirements of the Company;

provided that, pending the application of Net Cash Proceeds in accordance with clauses (a) or (b) of this paragraph, such Net Cash Proceeds may be temporarily invested only in cash or Temporary Cash Investments or be used to temporarily reduce revolving credit Indebtedness.

(1) Any amount of Net Cash Proceeds from Asset Sales that are not applied or invested as provided in clause (3) will constitute "**Excess Proceeds**." Excess Proceeds of less than US$10.0 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. When accumulated Excess Proceeds exceed US$10.0 million (or the Dollar Equivalent thereof), subject to applicable ECB Master Directions or other RBI guidelines and to the extent permitted under the OMDA, within ten (10) Business Days thereof, the Company must make an Offer to Purchase Notes having a principal amount equal to:

(a) accumulated Excess Proceeds, multiplied by

(b) a fraction (x) the numerator of which is equal to the outstanding principal amount of the Notes and (y) the denominator of which is equal to the outstanding principal amount of the Notes and (i) to the extent the Asset Sale relates to Collateral, all Indebtedness under the Existing Senior Debt and any Permitted Pari Passu Secured Indebtedness; and (ii) to the extent the Asset Sales does not relate to Collateral, all Senior Indebtedness, in any such case similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale, rounded down to the nearest US$1,000.

The offer price in any Offer to Purchase will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash.

If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate

principal amount of Notes tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Trustee will select the Notes to be purchased on a pro rata basis. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

Limitation on Business Activities

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, engage in any business other than Permitted Businesses.

Use of Proceeds

The Company will not use the net proceeds from the sale of the Notes issued and sold on the Original Issue Date, in any amount, for any purpose other than (1) as specified under "Use of Proceeds" in this offering memorandum and (2) pending the application of all of such net proceeds in such manner, to invest the portion of such net proceeds not yet so applied in cash or Temporary Cash Investments, subject to applicable ECB Master Directions or any other RBI guidelines.

Designation of Restricted and Unrestricted Subsidiaries

The Board of Directors may designate any Restricted Subsidiary to be an Unrestricted Subsidiary; *provided* that (1) no Default shall have occurred and be continuing at the time of or after giving effect to such designation; (2) such Restricted Subsidiary does not own any Disqualified Stock of the Company or Disqualified Stock or Preferred Stock of a Restricted Subsidiary or hold any Indebtedness of, or any Lien on any property of, the Company or any Restricted Subsidiary, if such Disqualified Stock or Preferred Stock or Indebtedness could not be Incurred under the covenant described under "— Limitation on Indebtedness" or such Lien would violate the covenant described under "— Limitation on Liens"; (3) such Restricted Subsidiary does not own any Voting Stock of another Restricted Subsidiary (other than Restricted Subsidiaries concurrently designated to be Unrestricted Subsidiaries in accordance with this covenant), and all of its Subsidiaries are Unrestricted Subsidiaries or are being concurrently designated to be Unrestricted Subsidiaries in accordance with this paragraph; (4) such Restricted Subsidiary has no outstanding Indebtedness that could trigger a cross-default to the Indebtedness of the Company or any other Restricted Subsidiary; and (5) the Investment deemed to have been made thereby in such newly designated Unrestricted Subsidiary and each other newly designated Unrestricted Subsidiary being concurrently redesignated would be permitted to be made by the covenant described under "— Limitation on Restricted Payments."

The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that (1) no Default shall have occurred and be continuing at the time of or after giving effect to such designation; (2) any Indebtedness of such Unrestricted Subsidiary outstanding at the time of such designation which will be deemed to have been Incurred by such newly designated Restricted Subsidiary as a result of such designation would be permitted to be Incurred by the covenant described under "— Limitation on Indebtedness"; (3) any Lien on the property of such Unrestricted Subsidiary at the time of such designation, which Liens will be deemed to have been incurred by such newly designated Restricted Subsidiary as a result of such designation, would be permitted to be incurred by the covenant described under "— Limitation on Liens"; and (4) such Unrestricted Subsidiary is not a Subsidiary of another Unrestricted Subsidiary (that is not concurrently being designated as a Restricted Subsidiary).

All designations must be evidenced by a Board Resolution delivered to the Trustee certifying compliance with the preceding provisions.

Government Approvals and Licenses; Compliance with Law

The Company will, and will cause each Restricted Subsidiary to, (1) obtain and maintain in full force and effect substantially all governmental approvals, authorizations, consents, permits,

concessions and licenses as are necessary to engage in the Permitted Business, including the Project Agreements; (2) comply with the terms of the Project Agreements and not take any action or omit to take any action that could give rise to the right of any party to terminate the relevant Project Agreement or, in the case of the OMDA, to permit substitution of the Company by another person under the OMDA, the Substitution Agreement or other agreement; (3) preserve and maintain good and valid title to its properties and assets (including land-use rights) free and clear of any Liens other than as permitted by the covenant described under "—Limitation on Liens"; and (4) comply with all laws, regulations, orders, judgments and decrees of any governmental body, except to the extent that failure so to obtain, maintain, comply or preserve and maintain would not be reasonably be expected to have a material adverse effect on the business, results of operations or prospects of the Company and its Restricted Subsidiaries, taken as a whole.

Anti-Layering

The Company will not Incur, and will not permit any Subsidiary Guarantor to Incur, any Indebtedness if such Indebtedness is contractually subordinated in right of payment to any other Indebtedness of the Company or any Subsidiary Guarantor, as the case may be, unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Subsidiary Guarantees on substantially identical terms. No Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness by virtue of being unsecured, or by reason of any Liens or Guarantees securing or in favor of some but not all of such Indebtedness or as a result of Indebtedness having a junior priority with respect to the same collateral or being secured by different collateral.

Substitution Agreement

The Company will use its commercially reasonable efforts to ensure that AAI, the Company and the Security Trustee enter into a new or an amended Substitution Agreement that includes the Trustee, on behalf of Holders of the Notes, as a Lender (as defined in the Substitution Agreement) enjoying the benefits thereunder, as soon as reasonably practicable following the Original Issue Date.

Suspension of Certain Covenants

If on any date following the date of the Indenture, the Notes have a rating of Investment Grade from both of the Rating Agencies and no Default has occurred and is continuing, then, beginning on that day and continuing until such time, if any, at which the Notes cease to have a rating of Investment Grade from both of the Rating Agencies (such period, the "**Suspension Period**"), the provisions of the Indenture summarized under the following captions will be suspended:

(4) "— Certain Covenants — Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries";

(5) "— Certain Covenants — Limitation on Issuances of Guarantees by Restricted Subsidiaries";

(6) "— Certain Covenants — Limitation on Sale and Leaseback Transactions";

(7) "— Certain Covenants — Limitation on Asset Sales;" and

Such covenants will be reinstituted and apply according to their terms as of and from the first day on which a Suspension Period ceases to be in effect. Such covenants will not, however, be of any effect with regard to actions of the Company or any Restricted Subsidiary properly taken in compliance with the provisions of the Indenture during the continuance of the Suspension Period, and following reinstatement (1) the calculations under the covenant summarized under "— Certain Covenants — Limitation on Restricted Payments" will be made as if such covenant had been in effect since the date of the Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended and (2) all Indebtedness incurred, or Disqualified Stock or preferred stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to clause (2)(c) of the covenant summarized under "— Certain Covenants — Limitation on Indebtedness." In addition, so long as any Note remains outstanding, the Company will provide to the Trustee (a) within 90 days after the close of each fiscal year, an Officer's Certificate stating the Fixed Charge Coverage Ratio with respect to the four most recent fiscal quarters and showing in reasonable detail the calculation of the Fixed Charge Coverage Ratio, including the arithmetic computations of each component of the Fixed Charge Coverage Ratio, together with a certificate from the Company's external auditors verifying the accuracy and correctness of the calculations and arithmetic computations made, *provided* that the Company will not be required to provide such auditor certification if its external auditors refuse to provide such certification as a result of any policy of such external auditors prohibiting such certification if in such case the Company delivers such certification from an alternative member firm of an internationally recognized firm of independent accountants with such Officer's Certificate; and as soon as possible and in any event within 10 days after the Company or any Subsidiary Guarantor becomes aware or should reasonably become aware of the occurrence of a Default, an Officer's Certificate setting forth the details of the Default, and the action which the Company and the Subsidiary Guarantors propose to take with respect thereto.

All historical financial statements shall be prepared in accordance with GAAP and on a consistent basis for the periods presented; *provided* that the reports set forth in clauses (1) and (2) above may, in the event of a change in applicable GAAP, present earlier periods on the basis of GAAP that applied to such periods.

At any time that any of the Company's Subsidiaries are Unrestricted Subsidiaries and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly financial information required by clauses (1) and (2) of this covenant shall include a summary presentation, either on the face of the financial statements or in the footnotes thereto or in the operating and financial review of the financial statements of the revenue, EBITDA, net income, cash, total assets, total debt, shareholders equity, capital expenditures and interest expense of such Unrestricted Subsidiaries.

If an Event of Default (other than an Event of Default specified in clause (7) or (8) above) occurs and is continuing under the Indenture, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the Trustee if such notice is given by the Holders), may, and the Trustee at the written direction of such Holders shall, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If an Event of Default specified in clause (7) or (8) above occurs with respect to the Company or any Restricted Subsidiary, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

The Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee may on behalf of the Holders waive all past defaults and rescind and annul a declaration of acceleration and its consequences if:

(1) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived; and

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

If an Event of Default occurs and is continuing, the Trustee may, or shall upon the written instruction of Holders of at least 25% in aggregate principal amount of the outstanding Notes, instruct the Security Trustee to foreclose on the Collateral in accordance with the terms of the Security Documents and the Intercreditor Agreement and take such further action on behalf of the Holders with respect to the Collateral in accordance with such written instruction, the Security Documents and the Intercreditor Agreement.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee

or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders. In addition, the Trustee will not be required to expend its own funds in following such direction if it does not believe that reimbursement or satisfactory indemnification is assured to it.

A Holder may not institute any proceeding, judicial or otherwise, with respect to the Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under the Indenture or the Notes, unless:

(1) the Holder has previously given the Trustee written notice of a continuing Event of Default;

(2) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer the Trustee indemnity satisfactory to the Trustee against any costs, liability or expense to be incurred in compliance with such request;

(4) the Trustee does not comply with the request within (x) 60 days after receipt of the written request pursuant to clause (2) above or (y) 60 days after the receipt of the offer of indemnity pursuant to clause (3) above, whichever occurs later; and

(5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

However, such limitations do not apply to the right of any Holder of a Note to receive payment of the principal of, premium, if any, or interest on, such Note or any payment under any Subsidiary Guarantee, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, which right shall not be impaired or affected without the consent of the Holder.

Officers of the Company must certify to the Trustee in writing, on or before a date not more than 90 days after the end of each fiscal year, that a review has been conducted of the activities of the Company and the Restricted Subsidiaries and the Company's and the Restricted Subsidiaries' performance under the Indenture and that the Company and each Subsidiary Guarantor have fulfilled all of their respective obligations thereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof. The Company will also be obligated to notify the Trustee in writing of any default or defaults in the performance of any covenants or agreements under the Indenture. See "— Provision of Financial Statements and Reports."

Any repatriation of enforcement proceeds pursuant to an Event of Default may require the prior approval of the RBI or the designated authorized dealer bank, as the case may be, under applicable ECB Master Directions or other RBI guidelines.

Consolidation, Merger and Sale of Assets

The Company will not consolidate with, merge with or into another Person, permit any Person to merge with or into it, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of the properties and assets of the Company and the Restricted Subsidiaries (computed on a consolidated basis) (as an entirety or substantially an entirety in one transaction or a series of related transactions) unless each of the following conditions is satisfied:

(1) the Company shall be the continuing Person, or the Person (if other than it) formed by such consolidation or merger, or with or into which the Company consolidated or merged, or that acquired or leased such property and assets (the "**Surviving Person**") shall be a corporation organized and validly existing under the laws of India and shall expressly assume, by a

supplemental indenture to the Indenture, executed and delivered to the Trustee, all the obligations of the Company under the Indenture, the Notes and the Security Documents, as the case may be, including the obligation to pay Additional Amounts with respect to any jurisdiction in which it is organized or resident for tax purposes or through which it makes payments, and the Indenture and the Notes shall remain in full force and effect;

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing;

(3) immediately after giving effect to such transaction on a pro forma basis, the Company or the Surviving Person, as the case may be, shall have a Consolidated Net Worth equal to or greater than the Consolidated Net Worth of the Company immediately prior to such transaction;

(4) immediately after giving effect to such transaction on a pro forma basis, the Company or the Surviving Person, as the case may be, could Incur at least US$1.00 of Indebtedness under the proviso of paragraph (1) of the covenant described under "— Certain Covenants — Limitation on Indebtedness"; *provided* that this clause (3) shall not apply to any such consolidation, merger, sale, conveyance, transfer, lease or other disposition with, into or to a Restricted Subsidiary;

(5) the Company shall deliver to the Trustee (x) an Officer's Certificate (attaching the arithmetic computations to demonstrate compliance with clause (3)) and (y) an Opinion of Counsel, in each case stating that such consolidation, merger or transfer and the relevant supplemental indenture complies with this provision and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with;

(6) each Subsidiary Guarantor shall execute and deliver a supplemental indenture to the Indenture confirming that its Subsidiary Guarantee shall apply to the obligations of the Company or the Surviving Person, as the case may be, in accordance with the Notes and the Indenture; and

(7) no Rating Decline shall have occurred.

No Subsidiary Guarantor will consolidate with, merge with or into another Person, permit any Person to merge with or into it, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of the properties and assets of the Subsidiary Guarantor and its Restricted Subsidiaries (computed on a consolidated basis) (as an entirety or substantially an entirety in one transaction or a series of related transactions) to another Person (other than the Company or another Subsidiary Guarantor), unless each of the following conditions is met:

(1) such Subsidiary Guarantor shall be the continuing Person, or the Person (if other than it) formed by such consolidation or merger, or with or into which the Subsidiary Guarantor consolidated or merged, or that acquired or leased such property and assets shall be the Company, another Subsidiary Guarantor or shall become a Subsidiary Guarantor concurrently with the transaction in accordance with the Indenture;

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing;

(3) immediately after giving effect to such transaction on a pro forma basis, the Company shall have a Consolidated Net Worth equal to or greater than the Consolidated Net Worth of the Company immediately prior to such transaction;

(4) immediately after giving effect to such transaction on a pro forma basis, the Company could Incur at least US$1.00 of Indebtedness under the proviso of paragraph (1) of the covenant described under "— Certain Covenants — Limitation on Indebtedness"; *provided* that this clause (4) shall not apply to any such consolidation, merger, sale, conveyance, transfer, lease or other disposition with, into or to a Restricted Subsidiary;

(5) the Company shall deliver to the Trustee (x) an Officer's Certificate (attaching the arithmetic computations to demonstrate compliance with clause (3)) and (y) an Opinion of Counsel, in each case stating that such consolidation, merger or transfer and the relevant supplemental indenture complies with this provision and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with; and

(6) no Rating Decline shall have occurred;

provided that this paragraph shall not apply to any sale or other disposition that complies with the "Limitation on Asset Sales" covenant or any Subsidiary Guarantor whose Subsidiary Guarantee is unconditionally released in accordance with the provisions described under "— The Subsidiary Guarantees — Release of the Subsidiary Guarantees."

The foregoing provisions would not necessarily afford Holders protection in the event of highly leveraged or other transactions involving the Company or the Subsidiary Guarantors that may adversely affect Holders.

No Payments for Consents

The Company will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture, the Notes or any Subsidiary Guarantee unless such consideration is offered to be paid or is paid to all Holders that consent, waive or agree to amend such term or provision within the time period set forth in the solicitation documents relating to such consent, waiver or amendment. Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes in connection with an exchange or tender offer, the Company and any Restricted Subsidiary may exclude (i) Holders or beneficial owners of the Notes that are not "qualified institutional buyers" as defined under the Securities Act, and (ii) Holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such Holders or beneficial owners would require the Company or any Restricted Subsidiary to comply with the registration requirements or other similar requirements under any securities laws of such jurisdiction, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, Holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Company in its sole discretion.

Defeasance

Defeasance and Discharge

The Indenture will provide that the Company will be deemed to have paid and will be discharged from any and all obligations in respect of the Notes on the 183rd day after the deposit referred to below, and the provisions of the Indenture will no longer be in effect with respect to the Notes (except for, among other matters, certain obligations to register the transfer or exchange of the Notes, to replace stolen, lost or mutilated Notes, to maintain paying agencies and to hold monies for payment in trust) if, among other things:

(1) the Company (a) has deposited with the Trustee, in trust, cash in U.S. dollars, U.S. Government Obligations or a combination thereof that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes and (b) delivers to the Trustee an Opinion of Counsel or a certificate of an internationally recognized firm of independent accountants to the effect that the amount deposited by the Company is sufficient to provide payment for the principal of, premium, if

any, and accrued interest on, the Notes on the Stated Maturity of such payment in accordance with the terms of the Indenture and an Opinion of Counsel to the effect that the Holders have a valid, perfected, exclusive Lien over such trust;

(2) the Company has delivered to the Trustee an Opinion of Counsel from a law firm of recognized international standing to the effect that the creation of the defeasance trust does not violate the U.S. Investment Company Act of 1940, as amended, and after the passage of 123 days following the deposit, the trust fund will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law;

(3) the Company shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by it with the intent of preferring the Holders over any other of its creditors or with the intent of defeating, hindering, delaying or defrauding any other of its creditors or others;

(4) immediately after giving effect to such deposit on a pro forma basis, no Event of Default, or event that after the giving of notice or lapse of time or both would become an Event of Default, shall have occurred and be continuing on the date of such deposit or during the period ending on the 183rd day after the date of such deposit, and such defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Company or any of the Restricted Subsidiaries is a party or by which the Company or any of the Restricted Subsidiaries is bound; and

(5) the Company shall have delivered to the Trustee an Opinion of Counsel from a law firm of recognized international standing with respect to U.S. tax matters to the effect that the Holders of the notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred, and, such Opinion of Counsel must be based on a ruling of the U.S. Internal Revenue Service or a change in applicable U.S. federal income tax law.

In the case of either discharge or defeasance of the Notes, each of the Subsidiary Guarantees will terminate.

Defeasance of Certain Covenants

The Indenture will further provide that the provisions of the Indenture will no longer be in effect with respect to clauses (3), (4) and (7) under the first paragraph and (3), (4) and (6) under the second paragraph under "— Consolidation, Merger and Sale of Assets" and all the covenants described herein under "— Certain Covenants," other than as described under "— Certain Covenants — Government Approvals and Licenses; Compliance with Law" and "— Certain Covenants — Anti-Layering," and clause (3) under "Events of Default" with respect to such clauses (3), (4) and (7) under the first paragraph and (3), (4) and (6) under the second paragraph under "— Consolidation, Merger and Sale of Assets" and with respect to the other events set forth in such clause, clause (4) under "— Events of Default" with respect to such other covenants and clauses (5), (6), (7) and (8) under "— Events of Default" shall be deemed not to be Events of Default upon, among other things, the deposit with the Trustee, in trust, of cash in U.S. dollars, U.S. Government Obligations or a combination thereof that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes, and the satisfaction of the provisions described in clause (2) and (5) of the preceding paragraph; provided that the Opinion of Counsel with respect to U.S. tax matters need not be based on a ruling of the U.S. Internal Revenue Service or a change in applicable U.S. federal income tax law.

Defeasance and Certain Other Events of Default

In the event the Company exercises its option to omit compliance with certain covenants and provisions of the Indenture with respect to the Notes as described in the immediately preceding paragraph and the Notes are declared due and payable because of the occurrence of an Event of Default that remains applicable, the amount of cash in U.S. dollars and/or U.S. Government Obligations on deposit with the Trustee will be sufficient to pay amounts due on the Notes at the time of their Stated Maturity but may not be sufficient to pay amounts due on the Notes at the time of the acceleration resulting from such Event of Default. However, the Company and the Subsidiary Guarantors will remain liable for such payments.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when:

(1) either

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for those payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the Trustee (or such other entity designated or appointed (as agent) by it for such purpose) as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination of thereof, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal of, premium on, if any, and interest, if any, on, the Notes to the date of maturity or redemption;

(2) in respect of clause 1(b), no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and, in each case, the granting of Liens to secure such borrowings) and the deposit will not result in a breach or violation of, or constitute a default under, other instrument to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(3) the Company or any Subsidiary Guarantor has paid or caused to be paid all sums payable by it under the Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating all conditions precedent to satisfaction and discharge have been satisfied.

Unclaimed Money

Claims against the Company for the payment of principal of, premium, if any, or interest, on the Notes will become void unless presentation for payment is made as required in the Indenture within a period of six years.

No Personal Liability of Incorporators, Stockholders, Officers, Directors or Employees

No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company or any Subsidiary Guarantor in the Indenture, or in any of the Notes or the Subsidiary Guarantees or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Company or any Subsidiary Guarantor or of any successor Person thereof. Each Holder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Subsidiary Guarantees. Such waiver may not be effective to waive liabilities under relevant laws.

Concerning the Trustee and the Paying Agent

Citicorp International Limited is to be appointed as Trustee under the Indenture, and Citibank, N.A., London Branch is to be appointed as registrar and paying agent under the Indenture (the "**Paying Agent**") with regard to the Notes. Except during the continuance of a Default, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Indenture and the Notes (as the case may be), and no implied covenant or obligation shall be read into the Indenture or the Notes (as the case may be) against the Trustee. If an Event of Default has occurred and is continuing, the Trustee will be required to use the same degree of care and skill in its exercise of the rights and powers vested in it under the Indenture or the Notes or the Subsidiary Guarantees (as the case may be) as a prudent person would exercise under the circumstances in the conduct of such person's own affairs.

Pursuant to the terms of the Indenture, the Notes or the Subsidiary Guarantees (as the case may be), the Company and the Subsidiary Guarantors will reimburse the Trustee for all properly incurred expenses.

Book-Entry; Delivery and Form

The certificates representing the Notes will be issued in fully registered form without interest coupons. Notes sold in offshore transactions in reliance on Regulation S under the Securities Act will initially be represented by one or more permanent global notes in definitive, fully registered form without interest coupons (each a "Regulation S Global Note") and will be deposited with Citibank, N.A., London Branch, as custodian for, and registered in the name of a nominee of, DTC for the accounts of Euroclear and Clearstream.

Notes sold in reliance on Rule 144A will be represented by one or more permanent global notes in definitive, fully registered form without interest coupons (each a "Restricted Global Note;" and together with the Regulation S Global Notes, the "Global Notes") and will be deposited with Citibank, N.A., London Branch, as custodian for, and registered in the name of a nominee of, DTC.

Each Global Note (and any Notes issued for exchange therefor) will be subject to certain restrictions on transfer set forth therein as described under "Transfer Restrictions."

Ownership of beneficial interests in a Global Note will be limited to persons who have accounts with DTC ("participants") or persons who hold interests through participants. Ownership of beneficial interests in a Global Note will be shown on, and the transfer of that ownership will be effected only through, records maintained by DTC or its nominee (with respect to interests of participants) and the records of participants (with respect to interests of persons other than participants). Qualified institutional buyers may hold their interests in a Restricted Global Note directly through DTC if they are participants in such system, or indirectly through organizations which are participants in such system.

Investors may hold their interests in a Regulation S Global Note directly through Euroclear or Clearstream, if they are participants in such systems, or indirectly through organizations that are

participants in such system. Euroclear and Clearstream will hold interests in the Regulation S Global Notes on behalf of their participants.

So long as DTC, or its nominee, is the registered owner or holder of a Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Global Note for all purposes under the Indenture and the Notes. No beneficial owner of an interest in a Global Note will be able to transfer that interest except in accordance with DTC's applicable procedures, in addition to those provided for under the Indenture and, if applicable, those of Euroclear and Clearstream.

Payments of the principal of, and interest on, a Global Note will be made to DTC or its nominee, as the case may be, as the registered owner thereof. Neither the Issuer, any of the Guarantors, the Trustee, the Registrar nor the Principal Paying and Transfer Agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

The Issuer expects that DTC or its nominee, upon receipt of any payment of principal or interest in respect of a Global Note, will credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Note as shown on the records of DTC or its nominee. The Issuer also expects that payments by participants to owners of beneficial interests in such Global Note held through such participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of such participants.

Transfers between participants in DTC will be effected in the ordinary way in accordance with DTC rules and will be settled in same-day funds. Transfers between participants in Euroclear and Clearstream will be effected in the ordinary way in accordance with their respective rules and operating procedures.

Cross-market transfers between DTC, on the one hand, and directly or indirectly through Euroclear or Clearstream participants, on the other, will be effected through DTC, in accordance with DTC rules on behalf of Euroclear or Clearstream, as the case may be, by its respective depositary; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with its rules and procedures and within its established deadlines. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depositary to take action to effect final settlement on its behalf by delivering or receiving beneficial interests in the relevant global note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Clearstream participants and Euroclear participants may not deliver instructions directly to the depositaries for Clearstream or Euroclear. Because of time zone differences, the securities account of a Euroclear participant or Clearstream participant purchasing a beneficial interest in a global note from a participant will be credited during the securities settlement processing day immediately following the DTC settlement date and such credit of any transactions in beneficial interests in such global note settled during such processing will be reported to the relevant Euroclear participant or Clearstream participant on such Business Day. Cash received in Euroclear or Clearstream as a result of sales of beneficial interests in a global note by or through a Euroclear participant or Clearstream participant to a participant will be received with value on the DTC settlement date but will be available in the relevant Euroclear or Clearstream cash account only as of the Business Day following settlement in DTC.

The Issuer expects that DTC will take any action permitted to be taken by a Holder (including the presentation of Notes for exchange as described below) only at the direction of one or more participants to whose account the DTC interests in a Global Note are credited and only in respect of such portion of the aggregate principal amount of Notes as to which such participant or participants has

or have given such direction. However, if there is an Event of Default under the Notes, DTC will exchange the applicable Global Note for Certificated Notes, which it will distribute to its participants and which may be legended as set forth under the heading "Transfer Restrictions."

Indirect access to Euroclear or Clearstream is also available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodian relationship with a Euroclear or Clearstream participant, either directly or indirectly.

Although the foregoing sets out the procedures of Euroclear and Clearstream in order to facilitate the original issue and subsequent transfers of interests in the Notes among participants of Euroclear and Clearstream, neither Euroclear nor Clearstream is under any obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time.

None of the Company, the Trustee or any of their respective agents will have responsibility for the performance of Euroclear or Clearstream or their respective participants of their respective obligations under the rules and procedures governing their operations, including, without limitation, rules and procedures relating to book-entry interests.

1 Issue Proportion, Form, Specified Denomination and Title

1.1 *Issue proportion*

The Notes are issued by and are obligations of each Issuer. The obligations in respect of each Note are attributable on a several (and not a joint and several) basis to each Issuer in the following proportions:

	Percentage
Prayatna Developers Private Limited	21.4 per cent.
Parampujya Solar Energy Private Limited	50.2 per cent.
Adani Green Energy (UP) Limited	28.4 per cent.

Each Issuer shall be liable for its own payment obligations arising from the Notes it has issued pursuant to these Conditions.

1.2 *Form and denomination*

The Notes are issued in registered form in a minimum denomination of U.S.$200,000 and integral multiples of U.S.$1,000 in excess thereof (referred to as the "**principal amount**" of each Note). A note certificate (each a "**Certificate**") will be issued to each Noteholder in respect of its registered holding of Notes. Each Certificate will be numbered serially with an identifying number which will be recorded on the relevant Certificate and in the register of Noteholders which the Issuers will procure to be kept by the Registrars (the "**Register**"), and, save as provided in Condition 2.1, each Certificate shall represent the entire holding of Notes by the same holder.

1.3 *Title*

Title to the Notes passes only by registration in the Register. The registered holder of any Note will (except as ordered by a court of competent jurisdiction or as otherwise required by law) be treated as

its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it, any writing on it, or the theft or loss of the Certificate issued in respect of it) (other than a duly executed transfer thereof in the form endorsed thereon), and no person will be liable for so treating the holder. The registered holder of a Note will be recognized by the Note Trustee as entitled to his Note free from any equity, set-off or counterclaim on the part of the Note Trustee against the original or any intermediate holder of such Note.

The Note Trustee may call for and shall be at liberty to accept and place full reliance on (as sufficient evidence thereof and shall not be liable to any Noteholder or any other person by reason of either having accepted as valid or not having rejected) an original Note Certificate or for so long as the Notes are represented by the Global Certificates, a letter of confirmation, certificate, report or any other information purporting to be signed or provided on behalf of DTC, Euroclear or Clearstream, Luxembourg or any other relevant clearing system to the effect that at any particular time or throughout any particular period any particular person is, was or will be shown in its records as having a particular aggregate face amount of Notes credited to his securities account.

In these Conditions, "**Noteholder**" and, in respect of any Note, "**holder**" mean the person in whose name a Note is registered.

Upon issue, the Notes offered outside the United States in reliance on Regulation S of the Securities Act will be represented by a Regulation S Global Certificate registered in the name of a nominee of, and deposited with, a common depositary for Euroclear and Clearstream, Luxembourg and the Notes offered within the United States to qualified institutional buyers in compliance with the exemption from registration provided by Rule 144A of the Securities Act will be represented by a Rule 144A Global Certificate registered in the name of, and deposited with a custodian for, DTC.

The Conditions are modified by certain provisions contained in the Regulation S Global Certificate and the Rule 144A Global Certificate. See "Global Certificates".

Transfers of interests in the Notes evidenced by the Global Certificates will be effected in accordance with the rules of the relevant clearing system through which the interest is held.

For a description of certain restrictions on transfers of interests in the Notes, see "Subscription and Sale" and "Transfer Restrictions".

2.2 *Delivery of new Certificates*

Each new Certificate to be issued pursuant to Condition 2.1 shall, within seven business days of receipt by the relevant Registrar or the relevant Transfer Agent of the duly completed form of

transfer endorsed on the relevant Certificate, be mailed by uninsured mail at the risk of the holder entitled to the new Certificate to the address specified in the form of transfer unless such holder requests otherwise and pays in advance to the relevant Registrar or the relevant Transfer Agent (as the case may be) the costs of such other method of delivery and/or such insurance it may specify.

Except in the limited circumstances described herein, owners of interests in the Notes will not be entitled to receive physical delivery of Certificates. Issues of Certificates upon transfer of Notes are subject to compliance by the transferor and transferee with the certification procedures described above and in the Agency Agreement.

Where some but not all Notes in respect of which a Certificate is issued are to be transferred, a new Certificate in respect of the Notes not so transferred will, within seven business days of receipt by the relevant Registrar or the relevant Transfer Agent of the original Certificate, be mailed by uninsured mail (at the cost of the Issuers) at the risk of the holder of the Notes not so transferred to the address of such holder appearing on the register of Noteholders or as specified in the form of transfer.

In this Condition 2.2, "**business day**" means a day, other than a Saturday, Sunday or public holiday, on which banks are open for business in the place of the specified office of the relevant Registrar or the relevant Transfer Agent (as the case may be).

2.3 ***Formalities free of charge***

Registration of a transfer of Notes will be effected without charge by or on behalf of the Issuers or any Agent but upon payment (or the giving of such indemnity and/or security as the Issuers or any Agent may require) in respect of any tax, duty or other governmental charges which may be imposed in relation to such transfer.

2.4 ***Closed periods***

No Noteholder may require the transfer of a Note to be registered (i) during the period of 15 days ending on (and including) the due date for any payment of principal, premium (if any) or interest on that Note, (ii) during the period of 15 days prior to (and including) any date on which Notes may be called for redemption by the Issuers at their option pursuant to Condition 7.2 or Condition 7.4, or (iii) after any such Note has been called for redemption.

The regulations may be changed by the Issuers with the prior written approval of the Registrars and the Note Trustee, and by the Registrars, with the prior written approval of the Note Trustee. A copy of the current regulations will be mailed (at the cost of the Issuers and free of charge to the Noteholder) by the relevant Registrar to any Noteholder who requests one in writing and provides proof of holding satisfactory to the relevant Registrar.

See "Description of the Security Documents" for more details of Security Interests to be granted by the Issuers.

Each Issuer undertakes that it will not create any Security Interest over any of its assets or undertaking for the benefit of any other person under any indebtedness prior to the creation, perfection and registration of the Security.

The Note Trustee shall not be under any duty to monitor (and will not be responsible or liable to the Noteholders or any other person for any loss arising from not monitoring) whether any Issuer has complied with the provisions of this Condition 5, and unless it has received express notice in writing from any Issuer in accordance with the Note Trust Deed to the contrary, the Note Trustee may assume that each Issuer has complied and is complying fully with all the provisions mentioned above, and all of the Security Documents referred to in, this Condition 5.

6 Interest

6.1 *Interest rate and Interest Payment Dates*

The Notes bear interest on their outstanding principal amount from and including the Closing Date at the rate of 6.25 per cent. per annum, payable semi-annually in arrear on June 10 and December 10, in each year (each an "**Interest Payment Date**"). The first payment of interest will be made on December 10, 2019 in respect of the period from (and including) the Closing Date to (but excluding) December 10, 2019. All payments of interest by the Issuers pursuant to these Conditions shall be made in a *pro rata* amount by each Issuer according the proportions set out under Condition 1.1. *Please see Appendix B for certain information relating to the Notes for purposes of the applications by the Issuers to the RBI for loan registration numbers.*

If any Interest Payment Date falls on a day which is not a Business Day, it shall be postponed to the next day which is a Business Day unless it would then fall into the next calendar month, in which event the Interest Payment Date shall be brought forward to the immediately preceding Business Day.

6.2 *Interest accrual*

Each Note will cease to bear interest from the due date for redemption unless, upon surrender of the Certificate representing such Note, payment of principal is improperly withheld or refused. In such event it shall continue to bear interest at such rate (both before and after judgment) until whichever is the earlier of:

(a) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder, and

(b) the day seven days after the Note Trustee or the Principal Paying Agent has notified Noteholders of receipt of all sums due in respect of all the Notes up to that seventh day (except to the extent that there is failure in the subsequent payment to the relevant holders under these Conditions).

6.3 *Calculation of broken interest*

If interest is required to be calculated for a period of less than six months, the relevant day-count fraction will be determined on the basis of a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the number of days elapsed on the basis of a month of 30 days.

All interest payable on the Notes shall be subject to applicable laws in India, including but not limited to the ECB Guidelines.

7 Redemption and Purchase

7.1 *Final redemption*

Unless previously redeemed, or purchased and canceled, the Notes will be redeemed at their principal amount (together with accrued but unpaid interest (if any)) on December 10, 2024 (the "**Maturity Date**"). The Notes may not be redeemed at the option of the Issuers other than in accordance with this Condition 7.

7.2 ***Redemption for taxation reasons***

The Notes may be redeemed at the option of the Issuers in whole or in part, at any time, on giving not less than 10 Business Days' nor more than 60 days' notice to the Noteholders (in accordance with Condition 17 and to the Note Trustee and the Principal Paying Agent in writing which notice shall be irrevocable), at their principal amount (together with interest accrued to but excluding the date fixed for redemption), if (i) the Issuers satisfy the Note Trustee immediately prior to the giving of such notice that on the occasion of the next payment due under the Notes, any Issuer has or will become obliged to pay Additional Tax Amounts as provided or referred to in Condition 9 as a result of any change in, or amendment to, the laws, regulations or treaties of the relevant Tax Jurisdiction (as defined in Condition 9), or any change in the application or official interpretation of such laws, regulations or treaties, which change or amendment becomes effective on or after the Closing Date and (ii) such obligation cannot be avoided by such Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which such Issuer would be obliged to pay such Additional Tax Amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition 7.2, the Issuers shall deliver to the Note Trustee (A) a certificate in English signed by two Directors of the affected Issuer each of whom are also Authorized Officers of the affected Issuer stating that such Issuer is obliged to pay Additional Tax Amounts in accordance with Condition 9 and that such obligation cannot be avoided by such Issuer taking reasonable measures available to it and (B) an opinion of independent legal or tax advisors of recognized standing in the relevant Tax Jurisdiction of such Issuer to the effect that such change or amendment has occurred (irrespective of whether such amendment or change is then effective). The Note Trustee shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent set out in (i) and (ii) above of this Condition 7.2, in which event the same shall be conclusive and binding on the Noteholders**.**

The Issuers may be required to obtain the prior approval of the Reserve Bank of India or each of their designated authorized dealer banks, as the case may be, in accordance with the ECB Guidelines before effecting a redemption of the Notes for taxation reasons prior to the Maturity Date and such approval may not be forthcoming. The notice of redemption to Noteholders shall state that, in the Issuers' sole discretion, the redemption date may be delayed until such time as such approval is received, or such redemption may not occur and such notice may be rescinded if the relevant approval has not been received by the redemption date, or by the redemption date so delayed.

See "Risk Factors — Risks Related to the Notes — Redemption of the Notes prior to maturity may be subject to compliance with applicable regulatory requirements, including the prior approval of RBI or the Authorised Dealer Bank, as the case may be."

If the Issuers or any Agent do not receive a Put Notice from a Noteholder in response to a Change of Control Offer or an Equivalent Offer, as the case may be, within 45 days of such offer, the Issuers shall have no obligation to redeem any Notes held by the relevant Noteholder, and any such offer made by the Issuers shall automatically lapse.

None of the Note Trustee or the Agents shall be required to take any steps to ascertain whether a Change of Control, a Change of Control Offer or an Equivalent Offer or any event which could lead to a Change of Control, a Change of Control Offer or an Equivalent Offer has occurred or may occur and each of them shall be entitled to assume that no such event has occurred until it has received written notice to the contrary from the Issuers. None of the Note Trustee or the Agents shall be required to take any steps to ascertain whether the condition for the exercise of the rights of Noteholders in accordance with this Condition 7.3 has occurred. The share pledge agreement for creation of security over the Original Pledge Collateral will be executed prior to the Original Issue Date, and all filings required to be made with the relevant depository and in relation to perfection of such pledge will be completed within ten (10) Business Days of the Original Issue Date.

For so long as the Notes remain outstanding, the Issuer shall, together with the annual report required to be provided under the covenant described under clause (1) of "– *Provision of Financial Statements and Reports*", provide to the Trustee and the Security Trustee a certificate from its chief financial officer (the "**CFO Certificate**") setting out: (i) the Security Coverage Ratio calculated as of the end of the most recent fiscal year (the "**SCR Test Date**"); and (ii) the Aggregate Permitted Pari Passu Secured Indebtedness as of the SCR Test Date. A certificate from an independent chartered accountant setting out the fair market value of the Collateral as of the SCR Test Date will be annexed to the CFO Certificate.

If the Security Coverage Ratio is less than 1.0 as of a SCR Test Date, the Issuer shall, no later than one (1) month from the delivery of the CFO Certificate: (i) create and perfect or cause to be created and perfected a Lien, on a *pari passu* basis for the benefit of the Holders, the Persons extending any Permitted Pari Passu Secured Indebtedness and the Hedge Counterparties, over any other assets, properties and investments (whether in the form of shares, securities or otherwise) as permitted under the ECB Regulations (the "**Additional Collateral**"), such that after giving pro forma effect to the Lien created over the Additional Collateral, the Security Coverage Ratio would not be less than 1.0 as of such SCR Test Date; and (ii) provide to the Trustee and the Security Trustee a certificate from its chief financial officer confirming that after giving pro forma effect to the Lien created over the Additional Collateral, the Security Coverage Ratio would not be less than 1.0 as of such SCR Test Date and a certificate from an independent chartered accountant setting out the fair market value of the Additional Collateral as of the SCR Test Date will be annexed to such chief financial officer certificate.

If the Security Coverage Ratio exceeds 1.0 as of a SCR Test Date, the Issuer shall be entitled (but not obligated) to require the Security Trustee to release the Lien created for the benefit of the Holders over all or any part of the Pledge Collateral and/or the Project Collateral (which is not Original Project Collateral) as long as: (i) the Issuer indicates in the applicable CFO Certificate its intention to undertake such a release; (ii) after giving pro forma effect to such release, the Security Coverage Ratio would not be less than 1.0 as of such SCR Test Date; and (iii) the Lien over such Pledge Collateral and/or such Project Collateral (which is not Original Project Collateral), which has been created for the benefit of the Persons extending any Permitted Pari Passu Secured Indebtedness and the Hedge Counterparties, is also released either 60 days prior to or 60 days after the release of the Lien created for the benefit of the Holders. *Provided that* if the Persons extending any Permitted Pari Passu Secured Indebtedness or the Hedge Counterparties, fail to release the Lien created for their benefit within 60 days after the release of the Lien created for the benefit of Holders, the Issuer shall promptly re-create and perfect such Lien for the benefit of the Holders (in the same form and manner as it existed prior to the release).

At any point in time, the Issuer may, at its option, create or cause the creation of a Lien for the benefit of the Holders, the Persons extending any Permitted Pari Passu Secured Indebtedness and the Hedge Counterparties over:

(i) any other assets, properties or investments (whether in the form of shares, securities or otherwise) as permitted under the ECB Regulations; and

(ii) any other assets, properties or investments (whether in the form of shares, securities or otherwise) as permitted under the ECB Regulations, in replacement of any Lien over any Pledge Collateral and/or any Project Collateral (which is not Original Project Collateral), such that after giving pro forma effect to such replacement (by the creation and release of the relevant Liens), the Security Coverage Ratio would not be less than 1.0 as of the most recent preceding SCR Test Date. *Provided that* a release of any Lien may be undertaken within a period of 60 days after the creation of the relevant additional Lien.

Substantially concurrently with the release of any Lien over any Collateral in compliance with the conditions as set forth under the caption "– *Security*", the Issuer will provide to the Trustee and the Security Trustee a certificate from its chief financial officer confirming that after giving pro forma effect to such release, the Security Coverage Ratio would not be less than 1.0 as of the most recent preceding SCR Test Date.

The assets, properties or investments (whether in the form of shares, securities or otherwise) over which a Lien is created in compliance with the conditions as set forth under the caption "– *Security*" (in addition to, or to replace, any Collateral), shall not, as on the date of creation of such Lien, be subject to any Lien other than a Permitted Collateral Lien.

The consent of the Holders, the Trustee and the Security Trustee shall not be required for any release of the Collateral in compliance with the conditions as set forth under the caption "– *Security*". The Security Trustee shall effectuate such release and execute all such documents as may be required for such release.

3. Material Events: The Security Sharing Agreement shall designate the following events of default (and other events as may be agreed among the parties) under the Notes, the Permitted Pari Passu Secured Indebtedness or the hedging arrangements as 'Material Events':

i. default in relation to payment of principal or interest amount or any other amount payable;

ii. any payment related default under any agreement or document in relation to any other indebtedness of the Issuer;

ii. Any Notes Party, any Additional Lenders Party and any Hedge Counterparty, prior to taking any enforcement action in relation to the Common Collateral, shall notify the Security Trustee and the relevant Additional Security Trustee, respectively, of the action the Notes Party, the Additional Lenders Party or the Hedge Counterparty, as the case may be, proposes to take (the "Lender Notice"). Change of Control Triggering Event

If a Change of Control Triggering Event occurs, each Holder will have the right to require the Issuer to redeem all or any part (equal to US$200,000 or an integral multiple of US$1,000 in excess thereof) of that Holder's Notes pursuant to a Change of Control Offer on the terms set forth in the Indenture. In the Change of Control Offer, the Issuer will offer a purchase price in cash equal to 101.0% of the aggregate principal amount of the Notes (the "**Change of Control Payment**") redeemed, plus accrued and unpaid interest, if any, on the Notes to be redeemed to (but not including) the date of purchase, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within ten (10) days following any Change of Control Triggering Event, the Issuer will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to redeem the Notes on the Change of Control payment date (the "**Change of Control Payment Date**") specified in the notice, which date will be no earlier than thirty (30) days and no later than sixty (60) days from the date such notice is mailed, pursuant to the procedures required by the Indenture and described in such notice.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the redemption of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control

Triggering Event provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Triggering Event provisions of the Indenture by virtue of such compliance.

On the Change of Control Payment Date, the Issuer will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer; and

(2) pay to the Holders an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered.

The Issuer will provide to the Trustee the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require the Issuer to make a Change of Control Offer following a Change of Control Triggering Event will be applicable whether or not any other provisions of the Indenture are applicable. Except as described above with respect to a Change of Control Triggering Event, the Indenture does not contain provisions that permit the Holders to require that the Issuer redeems the Notes in the event of a takeover, recapitalization or similar transaction. In addition, the definition of Change of Control for purposes of the Indenture also includes a phrase relating to the sale of "all or substantially all" of the properties or assets of either the Issuer or the Restricted Group. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition under applicable law. Accordingly, the Issuer's obligation to make an offer to redeem the Notes, and the ability of a Holder to require it to redeem the Notes, as a result of a Change of Control Triggering Event, as a result of a highly leveraged transaction or a sale of less than all of the Issuer's or the Restricted Group's assets, may be uncertain.

The Issuer will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuer and purchases all of the Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the Indenture as described above under the caption "– *Optional Redemptions*," unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditioned upon the occurrence of such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

The Trustee shall not be required to take any steps to ascertain whether any Change of Control Triggering Event has occurred and shall not be liable to any person for any failure to do so.

Open Market Purchases

The Issuer may purchase Notes in the open market or by tender or by any other means at any price, so long as such acquisition does not otherwise violate the terms of the Indenture or applicable law.

No Mandatory Redemption of Sinking Fund

There will be no mandatory redemption or sinking fund payments for the Notes.

Selection and Notice

If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected as follows:

- if the Notes are listed on any securities exchange and/or held through any clearing system, in compliance with the requirements of the principal securities exchange on which the Notes are listed and/or in compliance with the requirements of the clearing system; or

- if the Notes are not listed on any securities exchange or held through any clearing system, on a *pro rata* basis, by lot or by such other method as the Trustee in its sole and absolute discretion shall deem appropriate unless otherwise required by law.

No Notes of US$200,000 or less can be redeemed in part. Notices of redemption will be mailed by first class mail at least thirty (30) but not more than sixty (60) days before the applicable redemption date to the Trustee and each Holder at its registered address, except that redemption notices may be mailed more than sixty (60) days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or the satisfaction and discharge of the Indenture.

In connection with any redemption of Notes conducted pursuant to the provisions of the Indenture described under the caption "– *Optional Redemptions,*" any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent. In addition, if such redemption or notice is subject to the satisfaction of one or more conditions precedent, such notice may state that, in the Issuer' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded if any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed. If any Note is to be redeemed in part only, the notice of redemption will state the portion of the principal amount of Notes that is to be redeemed. Notes called for redemption become due on the date fixed for redemption. On and after the applicable redemption date, unless the Issuer defaults in the payment of the applicable redemption price, interest will cease to accrue on the Notes or portions of Notes called for redemption.

Additional Amounts

All payments of principal of, and premium (if any) and interest on the Notes made by or on behalf of the Issuer (which term shall include, for purposes of this provision, any surviving entity) will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Issuer is organized or resident for tax purposes or any political subdivision or taxing authority thereof or therein, or any jurisdiction through which payment is made by or on behalf of the Issuer or any political subdivision or taxing authority thereof or therein (the "**Relevant Jurisdictions**"), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. If any such withholding or deduction is so required, the Issuer will pay such additional amounts ("**Additional Amounts**") as will result in receipt by the Holder of such amounts as would have been received by such Holder had no such withholding or deduction been required, except that no Additional Amounts will be payable:

(1) for or on account of:

(a) any tax, duty, assessment or governmental charge that would not have been imposed but for:

(i) the existence of any present or former connection between the Holder or beneficial owner of the Notes and the Relevant Jurisdiction other than merely holding of the Notes or the receipt of payments thereunder, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

(ii) the presentation of the Notes (in cases in which presentation is required) more than thirty (30) days after the later of the date on which the payment of the principal of, premium, if any, and interest on, the Notes became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented the Notes for payment on any date within such thirty (30)-day period;

(iii) the presentation of the Notes (in cases in which presentation is required) for payment in the Relevant Jurisdiction, unless the Notes could not have been presented for payment elsewhere; or

(iv) the failure of the Holder or beneficial owner to comply with a timely request of the Issuer (or any agent thereof), addressed to the Holder, to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that due and timely compliance with such request is required under the statutes, regulations or official administrative guidance having a force of law of the Relevant Jurisdiction in order to reduce or eliminate any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder;

(b) any estate, inheritance, gift, sale, transfer, personal property or similar tax, duty, assessment or governmental charge;

(c) any tax, duty, assessment or governmental charge which is payable other than by deduction or withholding from payments of principal of or interest or any premium under or with respect to the Notes;

(d) any tax, assessment, withholding or deduction required by sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (including any successor provisions) ("**FATCA**"), any intergovernmental agreement between the United States and any other jurisdiction to implement FATCA (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement), any current or future Treasury regulations or rulings promulgated thereunder, any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA, or any agreement with the U.S. Internal Revenue Service under FATCA; or

(e) any combination of taxes, duties, assessments or governmental charges referred to in the preceding clauses (a), (b), (c) and (d); or

(2) to a Holder that is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that the beneficial owner would not have been entitled to such Additional Amounts had that beneficial owner been the Holder.

The Issuer will (i) make such withholding or deduction and (ii) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law. The Issuer will make reasonable efforts to obtain original tax receipts or certified copies thereof evidencing the payment of any taxes, duties, assessments or governmental charges so deducted or withheld and paid to the Relevant Jurisdiction. The Issuer will furnish to the Trustee within sixty (60) days after the date the payment of any taxes, duties, assessments or governmental charges so deducted or withheld is due pursuant to applicable law, either original tax receipts or certified copies thereof evidencing such payment or, if such receipts are not obtainable, other evidence of such payments.

At least thirty (30) days prior to each date on which any payment under or with respect to the Notes is due and payable (unless the obligation to pay Additional Amounts arises after the forty-fifth (45th) day prior to that payment date, in which case promptly thereafter), if the Issuer will be obligated to pay Additional Amounts with respect to such payment, the Issuer will deliver to the Trustee an Officer's Certificate stating the fact that such Additional Amounts will be payable and the amounts so payable.

The Paying Agent and the Trustee will make payments free of withholdings or deductions on account of taxes unless required by applicable law. If such a deduction or withholding is required, the Paying Agent or the Trustee will not be obligated to pay any Additional Amount to the recipient unless such an Additional Amount is received by the Paying Agent or the Trustee.

In addition, the Issuer will pay any stamp, issue, registration, documentary or other similar taxes and duties (including interest and penalties) payable in any Relevant Jurisdiction in respect of the creation, issue, offering, execution or enforcement of the Notes or any documentation with respect thereto. Whenever there is mentioned in any context the payment of principal of, and any premium or interest on, any Notes, such mention will be deemed to include payment of Additional Amounts provided for in the Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

Certain Covenants

Restricted Payments

The Issuer will not, and the Issuer will ensure that each of the Restricted Subsidiaries will not, directly or indirectly:

(1) declare or pay any dividend or make any distribution on or with respect to any of the Issuer's or Restricted Subsidiaries', as the case may be, Capital Stock (other than dividends or distributions payable solely in shares of any of the Issuer's or Restricted Subsidiaries', as the case may be, Capital Stock (other than Disqualified Stock) or in options, warrants or other rights to acquire shares of such Capital Stock) held by Persons other than the Issuer or any of the Restricted Subsidiaries (other than any series of Preferred Stock with respect to which the Issuer has made a Preferred Stock Indebtedness Election);

(4) make any Investment, other than a Permitted Investment;

if (the payments or any other actions described in clauses (1) through (4) above being collectively referred to as "**Restricted Payments**"), at the time of and after giving effect to such Restricted Payment:

(i) 50.0% of the aggregate amount of the Consolidated Net Income of the Issuer (or, if the Consolidated Net Income of the Issuer is a loss, minus 100.0% of the amount of such loss) accrued on a cumulative basis during the period (taken as one accounting period)

beginning on April 1, 2019 and ending on the last day of the Issuer's most recently ended quarterly fiscal period for which consolidated financial statements of the Issuer are available (which financial statements may be internal management accounts) at the time of such Restricted Payment; plus

(iii) an amount equal to the net reduction in Investments (other than reductions in Permitted Investments) that were made on or after the Original Issue Date in any Person resulting from (x) payments of interest on Indebtedness, dividends or repayments of loans or advances by such Person, in each case, to the Issuer or Restricted Subsidiaries (except, in each case, to the extent that any such payment or proceeds are included in the calculation of Consolidated Net Income of the Issuer), or (y) the net cash proceeds from the sale of any such Investment (except to the extent that such proceeds are included in the calculation of Consolidated Net Income of the Issuer), not to exceed, in each case, the amount of Investments made by the Issuer or Restricted Subsidiary, as the case may be, after the Original Issue Date in any such Person; plus

(iv) the amount by which Indebtedness of the Issuer or any of the Restricted Subsidiaries, as the case may be, is reduced on the Issuer's consolidated balance sheet upon the conversion or exchange (other than by a Subsidiary of the Issuer) subsequent to the Original Issue Date of any Indebtedness of the Issuer or any of the Restricted Subsidiaries, as the case may be, convertible or exchangeable into Capital Stock (other than Disqualified Stock) of the Issuer or any of the Restricted Subsidiaries (less the amount of any cash, or the Fair Market Value of any other property, distributed by the Issuer or Restricted Subsidiary, as the case may be, upon such conversion or exchange).

The foregoing provision shall not be violated by reason of:

(2) the redemption, repurchase or other acquisition of:

(a) (x) Capital Stock of the Issuer or any of the Restricted Subsidiaries, as the case may be (or options, warrants or other rights to acquire such Capital Stock), (y) Subordinated Shareholder Debt or (z) CCDs of the Issuer or any of the Restricted Subsidiaries, as the case may be, in each case, in exchange for, or out of the net cash proceeds of a substantially concurrent capital contribution or sale (other than to a Subsidiary of the Issuer) of, shares of Capital Stock (other than Disqualified Stock) of the Issuer or such Restricted Subsidiary, as the case may be (or options, warrants or other rights to acquire such Capital Stock);

provided that the amount of any such net cash proceeds that are utilized for any such Restricted Payment under this clause (2) shall (x) be excluded from clause (c)(ii) of the preceding paragraph and (y) not be available to undertake any Restricted Payments under clauses (3) and (7) below;

(3) Restricted Payments in an aggregate amount not to exceed the net cash proceeds from (x) a capital contribution or issuance and sale of shares of Capital Stock of the Issuer (other than Disqualified Stock) (or options, warrants or other rights to acquire such Capital Stock), (y) the issuance and sale of any Redeemable Preference Shares of the Issuer (other than Disqualified Stock) and (z) the issuance and sale of CCDs of the Issuer or any of the Restricted Subsidiaries; *provided that* any such Restricted Payment is undertaken by the Issuer or such Restricted Subsidiary, as the case may be, no later than thirty (30) days from the date of such capital contribution or issuance and sale of Capital Stock, issuance and sale of Redeemable Preference Shares or issuance and sale of CCDs, as the case may be; *provided further that* the amount of any such net cash proceeds that are utilized for any such Restricted Payment under this clause (3) shall (x) be excluded from clause (c)(ii) of the preceding paragraph and (y) not be available to undertake any Restricted Payments under clauses (2) above and clause (7) below;

(4) the payment of any dividend or distribution by a Restricted Subsidiary to the holders of its Capital Stock; *provided that*, on the date of any such payment, the aggregate amount of all dividends or distributions, as the case may be, which have been made by such Restricted Subsidiary on such Capital Stock pursuant to this clause (4), have been made at least on a *pro rata* basis or on a basis more favorable, directly or indirectly, to the Issuer;

(5) dividends by the Issuer or any of the Restricted Subsidiaries, as the case may be, to fund the redemption, repurchase or other acquisition of Capital Stock of the Issuer from employees, former employees, directors or former directors of the Issuer (or permitted transferees of such persons), or their authorized representatives upon the death, disability or termination of employment of such employees or directors, in an aggregate amount not to exceed U.S.$2.0 million (or the Dollar Equivalent thereof) in any twelve (12) month period; *provided that* any unused amounts under this clause (5) may be carried forward and used in subsequent periods;

(6) payments of cash, dividends, distributions, advances or other Restricted Payments to allow the payment of cash in lieu of the issuance of fractional shares upon (i) the exercise of options or warrants, (ii) the conversion or exchange of Capital Stock of any such Person, or (iii) stock dividends, splits or business combinations;

(7) Restricted Payments in an aggregate amount not to exceed the principal amount of Subordinated Shareholder Debt incurred after the Original Issue Date; *provided that* the amount of any such Subordinated Shareholder Debt that is utilized for any such Restricted Payments under this clause (7) shall be (x) excluded from clause (c)(ii) of the preceding paragraph and (y) not be available to undertake any Restricted Payments under clause (2) above;

(8) a Permitted Investment under clause (1) of the definition thereof in the Capital Stock of a Restricted Subsidiary held by a minority shareholder, which Investment increases the proportion of the Capital Stock of such Restricted Subsidiary held, directly or indirectly, by the Issuer;

(9) the making of any other Restricted Payments in an aggregate amount, together with all other Restricted Payments made under this clause (9), not to exceed U.S.$50.0 million (or the Dollar Equivalent thereof); and

The amount of any Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Issuer or Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The value of any assets or securities that are required to be valued by this covenant will be the Fair Market Value. Any executive officer or Board of Directors' determination of the Fair Market Value of a Restricted Payment or any such assets or securities must be based upon an opinion or appraisal issued by an accounting, appraisal or investment banking firm of recognized international standing (or a local affiliate thereof) if the Fair Market Value exceeds U.S.$25.0 million (or the Dollar Equivalent thereof).

Incurrence of Indebtedness

(1) The Issuer will not, and the Issuer will ensure that each of the Restricted Subsidiaries will not, Incur any Indebtedness (including Acquired Indebtedness); *provided, however, that* the Issuer and the Restricted Subsidiaries may Incur Indebtedness (other than Acquired Indebtedness):

(a) if no Default has occurred and is continuing;

(b) if such Indebtedness is Incurred by any member of the Restricted Group prior to June 1, 2020:

(i) and is either (x) Operating Projects Indebtedness or (y) Intermediary Holdco Indebtedness, then after giving *pro forma* effect to the Incurrence of such Indebtedness and the receipt and application of the proceeds therefrom, the Operating Projects Net Leverage Ratio does not exceed 5.75 to 1.0; or

(ii) after giving *pro forma* effect to the Incurrence of such Indebtedness and the receipt and application of the proceeds therefrom, (x) the Consolidated Net Leverage Ratio does not exceed 7.0 to 1.0 and (y) solely in the case of Indebtedness Incurred by the Issuer, such Indebtedness is not Operating Projects Indebtedness; and

(c) if such Indebtedness is Incurred by any member of the Restricted Group on or after June 1, 2020:

(i) and is either (x) Operating Projects Indebtedness or (y) Intermediary Holdco Indebtedness, then after giving *pro forma* effect to the Incurrence of such Indebtedness and the receipt and application of the proceeds therefrom, the Operating Projects Net Leverage Ratio does not exceed 5.75 to 1.0; and

(ii) after giving *pro forma* effect to the Incurrence of such Indebtedness and the receipt and application of the proceeds therefrom, the Consolidated Net Leverage Ratio does not exceed 7.0 to 1.0.

(2) Notwithstanding the foregoing, to the extent provided below, the Issuer or any of the Restricted Subsidiaries may Incur each and all of the following ("**Permitted Indebtedness**"):

(a) Indebtedness of the Issuer under the Notes (excluding Additional Notes, if any);

(b) Indebtedness of the Issuer or any of the Restricted Subsidiaries, as the case may be, outstanding on the Original Issue Date (excluding Indebtedness permitted under clause (c) below);

(c) Indebtedness of the Issuer or any of the Restricted Subsidiaries, as the case may be, owed to the Issuer or any of the Restricted Subsidiaries ("**Intra-Restricted Group Indebtedness**"); *provided, however, that* any event which results in any such Restricted Subsidiary to which such Indebtedness is owed, ceasing to be a Restricted Subsidiary, or any subsequent transfer of such Indebtedness (other than a transfer to the Issuer or any of the Restricted Subsidiaries) shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted

by this clause (c), and to the extent that the Issuer is the obligor on any such Indebtedness, such Indebtedness must be unsecured and be expressly subordinated in right of payment to the Notes;

(d) Indebtedness of the Issuer or any of the Restricted Subsidiaries ("**Permitted Refinancing Indebtedness**") issued in exchange for, or the net proceeds of which are used to refinance or refund, replace, exchange, renew, repay, redeem, defease, discharge or extend (collectively, "**refinance**" and "**refinances**" and "**refinanced**" shall have a correlative meaning), then outstanding Indebtedness Incurred under clause (1) or Indebtedness Incurred under any of clauses (2)(a), (b), (d), (f), (g) or (k) and any refinancings thereof in an amount not to exceed the amount so refinanced (plus premiums, accrued interest, fees and expenses); *provided that*:

(i) the Indebtedness to be refinanced is fully and irrevocably repaid no later than ninety (90) days after the Incurrence of the Permitted Refinancing Indebtedness; and

(ii) Indebtedness the proceeds of which are used to refinance the Notes, or to refinance Indebtedness that is *pari passu* with, or subordinated in right of payment to, the Notes, will only be permitted under this clause (2)(d) if (x) in case the Notes are refinanced in part, or the Indebtedness to be refinanced is *pari passu* with the Notes, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is issued or remains outstanding, ranks *pari passu* with, or subordinate in right of payment to, the remaining Notes, or (y) in case the Indebtedness to be refinanced is subordinated in right of payment to the Notes, such new Indebtedness, by its terms or by the terms of any agreement or instrument pursuant to which such new Indebtedness is issued or remains outstanding, is expressly made subordinate in right of payment to the Notes, at least to the extent that the Indebtedness to be refinanced is subordinated to the Notes;

(e) Indebtedness Incurred by the Issuer or any of the Restricted Subsidiaries pursuant to Hedging Obligations entered into for the purpose of protecting the Issuer or any of the Restricted Subsidiaries from fluctuations in interest rates, currencies or commodity prices and not for speculation;

(f) Acquired Indebtedness; *provided that*:

(i) either (x) immediately prior to the Incurrence of such Acquired Indebtedness, the Consolidated Net Leverage Ratio does not exceed 7.0 to 1.0 or (y) after giving *pro forma* effect to the Incurrence of such Acquired Indebtedness, the Consolidated Net Leverage Ratio does not exceed 7.0 to 1.0; and

(ii) such Acquired Indebtedness (net of cash and Temporary Cash Equivalents held by the applicable Target Restricted Subsidiary(ies) (taken as a whole) as of the date of determination) in relation to all of the applicable Target Restricted Subsidiaries which, collectively, have Incurred such Acquired Indebtedness is, as of the date of Incurrence, less than or equal to the sum of (x) 5.75 times Target Operating Projects EBITDA of the applicable Target Restricted Subsidiary(ies), plus (y) 5.75 times Target Holdco EBITDA of the applicable Target Restricted Subsidiary(ies), plus (z) 5.50 times Target Non-Operating Projects Projected EBITDA of the applicable Target Restricted Subsidiary(ies) (in all cases, without duplication);

(g) Indebtedness Incurred by the Issuer or any of the Restricted Subsidiaries that is (i) Non-Operating Projects Indebtedness, (ii) Target Holdco Indebtedness, (iii) Target Non-Operating Projects Indebtedness, (iv) Indebtedness Incurred under clause (b) of the definition of "Permitted Indebtedness" and/or (v) Indebtedness Incurred by the Issuer (other than Indebtedness that is Operating Projects Indebtedness), in an aggregate amount at any time outstanding (together with refinancings thereof) not to exceed (without duplication) INR380,000 million (or the foreign currency equivalent thereof); *provided that* in any case, such Indebtedness is Incurred on or prior to June 1, 2020;

(h) Indebtedness Incurred by the Issuer or any of the Restricted Subsidiaries constituting reimbursement obligations with respect to workers' compensation claims or self-insurance obligations or bid, performance, surety or appeal bonds or payment obligations in connection with insurance premiums or similar obligations, security deposits and bank overdrafts (and letters of credit in connection with or in lieu of each of the foregoing) in the ordinary course of business (in each case other than for an obligation for borrowed money);

(i) Indebtedness Incurred by the Issuer or any of the Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit or trade guarantees issued in the ordinary course of business to the extent that such letters of credit or trade guarantees are not drawn upon or, if drawn upon, to the extent such drawing is reimbursed no later than the sixty (60) days following receipt by the Issuer or such Restricted Subsidiary, as the case may be, of a demand for reimbursement;

(j) Indebtedness arising from agreements providing for indemnification, adjustment of purchase price, earn-outs or similar obligations, or from guarantees or letters of credit, surety bonds or performance bonds securing any obligation of the Issuer or any of the Restricted Subsidiaries, in any case, Incurred in connection with the acquisition or disposition of any business, assets or Restricted Subsidiary (other than guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or Restricted Subsidiary for the purpose of financing such acquisition); *provided that* the maximum aggregate liability of the Issuer or any such Restricted Subsidiary, as the case may be, in respect of all such Indebtedness Incurred in connection with a disposition shall at no time exceed the gross proceeds actually received by the Issuer or such Restricted Subsidiary, as the case may be, from the disposition of such business, assets or Restricted Subsidiary;

(k) Indebtedness (other than Acquired Indebtedness) Incurred by the Issuer or any of the Restricted Subsidiaries for the purpose of financing all or any part of the purchase price or cost of acquisition, design, construction, installation or improvement of property, plant or equipment used in the business of the Issuer or any of the Restricted Subsidiaries (or the Capital Stock of a Person engaged in a Permitted Business which will upon such acquisition become a Restricted Subsidiary), in an aggregate principal amount outstanding at any time (together with refinancings thereof), not to exceed 15.0% of Total Assets (such amount of Total Assets to be calculated based on the most recently ended semi-annual or annual fiscal period for which a consolidated statement of financial position of the Issuer is available);

(l) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds; *provided, however, that* such Indebtedness is extinguished within five (5) Business Days of Incurrence; and

(m) Indebtedness Incurred by the Issuer or any of the Restricted Subsidiaries to the extent the net cash proceeds thereof are promptly and irrevocably deposited with the Trustee to defease or to satisfy and discharge the Notes as described under "– *Legal Defeasance and Covenant Defeasance"* or "– *Satisfaction and Discharge*."

For purposes of determining compliance with this covenant, if an item of Indebtedness meets the criteria of more than one type of Permitted Indebtedness, or of Indebtedness described in clause (1) of this covenant and one or more types of Permitted Indebtedness, the Issuer, in its sole discretion, shall classify, and from time to time may reclassify, such item of Indebtedness or any portion thereof.

The accrual of interest, the accretion or amortization of original issue discount and the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms will not be deemed to be an Incurrence of Indebtedness for purposes of this covenant; *provided that*, in each such case, the amount of any such accrual, accretion, amortization or payment is included in the Consolidated Interest Expense of the Issuer as accrued.

Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that may be Incurred pursuant to this covenant will not be deemed to be exceeded solely as a result of fluctuations in the exchange rates of currencies. For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred (or first committed, in the case of revolving credit debt); *provided that* if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency than the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Issuances of Guarantees by Restricted Subsidiaries

The Issuer will not permit any of the Restricted Subsidiaries to, directly or indirectly, Guarantee any Qualified Relevant Debt unless such Restricted Subsidiary: (a) simultaneously executes and delivers a supplemental indenture and provides for an unsubordinated Guarantee of the payment of the Notes that is senior to or *pari passu* with such Restricted Subsidiary's Guarantee of such other Indebtedness; and (b) waives, and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation as a result of any payment by such Restricted Subsidiary under its Guarantee until the Notes have been paid in full.

Any Guarantee of a Restricted Subsidiary will be automatically released solely in relation to the Notes upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Indenture as provided under the captions "*– Legal Defeasance and Covenant Defeasance*" and "*– Satisfaction and Discharge*," upon repayment in full of the Notes and upon the release or discharge of the Guarantee that resulted in the creation of such Guarantee pursuant to this covenant, except a discharge or release by or as a result of payment under such Guarantee, and upon any issuance or sale in accordance with the "*– Sales and Issuances of Capital Stock in Restricted Subsidiaries*" and "*– Asset Sales*" covenants where the Restricted Subsidiary does not remain a Restricted Subsidiary after such issuance or sale.

Transactions with Shareholders and Affiliates

The Issuer will not, and the Issuer will ensure that each of the Restricted Subsidiaries will not, enter into any transaction or series of related transactions involving aggregate consideration in excess of U.S.$2.0 million (or the Dollar Equivalent thereof) with (a) any holder of 10.0% or more of any class of Capital Stock of the Issuer or any of the Restricted Subsidiaries, or (b) any Affiliate of the Issuer or any of the Restricted Subsidiaries (each, an "**Affiliate Transaction**"), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to the Issuer or such Restricted Subsidiary, as the case may be, than those that would have been obtained in a comparable arm's-length transaction by the Issuer or such Restricted Subsidiary, as the case may be, with a Person that is not such a holder or Affiliate of the Issuer or such Restricted Subsidiary, as the case may be; and

(2) the Issuer delivers to the Trustee:

   (a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of U.S.$5.0 million (or the Dollar Equivalent thereof), an Officer's Certificate certifying that such Affiliate Transaction complies with this covenant; and

(b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of U.S.$15.0 million (or the Dollar Equivalent thereof), an opinion issued by an accounting, appraisal or investment banking firm of internationally recognized standing (or a local affiliate thereof) stating either (i) that such Affiliate Transaction is, or series of related Affiliate Transactions are, fair to the Issuer or Restricted Subsidiaries, as the case may be, from a financial point of view or (ii) that the terms of such Affiliate Transaction is, or series of related Affiliate Transactions are, not materially less favorable to the Issuer or such Restricted Subsidiary, as the case may be, than those that would have been obtained in a comparable arm's-length transaction by the Issuer or such Restricted Subsidiary, as the case may be, with a Person that is not such a holder or Affiliate of the Issuer or such Restricted Subsidiary, as the case may be.

The foregoing limitation does not limit, and will not apply to:

(1) directors' fees, indemnification, expense reimbursement and similar arrangements (including the payment of directors and officers insurance premiums), employee salaries, bonuses, employment agreements and arrangements, compensation or employee benefit arrangements, including stock options or legal fees and fees and compensation paid to consultants and agents;

(2) transactions between or among any members of the Restricted Group;

(3) any Restricted Payments permitted or not prohibited by the "– *Restricted Payments*" covenant and any Permitted Investments other than those made pursuant to clause (3) of the definition thereof as described under "– *Certain Definitions*";

(4) transactions pursuant to agreements in effect on the Original Issue Date, or any amendment, modification, extension, renewal or replacement thereof, so long as such amendment, modification, extension, renewal or replacement is on terms that are substantially similar to or not more disadvantageous to the Issuer or the applicable Restricted Subsidiary, as the case may be, than the original agreement in effect on the Original Issue Date;

(5) transactions with a Person that is an Affiliate solely because the Issuer, directly or indirectly, owns Capital Stock in, or controls, such Person; *provided that* no Affiliate of the Issuer (other than any of the Restricted Subsidiaries) owns Capital Stock in such Person;

(6) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged into the Issuer or any Restricted Subsidiary; *provided that* such agreement was not entered into in contemplation of such acquisition or merger;

(7) any Incurrence of, or amendment to, any Subordinated Shareholder Debt (so long as in the case of any amendment, such Subordinated Shareholder Debt continues to satisfy the requirements set forth under the definition of "Subordinated Shareholder Debt" after giving effect thereto);

(8) any payments or other transactions pursuant to tax sharing arrangements between the Issuer and any other Person with which the Issuer files a consolidated tax return or with which the Issuer is part of a consolidated group for tax purposes or any tax advantageous group contribution made pursuant to applicable legislation;

(9) transactions with customers, clients, contractors, purchasers or suppliers of goods (including turbines and other equipment or property) or services (including administrative, cash management, legal and regulatory, engineering, technical, financial, accounting, procurement, marketing, insurance, labor, management, operation and maintenance, power supply and other services) or insurance or lessors or lessees or providers of employees or other labor or property, in each case in the ordinary course of business and that are fair or on terms at least as favorable as arm's-length as determined in good faith by the Board of Directors of the Issuer or the applicable Restricted Subsidiary;

(10) loans or advances to, or guarantees of obligations of, directors, promoters, officers or employees of the Issuer or any of the Restricted Subsidiaries, as the case may be, not to exceed U.S.$1.0 million (or the Dollar Equivalent thereof) in the aggregate at any one time outstanding;

(11) any issuance of Equity Interests (other than Disqualified Stock) or CCDs of the Issuer; and

(12) transactions described and permitted by, and complying with, the covenant described under "– *Merger, Consolidation and Sale of Assets.*"

Liens

The Issuer will not, directly or indirectly, incur, assume or permit to exist any Liens on the Collateral, other than Permitted Collateral Liens.

Asset Sales

The Issuer will not, and the Issuer will ensure that each of the Restricted Subsidiaries will not, consummate any Asset Sale, unless:

(1) the consideration received by the Issuer or any Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of; and

(2) at least 75.0% of the consideration received from the Asset Sale consists of cash, Temporary Cash Equivalents or Replacement Assets (as defined below), or any combination thereof.

For purposes of this provision, each of the following will be deemed to be cash:

(1) any liabilities, as shown on the most recent consolidated statement of financial position (which may be internal management accounts) of the Restricted Group (other than contingent liabilities) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement or cancelled in connection with any enforcement of a pledge over Capital Stock of any member of the Restricted Group, in each case, that irrevocably and unconditionally releases the Issuer or applicable Restricted Subsidiary, as the case may be, from further liability; and

(2) any securities, notes or other obligations received by the Issuer or applicable Restricted Subsidiary, as the case may be, from such transferee that are promptly, but in any event within thirty (30) days of closing, converted by the Issuer or applicable Restricted Subsidiary, as the case may be, into cash, to the extent of the cash received in that conversion.

If at the time of the consummation of the applicable Asset Sale:

(1) (a) *pro forma* for the consummation of such Asset Sale and the use of proceeds thereof, the Restricted Group would have at least 3.5 GWs of Operating Project Assets remaining (the "**3.5 GWs Condition**"); and

(b) (i) if such Asset Sale is consummated prior to June 1, 2020, the Restricted Group is able to Incur at least U.S.$1.00 of Indebtedness under clause (1)(b)(i), (1)(b)(ii)(x) or (2)(g) of the "– *Incurrence of Indebtedness*" covenant or (ii) if such Asset Sale is consummated on or after June 1, 2020, the Restricted Group is able to Incur at least U.S.$1.00 of Indebtedness under clauses (1)(c)(i) and (1)(c)(ii) of the "– *Incurrence of Indebtedness*" covenant (the "**U.S.$1.00 Ratio Debt Condition**" and, together with the 3.5 GWs Condition, the "**Asset Sales Conditions**"),

then any Net Cash Proceeds from such Asset Sale may be used for any purpose not otherwise prohibited by the Indenture; or

(2) any of the applicable Asset Sales Conditions could not be satisfied, then for so long as any such Asset Sales Conditions are not satisfied:

(a) within three hundred and sixty-five (365) days after the receipt of any Net Cash Proceeds from the Asset Sale, such Net Cash Proceeds may be applied (i) to repay Indebtedness of the Issuer or any Restricted Subsidiary, (ii) to make capital expenditures in a Permitted Business, (iii) to acquire properties and assets (other than current assets) that are used or will be used in a Permitted Business, (iv) to acquire all, or substantially all, of the assets of, or the Capital Stock of, a Person, or a line of business, which undertakes or is involved in a Permitted Business, or (v) any combination of the foregoing ((ii) to (iv), collectively, the "**Replacement Assets**"); *provided that* any such reinvestment in Replacement Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Issuer that is executed or approved within such three hundred and sixty-five (365) day period will satisfy this requirement, so long as such reinvestment is consummated within one hundred and eighty (180) days after such three hundred and sixty-fifth (365th) day; and

(b) any Net Cash Proceeds from any such Asset Sale that are not applied or invested under sub-clauses (i) through (v) of clause (a) above within such three hundred and sixty-five (365) day period will constitute "**Excess Proceeds**". When the aggregate amount of Excess Proceeds exceeds U.S.$5.0 million (or the Dollar Equivalent thereof), within ten (10) Business Days thereof, the Issuer must make an offer (an "**Excess Proceeds Repurchase Offer**") to purchase all of the Notes at 100.0% of the principal amount of all such Notes and any *pari passu* Indebtedness similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale, plus accrued and unpaid interest on the Notes, if any, to (but not including) the date of purchase. If the aggregate principal amount of all of the Notes and *pari passu* Indebtedness tendered into such Excess Proceeds Repurchase Offer exceeds the amount of Excess Proceeds, such Notes and such *pari passu* Indebtedness will be purchased on a *pro rata* basis. Any remaining proceeds after such Excess Proceeds Repurchase Offer may be used for any purpose not otherwise prohibited under the Indenture. Upon completion of each Excess Proceeds Repurchase Offer, the amount of Excess Proceeds will be reset at zero.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the redemption of Notes as a result of an Asset Sale. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Asset Sale provisions of the Indenture by virtue of such compliance.

Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

The Issuer will not permit any Restricted Subsidiaries to create or otherwise cause or permit to exist or become effective any consensual encumbrance or restriction on the ability of any of the Restricted Subsidiaries to:

(1) pay dividends or make any other distributions on any Capital Stock of such Restricted Subsidiary owned by the Issuer or any of the other Restricted Subsidiaries;

(2) pay any Indebtedness or other obligation owed to the Issuer or any of the other Restricted Subsidiaries;

(3) make loans or advances to the Issuer or any of the other Restricted Subsidiaries; or

(4) sell, lease or transfer any of its property or assets to the Issuer or any of the other Restricted Subsidiaries;

provided that it being understood that: (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock; (ii) the subordination of loans or advances made to any Restricted Subsidiary to other Indebtedness Incurred

by any Restricted Subsidiary; and (iii) provisions requiring transactions to be on fair and reasonable terms or on an arm's-length basis, shall, in each case, not be deemed to constitute such an encumbrance or restriction.

The foregoing restrictions will not apply to encumbrances or restrictions:

(1) existing in agreements as in effect on the Original Issue Date and any extensions, refinancings, renewals, supplements, amendments or replacements of any of the foregoing agreements; *provided that* the encumbrances and restrictions in any such extension, refinancing, renewal, supplement, amendment or replacement are not materially more restrictive, taken as a whole, than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced, as determined in good faith by the Board of Directors of the Issuer;

(2) in the Notes and/or the Indenture;

(3) existing under or by reason of applicable law, rule, regulation or order;

(4) with respect to any Person or the property or assets of such Person that is designated a Restricted Subsidiary or is acquired by any Restricted Subsidiary, existing at the time of such designation or acquisition and not incurred in contemplation thereof, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Person or the property or assets of such Person so designated or acquired, and any extensions, refinancings, renewals or replacements thereof; *provided that* the encumbrances and restrictions in any such extension, refinancing, renewal or replacement are not materially more restrictive, taken as a whole, than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced, as determined in good faith by the Board of Directors of the Issuer;

(5) if they arise, or are agreed to in the ordinary course of business, that (x) restrict in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, (y) exist by virtue of any Lien on, or agreement to transfer, option or similar right with respect to any property or assets of any of the Restricted Subsidiaries not otherwise prohibited by the Indenture or that limit the right of the debtor to dispose of assets subject to a Lien not otherwise prohibited by the Indenture, or (z) do not relate to any Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of any of the Restricted Subsidiaries in any manner material to any such Restricted Subsidiary;

(6) with respect to a Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock of, or property and assets of, such Restricted Subsidiary that is permitted by the "– *Sales and Issuances of Capital Stock in Restricted Subsidiaries*," "– *Incurrence of Indebtedness"* and "– *Asset Sales*" covenants;

(7) arising from provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business if the encumbrances or restrictions (i) are customary for such types of agreements, and (ii) would not, at the time agreed to, be expected to materially adversely affect the ability of the Issuer to make required payments on the Notes, as determined in good faith by the Board of Directors of the Issuer;

(8) with respect to any Indebtedness that is permitted by the "– *Incurrence of Indebtedness*" covenant; *provided that* the encumbrances or restrictions (i) are customary for such types of agreements, and (ii) would not, at the time agreed to, be expected to materially adversely affect the ability of the Issuer to make required payments on the Notes, as determined in good faith by the Board of Directors of the Issuer; or

(9) encumbrances or restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business.

Sales and Issuances of Capital Stock in Restricted Subsidiaries

The Issuer will not sell, and the Issuer will ensure that each of the Restricted Subsidiaries will not issue or sell, any shares of Capital Stock of a Restricted Subsidiary, except:

(1) to the Issuer or any of the Wholly Owned Restricted Subsidiaries;

(2) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale) to the extent such Capital Stock represents director's qualifying shares or is required by applicable law, rule, regulation or order to be held by a Person other than the Issuer or any of the Wholly Owned Restricted Subsidiaries;

(3) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale) to an offtaker or an Affiliate of an offtaker of a project owned and operated by such Restricted Subsidiary; *provided that* such Restricted Subsidiary applies the Net Cash Proceeds of such issuance or sale in accordance with the "– *Asset Sale*s" covenant, if and to the extent required thereby;

(4) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale); *provided that* the Issuer or such Restricted Subsidiary applies the Net Cash Proceeds of such issuance or sale, to the extent required, in accordance with the "– *Asset Sales*" covenant; or

(5) the issuance or sale of Capital Stock of a Restricted Subsidiary where, immediately after giving effect to such issuance or sale, such Restricted Subsidiary would no longer constitute a Restricted Subsidiary; *provided that*:

(a) the Issuer complies with the "– *Asset Sales*" covenant;

(b) *pro forma* for the consummation of such issuance or sale and the use of proceeds thereof, the Restricted Group:

(A) either (x) could Incur at least U.S.$1.00 of Indebtedness under (i) clause (1)(b)(i), (1)(b)(ii)(x) or (2)(g) of the "– *Incurrence of Indebtedness*" covenant (if such issuance or sale is consummated prior to June 1, 2020) or (ii) clauses (1)(c)(i) and (1)(c)(ii) of the "– *Incurrence of Indebtedness*" covenant (if such issuance or sale is consummated on or after June 1, 2020) or (y) would have both a Consolidated Net Leverage Ratio and an Operating Projects Net Leverage Ratio less than the actual Consolidated Net Leverage Ratio and Operating Projects Net Leverage Ratio immediately prior to such issuance or sale; and

(B) either (x) would have at least 3.5 GWs of Operating Project Assets remaining or (y) would be permitted to make any remaining Investment in such Person under the "– *Restricted Payments*" covenant as if made on the date of such issuance or sale;

(c) any Guarantee of any Indebtedness of any such Person by any member of the Restricted Group remaining on or after the sixtieth (60th) day post the consummation of such issuance or sale would be permitted to be made under the "– *Incurrence of Indebtedness*" covenant as if made on such sixtieth (60th) day (a "**Minority Investment Guarantee**");

(d) any remaining Investment in the form of loans or similar instruments in such Person would have been permitted to be made under the "– *Restricted Payments*" covenant as if made on the date of such issuance or sale; and

(e) in the case of any such issuance or sale of Capital Stock of a Restricted Subsidiary in connection with an INVIT Offering, the remaining Investment in the form of loans or similar instruments in such Person will be tested in relation to the "– *Restricted Payments*" covenant on the same day that the immediately following consolidated financial statements of the Issuer (which may be internal management accounts) become available.

Notwithstanding the foregoing, a Restricted Subsidiary may issue Capital Stock to its shareholders on a *pro rata* basis or on a basis more favorable to the Issuer or other Restricted Subsidiary, as the case may be.

Merger, Consolidation and Sale of Assets

The Issuer will not merge or consolidate with or into another Person, or sell substantially all of its and the Restricted Subsidiaries' assets taken as a whole, in one or more related transactions, unless:

(1) either (i) it is the surviving entity or (ii) the surviving entity is organized under the laws of India, Mauritius, The Netherlands, the Cayman Islands, the British Virgin Islands, Hong Kong, Singapore, Canada, the United Kingdom, any member state of the European Union, Switzerland, the United States, any state of the United States or the District of Columbia, and such surviving entity expressly assumes the obligations under the Indenture, the Notes and the Collateral Documents;

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing;

(3) (a) the Consolidated Net Worth is, on a *pro forma* basis, at least the same as the Consolidated Net Worth immediately before such transaction and (b) either the Restricted Group, on a *pro forma* basis, (i) could Incur at least U.S.$1.00 of Indebtedness under (x) clause (1)(b)(i), (1)(b)(ii)(x) or (2)(g) of the "– *Incurrence of Indebtedness*" covenant (for any transaction which is consummated prior to June 1, 2020) or (y) clauses (1)(c)(i) and (1)(c)(ii) of the "– *Incurrence of Indebtedness*" covenant (for any transaction which is consummated on or after June 1, 2020), or (ii) would have both a Consolidated Net Leverage Ratio and an Operating Projects Net Leverage Ratio less than or equal to the actual Consolidated Net Leverage Ratio and Operating Projects Net Leverage Ratio immediately prior to the consummation of any such transaction; and

(4) the Issuer delivers an Officer's Certificate and an Opinion of Counsel to the Trustee as to compliance with this covenant.

Upon any transaction that is subject to, and that complies with the provisions of, this "*Merger, Consolidation and Sale of Assets*" covenant, the successor Person formed by such consolidation or into or with which the Issuer is merged or to which such sale is made, shall succeed to, and be substituted for (so that from and after the date of such transaction, the provisions of the Indenture referring to the "Issuer" shall instead include a reference to the successor Person and not to the Issuer), and may exercise every right and power of the Issuer under the Indenture with the same effect as if such successor Person had been named as the Issuer in the Indenture and the Issuer shall be released from all obligations under the Indenture and the Notes.

Restricted Group's Business Activities

The Issuer will not, and the Issuer will ensure that each of the Restricted Subsidiaries will not, engage in any business other than a Permitted Business.

Use of Proceeds

The Issuer will not use the net proceeds from the sale of the Notes issued on the Original Issue Date for any purpose other than (1) in the approximate amounts and for the purposes specified under the caption "*Use of Proceeds*" in the Offering Memorandum, and (2) pending the application of all of such net proceeds in such manner, to invest the portion of such net proceeds not yet so applied in Temporary Cash Equivalents.

No Payments for Consent

The Issuer will not directly or indirectly pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the timeframe set forth in the solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes in connection with an exchange offer, the Issuer may exclude (a) in connection with an exchange offer, holders or beneficial owners of the Notes that are not "qualified institutional buyers" as defined in Rule 144A under the Securities Act, and (b) in connection with any consent, waiver or amendment, holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such holders or beneficial owners would require the Issuer to (i) file a registration statement, prospectus or similar document or subject the Issuer to ongoing periodic reporting or similar requirements under any securities laws (including but not limited to, the United States federal securities laws and the laws of the European Union or its member states), (ii) qualify as a foreign corporation or other entity as a dealer in securities in such jurisdiction if it is not otherwise required to so qualify, (iii) generally consent to service of process in any such jurisdiction, or (iv) subject the Issuer to taxation in any such jurisdiction if it is not otherwise so subject, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Issuer in its sole discretion.

Designation of Restricted Subsidiaries and Unrestricted Subsidiaries

The Board of Directors of the Issuer may designate any Restricted Subsidiary to be an Unrestricted Subsidiary; *provided that* (1) no Default shall have occurred and be continuing at the time of or after giving effect to such designation; (2) such Restricted Subsidiary does not own any Disqualified Stock of the Issuer or Disqualified Stock of a Restricted Subsidiary or hold any Indebtedness of, or any Lien on any property of, the Issuer, if such Disqualified Stock or Indebtedness could not be Incurred under the covenant described under *"– Incurrence of Indebtedness*" or such Lien would violate the covenant described under "– *Liens*"; (3) such Restricted Subsidiary has no outstanding Indebtedness that could trigger a cross-default to the Indebtedness of the Issuer or any of the Restricted Subsidiaries; and (4) the Investment deemed to have been made thereby in such newly designated Unrestricted Subsidiary and each other newly designated Unrestricted Subsidiary being concurrently redesignated would be permitted to be made by the covenant described under "– *Restricted Payments*".

The Board of Directors of the Issuer may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided that* (1) no Default shall have occurred and be continuing at the time of or after giving effect to such designation; (2) any Indebtedness of such Unrestricted Subsidiary outstanding at the time of such designation which will be deemed to have been Incurred by such newly designated Restricted

Subsidiary as a result of such designation would be permitted to be Incurred by the covenant described under "– *Incurrence of Indebtedness*"; (3) any Lien on the property of such Unrestricted Subsidiary at the time of such designation, which Liens will be deemed to have been incurred by such newly designated Restricted Subsidiary as a result of such designation, would be permitted to be incurred by the covenant described under "– *Liens*"; and (4) such Unrestricted Subsidiary is not a Subsidiary of another Unrestricted Subsidiary (that is not concurrently being designated as a Restricted Subsidiary).

All designations must be evidenced by a Board Resolution delivered to the Trustee certifying compliance with the preceding provisions.

Government Approvals and Licenses; Compliance with Law

The Issuer will, and the Issuer will ensure that the Restricted Subsidiaries will, (1) obtain and maintain in full force and effect all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the Permitted Businesses; (2) preserve and maintain good and valid title to its properties and assets (including land-use rights); and (3) comply with all laws, regulations, orders, judgments and decrees of any governmental body, except to the extent that failure so to obtain, maintain, preserve and comply would not reasonably be expected to have a material adverse effect on (a) the business, results of operations or prospects of the Restricted Group, taken as a whole, or (b) the ability of the Issuer to perform its obligations under the Notes, the Indenture or the Collateral Documents.

Anti-Layering

The Issuer will not, and the Issuer will ensure that any Restricted Subsidiary that Guarantees the Notes will not, Incur any Anti-Layering Indebtedness if such Indebtedness is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Restricted Subsidiary, as the case may be, unless such Indebtedness is also contractually subordinated in right of payment to the Notes or such Guarantee, as the case may be, on substantially identical terms. This covenant does not apply to distinctions between categories of Indebtedness that exist by reason of any Liens or Guarantee securing or in favor of some but not all of such Indebtedness or by virtue of some Indebtedness being secured on a junior priority basis.

Suspension of Certain Covenants

If on any date following the date of the Indenture, the Notes have a rating of Investment Grade from at least one of the Rating Agencies and no Default or Event of Default has occurred and is continuing (a "**Suspension Event**"), then, beginning on that day and continuing until such time, if any, at which the Notes cease to have a rating of Investment Grade from at least one of the Rating Agencies, the provisions of the Indenture summarized under the following captions will be suspended:

(1) "– *Certain Covenants – Restricted Payments*";

(2) "– *Certain Covenants – Incurrence of Indebtedness*";

(3) "– *Certain Covenants – Issuances of Guarantees by Restricted Subsidiaries*";

(4) "– *Certain Covenants – Asset Sales*";

(5) "– *Certain Covenants – Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries*";

(6) "– *Certain Covenants – Sales and Issuances of Capital Stock in Restricted Subsidiaries*";

(7) clause (3) of "– *Certain Covenants – Merger, Consolidation and Sale of Assets*";

(8) "*– Certain Covenants – Restricted Group's Business Activities"*; and

(9) "*– Certain Covenants – Anti-Layering*."

Such covenants will be reinstated and apply according to their terms as of and from the first day on which a Suspension Event ceases to be in effect. Such covenants will not, however, be of any effect with regard to actions of the Issuer or any Restricted Subsidiary properly taken in compliance with the provisions of the Indenture during the continuance of the Suspension Event. There can be no assurance that the Notes will ever achieve an Investment Grade Rating or that, if achieved, any such rating will be maintained.

Provision of Financial Statements and Reports

For so long as any Notes are outstanding, the Issuer will provide to the Trustee and furnish to the Holders upon request, as soon as they are available but in any event not more than ten (10) calendar days after they are filed with the principal international recognized stock exchange on which the Issuer's Common Stock is at any time listed for trading, true and correct copies of any financial or other report in the English language (and a certified English translation of any financial or other report in any other language) filed with such exchange, *provided, however, that* if at any time the Common Stock of the Issuer is not listed for trading on an internationally recognized stock exchange, the Issuer will provide to the Trustee, in the English language (or accompanied by a certified English translation thereof),

(1) within one-hundred and twenty (120) days after the end of each fiscal year of the Issuer beginning with the first fiscal year ending after the Original Issue Date, an annual report containing the following information: (a) audited consolidated and standalone balance sheets of the Issuer as of the end of the two most recent fiscal years and audited consolidated and standalone income statements and statements of cash flow of the Issuer for the two most recent fiscal years, including footnotes to the financial statements and an audit report of a member firm of an internationally recognized accounting firm on the financial statements; and (b) an operating and financial review of the audited consolidated financial statements; and

(2) within ninety (90) days after the end of the Issuer's half-year period in each fiscal year of the Issuer beginning with the half-year period ending after the Original Issue Date, half-yearly reports containing the following information: (a) unaudited consolidated and standalone balance sheets of the Issuer as of the end of such half-yearly period and unaudited consolidated and standalone condensed statements of income and cash flow for the most recent half-yearly period ending on the unaudited consolidated balance sheet date, and the comparable prior year period, together with footnotes; and (b) an operating and financial review of the unaudited consolidated financial statements.

In addition, for so long as any Note remains outstanding, the Issuer will provide to the Trustee (a) within one-hundred and twenty (120) days after the close of each fiscal year and within ninety (90) days after the end of the first and third fiscal quarters and each half-year period, an Officer's Certificate stating the Consolidated Net Leverage Ratio and the Operating Projects Net Leverage Ratio at the end of such periods and showing in reasonable detail the calculation of such ratios, (b) within one-hundred and twenty (120) days after the close of each fiscal year, the CFO Certificate setting out the Security Coverage Ratio calculated as at the end of such fiscal year; and (c) as soon as possible and in any event within ten (10) Business Days after the Issuer becomes aware or should reasonably become aware of the occurrence of a Default or an Event of Default, an Officer's Certificate setting forth the details of the Default or Event of Default, and the action which the Issuer proposes to take with respect thereto.

All financial statements of the Issuer will be prepared in accordance with Ind-AS as in effect on the date of such report or financial statement and on a consistent basis for the periods presented; *provided, however, that* the financial statements and reports set forth in this covenant may, if applicable financial reporting standards change, present earlier periods on a basis that applied to such periods.

Delivery of the above reports to the Trustee is for informational purposes only and the Trustee's receipt of such reports will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or any other parties' compliance with any of its covenants in the Indenture (as to which the Trustee will be entitled to rely exclusively on Officer's Certificates that are delivered).

Events of Default and Remedies

Each of the following is an "**Event of Default**":

(1) default in the payment of principal on (or premium, if any, on), any Notes when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise and the continuance of any such failure for one (1) Business Day;

(2) default in the payment of interest on any Notes when the same becomes due and payable and the continuance of any such failure for ten (10) Business Days;

(3) default in compliance with the covenant described under the caption "– *Certain Covenants – Merger, Consolidation and Sale of Assets*", or in respect of the Issuer's obligations to make an offer to purchase upon a Change of Control Triggering Event or an Asset Sale;

(4) defaults under the Indenture (other than a default specified in clauses (1), (2) or (3) above) and the continuance of any such default for a period of sixty (60) consecutive days after written notice by the Trustee or the Holders of 25.0% or more in aggregate principal amount of the Notes is given to the Issuer;

(5) with respect to any Indebtedness of the Issuer or any of the Restricted Subsidiaries having an outstanding principal amount of U.S.$75.0 million (or the Dollar Equivalent thereof) or more, (a) an event of default causing the holder thereof to declare such Indebtedness to be due prior to its Stated Maturity and/or (b) the failure to make a principal payment when due (after giving effect to any grace period);

(6) the passage of sixty (60) consecutive days following entry of a final judgment or order against the Issuer or any of the Restricted Subsidiaries that causes the aggregate amount for all such final judgments or orders outstanding and not paid, discharged or stayed to exceed U.S.$75.0 million (or the Dollar Equivalent thereof) (exclusive of any amounts for which a solvent (to the Issuer's best knowledge) insurance company has acknowledged liability for);

(7) an involuntary case or other proceeding commenced against the Issuer or any the Restricted Subsidiaries (other than a Non-Material Restricted Subsidiary) seeking the appointment of a receiver or trustee and which remains undismissed and unstayed for sixty (60) consecutive days; or an order for relief is entered under any bankruptcy or other similar law with respect to any such entity which remains undismissed and unstayed for sixty (60) consecutive days;

(8) the Issuer or any of the Restricted Subsidiaries (other than a Non-Material Restricted Subsidiary):

  (a) commences a voluntary case under any bankruptcy or other similar law, or consents to the entry of an order for relief in an involuntary case,

  (b) consents to the appointment of a receiver or trustee, or

  (c) effects any general assignment for the benefit of creditors;

(9) any default by the Issuer in the performance of any of its obligations under the Collateral Documents which adversely affects the enforceability, validity, perfection or priority of the applicable Lien on the Collateral or which adversely affects the condition or value of the Collateral, taken as a whole, in any material respect;

(10) the repudiation by the Issuer of any of its obligations under the Collateral Documents or any of the Collateral Documents ceases to be or is not in full force or effect, or the Security Trustee ceases to have the prescribed priority of security interest in any of the Collateral; or

(11) the failure by the Issuer to create and perfect a security interest over the Collateral, or, where specifically provided, to take commercially reasonable steps to create and perfect a security interest over the applicable Collateral, for securing the obligations with respect to the Notes and the performance of all other obligations of the Issuer under the Indenture and the Notes within the time period(s) specified in "– *Security*".

If an Event of Default (other than an Event of Default specified in clause (7) or (8) above) occurs and is continuing under the Indenture, the Trustee in its sole and absolute discretion or the Holders of at least 25.0% in aggregate principal amount of the Notes then outstanding, by written notice to the Issuer (and to the Trustee if such notice is given by the Holders), may, and the Trustee at the written direction of such Holders (subject to it being indemnified and/or secured and/or pre-funded to its satisfaction) will, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest will be immediately due and payable. If an Event of Default specified in clause (7) or (8) above occurs with respect to the Issuer or any of the Restricted Subsidiaries, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding will automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

The Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Issuer and to the Trustee, may on behalf of all the Holders, waive all past defaults and rescind and annul a declaration of acceleration and its consequences if:

(1) all existing Events of Default, other than the non-payment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived; and

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right or consequence thereon.

If an Event of Default occurs and is continuing, the Trustee may pursue, in its own name or as trustee of an express trust (including by giving appropriate instructions to the Security Trustee), any available remedy by proceeding at law or in equity to collect the payment of principal of and interest on the Notes or to enforce the performance of any provision of the Notes or the Indenture, including, but not limited to, directing the Security Trustee to initiate a foreclosure on the Collateral in accordance with the terms of the Collateral Documents and the Security Sharing Agreement, and take such further action on behalf of the Holders with respect to the Collateral in accordance with such Holders' instruction, the Collateral Documents and the Security Sharing Agreement. The Trustee and/or the Security Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture, that may involve the Trustee in personal liability, or that the Trustee determines may be unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders. In addition, the Trustee will not be required to expend its own funds in following such direction if it does not believe that reimbursement or satisfactory indemnification and/or security and/or pre-funding is assured to it.

A Holder may not pursue or institute any proceeding, judicial or otherwise, with respect to the Indenture or the Notes, or for the appointment of a receiver or Trustee, or for any other remedy under the Indenture or the Notes, or give any instruction to the Security Trustee for enforcement of Collateral, unless:

(1) the Holder has previously given the Trustee written notice of a continuing Event of Default;

(2) Holders of at least 25.0% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer the Trustee and the Security Trustee indemnity and/or security and/or pre-funding satisfactory to the Trustee and the Security Trustee against any fees, costs, liability or expenses to be incurred in compliance with such request;

(4) the Trustee does not comply with the request within (x) sixty (60) days after receipt of the written request pursuant to clause (2) above, or (y) sixty (60) days after the receipt of the offer of indemnity and/or security and/or pre-funded pursuant to clause (3), whichever occurs later; and

(5) during such sixty (60) day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a written direction that is inconsistent with the request.

However, such limitations do not apply to the contractual right of any Holder of a Note to receive payment of the principal of, premium, if any, or interest on, such Note, or to bring suit for the enforcement of any such contractual right to payment, on or after the due date expressed in the Note, which right will not be impaired or affected without the consent of the Holder.

An officer of the Issuer must certify to the Trustee in writing, on or before a date not more than one hundred and twenty (120) days after the end of each fiscal year and within twenty-one (21) days of any demand by the Trustee, that a review has been conducted of the activities of the Issuer and Restricted Subsidiaries and of their respective performance under the Indenture, the Notes and the Collateral Documents, and that the Issuer and the Restricted Subsidiaries have fulfilled all of their respective obligations thereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof. The Issuer will also be obligated to notify the Trustee in writing of any Event of Default, Default or defaults in the performance of any covenants or agreements under the Indenture (and also within twenty-one (21) days of any request in writing by the Trustee).

None of the Trustee or any Agent is obligated to do anything to ascertain whether any Event of Default or Default has occurred or is continuing and will not be responsible to Holders or any other person for any loss arising from any failure by it to do so, and each of the Trustee and the Agents may assume that no such event has occurred and that the Issuer is performing all of its obligations under the Indenture and the Notes unless the Trustee, or any Agent, as the case may be, has received written notice of the occurrence of such event or facts establishing that a Default or an Event of Default has occurred or that

the Issuer is not performing all of its obligations under the Indenture and/or the Notes. The Trustee is entitled to rely on any Opinion of Counsel or Officer's Certificate regarding whether an Event of Default has occurred.

No Personal Liability of Incorporators, Promoters, Directors, Officers, Employees and Stockholders

No incorporator, promoter, director, officer, employee or stockholder of the Issuer will have any liability for any obligations of the Issuer under the Notes, the Indenture, the Collateral Documents or the Security Sharing Agreement or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder, by accepting a Note, waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under United States federal securities laws.

Legal Defeasance and Covenant Defeasance

The Issuer may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have all of its obligations discharged with respect to the outstanding Notes ("**Legal Defeasance**"), except for:

(1) the rights of Holders to receive payments in respect of the principal of, or interest or premium, if any, on, the Notes when such payments are due from the trust referred to below;

(2) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and

(4) the Legal Defeasance and Covenant Defeasance provisions of the Indenture.

In addition, the Issuer may, at its option and at any time, elect to have its obligations released with respect to substantially all of the covenants (including their obligation to make Change of Control Offers and Asset Sale Offers) that are described in the Indenture ("**Covenant Defeasance**") and thereafter any omission to comply with those covenants will not constitute a Default or an Event of Default with respect to the Notes. If Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under "*– Events of Default and Remedies*" will no longer constitute an Event of Default with respect to the Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium, if any, on, the outstanding Notes on the stated date for payment thereof or on the redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of Legal Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (a) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (b) since the date of the Indenture, there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax

purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or an Event of Default resulting from the borrowing of funds to be applied to such deposit (or any other deposit relating to other Indebtedness being defeased, discharged or satisfied substantially concurrently with the Notes) and the granting of Liens securing such borrowing);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the Indenture or any other agreement or instrument governing or evidencing other Indebtedness being defeased, discharged or satisfied substantially concurrently with the Notes) to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;

(6) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Indenture, the Notes, the Collateral Documents and the Security Sharing Agreement may be amended or supplemented with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes), and any existing Default or Event of Default or compliance with any provision of the Indenture, the Notes, the Collateral Documents or the Security Sharing Agreement may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes).

Without the consent of Holders holding at least 90.0% in principal amount of the Notes, an amendment, supplement or waiver may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of Notes;

(3) change the redemption date or the redemption price of the Notes from that stated under "– *Optional Redemptions*" or "– *Redemption for Taxation Reasons*";

(4) reduce the rate of or change the currency or change the time for payment of interest, including default interest, on any Notes;

(5) waive a Default or an Event of Default in the payment of principal of, or interest or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(6) reduce the amount payable upon a Change of Control Offer or an Excess Proceeds Repurchase Offer or change the time or manner a Change of Control Offer or an Excess Proceeds Repurchase Offer may be made or by which the Notes must be redeemed pursuant to a Change of Control Offer or an Excess Proceeds Repurchase Offer, in each case after the obligation to make such Change of Control Offer or Excess Proceeds Repurchase Offer has arisen;

(7) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of, or interest or premium, if any, on, the Notes;

(8) waive a redemption payment with respect to any Note (other than a payment required by one of the covenants described above under the caption "*Change of Control Triggering Event*");

(9) release any Collateral from the applicable Lien of the Indenture and the applicable Collateral Document, except (i) the release of the Pledge Collateral for the creation of any Permitted Collateral Lien over such Pledge Collateral for which no consent of any Holder would be required, *provided that* the security interest over the Pledge Collateral is re-created in favor of the Security Trustee for the benefit of the Holders and for the purposes of the relevant Permitted Collateral Lien immediately after the release of such Collateral by the Security Trustee; and (ii) as set forth under the caption "– *Security*";

(10) amend, supplement or grant any waiver under the Security Sharing Agreement (i) that would adversely impact the priority of payments with respect to the Notes and/or the right to receive payments with respect to the Notes; or (ii) relating to any action or change not permitted under the Indenture; or

(11) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any Holder, the Issuer and the Trustee may amend or supplement the Indenture, the Notes, the Collateral Documents or the Security Sharing Agreement:

(1) to cure any ambiguity, defect, omission or inconsistency;

(2) to provide for certificated Notes in addition to or in place of uncertificated Notes (*provided that* the certificated Notes are in registered form for purposes of Section 163(f) of the U.S. Internal Revenue Code of 1986, as amended);

(3) to provide for the assumption of the Issuer's obligations to Holders in the case of a merger or consolidation or sale of all or substantially all of the Issuer's assets;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder;

(5) to conform the text of the Indenture, the Notes, the Collateral Documents or the Security Sharing Agreement to any provision of this Description of the Notes to the extent that such provision in this Description of the Notes was intended to be a verbatim recitation of a provision thereof;

(6) to provide for the issuance of Additional Notes in accordance with the covenants set forth in the Indenture;

(7) to effect any changes to the Indenture in a manner necessary to comply with the procedures of the relevant clearing system;

(8) to evidence and provide for the acceptance of appointment by a successor Trustee or Security Trustee;

(9) to enter into additional or supplemental Collateral Documents or to release Collateral from a Lien of the Indenture or applicable Collateral Document in accordance with the terms of the Indenture or applicable Collateral Document; or

(10) to enter into any amendment or supplement to or grant any waiver under the Security Sharing Agreement in order to account for the Incurrence of any Permitted Pari Passu Secured Indebtedness or for any other action which is permitted under, or not restricted by, the Indenture.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid by the Issuer, have been delivered to the Paying Agent for cancellation; or

(b) all Notes that have not been delivered to the Paying Agent for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one (1) year and the Issuer has irrevocably deposited or caused to be deposited with the Trustee (or another entity designated by the Trustee for such purpose or its agent) as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Paying Agent for cancellation for principal, premium if any, and accrued interest to the date of maturity or redemption;

(2) the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Issuer is a party or by which the Issuer is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge or any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings/any instrument governing or evidencing other Indebtedness being defeased, discharged or satisfied substantially concurrently with the Notes);

(3) the Issuer has paid or caused to be paid all sums payable by it under the Indenture; and

(4) the Issuer has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee and the Agents

Citicorp International Limited is to be appointed as Trustee under the Indenture and Citibank, N.A., London Branch is to be appointed as Paying Agent, Transfer Agent and as Registrar under the Indenture.

Except during the continuance of a Default, the Trustee will not be liable, except for the performance of such duties as are specifically set forth in the Indenture and no implied covenant or obligation shall be read into the Indenture or the Notes against the Trustee. If an Event of Default has occurred and is continuing, the Trustee will use the same degree of care and skill in its exercise of the rights and powers vested in it under the Indenture as a prudent person would exercise under the circumstances in the conduct of such person's own affairs. If a Default or an Event of Default occurs and is continuing, all Agents will be required to act on the Trustee's direction.

Each Holder, by accepting the Notes will agree, for the benefit of the Trustee, that it is solely responsible for its own independent appraisal of and investigation into all risks arising under or in connection with the Notes and has not relied on and will not at any time rely on the Trustee in respect of such risks.

The Trustee will be permitted to engage in other transactions and nothing herein shall obligate the Trustee to account for any profits earned from any business or transactional relationship; *provided, however, that* if it acquires any conflicting interest it must eliminate such conflict within ninety (90) days, or resign.

The Holders of a majority in aggregate principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. Subject to applicable provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any Holder, unless such Holder has offered to the Trustee security and/or indemnity and/or pre-funded satisfactory to it against any loss, liability or expense.

Notwithstanding anything else contained in the Indenture, the Trustee and the Agents may refrain without liability from doing anything that would or might in their opinion be contrary to any law of any state or jurisdiction (including, but not limited to, any laws of England and Wales, Hong Kong, and the United States or any jurisdiction forming a part of it) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in their opinion, necessary to comply with any such law, directive or regulation.

The Trustee shall not be deemed to have knowledge of any Event of Default or Default unless a responsible officer of the Trustee has received express written notice of such Event of Default or Default. Neither the Trustee nor any of the Agents shall be deemed to have knowledge of an Event of Default or a Default unless it has been notified in writing of such an Event of Default or Default.

Nothing in the Indenture shall require the Trustee or any Agent to exercise any discretion in making any investments of any money at any time received by it pursuant to any of the provisions of the Indenture or the Notes. The Trustee and the Agents shall be entitled to hold funds uninvested without liability to account for any interest to any party hereto.

These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. The Issuer takes no responsibility

for these operations and procedures and urges investors to contact the system or their participants directly to discuss these matters.

DTC has advised the Issuer that DTC is a limited-purpose trust company created to hold securities for its participating organizations (collectively, the "**Participants**") and to facilitate the clearance and settlement of transactions in those securities between the Participants through electronic book-entry changes in accounts of its Participants. The Participants include securities brokers and dealers (including the initial purchaser), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the "**Indirect Participants**"). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

DTC has also advised the Issuer that, pursuant to procedures established by it:

(1) upon deposit of the Global Notes, DTC will credit the accounts of the Participants designated by the initial purchasers with portions of the principal amount of the Global Notes; and

(2) ownership of these interests in the Global Notes will be shown on, and the transfer of ownership of these interests will be effected only through, records maintained by DTC (with respect to the Participants) or by the Participants and the Indirect Participants (with respect to other owners of beneficial interest in the Global Notes).

Investors in the Rule 144A Global Notes who are Participants may hold their interests therein directly through DTC. Investors in the Rule 144A Global Notes who are not Participants may hold their interests therein indirectly through organizations (including Euroclear and Clearstream) which are Participants. Investors in the Regulation S Global Notes may hold their interests therein through Euroclear or Clearstream, if they are participants in such systems, indirectly through organizations that are participants therein, or through Participants in the DTC system other than Euroclear and Clearstream.

Euroclear and Clearstream will hold interests in the Regulation S Global Notes on behalf of their participants through customers' securities accounts in their respective names on the books of their respective depositories. All interests in a Global Note, including those held through Euroclear or Clearstream, may be subject to the procedures and requirements of DTC. Those interests held through Euroclear or Clearstream may also be subject to the procedures and requirements of such systems. The laws of some states require that certain Persons take physical delivery in definitive form of securities that they own.

Consequently, the ability to transfer beneficial interests in a Global Note to such Persons will be limited to that extent. Because DTC can act only on behalf of the Participants, which in turn act on behalf of the Indirect Participants, the ability of a Person having beneficial interests in a Global Note to pledge such interests to Persons that do not participate in the DTC system, or otherwise take actions in respect of such interests, may be affected by the lack of a physical certificate evidencing such interests.

Except as described below, owners of interests in the Global Notes will not have Notes registered in their names, will not receive physical delivery of Notes in certificated form and will not be considered the registered owners or "Holders" thereof under the Indenture for any purpose.

Payments in respect of the principal of, and interest and premium, if any, on, a Global Note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered Holder under the Indenture. Under the terms of the Indenture, the Issuer, the Trustee and the Agents will treat the

Persons in whose names the Notes, including the Global Notes, are registered as the owners of the Notes for the purpose of receiving payments and for all other purposes. Consequently, none of the Issuer, the Trustee or any agent of the Issuer or the Trustee has or will have any responsibility or liability for:

(1) any aspect of DTC's records or any Participant's or Indirect Participant's records relating to or payments made on account of beneficial ownership interest in the Global Notes or for maintaining, supervising or reviewing any of DTC's records or any Participant's or Indirect Participant's records relating to the beneficial ownership interests in the Global Notes; or

(2) any other matter relating to the actions and practices of DTC or any of its Participants or Indirect Participants.

DTC has advised the Issuer that its current practice, upon receipt of any payment in respect of securities such as the Notes (including principal and interest), is to credit the accounts of the relevant Participants with the payment on the payment date unless DTC has reason to believe that it will not receive payment on such payment date. Each relevant Participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the Participants and the Indirect Participants to the beneficial owners of Notes will be governed by standing instructions and customary practices and will be the responsibility of the Participants or the Indirect Participants and will not be the responsibility of DTC, the Trustee or the Issuer. None of the Issuer, the Agents or the Trustee will be liable for any delay by DTC or any of the Participants or the Indirect Participants in identifying the beneficial owners of the Notes, and the Issuer, the Agents and the Trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Subject to the transfer restrictions set forth under "*Transfer Restrictions*," transfers between the Participants will be effected in accordance with DTC's procedures, and will be settled in same-day funds, and transfers between participants in Euroclear and Clearstream will be effected in accordance with their respective rules and operating procedures. Subject to compliance with the transfer restrictions applicable to the Notes described herein, cross-market transfers between the Participants, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of Euroclear or Clearstream, as the case may be, by their respective depositaries; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depositary to take action to effect final settlement on its behalf by delivering or receiving interests in the relevant Global Note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

DTC has advised the Issuer that it will take any action permitted to be taken by a Holder only at the direction of one or more Participants to whose account DTC has credited the interests in the Global Notes and only in respect of such portion of the aggregate principal amount of the Notes as to which such Participant or Participants has or have given such direction. However, if there is an Event of Default under the Notes, DTC reserves the right to exchange the Global Notes for legended Notes in certificated form, and to distribute such Notes to its Participants.

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures to facilitate transfers of interests in the Rule 144A Global Notes and the Regulation S Global Notes among participants in DTC, Euroclear and Clearstream, they are under no obligation to perform or to continue to perform such procedures, and may discontinue such procedures at any time. None of the Issuer, the Trustee or any of their respective agents will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Exchange of Global Notes for Definitive Notes

A Global Note is exchangeable for Definitive Notes if:

(1) DTC (a) notifies the Issuer that it is unwilling or unable to continue as depositary for the Global Notes or (b) has ceased to be a clearing agency registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor depositary;

(2) the Issuer, at their option, notifies the Trustee in writing that it elects to cause the issuance of the Definitive Notes; or

(3) if a beneficial owner of a Note requests such exchange in writing through DTC following a Default or Event of Default with respect to the Notes which has occurred and is continuing.

In addition, beneficial interests in a Global Note may be exchanged for Definitive Notes upon prior written notice given to the Trustee by or on behalf of DTC in accordance with the Indenture. In all cases, Definitive Notes delivered in exchange for any Global Note or beneficial interests in Global Notes will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depositary (in accordance with its customary procedures) and will bear the applicable restrictive legend referred to in "*Transfer Restrictions*" unless that legend is not required by applicable law.

Exchange of Definitive Notes for Global Notes

Definitive Notes may not be exchanged for beneficial interests in any Global Note unless the transferor first delivers to the Trustee a written certificate (in the form provided in the Indenture) to the effect that such transfer will comply with the appropriate transfer restrictions applicable to such Notes. See "*Transfer Restrictions*."

Exchanges between Regulation S Notes and Rule 144A Notes

Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in the Regulation S Global Note only if the transferor first delivers to the Transfer Agent a written certificate (in the form provided in the Indenture) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available).

Transfers involving exchanges of beneficial interests between the Regulation S Global Notes and the Rule 144A Global Notes will be effected by DTC by means of an instruction originated by the Trustee through the DTC Deposit/Withdraw at Custodian system. Accordingly, in connection with any such transfer, appropriate adjustments will be made to reflect a decrease in the principal amount of the Regulation S Global Note and a corresponding increase in the principal amount of the Rule 144A Global Note or vice versa, as applicable. Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in the other Global Note will, upon transfer, cease to be an interest in such Global Note and will become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Note for so long as it remains such an interest.

Same Day Settlement and Payment

The Issuer will make payments in respect of the Notes represented by the Global Notes (including principal, premium, if any, interest and, if any) by wire transfer of immediately available funds to the accounts specified by DTC or its nominee. The Issuer will make all payments of principal, interest and premium, if any, with respect to Definitive Notes by wire transfer of immediately available funds to the accounts specified by the Holders of the Definitive Notes.

The Notes represented by the Global Notes are expected to be eligible to trade in DTC's Same-Day Funds Settlement System, and any permitted secondary market trading activity in such Notes will, therefore, be required by DTC to be settled in immediately available funds. The Issuer expects that secondary trading in any Definitive Notes will also be settled in immediately available funds. Because of time zone differences, the securities account of a Euroclear or Clearstream participant purchasing an interest in a Global Note from a Participant will be credited, and any such crediting will be reported to the relevant Euroclear or Clearstream participant, during the securities settlement processing day (which must be a business day for Euroclear and Clearstream) immediately following the settlement date of DTC. DTC has advised the Issuer that cash received in Euroclear or Clearstream as a result of sales of interests in a Global Note by or through a Euroclear or Clearstream participant to a Participant will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC's settlement date.

Governing Law

Each of the Notes and the Indenture provides that such instrument will be governed by, and construed in accordance with, the laws of the State of New York. The Collateral Documents and the Security Sharing Agreement will be governed by, and construed in accordance with, the laws of India.

The Company will not, directly or indirectly, consummate an Asset Sale unless the Company receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (measured as at the date of the definitive agreement with respect to the Asset Sale (including as to the value of all non-cash consideration, such non-cash consideration shall, for the avoidance of doubt, not be subject to the restrictions under this Condition 4.3 (*Limitation on Asset Sales*)) of the Fixed Assets sold or otherwise disposed of.

Pending application of Net Cash Proceeds as set out above, such Net Cash Proceeds may be placed in cash deposits or invested in short term money market instruments.

4.4 Suspension of Covenants

If, on any date following the date of the Trust Deed, the Notes are rated Investment Grade from both of the Rating Agencies and no Default or Event of Default has occurred and is continuing (a "Suspension Event"), then, beginning on that day and continuing until such time, if any, (i) at which the Notes cease to be rated Investment Grade from either of the Rating Agencies or (ii) an Event of Default occurs and is continuing, the following Conditions will not apply to the Notes:

4.5 Consolidation, Merger and Sale of Assets

The initial Agents and their initial specified offices are listed below. The Company reserves the right at any time to vary or terminate the appointment of any Agent and appoint additional or other Agents, provided that it will maintain: (i) a Principal Paying Agent; (ii) a Registrar; (iii) a Transfer Agent; and such other agents as may be required by any stock exchange on which the Notes may be listed. Notice of any change in the Agents or their specified offices will promptly be given to the Trustee and the Noteholders.

7.6 Agency Role

In acting under the Agency Agreement and in connection with the Notes, the Agents act solely as agents of the Company and (to the extent provided therein) the Trustee and do not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders.

8 TAXATION

All payments of principal, premium (if any) and interest in respect of the Notes will be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within (i) India or any jurisdiction of which the Company is otherwise considered by a taxing authority to be a resident for tax purposes or any political organization or governmental authority thereof or therein having the power to tax (a "**Relevant Tax Jurisdiction**") or (ii) any jurisdiction from or through which the Company or any person on behalf of the Company makes a payment on the Notes, or any political organization or governmental authority thereof or therein having the power to tax (each jurisdiction described in (i) or (ii) above a "**Relevant Jurisdiction**"), unless such withholding or deduction is required by law. In that event the Company shall pay such additional amounts ("**Additional Amounts**") as will result in receipt by the Noteholders of such amounts as would have been receivable by them had no such withholding or deduction been required, except that no such Additional Amounts shall be payable in respect of any Note:

(a) to a holder (or to a third party on behalf of a holder) who is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of his having some connection with the Relevant Jurisdiction other than the mere holding of the Note;

(b) presented for payment in the Relevant Jurisdiction; or

(c) the Definitive Note in respect of which is surrendered (where required to be surrendered) more than 30 days after the Relevant Date, except to the extent that the holder of it would have been entitled to such Additional Amounts on surrender of such Definitive Note for payment on the last day of such period of 30 days.

For purposes of these Conditions, "**Relevant Date**" means whichever is the later of:

(1) the date on which such payment first becomes due; and

(2) if the full amount payable has not been received in U.S. dollars by the Principal Paying Agent or the Trustee on or prior to such due date, the date on which, the full amount having been so received, notice to that effect shall have been given to the Noteholders.

Any reference in these Conditions to principal, premium and/or interest shall be deemed to include any Additional Amounts which may be payable under this Condition 8 (*Taxation*) or any undertaking given in addition to or in substitution for it under the Trust Deed.

Any payments, including payments of withholding tax in foreign currency, made by the Company are required to be within the all-in-cost ceilings prescribed under the ECB Guidelines and in accordance with any specific approvals from the Reserve Bank of India or the designated authorized dealer bank, as the case may be, obtained by the Company.

9 EVENTS OF DEFAULT

If any of the following events (each an "**Event of Default**") occurs and is continuing the Trustee at its discretion may, and if so requested in writing by holders of at least 25.0 per cent. in principal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall, subject in each case to the Trustee being indemnified and/or secured and/or pre-funded to its satisfaction, give notice to the Company that the Notes are, and they shall immediately become, due and payable at their principal amount together with accrued interest:

(a) **Non-Payment**: the Company fails to pay any principal, premium (if any) or interest in respect of any of the Notes on the date when due and such failure continues for a period of seven business days in the case of principal or 30 calendar days in the case of interest;

(b) **Breach of Other Obligations**: the Company does not perform or comply with one or more of its obligations under these Conditions or the Trust Deed (other than its obligations referred to in paragraph (a) above) which default is incapable of remedy or, if such default is capable of remedy, is not remedied within 30 calendar days after notice of such default shall have been given to the Company by the Trustee;

(c) **Cross-acceleration**:

(i) the acceleration of any present or future Indebtedness of the Company prior to its stated maturity by reason of any event of default or potential event of default (however described), which acceleration is not rescinded or waived;

(ii) the Company fails to make any payment in respect of any Indebtedness on the due date for payment as extended by any originally applicable grace period;

(iii) any security given by the Company for any Indebtedness becomes enforceable; or

(iv) default is made by the Company in making any payment due under any guarantee and/or indemnity given by it in relation to Indebtedness of any other person;

provided that the aggregate amount of Indebtedness in respect of which one or more of the events referred to in this Condition 9(c) (*Cross-acceleration*) have occurred exceeds U.S.$25.0 million (or the Dollar Equivalent thereof);

(d) **Winding-up**: If any order is made by any competent court or resolution is passed for the winding up or dissolution of the Company, save for the purposes of reorganization on terms approved by an Extraordinary Resolution of the Noteholders;

(e) **Cessation of business**: The Company shall cease or threaten to cease to carry on the whole or a substantial part of the business conducted by the Company and its Subsidiaries at the date of the issue of the Notes, save for the purpose of any reorganization on terms approved by an Extraordinary Resolution of Noteholders;

(f) **Insolvency**: The Company stops or threatens to stop payment of, or is unable to, or admits inability to, pay, its debts (or any class of its debts) as they fall due or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent;

(g) **Liquidation and insolvency proceedings**: If (i) proceedings are initiated against the Company under any applicable liquidation, insolvency, composition, reorganization or other similar laws or an application is made (or documents filed with a court) for the appointment of an administrative or other receiver, manager, administrator or other similar official, or an administrative or other receiver, manager, administrator or other similar official is appointed, in relation to the Company or, as the case may be, in relation to the whole or a substantial part of the undertaking or assets of any of them or an encumbrancer takes possession of the whole or a substantial part of the undertaking or assets of any of them, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or a substantial part of the undertaking or assets of any of them, and (ii) in any such case (other than the appointment of an administrator) unless initiated by the relevant company is not discharged or stayed within 60 days;

(h) **Creditors Arrangement**: the Company (or its directors or shareholders) initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganization or other similar laws (including the obtaining of a moratorium) or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors);

(i) **Nationalization**: any step is taken by any person with a view to the seizure, compulsory acquisition, expropriation or nationalization of all or a material part of the assets of the Company;

(j) **Illegality**: it is or will become unlawful for the Company to perform or comply with any one or more of its obligations under any of the Notes or the Trust Deed or the obligations under the Notes or the Trust Deed shall for any reason cease to be binding upon and enforceable against the Company in accordance with its terms, or the binding effect or enforceability thereof shall be contested by the Company or the Company shall deny that it has any further liability or obligation under the Notes or the Trust Deed; or

(k) **Analogous Events**: any event which under the governing laws of the applicable jurisdictions of the Company has an analogous effect to any of the events referred to in Conditions 9(d) (*Winding-up*) to 9(i) (*Nationalization*) above occurs.

Early redemption upon the occurrence of any Event of Default may require prior approval from the RBI or AD Bank, as the case may be, in accordance with the ECB Guidelines, before effecting such a redemption prior to the Maturity Date and such approval may not be forthcoming.

10 PRESCRIPTION

Claims in respect of principal and interest shall be prescribed unless made within a period of ten years in the case of principal (including any premium in respect thereof) and five years in the case of interest from the appropriate Relevant Date.

11 REPLACEMENT OF DEFINITIVE NOTES

If any Definitive Note is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of any Transfer Agent, subject to all applicable laws and stock exchange requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Company may require (provided that the requirement is reasonable in the light of prevailing market practice). Mutilated or defaced Definitive Notes must be surrendered before replacements will be issued.

12 MEETINGS OF NOTEHOLDERS, MODIFICATION, WAIVER AND SUBSTITUTION

12.1 Meetings of Noteholders

The Trust Deed contains provisions for convening meetings of Noteholders to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by the Company or by the Trustee and shall be convened by the Trustee upon a request in writing of the Noteholders holding not less than 10.0 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting to consider an Extraordinary Resolution will be two or more Persons holding or representing more than half in principal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more Persons holding Notes or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, inter alia: (i) to modify the maturity of the Notes or the dates on which interest is payable in respect of the Notes; (ii) to reduce or cancel the principal amount of, any premium payable in respect of, or interest on, the Notes; (iii) to change the currency of payment of the Notes; (iv) to change any obligation of the Company to pay Additional Amounts with respect to the Notes; (v) to reduce the premium payable upon the redemption or repurchase of any Note or change the time at which any Note may be redeemed or required to be repurchased under Condition 6 (*Redemption and Purchase*) whether through an amendment or waiver of provisions in the covenants, definitions or otherwise or (vi) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, in which case the necessary quorum will be two or more Persons holding or representing not less than two thirds, or at any adjourned meeting not less than 25.0 per cent., in principal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on all Noteholders (whether or not they were present or represented at the meeting at which such resolution was passed).

An "Extraordinary Resolution" is defined in the Trust Deed to mean a resolution passed at a duly convened meeting of Noteholders by a majority of at least two thirds of the Notes represented at such meeting. A written resolution of holders of not less than 75.0 per cent. in principal amount of the Notes for the time being outstanding shall take effect as an Extraordinary Resolution for all purposes.

12.2 Modification and Waiver

The Trustee may agree, without the consent of the Noteholders, to any modification of (except as mentioned in Condition 12.1 (*Meetings of Noteholders*) above), or to the waiver or authorization of any breach or proposed breach of, any of these Conditions or any of the provisions of the Trust Deed or the Agency Agreement, or determine, without any such consent as aforesaid, that any Default or Event of Default shall not be treated as such (provided that, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders) or may agree, without any such consent as aforesaid, to any modification which, in its opinion, is of a formal, minor or technical nature or to correct a manifest error or an error which is, in the opinion of the Trustee, proven. Any such modification, authorization or waiver shall be binding on the Noteholders and, unless Trustee otherwise agrees, such modification authorization or waiver shall be notified to the Noteholders as soon as practicable in accordance with Condition 16 (*Notices*).

12.3 Substitution

The Trust Deed contains provisions permitting the Trustee to agree, subject to compliance with the terms of the Trust Deed, but without the consent of the Noteholders, to the substitution of the Company's successor in business or any Subsidiary of the Company or its successor in business in place of the Company or any previous substituted company, as principal debtor under the Trust Deed and the Notes. In the case of such a substitution the Trustee may agree, without the consent of the Noteholders, subject to the provisions of the Trust Deed, to a change of the law governing the Notes and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

12.4 Entitlement of the Trustee

In connection with the exercise of its functions (including but not limited to those referred to in this Condition 12 (*Meetings of Noteholders, Modification, Waiver and Substitution*) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders and the Trustee shall not be entitled to require, nor shall any Noteholder be entitled to claim, from the Company or the Trustee any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders.

13 ENFORCEMENT

At any time after the Notes become due and payable, the Trustee may, at its discretion and without further notice, institute such actions, steps or proceedings against the Company as it may think fit to enforce the terms of the Trust Deed and the Notes, but it shall not be required to take any such proceedings unless: (i) it has been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least 25.0 per cent. in principal amount of the Notes then outstanding; and (ii) it has been indemnified and/or secured and/or pre-funded to its satisfaction. No Noteholder may institute proceedings directly against the Company unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

14 INDEMNIFICATION OF THE TRUSTEE

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trust Deed provides that the Trustee shall take action on behalf of the Noteholders in certain circumstances but only if it is indemnified and/or secured and/or pre-funded to its satisfaction. The Trustee and its parent, subsidiaries and affiliates are entitled to enter into business transactions with the Company and/or any entity related to the Company without accounting for any profit.

Repatriation of proceeds outside India by the Company under an indemnity clause requires the prior approval of the Reserve Bank of India, in accordance with the extant applicable laws and regulations of India, including the rules and regulations framed under the Foreign Exchange Management Act, 1999, as amended.

15 FURTHER ISSUES

The Company may from time to time, without the consent of the Noteholders and in accordance with the Trust Deed, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for any one or more of the first payment of interest, the issue date, the first interest payment date and, to the extent necessary, certain temporary securities law transfer restrictions) so as to form a single series with the Notes.

References in these Conditions to the Notes include (unless the context requires otherwise) any other notes issued pursuant to this Condition 15 (*Further Issues*) and forming a single series with the Notes.

16 NOTICES

Notices to the Noteholders will be sent to them at their respective addresses in the Register. The Company shall also ensure that notices are duly published in a manner that complies with the rules and regulations of any stock exchange of other relevant authority on which the Notes are for the time being listed. Any such notice shall be deemed to have been given on the later of the date of such publication and the fourth day after being so sent.

So long as the Notes are represented by one or more global Notes held on behalf of Euroclear or Clearstream, notices to Noteholders may be given by delivery of the relevant notice to Euroclear or Clearstream for communication by it to entitled account holders in substitution for notification as required by these Conditions.

17 CURRENCY INDEMNITY

U.S. dollars are the sole currency of account and payment for all sums payable by the Company under or in connection with the Notes, including damages. Any amount received or recovered in a currency other than U.S. dollars (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Company or otherwise) by the Trustee or any Noteholder in respect of any sum expressed to be due to it from the Company shall only constitute a discharge to the Company to the extent of the U.S. dollars which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient under any Note, the Company shall indemnify it against any loss sustained by it as a result. In any event, the Company shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition 17 (*Currency Indemnity*), it will be sufficient for the Trustee or the Noteholder to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Company's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Trustee or any Noteholder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order. If the U.S. dollars amount that may be purchased exceeds that the amount so received or recovered in that other currency, any excess shall as soon as practicable be repaid to the Company.

18 GOVERNING LAW

18.1 Governing Law

The Trust Deed and the Notes, and all non-contractual obligations arising out of or in connection with the Trust Deed or the Notes, are governed by and shall be construed in accordance with English law.

18.2 Jurisdiction

The courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed and the Notes (including without limitation a dispute regarding any non-contractual obligations arising out of or in connection with the Trust Deed or the Notes) and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed or the Notes ("**Proceedings**") may be brought in such courts. The Company has in the Trust Deed irrevocably submitted to the jurisdiction of the English courts in connection with any such Proceedings and waived any objections to Proceedings in such courts on the grounds of venue or that they have been brought in an inconvenient forum. The Company makes this submission solely for the benefit of the Trustee and the Noteholders and shall not limit the right of the Trustee or any Noteholder to initiate Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

18.3 Agent for Service of Process

The Company has in the Trust Deed appointed an agent to receive service of process in any Proceedings in England. If for any reason the Company does not have such an agent in England, it will promptly appoint a substitute process agent and notify the Trustee of such appointment. Nothing herein shall affect the right to serve process in any other manner permitted by law.

18.4 Waiver of Immunity

The Company irrevocably agrees that, should any Proceedings be taken anywhere (whether for an injunction, specific performance, damages or otherwise), no immunity (to the extent that it may at any time exist, whether on the grounds of sovereignty or otherwise) from those Proceedings, from attachment (whether in aid of execution, before judgment or otherwise) of its assets or from execution of judgment shall be claimed by it or on its behalf or with respect to its assets, any such immunity being irrevocably waived. The Company irrevocably agrees that it and its assets are, and shall be, subject to such Proceedings, attachment or execution in respect of its obligations under the Trust Deed or the Notes.
